1. PURPOSE

1.1. The purpose of the Risk Management Policy (the Policy) is to enable an integrated approach to risk management through:

- District Council of Streaky Bay commitment to core risk management principles;
- Defining responsibilities for the application of risk identification, assessment, evaluation and treatment programs across Council operations;
- A Risk Management Framework (“the Framework”) that provides the tools and programmes to underpin Council’s approach to achieving a balance between the costs of managing a risk and the anticipated benefits.

1.2. The management of risk will be integrated into Council’s governance structures, including decision making. Risk Management leads to the successful achievement of Council’s Vision, Strategic Plan Objectives and community expectations.

1.3. To achieve the objectives of the Policy, the Framework has been developed.

2. POLICY STATEMENT

2.1. Council is committed to maintaining and applying governance and risk management principles to ensure that any impacts to strategic and business objectives are considered and analysed.

2.2. Council will adopt and implement a systematic approach to identify, assess, evaluate and treat (mitigate) risks. The risk management program involves identifying opportunities to ensure Council achieves its strategic goals whilst recording and managing its operational risks.

- 2.3. Management will lead, actively participate and have complete oversight over all aspects of risk management within their areas of responsibility
- 2.4. Council will maintain the Framework consistent with the guidelines and principles of risk management as set out in the International Standard ISO31000:2018 – Risk Management Guidelines, with the goal of providing a consistent approach for dealing with uncertainties likely to impact on the achievement of Councils Vision.
- 2.5. The risk register(s) will be periodically and consistently reviewed in accordance with set timeframes identified in the Framework.

3. PERFORMANCE MEASURES

The performance of the risk management program will be measured through three distinct categories:

- Compliance with the Policy and related documentation
- Value add to the whole of Council
- Maturity of Councils Risk Culture

4. LEGISLATIVE REQUIREMENT AND POLICY CONTEXT

- 4.1 Section 125 of the Local Government Act 1999 ('LG Act') requires Council to ensure that appropriate policies practices and procedures of internal control are implemented and maintained in order to assist the Council to carry out its activities in an efficient and orderly manner to achieve its objectives.
- 4.2 Section 132A of the LG Act requires Council to ensure that appropriate policies, practices and procedures are implemented and maintained in order to ensure compliance with statutory requirements and achieve and maintain standards of good public administration.
- 4.3 Section 134(4) (b) of the LG Act requires Council to adopt risk management policies, controls and systems.
