# Council News

## GOVERNANCE

### Human Resource Movements

Council is currently advertising for a Customer Service position this is to replace Amber Bawden who resigned prior to Christmas.

Council this month farewells Luke Kelly from its town maintenance team, Luke leaves Council to take up a position with a local private company and we wish Luke all the best in his future endeavors.

### Council Office Lift Installation

Construction drawings have been completed and provided to consultants who are developing Tender Documents that are due for release last week in January.

### Generators Main Office

Local Government Procurement are currently preparing tenders for Generators for the main office.

## REGULATORY

### Cat Trap and Trapping Policy

Council staff reviewed the existing Policy and identified that current practice was for hirers to pay a fully refundable deposit upon hiring.

The policy and fees have been amended in that hirers will now only receive a partial return on their deposit when hiring.

### Boat Ramp Permit Policy

Council has reviewed the Policy and amended clauses regarding registers of annual permits to be kept enabling notification of permits expiring and time limits to be applied to those not displaying their permits to the latest period they can present a valid permit to Council.

## INFRASTRUCTURE

### Patrol Grading

December saw some reactive works being undertaken and Council has been utilising contractors and hire plant to keep up with its maintenance requirements.

With the recent heavy rain events our graders will be prioritising those roads that have a combination of the worst affected and the highest traffic volumes. This will form a challenging time for Council as we attempt to repair these roads.

If you have any enquiries, please contact the Council Office on (08) 86261001.

### Road Construction

Council has been working out on Cape Bauer Loop and will continue this as weather conditions permit.

It was intended that following this road construction would move to Poochera-Port Kenny Road (Inkster Road to Conglima Road), however storm damage repair will now need to be prioritised.

### Streaky Bay Jetty Pool Shade and Shelter

Designs have been completed and currently awaiting independent design verification.

### Hally's Boardwalk Repairs

Restoration work on the boardwalk providing access to Hally's beach has been completed and access has reopened. The boardwalk was damaged via a significant weather event and required extensive restoration work to ensure its safety.

### Streaky Bay Jetty Platform

Demolition work on the jetty platform has been completed and the new poles and decking has arrived. The reconstruction works, including concreting have begun. Completion planned for February - March 2022, depending on availability of some critical products.

### Wells Street / Western Transit Loop Upgrade

Survey work has been completed, and final construction drawings are being prepared. Upon completion of the final construction drawings, Tenders for works will be called via SA Tenders.

### Vehicles and Machinery

We are in the process of trading in and upgrading 2 x Utes (Toyota Hilux Tailgate Loader & Toyota Hilux Tipper), 1 x SUV (Toyota Kluger), 2 x Graders (one in the 22/23 FY). Request for Quotes have been called through the LGA Vendor Panel.

### Glass Crusher

A Request for Quote is out for a new Glass Crusher for the Transfer Station.

### Robinson Basin Development

Council received notification from Crown Lands in late December advising that SA Water's care and control had been revoked and would now be vested in Council. Council staff will be providing a further detailed report to Council in March 2022.

## COMMUNITY

### Streaky Bay Area School Pool

The Streaky Bay Area School Pool has now been opened, the initial phases have been challenging with staffing and extreme weather events.

A reminder that third party or private hire of the Pool needs to be undertaken through the Streaky Bay Area School.

### Streaky Bay Hall Airconditioning Upgrade

During the installation phase of this project, it was identified that power supply to the hall to adequately service the air-conditioning units in an upgrade was required. Council has been liaising with SA Power Networks to undertake this work and it is due for completion mid-February.

## TOURISM AND ECONOMIC DEVELOPMENT

### District Town Management Plan Development

Council staff are currently preparing a briefing document to be utilized in a tender process to engage a consultant to review its Streaky Bay Town Masterplan and District Management Plan(s) incorporating its rural townships and coastal settlements.

The current document was undertaken in approximately 2010 and Council is acutely aware given the recent increases in visitation and resident population growth that it is of vital importance these documents be reviewed.

### Tractor Beach Campground Development

Infrastructure has been completed and campground sites to the newly developed area. Council staff in the coming weeks will be tidying up the old camping area, further access management and working on signage options that were delayed due to holiday period closures.

It was good to see this holiday period that there was no camping occurring on the crown land to the west of the site, where native vegetation survey's have identified the west coast mint bush that is listed as vulnerable under the *Environment Protection and Biodiversity Conservation Act 1999*.

## CEO UPDATE

From the CEO's desk

Streaky Bay and its surrounds are one of the most beautiful places in Australia and it is clear to see why so many people want to visit or live here. Over the summer period, one of the things I've noticed is caravans parking on vacant blocks and regarding this I just wanted to bring some clarification about the matter.

Under the Planning, Development and Infrastructure Act 2016 (PDI Act); the only time where a caravan does not require approval to be located on an allotment is when it is parked on the occupant's residential property with an existing dwelling. Therefore, the parking and/or living in a caravan on land without an existing dwelling will require Development Approval.

If someone reports to Council that an individual has a caravan on a vacant block, Council Officers will assess whether an appropriate Development Approval is in place. If not, Council officers will contact the owners of the block and request that they remove the caravan. If this doesn't occur, Council will then issue the owners of the block with an enforcement notice pursuant to Section 213 of the PDI Act providing them with the direction to remove the caravan.

If the owner doesn't comply with that direction, Council will remove the caravan and charge the cost of doing so (pursuant to Section 213(6) of the PDI Act). If required to do so, Council will store the caravan and will advise the owner where and when they can pick it up.

If you would like further information or have any concerns regarding this issue, please do not hesitate in contacting us.

## Council Waste Matters

The holiday period has seen a large increase in waste and recycling items being taken to the Transfer Station. Our staff have been working hard to keep up with this increase.

Cardboard drop offs have increased over the last couple of months, from businesses, residents and visitors. Cardboard is free to drop off at the Transfer Station and greatly reduces the volume in your kerbside bin reducing what goes to landfill.

The cardboard is baled on site and freighted to YCA Recycling in Adelaide for recycling. A truck load of 80 bales was transported in January.

A reminder that the transfer station accepts the following non-deposit items for recycling:-

- Plastic milk and cream bottles, washed with the lids removed – opaque in colour
- Cardboard, cut or broken up into pieces that fit into a 240litre wheelie bin (please note that cardboard and cardboard boxes not to the correct size will be charged)
- Tin and steel cans, e.g. fruit tins, soup cans, etc. – washed with the lid put inside the tin

Please ensure your waste is sorted prior to arrival, this avoids contamination of waste.

The Environment Protection Authority (EPA) has imposed strict conditions on the disposal of waste in South Australia. The attendant will direct you to where your waste is to be placed – penalties will be imposed on Council for contaminated waste by the EPA. Your cooperation in sorting your waste is greatly appreciated.

The attendant has *the right to refuse* any waste that is not sorted.

Other items which are free to drop off at the Transfer Station are:

- Green waste – please see attendant before dropping off
- Steel; and
- Car Batteries

*“Often when you think you’re at the end of something, you’re at the beginning of something else.”*

# Citizen of the Year Awards

## Citizen of the Year – Toni Foster

Streaky Bay resident Toni Foster has been awarded the 2021 Citizen of the Year, Toni's dedication to the community as a volunteer across multiple organisations including; sport, youth, arts, culture, health and wellbeing demonstrated her focus on contributing to the community as a whole. Toni has a passion for our youth and her involvement across these organisations ensures our youth, particularly in tough times have opportunities to participate in sport, cultural and recreational activities. The District Council of Streaky Bay congratulates Toni Foster, your tireless work has contributed to many organisations in the community and the impact you have made on young people is significant.

## Young Citizen of the Year – Tayla Roberts

Young Citizen of the Year, Tayla Roberts of Streaky Bay was awarded for her leadership, and as an exceptional role model with the Streaky Bay Area School. Tayla has been an active member of the Rural Youth Ambassador Program with advocacy for country school students including the topics of mental health, isolation and supporting students in the transitional years.

Congratulations Tayla, Youth leadership is vital to develop, maintain, and sustain communities. Your contribution to this has been greatly appreciated.

## Business of the Year Award – Nutrien Ag

Nutrien Ag, Business of the Year winner, is a locally owned Agricultural business serving a wide area of the Eyre Peninsula. Clinton McEvoy and Tyson Montgomerie of Nutrien Ag have been recognised for their passion for Agriculture, the community, support, sponsorship, and volunteering. The business sponsor more than 10 local organisations as well as individual donations across a range of events. Clinton and Tyson as owners of Nutrien Ag in addition to their business activities donate their own time in volunteering in various organisations within the community.

**Active Citizenship Award – Tim and Karen O'Reilly**

Tim and Karen O'Reilly of Streaky Bay were recognised for active citizenship for their ongoing commitment to organising and implementing community sport and recreation activities for the youth.

The District Council of Streaky Bay congratulates Tim and Karen O'Reilly. Sport and recreation builds stronger, healthier, happier and safer communities and we are thankful for your work in this area.

**Long Term Recognition of Service Award – Liz Davis**

Poochera was again recognised in Liz Davis's long-term contribution to the Poochera and District Historical Society, having been on the committee since its inception in 1996. Liz played an important role in developing the 1995 Poochera History Book "Towards the Mist" and the 2021 update of this book. Liz has also been actively involved in the Minnipa Family Life Church where she helps out by running Sunday School.

Congratulations Liz, your work has not only been instrumental in providing a vibrant life to Poochera but has assisted significantly in capturing Poochera's history.

**Community Event of the Year Award – Poochera and Districts Historical Society – Celebrating 100 Years**

The event held at Poochera was well attended by many past and present residents of the Poochera District, including some visitors to the region. The event was exceptionally organised, with a number of demonstrations of historical processes such as wool spinning and butter making, and a few tales of the past revealed by guest speakers and participants alike.

The District Council of Streaky Bay congratulates the winner and is thankful for not only the Society's efforts in delivering this event, but their ongoing contribution to the community.

## STREAKY BAY INDOOR BOWLS

The current SA Covid restrictions have brought the indoor bowls activities to a halt.

Indoor bowling comes under the indoor exercise banner and this rule stipulates that the participants must be 7 square metres apart.

Now, every indoor bowler understands distance is impossible to always maintain, so the rescheduled re-commencement play date of 05.01.2022 was cancelled firstly for two weeks then indefinitely.

However, rest assured indoor bowling will resume. When???

In the meantime, club management wishes players good health and with fingers crossed, the date for a re-start will be on the calendar very soon.

## STREAKY BAY PROBUS

On the 25th of November we were invited to Shirley Petty's house to have a look at her Christmas decorations and then we went for coffee at Drift. Thanks, Shirley, for allowing us to have a look.

Probus Streaky Bay had their Christmas dinner at the Hotel on the 16th of December.

The dinner was well attended with 32 people coming along.

We had our main course of either Roast Turkey or Fish then Zita Chester entertained us with a Patsy Cline rendition. Well done, Zita.

There were a couple of jokes told then it was into the desserts of either Pavlova or Pudding.

A great day was had by all. Well done to the hotel staff.

Our next meeting will be on the 17th of February 2022 all going well.

Our probus club got a write up and some pictures in the Active Retirees magazine put out by Probus South Pacific which made interesting reading. We will print some copies for next meeting.

## HOSPITAL AUXILIARY

Since our last meeting we have been well supported in our raffle held in place of other money raisers intended but suspended due to restrictions put in place. A total of \$1428 was raised again thanks to volunteers and community support.

Winners were Jenny Greenfield, Julie Gill and 3rd Andy McLeod. A big effort especially by Coralie and Kerry at such short notice.

A bowls night was also held as a fundraiser for Elmhaven and Hospital and \$850 was raised. It was a well run fun night perfect weather and thanks to Bowls Club for their support especially mentioning John and Sue Rumbelow for running the event.

Next Meeting will be Monday 14th Feb 2022 hopefully at Hospital Boardroom 2pm.

## STREAKY BAY - ANGLICAN PARISH

New Anglican Priest for Streaky Bay.

Rev Philip Bentley will be inducted into the Parish of Streaky Bay by Bishop John Stead on Saturday 19th February, at 11 am.

Sunday 20th February at 10 am Philip will preside at his first service at St Augustine's, Streaky Bay.

Short autobiography

My name is Philip and I am married to Narelle. I was born in Nottingham, which is in the United Kingdom. I have had a varied work life since leaving school. I have had service with the British army, worked as a carpenter and joiner, as a general duties police officer and have had over 20 years teaching service in a number of high schools. As a consequence of these roles, I have lived and been employed in the United Kingdom, New Zealand, and throughout most states in Australia. Narelle has worked as a registered nurse for almost 40 years. I have previously served the Anglican Church in a number of differing roles, specifically at St James' Cathedral, in Townsville, North Queensland as a lay minister and street chaplain. Both I and Narelle very much look forward to serving the people of Streaky Bay.

The members of Streaky Bay Parish welcome Philip and Narelle to Streaky Bay.

Heather Scantlebury

Secretary

Anglican Parish of Streaky Bay

## STREAKY BAY MEN'S SHED

Wow last year went fast.

On the 26th of November we were treated to another lot of cooked fish thanks to Rob Fiebig. It was a good weekend for us at the shed as we did the ticketing for the Rodeo at the hotel on Saturday the 27th, then the Sunday the 28th we had a great day at the craft markets.

Many thanks to all those people that supported our BBQ and supported the other stall holders.

The shed had their last day on the 17th of December.

Once again, we had some great meals thanks to Jim Petty and Rob Fiebig. Jim did dry biscuits with tomato, onions and Snook for morning tea, then Rob cooked steak sandwiches, sausages, onions to go with the salad.

It was a great way to finish what has been a hard year.

We welcomed John O'Brien back from his extended trip to NSW. John was put to work turning a back piece for the miners lounge we are doing up. Jim Petty has been busy cleaning up the other pieces of the lounge.

Malcolm Brace has cut and put together 5 bird boxes made from decking timber.

We have now received all our money from our boat we had for sale. Thanks must go to John Wilson for his hard work in getting this through.

The Streaky Bay Hotels Ltd asked the Men's Shed if they had covid marshals that could help with the NYE fireworks display.

Thanks to Gavin Scantlebury from the Men's Shed and Lyn and Gary Finch (Streaky Bay Tourism/Rodeo) for giving their time to help. Gary and Lyn kindly donated their time to the Men's Shed. Thanks to the hotel for the \$250 they gave us for doing this.

Regards

Wayne Miller
