Council News

GOVERNANCE

Supplementary Election Results

Local Government Elections are held every four (4) years to determine the membership of each Council. The elections must be held in accordance with the provisions of the Local Government (Elections) Act 1999. After the conclusion of the Local Government Elections in 2022, there was one position left vacant for the ward of Eyre. Therefore, a supplementary was required to be held.

The nomination period for the supplementary election opened on 13 January 2023 and closed at 12 noon on 27 January 2023. During the nomination period a total of 1 candidate nominations were received: LA CHINA, Guy (Eyre Ward) As the number of candidates nominated to contest the supplementary election didn't exceed the number of persons required to be elected. The one nomination has been elected unopposed.

LG (Casual Vacancies) Amendment Act 2023

Council was unfortunately subjected to the outfall of alleged failure to lodge Campaign Donation Returns on time in accordance with the *Local Government (Elections) Act 1999* (LGE Act) with four members affected, that under Section 54(1)(h) required them to vacate their position of office.

On 9th March 2023, the Local Government (Casual Vacancies) Amendment Act 2023 (the Amendment Act) had received the Governor's assent and has therefore come into effect. This means that —

- effectively mean the office held by the **defaulting member** was never vacant (s.54(1a)(a); and
- provide that nothing done or purportedly done by the **defaulting member** in the performance or discharge of official functions or duties during the **defaulting period** is invalid or unlawful (s.54(1a)(b)(i)); and
- provide that no allowances or other entitlements paid or payable to a **defaulting member** during the **defaulting period** is to be recovered or withheld (s.54(1a)(b)(ii)).

This also means that **defaulting members** automatically resumed all other offices held in their capacity as a member of the council (e.g. Deputy Mayor, committee member, council appointment to external body). This is consistent with the resolution passed by Council during February's Ordinary Council meeting.

Staffing News

Council has appointed the following staff into recently advertised positions;

Customer Information Officer Trainee – Laurence Goodhue

Council welcomes Lo into her role.

Finance and Risk Audit Committee

A meeting was held on 9 February 2023 to review its work program, review policies, investments and borrowings, Asset Management and Long-Term Financial Plans.

ESCOSA Local Government Advice Scheme

In April 2022 following the State Government of SA's Local Government Reform, amendments to the Local Government Act were made by which the State Government introduced an advisory scheme that aims to give ratepayers confidence that the rates they pay are set at the level necessary for their Council to provide the services they value. The Essential Services Commission (ESCOSA) is the advisory body and the State's 68 Councils are subject to the scheme, with this review to occur once across a four-year cycle.

The advice to be provided under the scheme is meant to provide independent and transparent information on matters which will be key to those discussions and decisions. The advice is also meant to provide to ratepayers and other interested stakeholders an independent consideration of council's plans, thereby adding value across local communities.

This advice review does not come without a financial cost and the Commission has made a final determination of the scheme costs (which are payable by individual Councils to the Commission) and allocation methodology for the initial four-year cycle of the scheme, as follows:

1. Total annual Commission costs: \$680,000 (for each year of the initial four-year cycle)
2. Allocation methodology: equal split between councils
3. Cost per advice per council: \$40,000, or \$10,000 per annum.

Passing of Former Chairman – Peter Dodgson

Council received the unfortunate news of the passing of former Council Chairman Peter Dodgson. Mr Dodgson was Council's chairman from 1977 – 1984.

Council News Cont.

COMMUNITY DEVELOPMENT

Lions Park Renaming

Recently Council Officers had undertaken public consultation regarding design concepts for the Lions Park redevelopment. One of the by-products of this consultation was feedback that Council should rename the park to a name which provides more local context and identity; as many townships across Australia have parks named the Lions Park. Since the consultation process, Council Officers have since received further written correspondence about the matter.

Council considered various options and endorsed at the March 2023 meeting that the Park solely be named “Pioneer Park” to recognise its original name which honours the pioneers who introduced Agricultural production to the region in the mid 1800’s. This will be reflected in the new signage for the Park.

Volunteer Training Program

The Community Development team are currently sourcing quotes to deliver the Volunteer program. This program will be delivered through online and face to face workshops. The workshops will include event management, grant writing, good governance, sport and recreation, social media, liquor licencing, food safety and WHS. These workshops will be free for any committee or community group within our District to attend.

The first workshop was the Grant Writing workshop which that was hosted in a face to face and online capacity on Friday 31 March and Sunday 2 April this was well received and hopefully community members gained some tricks and tips.

Movie Nights

Council hosted it’s first “Outdoor” movie night on Friday 17 March at Poochera Sports Oval, with the family movie Bad Guys.

The Poochera Sporting Complex opened the bar and provided light meals and snacks, and the event was supported by over 100 persons (with approximately 65 children). The night couldn’t have been better weather wise and was positively reported by those that attended.

The next part of the roadshow is proposed for Wirrulla and officers will be liaising to ascertain suitable dates for this.

Adelaide Guitar Festival

The Adelaide Guitar Festival will be hosted in Streaky Bay on Saturday 1 July at the Community complex. The CDS will liaise with festival organisers for advertising closer to the event.

Local Drug and Alcohol – Community Action Plan

The Community Action Plan has been developed following the distribution of a community survey. The plan has been submitted to the Drug and Alcohol Foundation with a program of events scheduled between May 2023 and May 2024.

School Pool Season

Due to the availability of Pool Supervisors and limited usage of the pool in the past month, Council will be closing the Pool Season early, the last day of opening will be Friday 14 April 2023.

PLANNING AND DEVELOPMENT

Planning Enforcement

Council Officers are continuing to work through a considerable number of complaints with the enforcement of planning issues, noting that they are doing this slowly to ensure everyone is provided with procedural fairness. It should also be highlighted that in the last census period we had 208 people identified as living in a caravan, compared to 2016 where there were only 144 individuals living in a caravan, demonstrating this is a growing problem in the district.

Sceale Bay/Heart Bay Access

Council Officers are continuing to work through the required processes to develop proposals and arrangements that will seek to support the continued access to these locations.

INFRASTRUCTURE

Western Transit Loop Project

We have engaged SGS Economics & Planning to undertake the cost benefit analysis of the project. SGS has developed economic appraisals (also known as cost benefit analysis) across a range of infrastructure, regulatory and service delivery proposal and has done some considerable projects for major clients, such as Infrastructure NSW . This work should be completed in eight weeks, and it should be noted that the cost benefit analysis will

Council News Cont.

be an important piece of work for any funding applications for the project in the future.

Roads Construction

- Emerald Rise Road – 2 sections – completed
- Westall Way Loop – 5km – Completed
- Barrets Road – 2.5km - completed
- **Woorong Boolong Rd – 6.7km – underway**
- **Chilpenunda Road – Rip & Relay - underway**

Lawn Scarifying

The contractor completed this work on the week beginning 20 of March. Post work, the lawn may look like its dying. Although it can be a bit of a shock at first, but the lawn will recover amazingly quickly and look all the better for it (as we are now seeing). The rate at which the lawn recovers can vary depending on weather conditions and the initial quality of the lawn – we are anticipating three to six weeks for the recovery of our lawns (just in time for ANZAC day).

Lions Park Development

Council Officers are now commencing the procurement process for the project, there is a list of project components that Council will be seeking local trades for advertised following this section.

Streaky Bay Town Entrance Statement Design

See separate media release.

Waste Management

In early March a working bee was held to clean up the transfer station yard which included picking up loose rubbish, sorting and separating waste, sweeping the bitumen, slashing and mowing of the surrounds. It was a great show of teamwork from the park and gardens team, transfer station and various staff from the Infrastructure and Prosperity administration teams. Styrofoam was most of the waste that staff picked up from site. Council officers are continuing to work on strategies to address some of the key issues and will find an immediate solution for storing Styrofoam. We are continuing to see large volumes of cardboard with some businesses dropping off a full trailer load 2-3 times per week.

2021/2022 FY Cardboard Bales = 325

2022/2023 FY Cardboard Bales = 330 with 3 months remaining

Cardboard Bales sent to Adelaide		
Date (from - to)	Days	Number Cardboard Bales
14/12/2022 14/03/2023	90	116
13/04/2022 13/12/2022	196	211
20/01/2022 12/04/2022	83	93

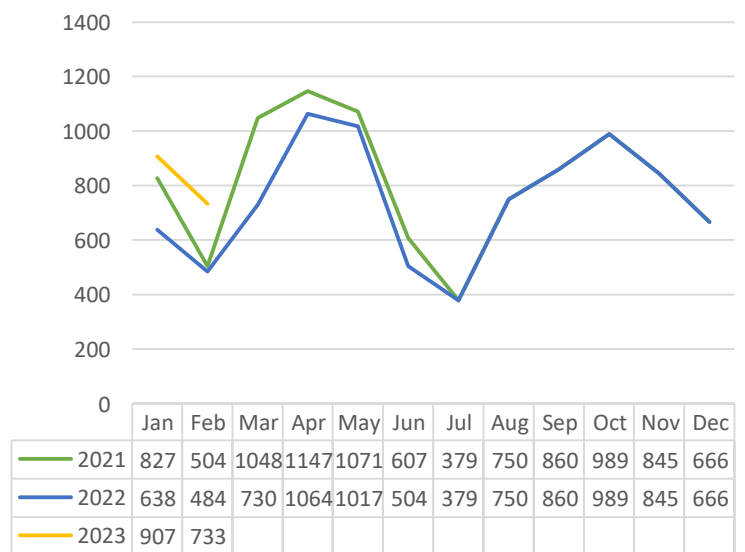

Streaky Bay Tree Management Assessment

Assessments for the Lions Park and Foreshore Tourist Park have been completed and associated works will now be considered, and an action plan developed accordingly.

Council Officers will be, following the completion of the project, inviting the consultants to undertake a community presentation that will enable interested community members to ask questions and seek clarification on any queries they may have regarding tree management within the township.

ECONOMIC DEVELOPMENT

Visitor Centre Numbers

The Visitor centre has continued to see a large numbers of visitors, February recorded 733 visitors which is the highest number ever recorded for February.

Office for Regional Housing

The Office for Regional Housing has been created to tackle the unique housing challenges facing regional South Australia by:

- Facilitating the development of new key worker rental housing in regional South Australia through the Regional Key Worker Housing Scheme;

Council News Cont.

- and supporting the planning and implementation of housing projects through advice and assistance. The Office for Regional Housing will, where possible, help to facilitate housing projects identified by local governments, regional employers, the development industry and other peak bodies that provide strategic affordable and key worker housing in the regions.

The new Regional Key Worker Housing Scheme aims to create a continuous pipeline of homes, and in the first instance, will facilitate the delivery of housing to attract and retain police, teachers and healthcare workers in key country areas.

A pilot program will be immediately rolled out to deliver approximately 30 homes for these key services across the Copper Coast, Riverland, Mount Gambier, Port Augusta and Ceduna.

Houses delivered under the scheme may be sold to private investors under long-term lease arrangements. The construction of these houses is expected to reduce pressure on the private rental market.

Following the delivery of the pilot program, there is scope for it to be expanded to other regions and be available to organisations seeking to secure long-term access to new, fit-for-purpose housing for their workers.

The Office for Regional Housing reports to Renewal SA's Chief Executive, the Urban Renewal Authority Board of Management and the Minister for Housing and Urban Development.

The Office will work with local councils, regional businesses, builders, and investors to coordinate the scheme. In addition, the Office will work with these partners to help facilitate other housing projects that specifically contribute to key strategic and economic objectives, and reflective of the unique challenge faced across the state.

Murphy's Haystacks Development

Road intersection development has been progressed during the month of December, upon completion of the intersection upgrade the required infrastructure will be purchased for the site, designs and styles have been selected in conjunction with the site owner, it is hoped to have the project completed prior to the end of May 2023.

Business/Private Use of Roads and Policy Guidelines

Council endorsed the above policy in recognition and support of the practice of selling or promoting some products from public roads within the Council area and acknowledges the need for appropriate permit procedures and guidelines for these activities to ensure public safety and fair sharing of Council's Road reserve spaces.

This permit system is intended to guide how public road verges are to be used for business and other related purposes in ways that ensure an appropriate balance between the interests of the Council, street traders, residents, and visitors.

This Policy does not apply to mobile food van vendors.

Council Officers in coming months will be seeking to renew and implement all permits relating to the Policy.

Business/Private Use of Council Land Policy Guidelines

**** Markets, Events, Private Gatherings, Sales ****

Council has now put in place a policy that supports procedural and legislative requirements for the use of Council Land for Business or Private Purposes. Under the Local Government Act 1999 a person must not use public land for business purposes unless the use is approved by the Council. Business purposes *include the use of land even if it is not intended to make a profit.*

Council recognises and supports the practice of selling or promoting some products and hosting of events and other activities from Council Land or Facilities within the Council area and acknowledges the need for appropriate permit procedures and guidelines for these activities to ensure public safety and fair sharing of Council's public spaces (excluding roads).

This permit system is intended to guide how public spaces and facilities are to be used for business and other private purposes in ways that ensure an appropriate balance between the interests of the Council, traders, residents, and visitors.

The permit system (Policy) will include the use of Council Land and Reserves for purposes of **construction and building.**

For further information or to enquire if your event requires a permit, please contact the Council on 08 86267033.

Council News Cont.

CEO UPDATE

From the CEO's desk

Being a responsible dog owner while at the beach.

Over the past couple of months, we have received numerous complaints about the behaviour of dogs on our beaches. These complaints range from dog poo not being cleaned up, dogs being unsecured while the owner is surfing, dogs not being under effective control while being in an off-leash area and numerous other issues. So, I thought I would take the time to cover the topic of being a responsible dog owner while at the beach.

When does my dog need to be on a lead on the beach?

There are numerous areas where your dog is required to be on the lead on our beaches. All of these areas have signs in the carparks which denote where a dog is required to be on a lead. In the coming months we will be stepping up our patrols of the beaches and it should be noted that infringement notices will be issued if your dog is off the leash in an on the leash area.

Why can't my dog run wild at an off the leash area?

When your dog is at an off the leash area, you still need the dog under effective control. This means your dog needs to be under voice control, within sight and near you at all times. If you can't call your dog away from another person or dog, don't let them off lead.

Please also be courteous of others sharing the off lead space with you. Call your dog away from other dogs or people, unless they are obviously seeking interaction. Remember regardless of your dog's size, temperament or age they are not permitted to jump on another, person or animal or be causing any discomfort to other beach users.

Also, remember if you are out in the surf and your dog is unsecured in an off the leash area. This wouldn't be deemed as being under effective control. Remember, there are provisions under the Dog and Cat Management Act 1995 to issue infringement notices if your dog isn't under effective control.

What is the deal with dog poo?

A single dog poo can contaminate water in an area the size of a tennis court. When animal waste ends up in the water it decomposes, using up oxygen. During summer months, low dissolved oxygen levels harm fish and other aquatic life. Dog

poo can also contain bacteria and parasites, causing infections in other animals, humans and sea life.

Walking your dog in public does require you to carry a suitable dog waste bag at all times. The District Council of Streaky Bay does provide dog waste bags within various high use locations around our district however this this provided as an additional courtesy and should not be exclusively relied on. Please remember to always pick up after your dog and dispose of the bag in an appropriate bin.

Land nesting birds

Many varieties of land nesting birds call the beaches in the District Council of Streaky Bay home. These birds are incredibly vulnerable and we would love to see them grow and fly to their full potential.

Dogs being curious and friendly souls do like to explore and get close to these birds which is one of the main threats to their survival. As much as it may appear that the dogs are "playing" they are indeed causing great distress to these birds. When you do see a sign indicating the birds are nesting or notice a nest please leash your dog, only walk below the high tide mark and move away quietly.

The dunes

Dog poo is harmful to dune habits; it changes soil chemistry which is bad news for wildflowers. It can also contain diseases and parasites which may be fatal to creatures that live in the dunes. When accessing the beaches, please stick to the path, keep your dog on the path as well and pick up their poo.

To help protect our coast, remember:

- Keep your dog on a lead at the beach and don't let them wander through the dunes.
- Keep cats inside at night and avoid letting them roam through the coastal reserve.
- Do not dump lawn clippings or general rubbish in coastal areas.
- Do not plant exotic vegetation (including lawn) on public land.
- Plant native coastal plants in your garden (you can find these at local nurseries).
- Use designated paths when going to and from the beach.

Damian Carter Chief Executive Officer

Media Release

Council decides on a finalised township entry statement design for Streaky Bay

Community consultation has been completed and during Council's ordinary March meeting, Council had endorsed the preferred concept design for finalisation and construction.

The endorsed concept received the overwhelming community support during consultation. With four different concept designs being presented and over 40% of the community respondents identifying the endorsed design as their preferred design and 63% of the student respondents who were surveyed as part of their school activities identifying the endorsed design as their preferred design.

In identifying the design as their preferred design, respondents had provided the following feedback on the endorsed concept:

- Its bright and colourful.
- It has a modern design and is fresh and vibrant.
- They thought the design was representative of the ocean, beach, surf, land and sky, fish and surfboards.
- The design was a unique design, catches the eye, Different, Not Generic, Different
- shapes and textures, simple, authentic.

Based on some of the feedback provided during the consultation, the designer did make a couple of small changes and that was the inclusion of the silhouette of a jetty which represented Streaky Bay's iconic Jetty, as well as the inclusion of stone walling which was more representative of local stone masonry.

In speaking about the endorsement and consultation process, Council's Chief Executive Officer, Damian Carter had said "We had gone above and beyond to consult with the community, including manning street drop by sessions, consultation via the school, distributing the survey via social media, Council's webpage and the criterion. We are also very thankful for the various local news agencies who publicised the consultation. Ultimately, one design had clear community support as their preferred concept and I liked the approach Council had undertaken in its endorsement which was to take out their subjective opinion of the design and to ascertain whether the community consultation was robust enough and what was the clear feedback during that consultation".

The township entrance statements will provide visitors with a sense of arrival, whilst helping build the township's identity. Streaky Bay is the only major township in the district which doesn't have Town Entrance Statements and Council is looking to address this discrepancy through the installation of the new statements by the end of June 2023.

COUNCIL OFFICE RELOCATED

The Council Office is currently under maintenance and during this period customer service staff have been relocated to the Visitor Centre on 21 Bay Road.

All customer enquires will be managed from the Visitor Centre from 9am to 5pm, Monday to Friday.

Temporary relocation dates will be from the 12th April to end of June 2023.

08 8626 1001

dcstreaky@streakybay.sa.gov.au

www.streakybay.sa.gov.au

TENDERS, CONTRACTORS & QUOTATIONS

COUNCIL IS SEEKING INTERESTED TRADES

COMMUNITY WASTE MANAGEMENT SCHEME

Council invites tenders from Tenderers for the provision of the Desludging of the Streaky Bay Community Wastewater Management Scheme (the Services) from 1st July, 2023 until the 30th June, 2027 (4 years).

Tender No. 23-002

Tenders Close: 5:00pm (Adelaide time) Friday 28th April 2023

Tender documents are available on the SA Tenders Website at

<https://www.tenders.sa.gov.au/tender/view?id=250473>

COUNCIL INVITES ALL INTERESTED TENDERS TO TENDER FOR THIS WORK

PIONEER PARK DEVELOPMENT

Lions Park

Council will be seeking quotations from interested contractors in the following areas;

- Bespoke Timber Playground Equipment Construction and Installation
- Playground Equipment/Outdoor Furniture Installation
- Ground Earthworks and Demolition
- Site Set Out
- General Landscaping including Swale Construction
- Footpaths and Kerbing
- Irrigation, Lawn and Landscaping
- Project Management (optional)

Potential contractors will be required to start some aspects of the project as soon as possible (to meet tight deadlines) and have the ability and willingness to work alongside and with other trades and project dependencies.

Contractors must also be able to register as a qualified contractor, a copy of the required documentation can be obtained by contacting the below.

Quotation documentation will be available on Council's website Monday 24 April, 2023.

To register your interest in the above works please email through details to dcstreaky@streakybay.sa.gov.au or contact Penny Williams (General Manager – Prosperity) or Lachlan Smith (General Manager – Infrastructure) P: 08 86261 001

MANAGEMENT PLAN SURVEY

COUNCIL IS SEEKING YOUR FEEDBACK

In 2010, the District Council of Streaky Bay undertook an extensive planning and consultation exercise to develop a suite of documents, Streaky Bay District Management Plan (DMP), that has guided the strategic planning of the District over the last 12 years. These documents focused on the environment, open space, tourism, land use and urban design.

While much of the information contained within these documents remains relevant, the context and character of the district have changed over the decade. The council acknowledges the changing landscape and community priorities that have occurred over this time.

Consequently, the Council is now preparing a series of Township Management Plans which will provide sustainable planning and development frameworks for each of the following towns within the District of Streaky Bay:

- Streaky Bay
- Sceale Bay
- Wirrulla
- Poochera
- Perlubie
- Haslam

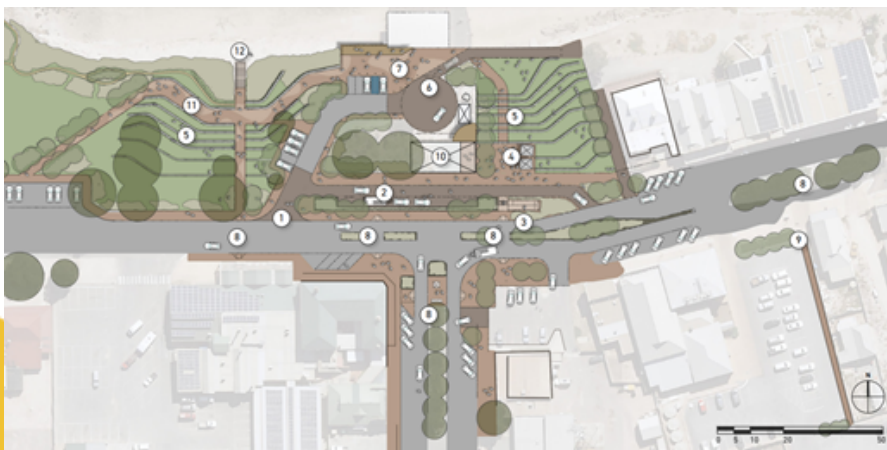

The Township Management Plans (TMP) explore the context of each township and its roles within the district. The key finding and community feedback is summaries to provide a background to the strategic directions and structure plan actions.

The master plan of each township will be influenced by the complex interaction between each of strategic directions. Further details is provided within each of the specific township master plans.

The master plans actions reference the strategic directions and are mapped across specific locations within the townships. The potential timeframe of each action is also quantified to assist the council with forward planning.

Finally, the concept plan illustrates the unique projects for the township that encompasses the strategic directions and themes.

HASLAM Community Consultation Session - due to weather conditions previously an updated session will be provided Wednesday 3 May 2:00pm - Haslam Foreshore

Volunteer Empowerment Program

Developing Community Leaders and capacity through equipping our Volunteers.

Second Session: Social Media

Thursday April 27th
Face to Face 6pm-7pm Visitor Centre

Recording will be available to those unable to attend

2023 RD Walshe Memorial Writing for the Environment Competition

The Sutherland Shire Environment Centre's 2023 RD Walshe Memorial Writing for the Environment Competition is now open. This year's topic is Future, what future? It invites writers to put themselves in their fictional future. The competition asks writers to submit a piece of writing that personalises the future. The writing must, of course, consider elements related to the environment and broader sustainability concepts.

There are 3 age categories – Under 19, 19-25 years, and Over 65 – with cash prizes of \$500 for the winner of each category. Runners up will also receive a cash prize. The Sutherland Shire Writers Group also offers an additional prize of \$100 for a junior writer, the "Pat Strong Award for a Young Writer", which honours one of the Group's foundation members.

Details about the competition and how to submit your entries can be found here:

<https://www.ssec.org.au/grants-and-awards/rd-walshe-memorial-writing-for-the-environment-prize/>

Entries close on Friday, 30 June 2023.

rephilled@hotmail.com

Community News

STREAKY BAY RSL

Streaky Bay RSL sub-branch members will be holding two services this coming Anzac Day Tuesday 25th April 2023.

Dawn Service will be held at the jetty platform as per normal after circumstances last year forced us to hold it at the RSL Hall. Feedback from within the Community endorsed the Jetty Platform as the most preferred option as a venue plus it enables us to accept the kind offer of Tony and Penny Hogan at the Streaky Bay Community Hotel to have the "gunfire breakfast" at the conclusion of the Dawn Service.

The AZAC Day march will take place from the corner of Wells Street and Bay Road at 10.45 followed by the Commemorative Service at the Streaky Bay RSL Hall at 11.00am.

Bar facilities and a BBQ lunch will be available at the conclusion of this Service.

Advice from RSL HQ South Australia informs us that Post-Covid it is expected the activities may be conducted as they were pre-Covid.

All are most welcome.

Peter Eylward
President

'LEST WE FORGET'

EP LANDSCAPE BOARD UPDATE

Pest Plants

The Board continues weed control in the region. During April the following works are planned:

- Boxthorn control along Sceale Bay Road, Jessie Flat Road, Westall Way Loop and the Eyre Highway to Piednippie.
- African Lovegrass control along the Eyre Highway from Ceduna to Kyancutta.

Planning and preparation work is also being undertaken to control the spread of Gazania out of the Streaky Bay township and into our vulnerable coastline, vegetation communities and pastoral lands.

Grant Opportunities

Community grants open for priority landscape areas

More than \$110,000 is available for Eyre Peninsula residents to put towards community-based landscape management and environmental protection projects across the region, under the Eyre Peninsula Landscape Board's Grassroots Grants program.

The grant program is open until April 28 for grants up to \$15,000.

Last year the Board funded 11 projects that focused on a variety of landscape management issues ranging from removing pest plants, revegetating habitat, protecting sand dunes and other sensitive areas, re-populating an endangered species, and educational sessions.

More information at: www.landscape.sa.gov.au/ep.

Heritage Agreement Grant Funding

The Native Vegetation Heritage Agreement Grant Program is now open. Grant funding is available to provide support to landowners to help manage biodiversity on their properties and may include assistance for fencing, pest plant and animal control and biodiversity monitoring.

Grants are available for works on individual Heritage Agreements or works spanning multiple Heritage Agreements. There are three tiers of grants available (GST inclusive), up to \$100,000. Grants can be for one-off activities or activities that span multiple years.

More information at:

www.environment.sa.gov.au/topics/native-vegetation/protecting-enhancing/heritage-agreements/

Once landholders submit an expression of interest, an Eyre Peninsula Landscape Board officer will be in touch to arrange a site visit and discuss your property.

STREAKY BAY INDOOR BOWLS

March has been another great month for indoor bowls.

Our numbers are a little down due to illness and people lucky enough to be away for holidays. 3 being in WA. But it's always a fun day no matter how many attend.

Results: Winners

Week1 Bev W, Owen, Julie.

Week 2 Julie, Jim C, Connie, Pam.

Week 3 Wayne, Marlene, Rob.

Week 4 Wayne, Bev O, Annette.

Week 5 Bev W, Roger, Roz, Pam.

We have had many visitors this month and they have been in winning sides several times.

All Welcome to a fun day with plenty of action. As in pictures.

STREAKY BAY COUNTRY WOMENS ASSOCIATION

Our member, Rae Brewster OAM, helped open the meeting with a very funny duck joke, one that is shared amongst friends and not for publication! On ya Rae. A table courtesy or guest courtesy was the roll call of the day and the usual traditional courtesies/etiquettes were mentioned. We all brought along a 100% Australian-Made item for display – wool, AUD \$2 coin, Australian passport, home made items, wood and metal carvings/ornaments, etc that all came with a story. The meeting had minimal matters to address this time round. The floral point scorers for the day were Patsy & Rae for the single bloom and Sharon & Vonnie for the multi-bloom and a few birthday pressies were handed to some of our birthday gals. We like to be adventurous and practical with our birthday gifts, so a toilet roll & pumice stone was the go.

By the time this is published, we hope everyone enjoyed their Easter long weekend and you got to eat more chookie eggs than chockie eggs.

New members always welcome.

General: Helen 0409 094568
Handicraft: Alison 0417 854883

STREAKY BAY HOSPITAL AUXILIARY

Meeting held at Kerry's home.

A.G.M. meeting it was resolved that positions and personal remain same.

Resolved subs to remain \$5.00

Financials were audited and passed.

Coralie to remain in charge of raffles with help from members.

Hunt still on for suitable chairs for hospital veranda
Wreath for Anzac day to be located.

Request for purchase of vein finder approved waiting on information regarding this.

Mothers day raffle will again be run thanks to Coralie for the organising of this roster will be let know for helpers.

Joyce Woods our longest serving member was wished a very happy birthday.

Next meeting will be Tuesday June the 6th.

Community News

STREAKY BAY MENS SHED

It was great to see one of our members in Jim Clarke got a good write up in the Advocate a couple of weeks back.

We were also spoilt a few weeks back when Rob Feibig came and made us all Yiros's. Well done Rob.

Numbers have been down of late.

We have been busy restocking items for the craft shop. Hobby horses and pull along wooden carts as well as push carts. (see pics below)

We have been approached to do some work for the hospital auxiliary members. This is to repair and repaint a seat in the hospital grounds.

The shed has had a couple of visitors over the last couple of weeks. With some members of the Cleve Men's Shed dropping in to see us. We also had Robin Bodycomb from the Kersbrook Men's Shed return.

It is always good to have these visitors as we share idea's with each other.

STREAKY BAY PROBUS

On the 16th March we had our AGM.

A couple of changes to the committee.

They are Shirley Petty has taken over the role of President from Peter Eylward. Shirley thanked Peter for his work over the last couple of years as President.

Peter will stay on as Vice President.

A new member in Kay Potter has gone onto the committee.

The new committee is as follows:

President is Shirley Petty.

Vice President is Peter Eylward.

Secretary is Wayne Miller.

Treasurer is Coralie Walker.

4 committee members are Marlene Ettridge, Kay Potter, Margret Mudge and Mary Cash.

Margret Mudge has taken over from Rae Brewster who over 12 years has been responsible for sending Sympathy, Special Birthdays and get well cards to members and families. Well done Rae and thankyou.

On the 16th we had a guest speaker who was Tobin Woolford who spoke on Flinders Island where he grew up and which is owned by his family. Tobin also spoke on the abalone business that he and brother Jonas run. Once again another great speaker.

Probus Streaky Bay is always looking for new members so if you are new in town and would like to join Probus come along to one of our meetings which are held every 3rd Thursday of the month in the Flinders Room at the hotel.

Community News

NATIONAL TRUST MUSEUM

The Streaky Bay National Trust Museum has had a busy summer. Visitor numbers have increased which reflects on the extra hours put in by the volunteers. In summertime the museum is open four times a week and in winter, its three.

There are new displays to see, along with the restoration of existing ones. Among the new are puppets from the Harold Raymond Concert Party. Harold was a blind violinist and they toured the West Coast in the 1950's, raising money for the Melrose House Institute for the Blind. A Streaky Bay audience filled every seat. To end every concert Oscar (a puppet) would sing his special song accompanied on the piano by local lady Jean Dunn.

Among the restored displays is the Mudge Mail Cart. This historically important display is a link to Streaky Bay's early days when the mail arrived by horse and cart. Tom and Charley Mudge had a twice weekly mail run to Port Lincoln and weekly to Denial Bay, Fowlers Bay and Yardea Station. The Mudge's used 120 horses to keep all lines running.

Renovations and maintenance are continually undertaken at the museum. Currently we are upgrading two of the sheds to enhance the displays within. One of the sheds will house the Birdseye Bus, the Studebaker farm vehicle and the Chevrolet Truck. The Mudge Mail Cart will also be in here along with a restored 1940's hand operated fuel bowser and other mechanical items. The second shed, where the West Coast Sentinel display is located will have a new area featuring entertainment items used in Streaky Bay in the past. We have movie projectors from the Institute, radiograms and TV's amongst other items to display. Information boards in both sheds will detail the historical aspects of these displays.

The museum is always looking for new volunteers to join our team. We need a variety of volunteers, of all ages, to keep the museum running and to undertake the maintenance that is needed to preserve our displays.

Come in when the museum is open or ring Sandy on 0458 707 137 and talk to us about volunteering. We will work with you to find an area that interests you and hours are flexible.

Sandy DeSira, Chairperson

The Mudge Mail Cart

Puppets from the Harold Raymond Concert Party

JUST ARRIVED BOOKS AND DVDS

STORIES & RHYMES

During term time, join us in a welcoming and relaxed environment for reading, playing, singing and talking. For young children 0-4 years, and their parents and carers, at the library 9.30am Tuesday mornings. See how the library can support the learning of your little one. For more information 86261492.

NEED A SPACE TO STUDY?

The library is quieter after 3.30pm. Bring your own device, or use our modern computers. Our wifi is free and very reliable. The library has a printer, scanner and email service. You can even print straight from your phone. Need help with this? That's ok! Our staff are more than capable, confidential and happy to show you the way.

OPENING HOURS

During the school term:

Monday 8.30am-4pm
Tuesday 8.30am-6.30pm
Wednesday 8.30am-4pm
Thursday 8.30am-6.30pm
Friday 8.30am-4pm

During school holidays:

Monday 9-12 & 1-4pm
Tuesday 12-6.30pm
Wednesday 9-12 & 1-4pm
Thursday 12-6.30pm
Friday 12-4pm

Closed public holidays

Please, if you are feeling unwell, do not attend the library.

Council Waste Matters

CHANGES TO GREEN WASTE

As part of Council's Environment Protection Authority (EPA) Licence No. 2108 for the Streaky Bay Transfer Station, it is a statutory requirement that the green waste drop off area needs to be securely fenced with restricted and supervised access during transfer station opening times only.

A contractor has been engaged and will soon commence the construction of a secure chainmesh fence which will adhere to Council's statutory requirements of its EPA Licence No. 2108 for the Streaky Bay Transfer Station.

Access to the green waste drop off area once the fence is constructed, will be via the main entrance gate and then via a new access gate into the green waste drop off section.

It is also a requirement that all waste loads are inspected, including green waste prior to drop off. Customers are to present to the attendant on arrival, the load will be inspected and the attendant will advise where to offload.

Please ensure that your green waste is free of contaminants such as plastics, steel and other materials as Council reserves the right to refuse the load until the green waste is clean.

TRANSFER STATION OPENING TIMES

Monday
CLOSED

Tuesday
9:00am-12:30pm
1:30pm-4:30pm

Wednesday
9:00am-1:00pm

Thursday
CLOSED

Friday
9:00am-12:30pm
1:30pm-4:30pm

Saturday
8:00am-1:00pm

Sunday
CLOSED

Also closed on ALL public holidays, Catastrophic declared Fire Ban Days (as issued by the CFS) and as adverse weather conditions dictate to maintain the safety of staff and customers.

CUNGENA LANDFILL SITE

Location

56 Dickson Drive, Cungena SA 5660

Opening Times

Cungena Landfill Site is now open by appointment only.

EP Recycling

Glen - 0428 885 114
Kerri - 0429 230 030
Office - 8680 5114

Council Waste Matters

A WORD ON CARDBOARD

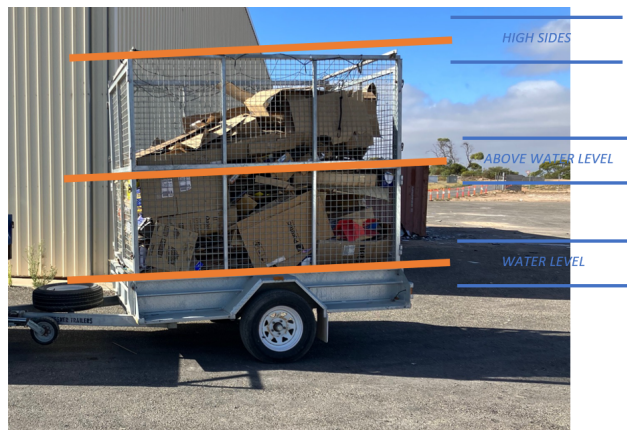

We are seeing huge amounts of cardboard being deposited at that Transfer Station that is becoming increasingly difficult to manage and noting large amount of contamination that is occurring that requires staff to sort and dispose prior to baling.

Council Officers / Transfer Station attendants will be monitoring this and loads may be rejected should they deemed to have high levels of contamination.

All Cardboard should be cut to size of 500mm x 500mm (or fees apply)	
All Cardboard MUST be flattened	
All packaging MUST BE REMOVED from the box and disposed of in general waste	
No Magazines, Paper, Wrapping Paper, Polystyrene, Plastic or Bubble Wrap as these are considered contaminants	

HOW YOU WILL BE CHARGED

FULL TRAY UTEs CHARGED AS A TRAILER

CAR BOOT OR DUAL CAB UTE CANOPY

WHEELIE BIN

SORTED MIXED WASTE

Loads of Waste that are sorted but have multiple types of waste streams will be charged at General Household / Mixed Rates (Exclusion of white goods, mattresses, tyres charged individually)

CLEAN SINGLE WASTE STREAM LOADS

Loads of Waste that are sorted DO NOT contain any other waste streams will be charged at that rate of that applicable stream (e.g. Steele, Cardboard, Timber, Green Waste)

Salvation is impossible without the grace of God

1 Timothy 2: 5

There is one God and
one mediator between God and mankind

Jesus Christ

who gave himself as a ransom for everyone

This is a fact worthy of your attention
and acknowledgement
