Council News

GOVERNANCE

Staffing News

Council's Manager, Infrastructure and Civil Works Darren Walker has resigned, and we wish Darren all the best. Darren has been instrumental in leading and innovation in key projects such as the Moore's Boat Ramp Redevelopment, Jetty Platform Refurbishment and the Streaky Bay Waste Transfer and Resource Recovery Centre Operations. Recruitment for the position has commenced.

Council welcomes Ethan Myles into the position of Parks and Gardens Maintenance, and Council looks forward to working with Ethan.

Council has commenced recruitment for the Part Time Customer Information Officer position at the Streaky Bay Visitor Centre.

Eyre Peninsula Local Government Association – Draft Strategic and Business Plans

The EPLGA is the overarching body with representative Mayor's from each of the Council's that make up the Eyre Peninsula LGA.

The Draft Strategic and Business Plans considered by Council are documents that will set the direction of advocacy and strategy for the EPLGA over the next 12 months.

Regional Development Australia Eyre Peninsula – Council Funding Agreement

RDA is a Federal Government initiative comprising a national network of 52 skills-based committees made up of local business leaders in each region that work with all levels of government, industry and community groups to support the development of their regions. There are seven (7) RDAs in South Australia funded via this same tripartite agreement, with the State Government recently re-committing to the RDA Framework in South Australia for a further 4 years.

Local Government are a key partner and co-funder in the tripartite agreement, and Council considered a report on Council's contribution towards the RDA over the next 4 years, with Council ratifying to continue its funding.

Council Officer Authorisations

Council received a report outlining a request for authorization of certain Council Officers to be enabled to undertake the administering and enforcement of certain laws. This report was endorsed by Council and will enable a flexible workforce to spread the load of undertaking these duties, particularly during peak periods.

INFRASTRUCTURE

Western Transit Loop

The Wells Street, AB Smith Road, Alec Baldock Drive, Wallschutzky Road loop project is underway. A project management consultant has been engaged to undertake the project (approved by Council at the April meeting) and final 2d and 3d drawings are being developed with a view to endorsement at the June meeting of Council.

Stormwater Management Plan Review

The existing Stormwater Management Plan is more than 10 years old. With the current level of growth and infrastructure development Council understands the need to review this plan to consider current and future stormwater capture and reuse. Consultant Tenders are currently being assessed with a view to engagement by mid June.

There will be community consultation sessions held as part of this development, advertising for those sessions will be placed in the Criterion, Social Media and News Media, alternatively if you wish to be notified by email, register your interest with williamspenny@streakybay.sa.gov.au.

Road Maintenance and Construction

A Summary of Road Maintenance and Construction work completed to date in the 2021/2022 Financial Year is provided below.

Roads Resheeted this FY

- Gawler Ranges Road – 8km from bitumen
- Piednippie-Maryvale Rd – 5km South from Jessie Flat Rd

- Brougham Place
- Dickinson Street

Road that was new seal

- Back Beach Road
- Anderson Place Carpark

TOURISM AND ECONOMIC DEVELOPMENT

Streaky Bay Township Management Plan and District Management Plan Review

Tenders were sought and received to undertake a review of the Streaky Bay Township Masterplan and District Management Plan, with the DMP consisting of;

- Open Space and Recreation Plan
- Coastal Plan
- Township & Urban Design Framework
- Crown Land Open Space Development
- Caravan and Camping Guide
- Open Space Category & Hierarchy Guide

A copy of the existing documents can be found at www.streakybay.sa.gov.au

Council Officers are currently in the processing of assessing Consultant Tenders.

There will be community consultation sessions held as part of this development, advertising for those sessions will be placed in the Criterion, Social Media and News Media, alternatively if you wish to be notified by email, register your interest with williamspenny@streakybay.sa.gov.au.

Streaky Bay Youth Precinct

Council have endorsed nationally recognized Skate Design specialist CONVIC to finalise design plans and construct the development of the Streaky Bay (Skate) Youth Precinct.

There will be community consultation sessions held as part of this development, advertising for those sessions will be placed in the Criterion, Social Media and News Media, alternatively if you wish to be notified by email, register your interest with williamspenny@streakybay.sa.gov.au.

Community Strengthening and Planning Committee Meeting – Section 41

Council held its quarterly meeting of the Community Strengthening and Planning Committee meeting where the Committee makes recommendations only to Council on Community, Economic, Tourism and Planning matters.

Matters discussed and recommendations put forward to Council for consideration at that meeting were;

- Visitor Centre Operations
- Foreshore Tourist Park Operations
- Deputation by Discovery Parks on current trends and future
- Campground Fees and Charges (recommendation to Council to increase fees and charges)
- Perlubie Beach – consideration of draft Community Engagement plan (for endorsement by Council)
- Waste Bin Location and pick up frequency review (with a recommendation to trial public bins at Yanerbie, permanent bins at Perlubie Beach, Surfers beach during peak periods, Permanent Bins at Tractor Beach)
- Streaky Bay Tourism and Business Association (with a recommendation to endorse further five-year agreement, invite group to become a member of Section 41 Committee with a change to the Terms of Reference, deputation to next meeting)
- Events Information Report
- Streaky Bay School Pool Public Opening Fees (with a recommendation to increase fees and charges)
- Boat Launch Facilities Information Report
- District Planning and Development matters Information Report
- Streaky Bay and District School Community Library Information report

A copy of the full Agenda is available on Council's website www.streakybay.sa.gov.au and all recommendations will be presented to Council for consideration and endorsement at the June 2022 ordinary meeting of Council.

Council News Cont'd

CEO UPDATE

From the CEO's desk

I wanted to take the time this month to talk about undertaking business on council land and the process involved in gaining permission to achieve this.

Firstly, what is 'business use'? From a Council perspective business use can be a variety of activities; it can be facilitating an event, running a store or stand, having alfresco dining on a footpath, storing of items on a roadside verge or even accessing a site for construction via council land.

You may ask, 'why should I seek permission to undertake business on council land, after all its public land?' In terms of the answer to this question, there are several considerations to take place, these are:

- *Public safety and liability:* To ensure public safety, Council will need to assess each situation on a case-by-case basis to ensure public safety isn't compromised by the proposed activity and to ensure the organisation wanting to use the council land has the appropriate insurance coverage to cover any possible liability claims.

- *Damage to public assets and clean-up of Council safety:* Business use on council land can lead to the damage of council assets, i.e. Stormwater infrastructure. Hence Council needs to inspect the land and infrastructure on the land, prior to and after the business is undertaken to ensure ratepayers aren't left with the costs associated with clean-up of the land or the restoration of council assets.

- *Equitable access to council land:* Council land is public land; hence we need to ensure business use isn't unfairly limiting access to other members of the community wanting to utilise it.

In terms of the process to seeking permission to use council land for business purposes, you will need to undertake the following, pending on what your activity is:

- *Business use of community land (i.e. public reserve):* Seek approval from Council via written submission

- *Business use of footpaths:* Apply to Council for a Permit

- *Business use of public roads:* Apply to Council for a Permit

- *Establishing an outdoor café on a footpath:* Apply to Council for an Outdoor Café Licence

- *Mobile food vendors located on Council land:* Submit a Mobile Food Vendor Application to Council

If you have any further questions relating to this topic, please reach out to Council's Community and Economic Development team who will be able to assist you.

Damian Carter
Chief Executive Officer
District Council of Streaky

Road Naming – Public Consultation

The owners of Lot 211 and 212 Jessie Flat Road (image below) have approached Council to request that the road which their property is on is named. The rationale for the request is to ensure emergency vehicles can quickly identify and respond to their address during a time of emergency. In accordance with the Local Government Act and Council's Public Consultation Policy community feedback is now sought.

Council has resolved to seek the community's preference on the following possible road names;

- Wilson Road
- Kenny Road
- Darby Road

Feedback can be emailed to tapetracey@streakybay.sa.gov.au and enquiries to be placed via 08 86261001.

Feedback closes – Friday 24 June 2022, 5.00pm

Streaky Bay Skate and Scoot Event – Youth Week March 2022

The District Council of Streaky Bay was pleased to host the 2022 Streaky Bay Skate and Scoot event on Tuesday 19th and Wednesday 20th April 2022.

The Streaky Bay Skate Park turned into a family fun zone with many free activities for kids of all ages to enjoy. The skate and scoot workshop and competition provided by Roll All Day, had over 55 youth participate, encouraging kids to gain new skills with experienced teaching followed by a fun competition the next day to show what they have learnt.

Scotty from Xtreme Kites & Paddle travelled from Port Lincoln providing two bouncy castles, a rock-climbing wall and mechanical surfboard, this was a great attraction for kids who wanted to get outside and enjoy the Youth activities.

Also, on the day there were the options of purchasing a smoothie drink which required the kids to peddle on a bike to blend their delicious smoothies, a free giant jenga game and the free pizza made available by Pizza 4 Shore was a huge bonus.

The day saw approximately 150-200 participants over the 2 day event, with great participation from local families, the survey results also showing a good presence of kids from Port Lincoln, Adelaide, and including interstate visitors.

Thanks to the combined funding and support from the District Council of Streaky Bay, Local Drug and Alcohol Action Team, Drug and Alcohol Foundation, Thrive Streaky Bay and Districts. Mentally Fit EP and Streaky Surf and Style for sponsoring the event with fabulous prizes, this 2-day event was a great success.

Feedback from the families and youth included:

'It was the best day in the world'
'Really Awesome'
'Enjoyed it all'
'Can we do it again'
'Very accessible, great instructors and great food'
'Great variety of activities'

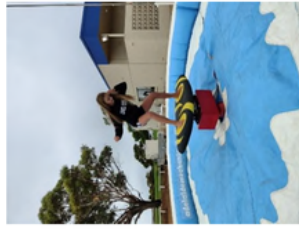

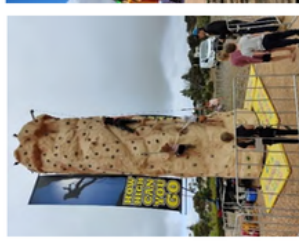

Thank all our attendee's and contractors. Wednesday proved challenging with the rain however we managed to get to the end of the day with smiles on our faces and all looking forward to the 2023 Youth activities.

Streaky Bay Youth Week - March 2022

The District Council of Streaky Bay was proud to provide the hit success of the March 2022 Youth Week events. With all events going ahead safely, it was with great relief to the event organisers who had previously dealt with cancellations due to the Covid pandemic.

As part of this year's Youth Week, the following events were made available for all Youth to attend, as attendee numbers were high it was wonderful to see most activities booked out. Thanks to the combined funding from the District Council of Streaky Bay and the Department of Human Services the week was of great success.

Despite the cooler weather the Surf Lessons were thoroughly enjoyed, with 22 Youth participating in the surf sessions at Surfers Beach with the Streaky Bay Surf School. These sessions are designed for participants to learn the fundamentals of surfing, expand ocean knowledge, and build on their surfing abilities.

Reanna Murphy from Komane provided the Resin Art Workshops with 30 eager attendees being able to create individual resin boards using their own originality in colours and designs, each participant was able to take their resin board home.

The Skate and Scoot event located at the Streaky Bay Skate Park was also a hit with many keen skate and scooters attending to learn new skills and participate in the competitions.

Councils Community and Economic Development Officer, Jess Davis was delighted to have great numbers in all Youth events and had received positive feedback from all participants. Jess and the Community and Economic team look forward to bringing another jammed packed Youth week in 2023.

A big thank you goes out to the Streaky Surf School and Komane for providing their time and these remarkable workshops, Sarah Brougham for driving the bus and supervising the keen surfers, it was a positive week, and hope all the Youth that attended enjoyed their experiences.

-ends-

Media enquiries: Travis Barber – Mayor – 0421 925 005

Community News

A TASTE OF STREAKY BAY

A Taste of Streaky Bay a Tasting Australia event

The beautiful Bay of Streaky Bay, its rugged coastline and arid surrounds has been welcoming and delighting people for hundreds of years; and has done so in a special way to make all that visit truly connect on some personal and meaningful level. That's the magic of Streaky Bay.

No doubt this magic was experienced by the guests of the Tasting Australia event – A Taste of Streaky Bay, Long Table lunch on the Bay, which was held on Sunday the 1st May on the deck of the Streaky Bay Hotel Motel.

The hotels deck was totally transformed with chandeliers and all the finery you would come to expect from a silver service venue. With the deck overlooking the beautiful foreshore of Streaky Bay and the historic jetty made a picturesque setting befitting of this gastronomic extravaganza.

The five-course feast created by the National Wine Centre of Australia's award-winning chef Steven Clark showcased the finest local seafood, meat, grains and honey. The Sommelier (a fancy name for the wine expert) selected a range of wine produced by alumni of the Roseworthy Agricultural College to match each course perfectly.

This sell-out event hosted guests from Northern Territory, Australian Capital Territory, Victoria, New South Wales, Adelaide Hills, Adelaide Plains and everywhere in-between, with 30% of the guests coming from the Eyre Peninsula towns of Cummins, Cleve, Port Lincoln, Ceduna, Wudinna and Streaky Bay.

Guests were entertained by singer song writer Jodi Martin and by the end of the day Jodi had them on their feet dancing and singing to some crowd favourite songs.

The event was sponsored by the Streaky Bay Hotel Motel, 2Brothers Abalone and Streaky Bay Marine Products who were very pleased to have the opportunity to be involved in an event of this scale. Marketing Director Dion Edmunds addressed the guests explaining the importance of the local artisan fishers, the quality of the seafood and the need for sustainability. Suppliers Maidment Meat Services and Haystack honey were also strongly featured.

The event organisers also engaged many local organisations like the Streaky Bay Eyre Craft team that created the beautiful table centre pieces, which were abalone shells planted with a mini succulent garden decorated with seashells and crab claws. The Streaky Bay Museum hosted the VIP night to welcome the National Wine Centre to town and the attendees were delighted in having the opportunity to explore the rich local history. With local photographer Beccy captured the day accordingly.

The Menu

- Mussels cooked live (paella pan served with seafood custard)
- Untraditional prawn cocktail – (tom yum poached prawns, kimchi mayo, carrot, daikon, pear salad,)
- Caesar salad - Xo pork belly, abalone, boiled duck egg, anchovy
- Beef roasted and braised, fried oysters, caper potato, clam hollandaise
- Trifle - Strawberries, honey, and long black pepper.

The event was proudly hosted by the Streaky Bay Tourism and Business Association. The executive committee have received extremely positive feedback from guests and there is every chance the event will be back in 2023, but be warned - don't leave your tickets until the last minute !

A TASTE OF STRTEAKY BAY

Community News

STREAKY BAY INDOOR BOWLS

The Streaky Bay Indoor Bowls Club has said farewell to one of its most cheerful personalities, Maria Pritchard, who passed away on May 1, 2022. Maria's humour and skilful bowling ability will remain forever in the hearts and minds of her friends and team mates.

On May 11 the club held its AGM. Fifteen members and one visitor attended and there were six apologies.

All principle office bearers were re-elected and a couple of vacancies on the committee filled.(see photo next Criterion) A look at the years financial statement revealed the club hadn't done too badly despite the compulsory closure weeks due to COVID regulations.

Indeed the club will again donate \$500 to the Streaky Bay Sporting Complex. Also a replacement vacuum cleaner had been purchased and the usual contribution to the Christmas luncheon fulfilled.

In general business the meeting was advised of work to the premises, namely handrails in the toilets and roof guttering replacement.

Also discussed was the question of fees and a resolution passed to differentiate "visitor" and "resident of the area".

Social games played through May brought up results of teams winning all 3 games on 3 of the 4 Wednesdays.

May 4 was a very close result when opposing teams led by Bev W. And Darryl sat on a tied score of 10/10 after playing 7ends and not until the last bowl was played on the 8th and final end was a winner decided. (See below) May 4 was also the day for club member June to cut a special cake to celebrate her birthday on 5/5.

Winning teams were:

May 4 = Bev W, Roger, Raylene, Pat (visitor) May 11 = Connie, Bev W, June May 18 = Shirley, Jim C, Connie May 25= Bev W, Jim C, Roger

Celebrated June Francis
Birthday

RIP Maria Pritchard one

Community News

STREAKY BAY MENS SHED

Our numbers have been up and down this month.

Condolences must go to one of our members in Owen Pritchard for the loss of his wife Maria. We are thinking of you Owen and are here for you if need us.

We have had two visitors from Victoria, one from Keith in the South East and a regular visitor in Doug Watson from Port Pirie.

We get a lot of benefit from these visitors as they share idea's with us as to what their Men's Sheds do.

One visitor in John Moyes from Yarragon in Victoria has been coming for a number of weeks and has taken ideas back to assist them in setting up their new shed.

Our oldest member in Jim Clarke has been busy painting a small push cart for his great grand daughter (see pic below). Jim earlier in the year painted one of the carts for his great grand son.

The sign for Elmhaven is nearly ready to be put back up with new posts and repainted letters, as well as the address.

As was reported in the last we have now purchased a new table saw. We advertised our old one and the new owner came from Adelaide on the 27th May to collect it.

STREAKY BAY PROBUS

At our last meeting on the 16th May Fay Kelsh (see pic below) organised a Big Morning Tea that raised a total of \$211 which will go cancer research.

Thanks to all our members that supported this.

As was reported in the last edition one of our members in Julie Wild was presented with her name badge and welcomed into the club by Peter Eylward. (See picture below)

Our meeting on the 16th also saw the return of Tony Ey from the RAA who gave a presentation on mobility equipment such as gophers.

This was as usual a great presentation that probably should have been opened up to the general public.

Having these presentations open to the public might encourage new members to come along.

Our next meeting is on the 16th June in the Flinders room of the Hotel starting at 10.00am.

Community News

SA COUNTRY WOMEN'S ASSOCIATION INC

Streaky Bay Branch

May's meeting was nice and relaxed compared to our epic April meeting that felt like it went on for ages. Before discussing business matters we all contributed to the roll call of an old home remedy. Most remedies involved pantry items such as cream of tartar, Becks, bicarb of soda, vinegar, olive oil, mustard, tomatoes, eucalyptus oil/leaf and chicken soup to combat head & chest colds, cleaning, boils, sunburn relief, basic antibiotic treatment and even ridding of ants – an interesting discussion where we reckon we could have solved world issues – or maybe not!!! Our birthday girls were Jan & Alice and the floral point scorers were Jan, Rhonda, Annette & Sharon.

Our State Office have revealed the latest handicrafts, Blackwork Bicornu, Smocked baby singlet & Dresden plate table centre. Our members who enjoy handicraft will soon be taught these latest pieces.

A number of our ladies and other community members had the pleasure of assisting with the hostessing of the Biggest Morning Tea for the fundraising community. A mixture of locals and travellers made for good table talk whilst enjoying the yummys and cuppa. Well done to the community, yet again.

June will see us on tour to Elliston, which will be a well earned break from meeting routines. A time for relaxed fun, laughter & group mingling in our beautiful district that is our back yard.

New members and non-members always welcome.

General: Sharon 0400 622278

Handicraft: Alison 0417 854883

STREAKY BAY AREA SCHOOL

Streaky Bay Area School 150th Anniversary Celebration

The 150th Anniversary Celebration for Streaky Bay Area School will occur on Friday 28th of October with the school holding a "Showcase" afternoon which will be open to the community.

An official opening of the new Arts/Stem Centre will also occur. School tours, class reunions and other associated community events may occur during the weekend on 29 and 30th of November.

A small organising committee for this event is being formed and past students and community members are welcome to join – please contact the Streaky Bay Area School Front Office 8626 1202, to register your interest.

GREAT WHITE KAOLIN PROJECT

MINING LEASE CONDITIONS AND OUTCOME CRITERIA

Andromeda is developing the Great White Kaolin Project, located 15km southwest of Poochera. The mining operation to extract and refine bright white halloysite-kaolin clay is expected to create up to 75 direct jobs and add a significant economic boost to the region over a 28-year Life of Mine.

Over the last two years, Andromeda has collected the technical, environmental and social information required to understand and develop the Great White Kaolin Deposit. Mining Lease 6532 was granted to Andromeda in December 2021 confirming the technical feasibility of the Project. Andromeda is now in the process of developing the environmental management plan called the Program for Environment Protection and Rehabilitation (PEPR). The plan is based on the findings of investigations for the Project's Mining Proposal and information collected from stakeholders during discussions and community drop-in days.

Andromeda invites interested community members to review and provide feedback on information displayed at recent community drop-in days, including outcomes, control and management strategies, measurement and leading indicator criteria by visiting Andromeda's website: www.andromet.com.au

OUTCOMES (INCLUDING MINING LEASE CONDITIONS)

Andromeda will demonstrate in its PEPR submission that the outcomes are, and will continue to be, achievable throughout the construction, operation and completion of mining operations. These outcomes include those specified in the schedules of the Mining Lease (and the supporting Miscellaneous Purposes Licences) and referred to as the Mining Lease Conditions (MLC).

CONTROL AND MANAGEMENT STRATEGIES

The Mining Regulations require that Andromeda set out the planned strategies to minimise or avoid impacts on the environment to achieve the required environmental and rehabilitation outcomes.

Control and Management Strategies should:

- be proportionate to the consequence of the impacts on environmental receptors
- be technically and economically achievable
- implement best practice in mining and environmental management. Best practice control strategies are accepted or prescribed as being correct or most effective depending on the specific environmental setting and the results of the environmental impact assessment.

MEASUREMENT CRITERIA

Measurement Criteria are how Andromeda will demonstrate that it complies with the *Mining Act (1971)* and that the environmental outcomes (MLC) have been achieved.

Measurement Criteria include:

- what is to be measured and the form of the measurements
- locations where relevant measurements will be taken, or how such locations will be determined
- a proposal of what will constitute achievement of the relevant outcomes, with consideration given to any inherent errors of measurement
- frequency of measuring or monitoring
- background or control data to be used and how such data will be acquired
- set out Leading Indicator Criteria, if there is a high level of reliance on control strategies to reduce risk to the environment.

Measurement Criteria will form the basis for DEM's regulation of the operation, and will also form the basis of Andromeda's operational and closure compliance monitoring programs.

LEADING INDICATOR CRITERIA

Leading Indicator Criteria are required in the environmental outcomes (MLC) where there is a high level of reliance on control strategies to achieve an environmental outcome. These provide early warning that the control strategy may be, or is, failing and that the outcome is potentially at risk of not being achieved, and provides time to respond accordingly. Leading Indicator Criteria relate to the proposed control measures, such as audits of the management system, near misses or trends in environmental data.

Andromeda has developed Leading Indicator Criteria for each environmental outcome that relies significantly on a control strategy to ensure it is achieved. If Leading Indicator Criteria are triggered, Andromeda will undertake immediate management action, intervention and reporting.

<https://www.adelaideguitarfestival.com.au/program/adelaide-guitar-festival-on-the-road>

Stretching out to all corners of South Australia, Adelaide Guitar Festival delivers some of our Nation's finest guitarists to your doorstep.

The 'On the Road' program aims to inspire, nurture and develop new local artists, while bringing world-class musicians and town-wide activations to people that cannot easily travel to Adelaide.

Stay tuned for first-class, free, live music coming to a town near you!

National Trust Museum Volunteers Wanted

Can you spare a few hours a month to volunteer at the Museum? If interested please call Carol on 0427 166 820 or Pam on 0412 825 526

A Celebration of Seafood @ Streaky Bay

For lovers of Seafood

Meet the captains of the local seafood industry
and the chefs that will turn delicious oysters, prawns,
scaled fish, abalone and crustaceans into
'A Celebration of Seafood'.

Meet Simon Bryant, Patron of Tasting Australia, and
from the Cook and the Chef TV series and watch Simon
prepare a delicious fare that you can cook at home to
delight and impress your family and friends.

Enjoy the fare with South Australian Petaluma wines
and cold premium beer.

Ticket \$185 per person all inclusive - plus bf.
Must be 18 year and over to attend.
Smart Casual Dress. Covid Safe - if unwell stay at home.

Saturday 16th July 2022 11.30am to 4.00pm

Tickets online: <https://www.ticketbo.com.au/celebrationofseafood@streakybay>

Eyre Peninsula desalination plant

Our plan to ensure a long-term supply of safe, clean drinking water for about 35,000 customers in the region.

A preferred location that has the support of the community and is backed by a viable business case and funding model will be recommended by an independent Eyre Peninsula Site Selection Committee by the end of July 2022.

In support of the Committee, we will be visiting communities on the Eyre Peninsula to provide progress updates and seek feedback on proposed site locations.

Ask us a question if you see us out and about, have your say via our online survey and engage with the project at watertalks.sawater.com.au

Now let's be honest. Do you know your library PIN? This was created when you joined the library. It is used for accessing online resources and for placing holds. From May 31 any PIN that has letters will default to UPPER CASE. If you have forgotten your PIN, or are having issues with it, you can reset it via the link or ask one of our library staff to help you out.

<https://onecard.network/custom/web/resetPIN.html>

Important Notice

Customer PIN

From 31 May, PIN security improvements may require PINs to be entered in **capitals/uppercase**.

DISTRICT COUNCIL OF STREAKY BAY

JOB VACANCY

Manager Infrastructure and Civil Projects

The District Council of Streaky Bay is seeking an interested applicant who would like to join our Management team as a Manager of Infrastructure and Civil Projects on a 5-year fixed term contract.

Reporting to the Chief Executive Officer, you will be responsible for providing exceptional operational leadership and project management services as part of a committed and collaborative team. Your customer centric focus, ability to positively engage members and work effectively with others will be key strengths in contributing to the District Council of Streaky Bay's success.

To be successful in this diverse role, you will have:

- Qualifications in Civil Engineering, Asset Management, or similar discipline
- Experience of planning and delivering projects and programs of works
- Excellent communication skills, both verbal and written, with the ability to confidently engage within all levels of business and the community
- Experience of leading and developing a diverse team with broad skillsets
- Previous experience within Local Government would be well regarded

To access the Candidate Information Pack or to apply, please visit www.mcarthur.com.au quoting job reference 145001.

Applications close 9am Monday 13th June 2022.

For a confidential discussion, please contact Paul Coyle on (08) 8100 7000.
