INFRASTRUCTURE

Road Construction
Construction Staff have completed resheets to Philips Road, Petina Road, Gawler Ranges Road, Cape Bauer Road and are currently working on Baird Bay Road. Patrol grading has ceased due to the dry weather conditions. 613km of Patrol Grading have been completed this financial year.

Sealed Roads
Woodlawn Road – earthworks and pavement completed. Sealing scheduled for early March 2018.

Council have requested an investigation into the feasibility of redesigning or using hotmix on intersections that receive a lot of heavy vehicular movement.

Dodgson Drive - Kerbing
A contractor has been engaged to undertake kerbing works along Dodgson Drive scheduled for January 2018.

Speed Limit on Sceale Bay Beach
A request was made at the Sceale Bay Community Forum for the speed limit on Sceale Bay beach to be restricted to 20kmh. Speed limits on beaches are legislated by the Department of Planning, Transport and Infrastructure. Prior to providing a formal request to the Department, Council will be seeking the input of local residents, property owners and beach users. If you would like to provide feedback on this matter please email williamspenny@streakybay.sa.gov.au, if you wish to discuss the proposal please contact Robyn Nottle (Manager, District Services) 08 8626 1001.

REGULATING

Land Management Agreement Waiver
Council agreed to waive land management agreement conditions for DA 781/0065/2017 to enable a dwelling not constructed from brick veneer and to enable the outbuilding to be constructed on the rear boundary of the allotment.

Mobile Food Van - Request for Access to Council Power Supply
Council resolved at the December meeting not to provide power supply for use with any private commercial food vans.

ECONOMIC DEVELOPMENT

Wayfinding, Coastal Access and Regional Camping Strategy – Eyre Peninsula
Eyre Peninsula Council's have joined RDAWEP, EPNRM, and the EPLGA to jointly fund the strategy. To ensure this projects' success and that Councils will be able to use these reports in preparation for next financial year's budget, RDAWEP have engaged Wayfound to undertake the project, and Council staff met with Wayfound mid December 2017 to identify our local needs. A survey for this project is available for completion, and you are encouraged to complete the survey. The survey is being promoted via Council's website, Streaky Bay Tourism website and through the Visitor Centre.

WASTE MANAGEMENT

Reinstatement of Waste and Recycling Bins
Council have committed to the reinstatement and ongoing cost of collection and maintenance of waste and recycling bins to the Jetty Cutting and Slidy Beach Areas.

Waste Management Policy
Council have adopted the reviewed Waste Management Policy, there were minimal changes to the Policy, with relevant fees being updated to reflect current. A copy of the Policy is available on Council's website www.streakybay.sa.gov.au

Hard Waste Collection
Next collection dates 16-22 April 2018.

BUILDINGS

Institute Hall Repairs
Contractors have been workiing on the hall undertaking the necessary repairs to cracks on the walls and this work is expected to be completed mid January 2018.

COMMUNITY

Community Notice Board
The Community Notice Board has been fabricated (thanks to West Coast Welding) and will now be mosaicked by the local ArtsUp community group.

Harvest Code of Conduct SMS System
Council have asked staff to investigate the implementation of a harvest code of conduct SMS (text messaging) system, similar to that in place within the Wudinna district. The Wudinna model is driven by a local group of farmers if you are interested in this process or being a part of a working party please register your interest with Penny Williams (Manager, Community and Economic Development) williamspenny@streakybay.sa.gov.au or call (08) 86267033.

Australia Day Nominations
Nominations have now closed and a committee will be gathering to assess nominations in the new year.

Slidy Beach Shelter
Council considered a report presented outlining concerns that had been raised by the public over the condition of the Slidy Beach Shelter and recent unsightly waste that had been left at the site. Council resolved at the meeting to leave the structure in place in its current location.

Child Care Centre Study
A report was presented to Council at the December meeting to seek Council's support in assisting the Little Flippers Play Centre group with undertaking a study/business case into the viability of a Child Care Centre in our district, this report was laid on the table until the January 2018 meeting.

Rec Fish SA – Policy Support
Rec Fish SA, the peak body for recreational fishing in SA, has recently launched its policy agenda "Making SA a Great Place to Fish Again", with a number of identified actions, a copy of this is available at www.recfishsa.org.au . The correspondence was to seek Council support in representing it to major political parties in the lead up to the 2018 state election. Council resolved not to support the agenda.

SANFL Community Football Partnership
The SANFL has approached the EP Local Government Assoc. (with the exception of Whyalla City Council), seeking financial input for a three year period from each EP Council to implement an SANFL Eyre Peninsula Football Operation Coordinator. Council resolved not to support the proposal.

Nature Play and Youth Program Funding
Council were notified in early December that Council was successful in it's application to the Natural Resources Management Board to fund the design and development of a Nature Play Space and Nature Based Youth Program, with both to be completed before June 30, 2018.

GOVERNANCE

Case Alert – Supreme Court of SA
Council reviewed a report presented by the Chief Executive Officer outlining a recent case in Adelaide where a judicial review was brought against various decisions by a Council regarding a proposal to construct a shared use path along a section of coast, including a boardwalk through coastal sand dunes. The project was supported by the State Government. The review highlighted a number of Sections of the Local Government Act and Crown Land Management Act that had not been considered. Staff will now be reviewing Council Meeting reporting templates to include additional detail that ensures Council decision makers are prompted of their decision making requirements under the Act.

CEO Performance Review
Council resolved at the December meeting to outsource the future Performance Review of the Chief Executive Officer.

STAFF

Council recently advertised for 2 casual cleaning positions, and we welcome to the team Dennis Hentschke and Sharee Koop.

RECYCLING AND CDL (CANS AND BOTTLES)

Council are excited to be able to continue to provide and looking to expand on recycling in the district.

Council recently purchased the CDL (container deposit legislation) licence and associated equipment from Bay Recycling Pty Ltd. Bay Recycling Pty Ltd had been seeking to sell the business for some time, and Council made the decision to purchase this section of the business to ensure the ongoing service to the community. The existing baling system, sheds and land were sold privately by Bay Recycling Pty Ltd.

Council in 2017 purchased their own baler which is located at the Streaky Bay Transfer Station (Flinders Highway, Streaky Bay), with a view to undertake further recycling options (cardboard, plastics, etc) that are currently being investigated, in the future.

The CDL cans and bottles collection will be a valuable addition to recycling options for the community and is now conveniently located at the Streaky Bay Transfer Station.

Council thanks Julian Kelsh of Bay Recycling for his service to the community in the past.

SA WATER - HAVE YOUR SAY

SA Water is working with South Australians to plan how to best provide future water and sewerage services, and everyone is invited to have their say.

SA Water's customer engagement process – Water Talks – involves a series of events plus a new website for SA Water customers around the state to learn about SA Water and provide their thoughts.

Your honest feedback will help SA Water understand what they do well, what needs to be improved and what you value most about your water services. SA Water will use everyone's feedback as they develop their Regulatory Business Proposal for 2020 24.

Every four years, SA Water submits a proposal to its regulator, the Essential Services Commission of South Australia (ESCOSA), which outlines how it plans to operate and deliver services for its customers.

ESCOSA reviews the proposal and determines the revenue SA Water can collect from customers through their bills for water and sewerage services.

Being part of Water Talks is easy. Visit watertalks.sawater.com.au and sign up to find out more and have your say. Events across South Australia will be listed online from January 2018, so sign up to stay informed about when and where these will be held.

SA Water customers, both residential and business, are encouraged to participate in this process and sign up to Water Talks for future announcements, feedback and opportunities to take part in helping us develop our Regulatory Business Proposal.

For more information, you can also call 1300 SA WATER.

COUNTRY WOMEN'S ASSOCIATION

A stall at the Streaky Bay Craft Market on Sunday 3rd December was well supported by all SACWA members and a total of $315 was taken. Thanks to all members for your support re cooking and supplying goods and for those who helped on the day. Your support is much appreciated.

5 members from the Streaky Bay CWA travelled to Ceduna on Tuesday 12th December (a very hot day over 40 degrees) joining the Ceduna and Wirrulla members at the Ceduna Anglican Church Hall for a Christmas Luncheon. Approximatley 40 people, which included some husbands, were present. There was a wonderful spread of cold meats, salads, Christmas pudding, custard, ice-cream, cream or fresh fruit salad and pavlova to choose from. Plenty of cool drinks plus tea and coffee were also available. A few interesting jokes, some interesting games/laughter filled stories and a couple of competitions were interspersed during the afternoon. At the conclusion of the afternoon Christmas greetings were extended to all and this bought a lovely afternoon to a close.

There will be **NO MEETING FOR SACWA** in Streaky for January but hope to see you all at the first meeting in the new year which will be the 13th February 2018. Reminder that this will be at the Streaky Bay National Trust Museum at 10.00am. Contact Jan Patterson or Sharon Anderson for more details.

PROBUS

34 members attended the Christmas Luncheon at the Streaky Bay Hotel on Thursday 14th December. A Traditional Christmas Luncheon was provided by the Streaky Bay Hotel (turkey, ham, hot veggies & gravy followed by pavlova or Christmas pudding).

A lovely friendly relaxing afternoon, full of interesting conversion and laughter enjoyed by all present.

President Jan wished all a lovely safe enjoyable relaxing Christmas with family and friends, with a final reminder that the next meeting would be held on the usual 3rd Thursday, being 18th January 2018.

SANTA BY THE SEA

The Little Flippers Play Centre again this year organised the Santa by the Sea and it was the first time in a couple of years that we saw the Street Parade back. There wasn't a large number of floats, but those that participated put in a massive effort, particularly with the warm weather, hopefully next year we will see a few more floats.
Santa was once again a hit arriving in style (thanks to Darren Guidera and his vintage car), with 103 children registered to receive a gift. There was a sausage sizzle and drinks on the lawns the calm afternoon meant the foreshore provided for a perfect backdrop.
Thanks to Council, Streaky Bay Tourism and all the businesses that supported this event.

STREAKY BAY MEN'S SHED

What is a Men's Shed?
Men's Shed is a community based non commercial, non profit organisation that is accessible to all men and who's primary activity is the provision of a safe and friendly environment where men can work on meaningful projects.

It aims to improve the health and well being of members and reduce the number of men who are at risk from preventable health issues that may emanate from isolation.

Members of Men's Sheds come from all walks of life - the bond that unites them is that they are men of all ages with time on their hands and would like to undertake something meaningful. A good Men's Shed has a safe and happy environment where men are welcome to work on a project of their choice in their own time and where the only must is to observe safe working practice - all in a spirit of mateship.

Men's Sheds value the role of males at different stages of their lives and foster wellbeing by providing opportunities for older males to contribute through sharing of knowledge and participation.

So what is in it for Streaky Bay?
It has been identified that there is a gap in a community based inclusion programme for males in this district and in particular the middle age range. A Men's Shed in Streaky Bay will give the opportunity these men to learn new skills while working on projects of their choice. It will give those with time on their hands an opportunity to pick the brains and seek the help of more senior experienced members.
Men can just come and have a yarn if that is what they are looking for.

So what have we done?
A meeting was held on the 16th November 2017 to ascertain the viability of starting a Men's Shed in Streaky Bay,

The meeting was attended by 13 people with the majority showing positive interest in forming a shed.

Possible locations were discussed with further investigation required.

Phill Renfrey offered to stand as interim chairperson for the first 4 meetings along with Jim Petty to take notes/secretary. It is anticipated that viability of the project will be known by that stage and a full steering committee will be elected.

Many challenges were identified at the meeting which will be addressed in the formation process.

A second meeting was held on 30th November with 5 people attending. Unfortunately the meeting date did clash with other events in the district and bad weather may have deterred some people.

A robust discussion was had around creating a name, the anticipated wants and taking ownership of the project. It was difficult to reach any conclusions around these matters due to the lack of numbers.

It is hoped to hold the next meeting at the old Bowling Club on 8th of January 2018.

If you have some skills to share and have time on your hands or you just want to come and share a cuppa and have a chat or you have something in mind that you would like to make, you would be most welcome to join this group to ensure the successful formation of a Men's Shed in Streaky Bay.

If you are interested and want to talk to somebody please phone Phill Renfrey on 0488428177 or Jim Petty on 0427401558 who would be pleased to talk to you.

Remember Good health is based on many factors including feeling good about yourself, being productive and valuable to your community, staying connected to friends and maintaining an active body and mind.

STREAKY BAY CHILDREN'S CENTRE

End of Year Celebrations

The Streaky Bay Children's Centre once again had a fabulous turn out for their Christmas Party and to celebrate the Kindergarten Children completing their year. There was a certificate ceremony, visit from Santa, pooled lunch and on the day prior the Kindergarten children were excited to attend a surprise Christmas performance organised by Jessie Burge with many of the childrens parents making guest appearances. The kids really enjoyed this with many laughs!

Performers; "Elves" Eve Ayliffe, Kayla Petty, Jessie Burge, "Bus Driver" Gaye Whitford, "The Queen of Smelly Socks" Renee Edmunds, "the babies" Leah Bubner, Alana & Eric Elliot, Reanna Freeman, "Santa" Pat Walsh, Narrator Penny Williams and crowd favourite "Captain Ninkompoop" Alan Burge.

Kayla Petty and Penny Williams jointly received the Volunteer of the Year Award

STREAKY BAY NEW YEAR'S EVE

Streaky Bay once again celebrated New Years Eve in style with a fantastic Children's Festival, followed by a fire works display which would arguably be the best outside of Adelaide! It is estimated that there were between 3500 – 4000 people spread along the Eyre Avenue and Alfred Terrace foreshore lawns enjoying the festivities offered. There were a number of food and drink options available this year, and the ever popular range of glow in the dark gear and bouncy castles!

A big thank you must go to Rob Oswald, Trevor Gilmore and their team again for arranging the fireworks. The District Council of Streaky Bay for hosting the Children's Festival. Streaky Bay Fish Fix, Shellz Food Van, Thip's Thai Food, Streaky Bay Tourism, Streaky Bay Cubs and Scouts, Little Flippers Committee, Killa's (Equipment Hire), Lowana Schmucker (music), Richard and Gloria Storr for the bouncy castles, EP Recycling and Peter Jans, for coming together to make the event the success it was.

Council is always looking at ways at improving this event and we welcome your feedback, go to www.streakybay.sa.gov.au and head to the public consultation page.

INDOOR BOWLS

November and December has seen a good roll up to our games. Averaging 20 per week. We have had visitors also dropping in to share the fun.
Four of our members - Annie Payne, Bev White, Gay Mc Carten and Sharon Kitson completed their CPR which is very beneficial for our club.

On the 13th December, 25 of our members along with our life member Pauline Dale enjoyed a Christmas party at the kiosk, where we had a beautiful meal, we played bingo and had door prizes. Bev White won the lucky spot.

The picture below shows those that attended the dinner.

Our last game of the year was on the 20th December and saw two teams tie with one draw and two wins each.
The winners on a count back were Bev White, June Francis, Jim Clark and Shirley Petty.

It was a fun day followed by a beautiful afternoon tea to wrap up the year.

We will start again in the new year on the 10th January 2018.

Congratulations
Streaky Bay & Districts Bowling Club Incorporated who received $2,500 through the State Government's (Office of Recreation and Sport) Active Club grant program

DISASTER RESILIENCE STRATEGY YOUR SAY

Provide your feedback on what a disaster resilient South Australia looks like and your ideas on how we can get there.

We are experiencing emergencies more frequently and with more intensity. Emergencies have long-lasting and often devastating effects on our environment and our physical, emotional, and financial wellbeing.

The Disaster Resilience Strategy will make recommendations on areas where Government, business, the non-government sector and communities can work alongside each other to make South Australia a more resilient State.

WILDCATCH FISHERIES SA

Wildcatch Fisheries SA past President and Nuffield scholar, Jonas Woolford has been granted life membership for his persistent and tactful advocacy of the association in state, national and global forums.

Wildcatch Fisheries SA thanks Jonas for his courage, passion, dedication, leadership and vision, and for providing an example of the excellence to which the industry and association aspire.

Jonas, from Streaky Bay received a 2017 Nuffield scholarship supported by the Fisheries Research and Development Corporation (FRDC) and Nuffield Australia to investigate cohesion between primary industry, community and government for the effective co-management of natural resources in the inherently complex seafood industry.

Jonas' family company harvests wild abalone in the western zone abalone fishery. The product is processed then exported to South East Asia, mainly Hong Kong.

Jonas' research is particularly significant for the potential of South Australia's seafood industry to grow, and provide protein, in an environmentally sustainable way for all Australians and internationally.

SEAFOOD FRONTIER TOURING ROUTE

Locals and travellers on the coastal route around the Eyre Peninsula will soon see new welcome and farewell signs (located just prior to Whyalla and at the Head of the Bight).

The signs will recognise that you are now entering or exiting the Seafood Frontier.

Reinforcement signs, similar in concept to Route 66 road signage in the USA will also be dotted around the route at regular intervals.

Look out for them soon!

Job Accelerator Grant Scheme

The Scheme has been established to encourage South Australian businesses to employ additional full-time, part-time and casual employees, and maintain them for at least 12 months. A Job Accelerator Grant of up to $10,000 ($5,000 each year for two years) per new full-time equivalent (FTE) job created is available for businesses liable for payroll tax in SA with total Australian wages of $5 million or less.

Job Accelerator Grant for Small business & Start-ups of up to $4,000 ($2,000 each year for two years) per new job created is available for most businesses that are not liable for payroll tax. This includes businesses with Australian wages below the payroll tax free threshold (currently $600,000) and most organisations that are exempt from payroll tax (e.g. public benevolent institution).

Businesses that increase their number of SA employees will be eligible to receive a grant for each additional worker employed by them in a new position between **1 July 2016 and 30 June 2018.**

Club One Small Grants – SA
(ONGOING)

Club One has a small grants program to provide up to $500 (more on merit) to Clubs to assist in small projects and activities.
Typical allocations would be for first aid equipment, strips for a junior team, minor capital items and so forth. In sum, practical, very useful and much needed. The amount if approved is a one off.
Clubs and organisations having direct significant income (be it from pokies/ large government grants/ large sponsorships/ professional funding support) would be excluded.
It is an important objective of the program that it is simple and accessible to applicants.
To participate, all that is required is a letter requesting assistance for a specific small project.
The letter will need to identify and describe the project, state the costs and give the time frames.
Club One would also like details of the Club and its activities.
Club One will assess the application and will fund on merit.

Summer Safety Checklist

Are you ready for fire and storm season?
Use our safety checklist to keep your family, workers and property safe this summer.

Time to lock up

Summertime means more youngsters on rural properties during the long school break. Remember to secure all chemical lids and **ALWAYS** lock storage sheds.

Ute it ... don't boot it!

Picking up supplies? Use a trailer or ute tray to stow chemicals in transit. It's the safest way to avoid any spills or fumes inside your vehicle.

Got drums?

It's easy to triple-rinse your agvet containers and run them in to one of ***drum****MUSTER*'s 800+ collection sites. Check our interactive map to locate your local depot.

What's in your shed?

ChemClear will dispose of your unwanted chemicals during its regular state collections, all you need to do is register them online.
Meanwhile, keep all chemicals high and dry.

Update your store manifest

It's the first thing responders need in an emergency. Ensure your site map and chemical list are current and easy to access.

Funding for the ARTS

Touch base with your nearest Arts and Cultural Development Officer & pitch your project idea?

GOT A GREAT ARTS IDEA?

Country Arts SA, through the Regional Arts Fund, supports regional artists and communities by offering bi-annual funding opportunities that inspire arts and cultural activity in rural, regional and remote areas of South Australia.

Regional artists who are looking to develop their arts practice, or artists and organisations who are motivated to stimulate their communities through innovative arts projects, are encouraged to apply.

The Regional Arts Fund, managed by Country Arts SA, has application rounds in March and August of each year and is delivered under two main categories;

Step Out grants are open to communities and artists to partner with professional artists and arts organisations to create high quality arts projects that build capacity for long term benefits and increase professional development.

Image: Picture yourself doing spectacular Aerial silks on this apparatus or painting your local silo? Do you have a great art idea that you would like to develop into a project? Start planning your project now to perhaps receive up to $20,000 of grant funding from a Regional Arts Australia grant through Country Arts SA for Streaky Bay community art projects.

Photo credits: Ann Seeliger and Tristan Kerr

Step Up grants are open to artists, organisations and community groups to undertake small cultural projects, or for individual artists to undertake professional development opportunities, such as mentorships. If you have never applied to Country Arts SA or never undertaken an arts project you are encouraged to apply to this category.

Country Arts SA also delivers the *Skills Development* grant program. This grant can assist groups to provide skills development opportunities through workshops, or provide opportunities for the development of project ideas and concepts.

The *Quick Response* grant is available throughout the year to support regional artists to access professional arts development and training opportunities, or organisations and communities with small project opportunities that arise at short notice.

"Country Arts SA offers experienced advice and support from Arts and Cultural Facilitators who can assist with applications and project content and are based right throughout regional South Australia," said Steve Saffell, Country Arts SA Chief Executive Officer.

For more information on the grants and eligibility criteria, or to locate your closest Arts and Cultural Facilitator, visit https://www.countryarts.org.au/grants-funding/ http://www.countryarts.org.au

Our Stories Our Way: Our Mob 2015 on Tour in Streaky Bay

ArtsUp, Streaky Bay are set to host a collection of works by South Australian Aboriginal artists who exhibited in *Our Mob 2015* from January Friday 12 January – Sunday 18 February in 2018 in the Streaky Bay Supper Room Studio Gallery, 29 Alfred Terrace.

Our Stories Our Way: Our Mob 2015 on Tour is, presented by Adelaide Festival Centre and TARNANTHI Festival of Contemporary Aboriginal and Torres Strait Islander Art.

The exhibition is toured to regional audiences FREE of charge by the Country Arts SA Visual Arts Touring Program.

The exhibition aims to engage the public with reconciliation and cross cultural understanding by showcasing Aboriginal artists' visual expressions of their own stories.

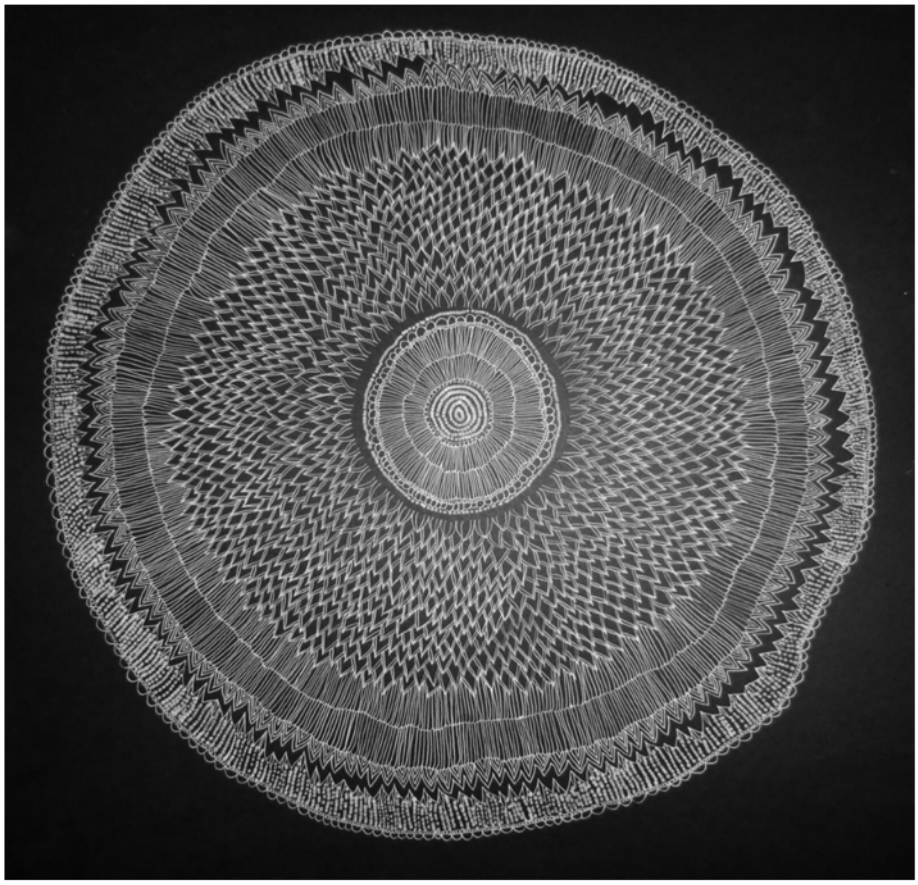

Image: Anna Dowling, *Gugurdung Gurdaya (Dreaming of Everlasting Wild Flowers)*, 2015, ink on paper, 73 x 73 cm (framed) (detail)

2015 marked the tenth anniversary of *Our Mob.* Over this time, it has grown to include several new exhibitions presented by the Adelaide Festival Centre such as *Our Mob Contemporary*, *Our Young Mob* and *Ripple Effect,* a capsule exhibition by Anna Dowling, winner of the second Don Dunstan Foundation Our Mob Emerging Artist Award.

The twelve artists selected to tour are Imiyari Adamson from Anabella, Tangail George from Freon, Samantha Lester from Copley, Kunti June McAnarney from Oodnadatta, Donny McKenzie from Whale, Josiane Pumwani from Mimili, Debra Rankine from Meninge, James Tylor from Adelaide, Fah Walsh from Murray Bridge, Ian Wilding from Adelaide, Henry Wichita Young from Monti (and Irony Community) and Anna Dowling from Adelaide.

Each artist's work is unique to their personal heritage and practice. The alternative photographic practice of James Tylor, who currently lives in Adelaide, examines racial and cultural identity in Australian contemporary society and throughout history. Weaver Debra Rankine was taught her skills from Ngarrindjeri Elder Auntie Ellen Trevorrow, who is known worldwide for her basket weaving.

Our Mob has become a feature of the South Australian art scene and *Our Stories Our Way: Our Mob 2015 on Tour* helps to keep Aboriginal arts active and sustainable right around South Australia.

Have you got a working dog?

In contrary to popular belief all working dogs must be microchipped as of the 1st of July 2018. This will be compulsory throughout South Australia and enforced by the District Council of Streaky Bay.

Working dogs are exempt from desexing however they must be microchipped. This helps council keep a record of the dogs in the area and ensures a safe return if they were ever to wander.

If you would like any more information or have a general enquiry about microchipping or working dogs please contact Rodney on heathrodney@streakybay.sa.gov.au
