CANDIDATES PROFILES

CLIFF PUDNEY (FLINDERS WARD)

"Retired Public Accountant (Certified Practicing Accountant), from the Sunshine Coast. Moved to Streaky Bay with my wife, in June 2010. Worked for Landmark (Sales), and Streaky Bay Crash Repairs (administration) for a number of years, before retiring, again. Currently volunteer Admin officer for the SES Streaky Bay, Treasurer for Streaky Bay Tourist Promotions Inc and Streaky Bay Road Safety Group. I am very interested in representing the interest of the community. Being an ""outsider"" who has fallen in love with this town/district and it's people, my decisions would be solely aimed at the benefit of the Streaky Bay and District community.

I live in Streaky Bay, 1 klm south of the Sports Complex with my wife and look forward to continuing to serve the community.

TRAVIS BARBER (FLINDERS WARD)

I have been the Mayor of Streaky Bay for the past two years. I have been honoured and passionate in advocating on behalf of the District, at State and Local levels, to achieve the best possible outcomes for our community. In my tenure I have been involved with the EPLGA, EPLGA Health Working Group, Council Assessment Panel, Finance Risk Audit Committee, Hospital Advisory Committee, Strategic Planning Policy Committee, CEO Performance Committee, Tourism Committee, Caravan & Camping Committee and Australian Day Committee. Also in my tenure the Council has recently implemented a long term strategic plan. Many projects have been put in place and I would like the opportunity to see these and others through to completion. I have been privileged to serve, and have worked tirelessly on behalf of our community and hope to do so into the future.

PETER HACKETT (FLINDERS WARD)

Retired. I first came to Eyre Peninsula in 1958 attending Butler Tanks School and have been coming back ever since. Now living at Sceale Bay since 2003 and having some of my family living in the district and going to the Streaky Bay School. I was a founding member of the Sceale Bay CFS. I became a member of District Council of Streaky Bay in May 2017. I have enjoyed my time as a Council member working for the community and I am looking forward to serving the community in the future.

BRUCE HEIN (FLINDERS WARD)

Retiree. Married to Veronica for 44yrs, have two adult children and four grandchildren. He serviced the Lobethal Community as Postman and Postal officer for 30yrs and served as a Committee Member, Assistant Treasurer and Elder at the Lutheran Church and School. Chairman and Elder for the Mount Isa Lutheran Church and Day Care Centre. Bruce was employed by Mount Isa Skills Association, held various positions as Work for the Dole Supervisor/Workplace Health and Safety Officer and Community Development Employment Program Manager at one of the remote sites in Alpuurrulam Community NT. His qualifications are Justice of Peace and Certificate IV Trainer and Assessor. Bruce and Veronica have settled in Streaky Bay, it's been 3yrs since they moved here. Currently involved at the Streaky Bay Men's Shed. If elected Bruce would listen to the concerns and get involved in the positive progression of the community.

LAUREN KARP (FLINDERS WARD)

Teacher, mother and artist, Lauren Karp, has served on the District Council of Streaky Bay for four years and looks forward to continuing serving the community. Lauren cares about sustaining local environments, improving facilities for people to enjoy our pristine coastline and rural areas, and passionate about engaging public opinion in local decision making. She has served on many committees, including Waste Management Committee, Caravan and Camping Committee, and has volunteered on many community groups including ArtsUp and Streaky Bay Jetty Pool Committees. Lauren represents Council on the Streaky Bay Area School Governing Council, has previously worked as a teacher at several Far West schools and been a Library Manager locally. "

CANDIDATES PROFILES

GRAHAM GUNN (EYRE WARD)

My role as an elected member is to test the information put to the council and to ensure that it is in the best interest of the electors. Council should also ensure that its decisions are in the long term best interest of the electors and to make things as easy as possible when they are dealing with the council. I have again nominated for council as I want to give back to the community the experiences and information to I gained as a member of Parliament. Born in Streaky Bay my family has farmed in the area since 1904 and I want to see that rate payers get value for their rates. I support limiting rate rises. I will continue to support Council supporting the Medical Centre.

TRUDY MCGOWAN (EYRE WARD)

I have lived at Perlubie since November 2015 having built our house and bed and breakfast accommodation with my husband. I have visited Streaky Bay and its surrounds frequently over the past 9 years in my role as Executive Officer of the South Australian Oyster Growers Association. Previously I have held senior roles in the retail and tourism industries including General Manager Marketing, for the South Australian Tourism Commission. My passion is to maximise the wonderful tourism opportunities this region has to offer and use my knowledge to support opportunities in aquaculture and fishing. I have a Bachelor of Economics (Major in Accounting) and a Diploma of Business Marketing.

I have had extensive experience on boards and committees including currently being Vice President of Streaky Bay Tourist Promotions, a board member of Oysters Australia and previously a committee member of the Adelaide Cabaret Festival. I look forward to representing you.

PHILLIP WHEATON (EYRE WARD)

I have been an elected member for 3 years and as Deputy Mayor for the last year. I am interested in hearing various thoughts, ideas, with pro active solutions to issues that confront our community. To bring to the table a balanced view of these issues, that provide outcomes for a vibrant, sustainable community that meets the needs of both young & old.

PENNY MORGAN (EYRE WARD)

I have served as a Councillor for one four year term, finding the experience rewarding and Interesting. I served on a number of committees as well as being Deputy to the LGA representative on the Native Vegetation Council for two terms. I continue to advocate for community/council based volunteer groups as the best way to achieve things in the community, such as Friends of Parks and Gardens. This is something I very much wish to see occur in the next four years. I want to play a part in the manageable and sustainable development of our tourism industry. I hope to see infrastructure provided at key visitor points to minimise tourism impact on our environment. Mostly, I wish to continue representing the interests of the ratepayers of the Streaky Bay district.

NEVILLE TREZONA (EYRE WARD)

I have a passionate interest in the development of driver friendly streets and roads.

2018 Sustainable Communities Awards Success

In early 2018 Council nominated the Streaky Bay Community for the Overall Medium Sized Town Award under the program.

There are a number of criteria required as part of the application process including;

Appearance, Amenities and Facilities

Community Action and Partnerships

Environmental Sustainability and Education

Health and Wellbeing

Heritage and Culture

Youth and Leadership

Natural Environment Management

Waste Management

The application included not only the achievements of Council, but our community partnerships, and what our community has achieved on their own merit.

Manager, Community and Economic Development, Penny Williams, had been asked to undertake a presentation outlining the importance of events in our district, and was extremely surprised when Streaky Bay received two awards;

*Overall Project Highly Commended - combined District Council of Streaky Bay and Streaky Bay Tourism - Visible Festival

*Highly Commended - Medium Town - Streaky Bay

Not only Streaky Bay, but our entire district has some wonderful community events, programs and groups, that all contribute to our success.

Congratulations Trevlyn

Streaky Bay man James Smith was named as the Lions Club of the City of Adelaide and South Australia Police 2018 Citizen of the Year.

Known as Trevlyn, Mr Smith is a lifelong resident of Streaky Bay and, with the support of his wife Carolyn, is regarded as a prolific community volunteer with more than 40 years spent serving the Streaky Bay State Emergency Service and Country Fire Service.

The annual award is presented to a civilian who performs extraordinary service to assist SAPOL in the performance of their duties.

Mr Smith was presented with the award by Commissioner Grant Stevens at a ceremony at SA Police headquarters.

Through his role as SES Group Captain, Mr Smith has volunteered countless hours ensuring the communication towers in Streaky Bay and around the wider district are maintained and kept in peak operating order to ensure the safety of his community during times of emergency.

He is also a current and long-time committee member of the Streaky Bay Road Safety Group working alongside local police, SA Ambulance and members of the community to implement programs and initiatives to help ensure the safety of everyone on our country roads and highways.

In 2016 he was the well-deserved and proud recipient of an Australia Day Honours award, being presented with the Emergency Services Medal.

Mr Smith is the current Streaky Bay SES Captain and in 2018 was awarded with SES Life Membership.

CELEBRATE MEN & BOYS

Mens Shed hosting

INTERNATIONAL MEN'S DAY

**Sausage sizzle at the Supper Room from 10am on 19 November 2018
- All Men Welcome**

Objectives of International Mens Day include a focus on mens and boy's health, improving gender relations, promoting gender equality, and highlighting positive male role models. It is an occasion for men to celebrate their achievements and contributions, in particular their contributions to community, family, marriage, and child care while highlighting the discrimination against them.

The theme for 2018 is Positive Male Role Models.

The November International Mens Day is a significant date as it interfaces the popular 'Movember' charity event and also with Universal Childrens Day on Nov 20 with which IMD forms a 48 hour celebration of men and children respectively, and of the special relationships they share.

STREAKY BAY SCOUT GROUP

The start of October saw our Joeys, Cubs and Leaders have a break from scouting to enjoy 2 weeks off for school holidays. This term our Joeys and Cubs are meeting alternative Tuesdays at a new time of 5.30pm to 7.00pm.

On Tuesday 16th October the Joeys kicked off the start of Term 4 with learning about the human body, how it works and how to look after it.

On Tuesday 23rd October, the Cubs joined by parent helpers Luke Tiller and Renae Edmunds planted 60 shrubs in among the garden beds around the toilet block at Lions Park. Thank you to Robyn Nottle from the District Council of Streaky Bay for supplying the shrubs and Libby Hunt from Natural Resources for supplying the tree guards. Streaky Bay Scout Group is again proud to be involved in another collaborative community achievement.

The weekend of 27th & 28th October sees our Joeys (6-8yrs), leaders and parent helpers experience a jam packed 2 day camp. Staying at Calca Hall, learning the history of the area, climbing Mount Hall and finishing with fishing at Sceale Bay. We look forward to hearing all about their camp.

This month we continue with an actioned packed month with both Joeys and Cubs having separate fishing nights at the Streaky Bay Jetty while we enjoy daylight savings and then finish the month off in November with Christmas gift making and kite flying.

PROBUS

Minutes of meeting held October 18th, 2018. President welcomed 27 members and 1 visitor today and we accepted 9 apologies. Then, on behalf of all members Jan offered condolences to our secretary on the recent loss of her husband. Birthday greetings for the past month were extended to Colleen Cronin and Pauline Montgomerie.

General Business:

Colleen Crowder raised the matter of people who take rides to the Probus Rally with other members and who wish to make some contribution towards fuel costs – most drivers refuse to take money from their passengers and Colleen suggested that perhaps the Club could set a policy for this. Since our club is financially well off perhaps a set payment per car might be made from club funds so that those accepting rides will feel more comfortable about accepting a lift. After some discussion from both passengers and those providing the rides it was agreed that this matter be discussed further at a committee meeting and a 'draft policy' formulated. Following a couple of funny recitations from Kath H. and Keith J. and a reminder that our next meeting will be on Thursday 15th November.

Guest Speaker:

Today we enjoyed hearing all about Mahia Trevena's recent experiences in the USA. Mahia applied for a position and was accepted as a supervisor at a summer camp for Guides & Brownies at Camp Potomac Woods campsite. She was one of around 30 staff who assisted with a wide range of activities for girls aged from 5 years to 17 years old. The job lasted for 9 weeks and involved different groups of about 40 girls who each stayed for six days/five nights. At the end of the 9 weeks of camp the 'supervisors', who came from different parts of the world had 4 weeks in which to undertake some sightseeing in the states before heading to their various homes. Among the cities they visited were Boston, New York, Washington DC and Philadelphia. Mahia used a slide show of her beautiful photographs to enhance our experience of her travels and we expressed our gratitude at the completion of her presentation in the usual manner. Another great guest.

COUNTRY WOMEN'S ASSOCIATION

Our October meeting had our group meet at Doctor's Beach and of course, Mother Nature, put us to the test. Mid morning was quite pleasant but progressed gradually through to lunch with some chill, extra chill and super extra chill. With the basic jumper proving not quite enough for some, out came picnic blankets, knee rugs and car boot covers to up the comfort levels of personal warmth. With some scrumptious morning tea treats and hot cuppas from our ever so reliable ozzie thermos, the venue and the company (including Mother Nature) made for an enjoyable meet.

Our meetings always have a laugh for the day. So, when one makes a reference to "quandongs", there will always be someone in the crowd (two ladies in this case) that thinks they hear some other word, and from here, the clarification, further discussion and laughter begins. Nothing like the power of Chinese whispers!

INDOOR BOWLS

October has been a month of close results in the Streaky Bay Indoor Bowls competitions.

The first 2 Wednesdays play ended with teams on equal win/loss games and only a small margin to separate.

Then the next 2 weeks there was no need for any count of shots when on October 17th the combination of Roger, Jim C and John scored 3 clear wins and on October 24th the team of Connie, June and Shirley also scored 3 clear wins.

Wednesday 5th December has been booked for the club end of year luncheon at the Caravan Park Kiosk and menu details will be available soon for members to nominate their choice.

The club committee has agreed that Wednesday 26th December be the holiday recess date for Indoor Bowls, which means the last day is December 19th for 2018. The club will re-open on Wednesday 2nd January 2019.

STREAKY BAY RSL

A portrait of Lance Corporal Arthur Trevena, a Streaky Bay local, is now up in the Streaky Bay R.S.L. hall for all to see.

Arthur (Bill) Trevena had his portrait taken as part of the ANZAC Centenary Reflections Project. The portrait was displayed at the State Library in the 'Wish Me Luck Exhibition'. Bill has kindly given his portrait to the R.S.L. to display.

Upcoming events:

Friday 9th November – Poppy Appeal outside the Newsagency Bay Rd.

Sunday 11th November – Remembrance Day R.S.L hall. Service starts at 10:45am. After the service there will be tea and coffee, the bar will be open.

The last Saturday of every month, the hall will be open from 10am to 12pm. The public are more than welcome to come in for a look.

MEN'S SHED

It was reported in last months Criterion that we were waiting on a grant to be okayed by the Government. This grant of \$7,500 from the Australian Men's Shed has now been given to us. Upon completion of the grant we were asked to fill in a survey that took Jim Petty and Wayne Miller a bit of time to complete. Total Tools were giving away 10 packages (of \$1700) to people who filled in the survey. We were lucky enough to have been one of the winners and received a package of a mitre saw, bench and a dust collector. The shed has ordered other items from different suppliers and most of it has been delivered, we have assembled those items that needed it, ready to put in place.

We have been asked by the Council if we would be interested in making some Christmas trees for the medium strips around town. We have agreed and will start on these trees next week.

We are looking at having a stall at this years craft market at the main Council hall. The shed has also been asked by the Council to do a sausage sizzle on the deck of the Supper Room on the 19th November starting at 10.00am. This will be done to acknowledge International Mens Day. We hope to have hand outs on Mens Health on the day.

The final event we will be doing is a BBQ at the New Years Eve fireworks. Phill Renfrey our shed President has been busy making a work bench with others planned for later on. We are still meeting doing jobs around the shed every Thursday between 9.00am and 12.00pm.

HOSPITAL AUXILIARY

Christmas raffle will be held on December 14th and once again we are looking for community support.

Lawn area needing treatment will now be carried out and completed by Brock Trezona, this will then end our dealings with this area. Thanks to Zoom Habel's efforts the lawns are almost back to what they once were. This area will now be in the hands of the maintenance staff of the hospital and they will have a hard act to follow. He will now hopefully be an extra hand for us for our usual busy bees.

We will continue fortnightly to keep the weeds, etc. at bay. If anyone has a few hours to spare to continue this effort it would be much appreciated, especially if a separate group could get together to help Elmhaven area. We have ours Tuesdays 9am to 11am November will be 6th and 20th Dec 4th and 18th.

Phone books continue to be printed at different times so that if a new number or changed number is needed let us know. This has been a good fundraiser for the auxiliary. Hopefully we will have a tour of the revamped area of aged care where a huge effort has been taken by staff to make this a more homely and inviting space for our elderly.

A busy bee to make biscuits to deliver to patients at Christmas will take place in December. Kerry Johnson has offered to make her home the point to gather to do this.

It has been noted that there are grants out there federally for bigger projects like hopefully a pergola at Elmhaven this needs to come from the H.A.C.C. body Chris looking into this.

Fire Danger Season

Council is urging residents to start cleaning up their blocks in preparation for the fire danger season.

The Fire Prevention Officers have started their inspections at the beginning of October. If your allotment was found to be non-complying at the time of inspections you would have received a notice under section 105F of the Fire and Emergency Services Act.

If you received a notice you are required to have the grass cut no higher than 10cm. For allotments larger than 0.5ha a 20m fuel reduction zone is required around houses as well as a 5m fuel reduction zone around sheds etc. along with a fire break of 4m around the boundaries.

This MUST be done before the 1st of November.

If you are unable to do the work yourself the area has contractors you may wish to use.

BUSHFIRE BELIEF BUSTERS

New Dog By-Laws

The new by-laws require any person with a dog in their care and control in a public place to carry a bag or other suitable container for the collection and disposal of their dog faeces.

If you are found to be without a bag or container while you have your animal in a public place you could be liable to a \$100.00 expiation fee.

Let's keep our district and public areas clean and free of disease.

Santa will present gifts to children at the Streaky Bay Foreshore Lawns
(across from the Hotel)

Sausage Sizzle & Drinks available to purchase

Registration Fee \$5 per child

Parents are asked to purchase, wrap, name and **deliver gifts to the Streaky Bay Visitor Centre**. Please support our local businesses by purchasing a gift here in Streaky Bay as many have offered their services and donated time and equipment to help with this event for your family to enjoy.

Children will be called up in their family groups and a photograph will be taken with Father Christmas and then emailed to your nominated email address for you to print at your own expense. All proceeds are going towards the Little Flippers Play Centre development committee.

We are a group of working parents looking to establish a Daycare Centre in Streaky Bay.

Little Flippers Play Centre Committee Presents

CHRISTMAS COMPETITIONS 2018

Santa by the Sea Christmas Parade

Businesses and community groups are invited to participate in our annual Christmas Parade. Engage in the Christmas spirit and put together a fun and festive mobile display to walk the main streets of Streaky Bay @ 3pm Sunday 16th December 2018. Most impressive and imaginative display will be awarded a prize of \$100 (+bragging rights) at the conclusion of the parade. Participating businesses and groups need to register floats for the parade at the Visitor Centre.

Shopfront Competition

Little Flippers Play Centre Committee is hosting the 2018 Streaky Bay Community Christmas Competitions. With prize money up for grabs, we invite all Businesses and Community Groups to participate in making our community a festive arena and help decorate the town with impressive Christmas displays in and around shop fronts.

To enter the competition, simply register your business/community group name and street address at the District Council Office or Visitor Centre. Displays will be judged on Christmas Eve and the winner will be announced at the Streaky Bay New Years Eve Fireworks Display.

The 'Primal': Ephemeral Eco Art Residency an initiative of the VISIBLE team and Streaky Bay Tourism will bring together artists, thinkers and community stimulating dialogue around the environmental issues of our time from 1-7 December 2018. The art and culture project hopes to boost cultural tourism visitation and create economies by producing an Ephemeral Eco Art Trail that will be on display along the Streaky Bay foreshore over the peak tourism season until 25 January 2018.

Ten lead artists from Finland, Australia and regional South Australia will work with nine regional artists from the mid and far west region over a sustained period to explore deeper relationship of the systems, processes and phenomena in relationship to the social and cultural aspects of environment. At the forefront will be dialogue, engagement and education around the top 6: climate change; land use, energy extraction and transportation, chemical use, invasive species and the need for environmental justice.

VISIBLE: EXHIBITION

Margin to Margin

14 Dec 2018—22 Jan 2019, Opening times vary, **FREE to community**
Streaky Bay Supper Room Studio Gallery, 29 Alfred Terrace
Women Living on the Edges of the World—Naisia Maailman Laidalla
 exhibition opened in Finland on the 05.09. 2017. The exhibition was on display from 06.09.2017—07.01.2018 at Gallery Hämärä, University of Lapland. An international research project and artistic collaboration between various global artist communities the exhibition had a goal to study how art empowers women living in marginal conditions in Finland, Russia and Australia. 46 women converged on Fowlers Bay in October 2016 for a 7 day cultural exchange which created many of the artworks for the exhibition. The exhibition displays traditional weaving, felting, painting and others, by individual artists and collaborations. It is supported by a vast spectrum of video artworks, video documentation of artistic processes and photography artworks and features work from art projects, research and community work that has been conducted in Rovaniemi (Lapland, Finland), Port Augusta and the Far west communities of South Australia.

Piece of Heaven—Pala taivasta exhibition opened at Gallery Hämärä, University of Lapland on 9.1. 2017. The exhibition was displayed in Finland from 10.1.2018. - 25.1.2018. The exhibition was a collaborative textile installation where groups of artists are visualizing and discussing their experiences of happiness. Piece of heaven – pala taivasta describes the feeling when everything is good, in harmony, as good as it gets. Piece of Heaven is a textile installation where each piece is created in different parts of the world: in Streaky Bay, South Australia, in Windhoek Namibia, in Rovaniemi Finland and in Murmansk Russia.

Pop-Up Marine Discovery Display
Streaky Bay Visitor Centre, 21 Bay Road

Skulls, shark eggs and sea creatures are just some of the treasures you'll uncover when you visit the Pop Up Marine Discovery Display in Streaky Bay this summer. The highly interactive display enables participants to learn about the habitat and life cycles of local coastal wildlife whilst using scientific tools including plant and animal guides, a microscope and an eye clops to have a close-up

encounter with sand, coral and salt loving plants. The display will also touch on the importance of marine parks and what can be done on a local scale to increase species' chances of survival.

Acknowledgments: The Pop-Up Marine Discovery Display is a collaboration between VISIBLE, Natural Resources Eyre Peninsula and the District Council of Streaky Bay.

A GOOD WEEK FOR A SKIN CHECK

Each year, National Skin Cancer Action Week marks the start of Summer. A week dedicated to raising awareness of skin cancer that many Australians may face in their life.

Skin Cancer and Sun damage is not solely related to the workplace. A major risk factor is in a person's early years and during their leisure time (out of work hours, weekends and holidays).

Onsite skin check clinics educate individuals on sun safety, how to self-check and the importance of regular skin checks with a General Practitioner.

If you are interested in running skin cancer checks for your employees please get in touch today - 1800 103 074 or info@skinpatrol.com.au

Asbestos could be in any home built or renovated before 1987. Thousands of different products remain hidden dangers in 1 in every 3 Australian homes including brick, weatherboard, fibro and clad homes, even apartments. It could be anywhere! If sealed, left undisturbed and in good condition asbestos products don't pose a health risk. However, if disturbed, fibres are released which can be inhaled and cause asbestos-related diseases.

- **ONLY** licenced asbestos removalists are recommended to remove and dispose of asbestos.
- **VISIT** asbestosawareness.com.au for examples of products that might contain asbestos and where they might be found in your home.
- **SEAL** broken or damaged asbestos using the steps listed in this brochure.

Do you know your risk of Type 2 Diabetes?

Join the FREE CQUniversity Diabetes Online Risk Assessment Project (DORA)

Researchers at CQUniversity are conducting a research project to raise awareness of the risk of Type 2 Diabetes and understand what types of health messages encourage follow-up action after completing a health risk assessment.

If you are aged 35 years or over and have NOT previously been told that you have Diabetes, you may be eligible to participate.

Participation requires completion of three online surveys over a period of approximately 3 to 4 months. Each survey will take approximately 20 minutes to complete. You will receive \$40.00 in shopping vouchers after completing all surveys.

For more information about the DORA Project and to register, please visit:
