## HOSPITAL AUXILIARY

AGM meeting held and presiding officers agreed to again take on positions for the next 12 months. Lawn watering system still a concern all agreed no point in doing anymore till this is addressed, Chris and Brock to discuss.

Pergola/garden area at Elmhaven in progress help is needed to get this area suitable for the benefit of all. Outdoor chairs and table settings to be completed with replacement bench setting to be costed and replaced on Hospital veranda.

Bronwyn Hull spoke on the Mid West Board and her role and the complexities involved in being the rep on it, the different funding arrangements and the fact that the changes are forever ongoing etc, are very hard to understand and deal with but she stressed the need to have a local rep on these boards hence the reason she got involved. Her attendance was very much appreciated by all. Chris helped Bronwyn out as well as explaining the changes coming to aged care at both facilities, some of these include update of furniture, colours painted in areas where an impact is seen to be beneficial. Chris is to spend some time upskilling in this area of Dementia the course is named "Spark of life."

Requests for upgrade of bark chips at playground were passed. Op shop donation for dementia care aids has been donated, planter boxes and other garden purchases have been made ready to start at Elmhaven.

Congratulations were extended to our Volunteer garden group who were nominated and came runner up in the Country Health Volunteer category at a recent State final held in Adelaide last week.

Card to be sent to Elaine Baldock who has been a great member of the Auxiliary for many years and is moving away she will be sorely missed.

Don't forget to support our Mother's Day raffle May 3rd!!! Meeting closed 3:30pm next meeting June 10th Hospital Boardroom.

## INDOOR BOWLS

April had all the ingredients of a busy month for the Streaky Bay Indoor Bowls Club. High attendance numbers, farewell BBQ lunch, birthdays, games decided on the last bowl and always friendly banter mixed with shrieks of delight or cries of despair as bowls came to rest either just right or way out.

Towards the end of the month president Shirley Petty and treasurer Jim Petty returned from holidays. In their absence vice president Bev White and ass/treasure Darryl Trevena more than proved their capabilities.

The BBQ lunch on April 24th was to honour and farewell committee member Sharon Kitson. An appropriate farewell card was signed and presented with the clubs best wishes. Sharon has promised there will be future return visits.

Following the BBQ 26 bowlers played 2x8 ends and 1x6 ends, winning team was skippered by Wayne just pipping Sandie's team. Kaye and Marlene were the birthday recipients on April 17th.

As for the weekly competitions many results have been a two or three shot decider. On April 3rd, 17th and 24th three game winners with slight margins won the prize. Not so on April 10th when a shots up between 2 teams each with 2 wins and a loss resulted in a very close call of a 1 shot margin giving the win to Roger's team on 30 from the team led by Sharon on 29.

May 8th was announced as the date for the AGM when members will hear how the club is progressing, elect office bearers, discuss what is necessary, what needs to be done and what is possible to achieve. For details see next months Criterion.

We have since received many comments from our visitors saying how lovely neat & tidy our grounds look which makes us feel very proud. A job well done by Brock Trezona & Chris Johns. We are now looking forward to the next stage of our improvements.

Minutes of Meeting held 18th April 2019.

This meeting was attended by 22 members and 9 apologies were recorded before birthday greetings were extended to Norrie Clark, Geoff Francis, Marlene Ettridge, Fay Kelsh, Colleen Cronin, Colleen Crowder.

Members were saddened by the recent death of long-time member, John Bennie and marked the occasion with a period of silence in John's honour.

Our Treasurer reported a current credit balance of \$1174.72 and both the April Newsletter and Active Retirees Magazine were tabled.

As general business members were reminded that our May meeting will be our annual 'Cuppa for Cancer' meeting and advised that our first outing of the year will be on Friday May 3rd, leaving from the RSL Hall at 9.45am. Cost \$5pp. If you haven't put your name on the list you will need to contact a management committee member a.s.a.p.

Next meeting: Thursday May 16th at 10am.

We welcomed back Michelle Coram as guest speaker for our meeting today and we were not disappointed. She gave us a bit of everything with a photographic wander around some of the many places she has visited around the world. We roamed pictorially through some of the Tomney/Coram family history sites around Ireland and UK, as well as places visited by Michelle because of their relationship to some particular piece of literature or film she enjoyed. As always, Michelle kept members enthralled with her commentary – a great morning, enjoyed by all.

## - RODEO RETURNS TO THE WEST COAST OF SOUTH AUSTRALIA -

The following is a letter submitted to the Australian Professional Rodeo Association as an article to be published in the APRA Magazine - Rodeo News.

-----

After 32 years the sport of Rodeo will again be showcased on the West Coast at Streaky Bay with the inaugural 'Rodeo by the Sea' running on November 23rd this year.

Streaky Bay Tourist Promotions, led by Lyn Finch and Peter McEvoy from the Streaky Bay Racing Club have formed a committee that will run a full APRA affiliated rodeo program at the racecourse with 8 open events, 3 novice, 3 junior and 2 local events included.

The rodeo will run for an action packed 6 hours and then live entertainment for all to see out the night.

Riders from all over Australia including the best of our South Australian competitors will compete for over \$14,000 prize money.

The rodeo stock will be supplied by Noel Fraser from Wilmington who has owned and continues to have some of Australia's best animal athletes.

Streaky Bay is an extremely hospitable and tranquil seaside town on the Great Australian Bight 7 hours from Adelaide; that leaves a lasting impression once you have visited.

The area boasts an abundant fishing industry with many tourism opportunities to enjoy. There is a variety of suitable accommodation and two caravan parks in the town in which to stay and enjoy the whole weekend.

Excitement is building on the West Coast for this event as many locals have very fond memories of rodeos run decades ago and love the sport and what benefits it can bring to a small community.

The Streaky Bay Rodeo by the Sea committee are striving to put on a very successful event to showcase the sport of rodeo and to ensure that everyone who attends from far and wide thoroughly enjoys it too.

I am very proud to be involved in this inaugural event. Hope to see you all there!

Mr Head spoke of struggles he has endured throughout his personal life and farming career. His honesty made for an emotional talk and his strong message was about being connected and looking out for each other. He received a standing ovation.

Sam Kekovich ended the dinner with a good belly laugh but also some strong messages about the challenges of farming. The night was topped off with live music by local band, The Fluffers.

On Sunday the 7th April we had a fun filled day with the Thrive Fun Run in the morning followed by Xtreme Kites with their jumping castle, archery tag and bubble soccer, Vintage Car Show and Shine and a free bbq to top off the day.

# YOUTH WEEK

## —2019—

The District Council of Streaky Bay was successful in their application to SA Youth Week for a grant of \$2000 to run activities across Youth Week 2019. Council then matched the funding to enable a fun filled week of activities for our Youth.

The Community & Economic Development Officer, Jess Davis contacted the three schools within our District to compile a wish list of activities our Youth would like to see held throughout Youth Week. The most popular answers were: Surfing, Art, Bubble Soccer & a Treasure hunt/amazing race. This feedback created the program for our events. Youth from ages 10 and over got to participate in the following activities:

Friday 12 April – The Amazing Race – Youth from Miltaburra, Karcultaby & Streaky Bay formed 10 groups and were sent off on the Amazing Race; cracking clues, mastering challenges and working together as a team.

Monday 15 April – We had Xtreme Kites visit from Port Lincoln to deliver Bubble Soccer, Archery Tag, Zorb Balls & Kite Making – These sessions had roughly 18 Youth participate.

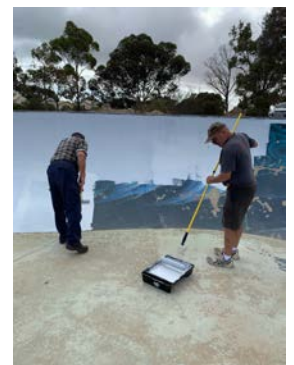

Tuesday & Wednesday 16/17 April – Artist Todd Romanowycz worked with a group of 15 Youth interested in designing and creating new art work for the Streaky Bay Sk8 Park. Participants worked with Todd for 3 hours on the design before heading over to the Sk8 park to see their designs come to life. All designs on the Sk8 Park were creations of our Youth. We have had wonderful feedback on the new art work. Also a big thanks to the Streaky Bay Men's Shed for preping the area for the kids to create the magic on.

Thursday 18 April – Sceale Bay Surf School – 13 Youth travelled to Sceale Bay to learn how to Surf.

The District Council of Streaky Bay would like to thank Streaky Bay Area School, Karcultaby Area School & Miltaburra Area School for taking part in the Amazing race and for supplying supervisors, a special thanks to Sharni Cupples, Judy Karlsson, Rayleen Giles and Sarah Hodges for manning checkpoints and supervising our teams.

Thank you to Xtreme Kites & Paddle, Artist Todd Romanowycz & Ashton Filmer from ArtSquad, Streaky Bay Men's Shed, Jayne Holland, Sceale Bay Surf School and Sarah Brougham for driving the bus to Sceale Bay. # THE NATIONAL WINE CENTRE'S WINNING TEAM DELIVERS A TRUE TASTE OF STREAKY BAY

On Sunday 28th April, in glorious sunshine, Streaky Bay Tourist Promotions partnered with the National Wine Centre of Australia to deliver a unique dining experience "A Taste of Streaky Bay – Long Table Lunch on the Bay".

100 guests, including the Honorable David Ridgeway, Minister for Tourism Trade & Investment, the Member for Flinders Peter Treloar and his wife Annette, and the General Manager of the National Wine Centre Jason Bird enjoyed a stunning five course meal with matching wines whilst overlooking Streaky Bay. It was a perfect day on the jetty platform with guests enjoying every mouthful. The menu was created and delivered by the National Wine Centre's award-winning head chef Steven Clark and chef Nick Pope. A great meal deserves fabulously matched wines and once again, the National Wine Centre's sommelier James Boden selected magnificent wines to accompany each course.

The menu included oysters from Smoky Bay, Streaky Bay abalone and razor fish, local beef and lamb, and a stunning dessert made with Haystack Honey. Matching wines were served with each course including a Sauvignon Blanc and Shiraz from Port Lincoln. If anyone still had room for a coffee, tea or a cleansing ale, they were also available all originating from Port Lincoln.

The local Streaky Bay school was also heavily involved in the day with students creating the entry tickets for the guests and also assisting the chefs in meal preparation.

This incredible event was hailed a great success by all that attended and a step change for Streaky Bay. The tourist promotions committee is not only focusing on creating iconic events to increase tourist numbers, but on featuring the local unique abalone product as the "hook" in future marketing. With fifty percent of the Abalone Industry Association of South Australia's management residing in Streaky Bay and thirty percent being abalone license holders adds to the authenticity of Streaky Bay becoming the home of abalone on the Eyre Peninsula. This will create a distinct positioning for Streaky Bay. Abalone is unique to Streaky Bay as it is harvested, processed and sold in the local area. This iconic product can then be used as the "hero" to promote all the other wonderful produce and experiences Streaky Bay and surrounds has to offer.

Many local businesses provided exceptional support for the chefs over the 3 days of preparation as well as on the day of the event. It is important to acknowledge all those that assisted as the event would not have reached such a high standard without their help. Jetty View Café, Killas Fuel & Tackle, Bay Funktion, SA Premium Oysters, Streaky Bay Oysters, Eyrewoolf Abalone, Two Brothers Abalone, Streaky Bay Marine Products, Streaky Bay Meat Service, Haystack Honey, Salty Eyre Spices, Port Lincoln Prison, Boston Bean Coffee, Bush Flower Tea, Peter Teakle Wines, Boston Bay Wines, Beer Garden Brewery and doi's Ocean Front Apartments were all involved.

Planning for the next Long Table Lunch has begun, with the National Wine centre already committing to return next year to create an even bigger and better event!

## Abandoned Cats and Kittens

If you are no longer able to care for your cat or kittens, or your cat has an unexpected litter that you cannot care for please be in contact with Council Officers. At no point should you dump or abandon your cat or kittens.

To prevent the abandonment or dumping of unwanted litters Council Officers will accept surrendered cats and kittens at no charge.

This can be done by ringing the Council on 0886261001 and organise collection via Council's General Inspector.

Council staff will endeavour to re-home suitable, healthy surrendered animals via animal rescue groups such as the RSPCA shelter in Port Lincoln.

## Microchipping – It's Compulsory

From the 1<sup>st</sup> of July 2018 it became compulsory for all dogs and cats to be microchipped. This includes working dogs and all cats and dogs over the age of 3 months.

Microchips assist in returning your pet as quickly as possible and limit the number of impounded animals.

If your dog or cat is found to be not microchipped you will be subject to an expiation fee of \$170.00.

Veterinarians regularly visit Streaky Bay, and there are Council employees as well as numerous trained microchip implanters throughout the district that can provide this service.

For further details contact  
Rodney Heath at the  
Council Main Office on  
08 8626 1001.

## New Dog By-Laws

The new by-laws require any person with a dog in their care and control in a public place to carry a bag or other suitable container for the collection and disposal of their dog faeces.

If you are found to be without a bag or container while you have your animal in a public place you could be liable to a \$100.00 expiation fee.

Let's keep our district and public areas clean and free of disease.

**WASH, WIPE  
COVER...**  
don't infect another

Influenza, or commonly known as the flu virus is extremely contagious and is easily spread through many different ways, coughing, sneezing, small droplets carrying the infection in the air, direct and indirect touch. Most people can recover within a week, although the flu is much more serious than a common cold. It could lead to pneumonia and other complications particularly in people over the age of 65, pregnant women, people with other chronic illnesses and young children.

To help stop the spread of and reduce the risk of illness this winter we can use basic hygiene efforts such as;

- The flu vaccines
- Cover your nose and mouth when you sneeze or cough
- Wash hands regularly
- Wipe down all surfaces which are touched often
- Staying home if possible if you're feeling unwell

Some signs and symptoms of influenza;

- Headache
- Fatigue
- Muscle aches
- Sneezing and coughing
- Sore throat
