BIRD MANAGEMENT - CARAVAN PARK

Council and the Foreshore Caravan Park management have received numerous complaints in recent months regarding the starlings that settle in the caravan park in the evenings, and the resulting mess and health concerns arising from excessive amounts of droppings on vehicles, caravans, boats and park amenities. The problem is compounded by a large SA Water sign at the park entrance warning of penalties if cars, vans or boats are washed in the caravan park and it has now reached the point where the caravan park managers are experiencing a loss of business (or the need to refund fees) because of it.

A number of approaches have been tried including directing LED lights into the treetops however this wasn't successful. Other parks have trimmed tree canopies as birds only settle in the upper parts of the trees but this wouldn't be viable (or desirable) with the size of the trees at the Foreshore Caravan Park. The Department of Environment, Water and Natural Resources/ Natural Resource Management Board have suggested trapping the birds however with the amount of people moving around in the park the birds would be unlikely to come out of the treetops into traps.

The park manager has approached Council with a request to use a gas gun each evening for 1 hour commencing at 8.30pm which is when the birds regularly come in to settle in the trees, with 5 shots fired within that hour. Our Regulatory Services department has advised that there is nothing to prevent this from occurring, but advised that it would be good practice to advise the police, guests and nearby residents so that people are not alarmed by the sound. The park managers are therefore proposing to purchase a gas gun and implement this practice over the coming week or so.

This practice is similar to that implemented by Council when the front lawns were established a few years ago, when gas guns operated throughout the day and were turned off at dusk – in this case, however, the gas guns will only be fired for one hour per day. It is worth noting that Regulatory Services did not receive any complaints during the establishment of the lawns. The park manager has observed that the bird problem eases in winter and is hopeful that the practice can be reduced or wound up by then and used on a short term basis at the start of next season if the birds return.

PROBUS

Minutes of Monthly Meeting and AGM held 16th March 2018. Our Acting President Peter Eylward welcomed 29 members, we recorded 6 apologies and birthday.

A letter of apology was received from Jan & Terry Patterson for their absences from the March / April / May monthly meetings as well as today's AGM. Peter Eylward has noticed that as part of its services the RAA offers Guest Speakers for community groups are we interested. Vote indicated plenty of support for this and our meeting closed at 10.23am.

This monthly meeting was followed immediately by our AGM where Jan Patterson was re-elected to fill the position of President, Peter Eylward Vice President, Zita Chester Secretary and Shirley Petty Treasurer. Many of the Club's highlights were mentioned in Jan's Presidential Report and our Finance Report revealed a Net Profit of \$10.10 for the year.

Our Management Committee will consist of all office bearers as well as K Wait and K & H Carey and our bank signatories will be any two office bearers. The possibility of using services of the ANZ Bank will be investigated.

Rae Brewster will continue as Welfare Officer and Zita Chester as Publicity Officer for the new club year.

Following morning tea we were once again treated to the pleasure of the company and talents of Cactus Martens. Members were obviously mesmerized by the dulcet tone Cactus' voice and the easy listening choice of music for today's session. All too quickly the time allowed had passed and the only complaint heard was that it came to an end before they had heard enough.

Acting President Peter thanked Cactus for his services and members were generous in their praise of his talents.

EYRE CRAFTS

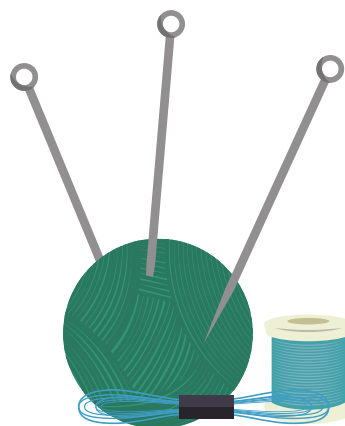

The Craft shop has benefited from new members in the past year and they have proved to be a great asset for us by helping to fill the shop roster to keep the shop open at the advertised times. Well done ladies.

Two of the volunteers have also become members and now submit items for sale to our visitors. Cecilia has produced a variety of succulents and pot plants ready to go into the garden or in suitable pots. These may be what you are looking for if your garden or patio area is in need of a revamp after the pinishing summer we have experienced and there may be suitable replacements in the shop waiting for you at very affordable prices. Come in and check out what is available if you are interested.

Chris has mastered the technique of machine embroidery (no easy feat) and produces souvenir towels with Streaky Bay lettering and motifs which make great gifts and appeal to tourists wanting a reminder of a great stay here.

Orders can be placed at the shop for her personalised children's and welcome baby pillows embroidered with names and other personal details of the child. Another great gift idea!

You will need to come into the shop to see them and place orders if you wish. Hope to see you there soon.

HOSPITAL AUXILIARY

At the February meeting it was nice to see a few new members attend.

Discussion on problem area of lawn resolved to be looked into in March/April with suggestion of new soil and new lawn being put down as despite fertilizers/watering etc this has not improved. Automatic watering system control has been replaced.

Fence for aged care area has been ordered. Outdoor chairs for Elmhaven and hospital are being looked into thanks to bowls fundraiser which raised \$675. Thanks to all who attended it was a fun night. Curtains for end aged care room are still in the pipeline Chris to come back to us on this.

Question was asked re pick-up for aged residents living in the community needing appointments locally and no relatives etc able to help, have been assured this is available and a notice is in the doctors surgery.

Sue Higgins has agreed to come to our April meeting as a guest speaker and will be able to clarify what is available and how to access the needs of the community re health and welfare.

We will be holding a Mother's Day raffle to continue to support our Hospital and Elmhaven, so please support us on that day.

The garden area along ambulance has been cleaned up thanks to our usual bunch of willing volunteers, and fortnightly busy bees are well attended. Hopefully when all sprinkler systems and the coming of winter occurs things will get easier to maintain. Our aim is to get things through this summer and we have tried to plant plants that will need minimal attention once established.

Next meeting will be April 9th at 2pm in the hospital boardroom.

INDOOR BOWLS

Indoor bowls competition over the past four weeks has delivered surprising results with the figure 4 featured prominently on consecutive Wednesdays.

First was on February 28th when 4 teams each recorded similar wins and loss' - a shots up count gave the overall win to Bev's team comprising of Don, Roz & June.

On the same day 4 enthusiastic skippers each gave 4 shots to their opposition by the way of penalties.

March 7th the figure 4 was again prominent. This time the score board showed that one skipper (who shall remain anonymous) had dislodged the kitty from the playing mat 4 times. All these events added extra gleeful shouts and goodwill to the afternoon fun.

The Indoor Bowls club continues to welcome visitors including on March 21st Nina who regularly returns to Streaky Bay.

Club members are now thinking of the coming AGM to be held on Wednesday May 2nd. President Shirley Petty has announced that the club will provide a sausage sizzle prior to the meeting and there will be bowls played following the business agenda.

Members who wish an item to be tabled for discussion are requested to submit details as soon as possible to secretary Wayne Miller.

In the meantime, as Wednesday April 25th is Anzac Day players have voted to defer the regular weekly games from that day to Thursday April 26th, names in by 1:15pm as usual.

COUNTRY WOMEN'S ASSOCIATION

Our 13th March meeting was enjoyed by those in attendance and was a casual couple of hours sorting branch housekeeping matters and sharing some belly laughs. Members brought along some gorgeous flowers to display but it was those brought in by Marlene Ettridge, Rae Brewster OAM and Alice Montgomerie that caught your eye. The theme of the month was an Australian Legend which varied from local identities (Dorothy Story, Granny Redding, John Darke) to national identities (Robert O'Hara Burke, Banjo Patterson, Dennis Lillee, Ned Kelly, Slim Dusty).

Elaine Klook from Wirrulla visited Streaky Bay on 27th March to demonstrate to a few ladies three new handicrafts, namely Hardanger, Brioche Knitting and Kaleidoscope Canvas Work. These handicrafts will be on display at a later date to be advised.

Handicraft activities do not have any official scheduled meet. Rather, casual catch ups amongst those who have a handicraft in progress are had instead. If you are interested in learning some of the handicrafts or just prefer some company over a cuppa, give one of the ladies below a call for further information.

CWA Streaky Bay meetings are scheduled for every second Tuesday of the month at the RSL Hall at 10.30am. Throughout the year this schedule may be varied but notice will be advertised in advance. Alternatively, contacts are noted below.

The next meet is on Tuesday 10/4/2018 at 10.30am at the Pioneer Lions Park, cnr Alfred Tce/Mudge St/East Tce. Bring along a small plate for smoko to share that has a fruit theme. The May meeting will involve a tour (details to be sorted).

Do you have any fantastic photographic images of Streaky Bay and the local area?

We are seeking **portrait orientated** images to use for advertising and promotional material that encapsulate what is Streaky Bay and what we enjoy doing, e.g. a leisurely stroll on one of our pristine beaches, surfing, snorkelling, sandboarding, fishing, canoeing/kayaking, paddleboarding, relaxing or enjoying a family picnic or bbq at the beach or at one of our iconic locations like Murphy's Haystacks, Back Beach or Smooth Pool.

Images selected will have appropriate agreements put in place with the image owner.

Accepted files for photographic images are: -

- JPEG
- GIF
- TIF
- BMP
- PNG
- PSD

Image sizes should be of a highest resolution as they will be used on large size banners and flags.

To find out more, please call Michelle Hutchison at the Visitor Centre on (08) 8626 7033 or email hutchisonmichelle@streakybay.sa.gov.au or call in to 21 Bay Road, Streaky Bay

On Thursday 1st March the Streaky Bay Children's Centre, as part of their program to become socially responsible and show respect for the natural environment, participated in "Schools Clean Up Day 2018" at Jetty Beach

Searching, Discovering, Finding, Wondering, Noticing, Observing, Collecting, Thinking, Listening, Discussing, Participating, Understanding, Sorting, Classifying, Measuring and Cooperating.

The children carried out a risk assessment to identify possible hazards and establish rules to keep us safe. Then armed with bags, gloves and tongs the children set off on their first excursion to Jetty Beach to collect rubbish. The children did a great job collecting 10 bags of rubbish, including bottle tops, paper wrappers, cans, rope, plastic, straws, cigarette butts, carpet, a sponge, a thong and lots of glass. On returning to the Kindy, the rubbish was examined, sorted and weighed with 23kg of rubbish (including 15kg of glass) being collected. Discussions were held about recycling and the impact rubbish has on our environment and wildlife. As part of our commitment to sustainability, our ongoing program includes learning about the effects of littering, recycling, gardening, composting, natural and man made things and being responsible for our immediate environment and developing an understanding of the broader environment.

Do you have a story to tell?

CALLING ALL HISTORY COLLECTORS,
STORY TELLERS
& ANCESTORS OF MARITIME
STREAKY BAY

Can you tell a story about the ketches, schooners and other sea vessels that visited Streaky Bay?

Have you any relics from the days of the Mosquito Fleet or Maritime Streaky Bay?

Illuminart in partnership with the District Council of Streaky Bay and Country Arts SA are creating a touring light show about the Mosquito Ketch trade.

Eyre Peninsula Illuminart Leading Lights, Lauren Karp and Sue Wegener, will dive into the depths of National Trust archives, private and public historical collections of Streaky Bay to uncover the stories of the Mosquito Fleet.

Community from Streaky Bay district and surrounds are invited to share memories in the form of a yarn, photos, artefacts, slides, old film and relics of the time of the Mosquito Fleet; from South Australian colony's establishment in 1836 until well into the 1970's.

These vessels are known as "*the mosquito fleet because of their ability to flit across the mudflats.*"

They were ketches and other small sailing vessels like cutters and schooners, which worked South Australia's coasts carrying important cargos like "*wheat, wool, live animals, gypsum, salt, firewood*" and even helped carry our groceries and precious gifts from afar.

If you've answered yes to the

questions above, then bring your best story or relic of the maritime days into the:

Streaky Bay Supper Room Studio Gallery
29 Alfred Terrace
STREAKY BAY
Mon 7– Tues 8 May 2018
10am-3pm

What will happen?

- ~ Digitizing of your photos, artwork or film
- ~ Photographing your item for safe keeping

- ~ Beginning to piece together our maritime history

You can also nominate a yarn teller or person who you think may like to be part of this by contacting your local Leading Light Lauren on 0429 978 897. Those who are nominated will be personally invited to visit us to share their knowledge.

Through collecting the amazing yarns and assets, Lauren and Sue will endeavour to train a group of

local digital creatives to make a light show on a building near you in December 2018 showcasing our riveting history of life and work along our Streaky Bay coastline.

ISLAND TO INLAND *exhibition*

ISLAND TO INLAND CONTEMPORARY ART FROM KANGAROO ISLAND

Island to Inland: contemporary art from Kangaroo Island showcases new work by ten contemporary artists living and working in one of South Australia's most remarkable locations. Developed over the course of two years, these compelling and challenging works respond to themes of isolation, the island's unique history and the rugged, natural beauty in which the artists are immersed on a daily basis.

Kangaroo Island, Australia's third largest island is one of country's foremost tourist destinations. It is renowned for its profound natural beauty and food and wine production, and it has long been considered a haven for artists since the illustrated discoveries of explorers in the early 19th century, through to contemporary artists of today.

The exhibition has resulted from a partnership between Country Arts SA and Flinders University Art Museum. Co-curated by Eleanor Scicchitano, Visual Arts Coordinator, Country Arts SA and Celia Dottore, Exhibitions Manager, Flinders University Art Museum, it has supported emerging and established artists, celebrating the dynamic and diverse nature of their practices. These include painting, photography, sculpture, textile and installation.

Steve Saffell, Chief Executive Officer, Country Arts SA says, "One of the most exciting, rewarding aspects to our work at Country Arts SA is to be able to support artists, nurture new talent and watch as individuals come together to create and grow not only their own practices but their communities. The

resultant body of work from the ten artists here reflects the isolation of island life, the pristine and diverse environment in which these artists have immersed themselves, and the challenges and benefits of creating in this unique milieu."

Fiona Salmon, Director, Flinders University Art Museum adds, "Flinders University has a close association with Kangaroo Island through research in a number of fields including in marine archaeology and environmental science. We are delighted to have been part of this project, which represents another important link to the community and lens through which to appreciate the singular identity of this extraordinary place."

Artists include Ria Byass, Quentin Chester, Audrey Harnett, Scott Hartshorne, Indiana James, Janine Mackintosh, Deborah Sleeman, Caroline Taylor, Maggie Welz and Kenita Williamson.

Island to Inland premiered at Flinders University City Gallery during the 2017

South Australian Living Artists (SALA) festival, and will be touring regional South Australia until 2019.

Playwright to visit Streaky Bay

Euphoria...

Seven communities, one playwright and several cups of tea...

Life in rural and remote Australia is marked by unpredictability, isolation, economic and financial uncertainty, incessant change and extreme weather events. It's a tough environment with many challenges that impact on health and wellbeing, yet statistics indicate people in regional areas are happy.

Playwright Emily Steel will examine this paradox as artist in residence in three mental health inpatient units and four communities across regional South Australia.

Emily's work has been presented at Edinburgh, Perth and Adelaide Fringe and in 2017 her play *Rabbits* was part of State Theatre Company SA's Season.

Country Arts SA invites groups, organisations or individuals with an interest in mental health or those with a curiosity in writing, theatre or performance to meet with Emily and share the experiences and challenges of living in regional South Australia and how this affects health and wellbeing.

She will be travelling across South Australia over the next few months visiting Lameroo, Bordertown, Streaky Bay, Ceduna and other regional areas to meet with communities and find out what makes each town unique.

Your contributions will help inspire the work that we will tour in 2019

You're invited to contribute to a new work being written for the Country Arts SA's Shows On the Road touring program.

Country Arts SA are developing the new theatre work and we'd love to hear from you, to share the joys and challenges of living in regional SA and learn a little more about what life is like in Streaky Bay & Ceduna. Regional South Australian voices will be front and centre of this new work – your stories, your experiences, your town.

Emily will be in Streaky Bay at the *Pop Up Shop*, Wells Street, CDB (Next to the Bay Op Shop) on:

- ~ Tuesday afternoon 1 May
- ~ Wednesday 2 May
- ~ Thursday 4 May

Times at the *Pop Up Shop* will be flexible.

On Friday 5 May Emily will be in the Ceduna community.

A one-man band never sounded so good!

Adelaide multi-instrumentalist Adam Page makes spontaneous symphonies on stage, feeding his many instruments and his majestic beard through loop pedals to build lush, layered soundscapes.

A hit at many festivals including WOMADelaide, Glastonbury and the New Zealand International Jazz Festival. Page weaves his intricate grooves in and out of genres ranging from jazz to tango and fun afrobeats in this astonishing improvised performance.

With no shortage of silliness and interaction, this wacky and offbeat show will delight everyone from the fringe show lover to the music connoisseur.

Be prepared for a musically manic, fun and interactive show.

COUNCIL ELECTIONS
-2018-

How can you make a difference?

You can influence what happens in your local community in two ways – by nominating for a position on council, or by voting for a candidate who represents your views.

Enrolling to vote

Voting in council elections is open to a broader range of people than State and Federal elections. Even if you are not an Australian citizen, and/or not on the State Electoral Roll you can vote in a council election, as long as you are above 18 years of age and have lived in the council area for more than one month. You can also vote in a council election if you own a rateable property in the area, regardless of whether you live in it.

Another important difference is that businesses and body-corporates can vote in council elections.

For more information about eligibility and to obtain a voter registration form for the supplementary roll go to www.lga.sa.gov.au/councilelections or Contact the Council Office on (08) 86261001.
