Council News

GOVERNANCE AND ADMINISTRATION

Australian Local Government Association sent out a Call for Motions

The Australian Local Government Association sent out a Call for Motions in January for the National General Assembly. Council met as a working party on 6 February 2019 in order to develop a range of Motions to be sent to the ALGA for consideration. After the 6 February 2019 meeting the Acting Chief Executive Officer sent out a range of motions discussed at the meeting and their supporting information. No responses to those motions have yet been received. Council resolved at the March meeting to endorse the following motions;

- *Provide incentives for rural / regional Councils to create micro systems which allow for effective and efficient water storage and management systems to accommodation domestic use*
- *Establish a regional focus through the provision of funding models for waste management systems with an aim to develop a more entrepreneurial framework*
- *Provide funding and support for migrant workers with (STEM) backgrounds to expedite transition of the recognition of their skills, making them available to re-enter the workforce, with an emphasis to filling rural demands where these skills are in critical shortage*
- *Develop better, more effective mechanisms for medical interns to complete placements in rural areas*

All motions have been submitted by the Acting Chief Executive Officer so they may be considered for debate at the National General Assembly.

Music and Wifi in the CBD of Streaky Bay

MCED has contacted Lynch Technologies and a quote has been received for inclusion in the Draft 2019/2020 Annual Business Plan as requested.

Elected Member Training Report

A report was presented by the Acting CEO outlining a proposed Annual Training Plan for Elected Members. A full list of training options was presented with Elected Members to contact the Executive Assistant and advise of the training they were wishing to attend. The A/CEO is working to arrange some training free here in Streaky Bay utilising local resources and expertise.

Community Forums 2019

Community Forums for the townships of Eba Anchorage, Perlubie, Haslam, Wirrulla, Poochera,

Sceale Bay and Calca were held on Sunday 24 March 2019 at Eba Anchorage, Wirrulla and Sceale Bay. The forums were well attended with approximately 20 participants at each. A spreadsheet of issues raised is being finalised and will be presented to Council with staff outcomes/comments at the April 2019 meeting of Council. Following this it shall be published in the Criterion for the community to view.

The Streaky Bay and Piednippie forums are to be held on Sunday 14 April 2019 at the Streaky Bay Craft & Produce Market, 10.00am – 2.00pm.

Council Community and Economic Development Committee

A report was presented to the March 2019 meeting of Council to determine a future meeting date and the presiding member of the Committee. Council resolved to hold the first meeting on May 30 2019, with the presiding member to be Trudy McGowan.

ECONOMIC DEVELOPMENT

Foreshore Tourist Park Development

The Capital Investment Business Agreement has been signed by the Acting Chief Executive Officer and relevant parties at Discovery Parks. This Agreement will assist in the management of the Capital Renewal Project for the remainder of the reconstruction of the Streaky Bay Foreshore Tourist Caravan Park.

The next nine new cabins have arrived, installation is expected to be completed by 11 May 2019 following the switch over to new services.

At this point we will be moving the current “executive” cabins onto new sites in line with the masterplan.

Preliminary works have begun for the residence, ensuite sites and procurement of stage 3 infrastructure per the Capital investment Business Agreement.

Foreshore Tourist Park – Debenture Loan

A report was presented to the March 2019 meeting of Council providing background information and options for Council to fund the park upgrade. Options included low interest loans, use of Council cash or a combination. Council at that meeting resolved to commence to draw down 50% of the \$5.1m loan facility with a term of 15 years, that Council had previously agreed to undertake for the Streaky Bay Foreshore Tourist Park Capital Project upgrade.

Foreshore Tourist Park Development – Funding

An application was submitted under the Building Better Regions Fund – Round 3 for the Foreshore Tourist Park Development. The application was unsuccessful.

TOURISM

Regional Trails Strategy

Regional Development Australia (WEA) will be developing a Regional Trails Strategy for the Eyre Peninsula over the next 12 months, this will be a collaborative project between Councils, RDA, Community Tourism Groups and others. As part of this project, Council will take the opportunity to review their 2011 Bicycle Plan for Streaky Bay and other trails identified within the District Management Plan. There were a number of conversations at the Community Forums regarding trails and this will provide Council with the opportunity to identify all their potential trails and develop a hierarchy of priority for funding

Gawler Ranges Road (Wirrulla to Kingoonya)

Nothing further to report at this point in time. Elected Members need to continue to lobby the development of the road through the RDA and other regional organisations

Tourism Strategy

Initial Community and Stakeholder Workshops have been undertaken. Draft document currently being prepared by consultant for delivery to May 30, 2019 Community and Economic Development Meeting.

Abalone Brand – Streaky Bay

Cr McGowan raised a question on notice requesting that Council support the brand positioning that Streaky Bay becomes the home of Abalone and that Council incorporates the abalone shell into its branding for Streaky Bay. This follows a deputation provided by Streaky Bay Tourism at the previous meeting of Council where the concept was presented to Council. A report was presented to Council at this meeting seeking Council support of the concept development and that the branding be included in Council's Tourism Strategy. Council laid the report on the table until the April 2019 meeting of Council to enable more time to consider the proposal.

Regional Branding Strategy

Regional Development Australia (WEA) will be developing a Regional Branding and Marketing Strategy for the Eyre Peninsula over the next 12 months, this will be a collaborative project between Councils, RDA, Community Tourism Groups and others.

Wayfinding, Coastal Access and Regional Camping Strategy (Eye's on Eyre Strategy) - Campgrounds

Design concepts have been completed and public consultation was undertaken by Regional Development Australia WEA in February 2019 for Tractor Beach Campground. A report was presented to Council

outlining the feedback from these meetings and Council approved the plans in principle. Negotiations for care and control of relevant land will now commence with a full report to Council in the future and the formal adoption of the concept plans for construction.

A Taste of Streaky Bay –Long Table Lunch – Fee Waiver

Council, following a request from Streaky Bay Tourism agreed to provide a value of \$400 worth of photocopying expenses to Streaky Bay Tourism for the purposes of the Long Table Lunch 2019.

COMMUNITY DEVELOPMENT

Australia's Biggest Morning Tea

A report was presented to Council at the March 2019 meeting proposing that the Streaky Bay Branch of the CWA take over the hosting of the Annual Australia's Biggest Morning Tea event. Council resolved at the meeting to continue the progression to have the CWA host the event in the future.

Community Information Packs – New Residents and Businesses

Cr McGowan raised a question on notice regarding the implementation of new resident and business packs. The Community and Economic Development Team will be pursuing the implementation of this in the future.

Childcare Feasibility Study

A project brief has been issued to potential consultants, a quote has been returned with a report to the April 2019 meeting of Council.

Memorial Garden – Concept and Scope

The Community Land Management Plan has been forwarded to Crown Land for comment. Once support has been obtained from Crown Lands the Community Land Management Plan will be placed out for public comment.

YOUTH

Youth Week 2019

Grant funding has been successful with monies previously allocated in the budget. Activities are now co-ordinated and booked for the April school holidays.

Digital Connections Grant

The digital animation and illustration workshops for the youth of Streaky Bay and Elliston project is underway.

Council News Cont'd

WASTE MANAGEMENT

Cungena Landfill Cell Design and Build

An addendum to the current Cungena Landfill Environmental Management Plan with particular focus on longer life of the landfill has been developed and lodged with the Environment Protection Authority.

Cungena Landfill Land Purchase

This process is dependent on the Barngarla Native Title Claim which still is awaiting finalisation.

STORMWATER MANAGEMENT

SEALED ROADS

Dodgson Drive/Bay Road Streaky Bay

Refer to Council Project Update provided in Council Agenda.

UNSEALED ROADS

Road Construction

Council has completed during 2018/2019 the following roads; Kaldoonera Road (8km), Gill Road (7km), Carawa Road (3.56km), Westall Way Loop (7kms). Staff have completed the first 3.5 kms of Calca Road which is expected to be completed prior to Easter. Once this is complete we will be moving over to Poochera/Port Kenny Road.

Road Maintenance

Patrol grading will begin again this month regardless to if we receive rain. We will be starting with the Category One and Two Roads and Category 3 and 4 roads will be considered when it starts raining. All major roads in the District have been graded once this season to date.

To date in the 2018/2019 financial year approx. 993 kms of road has been patrol graded.

Sealed shoulder maintenance has been completed.

PLANT AND EQUIPMENT

PLANNING

Town Masterplan Review

Council had allocated funding in the 2018/2019 financial year to complete a review of the document. A report was presented to Council to consider holding the project over to the 2019/2020 financial year due to competing priorities with project completion. Council resolved at the meeting to allocate funding in the 2019/2020 financial year to allow completion of the review.

Residential (Sustainability Living Policy Area) Development Plan Amendment Statement of Intent

On the 20 March 2019 Council received a letter from the Minister advising that the Statement of Intent was not supported at this time. As such, any further requests for Development Plan Amendments will need to wait until the implementation of the new planning system which will come into effect for the District of Streaky Bay in late 2019.

ENVIRONMENTAL MANAGEMENT

Great Australian Bight Drilling – Council Position

Council voted at a Special Meeting on Friday 15 March 2019 to have no position in regards to calling for a moratorium to drilling in the Great Australian Bight. The Acting Chief Executive Officer has sent a letter to both NOPSEMA and Equinor advising them of this position. Letters regarding Council's position and including the previously received petition and supporting letters against drilling in the Bight were also sent to Mr Peter Treloar and the Honourable David Ridgway.

HEALTH MANAGEMENT

Spark For Life – International Master Course – Request for Funding – Streaky Bay Hospital

A request for co-funding to assist a staff member of the Streaky Bay Hospital to attend the spark for life master training course in Perth was received and considered by Council at the March 2019 meeting. The Course will enable the staff member to provide support to dementia sufferers through both the health system and through community groups. Council resolved at the meeting to seek further information prior to making a decision.

FREE HARD WASTE DISPOSAL WEEK

Monday 15 April to Monday 22 April 2019

(Please Note: Transfer Station will be closed on Good Friday 19th April)
(Also Note: Monday 22nd April will be included in the free hard waste disposal week)

Take your hard waste during this week to the Streaky Bay Waste Transfer Station or the Cunga Landfill Site for **FREE** disposal.

Maximum Amount—One cubic metre (about a 6x4 trailer filled to the level of normal height sides)

Opening times at these sites for the hard waste disposal week are as below:-

Streaky Bay Waste Transfer Station

- MONDAY - 9.00am - 10.30am
- TUESDAY - 9.00am - 10.30am and 3.30pm - 4.30pm
- WEDNESDAY - CLOSED
- THURSDAY - 9.00am - 10.30am
- FRIDAY—CLOSED BEING GOOD FRIDAY
- SATURDAY - 9.00am - 1.00pm
- SUNDAY - 1.00pm - 5.00pm
- MONDAY - 9.00am - 10.30am

Cunga Landfill Site

- MONDAY - 12.30pm - 1.30pm
- TUESDAY - 12.30pm - 1.30pm
- WEDNESDAY - CLOSED
- THURSDAY - 12.30pm - 1.30pm
- FRIDAY - CLOSED
- SATURDAY - CLOSED
- SUNDAY - 10.30am - 2.30pm
- MONDAY - 12.30pm - 1.30pm

If you require assistance transporting your waste to either site, please call the District Services Department to discuss alternate options on (08) 8626 1001.

Please Note:-

- Green Waste, Steel and Car Batteries are free to deliver to both sites at any time throughout the 2018/2019 financial year
- Businesses are also entitled to and encouraged to participate in this hard waste disposal week (the same disposal amounts and conditions apply to those of households)

HOSPITAL AUXILIARY

Good attendance for our small group much discussion on aged care and dementia care which is a hot topic at the moment. Concern also that media in many cases not giving a balanced point of view on the care given in many of our facilities. Our small country homes and care places have the benefit of continuity and familiarity of staff and often the other residents and their visitors are also familiar so there are shared memories for all.

Elmhaven is in need of some support for outdoor areas ect especially after the pergola is erected so if you or a group have a few hours to spend once a fortnight as our volunteer group at the hospital, please contact Gay at Elmhaven, it can be a rewarding experience.

Chairs in dementia care area and the hope for funding for a full time carer down that end was discussed, hopefully Chris will be able to attend our next meeting and inform of us of the outcome of the many meetings she has been attending which relate to these areas.

It has been a difficult time for maintaining lawn areas as the system is old and in need of replacing. Brock and Chris to discuss how and at what cost this will be.

A Mother's Day raffle will be held on May 3rd and we are always appreciative to the community for its support on these days we try for 3 a year. Also a big thankyou to the Bowls club for holding an Elmhaven/Hospital night last week - a cheque for \$600 was presented to our Auxiliary.

Bronwyn Hull will be our guest speaker at the meeting on the 8th of April - she is one of our community reps on Mid West Committees.

Next meeting April 8th 2pm at the hospital boardroom.

INDOOR BOWLS

Two new players, Marlene Ettridge and Bev O'Brien are now members of the Streaky Bay Indoor Bowls Club. In March also a welcome extended to returning member Roz and to visitor Denise.

The scene at these Wednesday afternoon indoor bowls may appear chaotic to any new player but rest assured everyone is happy.

The month of March brought birthday celebrations for Owen, Bev W, Murray, Don, Gay, Jim P, Lorraine and a late happy birthday for Bill. Although a few recipients were absent there were cakes and best wishes for all.

Don especially celebrated a few days before his actual date by winning all 3 games on March 20th with team members Sharon, Roger and Maria. He has been a prolific winner over the past weeks and certainly was the inform skipper on that day by never failing to score just at the right time.

April heralds the end of daylight saving time and brings early thoughts of the AGM. Any member wishing to present a proposal for discussion should give details in writing to secretary Wayne well before the appointed meeting date.

Community News

PROBUS REPORT

March 19th was a busy day for members of the Probus Club of Streaky Bay & Districts. This was the day they conducted both the March monthly and the Annual General Meeting of the Club before enjoy a delicious birthday morning tea followed by the great enjoyment of being entertained with music we all love – delivered to us via Cactus Martens.

As usual Cactus was able to cater to many of the members personal song requests and lots of toes were seen to tap. Foundation member, Jim Clark had the honour of cutting the birthday cake this year – the club's 16th year.

President Jan Patterson welcomed 22 members to our meeting and we accepted 9 apologies before birthday greetings for the month were extended to Murray Cook, Don Miller and Margaret Kelsh.

The minutes of the February 2019 meeting were read and accepted on a motion of Zita Chester and seconded by Heather Carey and carried before nomination forms for the AGM were accepted.

Following the monthly meeting the AGM proceeded and resulted in the following election of office bearers for the 2019 year - President: H. Carey, V/President: P Eylward, Secretary: R Brewster and Treasurer: S Petty.

With our enthusiastic new Management Committee we look forward to a busy year of fun, games, good guest speakers and great companionship.

MENS SHED

Firstly the shed would like to thank the Op shop for the recent monetary donation. This was much appreciated by us all.

The shed has now completed a couple of projects which was to make some domino holders, and a pallet bar for the races. The feedback from these projects was great.

We have also received a letter from the Dragon Boat Club thanking us for making the paddles for prizes at their recent regatta held in February. It is a good feeling knowing that your efforts are appreciated.

The shed has had some new faces in recent weeks. Jim Clarke has been coming and has helped the regulars with the sanding and painting of the domino holders, making card holders for Elm haven card day. Thanks Jim.

We also welcomed Liam Golley who came to help for the first time on the 28th of April. His help was appreciated by us all. We would like to see more of the younger members of the community in the future. The shed also had John Allan from Elmhaven return to lend a hand, which is pleasing to see.

As was reported in the last issue of the criterion we are still collecting old Men's and Women's glasses. These can be dropped of at the Op shop. They will be sent to Port Lincoln to Lions International for Sight.

Our garden beds have now been completed thanks to Harold Daniels, Neil Endean and Bruce Hein and are now ready for planting.

The AGM will be held on the 15th April starting at 6.30pm in the Men's Shed in the old bowls clubrooms.

COUNTRY WOMEN'S ASSOCIATION

The March meeting was hosted by Sussan Bignell at her lovely home. A large table displayed a fair of scrumptious treats and another with members' floral arrangements and handicrafts. After sharing what we did and did not cheat at in class many years ago, the birthday song was sung and Dianna Hebbberman took to the floor to act out her young grandson's shearing techniques.

Business as usual was also attended to which included seeing Fay Kelsh hosting a floriculture workshop later in the year, Rae Brewster OAM submitting a letter to our State Office regarding Australia's Dairy Crisis, preparing for our stall at the Streaky Bay markets in April and collating ideas for our May tour.

Claire Collins attended the state handicraft workshops in Adelaide and brought those skills back to show a number of members and non-members on 26/3/2019 in Streaky Bay. The 2019 state handicrafts are Cathedral Patchwork, Candlewicking Coathanger and Tunisian Crochet. Kits are available for purchase so anyone interested, contacts are below.

5 Ways to Wellbeing

Have you ever wondered why the water running from your taps is safe to drink or the air from the air conditioner at the shopping centre is safe to breathe? Or who makes sure the food at your local café is safe to eat? Or why you should eat two serves of fruit and five serves of veg each day? Or the cycling and walking paths near your house got there? Or why you should do 30 minutes of exercise every day? Or why you should have a flu vaccine every year to protect yourself in winter?

The answer is: public health. Public health works behind the scenes to keep you safe and well. It's what we do every day.

It's now your chance to be involved and step towards healthy with five easy ways to wellbeing this Public Health Week.

Each day of Public Health Week 2019 focusses on one of the 5 Ways to Wellbeing:

- > Monday 8 April - Connect
- > Tuesday 9 April - Be Active
- > Wednesday 10 April - Keep Learning
- > Thursday 11 April - Take Notice
- > Friday 12 April - Give

Why not try each one during Public Health Week and challenge your friends to do the same? It's as easy as meeting someone new or catching up for coffee with someone; going for a walk in your local park or playing games in the backyard with the kids; researching something you've always wondered about or signing up for a class; stopping to take a moment or listening to the sound of the birds; and giving your time to help a neighbour or volunteering at your local council or club. Give it a go!

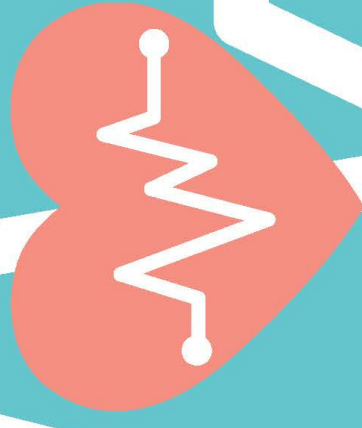

If every person in our community took steps toward healthy, a ripple effect would be created and together we could improve the overall health of South Australia. If you want to find out more, you can visit www.sahealth.sa.gov.au/protectingpublichealth.

Public Health Week starts on Monday 8 April and will finish on Friday 12 April 2019, but events will continue to showcase public health in the community throughout April.

Anatomy of a Book

with Jennifer Mills

Do you have an idea for a novel, but don't know where to begin? Started to write, and stalled because you can't see how to proceed?

This 3 hour workshop with one of Australia's finest fiction writers will help you learn the practical skills you need in the early stages of a book: approaching that daunting first draft, developing voice and character, understanding structure and planning, and making your writing practice sustainable.

Long Table Lunch on the Bay

We have all done it at some time in our lives, extended our table at lunch time to accommodate more than 8 people. Be it for a family celebration, or during the festive season. We've created a long table lunch. Dining with great food and wine is a wonderful way to bring a family or a community together, and can be spectacular if held in an amazing location with some top-notch table styling. That's exactly what is going to happen later this month, when the Streaky Bay Jetty Platform transforms into a 'Long Table Lunch on the Bay'.

Streaky Bay Tourist Promotions (SBTP) have partnered with the National Wine Centre of Australia (NWC) to host an event that honours our local farmers, fishing community and apiarists. Showcasing not only our quality seafood, but our wheat, barley, lamb, beef and honey.

Trudy McGowan, Vice President of SBTP and co-ordinator of the Long Table Lunch stated: "This lunch is a fabulous way to promote our regions seafood, meat, grain and honey. Our local suppliers and sponsors have gone out of their way to assist us pull this all together. Providing quality delicious produce that is unique to our region, such as abalone and razor fish. We've sourced our tables and crockery locally, employing locals to serve on the day, and have engaged local expertise to decorate the tables with abalone shell. This is a true community event with strong community engagement."

Steven Clark, Head Chef of the NWC, has created an exquisite menu and NWC Sommelier James Boden has paired each dish beautifully with local and South Australian wines.

The Menu:

On Arrival

Oyster with Finger Lime Ponzu
Deviation Road Loftia Sparkling Chardonnay Pinot Noir Adelaide Hills, SA
Peter Teakle Estate Riesling Port Lincoln, SA

Starter

Abalone, Sea Urchin Custard, Cucumber, Apple
Wines By KT Vermentino Clare Valley, SA

Entree

Beef Short Rib, Potatoe, Razor Fish, Abalone Butter
Redman Cabernet Sauvignon Coonawarra, SA

Main Course

Braised and Roasted Lamb, Butternut, Eggplant, Salt Bush
Schwarz Wine Co. Nitschke Block Shiraz Barossa Valley, SA
Boston Bay Shiraz Port Lincoln, SA

Dessert

Honey Panna Cotta, Frekkeh Granola, Quandong Marmalade.
Heggies Vineyard Botrytis Riesling Eden Valley, SA

Every ticket sold for the Long Table Lunch goes into the draw to win a beautiful single cultured pearl necklace valued at \$179.

Having the NWC involvement assists SBTP to promote the produce and the region to a different demographic. By the chefs visiting and experiencing Streaky Bay they can firsthand experience the pristine coastline and meet the producers and that's a wonderful way to market all that our region has to offer. The Long Table Lunch will assist SBTP in the transition to joining the 'Tasting Australia' program, the nation's premium wine and food festival that is marketed globally.

Tickets are only \$129 per person and are available through Elders Real Estate Bay Road Streaky Bay or jump on line to: www.eventtixx.com.au/streakybaylongtablelunch

Event Details:

Long Table Lunch 28th April 2019 Noon to 5pm Jetty Platform.

Many thanks to our Sponsors:

Abandoned Cats and Kittens

If you are no longer able to care for your cat or kittens, or your cat has an unexpected litter that you cannot care for please be in contact with Council Officers. At no point should you dump or abandon your cat or kittens.

To prevent the abandonment or dumping of unwanted litters Council Officers will accept surrendered cats and kittens at no charge.

This can be done by ringing the Council on 0886261001 and organise collection via Council's General Inspector.

Council staff will endeavour to re-home suitable, healthy surrendered animals via animal rescue groups such as the RSPCA shelter in Port Lincoln.

CAT TRAPS FOR HIRE

Council provides cat traps for hire, as per its Animal Management plan.

For further information contact Rodney Heath at the Council Main Office on 0886261001

COMFORT AND COOKING FIRES

People can have a fire for comfort and cooking purposes as long as it is:

- ⇒ Not a total fire ban day,
- ⇒ Is within a fire pit at least 20 cm deep,
- ⇒ Has a 4 metre clearance around the fire,
- ⇒ Is smaller than 1 m²,
- ⇒ A person is always in attendance until the fire is totally extinguished,
- ⇒ An appropriate agent to extinguish the fire is on hand.

Local Annual Camping Permits

\$20/year

Available at the
Visitor Centre
Monday to Friday
9-5pm
8626 7033

Microchipping – It's Compulsory

From the 1st of July 2018 it became compulsory for all dogs and cats to be microchipped. This includes working dogs and all cats and dogs over the age of 3 months.

Microchips assist in returning your pet as quickly as possible and limit the number of impounded animals.

If your dog or cat is found to be not microchipped you will be subject to an expiation fee of \$170.00.

Veterinarians regularly visit Streaky Bay, and there are Council employees as well as numerous trained microchip implanters throughout the district that can provide this service.

For further details contact
Rodney Heath at the
Council Main Office on
08 8626 1001.

New Dog By-Laws

The new by-laws require any person with a dog in their care and control in a public place to carry a bag or other suitable container for the collection and disposal of their dog faeces.

If you are found to be without a bag or container while you have your animal in a public place you could be liable to a \$100.00 expiation fee.

Let's keep our district and public areas clean and free of disease.

Barking Dogs

Why do dogs bark?

Most dogs make noise at some time as a way of communicating. They can be expressing excitement, boredom, stress, anxiety or defence of territory. Barking, whining and howling can be incredibly distressing for owners and their neighbours.

How can I reduce my dogs barking?

You may have noticed your dog makes excessive noise or someone has notified you. An open approach is most helpful in resolving any problems.

Firstly try to establish what is causing your dog to bark. There may be a number of causes. Here are some of the most common reasons:

- Boredom
- Anxiety
- Disturbances
- Discomfort
- Excitement
- Attention seeking

You may require a professional opinion. You can discuss any concerns with your local council animal management officer, veterinarian or seek the services of an animal behaviourist.

Once you have determined the cause, you need to commit to a strategy. This will most likely require a modification to your behaviour too. You may need to interact with your dog more, provide additional comfort, provide mental stimulation activities and toys, attend dog obedience classes, socialise your dog, attend to any medical issues and develop your understanding of dog behaviour and body language. It is important to be consistent and to reward positive behaviour.

If the problem stems from scheduled disturbances, such as end of the school day or mail delivery, you may find relocating your dog for these times resolves the problem. If there is a reoccurring disturbance caused by a neighbour, have an open conversation with them about possible forewarning to prevent your dog from creating a nuisance to others or socialisation with the neighbour so the dog doesn't feel as defensive.

If your dog is home alone most of the day, you may want to enlist a friend or family member that can visit the dog and give them some attention while you are

not there or if your dog is friends with your neighbour's dog, let them spend the day together. There are also many 'doggy day care' and professional dog walkers who can help to relieve the boredom of a backyard for your dog. A radio set to a talkback station can also relieve the anxiety of some lonely dogs.

Some dogs will also bark because they miss you, their main care giver, and are stressed. This is called separation anxiety. If you think that your dog may be suffering from separation anxiety, you can create an area where the dog likes to be, and feels safe without you. It could be the dog's kennel, a crate, or a small enclosed area in a laundry or shed. It is important that your dog has access to this area when you are away so that they go there in times of stress. You should feed the dog in this area and encourage them to sleep there so that the dog builds a positive association. You can also increase their resilience to your absence by leaving your dog for short periods of time (5-10 minutes) throughout the day (e.g the weekend). This will help your dog to understand that when you leave you come back and it will make you leaving and returning a normal and predictable part of their day. Further advice can be sought from your veterinary surgeon or a dog behaviourist.

Ask your neighbours for help. Discuss ways that they can support you work towards this behaviour change. Note: The use of electric shock training methods, including shock collars, is illegal in South Australia under the Animal Welfare Act.

What can I do about nuisance barking?

Barking is a natural behaviour for dogs and they are permitted to bark unless the barking is considered excessive.

If you are concerned about the level of noise a dog in your area is making, try to resolve the issue by speaking to the owner first. Many times dog owners are unaware their pet is causing a problem to their neighbours and are happy to put measures in place to reduce the barking when alerted to the issue and work with their neighbours.

If you approach them in a friendly manner you may be able to reach a solution quickly.

Barking Dogs (cont'd)

Conversely, there may be contributing factors that your neighbour may require your support in resolving, such as cats entering the property, provocation by others, startling loud noises, etc.

If the matter cannot be resolved directly with the dog's owner, you can make a formal complaint to Council who can investigate the matter with supporting evidence provided by you, the complainant.

What can council do about nuisance barking?

Each council has a procedure to respond to barking complaints.

In most instances when an official complaint has been received, the complainant will be asked to complete a seven day barking dog diary. Council will assess the

evidence of nuisance, and if applicable, approach the owner of the dog to assist in resolving the barking dog issue. The complainant will be asked to submit another seven day barking dog diary. This procedure may vary council to council.

If the dog continues to create a noise which persistently occurs or it unreasonably interferes with the peace, comfort or convenience of a person, the owner may be fined or have a Control (Barking Dog) Order placed on the dog, legally requiring them to take all reasonable steps to reduce the noise.

Unfortunately, it can take several months to resolve a problem in this way.

Community Development Grant Opportunities

Farm Hub

Farm Hub connects Australian farmers with services and support during tough times, such as drought. The newly released Farm Hub website was built by the national Farmers Federation as an online portal for information and resources for Farmers (both for business and individuals). The first release of the site is focussed on circulating drought information. Over the coming months, more information will be added about other farming initiatives and support. For further information visit <https://farmhub.org.au>

Strengthening Rural Communities—Small & Vital

The Strengthening Rural Communities (SRC) program aims to give the thousands of small rural, regional and remote communities across Australia an opportunity to apply for funding that can support broad community needs. The Small & Vital grants are all about meeting an immediate small scale need within a community, or for giving a boost to a larger initiative. Funds of up to \$10,000 are available.

For further information visit https://www.frrr.org.au/SRC_Small_Vital.php

Applications close Tuesday 25 June 2019

Foundation for Rural and Regional Renewal (FRRR) Grants

• Tackling Tough Times Together (TTTT)

The Tackling Tough Times Together grant program helps communities access the resources they need to support one another through the ongoing affects of drought. It is designed to provide flexible funding to support community-based activities that help to relieve current stressors and symptoms, and importantly, build capacity and resilience for the future.

For further information visit <http://www.frrr.org.au>

Round 13 applications close Tuesday 30 April 2019

Round 14 applications close Monday 8 July 2019

On-Farm Emergency Water Infrastructure Rebate Scheme

The Australian and SA Governments are offering a rebate to drought affected farmers who invest in urgently needed on-farm water infrastructure. Eligible farmers can access a 25% rebate – up to \$25,000 – on new purchases and installation costs for on-farm water infrastructure to help them in the current drought and be better prepared for future dry conditions.

For further information visit <http://www.pir.sa.gov.au>

SA Water Community Partnership Grants

SA Water's Community Partnerships Program is focussed on grassroots community events and programs run by not-for-profit organisations. The programs and events that we support have a clear link to water and our vision of delivering world class water services for a better life.

For further information visit <https://www.sawater.com.au/community-and-environment/community/sponsorship>

Applications close Sunday 19 May 2019

Managing Farm Risk Program

The program provides rebates for advice and assessments to help farmers prepare and apply for a new insurance policy that assists with the management of drought, adverse weather and other production and market risks. These one-off rebates will be for half of the costs incurred by eligible farm businesses, up to a maximum of \$2,500 (GST exclusive).

Club One has a small grants program to provide up to \$500 (more on merit) to Clubs to assist in small projects and activities. Typical allocations would be for first aid equipment, strips for a junior team, minor capital items and so forth. It is an important objective of the program that it is simple and accessible to applicants. Club One would also like details of the Club and its activities and will assess the application and fund on merit. **Contact Details:** T: (08) 8290 2200 E: admin@clubssa.com.au

W: www.clubssa.com.au

Local Sporting Champions

This program is designed to provide financial assistance of \$500 for young sportsmen and women aged 12-18 to be used towards the cost of travel, accommodation, uniforms or equipment when competing, coaching or officiating at an official national sporting organisation (NS)) endorsed state, national or international sporting championships, or a School Sport Australia state, national or international championships.

For further information visit: https://www.ausport.gov.au/ais/grants_and_funding/local_sporting_champions

Applications are ongoing

\$100 Sport Vouchers Program

The program is open for parents and carers who are now able to claim \$100 sport vouchers for their primary school aged children (Reception to year 7) to use towards the cost of sport club fees or memberships.

All forms of dance (cultural, artistic, street, etc.) are now included in the program.

Clubs wishing to register for the program and parents or guardians wanting to find a participating club in their area should go to www.sportsvouchers.sa.gov.au

Sport 4 Everyone

The Australian Sports Foundation funds projects and activities that increase participation in grassroots and community sport through small grants. It provides grants of up to \$10,000 for projects and activities that will positively impact one or more of the four focus areas outlined below:-

- Increasing the number of women and girls in sport
- Physical activity—getting more kids more active
- Improving leadership and decision making through sport, and
- Diversity and inclusion—increasing participation among minority groups

For further information visit <https://www.sportsfoundation.org.au>

Applications close 22nd April 2019

2019 Community Heritage Grants

These grants provide up to \$15,000 to community organisations such as libraries, archives, museums, genealogical and historical societies, multicultural and Indigenous groups to assist with the preservation of locally owned, but nationally significant collections of materials that are publicly accessible including artefacts, letters, diaries, maps, photographs and audio visual material.

For further information visit <https://www.nla.gov.au/awards-and-grants.chq>

Applications close Monday 6 May 2019

Community Development Grant Opportunities

National Landcare Programme—Smart Farming Partnerships Round 2

The purpose of Smart Farming Partnerships is to foster sustainable natural resource management innovation. Smart Farming Partnerships deliver against the Australian Government's policy of using innovation to cultivate more sustainable, productive and profitable agriculture, forestry, fishing and aquaculture industries, protect Australia's biodiversity, protect and improve the condition of natural resources (in particular on-farm soils, water and vegetation) and assist Australia to meet its national and international obligations.

For further information visit <https://communitygrants.gov.au/grants/national-landcare-program-smart-farming-partnerships-round-2>

Applications close Friday 17 May 2019

Dreams for a Better World Community Grants Round one—Better Living

Sunsuper's community grants are here to give you the leg up and helping hand to make your dream a reality. If your not-for-profit organisation or community group dreams of helping to create brighter futures for Australians and needs funding we want to hear from you. Apply to receive up to \$50,000 in community grants.

For further information go to <https://www.dreamsforabetterworld.com.au/community-grants>

Applications for Round One close Saturday 13 April 2019

Heywire Youth Innovation Grant

Not for profit community based organisations in rural, regional and remote Australia can adopt and act on one of the seven innovative Heywire project ideas. \$100,000 is up for offer this year and communities selected to pilot the programs will implement their projects in the next 12 months from September 2019.

For further information visit <https://www.frrr.org.au/grants/Heywire-youth-innovation>

Applications close Tuesday 14 May 2019

AMP Tomorrow Fund

This fund is for amazing Australians doing great things in their communities who work in a diverse range of fields including, artists, athletes, social innovators, scientists, educators, disability advocates, technologists, filmmakers, fashion designers, medical researchers and musicians. CAROL J PROPELLOR STOLEN!

Council is actively seeking the return of the propeller stolen from the Carol J boat located at the Streaky Bay Transfer Station. The boat and/or propeller is currently being negotiated for re-purpose and the propeller was to be used as part of a nature play project for Council.

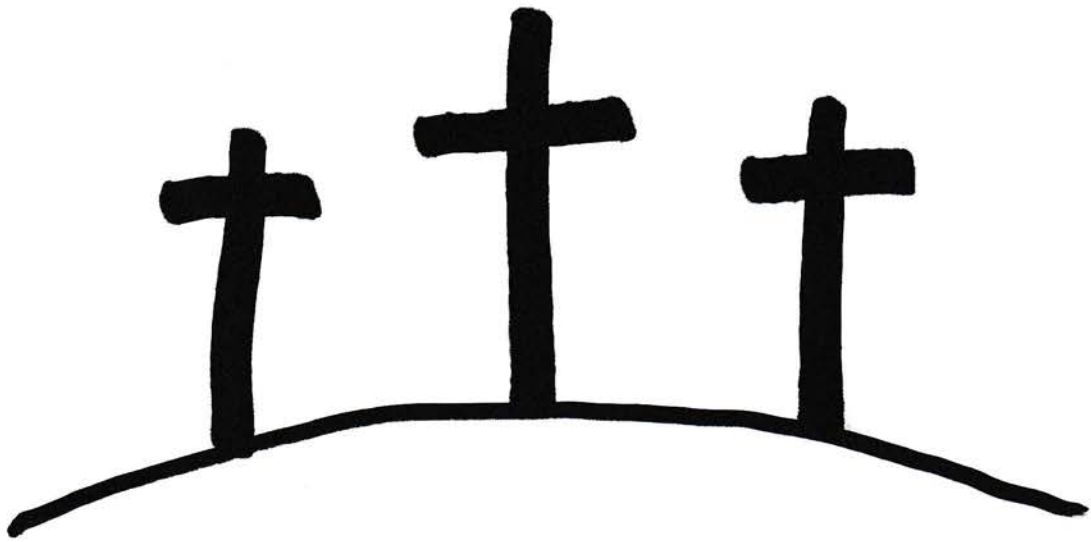

This item will be difficult and costly to replace, not including its historical value.

We ask that if you have information or you have the item, please return by either;

- Return to the Council Depot
- Return to the Waste Transfer Station

There will be no questions asked upon its return, Council simply would like the item back.

Please call Penny 08 8626 7033 if you have any information.

Which of the two criminals
crucified alongside Jesus
represents your attitude to
Gods Son

one was in denial
the other
recognised Jesus
as Gods promised Messiah

Criterion (Monthly Publication)

Advertising Prospectus 2018/19

Are you looking to promote your business, whether it be a new venture or an established one?

The Criterion Newsletter is a great way to increase your business profile within the local district. With a variety of advertising opportunities available, including various size options and competitive rates to suit your individual requirements and multiple month discounts, it will ensure your business attracts the exposure with a distribution of 500 copies.
