## INFRASTRUCTURE

### Pioneer Park Development

Demolition on site has been completed and all of the procurement of the materials has been undertaken. The surveyor has mark out and peg the site for leveling. Installation of concrete paths is nearing completion, toilet installation has commenced, laying of all services including electrical, water, and irrigation has commenced. Majority of the nature play rocks and log have been sourced and installation of rocks has started. Preparation of the logs has commenced off-site.

### Town Entrance Statements

The concrete footings have been poured for the town entrance statements. It is envisaged that the project should be completed by mid to late December this year.

### Youth Precinct

The major construction work for the site has been completed and the public able to use the facility. The toilets have been delivered and construction of the toilets has commenced. SA Power Networks have advised that they are unable to schedule electrical connection until December 2023. All the works required with this facility will require further trenching works to the Montgomerie Terrace side of the facility. Following the installation of the toilets, there will be further works to be undertaken including connection of footpaths, bollards, and further tree planting.

In addition to this due to the safety concerns raised and incident occurring at the front ramp of the Skate Park area, a handrail and screening will be installed to stop loose equipment coming off that section. Council Officers have spoken to the Skate Park construction company, and they advised that under the relevant standards this section did not require balustrading which was why it was not within the design concept. However, they have provided us with a manufacturer, and we will be arranging for purchase and delivery of this to avoid future incidents. This cost is outside of the budget scope however will be implemented as necessary due to the public safety risk.

### Haslam Jetty

Engineers have been onsite to undertake the assessment of the Haslam Jetty, the assessment will guide the work and budget Council requires to undertake the restoration of the jetty. Inspections were undertaken on 15th & 16th November, Council is currently awaiting the outcome of those inspections.

### CCTV Cameras at Foreshore Toilet

There had been ongoing incidences of vandalism in a around the foreshore toilets over the past 6-9 months. A budget variation was endorsed by Council in Septembers Council Meeting to for the installation of CCTV cameras at the foreshore toilets. The CCTV camera location provides coverage of the entry to the toilets and the surrounding area. The system provided allow for connection of an additional 15 cameras (with 10km of the council building).

### Speed Limit Back Beach Road

Council received and considered a report following feedback from the Department of Infrastructure and Transport relating to the reduction of the speed limit on Back Beach Road from 100kmh to 80kmh. The Department is responsible for setting of all speed limits across the state of South Australia including those roads under the care and control of Council's. Officers from the Department recently came out and undertook an audit of speed limits and signage and identified that Back Beach Road under current speed limit guidelines, should be 100kmh. Council considered options provided by the Department which included a full traffic impact statement being completed to demonstrate the requirement for reducing the speed limit however, endorsed for the speed limit to remain at 100kmh.

### State Bicycle Fund

Council applied for funding under the State Bicycle Fund to design to "shovel ready" a shared use path that will connect East Terrace to AB Smith Road, running along Montgomerie Terrace. Council were successful in gaining this funding and Council endorsed the signing of the Agreement at the November meeting of Council. This planning will commence in early 2024.

## ECONOMIC DEVELOPMENT / TOURISM

### Kiosk - Expression of Interest

The Council has recently purchased the building as this was previously owned by an external party and Council is seeking Expressions of Interest from interested parties in taking on the operations of this hospitality business. The EOI registrations will close on the 5th December 2023.

### The Wild Side – EP Monopoly

This project has been very successful and well received by the whole Eyre Peninsula. Currently we have 44 monopoly board games left in stock.

### Murphy's Haystacks

The development approval has been approved and the shelter is due to arrive mid-October 2023. The builder has been contacted and awaiting final quote.

# Council News

## RAA Electric Vehicle Charge Network

The charging stations have been completed, there is also now a slow speed charging station installed at the Streaky Bay Hotel for their clients. This project was entirely funded by the RAA with State Government Funding.

## Visitor Centre Future Use Report

In September Council considered a report, following the completion of a Community survey on potential future use of the Visitor Centre Front Room following the relocation of the Council Chambers back to its original location within the Council Principal Office. Council endorsed Council Officers to further investigate the costs and operational model for turning the old Council Chambers into multi-purpose space to support art and history exhibitions, community meetings, practitioners, multi-purpose space and youth activities as identified in the community's most preferred use for this space. The proposed operational model and costings to be reported back to Council for consideration.

## SUSTAINABILITY

### Eyre's Waterhole Overnight Camping

Council Officers met with representatives of the Department for Infrastructure and Transport and discussed this matter. The outcome of this meeting was that both parties agreed that the location would no longer be considered a requirement for an overnight rest stop and the Department representatives would investigate a collaborative approach to cease overnight camping at the location and focus on the location as a visitation attraction as preference to overnight camping.

This process has commenced and Council along with the department are working through the required process including signage for the site.

### Perlubie Beach Camping

New pine posts installed as a more permanent fixture for the campground site signage at Perlubie Beach.

### Surfers Beach Carpark and Staircase

Council considered a report at the October 2023 ordinary meeting of Council regarding a proposal from Crown Lands to dispose of a portion of the land on which the surfers beach carpark and staircase reside on to the Council. The Council considered this proposal noting that it would increase Council's operational costs through asset acquisition, increased maintenance costs and depreciation, however considered the economic and social value of the asset needed to be maintained for the future. This process of transfer is now continuing.

## Stormwater Management Plan Development

The first round of Community Consultation sessions and on-site visits were held in mid-September along with a face-to-face Councillor workshop.

There has been an identification of missed LidAR mapping data when this was undertaken which diminishes the accuracy of modelling for the South Eastern corner of the township. Council Officers have organised for this now to be undertaken, this will cause slight delays with the development of the Draft Plan, however will ensure increased accuracy with modelling for that section of the township.

## Speed Limits on Council Beaches

This review has been completed. A reduced speed limit from the 100kmh speed limit received an overwhelming response to reduce the speed limit to a default speed of 40kmh and 25kmh when passing or within 100m of a pedestrian. This was also supported by key stakeholders including National Parks and Wildlife and SA Coastal Councils Alliance.

This has now been endorsed and Council Officers will be installing signage as required.

The Speed Limits on South Australians Beaches Community Engagement Outcomes Report can be viewed at [https://yoursay.sa.gov.au/speed-limits-on-beaches/news\\_feed/consultation-report](https://yoursay.sa.gov.au/speed-limits-on-beaches/news_feed/consultation-report)

## Waste Management Strategy

Council Officers and Rawtec Consultants have undertaken a number of site visits, data collection, community survey and Councillor workshop to discuss future options for Councils Waste Services. A report was presented to the October 2023 meeting of Council where Council endorsed that options report. The preferred options are now being developed into a Draft Strategy that is due for release to Council at the end of November 2023.

## COMMUNITY DEVELOPMENT

### Local Drug and Alcohol – Community Action Plan

Friday 13 Movie Night – On October 13th, Council hosted a Free Youth Movie Marathon Night. There was an impressive attendance of over 50 kids to see the first movie screening of Coraline, followed by the throwback classic Freaky Friday to help entertain the parents and lastly, some older Streaky Bay Youth enjoyed Happy Death Day.

### Circobats Workshops –

The CircoBats Community Circus visited Streaky Bay and offered 2 days of youth circus workshops to the community. More than 100 children, aged from 3 years old and up, participated in the workshops over the 2 days. The workshop attendees had the chance to explore and develop their circus skills, such as tumbling, aerial silks, lyra, hula hoops, flower sticks, plate spinning, mini trampoline, juggling, and trapeze. The response from both parents and the children who took part in the workshops was very positive.

### Encounter Youth Drug and Alcohol Awareness Session

– On the 6 and 7th of November Encounter Youth delivered workshops to the Streaky Bay Area School year 7, 8, 9 & 10 students on Alcohol and Other Drug awareness with a additional section focused on vaping, on Monday night there was also a Community session open for parents to attend. Encounter Youth will be presenting to the Karcultaby and Miltaburra schools with community sessions also being hosted in Wirrulla and Poochera, will be organized in the new year.

### SA Youth Week Grants Program

Council Officers have applied to the SA youth week grants program for youth activities including art workshops and laser tag to be delivered in March 2024.

### Australia Day Awards

The nominations for the Australia Day Awards have now closed. The number of nominations received has exceeded those of previous years and Council Officers along with the selection committee will soon begin the assessment process.

### Streaky Bay and District Medical Clinic – Current State Review

Council has supported and facilitated a current state review to be undertaken of the Streaky Bay and District Medical Clinic. This project has commenced, with a desktop background review, extensive interviews (both external and internal stakeholders) and an onsite 3 day visit has been completed. The draft review is expected to be received by mid December 2023. The outcomes of the review are aimed to provide the Board/Council with an overview of the current state of the clinic, future opportunities and an insight into if the current Incorporated Association model is the right model for the community.

### Recruitment and Attraction Short Video Development

Council have endorsed the development of a short video for the primary purpose of health care professional attraction, however the video will be generalised for the use by other organisations, this is envisaged to be completed by early 2024.

### Embracing Diversity in Our Community

I wanted to take a moment to discuss a recent event that holds significance for our community—the Citizenship Ceremony. This ceremony marked the inclusion of new members into our community, a process that reinforces the principles of diversity and acceptance.

The event underlines the importance of recognizing and incorporating individuals from various backgrounds into our community fabric. The ceremony serves as a reminder of the value we place on fostering an inclusive environment. It signifies a commitment to acknowledging and respecting the differences that contribute to the overall strength of our community.

As we witnessed individuals from diverse origins join our community, it was a clear demonstration that our collective identity is strengthened by the presence of people with varied experiences and perspectives. This diversity enriches the tapestry of our community, adding depth to our shared narrative.

In the spirit of this event, I encourage residents to extend a welcoming hand to our new citizens. Building connections and fostering a sense of community is a shared responsibility. Let us continue to be a place where everyone, regardless of their background, feels a sense of belonging.

Whilst administrative in nature, the Citizenship Ceremony is a symbolic representation of our commitment to unity. It emphasizes the practical aspects of embracing diversity and encourages an environment where individuals from all walks of life can contribute meaningfully to the community.

As we move forward, let us consider this event as a starting point for further initiatives that promote understanding and unity. Our community stands to benefit from the collective strength that emerges when diverse perspectives are valued and integrated into our shared vision for the future.

Thank you for your ongoing support and commitment to making our community a place where everyone can thrive.

# MEDIA RELEASE

19 November 2023

FOR IMMEDIATE RELEASE:

## **District Council of Streaky Bay and Wellbeing SA Secure Grant Funding for Wellbeing Hub Project**

The District Council of Streaky Bay is pleased to announce that it has secured a grant of \$50,000 (ex GST) from Wellbeing SA to support the further development of the business case for a Business, Community, and Health (Wellbeing) Hub in Streaky Bay. The grant will be utilized to conduct a comprehensive feasibility analysis and conceptualization of the Wellbeing Hub, fostering collaboration between the District Council and Wellbeing SA.

The initiative stems from a series of meetings, including the State Government's "Seat at the Table" forum in Adelaide earlier this year, where the General Manager, Prosperity, and Community Development Supervisor engaged with stakeholders in the State Government's Health and Wellbeing Sector, including Wellbeing SA.

Following these discussions, the District Council of Streaky Bay initiated talks with Wellbeing SA to explore potential programs and support for community wellbeing. It was during these discussions that Wellbeing SA proposed grant funding to assist the District Council in identifying and planning programs that align with community wellbeing needs.

The grant's primary objective is to provide seed funding for the further development of the business case for a Business, Community, and Health (Wellbeing) Hub in Streaky Bay. This will include a comprehensive feasibility analysis and conceptualization of the Wellbeing Hub. The concept will incorporate physical, social, and mental wellbeing, fostering a collaborative approach between Wellbeing SA and the District Council of Streaky Bay.

Key deliverables of the grant include:

- Allocation of project resources for project scoping and planning.
- Targeted community and stakeholder consultation to develop a Wellbeing Hub model.
- Delivery of a services feasibility analysis for the Wellbeing Hub.
- Development of a Wellbeing Hub Concept Plan outlining purpose, priorities, operating model, and target population groups.
- High-level Implementation Plan, outlining key initiatives and timeframes.
- The co-investment from the District Council of Streaky Bay for this project is estimated at \$15,000 (in-kind), covering support and leadership, community engagement, administrative support, building hire, advertising, and grant administration.

A Streaky Bay Wellbeing Hub Operational Governance Group will oversee planning, engagement, and consultation. This group will include senior officers from the District Council of Streaky Bay and Wellbeing SA.

"In line with our dedication to enhancing community wellbeing and cultivating a positive and healthy lifestyle for our residents, the potential establishment of the Streaky Bay Wellbeing Hub is under consideration. Understanding the initial misunderstandings surrounding the project, Council acknowledges that its successful realization would require substantial investment from various government levels. Consequently, we are fully committed to conducting a thorough investigation into the project's feasibility to ensure the community will receive optimal value in the project if delivered". Mayor Travis of the District Council of Streaky Bay emphasized, "This marks the next crucial step in our pursuit of this endeavor and Council expresses gratitude for the support and collaboration received from Wellbeing SA in bringing this significant initiative to fruition."

The project is set to run until July 30, 2024, with a portion of the grant allocated to fund a project officer for 1-2 days per week during this period.

-ends-

# PUBLIC NOTICE

## Short Term Dry Area - New Year's Eve/New Year's Day Saturday 31 December 2023 and Sunday 1 January 2024

Notice is hereby given that a Short Term Dry Area will be applied during the following period:  
6:00pm on Saturday, 31 December 2023 to 8:00am on Sunday 1 January 2024.

The possession and consumption of liquor is prohibited in public areas (excluding licensed premises and privately owned land) in the designated area within Streaky Bay during this period as shown in the map below.

The area includes the whole of any jetty, boat ramp, slipway or other structures that projects below the low water mark from within the area described (as well as any area beneath such a structure).

Also the possession and consumption of liquor is prohibited in public areas (excluding licensed premises and privately owned land) in the area commonly known as Little Islands car park comprising the whole of that part of the government road (the access road between Little Islands Road and the Little Islands car park) that lies between the north-eastern boundary of Lot 101 DP 70670 and the south-western boundary of Lot 102 DP 70670; and

The area at the north-western end of that part of the Government road (including the car park and other land) bounded on the south-east by the south-eastern boundary of Lot 104 DP 70670 from a point 140 metres south-west of the north-east of the south-western boundary of Lot 102 DP 70670 ("point B"), on the north-east by a straight line along the shortest route from point B to the low water mark of Blanche Port, on the north-west by the low water mark of Blanche Port and on the south-west by a straight line along the shortest route from the low water mark of Blanche Port to point A.

Damian Carter  
Chief Executive Officer

# PUBLIC NOTICE

## Revised Beach Speed Limits for Safety

As we gear up for summer, South Australian beaches will implement new speed limits for enhanced safety measures. Starting this season, a revised default speed limit of 40km/h will be in effect. Within 50m of pedestrians, the speed limit will be 25km/h unless otherwise specified.

Following a six-week educational period, amendments to the Road Traffic Act 1961 will come into force, introducing demerit point deductions and fines for speeding motorists on designated beach areas.

These changes are a direct result of the State Government's Road Safety Action Plan 2023-25, shaped by an extensive review of beach speed limits earlier this year. An overwhelming 80% of the public endorsed a reduced default speed limit, predominantly in favour of 40km/h, with 25km/h within 100m of pedestrians.

Extensive consultations involving SAPOL, the community, councils, and experts have led to a unanimous decision. The adjusted limit of 25km/h will be applicable specifically when motorists are within 50m of pedestrians.

Between 2017 and 2021, there were 29 reported beach crashes, resulting in one fatality, 15 serious injuries, and 13 minor injuries, with speed being a significant contributing factor.

We urge everyone to stay informed and drive responsibly for a safer and enjoyable beach experience.

# PUBLIC NOTICE

## Expressions of Interest - Park Kiosk

An exciting business opportunity is being made available for a food and beverage operator for our Park Kiosk. The District Council of Streaky Bay is seeking expressions of interest from individuals or businesses looking for an opportunity to contribute to our valued hospitality sector through the delivery of a quality, reliable food and beverage experience.

The Park Kiosk building is currently privately owned, and Council are in the process of taking ownership of this small café and seeking to work with a dynamic and innovative entrepreneur who will enhance and contribute to the provision of food services to our community and visitors.

Council is looking for an operator who will maintain a commitment to the no-frills, fast-food ethos and the use of locally sourced products that our kiosk is celebrated for, but also willing to investigate further opportunities to provide a diverse selection of culinary delights, and ensuring the in dining experience is family friendly and accessible to all.

The District Council of Streaky Bay is seeking Expressions of Interest from any interested party who would like to have the opportunity to lease the café known as the Park Kiosk located on the land occupied by the Streaky Bay Foreshore Tourist Park.

Information of the details relating to this exciting opportunity are included in our Expression of Interest summary documentation, which can be obtained from the Council Website. Expressions of interests are to include:

- Expression of Interest Application
- Referees

**Expressions of Interest registrations will be accepted up to Friday, 15th December 2023.**

To find out more information or to receive the application form please visit the Council Office or Council website [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au).

- Children 5 years and under must be accompanied by an adult in the water
- An adult must be at least 18 years old

## Overview

The Streaky Sounds Music Festival committee is thrilled to bring the region its second large-scale live music extravaganza, building upon the success of our inaugural festival in June 2023. Set to be a vibrant, inclusive, and family-friendly event which also offers a breakthrough platform for Australian artists. In collaboration with our major sponsors and key community stakeholders, the committee is excited to host this live music celebration.

### Key Objectives:

Our primary goals for Streaky Sounds Music Festival 2024 are as follows:

#### Attraction of Traveler's and Community Engagement:

- Generate increased foot traffic and attract a diverse range of visitors from outside the region to the festival, while providing the local community with a new and pride-worthy event.
- Foster a sense of community involvement and ownership, encouraging residents to participate and support the festival.
- Survey results from last year's event indicate that approximately 30% of festival attendees were from outside Streaky Bay, with 10% from beyond the Eyre Peninsula. The shift to March and the long weekend presents a golden opportunity for increased outreach.

#### Social and Economic Stimulation:

- Boost social and economic prosperity within the Streaky Bay community and the Upper Eyre Peninsula.
- Drive revenue for local vendors, accommodation providers, and other service-oriented businesses during and around the festival period.
- According to REMPLAN data from the previous event, the total direct and indirect expenditure in the town amounted to an impressive \$361,000, and with an increase in ticket numbers 2024 could see a direct impact of \$405,000 to the local community.
- Lay the groundwork for sustained economic growth by establishing the festival as an annual event. Encouraging repeat visits from festival-goers and establishing a positive economic cycle for the community.

#### Support for Local Businesses:

- Foster local business involvement and prosperity.
- Create temporary job opportunities, especially for event-related services, leading to increased income for local residents.
- Last year's event saw 15 local businesses participating as food vendors and entertainment providers, all reporting positive experiences and substantial profits for the day, with several vendors selling out.

By achieving these goals, the Streaky Sounds Music Festival aims to be a catalyst for positive economic impact, contributing to the well-being and sustainability of the local community and the broader region.

### Event Details:

- Venue: Streaky Bay and District Community Sporting Complex, Wells Street, Streaky Bay, South Australia 5680.
- Anticipated Audience: 1,500 patrons.

## Brand Exposure

A sponsorship relationship allows your organisation to maximise your business exposure throughout the region and the areas our advertising reaches across the State of South Australia. The sponsorship opportunities featured in this document will enable your organisation to make significant contribution towards supporting the local economy and the overall success of our events, whilst enjoying brand exposure in a unique environment.

## INDOOR BOWLS

If you believe indoor bowls is a boring game played by unimaginative participants the Streaky Bay club can prove you are mistaken.

On Wednesday 8/11 as part of the regular afternoon games, the club conducted post Melbourne Cup hat event.

All styles of hats/caps were worn - many provided by club president Bev White , photos were taken and players Geoff and Joylene wearing their original creations won the prize.

See photo

Another event worthy of mention was an “almost” 8 shot score on the last end in the last game played on 22/11. It took much deliberation and a careful measure to decide the end win was 7 shots not the ultimate 8.

Oh to be so close and fall short by the tiniest of margins. Another new member has joined the club, Paul Kristiansen who played in the winning team on 1/11.

Next major event for the club is the Christmas lunch on 13/12 in the Streaky Bay Hotel.

Over the Christmas New Year period the club usually goes into recess for a short time so check dates in the next Criterion.

Winning teams were:

Nov. 1 a draw = Marlene, Jim C., Raylene  
with = Cheryl, Roger, Paul

Nov. 8 = Bev W., Jim C., Joylene

Nov. 15 = Roger, Jim C., Cheryl

Nov. 22 = Shirley, Roger, Julie, Joylene/John

## CWA

November was our last official meeting for 2023, resuming in 2/24. Our November Roll Call was a fact about PNG. Info included the map, it has the third largest rainforest, 850 languages, varied cultures, world's most poisonous bird, largest “island”, 90M people, gained independence in 1975 and some cultural superstitions. We also had displays of various flags on various mediums, including a flag tattoo. T'was a lovely day to be educated! Our floral winners for the meet were Nicki & Rosemaree (single bloom) and Heather & Rosemaree (multiple bloom).

We have our Christmas shindig at Wirrulla Hotel on 12/12/23. We anticipate Ceduna & Wudinna members joining us as well. It's always a fun time with plenty of chat, laughter, games, food and pressies.

It is with a heavy heart that we say farewell to a much-loved and respected member, Alice Montgomerie, who passed away on 10/11/23 at the amazing age of 97 years. Alice was humble, yet we still saw her courageous, energetic, cheeky & charismatic personality shine through. RIP Alice - a baking & handicraft Queen.

New members always welcome.

General: Sharon 0400 622278

Handicraft: Alison 0417 854883

## MENS SHED

Our numbers have been up of late with visitors and other members that have been away for some time.

One visitor in Paul Kristiansen has bought a lot of knowledge to the shed. Although Paul has only been a couple of times he has showed us how to do things that we did not know previously. Thanks Paul.

Good to see Mick Le Cerf and John O'Brien back on deck after being away for some months.

We have been busy repairing some bar stools, making honour boards for the golf club, restoring some old furniture, and a rocking horse for different people.

On Friday the 17th November we had our master chef in Rob Fiebig make some steak and kidney pies for us.

The locum doctor and member in Clem Le Lievre dropped in during his lunch break to sample the pie. He gave the thumbs up.

Saturday the 18th November saw the Clem return to do some wood turning.

Thanks to Jim Petty our stocks at the craft shop have been replenished.

It was great to see one of our projects in the lectern being used by the RSL on remembrance day.

We have taken another 40 pairs of reading glasses to Port Lincoln for recycling. Any reading glasses you have that are not needed can be dropped off at the Men's Shed on Fridays.

The Men's shed will be doing a BBQ at the craft market on the 2nd of December. We will be doing sausages and onion and soft drinks.

We have also put our name in to do the NYE celebrations.

The Men's shed is always looking new members. If anyone out there is interested in joining the shed we are open each Friday between 9.00am and 3.30pm. We are located in the old bowls club at 69 Montgomerie Tce Streaky Bay.

Steak & Kidney pies

## STREAKY BAY PROBUS

We celebrated Probus Birthday month with 16 of us doing a trip to Pt Kenny Hotel for lunch and then a few rounds of Bingo at the Club. A few of our Club members were lucky enough to win. A big Thank you to the Pt Kenny Sports Club for letting us join in.

At this months meeting we had Monique Necic come to talk to us about SAGE her families luxury accommodation in Streaky Bay. Having everything you need for a holiday on hand. Monique also has a catering business called 'Handmade Catering and can cater for all of their guests requirements. She can also caters for weddings, special occasions and special weekends away.

It was a surprisingly wonderful insight into tourism and what's available around Streaky Bay. Sage has won several tourism's awards since they started 2019. Congratulations Sage.

This week we came together for another Happy Chat at Drift. Red was theme of today. Red clothing, jewellery, A 10 pound note, A grandmothers broach, a ruby ring and Photos were some of the items members bought.

## BLACK SEA DRAGONS - STREAKY BAY BRANCH

Pictured are Kerry & Frances, Jane, Sharon, Cliff & Pam and Elijah. All being members of the Streaky Bay branch of the Black Sea Dragons.

This picture was taken at Wallaroo last Saturday at the Wallaroo Dragon Boat regatta. All our members thoroughly enjoyed the exhilarating and somewhat exhausting racing experience.

Please note visitors and new members would be welcome, just give Glenette (0477966523) or Pam a call (0412825516) for info.

## STREAKY BAY SCOUT GROUP

### Calling new Scout Leaders for 2024

Are you looking for a rewarding local Community Volunteer Role in 2024 ?

Streaky Bay Scout Group is urgently seeking adult leaders to run both/either Joeys and Cubs in 2024. It would be devastating if in 2024 our important Community Youth group were to go into recess. Without Scout Leader/s, our vital Community Group simply cannot continue!

Our Joeys (6-8yrs) and Cubs (8-11yrs) kids have enjoyed many years of learning life skills, adventure, friendship, teamwork and fun camps. All whilst located at the best Scout Hall in SA, at the beautiful Slideys Beach.

For information about volunteer Leader opportunities please contact locally:

President: Shannon Bubner on 0428 272 041 or Secretary: Leah Bubner on 0419 991 360

### Please help support our local kids

Thanks to everyone who has worked with the Eyre Peninsula Landscape Board this year to help care for our land, water and biodiversity.

Our offices will be closed from midday on Friday Dec 22 until Tuesday January 4.

If you need to get in touch with us during work hours, our Streaky bay office number is 8626 1108. Contact details for our offices can be found here -

# SAVE THE FIREWORKS

## Support Needed to Sustain Beloved Fireworks Event in Streaky Bay

A beloved tradition in Streaky Bay, the annual fireworks event that has captured the hearts of both locals and visitors is facing uncertainty post-2023, and the community is being called upon for assistance. The Community Hotel Board took on the responsibility of organizing the event from 2020, after many years of organization from Trevor Gilmore and Rob Oswald. The hope was that the community's unwavering support would keep this cherished tradition alive. However, unfortunately, due to the lack of sponsorship and volunteer assistance, the sustainability of this event is in serious doubt.

For years, this event has been celebrated as the highlight of the local and visitor calendar, earning a reputation as the best fireworks display outside of Adelaide. It has become a cornerstone of Streaky Bay's New Year's celebrations, adding to the town's charm and significantly boosting local businesses' income while creating unforgettable memories for everyone.

The event comes at a cost of \$33,000 plus, which is essential to maintain its appeal and standing as an event. It's often misconstrued that the Hotel entirely covers this cost as it's a busy period for the business, but the reality is quite different. The Community Hotel Board is the driving force behind this event, completely separate from the operations of the Hotel and funds used to cover the event's financial shortfall come from the community, with funds being redirected from the Board's annual community grants program. This community grants program has, since the leasing of the hotel, generously contributed in excess of \$900k to support various community groups and events across the district. The Streaky Bay Hotel Motel sponsors the event like any other business.

### Your Support Matters

As we approach the crossroads for this beloved event, we're reaching out to our community and beyond for support. You can make a real difference by sponsoring the event and ensuring its future. Your sponsorship will help maintain this remarkable tradition that brings joy and economic benefits to our town.

### How to Make a Donation

To sponsor this event, or make a donation, please direct deposit to :

Name of account : Streaky Bay Community Hotels Ltd

ANZ BSB : 015436 Account Number : 2909 62442

Please include your name for recognition on the Sponsors List.

### Sponsorship Categories

Platinum \$1000 + / Gold \$500 + / Silver \$200 + / Bronze \$1 +.

All donations of any amount are greatly appreciated to our community's most valued celebration.

Your support will not only sustain this tradition but also strengthen the bonds of our community. Together, we can secure the future of the Streaky Bay Fireworks event, let's make this year's event the best one yet.

### The Future

Following this year's event the Streaky Bay Hotel Board will not be continuing in the role of organizing and fund raising. Should any individuals or groups be interested in managing this event for the future please contact Peter McEvoy, Chairman, Streaky Bay Community Hotels Ltd , Ph : 0417 277 773.

# New Years Eve Fireworks Sponsorship Prospectus

## Why Donate to Streaky Bay's New Year's Eve Fireworks?

### Community Unity:

By supporting the fireworks, you're helping bring people from all walks of life together for a shared experience that will create lasting memories.

### Business Exposure:

Your Business will be advertised weekly through the Streaky Bay Visitor Centre and Streaky Bay Hotel Facebook pages to show our appreciation. Boost brand recognition and enhances your reputation as a business committed to community engagement.

### Boosting Local Economy:

Your support plays a vital role in creating a festive atmosphere that attracts both locals and tourists alike, boosting local businesses and contributing to the economic growth

### Corporate Social Responsibility:

Demonstrating a commitment to community events showcases your business's dedication to corporate social responsibility. It strengthens your connection with the local community and enhances your reputation as a socially responsible business.

### Family-Friendly Entertainment:

The New Year's Eve fireworks provide a safe and enjoyable way for families to celebrate together. Your sponsorship helps ensure that families can enjoy a dazzling display of lights without any financial burden.

## Sponsorship Tiers

Bronze	Silver	Gold	Platinum
\$1 - \$200	\$201-\$500	\$501-\$1000	\$1001 +

We appreciate any donation you can spare, every bit helps.

Thank You

# STREAKY BAY RODEO

The Rodeo by the Sea has been hailed the best one hosted by Streaky Bay to date as a 2000+ strong crowd turned up to support the event. The best because there was something for everyone and a truly family oriented show. For many out-of-town attendees this was the first time they had been to Streaky Bay and the first time to a rodeo and they were delighted by the experience.

In good weather conditions the crowd were entertained by competitors that came from far North Queensland Moranbah, Northern Territory Alice Springs, NSW Tamworth, Victoria Dartmoor and country South Australia Bordertown including Eyre Peninsula Whyalla.

The Grand Parade was a sight to behold with the cowgirls riding into the arena on horseback carrying the Australian flag and flags of the sponsors. Local singer Bianca Coombs, affectionately known Bonkers, sung an acappella rendition of the National anthem to an upstanding crowd.

The event was action packed from start to finish. Bryce Dodd the announcer and Stephen Barber the Rodeo Clown aka Kelpie entertained and engaged with the enthusiastic audience. Give-aways were thrown into the crowd along with a lolly hunt on the arena was to the delight of many children. Bryce did a great job in explaining the rules and challenges of each event which was informative and interesting.

Of course, the real athletes were the bulls and broncs that put on a great show. A bareback horse called On & Off certainly lived up to his name when champion competitor Luke Higgins' chute opened and On & Of just stood there to the absolute amusement of the crowd. However, when Luke re-mounted and the chute reopened On & Off put on a fantastic show and Luke nailed the 8 second challenge achieving a score of 85 and taking home \$1,698 for his effort.

The big winner on the night was cowboy Riley Eade who won the Nutrien West Coast Ag Open Bull ride taking home \$5,440 courtesy of the bulls Dynamite and High Roller.

Children also enjoyed the amusements which had several jumping castles and a sideshow alley. Local vendors catered for the hungry crowd with a great array of fresh and delicious foods. Streaky Bay Distillers served up cocktails and mocktails along with the traditional bar facilities and an array of non-alcoholic beverages.

During the night Bianca entertained by singing songs that turned into a sing-a-long with the well behaved crowd that were happy to sing and dance the night away.

The Streaky Bay Hotel hosted a Meet & Greet evening on the Friday night to welcome the competitors and officials to town. 81 year old Ron Woodall who is a national rodeo champion in his own right was grilled about his career which started when he was 14 years old and took him to compete around Australia and then onto Canada and USA. Now the Woodall's are a multi-generational rodeo family with Ron's sons, daughter, and grandchildren actively involved in the sport. Ron was very impressed with the warm reception and kind hospitality of the Streaky Bay community.

The rodeo Officials came from NSW, Victoria and country South Australia. Michael Keogh, a bull rider and protection clown who competes around the Australian circuit was very impressed with the surface of the arena and with the overall organisation of the event. A sentiment expressed by many competitors.

# STREAKY BAY RODEO

Rodeo by the Sea held a raffle to raise funds for their chosen charity the Royal Flying Doctor Service which saw Tania Woodall win \$500 cash. Beck's supermarket also ran a raffle raising an additional \$500 for the RFDS.

Luke Higgins won the Saddle Bronc taking home \$1,698. The event is a tribute to local rodeo champion Johnny McInnis, honoured in the Ceduna Machinery Open Saddle Bronc Memoriam event. In 1953 Johnny was named number 1 in Australia for the buckjumping riding category. The event named in his honour is a fitting tribute to Johnny's enduring contribution to rodeo and horsing events around Australia and on the Eyre Peninsula.

Horseback Police were in attendance to the delight of many children. Commentator Bryce Dodd invited the police officers to compete in next years barrel race. This would be a great promotional event for the police and for Rodeo by the Sea.

Rodeo President Lyn Finch and Vice President Peter McEvoy were very pleased with the success of the event stating: "it's a wonderful event that attracts competitors and spectators from all around Australia, which ultimately contribute to our local economy and the social prosperity. Of course this event couldn't be possible without the generous support of the financial sponsors and the Friends of the Rodeo with in-kind contribution from local businesses and locals volunteering their time and resources to pull this all together. Our sincere thanks and appreciation to them"

The rodeo committee will now meet with sponsors to consider how the event can continue to grow and offer a greater experience for attendees and elevate further this dynamic event for competitors.

Bull Ride: Noah Dingle - 73 \$342

Barrel Race: Hayley Lipscombe - 29.231 on Moves Like Jagger \$270.

Total Prize Pool: \$20,000

Registered Competitors: 78

# Lawn Update: Eyre Avenue and Alfred Terrace Foreshore Lawns

We wanted to keep you in the loop about the current state of the foreshore lawns along Eyre Ave and Alfred Tce.

Unfortunately, we've noticed some browning off, and here are the three main reasons behind it:

1. Lawn Beetle or African Black Beetle Infestation: Lawn beetles, particularly the African black beetle, have been chomping on the grass roots, causing damage in a few ways:

- Root Feeding: Larvae feeding weakens the grass, leading to patches of dead or dying areas.
- Thatch Accumulation: The feeding process contributes to thatch buildup, hindering water and nutrient absorption.
- Vulnerability: Infested lawns become more susceptible to stressors like drought, diseases, and pests.

Fear not! We're tackling this issue head-on with a chemical treatment over the next few weeks. With our local expert advising and assisting us to ensure effective management.

2. Exposed/Sheet Rock in Some Sections: Certain sections of the Eyre Ave Lawn near Doctors Beach have exposed sheet rock, which is more noticeable during summer. This exposure contributes to the browning off in those areas.

3. Sub-Surface Irrigation Blockage: We discovered and have now repaired a sub-surface irrigation blockage, which was impeding proper watering. Adequate irrigation is crucial for a lush green lawn, and we're on top of it!

We appreciate your understanding and patience as we work to restore the vibrancy of our beautiful foreshore lawns.

Stay tuned for updates, and feel free to reach out if you have any questions or suggestions. Let's keep our community green and thriving!

## Help create a plan to make our waters safer

### What's being decided?

We're developing the first ever South Australian Recreational Boating Safety Strategy – a 5-year plan that focuses on improving safety for recreational boaters and others who share our state's coastal and inland waters.

To ensure our plans are effective and inclusive we need input from:

- the South Australian community
- industry partners
- recreational boating stakeholders
- Australian marine safety agencies and
- local government.

### Background

More and more boaters, jet ski riders, paddle boarders and other watercraft users are making the most of our coastal and inland waters. Unfortunately, incidents do occur. In the last 20 years, 69 people lost their life on South Australian waterways while boating in powered and non-powered watercraft. There are many more cases of boaters who experienced near misses, accidents or required rescue after a trip went wrong. We need a practical plan to create a safer future for everyone who enjoys our coastal and inland waters.

### Get Involved

Find out more by reading the detailed Background Paper for details on South Australian coastline and waterways usage including information on incidents, rescues, lifejacket usage, types of watercraft used and licence types.

# Fire Danger Season

Some questions answered

	Fire Danger Season	Total Fire Ban Day
Can I use a chainsaw, brush cutter, mower or slasher?	<b>Yes</b> Providing: • A shovel or rake and portable water spray are at hand. Additionally: • All engine exhaust exits through the exhaust system, and • The exhaust system prevents the escape of burning material, • Heated parts of the exhaust system are prevented from coming into contact with flammable material/ vegetation, • The exhaust system is in good working order.	<b>Yes</b> Providing: • A shovel or rake and portable water spray are at hand. Additionally: • All engine exhaust exits through the exhaust system, and • The exhaust system prevents the escape of burning material, • Heated parts of the exhaust system are prevented from coming into contact with flammable material/ vegetation, • The exhaust system is in good working order.
Can I use an angle grinder, welder or any other cutting tool that produces sparks outside?	<b>Yes</b> Providing you have a 10-metre cleared space around the area, and water or an extinguisher is at hand. A person able to control the device is present at all times while the activity is being undertaken.	<b>No</b> Unless you have obtained a Schedule 10 Permit from your local council.
Can I have a campfire, bonfire or light a fire for warmth or comfort?	<b>Yes</b> Providing: • The fire is in a 30 cm deep trench and no more than one square metre in area. • You have a four-metre cleared space around and above the fire. • A responsible person is in attendance at all times with water and/or an extinguisher. Only charcoal can be used for comfort fires within a metropolitan area or township boundaries under EPA legislation. Check with your local council before lighting a comfort fire. The use of above ground fires such as chimineas, fire drums, braziers are only permitted with the appropriate permits.	<b>No</b> Unless you have obtained a Schedule 10 Permit from your local council.

# Fire Danger Season

Some questions answered

	Fire Danger Season	Total Fire Ban Day
Can I use a gas or electric barbecue or cooking appliance?	<b>Yes</b> Providing: • The barbecue or cooking appliance is clear of all flammable vegetation to a distance of at least 4 metres. • A person who is able to control the fire is present at the site of the fire until it is extinguished. • An appropriate extinguisher is at hand.	<b>Yes</b> If it is: • Within 15 metres of a domestic or commercial premises OR • On a coastal foreshore. Providing: • It is clear of all flammable vegetation to a distance of at least 4 metres. • A person who is able to control the fire is present at the site of the fire until it is extinguished. • An appropriate extinguisher is at hand.
Some local councils allow gas or electric barbecues in caravan parks or cleared picnic areas. Look for signs or contact the council for advice.		
Can I use a solid fuel (wood/charcoal/heatbeads) kettle barbecues?	<b>Yes</b> Providing that: • The barbecue is clear of all flammable vegetation to a distance of at least 4 metres • A person who is able to control the fire is present at the site of the fire until it is extinguished • An appropriate extinguisher is at hand	<b>No</b> Unless you have a Schedule 10 permit from your local council. These permits are generally only issued for emergency purposes.
Can I use a pizza oven?	<b>Yes</b> Provided it is a gas or electric – see above for barbecues. Wood fired ovens should comply with CFS Code of Practice and must be in a properly constructed fireplace, have a 4m clearance from flammable vegetation, someone in attendance while it is lit and adequate extinguishing agent at hand.	<b>No</b> Unless it is gas or electric – see above for barbecues – or you have a Schedule 10 permit from your local council.

# South Australian State Emergency Service

SES SBY 7th and 8th October 2023

On the Saturday, SES volunteers from Streaky Bay and Ceduna engaged in an annual Road Crash Rescue (RCR) Re-evaluation exercise with District Officers Mike Baker and Lisa Kerslake making the journey over from Flinders Gulf and Eyre respectively to assess the mock rescue. These exercises are vital for volunteers, enhancing the required skills and techniques for using a variety of specialised tools and rescue equipment in the event of an RCR emergency. It also highlights the importance of emergency management including a systematic approach, being familiar with equipment and the diverse structure of various vehicles, ongoing management of an incident scene and successful patient extrication techniques. Thank you to Mark at SB Crash repairs for the use of 2 crash vehicles to cut into and to all the volunteers. Saturday resulted in a successful morning with swift and efficient rescue times recorded.

On Sunday volunteers from Streaky Bay, Ceduna and Port Lincoln SES units gathered in Streaky Bay for a Vertical Rescue training day. The area used was fit for purpose and the weather was warm. The day consisted of practical exercises and a review of competencies for SES members who are accredited to perform such a rescue. Some of the competencies covered on the day were to prepare to respond to vertical rescue, assess the rescue scene including site safety and patient safety, to construct the vertical access system in order to perform the rescue operations and of course, perform several vertical rescues. Followed by the completion of a rescue, equipment recovery and debrief, at the end of which, all in attendance were quite pleased with the success of the day and packed up with a higher measure confidence and competence than had started with. Come join us!

For more information visit [www.ses.sa.gov.au/home/volunteer](http://www.ses.sa.gov.au/home/volunteer)

## South Australian State Emergency Service

Pictured above, District Officer Lisa Kerslake and SES Streaky Bay Unit manager Trevlyn Smith along with members of Streaky Bay SES volunteers inspecting the new Infra-red Night Vision Binoculars.

Streaky Bay SES is fortunate to have such wonderful organisations, the District Council of Streaky Bay, Becks Mitre10 Treasure Chest and the Streaky Bay Community Op Shop that contributed funds for our unit to purchase the Infra-red night vision binoculars. These binoculars will be used extensively into the future by our Unit to help the Streaky Bay community in its times of need.

## Hey Streaky Bay community....

You know how we come together like champs for sports and community events? I mean, across all our towns we rally behind a lot of football and netball teams. That's some serious team work!! But guess what? There's another team in our district that's calling out for some hometown heroes: our Volunteer Ambulance teams

## Here's the deal....

Right now, we have a group of stellar folks representing all of us on the local ambulance teams. They're absolutely nailing it, but there are times when ambulances from Port Kenny or Ceduna that have to come in because we are short staffed.

Now, think about it: in our district, where we can rally over 300 footballers and netballers every weekend, don't you think we could find at least 5 more amazing souls in our town to help save lives?

## So why should you join?

Look, not to get sentimental, but this is about helping our friends, family, and neighbours when they need it the most. Why should a handful of folks carry that load when we can all pitch in.

## What's in it for you?

Don't worry, we're not throwing you in the deep end without a life jacket. We've got state of the art equipment, like a shiny new Mercedes VS30 Sprinter ambulance that you even get to drive. Plus, you'll get regular training from real-life registered paramedics and other healthcare pro's!

Oh, and get this. You don't even have to leave your house or your work place for shifts. Your employer will even get reimbursed from SAAS for any time you spend out of your work place. Yep, you read that right - you can be on call from your couch watching your favourite Netflix series. 2 shifts a week would be an amazing contribution and it will take a huge amount of pressure off the current volunteer team members

## Ready to step up?

Interested yet?

Absolutely awesome!!! Just hit up Dave on 0428 713 033 and he'll fill you in on how to become the next local hero, or to see where the hero's train and where all the fun stuff happens. You're invited along to our trainings which are every Tuesday evening at 6:30pm - 8.30pm. You'll find us at the Streaky Bay Ambulance Station, located along side the hospital

You rock for just reading this far, and you'll be a community legend if you decide to join us. Just to give you a little heads up, it's not just all serious stuff that we do..... we do fun stuff too! We even get tours of the RFDS aircrafts that land at our airport... how cool is that?!

We'd LOVE to see you there

## Our trainings are fun... check us in action...

## Eyre Crafts Community Craft Shop Streaky Bay

## Courtesy Bus

The Streaky Bay Hotel Courtesy Bus is a service provided by the Hotel for Patrons of the Hotel wishing to enjoy meals and drinks without a concern about drink driving. There is no charge for this service. Our ability to run the service is dependent on the availability of a Staff member to drive.

**To request a pick up please phone 8626 1008**

- The bus is usually available from 4.30pm daily.
- Bookings must be in by 5pm.
- Caravan Park pick up times are:  
Islands – 5.30pm  
Foreshore – 5.45pm
- If the bus is full, we will return for a second run.
- The Bus is NOT available between 6.00pm and 8.30pm due to dinner service.
- The bus can be requested at any time outside these hours and if a Driver is available, we will go earlier.
- Coordinate your return ride with the Duty Manager in the Front Bar
- For our Flying guests, we are happy to pick up from Streaky Bay Airstrip. Prior notice is appreciated.

The **TRUTH** is  
always the first casualty when people  
leave God out of their lives.

---

The heavens and earth were created in  
six days just over 6,000 years ago.  
Mankind was not part of creation.  
Mankind was formed by God.

---

Scientist can measure the physical and  
chemical properties of the samples  
they have but not the age.  
The first people arrived in Australia  
just over 4,000 years ago as refugees  
from the plain of Shinar.

---
