## ECONOMIC DEVELOPMENT

### Foreshore Tourist Park Development

Contracts have been let to level the powered sites along the foreshore (eastern end) and to raise the services to the sites accordingly. This work is being coordinated with the Discovery Park Managers and has been scheduled to occur during the month of May. The works have been timed to occur after the busy Whiting Carnival period as there will be reduced availability of powered foreshore sites while the site works are underway.

The construction of the three new cabins is complete and preparations are being made to take power, water and sewer to the new sites at the western end of the park, with tenders for this work expected to be called shortly. The services for the entire park have been mapped in preparation for this stage (and future stages) of the redevelopment. The location and level of the new cabins – as well as a retaining wall and realignment of the western fence line - have been

pegged and arrangements made for the sites to be levelled. It is expected that the three new cabins will arrive on-site in June 2018.

Quotes are currently being sought from engineering firms so that levels can be confirmed for roads and other services for future stages of the redevelopment.

## PROBUS

Vice President welcomed 32 members and 2 visitors (Jeanette Gunn & Louise Mudge) and we recorded 8 apologies.

Birthday wishes were extended to Don Miller, Annie Payne Norrie Clarke, Geoff Francis, Marlene Ettridge, Peter Eylward, Kay Waite and Fay Kelsh.

V/President Peter welcomed and officially inducted Shirley Petty and Annie Payne into our Club and presented them with their name badges. Minutes of March meeting were read and accepted on a motion of Z Chester, Sec: I. Brown Cd

Business arising: A new banking account in our Club name has now been opened with the ANZ Banking Corporation.

Financial Report: Treasurer Shirley presented a report revealing that while we have transferred approximately \$1130.00 in to a new account opened with ANZ Bank we still have two outstanding cheques drawn on the BankSA account which now has a balance of approx \$570. It appears that cheques written i.f.o. both the Hospital Auxiliary and Aust Post are still outstanding from presentation. Prop: Shirley P Sec: K Heading "That this financial report be accepted as explained". We are really hoping that these outstanding matters will be resolved before the May meeting. Cd.

Accounts for Payment: Account received from Zita Chester for a personal payment she has made to Engraving Services for 4 new name badges. This action was taken because of the confusion of changing bank accounts – amount \$60.82. Prop: R Brewster Sec: K Wait that this account be paid Cd.

Correspondence:

- a) Active Retirees Magazine available today
  - b) April Newsletter available
  - c) Letter from Fay Kelsh re: possibility of Talia Station opening to tourism
    - Invitation from Fay to hold a fun day at Yantanabie Hall later in the year – possibly with Cactus Martens.
- Prop: Zita Sec: H. Carey "That correspondence be accepted as read". Zita advised that she has since spoken with staff at Talia Station who have no knowledge of the 'Tourism' idea. We will wait to see if Cactus may return around September.

Any other business: It was suggested that perhaps we might have a beach BBQ somewhere on Thur. May 3rd. Members were asked to indicate their interest during the Morning Tea break.

14 members indicated interest. We will suss out a venue and possibility of the bus and a driver.

Those interested will be advised separately by phone as information is confirmed.

Next Meeting: Thursday May 17th

After a couple of good jokes from Peter we broke early for Morning Tea.

Guest Speaker: Today we very capably entertained by Gavin (& Heather) Scantlebury who recounted the highlights of their tour of Israel. They certainly covered a lot of ground during the 16 days they spent in the country. They were impressed with how 'up-to-date' this very old nation is, how much more clever they are at managing their resources and finances – having copious amounts of oil helps of course. While Iran has technically been part of a 'war zone' for many years now Gavin & Heather felt safe at all times and did not see any signs of crime – having heavily-armed service personnel in big doses right throughout the country seems to work well here!! Members were obviously enthralled and asked many questions of interest to us all. Thank you Gavin & Heather.

## INDOOR BOWLS

The Streaky Bay Indoor Bowls regular, Wednesday games attendance has started to fluctuate due to holidays or medical issues.

However over the past 5 weeks the player number has continued to hover round the twenty mark as visitors join the locals.

Each week different skippers are chosen and the remaining players are placed in teams according to number present.

Often there is no 3 game winning team which means a count up of shots is necessary to determine the winner, but on April 18th the team of Wayne, Alan and Murray did achieve the elusive 3 wins.

The following week it was back to the count back for a team comprising Connie, Kaye, Sharon and Maria the winners.

On May 2nd a sausage sizzle lunch preceded the club AGM, details will be in the next Criterion.

## MENS SHED

The Streaky Bay Men's Shed has achieved a lot in the seven weeks we have been going. In these seven weeks we have drawn up a constitution (with the help of the Wudinna Men's shed). We have also successfully applied to become an incorporated body. We have received a certificate for this.

We are officially known as the Streaky Bay Men's Shed Incorporated. There has also been a business plan drawn up by Jim Petty. We have also formed a committee with the following persons on that committee.

Phill Renfrey...President

Wayne Miller...Secretary (also Secretary of the indoor bowls club)

Jim Petty...Treasurer (also Treasurer of the indoor bowls club)

Other committee members are Alan Tivy, Phillippe Foster, Malcolm Brace and Keith Johnson (also vice president).

We meet on a regular basis in the old bowls clubrooms on Montgomerie Tce. Meeting notices are usually put on both notice boards as well as the Post Office window. We are averaging between 10 and 15 people per meeting. The Shed is open for all male age groups. The committee has set a membership fee of \$25 per person.

The Streaky Bay Shed will look at joining the Australian Men's Shed in the near future. The cost of this is \$50, also once up and running and doing projects we will need to look at insurance for our members. The Australian Men's Shed can offer this for \$24 per person.

We have already purchased some machinery and tools, and if there is anyone in the community that has items to SELL/donate we would be more than interested in having a look. We are looking for any tools/machinery be it hand held or fixed. If you think you have any items for us please call Wayne on 0448173564.

## STREAKY BAY HOSPITAL AND ELMHAVEN

### ELMHAVEN GROUNDS REFURBISHMENT

Work is commencing on the new gardens for Elmhaven this week, it's an exciting time for the residents as they have been involved in the planning and will be providing ideas to help create an outside area that is both suitable for residents that have Dementia and those that don't. We would love to have some assistance from any community members that have a passion for gardening and also those that would like to work with the residents to help them maintain their interest in gardening.

The Hospital Gardens are looking wonderful with the continuing help from a very dedicated community group who work in the garden every fortnight. We would love for this to also happen at Elmhaven.

One of our Ideas is to create a Mosaic water feature, so if anyone has some spare time or ideas that could help, please contact Michele Saunders or Ali Danis [Alison.Danis@sa.gov.au](mailto:Alison.Danis@sa.gov.au) or [Michele.Saunders@sa.gov.au](mailto:Michele.Saunders@sa.gov.au) or mobile 0448983442

WE WOULD LOVE TO HEAR FROM YOU

## COUNTRY WOMENS ASSOCIATION

### "Sharing and Caring with Action"

A casual and informal meeting was held on 10th April at the Pioneer Lions Park with only a few members in town. Fay Kelsh from Wirrulla was a guest for this meet. A rather hot day was relieved with platters of fruit and yummy cake for morning tea.

Briefly, meeting at RSL Hall by 9.30am on Tuesday 8th May to bus it to Venus Bay for morning tea then onto Elliston Hotel for lunch, with a couple of other trip adventures on the agenda. This is our annual special trip so it's open to everyone, so if you feel like an enjoyable day out with some lovely ladies, please call Sharon on 0400 622278 for more of the details and to reserve your bus seat. The CWA Far Western Group traditionally have held an annual Arts & Craft Day for members in the district. This year the Group, in conjunction with CWA Streaky Bay, will hold a Mini Indoor Show for arts, crafts & fare that will be community inclusive.

It will be held in Streaky Bay and anticipated for September 2018. More information will be forthcoming but potential exhibit options we will be exploring are cooking, flowers, jams/preserves, photography, handicraft/needlework, art/painting, general craft (eg jewellery), etc. Watch this space!

Branch handicraft activities are informally held. For more information, contacts are below.

CWA Streaky Bay meetings are scheduled for every second Tuesday of the month at the RSL Hall at 10.30am, unless otherwise advertised.

CWA Streaky Bay respectfully thank those involved in the local Anzac Day dawn service, commemorative march and remembrance service. A beautiful day to honour and remember those involved in war, conflicts and peacekeeping operations. Lest we forget.

# Country of Origin Labelling

From 1 July 2018, businesses must label their products according to the new Country of Origin Food Labelling Information Standard which has been in a transition period since 1 July 2016. Penalties of up to \$1.1 million (corporations) and \$220,000 (individuals) will apply for non-compliance.

It applies to food offered for retail sale in Australia, e.g. food sold in stores or markets, online or from a vending machine. The law does not apply to food sold in places like:

- restaurants • cafes • take-away shops • schools • food provided by caterers.

- the kangaroo in a triangle symbol tells you that the food was grown, produced or made in Australia.
- the bar chart is shaded, generally in 10 per cent increments, to show the percentage of Australian-grown or produced ingredients in the food. A fully shaded bar chart means the food contains exclusively Australian ingredients.
- the text sets out the origin of the food and, in most instances, the percentage of Australian-grown or produced ingredients in the food.

To find out more about the new country of origin standards visit the Australian Competition and Consumer Commission website <https://www.accc.gov.au/consumers/groceries/country-of-origin#-grown-in->

Or the Australian Business Commission website <https://www.business.gov.au/info/run/goods-and-services/selling-goods-and-services/selling-goods/country-of-origin-food-labelling> which has some great videos and detailed resources about the changes.

A one-man band never sounded so good!

Adelaide multi-instrumentalist Adam Page makes spontaneous symphonies on stage, feeding his many instruments and his majestic beard through loop pedals to build lush, layered soundscapes.

A hit at many festivals including WOMADelaide, Glastonbury and the New Zealand International Jazz Festival. Page weaves his intricate grooves in and out of genres ranging from jazz to tango and fun afrobeats in this astonishing improvised performance.

With no shortage of silliness and interaction, this wacky and offbeat show will delight everyone from the fringe show lover to the music connoisseur.

# Do you have a story to tell?

CALLING ALL HISTORY COLLECTORS,  
STORY TELLERS  
& ANCESTORS OF MARITIME  
STREAKY BAY

Can you tell a story about the ketches, schooners and other sea vessels that visited Streaky Bay?

Have you any relics from the days of the Mosquito Fleet or Maritime Streaky Bay?

Illuminart in partnership with the District Council of Streaky Bay and Country Arts SA are creating a touring light show about the Mosquito Ketch trade.

Eyre Peninsula Illuminart Leading Lights, Lauren Karp and Sue Wegener, will dive into the depths of National Trust archives, private and public historical collections of Streaky Bay to uncover the stories of the Mosquito Fleet.

Community from Streaky Bay district and surrounds are invited to share memories in the form of a yarn, photos, artefacts, slides, old film and relics of the time of the Mosquito Fleet; from South Australian colony's establishment in 1836 until well into the 1970's.

These vessels are known as "*the mosquito fleet because of their ability to flit across the mudflats.*"

They were ketches and other small sailing vessels like cutters and schooners, which worked South Australia's coasts carrying important cargos like "*wheat, wool, live animals, gypsum, salt, firewood*" and even helped carry our groceries and precious gifts from afar.

If you've answered yes to the

questions above, then bring your best story or relic of the maritime days into the:

Streaky Bay Supper Room Studio Gallery  
29 Alfred Terrace  
STREAKY BAY  
Mon 7– Tues 8 May 2018

## What will happen?

- ~ Digitizing of your photos, artwork or film
- ~ Photographing your item for safe keeping
- ~ Recording your story for the future
- ~ Beginning to piece together our maritime history

You can also nominate a yarn teller or person who you think may like to be part of this by contacting your local Leading Light Lauren on 0429 978 897. Those who are nominated will be personally invited to visit us to share their knowledge.

Through collecting the amazing yarns and assets, Lauren and Sue will endeavour to train a group of

local digital creatives to make a light show on a building near you in December 2018 showcasing our riveting history of life and work along our Streaky Bay coastline.

# ISLAND TO INLAND *exhibition*

## ISLAND TO INLAND CONTEMPORARY ART FROM KANGAROO ISLAND

*Island to Inland: contemporary art from Kangaroo Island* showcases new work by ten contemporary artists living and working in one of South Australia's most remarkable locations. Developed over the course of two years, these compelling and challenging works respond to themes of isolation, the island's unique history and the rugged, natural beauty in which the artists are immersed on a daily basis.

Kangaroo Island, Australia's third largest island is one of country's foremost tourist destinations. It is renowned for its profound natural beauty and food and wine production, and it has long been considered a haven for artists since the illustrated discoveries of explorers in the early 19th century, through to contemporary artists of today.

The exhibition has resulted from a partnership between Country Arts SA and Flinders University Art Museum. Co-curated by Eleanor Scicchitano, Visual Arts Coordinator, Country Arts SA and Celia Dottore, Exhibitions Manager, Flinders University Art Museum, it has supported emerging and established artists, celebrating the dynamic and diverse nature of their practices. These include painting, photography, sculpture, textile and installation.

Steve Saffell, Chief Executive Officer, Country Arts SA says, "One of the most exciting, rewarding aspects to our work at Country Arts SA is to be able to support artists, nurture new talent and watch as individuals come together to create and grow not only their own practices but their communities. The

*resultant body of work from the ten artists here reflects the isolation of island life, the pristine and diverse environment in which these artists have immersed themselves, and the challenges and benefits of creating in this unique milieu."*

Fiona Salmon, Director, Flinders University Art Museum adds, "Flinders University has a close association with Kangaroo Island through research in a number of fields including in marine archaeology and environmental science. We are delighted to have been part of this project, which represents another important link to the community and lens through which to appreciate the singular identity of this extraordinary place."

Artists include Ria Byass, Quentin Chester, Audrey Harnett, Scott Hartshorne, Indiana James, Janine Mackintosh, Deborah Sleeman, Caroline Taylor, Maggie Welz and Kenita Williamson.

*Island to Inland* premiered at Flinders University City Gallery during the 2017

South Australian Living Artists (SALA) festival, and will be touring regional South Australia until 2019.

## 10 great reasons to become a council member

### 1. You care about what's happening in your local community

Imagine your community without street lighting, rubbish collection, footpaths, libraries, playgrounds and sports club facilities, community halls. Decisions about council services, policies and projects are made by people just like you, who care about what's happening in their local community.

### 2. It's a great way to develop your knowledge

Councils deal with an enormous range of subjects, from economic development and environmental protection to dog and cat management. As a councillor you'll learn about a wide range of topics and the legislative and budgetary frameworks that sit around them.

### 3. You want to contribute to your community

As you learn about council business and develop your knowledge of council meeting procedures, you'll have the opportunity to contribute to the (often robust) discussions in chamber and build further in terms of your confidence in your public speaking and debating skills by representing your community.

### 4. You want to provide a voice for your age group/cultural group/gender

To achieve a greater diversity similar to our communities we encourage people of different ages, genders, cultures and backgrounds to step up and make themselves heard on council.

### 5. You're sick of watching from the sidelines

Are you one of the silent majority growing increasingly frustrated with the state of politics as you watch from the sidelines? Councils are the closest level of government to the community!

### 6. You've got great ideas to contribute

Think you know how things could be better? Being closer to the community, councils are more agile and responsive to community needs than other levels of government and have a record of implementing innovative new ideas.

### 7. It's a nice addition to your CV

### 8. You'll meet interesting people

As a councillor you'll represent the residents in your council ward – and that means you'll get to meet a few of them! You'll also work closely with your fellow councillors and council staff.

### 9. It's a way of making a meaningful and lasting contribution

You'll play an important part in the ongoing life and development of your community.

### 10. Your chance to make a difference

The workings of council are often criticised due to lack of knowledge of what legislation governs how councils run and what can and can't be resolved during a council meeting. Councils can be quite complex and a challenge to some. Ask most councillors they'll say it can be a challenge however helping make a difference in their communities makes it all worthwhile.
