# Council News

## GOVERNANCE

### Staff Update

Council's General Inspector Rodney Heath has resigned and will be pursuing an alternative career. Rodney has been an extremely valued member of Council's staff over many years commencing as a casual infrastructure maintenance crew member before forging his career in regulatory services. Rodney has played a key role within Council over his years of service and Council would like to thank Rodney for his service and wish him well in his future endeavors.

Council welcomes Sam Hawes into the position of Payroll/Customer Service. Council welcomes Sam into the team and looks forward to her commencement at the end of April.

### Council Office Lift Installation

The tender has been received and Council currently working with contractor to negotiate contract and time frames for completion.

### Animal Management Fees and Charges

Council received a report regarding fees and charges for Animal Management for the 2022/2023 financial year. Council resolved at that meeting that there would be no increase in fees for the next financial year.

## INFRASTRUCTURE

### LRCI Phase 3 – Funding Program

Council under the Local Roads and Community Infrastructure funding program been awarded further funding. This funding has been allocated to;

- Streaky Bay Youth Precinct
- Streaky Bay Town Entrance Statements
- Wirrulla Oval Playground Development
- Bay Road Reserve Development

### PLEC – Powerline Undergrounding

Council have endorsed staff to proceed to the next stage (following an Expression of Interest Process) to investigate undergrounding of power along Eyre Avenue. This project would not be set to commence until 2024 should it be successful.

### Streaky Bay Jetty Platform

The Jetty Platform has been completed and opened. The project has been well received by residents and visitors alike. Congratulations to the Infrastructure Services team and Thirsty Constructions for delivering such a high-class product for everyone to enjoy.

### Streaky Bay Jetty Pool Platform & Shelter

Designs have been received for the platform extension and associated shelter. As the project is attached to a Department of Infrastructure and Transport facility approval and independent design verification is required, this is currently in progress.

### Western Transit Loop

The Wells Street, AB Smith Road, Alec Baldock Drive, Wallschutzky Road loop project is underway. A project manager has been engaged to manage the project (approved by Council at the April meeting) and tender documents are due to be completed in the coming weeks.

### Streaky Bay Cemetery Expansion

Council considered options for expansion of the Streaky Bay Cemetery. Council resolved at the meeting to establish back to back graves (a copy of the proposed plans is available by viewing the Agenda in [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au))

### Stormwater Management Plan Review

The existing Stormwater Management Plan is in excess of 10 years old. With the current level of growth and infrastructure development Council understands the need to review this plan to consider current and future stormwater capture and reuse. The tender closes May 4, 2022.

### Back Beach Road Sealing

The last section of Back Beach Road will be sealed in the coming month.

# Council News Cont'd

## Finlayson Road Sealing – Funding Application

Council endorsed at the March 2022 meeting a funding application to be submitted to the Federal Government Rural and Remote Roads Upgrade Program. The funding application was to seal the entire length of the road connecting the coastal communities and Streaky Bay to Wirrulla and outback South Australia. This road was deemed the highest priority that fit the purpose and outcomes of the funding program.

## COMMUNITY

### Streaky Bay Community Library

A request was received from the Streaky Bay Area School to assist with funding of the replacement carpet for the Library. Council endorsed to consider the library carpet replacement within its 2022/2023 financial year budget process.

### Wirrulla Sports and Recreation Precinct Playground

Council received a request for a co-contribution from Council towards the redevelopment of their playground located at the Wirrulla Oval. Council endorsed to provide an amount of a \$35,000 contribution towards the project.

### Haslam and Poochera Defib Machine Installation

Council has funded the installation of two community defib machines in the townships of Haslam and Poochera. Haslam has been installed at the Post Office (next to the hall) and Poochera at the Hotel/Caravan Park.

### Streaky Bay Area School Pool

Council received a request from the Streaky Bay Area School to co-fund the installation of heating to the Streaky Bay Area School Pool. The existing heating system was removed as part of the demolition of the old Art Room building and was not replaced at the time. The Council resolved for Council Officers to meet with the school and discuss all options available.

### Rural Womens Gathering

Council is excited to be hosting this event in August 2022. Each year a community in South Australia organises a SA Rural Women's Gathering that brings together women from all demographics from all regions.

The concept of a rural women's gathering was born in 1989 by a group of women in Victoria. This informal group of women was a group who called themselves a 'Women on Farms Discussion Group'.

The inaugural South Australian Rural Women's Gathering was held in October 1996 at Murray Bridge. See advert for full details of this years event.

Council in assist in hosting the event was successful in gaining \$27,000 in funding towards the event. This will go a long way towards guest speakers and increasing the number of activities available for participants.

## TOURISM AND ECONOMIC DEVELOPMENT

### Streaky Bay Township Management Plan and District Management Plan Review

Tenders were sought and received to undertake a review of the Streaky Bay Township Masterplan and District Management Plan, with the DMP consisting of;

- Open Space and Recreation Plan
- Coastal Plan
- Township & Urban Design Framework
- Crown Land Open Space Development
- Caravan and Camping Guide
- Open Space Category & Hierarchy Guide

A copy of the existing documents can be found at [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au)

Council Officers will work with consultants to develop a community engagement strategy and are seeking expressions of interest from persons interested in joining a focus group to review these documents.

### Streaky Bay Tourism and Business Association Partnership Agreement

Council has in place a five (5) year partnership agreement, where Council financially contributes towards the volunteer organization to undertake marketing and events. The Agreement is due for renewal and Council will be seeking to renew this agreement in the coming months.

### Murphy's Haystacks Grant Funding

Council worked with the local land holder to secure funding through the Department of Environment and Water State Heritage Fund for infrastructure development, Council as part of this project will be undertaking a road entrance upgrade to provide provision for 2 lanes of traffic at the entrance point from Benbarber Road to assist with traffic congestion and flow at this point.

## Council News Cont'd

Murphy's Haystacks is officially a State Heritage listed site (a requirement of the funding application) and one of the region and state's most iconic geological attractions.

### Streaky Bay Youth Precinct

Council have endorsed additional funding to be applied to the precinct project. This will enable a greater level of landscaping and sundry items to fully develop the precinct area. A revised costing has been received from the project consultant and we expect consultation to commence on the final design within the next 2 months.

### Blancheport Vacant Land – Medical Services Housing

Council at report presented in December resolved to allocate three allotments within its Blancheport Subdivision to donate towards the federal government funding housing for medical services. Council considered at the March meeting to allocate allotments 154,178 and 179.

### Perlubie Landswap

Council has been negotiating over the past few years to undertake a landswap to ensure the continuation of access to Perlubie Beach. Council considered a report and resolved to endorse the Chief Executive Officer to continue with signing of the preliminary plan and other relevant documents to commence the public consultation process and potential road closure and road opening of the appropriate roads.

### Wirrulla Campground Lease

The Wirrulla Campground lease has been informally managed by the Wirrulla Progress Association for a number of years. Council is now seeking to formalise that lease arrangements, Council at the March meeting endorsed a draft lease that enabled fee setting, capital replacement sinking fund and annual lease fee. Prior to this lease being implemented Council was required to undertake public consultation with no feedback received following this period.

### Perlubie Beach Management

#### State Government hands care and control of Perlubie Beach to Council

If you follow our social media page, you will have seen the Mayor Travis Barber and CEO Damian Carter meeting with the incoming ministers from the new South Australian Government to discuss the issues and opportunities facing the district of Streaky Bay. One of the issues which was discussed was the pressure Perlubie Beach was under through visitation and whether care and control could be handed over to Council who was better equipped to handle the situation.

These efforts were successful and care and control of Perlubie Beach has been handed over to Council. The move will enable localised decision making on the beach's future and will see greater efficiencies with localised resources being used to manage the site.

The intention now is to use the off-peak season to undertake extensive community consultation on how to manage the beach in the next summer period. However, some solutions already being put forward include:

- Introduction of a permit system for the beach, so Council can cap numbers at a sustainable level
- Limiting camping on the beach to self-contained campers only
- Introduction of speed limits on the beach
- Stopping campers from occupying the day use shelters
- Limiting the area along the beach allocated to campers so habitats of shore birds and other wildlife can be maintained

Council will inform the community of the specifics of the community engagement process via its communication channels in the coming period.

# Council News Cont'd

## CEO UPDATE

*From the CEO's desk*

The Australian Bureau of Statistics recently released their latest Estimated Residential Population figures for 30 June 2021. The Streaky Bay population was estimated as being 2,226 individuals, an increase of 150 (7.2%) on the year before. Going by this and previous growth rates, by 2036, the District Council of Streaky Bay's population will have doubled to over 5,000 individuals. This is no secret to us as we can literally see the houses being built around us. However, it does present several challenges to Council in terms of managing this growth.

Regarding the management of population growth, Council is committed to the following:

- ensuring it is facilitating sustainable growth;
  - ensuring we have available commercial, industrial, and residential space to house this growth, and;
  - ensuring we have the services in place to meet the requirements of its growing population.
  - To assist in meeting the following goals, over the next few years you will see a number of key projects rolled out including:
    - *Delivery of the District of Streaky Bay Master Plan:* Master planning is about making the connection between buildings, social settings, and their surrounding environments. A Master Plan includes analysis, recommendations, and proposals for a site's population, economy, housing, transportation, community facilities, and land use. It is based on public input, surveys, planning initiatives, existing development, physical characteristics, and social and economic conditions.
    - *Development of a Health and Community Hub in feasibility study:* The feasibility study would look at building a potential Health and Community Hub in Streaky Bay. The Study would capture the following:
      - Needs Analysis/Business Case for Streaky Bay to have a Health and Community Hub
      - Potential operating model for the Hub
      - Possible location for the Hub
      - Engagement of architect to develop designs for the Hub
      - Engagement of quantity surveyor to provide costings for the building of the hub
      - A health and community hub will provide a modern and appropriate centre for the delivery of health and allied health services in the district of Streaky Bay
- *Revisiting the Stormwater Management Plan:* Changing climate is bringing longer, dryer, hotter summers and more intense rainfall events. Rainfall events such as the one in January this year demonstrated that Streaky Bay's current stormwater infrastructure isn't capable of handling such intense rainfall events and presently stormwater runs off into the sea which will eventually start to have environmental implications. Longer, dryer and hotter summers will also see further pressure on the area's water supplies, hence Council needs to look at options for the capturing and reuse of stormwater to green its parks and gardens. The Stormwater Master Plan will help inform us of future infrastructure development so we can meet these challenges.
  - *Undertaking a commercial and industrial land supply study:* A unique issue facing Streaky Bay compared to other rural communities is the lack of commercial and industrial land/premises. This has become an inhibitor for business growth and the attraction of new business. Streaky Bay needs more commercial and industrial land supply to ensure employment and services can be provided to its growing population base. A commercial and industrial land study will identify and establish the business case for new commercial and industrial land precincts and inform the rezoning of identified land.

In addition to these projects, Council will continue to advocate for the following services for its growing population:

- Early Childhood Education places
- Reliable Power Networks
- Additional Water Security
- Provision of additional emergency services
- Better telecommunications infrastructure and digital connectivity

I understand in terms of projects, these are very much paper-based exercises. However, we need community informed, long-term planning that provides a conceptual layout to guide the future growth and development of our township. These activities will assist us in achieving this.

**Damian Carter**  
**Chief Executive Officer**  
District Council of Streaky Bay

# Community News

## FROM THE CEO'S DESK

Introduction of out of hours number for urgent requests

Over the Easter period, Council has been trialling an out of hours contact number whereby individuals contacting the main office number out of hours were referred to a phone which was answered by a Council Manager.

This trial was successful and therefore we are looking to promote the number more widely.

Our new out of hours number is: 0484767826 and you can call this number for any urgent matter which requires immediate attention after 5pm and at the weekend.

We also understand that traditionally community members have just called the relevant Council staff member when an out of hours issue occurs. We ask that you reframe from this practice and Council Officers have been directed not to attend to work calls outside of ordinary hours, unless directed by the Manager holding the out of hours phone.

We also ask that you use the service for issues which require immediate attention and any non-urgent matters be dealt with during ordinary hours.

Thank you for your cooperation.

## COMMUNITY THANKYOU

I would like to thank Betty Fox and her helpers for all the time spent in pulling out weeds and general tidying up at the Streaky Bay Cemetery.

I believe ten trailer loads of rubbish have been carted away.

I am sure that it has been noticed and appreciated by residents and visitors.

Thank you again

Betty Kammermann

# Community Grants

## COMMUNITY

### Streaky Bay Community Hotels Ltd Grants 2022/2023

Requests for funding from Community Groups & Organisations for the 2022/2023 Financial Year are now being accepted.

Application forms are available from the Streaky Bay Hotel reception office Monday to Friday between 9am-5pm. Only one application will be accepted per group/organisation.

Applications close **Friday 27th May 2022**

Please post your application to:

The Board of Directors  
Streaky Bay Community Hotels Ltd  
PO BOX 240  
Streaky Bay SA 5680

### Circular Economy Market Development Grants - SA

Circular Economy Market Development Grants provide South Australian businesses with funding to assist projects targeting recycled materials and/or recycled content products. The program supports projects targeting one or more priority waste materials including plastics, paper and cardboard, glass, scrap metals, textiles, e-waste and tyres. Funding of up to \$100,000 is available. To be eligible you must be a:

- local council
- not-for-profit organisation
- research institute
- business

For further information visit:

<https://business.gov.au/grants-and-programs/Circular-Economy-Market-Development-Grants-SA>

### Nature-based Tourism Co-investment Fund

The South Australian Government is continuing to actively explore new partnerships to expand our range of nature-based tourism offerings to help position South Australia as a world-class eco-tourism destination. The Nature-based Tourism Co-investment Fund will be open until June 2022 (or until the fund is exhausted).

Applicants can seek grants from \$20,000 to \$1 million and are expected to contribute at least half of the total financial costs of their project. Closes June 2022

For further information visit: [Nature-based... - National Parks and Wildlife Service South Australia](#)

### Horticulture Netting Infrastructure

\$14.6 million in grants for South Australian horticulture growers to purchase and install protective netting has been made available. You can apply for up to 50% of costs associated with horticulture netting, up to a maximum of \$300,000.

#### Who can apply?

- primary production businesses
- property owners and share farmers
- lease holders and businesses that operate as a sole trader
- partnership, trust or private company in horticulture.

Applications close 30 June 2023 or when funding has been exhausted, whichever comes first.

For further information and eligibility criteria visit: [https://www.pir.sa.gov.au/grants\\_and\\_assistance/horticulture-netting-grants](https://www.pir.sa.gov.au/grants_and_assistance/horticulture-netting-grants)

### Opening our Great Outdoors Fund

A \$10m pool to support economic generating regional tourism initiatives: Stream 1 – Regional Tourism projects: to enhance investments in nature-based, farm-based, rangelands and fishing-based tourism opportunities, and invest in public infrastructure, that supports and encourages South Australians to travel to regional areas, connect with agriculture and enjoy our regions, parks, rangelands, reservoirs, waterways and marine environment.

Stream 2 – Regional Accommodation projects: support and stimulate private sector investment in new or improved regional accommodation supporting quality tourism products and experiences.

Applications close 30 June 2023 or when funding has been exhausted.

Visit :

[https://www.pir.sa.gov.au/grants\\_and\\_assistance/opening\\_our\\_great\\_outdoors\\_fund](https://www.pir.sa.gov.au/grants_and_assistance/opening_our_great_outdoors_fund)

### Strengthening Rural Communities

The Strengthening Rural Communities (SRC) program aims to give the thousands of small rural, regional and remote communities across Australia an opportunity to access funding to support broad community needs.

Closes 31 May 2022. Visit : <https://frrr.org.au/funding>

# Community Grants

## SPORT, RECREATION & HEALTH, YOUTH

### Ski for Life Mental Wellbeing & Suicide Prevention Grants

We give out a series of grants every year to organisations wanting to do their part towards raising awareness for mental wellbeing and suicide prevention. If your organisation is looking into a project that aligns with the Ski for Life mission "

*To use conversations and community engagement to raise awareness of strategies that support good mental health, wellbeing and suicide prevention."*

Then follow the link below and start the application process.

For further information visit:

<https://www.skiforlife.com.au/grants>

Applications close when allocated funds are fully expended

### Woolworths You Grow Girl Grants

Woolworths want to support netball clubs and associations across the nation by offering 125 x \$2,000 grants to netball clubs and associations who continue to seek funding to assist with developments / improvements to their community. For more visit:

<https://yougrowgirl.netball.com.au/grants/>

### Cricket Australia – Female Participation

CommBank's investment in Cricket Australia's Growing Cricket for Girls Fund is supporting this growth, nurturing the current and future generations of players at community clubs across the country.

For further information visit:

<https://www.cricketaustralia.com.au/about/diversity-and-inclusion/female-participation>

### \$100 Sport Vouchers Program

The program is open for parents and carers who are now able to claim \$100 sport vouchers for their primary school aged children (from Reception to Year 7), to use towards the cost of sport or dance club fees or memberships.

For more visit:

[www.sportsvouchers.sa.gov.au](http://www.sportsvouchers.sa.gov.au)

### Assistance for businesses employing young people

YOUTH JOBS PATH (Prepare – Trial – Hire) provides funding to trial a young person aged between 17 - 24 to find out if they're the right fit for your business. If the trial is a success and you hire the young person, you may be eligible for further funding. Grant funding available of up to \$10,000 for Australian businesses.

- Prepare: Young people will undertake Employability Skills Training to prepare them for work.
- Trial: You can trial a young person in an internship for between 4 and 12 weeks and receive a payment of \$1000 (GST inclusive) to help cover the hosting costs. Interns will receive a \$200 fortnightly incentive payment on top of their income support and are covered by insurance, both paid by the Australian Government.
- Hire: If you hire the eligible young person, you can receive a wage subsidy of up to \$10,000 (GST inclusive). For further information visit:

<https://business.gov.au/grants-and-programs/Youth-Jobs-PaTH>

## BUSINESS

### Green Industries Assess-Implement-Monitor (AIM)

AIM grants provide a subsidy for businesses to assess ways to implement more economically and environmentally sustainable practices. Funding is available for businesses and not-for-profits to: **ASSESS** materials and resource efficiency, waste management, and/or other options to support a more sustainable and circular economy for South Australia; **IMPLEMENT** recommendations made through a GISA-funded, independent and impartial assessment. Projects should enable participants to **MONITOR** progress and report outcomes, using it as a base for continuous improvement. Applications close 30 June 2022 or when all funds are allocated (whichever occurs first). For more visit:

[Assess-Implement-Monitor \(AIM\) Grants \(greenindustries.sa.gov.au\)](https://greenindustries.sa.gov.au)

### Digital Solutions for Small Business

Offering support for: websites and selling online; social media and digital marketing; using small business software; online privacy and security. Enquire at <https://www.rdawep.org.au/contact-us/> Or visit [www.adelaidebusinesshub.com.au](http://www.adelaidebusinesshub.com.au)

### Wage Subsidies

Provides businesses with financial incentives of up to \$10,000 to hire and retain eligible job seekers in ongoing and sustainable positions. For more visit: <https://www.business.gov.au/Grants-and-Programs/Wage-subsidies>

# Community Grants

## ARTS & CULTURE

### Arts Sustainability Fund

The Arts Sustainability Fund supports the arts and entertainment sector to continue its activities by providing necessary finance to plan a pathway for recovery from the effects of COVID-19. Funding will support employment and contribute to rebuilding Australia's economy, as well as enhancing community wellbeing and access to cultural experiences across Australia.

The Arts Sustainability Fund will provide \$50 million over two years in 2020–22 so that significant Commonwealth-funded performing arts and culture organisations remain solvent, provide employment, and deliver high-quality cultural and creative activities and experiences for audiences.

Applications close 31 May 2022 or until all funds are allocated, whichever is sooner.

For further information visit:

<https://www.arts.gov.au/funding-and-support/arts-sustainability-fund>

### Carclew – Fellowships Fund

Carclew Fellowships offer financial support to emerging cultural and creative artists and arts workers aged 26 and under, for:

- Arts career building
- Skills development
- Exploring new art form practice, methods and techniques
- Research towards creative development

Areas of practice for the purpose of the Fellowship can include (but are not limited to):

- Performing arts
- Visual arts
- Written word
- Digital platforms
- Arts administration & industry pathways
- Community arts

Applications close 1 July 2022.

For more visit : <https://carclew.com.au>

## Streaky Bay Skate and Scoot Event – Youth Week March 2022

The District Council of Streaky Bay was pleased to host the 2022 Streaky Bay Skate and Scoot event on Tuesday 19<sup>th</sup> and Wednesday 20<sup>th</sup> April 2022.

The Streaky Bay Skate Park turned into a family fun zone with many free activities for kids of all ages to enjoy. The skate and scoot workshop and competition provided by Roll All Day, had over 55 youth participate, encouraging kids to gain new skills with experienced teaching followed by a fun competition the next day to show what they have learnt.

Scotty from Xtreme Kites & Paddle travelled from Port Lincoln providing two bouncy castles, a rock-climbing wall and mechanical surfboard, this was a great attraction for kids who wanted to get outside and enjoy the Youth activities.

Also, on the day there were the options of purchasing a smoothie drink which required the kids to peddle on a bike to blend their delicious smoothies, a free giant jenga game and the free pizza made available by Pizza 4 Shore was a huge bonus.

The day saw approximately 150-200 participants over the 2 day event, with great participation from local families, the survey results also showing a good presence of kids from Port Lincoln, Adelaide, and including interstate visitors.

Thanks to the combined funding and support from the District Council of Streaky Bay, Local Drug and Alcohol Action Team, Drug and Alcohol Foundation, Thrive Streaky Bay and Districts, Mentally Fit EP and Streaky Surf and Style for sponsoring the event with fabulous prizes, this 2-day event was a great success.

Feedback from the families and youth included:

- 'It was the best day in the world'*
- 'Really Awesome'*
- 'Enjoyed it all'*
- 'Can we do it again'*
- 'Very accessible, great instructors and great food'*
- 'Great variety of activities'*

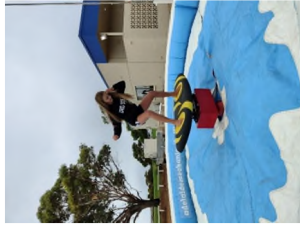

Thank all our attendee's and contractors, Wednesday proved challenging with the rain however we managed to get to the end of the day with smiles on our faces and all looking forward to the 2023 Youth activities.

## Streaky Bay Youth Week - March 2022

The District Council of Streaky Bay was proud to provide the hit success of the March 2022 Youth Week events. With all events going ahead safely, it was with great relief to the event organisers who had previously dealt with cancellations due to the Covid pandemic.

As part of this year's Youth Week, the following events were made available for all Youth to attend, as attendee numbers were high it was wonderful to see most activities booked out. Thanks to the combined funding from the District Council of Streaky Bay and the Department of Human Services the week was of great success.

Despite the cooler weather the Surf Lessons were thoroughly enjoyed, with 22 Youth participating in the surf sessions at Surfer's Beach with the Streaky Bay Surf School. These sessions are designed for participants to learn the fundamentals of surfing, expand ocean knowledge, and build on their surfing abilities.

Reanna Murphy from Komane provided the Resin Art Workshops with 30 eager attendees being able to create individual resin boards using their own originality in colours and designs, each participant was able to take their resin board home.

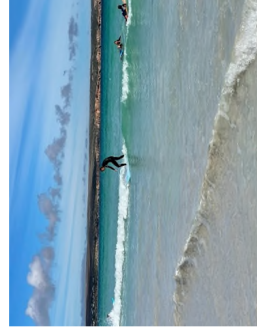

The Skate and Scoot event located at the Streaky Bay Skate Park was also a hit with many keen skate and scooterers attending to learn new skills and participate in the competitions.

Councils Community and Economic Development Officer, Jess Davis was delighted to have great numbers in all Youth events and had received positive feedback from all participants. Jess and the Community and Economic team look forward to bringing another jammed packed Youth week in 2023.

A big thank you goes out to the Streaky Surf School and Komane for providing their time and these remarkable workshops, Sarah Brougham for driving the bus and supervising the keen surfers, it was a positive week, and hope all the Youth that attended enjoyed their experiences.

## KERRIN MCEVOY SCULPTURE

We did it!

After 5 years we were thrilled on Sunday to have Kerrin and all the family here in Streaky Bay to finally unveil the Sculpture.

A very large crowd attended and the weather was just perfect.

We were also fortunate to have the 2022 Lexus Melbourne Cup here as there is a strong connection with the cup with Kerrin and our town and they assisted us back in 2019 with our fundraising efforts and took the story of the project to a national scale. The community could get photos with the cup.

The ceremony was hosted by Terry McAuliffe and the guest speakers Mayor Travis Barber, Joe McGraph from The Victorian Racing Club, Samantha Kirby from the Sculpture Committee, Ken Martin the sculpture artist and Kerrin himself.

After the ceremony a celebration was held at the Streaky Bay hotel where locals and visitors could celebrate with Kerrin this amazing achievement.

At the hotel we sold the projects stubby holders for a donation and the money raised was approx \$500 and this will be donated to The National Jockeys Trust.

The committee would like to thank the community for supporting the project, Kerrin McEvoy for allowing the project to take place and being here on Sunday with Cathy and the kids, The District council of Streaky Bay for the land and works around the sculpture. The Streaky Bay Hotel for hosting the celebration. Accolade Wines for supplying the sparkling for the toast. The Streaky Bay Racing Club for supporting us and allowing us to be a sub committee of the club. Thanks to Nigel Brace for supplying the chairs and marquee. Thank you to Terry McAuliffe for hosting the event. The VRC for bringing the 2022 Lexus Melbourne Cup and finally thank you to the talented Ken Martin for the incredible sculpture.

If you would like to know all about the Sculpture project Visit [www.KerrinmcevoySculpture.com.au](http://www.KerrinmcevoySculpture.com.au)

## STREAKY BAY RSL

Our ANZAC Day services were conducted in very wet conditions but thankfully the stormy weather that was predicted failed to eventuate and apart from persistent rain we were able to get through the day safely.

Both the Dawn and Remembrance services were well attended, and that I feel was due to the terrific support we received from the CFS, SES, SACWA, and Killa's who supplied the marquees to keep some of our attendees out of the rain. To those who braved the elements with umbrellas and wet weather gear thank you for hanging in there.

Thanks to the following. Fr Steve Ardill who did a terrific job as our celebrant. The CFS crew who helped throughout the day and cooked the BBQ lunch. Rebecca Rutherford and the Streaky Bay Scout group. The SACWA ladies who assisted as previously mentioned and prepared the morning tea. The Streaky Bay District Council and the team at the Information Centre for their ongoing support and assistance and to Johnno and Elmo who jumped into assist where needed. If I have missed anyone I apologise as you were part of the successful day as well.

The following question was asked during the day "What happens to the collection money?"

The collection money along with the money collected from Badge Day is sent to RSL HQ Adelaide and goes into the Anzac Remembrance Appeal which supports veterans, serving ADF personnel and their families with assistance to improve their wellbeing and programs that benefit their lifestyle. Its things like grocery vouchers, emergency accommodation, bill payment, employment programs and advocacy with claims and entitlements.

The Streaky Bay RSL has only sixteen members and some of us are getting on in years and restricted in what we can physically do so Community help and cooperation is going to be vital to the ongoing ANZAC Day services in the future. The support this year by the local community was impressive and much appreciated by our group and as such we should all be proud of our efforts.

Mick Stewart

Secretary

## HOSPITAL AUXILIARY

Meeting held 5th April at Kerrys home.

The paving at Elmhaven was done and Brock also did some filler work.

With thanks to some generous donations from cards group and Western Vintage car club group of \$1000. We will meet with Gaye as a busy bee group to see what requests she has in mind re pots, chairs, shades, etc.

Some outdoor chairs on the hospital veranda need replacing and front area is looking for some help.

Fortnightly busy bees have been well attended. Thanks to all who give so freely of their time and Zoom for weekly mowing of the lawns.

A High tea is being looked at by Kerry, Coralie and Heather in September /October as a fundraiser more on this nearer time.

Hopefully our next meeting Tuesday June the 7th will be covid free and back to normal.

Marlene celebrating her birthday at indoor bowls

## STREAKY BAY INDOOR BOWLS

Mid April at the Streaky Bay indoor bowls there were Easter buns for afternoon tea, Easter eggs to take home and a chocolate cake for club member Marlene's Birthday on 13/4.

Attendance numbers at the weekly social games dropped early in the month, down to 13 on April 6th. Health issues, family commitments, holidays and COVID isolating all contributed to the smaller numbers but the good news is numbers are on the rise with 17 bowling on April 20th.

Good news too is the dropping on April 15th of the rule to wear face masks while bowling indoors. The following Wednesday players were advised of the change and of their options.

Game results on a weekly basis can vary, so too can the giveaway penalty scores. On April 27th there was one team alone to benefit by 9 shots.

More than one team sometimes can win all three games, often teams will finish with two wins and a loss or there could be teams with three losses. No one worries, everyone is there for the fun and friendship.

Drawn game results are rare but on April 20th the scoreboard revealed a 5/5 drawn match at the end of the first game. Both teams went on to win their next two games, each finishing the day with two wins plus a draw.

Winning teams were:

March 30th - Marlene, Connie, Maureen (visitor)

April 6th - Connie, Jim C, Owen,

April 13th - Bev W, Marlene, Connie, Glenys (visitor)

April 20th - Julie, Bev O, Bev W, Darryl

April 27th - Gay, Cheryl, Marlene

Note : Details of the next AGM will be in the next edition of the Criterion.

## STRTEAKY BAY MENS SHED

Our numbers have been down of late for various reasons.

As was reported in last months edition we have now completed the miners lounge ( see pic below)

Thanks must go to Jim Petty for staining this piece.

From all accounts the person that owns it was more than happy with it.

We have now taken delivery of some new machinery in a table saw and a bandsaw.

The table saw has the latest safety mechanism (called saw stop) on it to prevent operators from severe injury.

The shed is currently looking at a duct system for dust extraction from our machines.

Some of our bikes we had have been sold over the last couple of weeks.

Wayne Miller delivered about 90 pairs of glasses to Port Lincoln for checking and distribution overseas.

Regards

Wayne Miller

0448 173 564

Chair stained by Jim Petty

## STREAKY BAY PROBUS

Probus numbers have been averaging 18 members for the past couple of meetings.

We unfortunately lost one of our members in John Mudge recently.

Probus meets every third Thursday of the month if there are any new people in the district that would like to come along.

We meet in the Flinders room at the hotel usually starting at 10.00am.

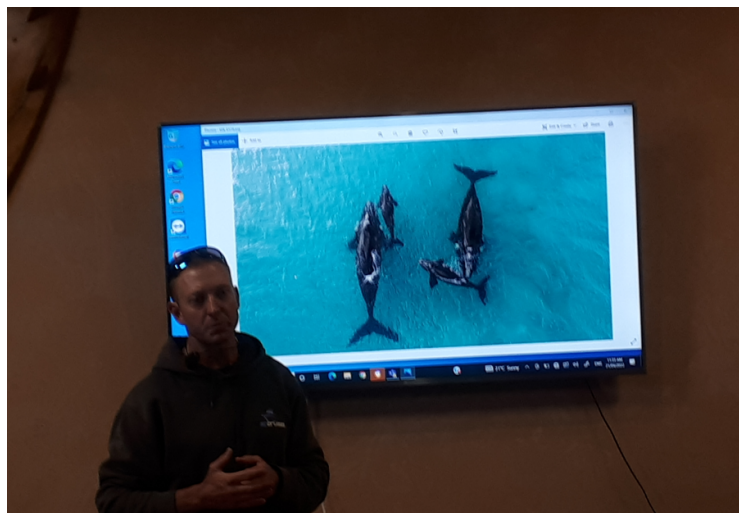

We then break for coffee/tea/biscuits for 30mins.

After the break there is normally a guest speaker for approx. 45mins.

At our last meeting on the 21st April we had Rod Keogh speak. Rod and wife Simone run the Fowlers Bay Whale tours. A very interesting presentation from Rod. (see pics below)

At our next meeting on the 19th May we are getting the RAA man back to speak.

Thanks to Mary Cash for the laying of the wreath at the Anzac day service.

Rod Keogh giving his presentation on the Fowlers Bay Whale tours

## STREAKY BAY CATHOLIC CHURCH

Cooperating with the Creator, many in our region, using their God-given skills, work the fields, plant the seeds, fish the oceans and harvest the crops which feed the people of our nation and hungry world.

Daily they observe the hand of God at work and understand in a profound way that everything we have is a gift from our super-generous God.

Last Sunday (24th April) the Streaky Bay, Ceduna and Minnipa Parishes gathered at 'Deep Well' to celebrate Family Farming and honour those in our region who grow the food and fibre which sustains life and is at the heart of the economic and social fabric of our communities.

It is a celebration that will be replicated in many communities in regional and rural South Australia this year.

We prayed and sang and received the Holy Eucharist as we do each Sunday at our various churches. The Fields were blessed and prayers offered for rain. We then shared a sumptuous BBQ lunch, participated in a tough Farm Quiz and the young parishioners were engaged in some fun interactive games.

We were again reminded of the importance of coming together to share our faith, give thanks for the gift of our farmers and fishers and to show our care and concern for our sisters and brothers with whom we live and move and have our being and for whom life is often challenging.

Farming is indeed a noble, privileged and irreplaceable vocation. As a new season beckons and opening rains fall on the paddocks of our region we thank our farmers for all they contribute to family life and to the life of our churches, communities and world.

Might I leave you to ponder the following reflections penned by some local farmers:

Farming families rely so much on God's gifts of soil, sky, life-giving rains and sun, and with hard work help feed God's people here on earth. (Matthew Cook)

To be a farmer you have to have a lot of faith and trust as a lot of situations and outcomes are beyond our control. (John Feltus)

God's gifts ... Farmers' skills ... Food for many. (Anthony Tomney)

Fr. Steve Ardill

## SACWA

### Streaky Bay Branch

An epic April meeting had us sifting through a fair bit of info with the assistance of a couple of rounds of tea and coffee. Our roll call "a bad habit I should break" to displaying "something broken" got the meeting wheels in motion. We welcomed Rosemaree as a new member, chanted to the best of our ability the birthday song for our April ladies, Alice, Marlene & Fay and watched an unbelievable moment as a hubbie rocked up with a flower that was dropped by his wife at home that was meant to be part of the floral judging. How amazing was that moment, albeit short lived as an exchange of words reverted back to everyday normal hubbie v wifey. Ending the meeting with the floral judging had Tricia, Alison, Patsy & Alice proving their green thumb abilities!

Our fundraising stall held on Friday 22/4/22 proved yet again a great success to supplement the coffers. Thanks again to the community for your support and always to the members that make and bake to their heart's content, even during challenges provided by broken down ovens!

Our very own super talented Vonnice has made an extraordinary piece of tapestry with an Anzac Day theme that she presented to the RSL Streaky Bay. This masterpiece is hanging up in the RSL Hall and if you get the chance to see it, please do. It's a mind blowing piece of craft.

See you on Thursday 26/5/2022 at the Biggest Morning Tea as the community fundraisers for the Cancer Council and the SACWA ladies are catering for the event.

New members and non-members always welcome.

# GREAT WHITE KAOLIN PROJECT

## ROADS AND TRAFFIC

*Andromeda is developing the Great White Kaolin Project, located 15km southwest of Poochera. The mining operation to extract and refine bright white halloysite-kaolin clay is expected to create up to 75 direct jobs and add a significant economic boost to the region over a 28-year Life of Mine.*

It is expected that up to 10 trucks loaded with bagged product will depart site daily in the initial stages of the Development, with up to 20 proposed when the Development expands.

Trucks will be A-triple or quad road trains, which will be determined through a tender process with logistics companies, and in conjunction with the Department for Infrastructure and Transport.

Engineering designs, Poochera – Port Kenny Road

### PROPOSED TRAFFIC ROUTE

Tonkin Consulting have assessed traffic routes from the Development to three potential port options:

- Thevenard
- Lucky Bay
- Whyalla.

Transport routes will vary dependant on the chosen port location. Andromeda has committed to upgrading Poochera – Port Kenny Road and associated intersections to accommodate haulage trucks from the Development. This commitment extends to ongoing maintenance of the road for the life of the mine. The redesign of the road will benefit all road users.

### STREAKY BAY ROAD INTERSECTION

The intersection of Poochera – Port Kenny Road with Streaky Bay Road will be upgraded to support the Development. Upgrade designs have been provided to both the Department for Infrastructure and Transport and the District Council of Streaky Bay for review and approval. The intersection will be widened to cater to all trucking configurations considered for use at the Development.

An assessment of sight distances for vehicles entering Streaky Bay Road from Poochera – Port Kenny Road has found that the roads exceed the relevant Performance Based Standards (PBS). The existing lane and shoulder widths of Streaky Bay Road to Poochera are also acceptable, based on the PBS.

### ROAD SAFETY AND THE CHANDADA SCHOOL BUS

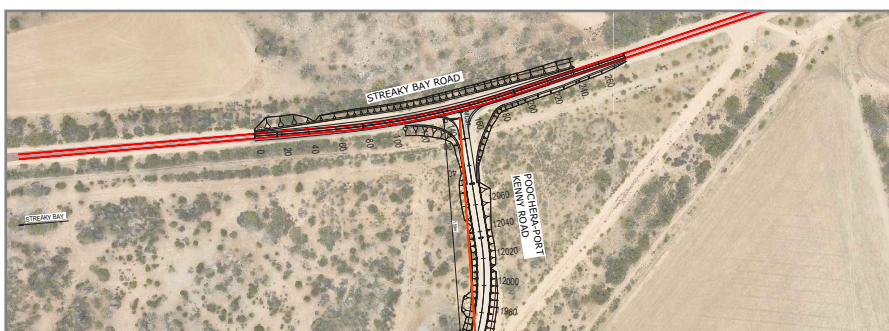

As part of ongoing community engagement, Andromeda maintains communication with the Karcultaby Area School and Chandada school bus drivers. Andromeda has committed to halting haulage trucks along Poochera – Port Kenny Road during the time of school bus runs.

### ROAD SAFETY AND LOCAL ROADS

As a result of ongoing discussions with the local community, Andromeda will implement a policy directing all mine traffic to use Poochera – Port Kenny Road, in order to minimise the impact to other roads and road users in the area.

### FURTHER INFORMATION

# A Celebration of Seafood @ Streaky Bay

*For lovers of Seafood*

Meet the captains of the local seafood industry  
and the chefs that will turn delicious oysters, prawns,  
scaled fish, abalone and crustaceans into  
'A Celebration of Seafood'.

Meet Simon Bryant, Patron of Tasting Australia, and  
from the Cook and the Chef TV series and watch Simon  
prepare a delicious fare that you can cook at home to  
delight and impress your family and friends.

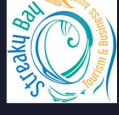

Enjoy the fare with South Australian Petaluma wines  
and cold premium beer.

Ticket \$185 per person all inclusive - plus bf.  
Must be 18 year and over to attend.  
Smart Casual Dress. Covid Safe - if unwell stay at home.

Saturday 16th July 2022 11.30am to 4.00pm

Tickets online: <https://www.ticketbo.com.au/celebrationofseafood@streakybay>

## Eyre Peninsula desalination plant

**Our plan to ensure a long-term supply of safe, clean drinking water for about 35,000 customers in the region.**

A preferred location that has the support of the community and is backed by a viable business case and funding model will be recommended by an independent Eyre Peninsula Site Selection Committee by the end of July 2022.

In support of the Committee, we will be visiting communities on the Eyre Peninsula to provide progress updates and seek feedback on proposed site locations.

Ask us a question if you see us out and about, have your say via our online survey and engage with the project at [watertalks.sawater.com.au](https://watertalks.sawater.com.au)

**EYREWOOLF**  
HOMESTEAD

Flinders Island, South Australia

## RECONNECT WITH NATURE

Eyrewoolf Homestead is a secluded island retreat located 35km south west of Elliston in the Investigator Group of islands. Welcoming just one group of guests at a time offers a chance to exclusively live and feel the freedom of the island lifestyle.

Explore 50kms of secluded coastline, from the rugged and windswept to the protected white sandy beaches. Surf, snorkel and dive the crystal clear waters right in the main homestead bay. Watch wildlife at play, and experience nature at its purest.

### ARRIVE

Travel is part of the experience and guests will be treated to spectacular views of the rugged coastline toward Topgallant Isles and playful wildlife on route to Flinders Island, either by fast landing craft or aircraft. Alternatively bring your own boat for safe mooring, or self fly. Airstrip conveniently located at the homestead.

Our waterfront accommodation sleeps up to 12 guests. See the website for more details, including travel options, accommodation layout, meal packages and experiences.

### DISCOVER OUR ISLAND

Lets talk! Contact us for more information, or book your getaway online via the website.

DISTRICT COUNCIL OF STREAKY BAY

# Job Vacancy

## General Inspector - Full time

The District Council of Streaky Bay is seeking an interested applicant who would like to join our team as a General Inspector. The successful applicant is required to be energetic, motivated and have a high level of work ethic who can show that they can communicate, guide, and implement programs and solutions within the organisation.

The applicant must be able to work within a diverse workforce, contribute and align with Councils strategic vision and pillars. A Job and Person Specification can be obtained from the District Council of Streaky Bay Office or via the Council website [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au).

Applications should include:

- Cover Letter
- One (1) page response to Key Responsibility Areas and skills and knowledge section of the Job Description, outlining experience relative to these responsibilities.
- Resume – including two current referees

**Closing date is 5:00pm on Monday, 16 May 2022.**

Please address applications to the Manager Business and Administration, PO Box 179, Streaky Bay SA 5680 or email to [dcstreaky@streakybay.sa.gov.au](mailto:dcstreaky@streakybay.sa.gov.au) and clearly mark with General Inspector Application.

DISTRICT COUNCIL OF STREAKY BAY

# Job Vacancy

## COMMUNITY INFORMATION OFFICER STREAKY BAY VISITOR CENTRE

Would you like to join this dynamic team in assisting to reach Council's strategic vision to be "*the most liveable community on the Eyre Peninsula*". The District Council of Streaky Bay is seeking an enthusiastic applicant who would like to join our team as a Community Information Officer at the Streaky Bay Visitor Centre.

As the successful applicant you will be enthusiastic, vibrant and enjoy customer service across a range of areas, including visitor servicing, Centrelink clients, general community information assistance, internal and external council stakeholder liaison.

You will be dynamic, enjoy multi-tasking, autonomous in the management of your time and priorities and a willingness to learn.

The position is a part-time position, 21 hours per week, Wednesday to Friday, 8.50am – 5.00pm. Weekend roster work is required during peak season, as well as attendance at out of hours events and meetings when required.

A Job and Person Specification can be obtained from the District Council of Streaky Bay Office, Visitor Centre or via Council Website [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au)

Applications should include:

- A Cover Letter that addresses the Key Responsibility Areas and skills and knowledge section of the Job Description, outlining experience relative to these responsibilities.
- Resume – including two referees (must be from previous/current employer)

**Closing date is 5.00pm on Friday, 20 May 2022.**

Please address applications to the Manager Community & Economic Development, PO Box 179, Streaky Bay SA 5680 or email to [williamspenny@streakybay.sa.gov.au](mailto:williamspenny@streakybay.sa.gov.au) and clearly marked with Community Information Officer. Enquiries phone 08 86267033 (Manager, Economic Development, Penny Williams).
