### *How Much Should People have to pay per night to stay at the Beach?*

The majority of respondents felt that the current rate was sufficient.

72% of respondents also felt that the charge should be inclusive of all persons (e.g. per van per night).

These results were collated the day after the survey closed (noting not all hard copies had been received at this point), and were presented to the Perlubie Management Focus Group on Wednesday 26 October 2022 for their consideration.

Focus group interest was advertised in late August and September with the following persons registering their interest, Brenton Lynch, Lorraine Scally and Trudy McGowan. The focus group consists of 3 Council Members and 3 Community Members, in addition is the Mayor and Council Officers.

The Focus Group considered the results and utilising this information have made a number of *recommendations* to the Council for consideration.

The Council has received a report outlining the recommendations from the focus group and will consider these recommendations for possible endorsement at the November 8 meeting of Council.

Project lead and Council's General Manager of Prosperity, Mrs Penny Williams outlined that a balanced approach was needed in the development of the management measures recommendations, she said: "Considering the beach has been a camping spot for some families for over 60 years, consideration needed to be undertaken to ensure the interests of local residents, campers and local families who have camped at the beach for multiple generations were met".

## Council News Cont.

Local Resident and reference group member, Mr Brenton Lynch spoke about the decision-making process that was undertaken by the committee, he said: “The development of recommendations for Council’s consideration was challenging in terms of obtaining a balance of everyone’s desires. As a reference group the approach we have undertaken was to ensure we have aligned each recommendation with the results from the survey. I think this approach will ensure the most equitable outcomes for all.” – Brenton Lynch

Council CEO, Damian Carter spoke the possible adoption and introduction of new management measures and said it was the start of Council’s journey to manage the beach, stating “We came into this process knowing that the implementation of the proposed management model might not be an initial success with learning lessons to come. In anticipation of this, we have scheduled further reference group meetings to assess the success of the initial measures and to make further recommendation for the refinement of the measures. However, in saying this Council has put its best foot forward through undertaking extensive consultation, including undertaking a survey which had a record number of responses”.

### CEO UPDATE

*From the CEO’s desk*

#### *Summer is upon us*

The first days of warm weather have certainly made us aware that summer is upon us. This warm weather also ushers in an influx of visitors who come to the Streaky Bay region for a holiday by the sea. Last year we saw an extremely busy summer and as a location we somewhat struggled to deal with the extra visitation.

So, what lies ahead for this summer and what is Council looking to do to handle the extra visitation?

In terms of visitation, we have seen a movement away from interstate and intrastate travel to overseas travel and subsequently, a decrease in the domestic visitation market. However, that doesn’t withstand the fact that 1

in 13 Australian families now own caravans, hence we are still expecting high visitor numbers. Understanding this Council is undertaking several initiatives to try and better manage the extra visitation to the region. This includes:

- The placement of extra bins at key locations
- The placement of portaloos at key locations
- Placement of bins outside of the Transfer centre post-Christmas and New Years to assist residents with the extra waste created from their holiday activities
- The facilitation of extra rubbish services when required
- Implementation of additional signage directing caravans and long vehicles to the Wells St long vehicle car park
- Development of a responsible camping campaign
- Engagement of part-time council officer to deal with illegal camping on private property
- Grading of roads to popular tourism destinations
- Council providing staff to open the school pool during non-school hours to provide a safe swimming location for residents and visitors

This year is also the first summer, Council will be managing Perlubie Beach and at Council’s November meeting the following recommendations were endorsed for implementation at the beach commencing on the 15th of December 2022

- An introduction of a permit system to camp on the beach
- Capping of numbers to 20 caravans per night
- Allocation of 10 extra sites (30 caravans per night) for residents during the month of January and the Easter holidays
- Banning of camping in the Perlubie Beach Carpark
- Allocating of a set area on the beach for campers

## Council News Cont.

- Beach fires to only occur in portable firepits and campers to bring their own wood
- Allocation of certain beach shelters for day-use only with flexibility being in place for local scout and school group's camping trips to the beach
- Banning of the emptying of grey water tanks onto the beach and introduction of the rule that all campers must have a self-contained toilet system
- Introduction of booking system for beach shelters to be used for special events

Some may see these initiatives as being quite exciting and will hopefully facilitate a better experience for visitors coming to the region and residents enjoying our amazing communities and beaches.

However, we know this is still a work in progress and particular with the management of Perlubie Beach there will be some lessons learnt and fine tuning ahead. From Councils perspective, we will continue to observe these lessons, consult with our communities, and continue to strive towards the best possible outcomes for all.

FOR IMMEDIATE RELEASE:

**Join the Community Conversation about YOUR town**

The District Council of Streaky Bay in collaboration with WAX Design consultants are seeking to develop plans that will identify a number of future opportunities for the district that facilitate improved liveability.

This consultation follows from the recently held face to face community drop in sessions and provides the opportunity for those that could not participate in the drop in sessions to have some initial input.

The feedback received will be used to inform the draft plans that are due for release for further community comment at the end of 2022.

The input we are seeking from the community include what is special, what is the vision, what is most liked, what could be changed and what could be added that all contribute to making our community's what they are and what they could be.

CEO Damian Carter emphasises "that it is important that these plans are community driven and provide the opportunity for visitors, residents and ratepayers to have input into how they would like to see their community and their townships shaped. These plans will form the basis for future long term financial and annual business planning and play a critical role in advocacy and funding bidding for services and infrastructure. Council want to ensure that this planning addresses current and future needs of the community".

A copy of the survey can be accessed by the QR Code below, hard copies at the Visitor Centre and Main Office, will be available on Council's website [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au), and via Social Media.

The survey will close on Friday, 18 November 2022.

## STREAKY BAY INDOOR BOWLS

There were several notable events at the Streaky Bay Indoor Bowls Club during October.

On 12/10 Darryl Trevena celebrated his birthday 11/10 by cutting an iced fruit cake and he topped off his day by winning the card lucky number.

On the day there were high scores recorded, winner on 41 and runner up on 38.

Each of the October Wednesdays there were visitors listed to play.

In fact on 2 occasions 5/10 and 19/10 visitors were members of the winning team.

On 19/10 two visitors shared the lead position and bowled from alternate ends thus providing 5 players in that team.

And what's more .... the team won the day. (see below) Also on 19/10 Annette Gibbs was welcomed as the Club's newest member. Annette had first played as a visitor earlier in the month.

On 26/10 once again there were 2 teams with very high scores. The teams, while not opposed in the last game, each had recorded 37 shots by the 7th end of the third game and only 1 end left to play. On the day there were several scary deliveries, lots of ooh-ha and hold your breath as bowls teetered on the edge of the mat. Some managed to stay, others just, only just toppled off.

Now that November is here there are thoughts of Christmas lunch dates and venues. The Club Christmas lunch last year was set in the Streaky Bay Hotel on 15/12 followed by 2 weeks recess.

Winning teams were:

Oct. 5 - Roger, John, Jodi (visitor)

Oct.12 - Shirley, Jim C., Raylene

Oct.19 - Jim P., Gay, Cheryl, Peter/James (visitors)

Oct.26 - Julie, Roger, Annie, Bev W.

We are extremely saddened at indoor bowls at the passing of Don Miller, a beloved and treasured member of our club. Don was a fantastic bowler, and at 95 only gave up recently. He was always a great mentored to any new members and friend to all.

## LIONS CLUB

### Become A Lion

Ever wanted to make a difference in your community? Help those less fortunate than you? Make an impact to someone's world? Lions are currently those people doing all these things. And you could be too.

So, would you like to know how to join the world's largest service organisation?

Lions District 201C1 is excited about forming the next group of people to make a difference, in the Streaky Bay area. This could be you! Only 5 people are needed to create a club branch, which will be linked to one of our established Lions clubs.

Please contact Annette Slater on 0407 189 075 or email [annette.slater@outlook.com.au](mailto:annette.slater@outlook.com.au) if you are interested in becoming a member.

## COMMUNITY NOTICE

To all, it's with heavy hearts that we announce the passing of Erwin Franke

Erwin passed away suddenly on November 1, aged 91 years.

Loved by all, cherished by many, he will be dearly missed.

Please note Erwin's relatives and friends are invited to attend his memorial, which will be held in its entirety at the Streaky Bay Community Complex on Sunday 27th November 2pm

## STREAKY BAY CATHOLIC CHURCH

'After enduring a range of weather conditions and events over more than sixty-five years a new roof, gutters and downpipes now adorn St. Canute's Church in Streaky Bay.

The project was made possible through a most generous bequest from Ailys Milburn, a much-loved and respected parishioner, a Community Grant received earlier this year from the Streaky Bay Community Hotel and the generosity of the Streaky Bay Community.

So many of you purchased raffle tickets over the past four years at Easter and Christmas to help fund this initiative.

Our Parish Pastoral Council thanks your community-minded spirit and generosity.'

## STREAKY BAY PROBUS

We have unfortunately lost another one of our members in Don Miller. Condolences go to the families at this time of sadness.

As the picture shows we had our newest member in Nick Carroll presented with his members badge from President Peter Elyward.

Our bus trip to Colton Bakery on the 6th went extremely well.

16 members and 3 visitors boarded the bus at the RSL and headed for Colton to check out the bakery.

We were welcomed by the owners in Mark and Corina Reynolds who showed us around the bakery then invited us to have morning tea on their back veranda.

Freshly cooked buns with jam and cream were given to us. Probus supplied tea/coffee.

After morning tea we went and had a look at the old church next door to the bakery.

Members spent about 1 hour there before boarding the bus and travelling back to Venus Bay to have lunch at the general store. The food and service could not be faulted.

From there it was back on the bus for the trip home.

On the 17th October we had Ian Jenkins as our guest speaker. Ian is in charge of the Blancheport vineyard run by the school.

Once again a very good presentation with some nice sampling afterwards.

On this day we also had 3 visitors in Annette and Peter Gibbs as well as Nicki Mayhew.

Our next meeting will be on the 20th November which we will have speakers talk about diabetes and conduct a FREE diabetes check. This presentation will be open to Men's Shed, Probus and Indoor bowls members and partners.

## STREAKY BAY MENS SHED

The Men's Shed members would like to congratulate the Bay Community Op Shop on their official opening.

Thanks to Jim Clarke who has stained it we have now finished the seat for the skate park. (see picture)

Last months edition was work in progress.

Our pallet storage area has now been cleaned up and looking a lot better thanks to Malcolm Brace. We have salvaged some good timber out of these pallets.

We have done some work for health connect repairing some flywire screens. Thanks to Jim Petty, Mick Le Cerf, John O'Brien and John Lelifeld for taking this project on.

Some members have repaired two chairs that were given to us. These have now been bought by one of our members in Owen Pritchard.

Some stools that were given to us by the hotel have been sold and we now only have 10 left.

The stocks in the craft shop now have been replenished with push carts, dice, bird boxes and hobby horses.

Other small jobs on the go are a table that needs reglueing in the legs and some metal planter box holders (see pic below of planter box holder)

We were asked if we could make a ladder and we said yes.

## SA COUNTRY WOMENS ASSOCIATION INC

A first date memory was our roll call for the October meeting and they came thick and fast! From being pestered by the lads at dances, being stood up, girl groups scouting for dates for each other, being picked up at a wedding because of the hot pants worn, lads pleasing the gal's mother with chocolates and flowers, creek rendezvous, Royal Shows, boy bets who'd be the pick-up success, cinema dates alone or with a family representative, to the boy who runs off when sighting the mother come around Piednippie Hall corner, it was great to hear of the behaved days of our youth . We followed up with our photo presentations of at least two generations of family and the stories behind them. Photos from the early 1900s are still of remarkable quality – but as were those days, they never smiled – so serious .

Our members love their floral contributions and we had the treat of gorgeous colours for that meet.

Ceduna hosted a "Table Day" competition, a "skill-off" for a baked cake, floral display, handicraft and preserve, at Ceduna in October. Ceduna won the day by ¼ of a point (this is serious marginal judging!), however, we received perfect scores for the cake and jam entries. Well done to the nine Streaky Bay entrants and support crew.

We'll have a stall at the upcoming Streaky Bay Markets on Sunday 27/11/22 with our baked goods and handicraft wares. See you there.

New members always welcome.

# Council Waste Matters

Cardboard is free to drop off at the Transfer Station and greatly reduces the volume in your kerbside bin reducing what goes to landfill.

The cardboard is baled on site and freighted to YCA Recycling in Adelaide for recycling. A truck load of 80 bales was transported in January.

A reminder that the transfer station accepts the following non-deposit items for recycling:-

- Plastic milk and cream bottles, washed with the lids removed – opaque in colour
- Cardboard, cut or broken up into pieces that fit into a 240litre wheelie bin (please note that cardboard and cardboard boxes not to the correct size will be charged)
- Tin and steel cans, e.g. fruit tins, soup cans, etc. – washed with the lid put inside the tin

Please ensure your waste is sorted prior to arrival, this avoids contamination of waste.

The Environment Protection Authority (EPA) has imposed strict conditions on the disposal of waste in South Australia. The attendant will direct you to where your waste is to be placed – penalties will be imposed on Council for contaminated waste by the EPA. Your cooperation in sorting your waste is greatly appreciated.

The attendant has the right to refuse any waste that is not sorted.

Other items which are free to drop off at the Transfer Station are:

- Green waste – please see attendant before dropping off
- Steel; and
- Car Batteries
