STREAKY BAY INDOOR BOWLS

The Streak Bay indoor bowls kicked off the 2023 season on January 11.

This date was a week earlier than originally planned but many players were ready and the feeling was - why not start now.

On the day 13 bowlers formed teams of triples and one four. Winners see below.

The next Wednesday a decorated pavlova was presented for the birthday of Connie Robinson on 27/1 and 16 bowlers were assigned to play on the 3 mats. Two non-playing visitors also attended on the day.

It was a day of high penalty scores!

The scoreboard after 2 games showed penalties awarded were 4x4 and 1x3. And another 1x4 was awarded in the game following the afternoon tea break.

All the Wednesday games deliver close competition, many laughs and an abundant friendly chatter.

Everyone enjoys the company and visitors are always welcome.

Winning teams were:

- Jan. 11 = Roger, Julie, John
- Jan. 18= Julie, Raylene, Roz, Annette
- Jan. 25= Shirley, Neville, Roger

Unusually 2 ladies teams played off with lots of fun and laughter.

Connie Robertsons celebrated her birthday for January.

STREAKY BAY PROBUS

First up I apologise for not getting anything in the January edition.

Way back on the 15th December the club had their Christmas lunch at the hotel.

A great meal was served without any complaints.

Thanks to Peter Eylward for arranging the entertainment for the day.

While on the hotel I would like to thank (on behalf of the members) the staff of the hotel for setting up the room for our meetings each month. Much appreciated.

Our first meeting back was the 19th of January. Numbers were down to what they usually are.

It was great to see Pauline and Ross Montgomerie there after missing a lot of the meetings over the previous year.

Our guest speaker for this meeting was Sandy DeSira from the National Trust Museum. Sandy was supported by Neil Humphry Morgan. For someone that said she is nervous speaking to people she did a tremendous job.

Neil has offered to speak at one of our meetings.

Our next meeting will be on the 16th February.

Don't forget our March meeting will be our AGM

STREAKY BAY MENS SHED

My apologise for not getting anything in the January edition.

We are back at the Men's Shed as of the 6th January after our Christmas break.

Thanks to all our members that helped with the New Year Eve BBQ. Thanks to Rob Feibig for taking on the making of the Yiros. It turned out to be a great idea.

Thanks to Jess Davis and the committee who organised the event and also to the council for the lend of the marquee.

We have fitted our new hose from the bandsaw to the dust extractor.

Our members are working on some small pull along carts with trailers at present. Also looking at making some trucks (see pic below)

We have been asked if the metal pot plant holders we make can be made with a larger pot holder to take bigger pots.

STREAKY BAY CATHOLIC CHURCH

This past week people in communities like ours marked Australia Day. The actual date has become a flashpoint for division. Some people mark it with celebrations, for others it is a day of sadness and mourning and a reminder of a challenging and confronting history. In the Catholic faith tradition, it is a National Day of Prayer. So, it is poignant and timely for people of faith to ask: What are our hopes and aspirations for our nation that we should be praying for and about today?

Firstly, we need to pray for and actively live and promote the values we seek for our nation and its people ... tolerance, understanding, kindness, respect (including respect for life in all its stages) compassion, inclusion, justice, an end to poverty, forgiveness and peace. These are the values that were close to the heart of Christ.

Secondly, we need pray that Christians and people of other faiths will be strong and courageous in living the aspirations and values of their faith and that religious freedom and tolerance will be foundational in our nation as we move forward.

Thirdly, we, as a nation, Churches, communities and individuals need to engage in an urgent and respectful dialogue with our first nations brothers and sisters, many of whom are resident within our West Coast communities. Later this year we will be invited to vote in a Referendum which seeks to give a Voice to our Aboriginal brothers and sisters in the National Parliament. Every Australian has the opportunity to further the long journey of reconciliation and to enshrine the identity and proud history of our first nations People in the Australian Constitution. This is a sacred and privileged responsibility to which we are called and something we both need to pray and be well informed about.

Finally, we need to offer prayers of thanksgiving. We are blessed to live in a naturally beautiful and democratic country like Australia. In our backyards there is an abundance of wildlife, productive agricultural land and fisheries, national parks, rugged coastlines and pristine beaches and people who care about each other. There is so much to be grateful to God for.

STREAKY BAY HOSPITAL AUXILLIARY

It has been some time since our last meeting, our next meeting will be at the Hospital Boardroom on Tues Feb 14th at 2p.m.

Volunteers have continued with their efforts in keeping up the grounds of Hospital and Elmhaven and have appreciated the nomination and winning the award on Australia Day, though we certainly don't expect to be rewarded for our efforts to know that we have made a difference has been a reward in itself.

It would be nice to have a few more willing to help enabling us to have a group for each venue.

Since our last meeting we have had the 7 outdoor blinds installed at Elmhaven and the area is certainly looking up thus encouraging the residents to want to spend time outside.

The ride on mower has had its day and we have put in a request for a new one hopefully that happens soon though dealing with the endless govt departments necessary to have our request granted not holding our breath.

A successful night for both facilities was held recently at the Bowls club resulting in a generous cheque for over \$1000.00

Christmas and New Year have come and gone and we wish everyone a Happy and prosperous 2023 hope to see few more members joining our auxiliary this year.

Meeting Tuesday Feb 14th 2p.m at Hospital boardroom.

EYRE PENINSULA LEADERSHIP DEVELOPMENT

Eyre Peninsula Leadership Development Program
Are you interested in taking part in our leadership development program? Fill out our Expression of Interest form for more information.

In 2023 RDAEP is teaming up with Champions Academy to deliver a deep impact leadership program, designed to empower individuals to recognise and apply their human potential, to shape the future that they want for Eyre Peninsula.

Over the course of three 'retreat-style' residential, participants will:

- develop strong peer networks;
- work together with behavioural expert and 'humanpreneur' Shelley Wild;
- work together with leading demographer, author and futurist Bernard Salt; and
- work with award-winning change agent Sarah Prime – along with a number of inspirational local leaders and guest mentors.

What do you need to know?

Each two-day residential will be hosted in a different location across Eyre Peninsula, two months apart.

Dates are currently being finalised but sessions are expected to be held in late March/early April, June and August (with some short online group catch ups and individual mentoring in between).

Program completion and a graduation event will take place in October.

Anyone aged 18 or older and residing on the Eyre Peninsula is eligible to apply.

A program of this calibre would generally cost in excess of \$5,000 per person, but scholarships are being offered to a limited number of lucky Eyre Peninsula applicants through funding from Primary Industries and Regions SA (however, please note that there is an expectation that successful applicants do contribute a small amount to demonstrate their commitment to the program – this contribution will be confirmed with participants at the time of acceptance into the program).

If you'd like more information, please email tamsin.scholz@rdaep.org.au.

Regional Development Australia Eyre Peninsula (RDAEP) has been funded to provide a leadership development program for the Eyre Peninsula in 2023. This program is funded by the South Australian Department of Primary Industries and Regions to provide a place-based leadership development program.

Holiday makers often extend their stay to be involved and locals invite family and friends from outside the district to come along and join in the fun. Streaky Bay Tourism & Business Association Inc put up hundreds of dollars annually as the prize money and local business Killa's cater for the event with a sausage sizzle and giveaways such as fishing tackles and rods & reels as major prizes. The local Hotel donates raffle prizes, and local residences assist in welcoming the Anglers and in recording the weight and species of the fish caught on the day. Local couple, Donald and Janet Williams, over numerous years have donated a quality rod and reel for the 'Unluckiest Angler'. The event contributes to the social and economic prosperity within the community, often visitors will extend their stay to attend or participants from out of town will visit and partake, whilst they are here they are beneficial for all local businesses within the town. The last few years the number of female Anglers participating has increased, which promotes gender neutrality and diversity within the community.

Award for Active Citizenship – Streaky Bay Hospital & Elmhaven Gardeners

The Streaky Bay Hospital and Elmhaven Gardeners are a group of active enthusiasts who maintain and design the gardens at the Streaky Bay Hospital and Elmhaven Retirement village. The group regularly manicure, plant, mow and generally prune and tidy the area. They have created a beautiful and peaceful atmosphere, with beautiful pops of colours and manicured garden beds for patients and visitors to enjoy. The gardens are regularly commented on and have received great feedback from the community.

The District Council of Streaky Bay were fortunate enough to be successful in a grant from the National Australia Day Council which enabled Council's breakfast event to be turned into a Free Family Fun Day. This saw the addition of giant board games for families, large bean bag seating for social interactions, free bouncy castles, face painting and a sausage sizzle for lunch. The event was a great success and received very positive feedback.

Mayor, Travis Barber and Penny Williams

This event was Assisted by the Australian Government through the National Australia Day Council. Council would like to thank the National Australia Day Council for the grant funding and all the volunteers that assisted in making the day a success.

About MeatUp

MLA MeatUp Forums, first held in 2021, deliver the latest in red meat Research, Development and Adoption (RD&A) and are held throughout southern Australia. MeatUp Forums are designed by producers for beef, sheep and goat producers through the input of Regional Producer Working Groups.

This means the program is purposely designed to be relevant to the needs and interests of red meat producers in the local region that MeatUp is being held.

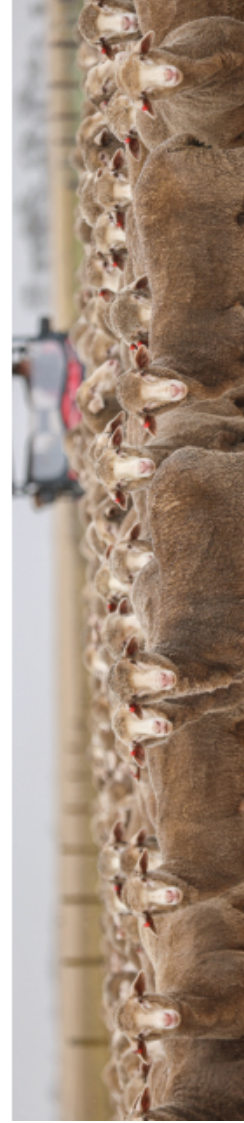

MeatUp Forums are an MLA initiative and delivered by Pinion Advisory.

- Hear from and network with leading producers, industry representatives, advisors and researchers.

- Identify opportunities to drive on-farm productivity and profitability.

Wudinna event features

- Producer presenters share practical, commercial insights from their sheep enterprises.
- Key topics include getting the most from mixed farming systems, effective legume pasture systems, improving grazing management decision making, optimising reproduction, carbon, smart implementation of eID and more.

Council Waste Matters

Cardboard is free to drop off at the Transfer Station and greatly reduces the volume in your kerbside bin reducing what goes to landfill.

The cardboard is baled on site and freighted to YCA Recycling in Adelaide for recycling. A truck load of 80 bales was transported in January.

A reminder that the transfer station accepts the following non-deposit items for recycling:-

- Plastic milk and cream bottles, washed with the lids removed – opaque in colour
- Cardboard, cut or broken up into pieces that fit into a 240litre wheelie bin (please note that cardboard and cardboard boxes not to the correct size will be charged)
- Tin and steel cans, e.g. fruit tins, soup cans, etc. – washed with the lid put inside the tin

Please ensure your waste is sorted prior to arrival, this avoids contamination of waste.

The Environment Protection Authority (EPA) has imposed strict conditions on the disposal of waste in South Australia. The attendant will direct you to where your waste is to be placed – penalties will be imposed on Council for contaminated waste by the EPA. Your cooperation in sorting your waste is greatly appreciated.

The attendant has the right to refuse any waste that is not sorted.

Other items which are free to drop off at the Transfer Station are:

- Green waste – please see attendant before dropping off
- Steel; and
- Car Batteries
