Council News

GOVERNANCE

Council Strategic Plan

The draft long-term strategic plan has recently completed public consultation. Council Officers are also developing engagement tools to gather input from the community, to develop the community plans. These plans will be created for the townships of Haslam, Streaky Bay, Wirrulla, Poochera, Sceale Bay, and Perlubie/EBA Anchorage. The plans will identify each community's wants in terms of projects, services, and programs. To develop these plans, we will present each community with a list of potential initiatives, derived from strategies such as the township masterplan, for ranking and feedback. The resulting community plans will guide the Council and the Community Reference Group in developing the four-year Council plan.

Eyre Peninsula Local Government Association Conference – Streaky Bay

The EP LGA Conference will be held in Streaky Bay next year and Council Officers are continuing planning for the event. The event will attract around 200 individuals to the town. If you are interested in sponsoring this event, please contact the Council Office on (08) 86261001.

INFRASTRUCTURE

CBD Garden Beds and Road Verges

The Parks and Gardens team has initiated a rejuvenation project for the CBD garden bed and road verge by removing old, dead vegetation and will be replacing with low-maintenance trees or plants. This effort aims to enhance the area's aesthetic appeal and sustainability.

CBD Bollards and Toilet Fencing

From the 26 July through to 2 August, contractors and Council staff will be working collaboratively to remove and install new bollards at the Alfred Tce/Bay Road intersection. Traffic Management devices will be installed during this period and Alfred Tce will be one way with detours in place. During the installing of the replacement fencing in front of the CBD toilets, the toilets will be closed.

INFRASTRUCTURE CONTINUED....

Streaky Bay Jetty Repairs

Department of Infrastructure and Transport Officers have met with Council Officers and Elected Members to discuss the repairs, design specifications, timeframes, and communication strategy. This was followed by a public question and answer session held on site at the Jetty on 16 July 2024. Council will continue to provide updates through its various media channels as this project progresses.

Roads Update

Roads – Construction

Currently completing

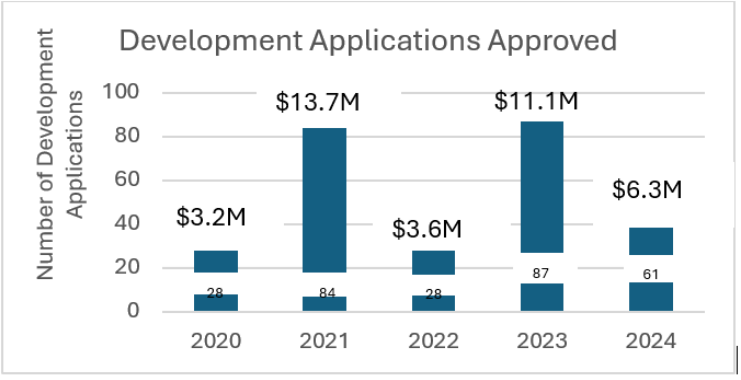

- Westall Way Loop - Yanerbie Rd to Reef Road (Fisherman's Paradise)

Montgomerie Terrace Shared Use Path

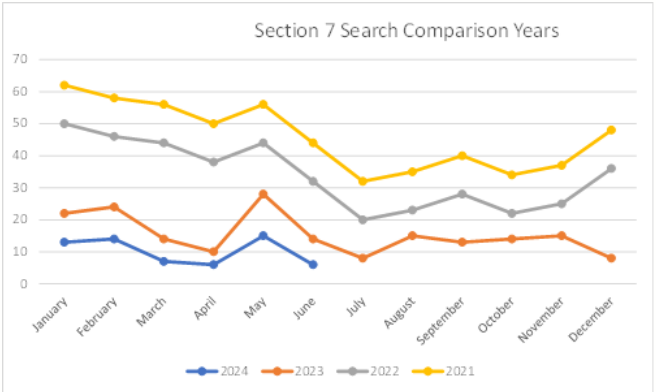

Draft plans are currently being developed for this project with a view to developing a shovel ready project for future funding opportunities.

Council News

ECONOMIC DEVELOPMENT/ TOURISM

Western Eyre Connectivity Plan

A final meeting regarding the Western Eyre Peninsula Connectivity Plan has been held and Council Officers are awaiting a draft connectivity plan.

Eyre's Waterhole Camping

Council Officers met with representatives of the Department for Infrastructure and Transport and discussed this matter. The outcome of this meeting was that both parties agreed that the location would no longer be considered a requirement for an overnight rest stop and the Department representatives would investigate a collaborative approach to cease overnight camping at the location and focus on the location as a visitation attraction as preference to overnight camping.

In further discussions with DIT written approval was required from both the Aboriginal Lands Trust and local Wirangu Committee to allow access to the well site and had to be in place before signage could be amended, this was successfully negotiated by the department. The Wirangu were supportive of the public accessing the site and happy for the site to be dual named Cooyeanna Well – Eyre Waterhole. The Department will request the maintenance contractor, to remove the existing 1km and 400m ahead rest area signage, on both approaches to the rest area and replace them with an visitor attraction sign. It is anticipated that the above signage changes will be undertaken by the end of August 2024.

SUSTAINABILITY

Tree Removal

Council have engaged contractors who undertaken removal of a number of dead trees within the township of Streaky Bay. Further works will be programmed for later in the year.

Haslam Landfill Site – Clean Up

There are a number of occurrences of illegal dumping that has occurred at the Haslam Landfill Site, a letter was sent to all Haslam residents outlining that this was unacceptable and the gate from the township to the site had a padlock placed on there.

Historically there has been a number of oyster baskets, an old (non-operational) oyster grader and two (non-operational) tractors that have been disposed of at the site.

SUSTAINABILITY CONTINUED....

The amenity of this has only seen to encourage further illegal dumping. In addressing this a second letter has been sent to all Haslam residents and oyster growers requesting information and removal of the Oyster Baskets and old Tractors by the end of August 2024, advertising has been placed on the equipment and in the Criterion. Should removal or contact not be forthcoming then the items will be appropriately disposed of.

2024 COMMUNITY GRANTS PROGRAM

The District Council of Streaky Bay remains dedicated to encouraging local events, projects, programs, and activities. Acknowledging the vital role of sponsorships, grants, and donations in empowering community-led initiatives, the Council is committed to supporting innovative projects that align with its strategic goals. As part of the 2024/2025 Annual Business Plan, the Council endorsed and allocated $30,000 to the Community Grants Program. This initiative highlights the Council's dedication to fostering community growth and capacity building.

During June 2024, the Community Grants Program welcomed applications, receiving 10 submissions with a combined project value of $393,372. At its meeting on Tuesday, 16 July 2024, the Council resolved to support the following funding applications:

- Streaky Bay Districts Road Safety Group – Senior First Aid training for new drivers
- Streaky Bay Tourism and Business Association – Rodeo By The Sea Event Marketing support
- Perlubie Sports Day – Event Insurance
- Arts Up – Exhibition workshops and community crafternoons
- Thrive – The Men's Table, men's mental health program
- Men's Shed – Event Marquee
- Streaky Bay and Districts Community Complex – Oval Light Replacement Program
- Streaky Bay Children's Centre – Replacement of Swings
- Wirrulla Sports and Recreation – Barriers for playground safety
- Streaky Bay RAOB – Waste levy scheme support

Council looks forward to seeing these projects and events come to life for the district, reinforcing the commitment to fostering a thriving, innovative, and connected community.

Council News

COMMUNITY DEVELOPMENT

Regional Childcare Desert Advocacy Project

Council received a report outlining the South Australian Regional Childcare Desert Project. This project aims to bring together representatives from regional areas that are experiencing no or limited Childcare in their districts. Council will be providing support to the group and keeping abreast of the current issues across the state.

TREE GUARD GIVE AWAY

Council has a number of wire cyclone mesh tree guards covered with shade cloth to GIVE AWAY at the Transfer Station. These are used and now surplus to requirements. Please contact the Main Office on 08 86261001 and talk to Michelle to arrange collection. Depending on interest numbers per person may be limited.

FROM THE CEO'S DESK

From the CEO's Desk: Commencement of Streaky Bay Jetty Remediation Works

I am delighted to announce that the District Council of Streaky Bay is fully supporting the Department of Infrastructure and Transport in commencing essential remediation works on our beloved Streaky Bay Jetty. As part of the SA Jetties Renewal Program, these works are critical for enhancing the structural integrity and extending the lifespan of this iconic landmark by at least 30 years.

The 340-meter-long Streaky Bay Jetty is not only a major tourist attraction but also a vital facility for our community, serving both commercial and recreational fishers. Since 1936, the jetty pool has provided a safe, shark-proof swimming enclosure, and its vessel berthing and mooring facilities underscore its importance to our town.

Following comprehensive structural assessments and investigations earlier this year, the necessary remediation works have been identified. These works are scheduled to begin in September 2024 and are expected to be completed by the second quarter of 2025.

Key Aspects of the Remediation Works:

- Replacement of structural timber piles with steel piles.
- Replacement of decayed timber structures.
- Upgrades to berthing and mooring structures, including additional piles and rubber fenders at the sea end of the jetty.
- Installation of new safety ladders for easier onboarding and offloading of berthed vessels.
- Addition of new resting benches adjacent to the jetty shelter.
- Extension of handrails where needed.

FROM THE CEO'S DESK CONTINUED...

These upgrades will enable the new berthing and mooring structures to accommodate vessels up to 70 tonnes, adhering to Marine Facilities Standards and ensuring the jetty remains a valuable asset for local industry.

Additionally, the District Council of Streaky Bay will retain some timbers from the project for future community projects, preserving a piece of our local history and ensuring the jetty's legacy continues to benefit our community. The Council has been advocating strongly for the restoration of vehicle access on the jetty to support local industry. Vehicle access allows for the unloading and loading of boats and refuelling.

Impact on Jetty and Pool Access: For the safety of our community and contractors, the jetty will be temporarily closed during the construction period. This includes marine vessels, which will not be able to berth at the jetty. Alternative berthing and refuelling options will be available at Thevenard or Venus Bay.

Despite these temporary closures, we are committed to minimising disruptions by:

- Keeping the Streaky Bay Jetty Platform open throughout the construction period.
- Supporting the closure of the jetty pool by adding extra sand to the beach underneath the jetty platform to ensure swimming can continue and exploring options to extend the school pool's opening hours.
- Ensuring key events, such as the Family Fish Day and New Year's Eve fireworks, will not be affected.
- Making efforts to partially open the jetty and jetty pool over the Christmas and New Year period to ensure community enjoyment during the festive season.

The Haslam Jetty remediation works are expected to occur concurrently with the Streaky Bay remediation works, maximizing resource efficiency. While we understand the temporary inconvenience, these necessary works will greatly enhance the safety, functionality, and overall experience of the Streaky Bay Jetty, benefiting our community for decades to come. We view these efforts as "short-term pain for long-term gain."

We will provide more detailed updates as they become available. Thank you for your continued support and understanding.

Warm regards,
Damian Carter
CEO, District Council of Streaky Bay

THE DISTRICT COUNCIL OF STREAKY BAY LONG TERM STRATEGIC PLAN 2045

Have Your Say: Provide Your Feedback on the Draft Long-Term Strategic Plan 2045

The District Council of Streaky Bay is thrilled to present the draft Long-Term Strategic Plan 2045. This forward-thinking document aims to guide our district's growth and address community needs over the next 20 years. Developed in consultation with the community reference group and Council, this plan incorporates the valuable insights gathered during our initial consultation phase. We highly value your input and invite you to share your thoughts on this significant plan.

Why Participate?

Your feedback is essential to ensure that our long-term strategic vision aligns with the aspirations and values of our community. By participating in this survey, you will play a key role in shaping the future of Streaky Bay and District.

Next Steps After Adopting the Long-Term Strategic Plan

Following the adoption of the Long-Term Strategic Plan, Council will develop a detailed Four-Year Council Plan. This plan will specify the projects and lobbying efforts that Council will pursue over the next four years, providing a focused approach to achieving the broader goals set out in the long-term strategy.

How to Provide Your Feedback

We encourage you to complete the survey to share your thoughts and insights on the draft Long-Term Strategic Plan 2045. Your participation is crucial in ensuring that the plan accurately reflects the community's needs and aspirations. **The survey closes COB on Friday 16th August 2024.**

VIEW THE DRAFT PLAN HERE

COMPLETE THE SURVEY HERE

Together, we can create a vibrant and resilient future for all. Your participation will help the District Council of Streaky Bay develop a strategic plan that truly represents our community's vision and needs.

PUBLIC NOTICE

ABANDONED ITEMS TO BE REMOVED

DISTRICT COUNCIL OF Streaky Bay

Abandoned Tractors, Oyster Grader and Oyster Baskets on Crown and Council Land at Haslam

Do you or do you know who owns the tractors or oyster grader?

If these abandoned items belong to you, please remove them by the end of August 2024. Otherwise, they will be sent to the wreckers.

Do you or do you know who owns these oyster baskets?

The Council is seeking to have all oyster baskets removed from this site by 1 September 2024. Storing or disposing of oyster baskets at this location is no longer permitted.

If you are the owner of these items or have information about the owners, please contact the Council.

Contact Information: Penny Williams General Manager of Prosperity (08) 8626 1001

PUBLIC NOTICE

HARD WASTE DISPOSAL WEEK

DISTRICT COUNCIL OF Streaky Bay

Attention all ratepayers and residents!

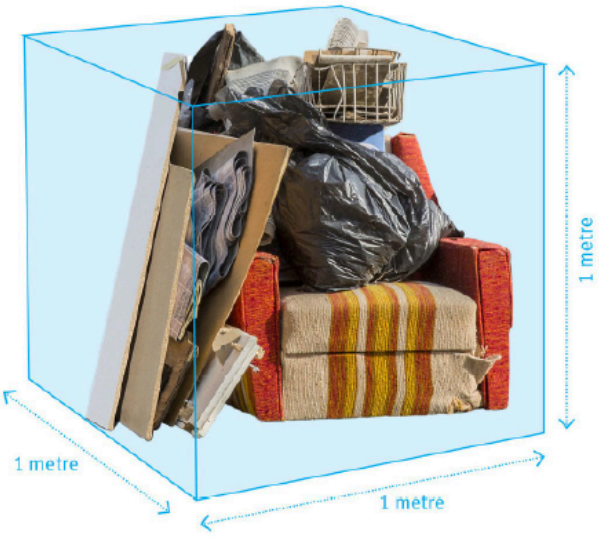

Embrace the opportunity of a complimentary hard waste disposal week happening from:

Tuesday 8th October to Saturday 12th October

Make use of this occasion to dispose of your hard waste at the Streaky Bay Transfer Station or Cungena Landfill Site (by appointment only) at absolutely no cost.

Permissible Quantity:

- Up to one cubic metre (approximately equivalent to a 6 x 4 trailer without a cage)
- Or, 1 x Three-seater sofa
- Or, 2 x White goods

Kindly note:

- Strictly no household rubbish; hard waste items only.
- Please ensure items are sorted appropriately.

Accepted items for free disposal include:

- Fridges, freezers, air conditioners (must be degassed)
- Household white goods (e.g., washing machines, stoves)
- Household furniture (cupboards, chairs, bed frames only - no mattresses)
- Scrap metal and timber
- Electrical appliances (e.g., TVs)
- Rolled-up carpet
- General household materials (e.g., doors, kitchen sinks)

Transfer Station Opening Hours

- Monday CLOSED
- Tuesday 9:00am – 12:30pm & 1:30pm – 4:30pm
- Wednesday 9:00am – 1:00pm
- Thursday CLOSED
- Friday 9:00am – 12:30pm & 1:30pm – 4:30pm
- Saturday 8:00am – 1:00pm
- Sunday CLOSED

The following items are not accepted:

- General household waste
- Mattresses
- Commercial waste
- Liquid waste (e.g., motor oil, paint)
- Concrete, bricks, rock, dirt, sand
- Gas bottles, asbestos
- Ammunition/explosives
- Car bodies, car parts, tyres

Cungena Landfill Site
Open by appointment only
Glen - 0428 885 114
Kerri - 0429 239 030

For further inquiries, please reach out to the Council office at 08 8626 1001.
Let's keep our community clean and green together!

PUBLIC NOTICE

WASTE MATTERS

DISTRICT COUNCIL OF Streaky Bay

EFTPOS payment now available at the Transfer Station

With the introduction of the new ''Cooee'' on-line waste reporting system at the Transfer Station, you can now pay for your waste disposal fees with EFTPOS.

Recycling (Betta) Bags

A limited supply of the recycling (betta) bags have arrived. If you would like to secure a bag, these are available from:

- Council Main Office, 29 Alfred Terrace;
- Streaky Bay Visitor Centre, 21 Bay Road; and
- Streaky Bay Waste Transfer Station, 28964 Flinders Highway

Clean Green Waste Drop Off

Please ensure that your green waste is clean and free of contaminants, i.e. plastics, cardboard, other timber (treated and untreated), household rubbish, etc.

Branches and trunks from larger trees should be cut to a maximum size of 500mm wide and 1000mm long. As the green waste is shredded by a contractor this size is the maximum that can be put through their shredding machine.

Recycling Options in Streaky Bay

Printer Cartridges

You can take your used printer cartridges for recycling to the:

- Streaky Bay Visitor Centre, 21 Bay Road; and/or
- Streaky Bay Waste Transfer Station

Mobile Phones and Accessories

All brands of mobiles, chargers, accessories, wearables and wifi dongles can be dropped off for recycling at the:

- Streaky Bay Visitor Centre, 21 Bay Road; and/or
- Streaky Bay Waste Transfer Station, 28964 Flinders Highway

Batteries and Mobile Phones

Batteries, including household batteries, laptop and power tool batteries, button cell batteries and mobile phones and accessories can be dropped in the Battery Recycling Units located at:

- Mitre 10, 12 Bay Road (located at checkout);
- IGA Supermarket, 30-32 Alfred Terrace (located near magazine rack at front of store); and at
- Streaky Bay Foodland, 6 Bay Road (located at entrance door)

Batteries, including motor bike, car and truck batteries can be taken to the Streaky Bay Waste Transfer Station located at 28964 Flinders Highway.

Medicine Blister Packs and Old Medicines

Streaky Bay Pharmacy on 13 Bay Road offers recycling of empty/used medicine blister packs and old medicines.

Waste Motor Oil/Sump Oil

Your used motor/sump oil can be taken to the Streaky Bay Council Depot for disposal. Please contact the Council office on 8626 1001 to arrange a drop off time.

Paint (liquid) and Gas Bottles

Paint (liquid) and gas bottles are not accepted at the Streaky Bay Waste Transfer Station.

Dry paint is perfectly safe to dispose of in your waste bin. If you have any liquid paint that you need to dispose of just leave the lid off for a week or two to dry out and then simply tap the hardened tablet of paint out of the tin and place in the waste bin. Empty, dry paint tins can be taken to the Streaky Bay Waste Transfer Station for disposal.

Gas bottles can be taken and recycled in Port Lincoln at EP Recycling Specialists, 1 Mundy Court, Port Lincoln – 0429 307 135. A fee applies for disposal.

DrumMuster
(empty agricultural chemical containers)

Clean and rinsed chemical containers which have the drumMuster logo can be taken to the Streaky Bay Waste Transfer Station for disposal.

Community News

INDOOR BOWLS

Since the new mat was positioned on 19/6 (see ceremony photos) everyone has had the opportunity to bowl on the new surface and there has been some impressive results.

A new life has been found for the old mat. It now acts as flooring in the 2 windows at the new site of The Community Op Shop. Indoor bowls attendance has varied 12 to 18 over the past weeks. On one Wednesday the last game for the afternoon brought unexpected circumstances. Five times the kitty was dislodged off the mat! That's 5 penalties in one game. July 17 was also one of all eyes on the scoreboard. The 4 teams bowling on the day each finished with a total score in the teens at the end of the game 2. A win in game 3 was vital for each team. Scores seesawed throughout and finally at the end of the day a shots count gave the win to Gay's team 32 from Darryl 30.

There was only one birthday in July, that of Raylene Fiebig 2/7.

Winning teams were =

June 26 = Marlene, Raylene, Thip

July 3 = Bev W., John, Lena

July 10 = Bev W., Darryl, Marj

July 17 = Gay, Joylene, Owen

PROBUS

Our Probus club was nominated to host a Rally this year and it has been our focus for this month. Getting invites out to EP Clubs.

It will be held on the 10th September at the community Club. We are hoping to have between 100-150 people here in our town to stay for 2-3 days.

We are aiming to showcase all we have to offer here in Streaky Bay.

Our guest speaker this month has been Tony Ey from the RAA. Tony returns every year to update us on new road rules and he is always very entertaining.

Our happy chat coffee morning was held at the Streaky Bay Hotel, with 12 attending, sharing photos of each other when younger.

A big thankyou to the Streaky Bay Hotel board for a grant of $150 to pay for our recent trip on the bus to Yantanabie.

PROBUS CONTINUED...

Our next meeting is on 15th Aug. New members are always welcome to attend. 10am in the Flinders Room

MENS SHED

Our numbers have been down to what they usually are with members away and other with appointments.

The members of the Men's Shed would like to thank the Hotel board of directors for their recent grant donation. This money will be used to install a much needed security system at the Men's shed.

We have taken on a project for the council to restore the old seat located in the Post Office carpark. The council have removed the seat and delivered it to the Men's Shed. We have taken pictures of the original and dismantled it.

New slats have been picked up along with the paint which because it is heritage listed had to match the existing colour. New uprights/supports have been made thanks to John Lelifeld. Once the seat is completed we will then tackle the frame work and roof.

The shed has stained a small chair that has come up well. (see pics below)

Our small wooden toys we sell in the craft shop have had new designs added. (see pic below)

The bird nesting boxes have also had some mods with perches added to the sides.(see pic below)

We are still getting old reading glasses from people. These will be sent to Port Lincoln for checking and then sent overseas to under privileged people. Glasses can be dropped off at the Men's Shed on Fridays.

Bags of kindling can be picked up at the Men's Shed on Fridays. Cost is $5 per bag.

It was great to see four members at the recent RAA presentation on the 18th July.

Those who attended were Garry Hodge, Jim Clarke, Sandy Johnson and Wayne Miller.

Community Dates and Meetings

3rd August	WCHFNC	West Coast Hawks vs Koonibba	Koonibba Complex

REPLACE the WASTE

PLANNED BANS

1 September 2024

South Australia is taking the next step of a phased and manageable move away from single-use plastics, further enabling all South Australians to replace the waste by avoiding single-use plastics and adopting reusable and compostable alternatives. It is planned that the following items will be banned and restricted from **1 September 2024.**

PLASTIC BARRIER BAGS

These will be phased out, enabling the market to switch to compostable alternatives, certified to Australian Standards for compostability [AS4736-2006 and AS5810-2010], aligning with and supporting our state's efforts in recovering food waste from households.

THICK SUPERMARKET OR BOUTIQUE-STYLE PLASTIC BAGS

There are alternatives for these and the timing of this ban allows retailers to source alternatives and inform customers.

EXPANDED POLYSTYRENE (EPS) CONSUMER FOOD AND BEVERAGE CONTAINERS

Expanded polystyrene cups, bowls, plates and clamshell container were prohibited from sale, supply and distribution in South Australia on 1 March 2022. **Other expanded polystyrene (EPS) consumer food and beverage containers** in the market (e.g. gelato tubs) will be removed and complete the approach intended for this type of plastic. EPS trays used for meat, fruit and other food items for retail sale will be phased out.

PLASTIC CONFETTI causes preventable damage to the environment and will be phased out in South Australia. The interpretation of what constitutes confetti will be defined in regulations to follow.

BALLOON STICKS/TIES will be phased out.

PLASTIC BREAD TAGS can be replaced with non-plastic alternatives, as has already been introduced by at least one major bread producer.

SINGLE-USE PLASTIC BEVERAGE CONTAINERS (INCLUDING COFFEE CUPS)

offer convenience for consumers, but these items and their attachments (such as lids and beverage plugs) have limited recovery and recycling pathways, creating confusion for consumers. In order to tackle plastic pollution, business and industry **must transition to more reusable and certified compostable cups,** lids and beverage plugs.

SINGLE-USE PLASTIC FOOD CONTAINERS

Fibre and other certified compostable, or non-plastic recyclable or reusable alternatives can replace single-use plastic food containers with various alternatives already available and in use.

For more information visit replacethewaste.sa.gov.au

Use Alternatives

For information on reusable and compostable alternatives visit:

July School Holidays Activities

Poochera Art Workshops

Over 30 kids enjoyed a free day of art workshops during the school holidays at the Poochera Sports Complex! Participants got hands-on with pottery wheels, resin and necklace key ring making, and card crafting. The District Council of Streaky Bay proudly funded this event and is looking forward to organising more school holidays activities at Poochera.

''It was wonderful to see kids of all ages immersed in creative activities. All the families were grateful to have art brought to their hometown of Poochera, the art day was a booked-out success! Thanks Poochera for having me, and thanks to the Council for fully funding the event! '' - Kayla from Retro Squid

Streaky Bay Cinema

More than 100 children and parents attended the free Streaky Bay Cinema event on Thursday, 11th July. The movie marathon began with a 4pm screening of "Migration," followed by "Wonka" at 6pm, and "Aquaman and the Lost Kingdom" at 8pm for the older kids. The Sweet Tooth Van joined the event, offering ice cream, pizza, hot dogs, and sweet treats to create the ultimate cinema experience. The District Council of Streaky Bay also operated a popcorn machine, and the delicious smell of popcorn added to the atmosphere. Lollies and soft drinks were available for purchase as well. Kids enjoyed the movies on bean bags, with pillows and blankets, making the evening cozy and fun. The Council is excited to organise more movie nights in the future.

Streaky Bay Candle Making Workshop

On 16th July, 9 participants aged 10 and over attended a free candle-making workshop hosted by Streaky Bay Candle Co and fully funded by the District Council of Streaky Bay. Guided by Jayne Holland, the participants learned step-by-step how to create their own candles and took home their unique creations. Stay tuned for more community activities and workshops in the future!

DISTRICT COUNCIL OF Streaky Bay

Weed Control

With ideal conditions for spraying after rain, Eyre Peninsula Landscape Board staff and contractors have been working with the District Council of Streaky Bay to undertake Gazania control along the Flinders Highway town entry zone to Streaky Bay. Control has also occurred along Sceale Bay Road, Cape Bauer Drive and Back Beach Road. Further control is scheduled for late July/August 2024. Now is the optimum time to control the spread of juvenile Gazania plants and prevent flowering and seed set in mature plants. Gazania spreads quickly along road reserves, and infiltrates degraded native vegetation areas and coastal dunes forming dense stands that exclude native vegetation. African Boxthorn control has also been undertaken to manage infestations along Port Kenny-Pygery Road along with follow up control along Sceale Bay Road. For further information visit:

Overwintering Hooded Plover Surveys

EP Landscape Board staff and volunteers have partnered with the National Parks and Wildlife Service to undertake the 2024 Hooded Plover overwintering surveys across the EP. The surveys are undertaken biennially to identify habitat used by this threatened species during the non-breeding season, with a focus on surveying inland salt lakes between Streaky Bay to Port Lincoln. With an exceptionally dry Autumn leading up to the surveys, it has been wonderful to record sightings of Hooded Plovers at Lake Newland and Lake Hamilton so far. Surveys at additional sites will be completed during July 2024.

A MESSAGE FROM TELSTRA WITH REGARDS THE 3G NETWORK CLOSURE ON 31 AUGUST 2024

Today, Telstra is sharing that they'll be sending out around 12,000 complimentary mobile devices for some of their customers who are in difficult situations, live rurally or are elderly. These are customers who may need some external support transition when the 3G network closes, to ensure they're able to stay connected after 31 August.

Telstra selected these customers as they are in difficult situations such as dealing with financial hardship, recovering from a natural disaster, living in very remote areas or depend on a working phone because they are living with a life-threatening medical condition. Many are also over 80 and live regionally and due to such circumstances, can find it challenging to visit a store.

Telstra will be communicating with eligible customers in the coming weeks to let them know a mobile device is on its way. There's nothing for them to do but follow the instructions in their package to switch to their new phone on the 4G network.

Eligible customers will have heard from Telstra by the end of June. If a customer hasn't heard from Telstra by then they are encouraged to make their own arrangements as the 3G network will close on 31 August.

Do not to delay in upgrading to a compatible phone. If you are hearing a recorded message play when they make an outgoing call, it's time to take action.

How do I know if I'll get a new handset from Telstra?
Telstra will be communicating with eligible customers in the coming weeks to let them know a device is on its way. All they have to do is follow the instructions in their package to switch to their new phone on the 4G network.

What do I need to do?
There are around 156,000 customers across consumer and small business that we're communicating with to let them know that they have a handset that is either 3G only, does not support Voice over 4G (VoLTE), has 4G coverage limitations, or is 4G enabled but hardwired to use 3G for Emergency calls, and that they need to upgrade before the 3G closure to stay connected.

If you are in this group, you'll currently hear a pre-recorded message when making an outgoing call on your mobile phone, reminding you to upgrade.

If you are one of these customers, please don't ignore it. It is there to remind you that your phone won't work after 31 August, and you should act now before the network closes.

How do I check my phone?
Any new phone you buy from Telstra will work on 4G and 5G networks.

You can SMS 3 to 3498 (3GXT) to check your phone, and if you have any questions - or if you have received any communication from Telstra and are still unsure - please contact them online, on the phone, or in person.

Upgrading doesn't have to cost a lot. Not all devices are created equal but there are many handsets available that will work once we say goodbye to 3G.

You don't need to spend hundreds of dollars to update your handset, and there are many affordable options available. Take the time to consider what you'll be using your device for before you upgrade and find one that suits your needs.

If you live regionally, you may consider a Blue Tick device, which is a mark that Telstra give phones they have tested that deliver superior voice coverage in rural and regional areas.

If you are a Telstra customer and need any help, you can contact them in the My Telstra app, call 132200 or visit Telstra in store so they can help.

You can read more about the initiative on the Telstra Exchange blog http://shorturl.at/qSwvl

THE LONGEST TABLE #ForkCancer

2024, LET'S DO IT AGAIN, STREAKY BAY!

THE LONGEST TABLE #ForkCancer

Every dollar you raise makes an impact in the fight against cancer!

$100	Purchases equipment for haematology cancer patients to maintain their muscle mass while undergoing lengthy treatment stays in hospital
$250	Creates a prostate cancer 'report card' which clearly outlines the outcomes of various prostate cancer treatments to help men and their families make more informed choices
$500	Establishes pop-up skin cancer clinics to improve early detection for regional South Australians, who have a 15-31% higher rate of skin cancer
$1,200	Tests a novel probiotic pill aimed at diagnosing bowel cancer earlier, with the eventual aim to improve participation rates in bowel cancer screening programs
$2,000	Funds iPads and telehealth equipment for the children's oncology ward, to help a child communicate with their parents or nurse when they are in isolation after radiation treatment
$5,000	Investigates a new drug and drug target for IDH1-mutated leukaemia that specifically blocks cancer cell growth
$10,000	Supports the Bragg Comprehensive Cancer Centre's critical startup costs, recruitment of key specialists and research resources to ensure the teams can hit the ground running when the centre opens and transform cancer care in South Australia

OCCASIONAL CARE

@ Streaky Bay Children's Centre

WHAT IS OCCASIONAL CARE?

Occasional Care is for children aged 12 months to kindergarten age & is a delightful break for parents/caregivers, providing a 3-hour 'now and then' childcare session. It gives parents/caregivers the chance to attend appointments, engage in activities, or simply take a well-deserved break while their child/ren are in good hands. It's also a great opportunity for your little one to have fun, learn, and socialise with peers & educators in a nurturing and safe environment.

SESSION DETAILS

DAYS
- MONDAY & WEDNESDAY
- DURING SCHOOL TERM

TIMES
- 8.45AM - 11.45AM
- 12.15PM - 3.15PM

COSTS
- $5 PER CHILD, PER SESSION
- CONCESSION APPLY

For more details contact the Centre on
PH: 0429 697 595 or 8621 160
Email: wendy.carcuro173@schools.sa.edu.au
or pop into the Centre Monday or Wednesday to see Bec or Toni

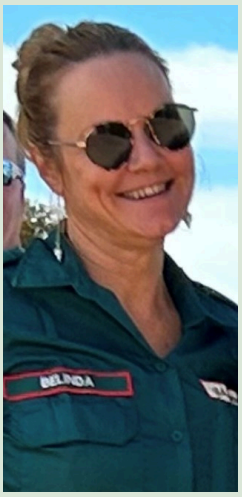

GET TO KNOW THE TEAM...

SA Ambulance Service

BELINDA BLACK - VALUED TEAM MEMBER

Enjoys morning walks with Rocky, lover of yoga

How long have you been involved in SA Ambulance?
I started with SAAS in January 2012, my youngest child was 10 at the time.
Proudest moment in SAAS
A Christmas morning callout that involved getting a patient up a cliff whilst strapped to a spinal board is definitely a moment I wont forget.
Also being a part of a team that performed emergency CPR successfully to save a life is another proud moment of mine.
Why did you join?
Being an ambo is a privilege. We are welcomed into people's homes when they are often feeling their most vulnerable, and we are able to help and care for them
What is something the Community might not know about SAAS
I have heard so many times from people that they couldn't be an ambo because of the blood and gore. Nothing could be further from the truth!
Most of our jobs involve assisting the elderly, and transporting patients to and from Adelaide Hospitals via the RFDS (a service our small communities would be lost without).
Oh.... and if you decide to join us you would be welcomed by the best bunch of people I know

EUGENE RONDON - AKA #eugenesokeen VALUED TEAM MEMBER

Owner of Terrace 24 pizza and Sweet Tooth ice cream trailer and new Streaky Bay Resident

How long have you been involved in SA Ambulance?
1.5 years
Proudest moment in SAAS
My proudest moment was when the wife and friends of a gentleman that passed away on a job came into the Pizza shop looking for me and introduced me to their kids and thanked me for trying to save their loved ones life. There was lots of hugs, handshakes and a quite a few tears shed from us all
Reason for joining SAAS
Once we had settled into Streaky Bay, I wanted to become a volunteer and learn a new skill.
I had a good chat with one of the volunteers at the Streaky Bay Visitor Centre and learnt that our community purely relies on volunteers. I was invited to come along to a training session, obligation free, to check it out.
I was blown away at the amount of training and skills to be taught in exchange for a small amount of personal time.
I joined straight after that session!
Since then, I have gained the skills and confidence to actually help anyone around me from cuts on a finger to resuscitation to anything in between.
