There were 880 delegates representing all States and Territories present. During relevant sessions at the Assembly the motions were debated and all four were significantly supported. Council received extremely positive feedback from many Council members and Association delegates. NATIONAL GENERAL ASSEMBLY MOTIONS

The Australian Local Government Association's National General Assembly, held in Canberra, attracted more than 880 representatives from councils across the states and territories, with 90 representing South Australia, including Streaky Bay, Kimba and the LGA President Sam Telfer (Tumby Bay, Mayor).

Three of the four motions proposed by Council were voted on as individual items, the fourth motion (66.3) was included in a larger motion put forward by Leeton Shire Council (NSW) and addressed the long term issues many rural communities are facing when trying to access medical practitioners and providing attractive incentives for them to stay in rural and remote communities.

The Australian Local Government Association will now assess the outcomes of the voting and decide on their priorities for the coming year. Council will endeavour to keep our community up to date on where our ideas and initiatives are up to and what the outcomes are.

Mayor Barber said "It was definitely good to know we are not alone and the issues we face are those many other rural and remote Councils are also experiencing".

The motions presented were;

- Provide incentives for rural / regional Council to create micro systems which allow for effective and efficient water storage and management systems to accommodate domestic use.
- Establish a regional focus through the provision of funding models for waste management systems with an aim to develop a more entrepreneurial framework.
- Provide funding and support for migrant workers with Science, Technology, Engineering and Maths (STEM) backgrounds to expedite transition of the recognition of their skills, making them available to re-enter the workforce, with an emphasis to filling rural demands where these skills are in critical shortage.
- Develop better, more effective mechanisms for medical interns to complete placements in rural areas.

WEST COAST HAWKS MENTAL HEALTH BREAKTHROUGH ROUND

Award winners have been announced for the Eyre Peninsula Mental Health Breakthrough Round awards. This year was the first year that saw someone from each of the six EP football and netball leagues recognised for the award. The round was played on Saturday, June 22nd with the awards presented on the same day. The winners were selected and each acknowledged for their contribution to their club's wellbeing.

All the players wore purple and blue armbands to raise funds for the Breakthrough Mental Health Research Foundation and to increase awareness of the importance of mental health research. The West Coast Hawks teamed up with local mental health and wellbeing group - THRiVE Streaky Bay and Districts for the event.

During the day the winner of the Mid West Breakthrough Round Nyssa Bell was presented with her award as a prominent mental health ambassador for her club and league. The West Coast Hawks were then honoured on Saturday evening as guest speaker Hans von Ohle from the Far West Suicide Prevention Group shared his story and powerful message of a lived experience with depression, anxiety and suicide. A loud and clear message from Hans was to look after each other, check in and ask your mates, family, neighboursare you ok??? Let them know you are there to listen, no judgment, just a listening ear if they need.

The Hawks were especially privileged on this day with Lindsay Thomas taking time out of his day to come into the change rooms after the Colts game and speak to these young up and coming footballers. He Spoke about making it to AFL and what it takes to get there. Lots of great questions were asked and he was busy signing footballs guernseys and T-shirt's for the kids throughout the day. He even signed crows guernseys and Geelong footballs! The kids stuck around to watch Lindsay have a game of A grade with our boys and tonight we had a Q and A with him after tea. We will all remember that comment you made about a year wearing the Hawks Guernsey! Thanks again Lindsay we are all very appreciative

INDOOR BOWLS

Record nominations at the Streaky Bay Indoor Bowls in June has seen the committee on a number of occasions allocate 5 players instead of 4 to a team. The space available in the clubhouse limits the playing area to 3 mats and so far this arrangement of 5 per team and the implementation of alternate mat end starting points is working well.

Highest number of bowlers was 29 on 19 June. During the month, 3 visitors, Lena, Denise and Michelle also played on several Wednesdays. June 5th was really Jim Clarke's day, He scooped all 3 prizes, the lucky number, lucky spot and he skippered the winning team.

June 12th teams led by Alan and Owen were on 2 wins and equal shots and drawn to play each other in the last game. The outcome was a win for Owen with team members Darryl, June and Jim P. No count for shots were necessary on the next 2 weeks when 3 game winners were Darryl's team June 19th and Bev White's on 26th.

Birthday greetings were extended on June 5th to Annie and belated wishes to Basil whose actual date was in May. A few regular players have indicated their holiday away times as July is expected to be not so full-on. The usual afternoon competitions will continue, visitors are welcome to enjoy the friendship. lots of laughter and easy activity every Wednesday, nominations in by 7 1.15pm.

HOSPITAL AUXILIARY

Our meeting for June was mainly taken up with a talk from Jason Habel on our Ambulance, its function and the responsibilities of our great volunteers. It was pleasing to see that we have 15 Ambulance volunteers in Streaky Bay, how lucky are we!

The commitment to training and updates required is a lot to ask. It was a timely talk as the concerns of the cost and recent price rises were aired, and the need to keep your ambulance cover up to date was emphasized.

Many questions were asked and concerns raised especially the rules and regulations which are often a burden on smaller isolated communities and their volunteers where these rules are made and governed by our city counterparts.

The recent defibrillators dotted around town and their use was also discussed.

A big thank-you to Jason for his time given and the huge part he plays in the community is greatly appreciated along with all our Ambulance volunteers.

Our last raffle made \$760 thanks to community support, our donors and Reddings for allowing us to sell from inside due to inclement weather.

Chris was unable to attend so any requests will be taken up next meeting on August the 12th hospital boardroom.

COUNTRY WOMEN'S ASSOCIATION

The SA CWA "Sharing And Caring With Action"

The final count on the fundraising efforts by our branch for the Cancer Council's Biggest Morning Tea was \$1,505. Again, thank you to everyone who was involved in one way or another. Nice work Streaky Bay.

Our June meeting celebrated a couple of member birthdays, the birthday song sung by voices that could not be matched by angels and the ol' piano that struggled to stay in harmonic tune! Followed by some laughs for the day, the main one highlighting that men only have two faults!

Agenda items included:

*Confirming the branch AGM to be held on 9/7/2019 at 132 Stanley Williams Drive @ 10.30am

*Planning preparation for our branch birthday in August (hoping to get some of the Wudinna & Elliston ladies attending)

*Agreeing to donate some of our branch fundraising \$ to the local Streaky Bay Scout Group.

RSPCA Million Paws Walk

STREAKY BAY PAWS WALK

On Sunday 16 June 2019 The District Council of Streaky Bay facilitated the inaugural Streaky Bay Paws Walk raising funds for the Port Lincoln RSPCA.

The event was threatened by steady rain throughout the night, the weather cleared during the morning and into a perfect day for the event. The event was well attended with 29 walkers accompanied by 26 canine friends.

The event included two walks; one was 3.5 km for the more active animals (and their walkers) and a smaller walk of 1.5 km. The walks took participants less than 1 hour to complete.

Council's Manager, Regulatory Services (Jennifer Brewis) said "It was great to see a broad range of dog breeds of different sizes and shapes in attendance".

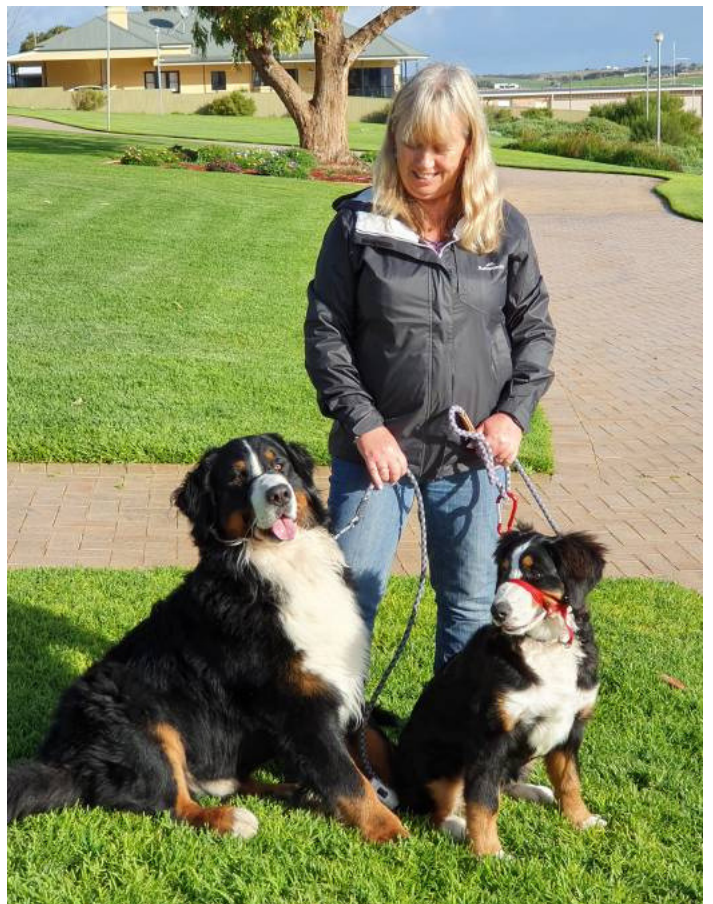

Karina Carey who attended the event said it "Was a very successful and very well organised day. Such a great cause to raise money for. Let's hope the numbers grow next year."

The Streaky Bay Area School's Student Representative Council hosted a bbq and coffee stand to raise money for a school event.

The RSPCA also had a stall to raise additional funds through the sale of animal merchandise. All participants, including the furry friends enjoyed the day, walking and socialising with one another.

Based on the positive response of participants the council and RSPCA will be looking to hold the event annually. We hope to see you all there next year.

MEDIA RELEASE

Government of
South Australia

Hon Tim Whetstone MP

Minister for Primary Industries and Regional Development

Monday 1 July 2019

Unlocking new economic activity in our regions

The Marshall Liberal Government is inviting applications for the second \$5 million competitive funding round of the Regional Growth Fund, which opens today.

Minister for Primary Industries and Regional Development Tim Whetstone said the \$150 million Regional Growth Fund – part of the Recharging Our Regions policy – is designed to facilitate new economic opportunities to build and strengthen communities across regional South Australia.

“The Marshall Liberal Government recognises our regions are fundamental to the success of South Australia’s economy,” said Minister Whetstone.

“The Regional Growth Fund is a 10-year commitment offering \$15 million in grants annually to support projects which unlock new economic activity in our regions, create jobs, grow export opportunities and strengthen regional communities which have been neglected for so long under the former government.

“Round One of the program was a huge success with projects being funded in regions all across the state, from irrigation upgrades for apple and pear growers in the Adelaide Hills, a purpose-built healthcare clinic for Innamincka in the Far North, and creating new economic opportunities for Ngarrindjeri people through commercial pipi fishing in the Coorong.

“Last year the competitive funding was highly subscribed with 84 applications seeking a total of \$61 million in funding.

“Successful projects will be those that deliver a tangible benefit to regional South Australia, such as new or improved capital works, infrastructure, facilities and similar investments. We are again seeking projects that foster collaboration and will result in wider community and industry benefits.

“I look forward to seeing the range of projects put forward to make a real difference in our regional towns and communities.”

Applicants can seek grants from \$50,000 up to \$2 million, with projects to be located within South Australia with outcomes and benefits for regional South Australia.

Projects should foster collaboration and demonstrate a commitment to local employment, and purchase local supplies wherever possible.

Applications to the Regional Growth Fund will be accepted from local government bodies, incorporated associations and business clusters.

Applications for Round 2 of the Regional Growth Fund close on Friday 9 August 2019.

Ten of the scripts created during Writing Place will be selected for publication in a hardcopy collection for young people, secondary drama teachers and youth arts facilitators.

ILLUMINART'S TRAVELLING LIGHT comes to Streaky Bay during a grand SALA PROJECTION ART TOUR in August 2019

illuminart will be roving regional South Australia in a unique odyssey touring over 2000 kilometres to illuminate Silos, Town Halls and Landmarks, to share locally made animated stories and projection art with South Australians.

Streaky Bay is a key stop of the Western end of the tour, bringing together animation made by local creatives based on research and concepts developed in the area over the last two years, and showcasing these along with stories sent to Streaky from other contributing regions.

The short yet brightly sparkling program of animated projections will completely cover the large wall at a new location in the Streaky Bay CBD, creating an expansive glowing area much larger than a cinema. It will feature several animated productions made in Streaky Bay, to be combined with other animations that connect Streaky with other regions.

The dramatic mid winter show is designed to get a crowd together for a bright colourful and invigorating injection of creativity, combining history, humour and warmth into a single event, celebrating creative

storytelling during South Australia's Living Artists Festival.

The free projection event will run for an hour. You are welcome to bring chairs and a thermos or whatever warms you up!

"The creative stories depicting South Australia's heritage in a joyful way, are all about appreciating the beautiful and interesting place you live in" said Cindi Drenan, Artistic Director of illuminart. "Our tour is helping to bring some warmth and happiness to people in winter time everywhere it goes. We are very fortunate to be able to bring this project out to Streaky Bay during SALA and will be looking forward to sharing this celebration of arts and culture with everyone."

Travelling Light is the final stage of illuminart's **Port to Port** project, assisted by the Australia Council for the Arts, and supported locally through a skills development partnership with District Council of Streaky Bay that has involved local artists, historians, and community members.

Find out more about the project at www.travellinglight.illuminart.com.au –

Streaky Bay Meat Service

Peter and Renee are originally from Victor Harbour and Peter's family owned a butcher shop at Strathalbyn.

They moved to Port Lincoln where Peter managed Gourmet Meats when the opportunity to buy Streaky Bay Meats came up and they jumped at the opportunity as they have always come to Streaky Bay for holidays and loved the place.

Peter and Renee have been embraced by the locals and have been very supported this past year. They strive in sourcing local meats from local farmers and have specials every week and always have new products in the display cabinets in store where they make all their own small goods too.

Find out more about their specials by jumping on their Facebook page which is under Streaky Bay Meats, or go in store and visit the very friendly Peter and Renee who are always up for a chat about their products.
