## COUNTRY WOMEN'S ASSOCIATION

"Sharing And Caring With Action"

September was a back to normal meet after a huge August of branch birthday celebrations & catering for the McEvoy statue fundraiser. The birthday was a huge success for all members and non-members who attended. The fundraiser proceeds from our catering we are forwarding to our State Office to assist with their community aid programs for those in special need.

Our meeting opened with all present members recounting their first date with their husbands/partners. Some "aw"s for the romantics, "ha ha"s for the funnies and "ooh"s for the interesting!! A couple of ladies had to decide which husband/partner to choose.

The main recent event was the Handicraft Table Day hosted by Ceduna on 24/9/2019.

A couple of car loads of Streakians put pedal to the metal (within speed limits of course!) to the annual event that brings together some competitiveness in the fields of Cake Baking, Floral Arrangement, Single Bloom, Marmalade Jam & the three State Handicrafts.

Ceduna branch pipped Streaky Bay Branch by approx 1.5 points to take home the shield. Ceduna hosted the guests with a great smoko and lunch, some fundraising activities and beautifully presented an area of the hall with an array of decades of handicraft works, particularly with several aprons made by Joy Stott (dec'd).

With a large group of participants, the day proved to be a great success topped off with yummy cake made by Kath Dunn for participant indulgence to also celebrate the State's 90th birthday.

## STREAKY BAY RSL

Friday 3rd November 2019 marks the 100th anniversary of the Streaky Bay RSL sub branch. The foundations for RSL's as they are now known were formed in 1916 by returned soldiers who wanted to maintain the Digger spirit of camaraderie, concern and mateship as shown by the troops during WW1.

The Streaky Bay RSL has in its archives its first Minute Book which records details of the first meeting ever held.

On November 3rd 1919 local returned soldiers held their first meeting and were referred to as the Returned Sailors and Soldiers Imperial League Streaky Bay sub branch. There were fourteen ex servicemen present inc G & A Bockleberg, G M Campbell, R Feltus, E. Redding and T.Lee. G. B Bockelberg was elected President and G.M Campbell was elected secretary.

"Its gratifying and rewarding to think that what was started 100 years ago in our town is still a viable organization" says Streaky Bay RSL Secretary Mick Stewart. "We have a very dedicated and enthusiastic group led by Bill Trevena who is a WW11 veteran and former commando".

## RIDING FOR CANCER

Shane Miller owner of the Wirrulla Hotel rode 251km from Kingoonya to Wirrulla to raise money in memory of two very loved local farmers - Sharky and Frog that sadly lost their battle to cancer. All money raised went to the Cure Cancer Foundation. Shane raised over his goal of \$10,000. He would like to thank everyone that was involved, anyone that donated and for all the support he received. Looking forward to making this an annual event!

## INDOOR BOWLS

Social indoor bowls are played every Wednesday afternoon in the clubhouse at the Streaky Bay Sporting Complex.

Over the past weeks bowler numbers have gradually increased as members return from holidays and 2 or 3 visitors also play. Bowlers often find "it's all systems go" when called upon for something special to win a game and there is a great deal of concentration mixed in with the laughter and friendship.

On the 4th September at the end of play 3 teams had scored 2 wins and a loss which meant a count of shots was needed. The result was a win for Wayne with team members Julie and Bill. A similar end of play result was on 25th Sept, this time 4 teams finished with 2 wins and a loss and the shots count resulted in teams skippered by Shirley on 32, Cheryl 29, Roger and Connie on 25.

Three birthdays in September were celebrated when Hazel, Maria and Julie all cut their cakes on the 25th to share during the afternoon. The high backed chairs reported last month are in fact bar high chairs which were sourced by our President Shirley. The committee had long searched to find 2 suitable stable models to add to the stock of 6. Now with 4 bar high chairs at either end of the playing area there is greater seating variety and comfort available for bowlers.

Treasurer Jim Petty reports he is pleased with the response to annual subs due by the 30/09 and asks that any not paid, to please do so ASAP.

## MEN'S SHED

Thanks to Gavin Scantlebury, Harold Daniels, Jim Clarke, Ross French, Jim Petty and Wayne Miller we have now completed the painting of the SK8 Park bowl. Thanks also to Jess Davis for organising the paint and for her guidance on what areas to paint. Final job looks great.

Rod Heath from the council has picked up the dog face, easel and bones to be used later on. Please see picture below of final product. The shed has done some display racks for the new owners of the Newsagency. We are also looking at making some small easels in the future.

The shed would like to welcome a new member in John Wilson who has moved to Streaky Bay from Cunnamulla in Queensland. We would also like to thank Darryl Fulton from Whyalla for his help in setting up our machines, and for his guidance on making some projects. Being a Tech studies teacher we could not go wrong.

One correction to last month's edition is that it was reported that at the recent men's shed conference there was a man from Finland this in fact should have read Iceland.

## F1 IN SCHOOLS STATE COMPETITION AT THE ROYAL ADELAIDE SHOW 2019

To wrap up our F1 in schools experience, nine students travelled to Adelaide to participate in the State Final competition at the Royal Adelaide Show. This included racing their cars, presentations and pit display interviews. The students were also interviewed by a panel of judges for their enterprise and engineering portfolios.

Ballistic Force were in the Professional Class, the team consisted of Mia Gazzola, Mitchell Gazzola, Jordan Little, Hamish Hackett and Danielle Hill came 5th overall and were happy with their results. With Josh Roberts, Deacon Georgiou, Liam Sharp and Henry Guerin's team, Swell Racing in the Development Class, they came 6th overall and have enjoyed their time working as a team.

Ballistic Force was the first team from Streaky Bay Area School to win a first place ribbon at the Royal Adelaide Show, receiving the 'Chair of Judges Recognition' award. All students were enthusiastic and challenged while at the show and thrived off the energy bouncing around the technology centre with all F1 teams and their pit displays.

Both teams would like to thank their sponsors, as without them we would not have been able to be as successful as we were. Mr Redden, Miss Reeves and Jodie Gazzola travelled along with these students, and their time and effort put into both teams was thoroughly appreciated by all students.

## WHY YOU SHOULD PAY YOUR RATES ...

If your rates are unpaid for three years or more, Council has the legislative power to sell your property as per Section 184(1) of the Local Government Act, 1999. Council would aim in the sale to cover your rates and fees associated with the sale.

Council at its Meeting held on 19 September 2019, has instructed staff to undertake this process for 17 properties, located around our district.

Council would prefer that this situation is alleviated prior to commencing the sale process. Ratepayers who are having financial difficulty, can setup a repayment plan. This has been an effective method for some ratepayers who have entered into an arrangement.

To enter into a payment arrangement, you may either call and discuss this matter with Brooke Cupples and or Sandra Brice, or complete a DCSB-07 Form 78 – Payment Arrangement form. While Council has many methods of payments, the most effective for payment arrangements are:

- (a) Direct Debit – a new method Council has introduced in 2018/2019 – see the Office staff for a form.
- (b) Direct Deposit – where you automatically deposit the amount into the Council bank account – see the Office staff for a form.

So, please, if you are having financial difficulty, come in and have a chat.

## COMFORT AND COOKING FIRES

People can have a fire for comfort and cooking purposes as long as it is:

- ⇒ Not a total fire ban day,
- ⇒ Is within a fire pit at least 20 cm deep,
- ⇒ Has a 4 metre clearance around the fire,
- ⇒ Is smaller than 1 m<sup>2</sup>,
- ⇒ A person is always in attendance until the fire is totally extinguished,
- ⇒ An appropriate agent to extinguish the fire is on hand.

## Streaky Bay Property Owners Are You Prepared for the Fire Danger Season??

With the Fire Danger Season expected to commence on the 1 November, the first round of property inspections will occur in the first week of October.

Properties with undergrowth exceeding the legislative requirement will be receiving a Section 105F (*Fire and Emergency Services Act*) Notice which requires the landowner to cut/slash the undergrowth to the required level applicable to that property. Landowners will have 28 days from the Notice's issue to make their properties compliant.

All properties receiving a Section 105F Notice will be reinspected after the 28 day period (early November), and if they remain non-compliant the landowner will be required to pay the cost of having their property cut/slashed by Council or contractor, as well as an administrative fee.

Council has set a charge of \$1120.00 (GST inclusive) to compulsory mow township and outlying area properties that are non-compliant.

Property owners within the Streaky Bay area will be charged \$620.00 (GST inclusive) per property for the compulsory mowing of non-compliant blocks. The 105F process is a legal obligation on every landowner to minimise the risk to both them and their neighbours life and property.

Any queries regarding 105F Notices should be directed to Council's Fire Prevention Officer in the first instance on 8626 1001.

## Recycling Depot

Did you know that it's **FREE** to take **cardboard** (as long as it is broken down to the required size) and all **glass** bottles to the recycling depot? Glass bottles include wine, spirits & jars - please note these do not attract a 10c refund.

## Development Applications

Are you undertaking any new buildings, extensions or renovations on your property? Do you need development approval?

Many people don't realise that you will need development approval from Council if you are a structure that is;

- ⇒ larger than 15 square metres
- ⇒ over 2.5 metres high
- ⇒ has a span greater than 3 metres
- ⇒ adjoins an existing building
- ⇒ infilling walls of an existing carport/verandah/shed

Some other examples of building work that requires a development application are, building a wall to enclose an existing decking, adding a verandah to your house, a carport attached or detached to a house, a pool or spa.

If you have previously got approval for a structure but are changing the plans you must amend the application to match what you would like to do.

If you would like any further clarification or to pick up a development application form call into Council's main office on Alfred Terrace, or call on 86261001.
