GOVERNANCE AND ADMINISTRATION

Strategic Plan Review

Council has commenced its Strategic Plan Review. Consultant Jeff Tate (Tate Consulting) has been engaged to assist with the review process. Council is seeking a refined finished plan. Community Forums were held throughout the district between March 2-4 with an Elected Member workshop on the afternoon of March 4 to discuss the outcomes of the community forums. A draft document will now be formulated for presentation to Council.

Live Audio or Video Streaming of Council Meetings

Cr McGowan raised a question on notice regarding the availability of being able to audio or live video stream Council's meetings. The CEO replied that staff had investigated options however Council currently does not have the IT infrastructure available to facilitate delivery but we are working on those solutions. See September Council Minutes for full question and response.

Corflute Election Signs

Council considered a report to restrict the use of corflute signs for elections as indicated by the Local Government Association of South Australia. Several issues with corflute signs have been identified during recent federal, state and local government elections, including roadside amenity, roadside safety, potential for damage to roadside infrastructure and the council resourcing required to regulate use. Council resolved not to support the restricted use of election signs.

Regional Connectivity Program Discussion Paper

The issue of connectivity both within the Streaky Bay district and across the Eyre Peninsula has become an increasingly important concern for the local community. Council was provided with a regional connectivity program and subsequent discussion paper to consider. This discussion paper provided Council with an opportunity to consider the framework within which a Regional Connectivity Program might operate. Council resolved to submit the responses as detailed within the February 2020 Council report and support the investigation of the development of an Eyre Peninsula Wide Regional Digital Plan with any relevant costings to be brought back to Council for consideration.

TOURISM

Sceale Bay Beach Camping

Cr Hackett raised a question without notice if staff could please provide a report to the March 2020

meeting regarding the petition received "opposed camping on Sceale Bay beach" presented to the February 2020 meeting and letters to all Sceale Bay Residents explaining camping rules. Response to be provided at the March 2020 meeting.

COMMUNITY DEVELOPMENT

Wirrulla Triangle Use

Mellor Olsson have received direction from the Traditional Owners of the site and will provide advice to Council in the coming weeks regards the requirements of the Traditional Owners in respect of site usage and recognition. Council resolved at the February 2020 ordinary meeting of Council to approve the CEO to sign the application to dedicate crown land for the purpose of having the parcel of land locally known as the "Wirrulla Triangle" dedicated to Council and required trust account to be established.

Streaky Bay Rodeo 2020

Council received a request from the Rodeo Committee to provide in-kind support to the value of a Diamond Sponsor as outlined in the February 2020 report to Council. Council resolved to provide the in-kind support as per the cost estimates.

Carol J Boat

A report was presented to the February 2020 ordinary meeting of Council to discuss the future of the Carol J Boat. Council resolved to place the boat out for Tender until March 30, 2020, if no tender is received or the boat has not been removed from Council land by 30 May 2020 the Carol J shall be dismantled and placed in landfill.

Australia Day Awards Review

A report was presented to the Community and Economic Development Committee undertaking a review of the current Awards process and recommending some inclusion to enable further transparency. Council resolved to include a Community Group of the year award, and a long term recognition of service award (that will be issued at the Committee's discretion). A Terms of Reference for a Committee was established and the Committee shall now include members of the Community and the previous year's Citizen of the Year winner on the selection panel (Committee).

Community Asset Grant Scheme

A report was presented to the Community and Economic Development Committee who recommended that the Community Asset Grant Scheme be reinstated for the 2020/2021 financial year and Council endorsed that it be included for consideration in the Draft 2020/2021 Annual Business Plan. Grant Guidelines will be developed.

Council News Cont'd

Security Training

Cr Wheaton raised a question without notice regarding if the CEO could investigate if Council could arrange for security training to be held in Streaky Bay. The Community and Economic Development Officer is currently researching relevant options.

Memorial Garden – Memorial Policy

Council when establishing a location for a proposed memorial garden received feedback from the community with wishes to be provided with alternative options for the provision of remembering those passed. Council has developed a proposed Policy that provides the framework for this opportunity and will be further discussed at workshop to be held in April 2020.

In addition to this Council's Community Land Management Plans were required to be altered to enable the establishment of Community Gardens on Community Land. The Plans have been revised to include this option and will be going out for public consultation as per Council's Public Consultation Policy.

Arts and Cultural Facilitator Position

A report was presented the Community and Economic Development Committee to reconsider the reinstatement of this position as this role is unable to be resourced with the existing FTE for the Community and Economic Development Team. Council resolved to include consideration of funding in the Draft 2020/2021 Annual Business Plan.

Bendigo Bank

Council received a deputation at the February 2020 ordinary meeting of Council outlining the options for the establishment of a Community Bank within the region.

Streaky Bay Solar Farm

Council staff and elected members recently met with Todae Solar and Flow Power who will be facilitating the development of the Streaky Bay Solar Farm. Todae Solar who will predominantly be overseeing the construction phase advised construction is due to commence in May 2020, the company indicated that they will be seeking to use local contractors where possible. Flow Power expect that the SA Power Networks commissioning will commence October and the site will come online shortly after.

INFRASTRUCTURE

Council Building/Visitor Centre Consolidation Planning

A full costing and budget is to be developed for Council's consideration in April 2020, following a report to the Community and Economic Development

Committee for Council to consider relocating the Council Chamber to an alternative location.

Baird Bay Public Amenities – Sand Blasting

Assessment of the amenities has been complete. Works department to rectify lower rust erosion with quote to be sourced to replace the top of the structure.

Patrol Grading

To date in the 2019/2020 financial year 928kms of road has been patrol graded.

Generators – Council Offices

Council requested staff to quote generators suitable for operating the Council's Office and Visitor Centre. Quotes have been received and a further report will be presented to the April 2020 meeting of Council.

ENVIRONMENTAL MANAGEMENT

Cungena Landfill Cell Design and Build

An addendum to the current Cungena Landfill Environmental Management Plan with particular focus on longer life of the landfill has been developed and lodged with the Environment Protection Authority.

Cungena Landfill Land Purchase

Mellor Olsson have received direction from the Traditional Owners of the site and will provide advice to Council in the coming weeks regards the requirements of the Traditional Owners in respect of site usage and recognition.

Review CDL Operating

A report was presented to the February 2020 ordinary meeting of Council detailing the operating costs of the CDL facility at the transfer station. Council resolved for staff to investigate ways of increasing the cost efficiency of the site and enabling effective services to the community.

Jetty Sand Replenishment

Councillor Karp requested further information regarding the potential to rejuvenate the sand at the Jetty each year with more sand and what is the process if the community are asking for this to be done. The Manager for Infrastructure and Civil Works has inspected the affected area and will seek further advice on remediation options. Vehicular access to this area is currently restricted and will need to be considered in the resolution process.

Youth Week – April 2020

Council were successful in gaining funding for Youth Week in April 2020. A week long program of activities that is expected to be delivered during the April 2020 School Holiday period.

MEDIA RELEASE

Moore's Boat Ramp Delayed

The District Council of Streaky Bay wished to advise that the replacement of Moore's Boat Ramp has been delayed due to unforeseeable circumstance.

Karina Ewer, CEO of the District Council of Streaky Bay said "Initially the project was to replace one pontoon only. Inspection of the site mid-last year however determined that Moore's Boat Ramp had serious issues that needed urgent attention. Council have therefore undertaken a project to totally replace the boat ramp to ensure its safety and structural viability for many years to come."

Significant negotiations with oceanographers, marine engineers and Coastal Protection have been required in order to develop suitable engineering drawings which will deliver a practical and more resilient product. An initial costing to complete the project has however indicated that Council must now go to tender to complete the works.

Mayor Travis Barber said "It is unfortunate the delivery of the boat ramp has taken so long however the extent of the damage was unknown until divers were employed to inspect the site. The pontoons have already been built and all we have to do now is find a suitable contractor or contractors to deliver the entire project. That project will include fully removing the old concrete ramp, replacing the concrete and reinstalling longer and more durable pontoons."

The project is expected to go out to tender in the next two weeks. Tender documents will be available through Council's website www.streakybay.sa.gov.au and through the Local Government Vendor Panel site.

"We know the delay in the project has been a significant issue for our community and understand the frustration being experienced. We also know Council are determined to deliver our community the best product possible," Mayor Barber said.

STREAKY BAY AREA SCHOOL

are excited to be celebrating National Ride2School Day on Friday 13 March 2020.

National Ride2School Day is the perfect opportunity to kick-start new healthy habits and promote the many benefits of active travel. We encourage all students and their families to leave the car at home and give riding, walking, scooting or skating to school a go.

We will be celebrating by:

Awarding 10 house points to each student and family member that participates in the day. Bonus points will be given out for individuals coming dressed in house team colours or the Friday 13th Spooky theme!

STREAKY BAY SCOUT GROUP

We have hit the ground running for 2020.

Kicking off the return to Joey and Cubs sessions with our annual Sign On Fishing Night at the Streaky Bay Jetty on afternoon of 4th February.

With a turnout of 30 kids with mum and dads joining in its always a hit with the kids. Certificates were handed out for the biggest fish and how many variety's of fish.

We are pleased to see our 2020 enrolments are as strong as ever. With a strong influx of keen 6 year old bringing our total to 19 Joeys and a few new keen 8 year old Cubs signing up to make that 20 Cubs.

We are also in final preparations for reopening a Scout Group aimed at kids 11-14 years.

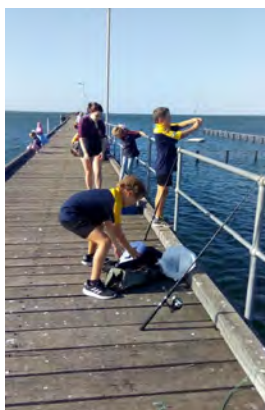

If you know of a child aged 6-7 who would love to join Joeys or a child 8-11 who would like to join Cubs Please contact our Streaky Bay Scout Group Leader Bec Rutherford on 0428 579 427.

Joeys and Cubs meet alternate Tuesday afternoons (school terms) at their Scout Hall at Slideys Boat Ramp. A fantastic, safe and protected area for them to explore and have fun outdoors.

We thank our amazing leaders Bec Rutherford and Eric Elliott for continuing their Joey and Cub Leader roles. Our parents and Committee specially value our leaders for their endless amount of volunteering time and all their efforts teaching fun group activities for our kids.

We are always on the lookout for any families, parents and care givers who have some spare time and would like to volunteer or become our next leaders.

Lastly we take this opportunity to sincerely thank Rebelle Richardson (Skippy) our valuable Group Leader who is stepping down after many many years of steering the group. Bec Rutherford will be taking on the added responsibilities of Group Leader too. We wish them both well.

HOSPITAL AUXILARY

The meeting held Feb 10th was reasonably well attended, but we could do with more new members as many are getting up in years.

We feel it still is a worthwhile organisation to keep functioning, especially to keep funds locally controlled and dispersed for our Hospital and Elmhaven.

Thank you to SB Bowls Club for their very generous \$1000 donation.

Members expressed desire to help fund raise for our Medical Clinic and a raffle has been organised thanks to generosity of Kerry and Darryl Johnson, Streaky Bay Meat Service a dressed sheep first prize, Becks IGA \$100 donation and Streaky Surf \$100.

Raffle books will be in some of the local shops from now till May 1st when we will sit at the street on that day and it will be drawn at 4pm.

We are looking at prices and some samples for curtains that need replacing as well as a quote for replacement of pipes in lawn area at the hospital.

Please note our next meeting will be April 6th due to the Easter holiday weekend on the 13th.

We have asked Julie Cash to be our guest speaker in her present role with the elderly, and changes that are continuously taking place so please come along and support us and Julie.

Meetings are held bi/monthly so its not an onerous commitment!

COUNTRY WOMEN'S ASSOCIATION

February meeting & catch up:

Members were welcomed back after the festive and holiday season and a good catch up with chit chat was had. Hoping all in our community and surrounds got some relax time over this summer period and wish everyone some good times for 2020.

SACWA Emergency Aid Fund:

SACWA is proud to serve both rural and urban communities. SACWA provides assistance to families in need through the SACWA Emergency Aid Fund. Assistance is provided by recommendation from a social worker, rural counsellor or Association members. It is our aim to provide monetary assistance when it is needed most – all made possible through the generous donations of our members and the general public. 100% of donations go directly to those families and communities affected. This SACWA Emergency Aid Fund does not incur administration costs. Such expenses are 100% absorbed by SACWA.

Unprecedented recent bushfires have not spared South Australia from these events and our hearts go out to those families and communities who have been affected. These guys are going to need all our help for many months to come. Should you wish to make an online donation via the SACWA website, www.sacwa.org.au, follow the links to the SACWA Emergency Aid Fund to make your tax deductible contribution.

Without strong communities the whole of South Australia suffers Remember, everyone needs a helping hand sometimes – or just a damn big HUG

Cancer Council's Biggest Morning Tea:

Our branch are revving up for the hosting preparations for this event to be held on the official day of Thursday 28/5/2020. Watch this space over the next couple of months for more info.

Knitting Baby Clothes:

10/3/2020 @ 1.30pm @ RSL Hall - we'll be learning to knit baby clothes, starting with a singlet. Our aim is to knit various baby clothes over the next few months in readiness for preparing baby parcels for newborns, including premature bubs. We welcome members & non-members to come along to the knitting challenge (for some of us that's a surety!!) and the end product can be either contributed to the baby parcels or for your own use. We will supply the wool and needles, though you can bring your own supplies if you wish. Any queries, please call Alice Montgomerie on 08 86261015.

MENS SHED

The Men's shed would like to welcome two new members. They are Peter McNicol and Owen Pritchard. We hope you enjoy your time with us.

As was reported in last months edition we have now made 4 bird nesting boxes and thanks to Bruce Hein have delivered them to Statewide Database in Elizabeth South Australia.

I spoke with Cameron who took delivery of the boxes and he told me the workmanship was outstanding and he appreciated what had been done to help the wildlife on Kangaroo Island.

We are now making some nesting boxes for the Two Songs Sanctuary out from Port Lincoln.

The Shed has been busy working on a grant application from the Australian Men's Shed Association to purchase a container to use for wood storage and some metal work equipment that will allow us to do metal work without any welding.

The Shed now has a computer of its own that will make it a little easier to look items up that we need to purchase, or to check on woodworking projects to make. Members have used their mobiles in the past.

Our email address:
streakybaymensshed@bigpond.com

Our picture shows new member Owen Pritchard in the centre with Harold Daniels on the left and Ross French on the right working on the nesting boxes.

INDOOR BOWLS

The members of the Indoor Bowls Club would like to offer their condolences to a long serving member in Connie Robinson on the loss of her husband Bob, our thoughts are with you.

February has seen numbers to near capacity over the 4 weeks. We can cater for 24 players, if there are more than that we share ends with others so we all get a game.

On 5th Feb we had 22 players, winning team Bev White, Connie Robinson, Dawn Feltus and Roz Doley.

On 12th Feb we had 23 players, winning team: Kaye Wait, Sandie Quast, Bev O'Brien & Noel Gosling.

On 19th Feb we again had 23 players, winning team: Jim Clarke, Sandie Quast, Don Miller and Owen Pritchard. With a team like that they should have been given the prize before it started.

On 26th Feb we had 25 players, winning team: Roger McCracken, Bev White, June Francis and Noel Gosling.

Each week we run a lucky square and a spot on a plate or cup. The 26th saw Jim Petty win the lucky square and Alan Lange win the spot on a cup.

The 19th saw Don Miller win the spot on a plate and Maria Pritchard win the lucky square.

The 12th saw Wayne Miller win the lucky square.

It is great to see the improvement of bowling in all our members. Even though you might be on an opposing team you try to give advice the others.

The people that draw up the teams try to put different people in as skippers. This has also helped some of the newcomers that have to think where they want their team members to bowl.

Through the games we all have sly digs at our opposition then we sit down after two games and have tea and coffee together, which makes for a real fun day.

PROBUS

The December meeting was on the form of a Christmas lunch at the Streaky Bay Hotel.

With 35 members & friends we enjoyed a 2 course Christmas meal.

A group of members lead by Zita Chester enacted and sang their well presented entertainment, a very enjoyable get together.

The first meeting for 2020 was held on the 16th January. Guest Speaker was Lynly Kerin from North Well Station Gawler Ranges. Lynly gave a most interesting insight into station life and the roles of her husband Matt, manager and a pilot, herself, 13 year old daughter Elke, the station hands. Governess Lynly presented a powerpoint display of the area, which runs 16000 sheep and 1000 cattle.

Lynly is cook, station hand, medical & flying doctor contact among many things. Kingoonya is their nearest town and airstrip. The Kerin's have a home in Streaky Bay and enjoy coming down to the sea.

Probus members & visitors meet on the third Thursday of each month at the Streaky Bay Hotel at 10am. Guest speakers and bus tours have been most enjoyable this past twelve months and more interesting events are to be arranged this year. We always welcome new members.

The AGM will be held in March and nominations are open for election.

PS: Please note in your monthly calendar of events that Streaky Bay Probus Club meets on the 3rd Thursday of the month at 10am at the Streaky Bay Flinders Hotel.

THE IRON JACK & STREAKY BAY COMMUNITY HOTEL STREAKY BAY CUP SATURDAY 28 MARCH 2020

From the coast line to the finish line The Streaky Bay Cup has something for everyone.

The excitement is building for the 2020 Iron Jack & Streaky Bay Community Hotel Cup to be held on Saturday 28th March at the Streaky Bay Race Course.

The Streaky Bay Cup encompasses the spirit of Country Racing with bringing the community together in a friendly and relaxed atmosphere with everything they need to have a great day at the races.

The Cup Carnival will kick off on the Friday night at the Streaky Bay Hotel with happy hour in the front bar with raffles followed by a Calcutta and dinner with special guest speaker in the main dining room.

Dinner bookings are essential as the night is usually a sell out and can be booked with the hotel on 8626 1008.

On the Saturday our race day program offers 6 races, the punters will be able to access oncourse bookmakers, Mobile TAB outlet by UBET and the Punters Club run by Philip McEvoy. For the fashion enthusiast the Fashion at the Races Competition will be a real draw card for the ladies and gents and each year we are seeing a high standard of entrants. We expect to see this again in 2020.

Following on from a successful installation in 2019 the Bayfunktion Pimms bar will return with addition of serving Pink Gin and a favourite SA Pinot Noir Chardonnay from Grant Burge.

For those looking for a more formal setting to indulge in on race day there is the Lincoln Estate Trackside Marquee. Positioned at the winning post with catering and drinks provided. Tickets \$135 each. Contact Sue Montgomerie to secure your table on 0427 266 934. Be sure to book your seat now as tickets are selling fast! Or book online at www.eventtixx.com.au

As always we encourage families to attend as there are plenty of activities to keep the children amused including Jumping Castle, big slide and face painting.

To finish off the festivities the Streaky Bay Hotel will be again offering meals and entertainment for the racegoers who don't want the day to end. A great way to finish off your race day is to sit with friends on the deck over looking the jetty and majestic waters of Streaky Bay.

Thank you again to all the Sponsors especially our Major Sponsors for the 2020 Cup: Iron Jack, Letcher Moroney Chartered Accountants, Foodland Streaky Bay, Lincoln Estate Wines, McEvoy Transport and The Streaky Bay Community Hotel Motel.

To keep up to date with all the Cup details visit us on Facebook @streakybayracingclub For club enquiries contact Club President Peter McEvoy on 0417 277 773. For Sponsorship Enquiries contact Samantha Kirby Sponsorship & Marketing Coordinator 0400 654 456 email: samanthamkirby74@gmail.com

Streaky Bay Tourism & Business Association has something to sing about

Late last year 'Streaky Bay Tourism Promotions' changed their business name and Constitution to 'Streaky Bay Tourism and Business Association' (SBT&B). This welcomed move was strongly supported by the Associations members who identified the need to expand the Charter to include the local business community that did not have Chamber of Commerce representation.

As part of the realignment their logo was redesigned. The logo aligns with the District Council of Streaky Bay's brand and adds elements that reflect the local agriculture, fishing and ocean connection.

To assist with the rebranding the SBT&B procured a Mascot, a life size model horse. This required an artist to be engaged, transportation of the horse from the Adelaide Hills to Streaky Bay and a studio space for the artist to undertake the transformation. The process quickly engaged the local community with local artist Donna Legovini accepting the challenge of undertake the transformation and McEvoy Transport delivering the horse to her studio created at the Men's Shed.

In a matter of weeks the Mare made her debut appearance at the Rodeo by the Sea in November. Members of the community were invited to put forward names for the Mascot. Some drew inspiration from the early coastal navigators, others from local identities and many from the rich horse racing culture within the district. However, the Association stated that the Mascot is timeless and not about a particular person, family or event. From a large list of

suggestions the committee members of SBT&B selected the name, Harvest Song.

For the Association the Mascot is to epitomise our sense of place, reflect our goals and values, help manifest our optimism and prosperity, and highlight everything that is good and positive about our location, our work, industries and our community. For our Visitors she is to delight, intrigue them with our sense of place, inspire them to know more about who and what we are as a community, to learn about the contributions our enterprises and industries make to the world; and reinforce the sense of uniqueness and beauty of our location.

Harvest Song was sashed with a ribbon on Wednesday 26th February at the Streaky Bay Community Hotel Motel by artist Donna Legovini and SBT&B Committee member Sara Goosay. Sara had put forward the name 'Harvest Song'. At the same event the Association launched its new logo. Members of the Association will have the right to display the logo within their business and to also use a slightly different version with the tag 'Streaky Bay - Naturally beautiful.'

The Association is appreciative of the Community's contribution and interest in the Mascot and the new logo. SBT&B is excited about their bright positive future and know they have plenty to sing about.

Gym Open – Bay Road “The Training Post”

Have you heard about the new gym that has opened on Bay Road in Streaky Bay? Well if you haven't we are here to give you a few details.

Opened and managed by locals Aaron Johnston and Rod Keogh this gym has equipment suited for everyone including;

- Crossfit Equipment (Aaron's field) - boxing bags, weighted sled, battle ropes, climbing ropes, rings & endurance equipment
- Weights & Muscle Building Equipment (Rod's field) - free weights, squat rack, leg press & various cable machines

The idea by these guys was to open up a gym that is available for the community and passing visitors to use at their own leisure. Avoiding the stereotypical 'testosterone hub', the focus is on building a supportive community network based on healthy lifestyle and wellness.

Still in the early stages of development, workout support and guidance is available for all members. They are gradually increasing their equipment and services available to incorporate group fitness, more cardio equipment, more floor space and specific training, workout plans and dietary advice.

This gym is self accessible, meaning on signing up, you'll be given your own key to train whenever you wish and come and go as you please.

Ongoing members:

\$12 week - minimum 3 month sign up period

Casual members:

\$10 single session

\$25 week unlimited access

ASIST

ASIST is a two day, interactive workshop that prepares caregivers to provide suicide life-assisting, first aid intervention. This training provides knowledge and skills to recognise when someone may be at risk of suicide and teaches you how to respond using the practical Pathways for Assisting Life (PAL) guide. As the world's leading suicide intervention workshop, ASIST training has provided practical skills and knowledge to more than 80,000 people around Australia and over 1,000,000 people worldwide. LivingWorks' ASIST program continues to remain the leading suicide intervention workshop as a result of ongoing evaluations and independent and peer-reviewed studies.

Regardless of prior experience or training, anyone 16 years or older can become an ASIST-trained caregiver. During the two-day interactive workshop, participants learn to identify a person with thoughts of suicide, intervene and help prevent the immediate risk of suicide and apply ASIST methods to help reduce suicidal feelings. Caregivers will become more willing, ready and able to intervene with a person with thoughts of suicide.

Workshop features:

- Presentations and guidance from two LivingWorks registered trainers
- A scientifically proven intervention model
- Powerful audio-visual learning aids

Where: Streaky Bay Visitors Centre - 21 Bay Rd, Streaky Bay SA

Marine Safety Notice—Streaky Bay, Sceale Bay, Baird Bay & Haslam

Locally available 24/7 Adelaide Monitored VHF Marine Emergency Radio Service is on Ch 16 and on supplementary CH 67, via equipment on Government Radio Network towers at Elliston and Streaky Bay's Gibson Peninsula and is well receivable within Streaky Bay. However in some areas both inside and outside of some of the other bays, that signal can be marginal due to terrain shadowing.

Daylight Hours Local VHF Marine Radio Services:
The call signs are **WMR Baird Bay**, **WMR Haslam** and **SES Streaky Bay** these are manned by SES members. Call sign **VMR Streaky Bay** is a non SES operation from Killas Service Station, Wells Street - manned during business hours.

Local Services Provided:

Locally operated stations primarily monitor for general calls and the hours are usually 8.00am to 5.30pm varying to 8.30pm. Some stations can provide you with a signal check, but they do not normally offer a regular voyage booking/tracking service unless that is agreed by prior arrangement. They also can be used for emergency calls and will monitor emergency calls.

Local Streaky Bay UHF CB Repeater is CH7 and can often be used for all types of emergencies during long term blackouts to Streaky Bay area mobile phone services. Radius is approx 35kms from Streaky Bay

Cat Ownership within the District Council of Streaky Bay

Over the last six months Council has experienced a significant increase in complaints relating to feral cats and cat hoarding within the district. It is considered a timely reminder of what it means to be a good cat owner.

Register your cat

Within the District Council of Streaky Bay your cat must be registered. Having your cat microchipped is not the same as registering your pet.

Identification must be on your cat

It should be noted that if your cat is not microchipped or clearly identified with a collar with contact details the cat will be treated as an unowned cat.

Just having a collar with no other identification is not sufficient to show ownership.

If your cat is not identifiable the council will be left in a position of treating the animal as if it was an unowned cat. As there are not holding facilities for cats, such animals may be at risk of being euthanized.

Lost and found

If your cat goes missing you need to act quickly. Your first step should be to call Council to see if your cat has been found or handed in. Other options include:

- a letterbox drop in your area, preferably with a picture of your cat
- an advertisement in the local newspaper
- posters on notice boards in shopping and community centres
- contacting neighbours in your immediate vicinity. Any advertisements should include:
 - your cat's breed
 - the sex of your cat (e.g. desexed male)
 - approximate age, size, and colour of your cat
 - any distinguishing features
 - a clear colour photo of your cat (if possible).

Do not delay: Under the Dog and Cat Management Act 1995, any cat that is found without identification can be euthanized.

Stop feeding strays

There has been a significant increase in the prevalence of feral cats and semi owned cats within the district.

Feeding a cat that is not yours is not caring for it. Feeding unowned cats allows them to breed, continuing the cycle of nuisance and feral cats spreading disease and killing wildlife.

Avoid contributing to the problem by feeding your cat in an enclosed area and not leaving food out.

Stray cats are attracted to the food source and can spread diseases to your own beloved furry friend.

De-sex your pet

Uncontrolled cat breeding is a huge problem within our district. Every year, thousands of healthy cats die needlessly across South Australia because homes cannot be found for them. If more cats are desexed, there will be fewer unwanted kittens in our community.

De-sexing your cat means you are doing your part about controlling the cat population.

Animals which are de-sexed are shown to live longer, improves the cats temperament, stray less, reducing unwanted behaviour such as spraying, marking, fighting and yowling.

Cats mature quickly, and can breed from four months of age, so it's important to be proactive. The surgery is quite safe, and in most cases your cat will be ready to return home within 24 hours.

If you find that your cat has had an unwanted litter or that you no longer can look after your cat, instead of abandonment of kittens on the side of the road, contact Council for help to rehome.

Purchase from a registered breeder

Like with dogs all kittens must come from a registered breeder. By purchasing a kitten from a registered breeder you are ensuring that you are getting a kitten from a controlled environment. Kittens when purchased from a registered breeder should also be microchipped.

If you wish to become a registered cat breeder visit the DACO website and complete the registration online. Alternatively attend the Council office and staff will help you complete your registration.

For more information or questions about the registration of any pets please go to www.dogsandcatsonline.com.au

Recycling Depot

Did you know that it's **FREE** to take **cardboard** (as long as it is broken down to the required size) and all **glass** bottles to the recycling depot?

Glass bottles include wine, spirits & jars, please note these do not attract a 10c refund.

NEW ONLINE BURNING NOTIFICATION SYSTEM

People wishing to undertake broad acre burning during the 2019/2020 fire danger season please be aware that there is now a new online notification system.

If you have not yet met with staff you are asked to arrange a meeting with Rodney Heath on 0427 400 584 to arrange a time to be walked through the new program and obtain your seasonal burning permit.

RECYCLE YOUR E-WASTE

What is e-waste?

E-waste – or electronic waste – refers to **electronic products** that are no longer wanted or working. You are able to take these items to the Streaky Bay Transfer Station (fees apply) for disposal. Items accepted are -

Computers * monitors * laptops * computer keyboards * mice * printers * fax machines * mobile phones * CD Players * VCRs * gaming consoles and controllers * televisions

Please note that vacuum cleaners, microwaves, fridges, other kitchen appliances and electrical equipment are not accepted as e-waste but are accepted as other general waste at the Transfer Station (Fees apply)

For further information please contact Council on (08) 8626 1001

COMFORT AND COOKING FIRES

People can have a fire for comfort and cooking purposes as long as it is:

- ⇒ Not a total fire ban day,
- ⇒ Is within a fire pit at least 20 cm deep,
- ⇒ Has a 4 metre clearance around the fire,
- ⇒ Is smaller than 1 m²,
- ⇒ A person is always in attendance until the fire is totally extinguished,
- ⇒ An appropriate agent to extinguish the fire is on hand.

WHAT'S THAT SMOKE!!

During the fire danger season from the first Monday in February each year, farmers can apply for a broad acre burning permit. These permits come with strict conditions that the landowner must comply with. Historically most burning takes place during March, through until the end of the season which 'normally' finishes on 15th April every year – dependant on seasonal conditions.

Council has Authorised Officers that can issue permits for broad acre burning.

This year the minimum amount of water needed to be portable in the paddock has been increased to 1000 litres.

Farmers wishing to apply for a burning permit can find the online application form on Councils website
