Council News

Streaky Bay and Districts Medical Clinic Board

Council received a report following correspondence received from the Medical Clinic requesting the nomination of a new board member representative from Council. The report was received and noted with no nomination resolved at that time.

Sceale Bay Road Land Parcel

Council received an offer for purchase of the land owned by Council on Sceale Bay Road. Council resolved due to pending future use of the land to retain the land for its own purposes.

New Year's Eve Dry Zone

Council resolved to put in place a Dry Zone for New Years Eve. The Dry zone shall be in the same location as previous years.

Streaky Bay Rodeo Dry Zone

Council received a request to support and implement a Dry Zone for the Rodeo Carparking area, the same as applied for the event held in 2019. Council resolved at a Special Meeting to gazette this proposal.

Social Media Policy

In the judgment in Fairfax Media Publications Pty Ltd v Voller [2021] HCA 27, the High Court upheld the lower decision that the administrators of social media pages can be held liable for defamatory comments posted on those pages by third parties.

Council Officers acknowledge the advantages of social media as an engagement tool for Council and still see the value of having the ability to maintain a two conversation via social media with ratepayers and other stakeholders. Therefore, Council has updated its media policy to implement the following measures to its social media pages:

- Switch off comments on any post which has been up seven or days longer, so it no longer has to be moderated
- Automatically switch off comments on an issue which may be controversial or draw offensive third-party comments before posting
- Hide or delete any third-party comments made which may be perceived as being offensive, malicious, defamatory or may negatively impact the reputation of another
- Use "filters" to block posts using particular words or offensive language
- If resources aren't in place to monitor & moderate social media content, switch off comments

Streaky Bay Area School Pool

Council resolved the following fees and charges as listed below

- ☑ Child single \$40.00 (Membership)
- ☑ Adult single \$60.00 (Membership)
- ☑ Family \$100.00 (Membership - 2 payments only)
- ☑ Child \$5.00 Adult \$5.00 (Casual entry)

No payment = no entry.

Please note: *Adults accompanying children at the pool but not swimming also need to pay the entry fee.*

- ☑ Pool hire \$33.00 inclusive of GST (Per hour)

Council is continuing to negotiate a long-term agreement for public opening with the Minister for Education.

The Streaky Bay Area School Principal has advised there will be a delay in Council being able to open the pool due to current maintenance. Council has not been advised with a possible opening date at this time

Staff Changes

Executive Assistant – Tracey Tape (formerly within the Community and Economic Development Team) has been awarded the position in the absence of Mardi Schumann who will be commencing Maternity Leave.

Accounts Payable – Emma Campion

Infrastructure and Civil Works Administration – 1 day per Week – Courtney Montgomerie (Courtney retains her Customer Information Officer position within the Visitor Centre)

Urban Services/Parks and Gardens: Luke Kelly (Luke has been working as a casual for Council)

Customer Service Trainee – Liz Cash

Cleaner Casual – Courtney Faulkner

Transfer Station Attendant – Brodie Gazzola

Community and Economic Development Administration (Part Time – 12 months) – this position was vacated by Tracey Tape; applications have closed and will be assessed

Manager, Community and Economic Development – Penny Williams has returned from extended leave

Land Management Agreement Waiver

Council received a request to waive the Land Management Agreement for Oscar Williams Drive. Council resolved at the meeting to not waive the requested clauses regarding height restrictions and front boundary setback, however did waive the request for rear boundary setback.

Waste and Recycling Matters

Important Changes to Transfer Station Operations

As you probably know by now, the Transfer Station is changing how it operates, including adding some New Recycling processes and adding more controls around Waste Management.

We're Opening Longer:

The Transfer Station is moving from 9.5 hours (open to the public) to 22 hours (open to the public). We trust that this will significantly increase access opportunities for our ratepayers and visitors alike. New opening times are displayed separately in Criterion.

This initiative also provides staff the opportunity to better manage our resources, recycling and landfill. Every time we re-use or recycle, this saves or generates money for our community. If something goes to landfill, we all pay.

The Green Waste area:

The Green Waste area at the Transfer Station has traditionally been open 7 days a week to ratepayers.

The Environmental Protection Authority (EPA) conducted inspections during June 2021 and as a result, the Green Waste area will need to be controlled. Unfortunately, due to the actions of a couple of people, Council has no choice but to change the way we manage this area and to avoid any further incidents of illegal dumping. Over the coming weeks a fence will be erected where the existing gate is now. Entry to the area will only be available through the Transfer Station during opening hours.

We understand that this may be an inconvenience for some, however the option has been taken out of Council's hands. This will, however, help us better manage the size and type of green waste and its conversion to reusable mulch and compost.

Every waste delivery will be fully inspected on entry to the Transfer Station and persons will be directed to the relevant areas by our attendants.

The "Second Chance" Shop:

When you go through the Transfer Station shed, you'll notice a small area set aside for products which we think deserve a second chance at life.

While still evolving, the area already has some great gear. A couple of things could still make a nice gift, or that weekend project you've been looking for.

Thought of the Month – Did you know....?

1 in 5 bags of shopping eventually gets sent to landfill. The wasted food could feed up to 75 million people for a year, every year! Source - Green Industries

HEY KIDS! Tell us about your personal Waste

Reduction System:

How many chooks do you have? How big is your Worm Farm? What's your secret Compost Recipe? What do you do that reduces the waste in your Red Lid Bin?

We have some incredibly talented kids in our community, and we'd love to share some of your stories. Ask a parent or friend to help if you need. We've had several people contact us to share their stories already.

Every published story or suggestion will receive an awesome "Waste Reduction" Prize!

Share by emailing to **"My Waste Reduction Story"** at dcstreaky@streakybay.sa.gov.au or by mail to PO Box 179, Streaky Bay SA 5680. Only first names will be published, and Council will notify the successful writers by email or return mail.

Sorting your Waste WILL save you money!

In case you're not already aware, Council pays a Landfill Levy to the EPA based on the volume of waste delivered to landfill. Together, we can significantly reduce the levy and transportation costs. We can also recoup costs through Recycling and Reusing but again we need your help.

Our Staff will inspect every load that comes into the Transfer Station. If they can easily identify and access products that can be recycled, you won't be charged. **A full caged trailer may end up costing you as little as a small wheelie bin, but it must be sorted.** It is unsafe for our staff to search through your trailer to pull out a tin can or two. We need your help.

Focus "Non-refundable" Products:

- Cardboard – Clean and cut to size (talk to our Transfer Station Staff for details)
- Plastic Milk Bottles – Rinsed with caps removed
- Tin Cans – Rinsed, preferably with labels removed
- Plastic Bottle Caps
- Wine and "non-deposit" bottles and casks

Again, please sort the products as well as you can. Transfer Station attendants may refuse unsorted product, including 10c deposit items, if they deem the sorting process to be unsafe and time consuming.

Refundable Eligible Items: items listed below are refundable and accepted for recycling

	TYPE		EXAMPLE	DETAILS
1	PET Clear CLEAR Polyethylene terephthalate			Clear tough plastic bottles which contained soft drink, juice, or water.
2	PET Colour CLEAR Polyethylene terephthalate			Transparent-coloured tough plastic bottles which contained soft drink, juice, or water.
3	HDPE High-density polyethylene			Common translucent white or coloured plastic bottles which contained dairy drinks or juice.
4	GLASS Unbroken Glass bottles			Glass bottles which contained alcohol, soft drink, juice, water, or mixers. EXCLUDING wine and pure spirits.
5	CANS Aluminium Cans & Containers			Aluminium cans and bottles which contained soft drink, juice, water, alcohol, and mixers, including wine and spirits.
6	LPB Liquid Paperboard Containers			Cartons made from cardboard and plastic layers, which contained flavoured milk or juice. EXCLUDING cartons ≥ 1 Litre volume.

Community Grants

COMMUNITY

Stronger Communities Programme

The Federal Government is providing a further \$150,000 in funding for small-scale upgrades and new equipment for community groups in Grey.

Expressions of interest are now open for Round 7 of the Stronger Communities Programme, giving local governing bodies and community groups an opportunity to nominate projects for grants of up to \$20,000.

"I strongly encourage interested organisations to contact my office regarding projects important to them and our community. Grants from \$2,500 up to \$20,000 are available to cover up to 100 per cent of eligible project costs, or up to 50 per cent of eligible project costs for local governing bodies."

Mr Ramsey said it is important to note Expressions of Interest for applicants in Grey must be received by his office by Friday 3rd December.

Business Support Package

The new Business Support Package will assist an estimated 50,000 eligible* SMEs across the state, including restaurants, cafes, hotels, and tour and experience operators, affected by the new restrictions to help stop the spread of the highly contagious COVID-19 Delta variant.

Grants will help businesses cover ongoing operating costs such as rent, power bills, supplier costs and other fees, and help them to re-open when restrictions ease.

The major support package also includes a new \$1,000 cash grant for eligible** small businesses who don't employ staff (e.g. non-employing sole traders).

How to access business support:

- To register interest in Business Support Package cash grants, complete the form at treasury.sa.gov.au/sbg or email smallbusinessgrant@sa.gov.au. Applications are expected to open within the next two weeks via treasury.sa.gov.au and grants will be processed as quickly as possible.

*To be eligible for the one-off \$3,000 emergency cash grant, a business must, as at 12:01am Tuesday 20 July 2021:

- Be located within South Australia
- Have an annual turnover of \$75,000 or more in 2020-21 or 2019-20, and be registered for GST
- Employ people in South Australia
- Have an Australia-wide payroll of less than \$10 million in 2019-20
- Have a valid Australian Business Number (ABN)
- Experienced at least a 30 per cent reduction (compared to the week prior) in turnover due to the restricted trading conditions

**To be eligible for the one-off \$1,000 emergency cash grant, a non-employing business must meet the criteria listed above excluding the requirement to employ people.

Mr Keith Bennie**

The Passing of time has claimed the last known WW11 soldier from Streaky Bay and the surrounding districts.

Keith McInnes Bennie SX 16828
Life Member of the RSL died in his 99th year on Friday 23rd October and was buried at Poochera.

Keith enlisted in the Australian Army on 27th January 1942 aged 19 at Wayville SA.

He had numerous postings throughout his service career including deployment and operational service in New Guinea from August 1943 to August 1944.

Honours and Awards included the 1939/45 Star, Pacific Star, War Medal 1939/45, Australian Service Medal 1939/45 and the Returned from Active Service Badge. He was discharged on 24th May 1946.

"It's rather sad to think that this generation of brave men and women are gradually leaving us" said RSL Secretary Mick Stewart.

"Their efforts and sacrifices during desperate and dangerous times will always be remembered especially on our two special days of the year ANZAC Day and Remembrance Day".

Keith was predeceased by another WW11 veteran from the area in Bill Trevena who passed away earlier on the 1st June.

STREAKY BAY INDOOR BOWLS

The Streaky Bay Indoor Bowls Club has welcomed new member, Raylene Fiebig, Raylene first attended the club as a visitor on October 6, enjoyed the company and decided to become a member.

Three games are played every Wednesday afternoon and each week when possible players are allocated to bowl in a different team.

This type of program keeps alive the club's generous friendly competitive spirit. Mind you to achieve the weekly player rotation can be quite difficult so all credit to the selectors for a job well done.

On any week there are games ending on tied scores and sometimes at the end of 3 games there is the need for a shots count.

October 13 was one such day.

Owen's team on 2 wins was opposed to Bev W. 1 win + 1 loss and near the game finish the scores were very close. At the last end it was almost desperation time for both teams. Finally when the last bowl came to rest at the head Bev's team won that end and the game. This brought both teams to 2 wins + 1 loss so the overall winner would be decided by a shots count. The count done, the result close and with the barest of margin the win went to Bev W. 22, Owen 21.

One club member celebrated a birthday in October, Darryl on 11/10 but he had to wait for his cake until 27/10. However he did have a good day on 29/9 being a member of the winning team plus winning the spot on the plate prize.

Winners were =

Sept. 29 = Roger, Don, Darryl, Marlene

Oct. 6 = Shirley, Jim C., Don, Gay

Oct. 13 = Bev W., Shirley, Maria

Oct. 20 = Julie, Cheryl, Shirley

Oct. 27 = Connie, Jim C., Owen, Julie

The club has booked a Christmas lunch at the Streaky Bay Hotel on Wednesday December 1. Jim Petty asks that all those wishing to attend please see him no later than Wednesday 24 Nov.

Other dates to note are last games for 2021 to be played on December 15, no bowls on Dec 22 and 29, with the club to reopen on January 5, 2022.

HOSPITAL AUXILIARY

It was nice to welcome a new member to our organisation at our last meeting.

T.V. s have been installed and many positive comments and thanks received thanks have been forwarded to op shop for their generous help in enabling the purchase of these.

We will be operating a Rodeo stall selling ice creams. with discussions at length. Many have put their hands up to assist if it goes ahead, Coralie and Heather are doing the main legwork to enable the stall to succeed as a fundraiser, and most are available to man the stall if and when required.

Brock has been asked to check pipes fittings etc on system to make sure all are running efficiently before it gets too hot.

Large Busy Bee on Tuesday to trim and tidy Hospital grounds was so well attended by our reliable volunteers, and grateful thanks to those extras who volunteered to help us it was much appreciated, and been commented on by Community members, and patients who have acknowledged the difference it makes to their hospital stay. Thanks again all!!!!

ST AUGUSTINE'S CHURCH

Messages of Faith and Hope

Why is there is so much sickness and suffering being experienced by human beings all over the world? Hospitals are not coping. One of the ways we can prevent ourselves being overcome by these sicknesses is to make sure our immune system is in a healthy state. and that our diet is a healthy one and that we do a little exercise and that we keep up our vitamins such as vitamins D and C.

More important than all those things is to have a healthy spiritual life because your spiritual life determines your mental and physical life.

There is a story in the bible of a blind man named Bartimaeus, who heard that Jesus of Nazareth was passing, he must have heard of Jesus's reputation as a healer, so he cried out saying, "Jesus, son of David, have mercy on me!" Many ordered him to be quiet, but he continued to cry out. Jesus stood still and said, "Call him here." They called the blind man, saying to him, "Take heart; get up he is calling you." So, throwing off his cloak, he sprang up and came to Jesus. Jesus said to him. "What do you want me to do for you?" The blind man said to him, "My teacher, let me see again." Jesus said to him, "Go; your faith has made you well." Immediately he regained his sight and followed him on the way. (Mark 10 :46-52)

To be made well means to call out to Jesus and tell him what you want and to follow him.

This will change your whole life and make you healthy in mind, body and spirit.

This happens because God is our creator and loves us absolutely. We all need to respond to that love.

STREAKY BAY PROBUS

Was reported in last months edition of the Criterion we had our bus trip on the 7th October to celebrate Probus Day. Twenty members travelled by bus, and 4 members travelled in cars. Thanks must go to Zita Chester who picked up Mick Tomney and Shirley Danneberg, thanks also to Sandie and Ken for taking tables and chairs in their car.

It was a relaxing drive in good conditions to our first stop being Parla Peak owned by Bill Carey were we all enjoyed a great morning of tea, coffee, cakes, biscuits, scones etc. Thanks to all those who supplied this. Bills talk on the farm and surrounding area was of interest to all.

Back on the the bus and after dodging snakes, lizards and whatever else came onto the road we arrived at the Conglima Cemetery. A few members that grew up in the area explained who were some of the names buried there. From the cemetery we headed for Colley Hall now owned by Peter Feltus. The hall itself has been turned into a art studio. After a short stay it was off Port Kenny Hotel for lunch. Eventually arrived back in town after a detour to have a look at Len Kelsh's property and Murphy's Haystack's to pick up some honey. A great day out was had by all.

At our meeting on the 21st Oct our guest speaker was Tom Harrison who works for Flow Energy the people that have built the Jessie Flat Road Solar Farm. Given the restrictions in NSW we conducted this presentation via video hook up. From all accounts a very interesting talk. Probus has been invited to do a tour of the project in the next couple of weeks.

It was good to see Pauline and Ross Montgomerie at the meeting.

At our next meeting on the 18th November I hope to do a presentation on Fraud and Cyber crime. Both these items are on how easy it is to be conned. This presentation was put together for the Men's Shed but I thought it would be worth sharing with Probus members as it effects us all.

STREAKY BAY MEN'S SHED

The Men's Shed would like to pass on condolences to one of our members in Kym Buttery who lost his mother last week. We are all thinking of you.

As reported in the October edition we have now purchased a rain water tank. Some members have been busy plumbing the down pipes and overflow pipes and the outlet to the tank.

Thanks to Mick Le Cerf for taking the old galvanised iron tank.

The hose reels we made have now been painted thanks to Jim Clarke.

Projects on the go at present are:

- *shield for bowling club, a bench seat and some wooden pot plant holders.
- *painted a large book case for the Op shop.
- *a restock our bird nesting boxes in the craft shop.
- *boot hooks should be ready to go into the craft shop in the first week of November.

The green out the front of the Men's Shed is looking good thanks to Mick Le Cerf and Jim Petty.

Jim Clarke has painted a small 4 wheel cart for his first great grandson. Thanks to Jim Petty for putting the wheels on and the name and stickers on it. (see pic below)

The Men's Shed has put in to do a BBQ at the coming craft markets, Sunday 28th November 2021.

We will be doing steak and onion, sausage and onion sandwiches and will have a variety of soft drinks and tea/coffee available.

Get along and support both the other stall holders and the men's shed 10.00am -2.00pm.

SOUTH AUSTRALIAN COUNTRY WOMEN'S ASSOCIATION Inc.

Streaky Bay Branch

Relaxed October meeting proceedings opened with some funny animal photos and a short video of Helen playing golf in a dinosaur suit.

In line with International Day of Rural Women on 15th Oct, each member, firstly, gave examples of how they have mentored a girl/woman over the years that included fostering, youth program advising, study mentoring, skill-set demonstrating, friendships through trauma, employee development, etc.

Secondly, each member had to display a farm related item that included fence pliers & wire tensioner, a blue heeler dog, hessian bag needle, bale hooks, shears, apiary honey, shear pin bolt cutters, wild oats, wheat, Farmers' Handbook and, would you believe it, thanks to Fay Kelsh, a log fence post. Glad no one brought a harvester!! To end the meeting we always love looking at the array of flowers we bring in.

On 5th Oct & 20th Oct, Claire Collins, our Group Handicraft Officer from Ceduna, coordinated two demonstrations to members of this year's state crafts of embroidered scarf hanger, sorbello drawstring bag & filet crochet milk jug cover. Some delicate finery skills on display by some members and not so delicate by others with laughter to go with it.

Practice makes perfect, ladies.

December is coming around so quick and we're onto sorting our Christmas party already.

We'll be celebrating the festivities with the SACWA branches from Ceduna, Elliston & Wudinna in our gorgeous Streaky Bay, so bring on the fun and games.

Visitors and new Members always welcome.

STREAKY BAY SCOUT GROUP

Is Urgently Seeking more Leaders !

Being a Scout Leader is a rewarding role.

It is a privilege sharing in the extra learning, fun and adventure with our enthusiastic local kids.

"Scout leaders are not experts in anything, we are just passionate volunteers having a go. We love what Scouts offers and believe it is just as relevant today as ever before and that it holds an important space amongst the afterschool activities available to all youth in our town."

Our current Leaders Bec and Eric work very well together but have been doing their share and more for the last few years. This last year has seen their job commitments increase and whilst they are still keen to continue with our amazing club, we are in need of another person or people to come forward and take one of the sections, by 31 December 2021 .

We currently run Tuesday fortnightly sessions for:

JOEYS 6-7 yrs (approx 10 kids now attending)

CUBS 8-10 yrs (approx 18 kids now attending)

SOUTS 11-15 yrs (approx 10 youth attending)

We desperately need another person or people to come forward and take either the Joey or the Scout group for 2022, if we are to keep all the 3 x different age groups operating in 2022.

The times and days are flexible and the topics and potential, can be basic or vast.

If we cannot find another leader to assist these groups to operate, our Plan B will be to pool together our current resources and unfortunately this means we will only be able to offer one quality CUB group (8-10yrs) in Terms 1, 2 & 4 in 2022 and possibly onwards.

Please call Bec 0428579427 or Elmo 0428428923 for any enquiries at all and please consider joining our great, little but committed team.

90% of the training is over the computer and on the go and once its done, all the possibilities are yours.

What do you think Youth these days could benefit from knowing and doing?

"Go to your potential and make a difference"

EYRE PENINSULA SUCCESS AT FOUNDATION CUP

Eyre Peninsula's young tennis players saw some success at the Tennis SA Foundation Cup at Berri with the 13 and under team finishing on top.

Some great results were experienced across the age groups with the 13 year and under team the stand out performers taking out the state regional event being undefeated bringing the trophy home to the region.

Eva Schmucker won the 13 year girls singles championship taking out the final over McKenzie Chandler 7-6 7-5, Carter Macgowan was runner up in the 13 year boys singles championship going down in the final to the number 1 seed Sam Scott Young 3-6 6-3 4-10 in the super tiebreak.

Both players booked their spots in the South Australia regional team for the December 2021 event in Queensland.

Aiden Turner and Sally Cabot won through to the semi finals losing in tight matches which enabled them to be reserves for the state team.

Rylan Jefferson and Hunter Gray were runners up in the consolation events.

With Holly Bates receiving the sportsmanship award for the 13 years and under girls which was voted by her peers for her conduct on and off the court.

STREAKY BAY JUNIOR GOLF

Our Junior Golfers and Future of the club wrapped up their season on Sunday 10 October 2021.

Congratulations to:

STREAKY BAY KHANACROSS

The EP AutoSport Club held a Khanacross event on the Streaky Bay aerodrome on Saturday 26 September with a field of 26 drivers taking part.

The event requires drivers to demonstrate car control around a set course marked with traffic cones.

Each car is timed from a start gate with time penalties for hitting any cones or driving in a wrong direction before coming to a stop in a finish box.

The course consists of S-bends, short straights and tight turn arounds that limits speed and requires careful concentration and throttle and brake control by the participants.

Spectators enjoyed the range of cars entered including modern sports cars, classic muscle cars, everyday small hatches and special track cars. The driver's skill is more important than outright horsepower and the light and nimble small cars often beat the big and powerful beasts.

Each car had five runs around the courses over the day. Consistency in driving without any penalties is important as all times are added together to determine the class winners. There were classes for 2WD and 4WD cars as well as for female and junior drivers. The overall best time went to Derek MacDonald this year.

Thanks to the Men's Shed for providing catering to the hungry participants and spectators.

The EP AutoSport Club had about 50 members stay two nights in Streaky Bay and also took part in a Show and Shine on the foreshore on Sunday morning.

The club looks forward to holding more events in Streaky Bay and thanks the District Council and staff for their on-going support.

WESTERN DISTRICTS VINTAGE CAR CLUB

It was great to host a Show and Shine on the Streaky Bay Foreshore on Sunday 27 September, to coincide with EP Auto Club's visit to Streaky Bay Aerodrome

Luke Kelsh local Streaky Bay committee member said "It was a good turn out of local cars and great to see car entry's coming from Ceduna, Wudinna and Port Lincoln. We even had some Vintage running motors on display thanks to Peter Vowles.

"There was good support from the local community coming down to take a look on a nice sunny morning We thank the Volunteers who assisted on the day."

The Car Club is looking to host another local Show and Shine over the Christmas period, stay tuned for a date.

SADDLE UP - THE RODEO IS COMING TO TOWN!

SATURDAY 27TH NOVEMBER 2021

It seems like such a long time ago when Streaky Bay held their first rodeo back in 2019. Well hang on to your hats, buckles and spurs cowboys and cowgirls, Rodeo by the Sea is back, bigger, Better, STRONGER in 2021.

That's right, the rodeo is heading back and Streaky Bay is the only place to be on the last weekend in November 2021.

The Streaky Bay Rodeo committee have been hard at work behind the scenes making sure that Rodeo by the Sea is the best show, this side of the Black Stump.

The event will meet all the CovidSafe requirements. QR coding will be in place and appropriate distancing will be enforced, face-masks are required (nothing new for cowboys or cowgirls) and if you are unwell, please don't attend.

The Rodeo committee want to give everyone the best experience possible, so they've created some unique and exciting half time entertainment so that the action and the thrills never stop.

The uncertainty around the eastern seaboard opening up to allow competitors to attend continues. However, the Festival State Rodeo Circuit President, Tom Willoughby, believes they have enough South Australian and Northern Territory competitors to put on a great show.

If you haven't been through Lochiel - Highway One then you've missed seeing the billboard that depicts the pinup cowboy Cody Tyrrell on a bucking bronc, holding up a King Georg whiting. An image that depicts the excitement of the rodeo and acknowledges the very popular local fish.

We will miss out on the crowning of the Rodeo Queen this year, as Covid has effected their fund raising potential. However, the nominated charity for the event is the Royal Flying Doctor Service and a cheque will be presented to them at the Rodeo.

There will be the 'Best Dressed Cowboy & Cowgirl' for children to enter as well as a competitive Tug of War. If your club or group would like to participate in the Tug of War email the rodeo committee, cash prizes are up for grabs.

The Rodeo will be live streamed around the world courtesy of FSRC Secretary and super fan of Rodeo by the Sea - Ms Mery Colquhoun.

This year, tickets are only available online via the website, www.rodeobythesea.com.au and Ticketbo.

There are only 2,000 tickets available, so get in early because it will sell out.

Special thanks to the Sponsors for assisting in bringing the event to town:

Platinum - Nutrien West Coast Ag. SATC, Regional Development Australia, Ceduna Machinery, Andromeda, Courela Shearing Supplies, Port Lincoln 4WD, Iron Jack, The Streaky Bay Hotel Motel, McMahon Services, McEvoy Transport, Ray White, Kennards Hire, Perrys Fuel, Bert Build Cattle Equipment, Rod's Stock Blocks, Nullarbor Roadhouse, the District Council of Streaky Bay, Festival State Rodeo Circuit, Kurt Walter Fine Art Images, Streaky Bay Racing and Streaky Bay Tourism and Business Association; and a million thanks to the local organisations and individuals that help us the best way they can to support this event.

It seems that Streaky Bay is excited, the competitors are super excited and now you as a spectator can get really excited, so get your tickets and come to Streaky Bay, Rodeo by the Sea.

Hello !

My name is Lyn and I am the President of the Streaky Bay Tourism & Business Association Inc (SBTBA).

The Association was established in 2000 as a not-for-profit organisation to promote tourism. We've grown and changed much since then, however our core objectives remain the same.

Goals and objectives:

- Promote and advance tourism and business in the Streaky Bay region.
- Engage in and conduct promotional programs, publicity, special events, decoration, cooperative advertising and other joint endeavours for the benefit of Members and in the public interest.
- Promote projects and programs that enhance commercial activity in the region.
- Support, promote and market sustainable tourism in the region.
- Promote high standards of service by Members.
- Engage with Local, State and Federal Government on matters relating to business and tourism in the Streaky Bay Region.
- Ensure governance, decision making, and financial viability of the Association is supported by relevant policies.

We are a vibrant community group dedicated to promoting tourism and our Members businesses.

**Our AGM is on the Tuesday 16th November,
6 pm, Streaky Bay Visitor Centre, 21 Bay Rd Streaky Bay
(entry thru the rear door)**

All committee positions will be declared open for nomination.

**Nomination or Proxy Forms are available from the Visitor Centre
Submit forms to tourism@streakybay.com.au**

We invite you to consider nominating. Join the Association as an individual or as a business operator and contribute to the social and economic prosperity of our community.

Drought Resilience Leaders Development Program

EYRE PENINSULA, SA

The Australian Rural Leadership Foundation is inviting people from the Eyre Peninsula, South Australia to gather, collaborate and learn with other people who share the aspirations of the region.

The program provides a learning experience that will challenge and support you to develop the skill, knowledge, mindset and networks to lead your community into the future. Become part of a forward-thinking network of people committed to embedding resilience thinking in their communities and to influencing change.

The program will be held over the proposed following dates:

SESSION 1
2-4 February 2022
9:30am to 4:30pm

Themes
Self-awareness, adaptive leadership, change theory, personal and community resilience

SESSION 2
22-23 February 2022
9:30am to 4:30pm

Themes
Climate science, problem solving, creativity, mental and physical wellbeing

SESSION 3
15-16 March 2022
9:30am to 4:30pm

Themes
Scenario planning, influence, network leadership

ALUMNI
upon completion

All participants join the ARLF Alumni

Applications open 11 October– 21 November 2021

Invest in yourself. The program is open to anyone over the age of 18 from any industry. The program is aimed at curious individuals who seek to understand their region, have strong relationships within the community or want to develop them, and who want to influence the resilience their community has, to adapt and manage uncertainty.

What will I gain from this program?

- » The opportunity to create new networks, to work alongside others and to not lead on your own as there is added strength in collaborating with others
- » The chance to collaborate with others who are willing and ready to respond to the future impacts of climate
- » To ask bigger, broader and more expansive questions about the future and what can be done now.
- » When you complete the program you become part of the ARLF network of alumni of over 1,700 members who are working for the greater good of rural, regional and remote Australia.

All places are funded by the Australian Government's Future Drought Fund.

The program is free of charge, however you will be responsible for funding your own travel and some meals. An allowance of up to \$500 to cover up to 50% of your travel costs is available at the end of the program.

Does my dog bark excessively?

When barking becomes an issue

Barking is a normal part of your dog's behaviour. Your dog might bark for a number of reasons. It can be playful, to signal your dog is happy to see you, or show anxiety or an attempt to defend its territory.

Sometimes, however, your dog's barking, if excessive, can be a problem for your neighbours. Barking stress, anxiety and even loss of sleep. Excessive barking (as defined by the Dog and Cat Management Act 1995) is when a dog creates a noise, by barking or otherwise, which persistently occurs or continues to such a degree or extent that it unreasonably interferes with the peace, comfort or convenience of a person. Excessive noise is one of the most frequent concerns raised with councils.

We understand...

- most owners are willing to work with the council to find ways to stop their dog from barking excessively.

Excessive Barking: the facts

- Many factors can cause a dog to bark excessively:
 - Boredom, loneliness or lack of entertainment
 - Discomfort from fleas, worms or other irritations
 - Unsuitable yards, enclosures or kennel areas
 - Lack of adequate food, water, exercise or training
 - Guarding or protecting territory or feeling threatened
 - Protecting their owner or their family
 - Strange or new noises or fireworks
 - Thunderstorms, flight attitude planes or wailing sirens
 - People passing or children playing nearby.
- If your dog barks excessively and it becomes an issue for you or your council, it is reviewed and resolved through:
 - Working with the owner informally with education, monitoring the situation and/or mediation
 - Issuing the dog's owner with an explanatory notice (or excessive barking)
 - Issuing the owner with a Control Order (barking) under the Dog and Cat Management Act 1995.

We understand...

- excessive barking is distressing for everyone.
- It's why it's important to manage the situation and your dog.

If a complaint is lodged with council

The first task of the council is to determine if the complaint is valid. Sometimes the wrong dog is blamed. Sometimes the complaint is the result of a neighbour dispute. And sometimes, one neighbour is overly sensitive to barking while others don't notice it.

Mediation to find a solution

Not all noise nuisances require legal solutions. If the owner and neighbour, working with their local council, are unable to resolve the complaint informally, then the council will conduct a full investigation. This may include providing diary sheets, talking to neighbours, the complainant and the dog owner. Information collected at this time is vital and may be admissible as evidence if the matter is prosecuted.

When no solution is agreed on

The council can issue a 'control order' (barking) to require an owner to control their dog. Usually, an explanatory notice will be sent allowing up to 21 days to rectify the problem. If not corrected, council may issue a control order and expel.

When a Control Order is issued

If issued, and if the dog continues to create further excessive noise, councils can instigate prosecution against the owner. If they refuse or cannot comply with the control order,

if found guilty, the court may impose a penalty that requires the owner to implement strict controls on their dog or remove the dog from the property.

Contravention of an order is a serious offence.

When no solution is found legally

Councils have the right to take civil action against a dog owner to alleviate a noise nuisance. If the council believes council has not handled the matter in accordance with its obligations, the owner can be taken to the office of the State Ombudsman.

Excessive barking: a good owner tip

You should always take noise and barking dog complaints seriously, however difficult, it may be to investigate or resolve.

Councils can provide information about dealing, dog noise problems and may refer you to an expert, such as a vet or dog behaviourist.

To find the facts and other tips on how to be a good dog owner, visit dogandcatboard.com.au

The opening words of the Bible are an overview of chapter one verse two through to chapter two verse three.

*In the beginning God created the heavens
and the earth.*

Note; some Bibles will use the word sky so people who use the word 'heaven' as a 'dwelling' place for God will not be confused with the universe God created beyond the earth.

Eternity (timelessness)

existed before creation

and then history begins

will you be separated from God

when eternity returns
