FROM THE CEO'S DESK

From the CEO desk: Supplementary election

As you may or may not be aware of, because we had one position unfilled through nominations at the recent the 2022 Council Elections, we will be required to facilitate a supplementary election for the remaining vacant position on Council. Nine other Councils in South Australia also have to undertake a supplementary election for the same reason and for uniformity, we are looking to facilitate the supplementary elections at the same time. The dates for the upcoming supplementary election have now been confirmed and are:

- Close of rolls – 5:00 pm, Tuesday 20 December 2022
- Nominations open - Friday 13 January 2023
- Nominations close - 12 noon Friday 27 January 2023 (Thursday 26 January is Australia Day)
- Mail out period - Wednesday 15 February 2023 to Tuesday 21 February 2023
- Close of voting (polling day) - 12 noon Tuesday 14 March 2023 (Monday 13 March is Adelaide Cup)

We in conjunction with the Electoral Commission of South Australia will be promoting awareness of the supplementary election and it's phases (enrolment, nominations, and vote), via press, email, SMS, social media, and other media. However, initially I remind everyone to check and update your postal address and encourage those with businesses, rental property owners and holiday homeowners to enrol before the 20th of December 2022.

I would also highlight that nominations open on Friday 13th January 2023 and encourage you to nominate for your local Council and help shape the future of your community.

MEDIA RELEASE

1 December 2022

FOR IMMEDIATE RELEASE:

Bookings required for Perlubie Beach and Tractors Beach campsites from the 19th December

From Monday 19th December, individuals wanting to camp at Perlubie Beach and Tractors Beach campsites will be required to book a site and display a permit whilst camping at the locations.

In anticipation of the site bookings, from Friday 9th December 2022, online bookings for Perlubie Beach and Tractors Beach campsites will go live at: <https://book.bookeasy.com/agent/eyre-peninsula/8432557/>

Sites will be from \$20 (Perlubie Beach) and \$15 (Tractor Beach), and numbers will be capped to ensure camping at the sites remain sustainable and doesn't adversely impact the local environment.

In recognition of local families who have traditionally camped at Perlubie Beach for multiple generations, additional sites will be opened during peak periods for local residents. To obtain further information about how to book these sites, please contact the Streaky Bay Visitor Centre on (08) 8626 7033.

In speaking about the introduction of camping permits, the District Council of Streaky Bay Mayor Travis Barber said he looked forward to the benefits of the permit system, he said "the Bookeasy permit system has been successfully introduced across numerous campgrounds across the Eyre Peninsula and we saw it as a great option for us as it meant visitors coming to the Eyre Peninsula only had to go to one location to make their campsite bookings. We also like the fact that through booking online, visitors would have a guaranteed spot to camp after the long drive to Streaky Bay".

The launch of the systems aligns with national Coastcare week acknowledging the hard work of organisations and groups who are restoring, enhancing and protecting their local natural environment across Australia.

General enquiries about the introduction of site bookings can be directed towards the staff at the Streaky Bay Visitor Centre on (08) 8626 7033.

FOR IMMEDIATE RELEASE:

Unique Art-Rock Show Hits Streaky Bay

After a smash premiere season at the Adelaide Fringe 2021, Adelaidean funk rock band George Glass are now taking their new show, Art Attack, to Streaky Bay.

Art Attack is a unique art-rock show where audiences are invited on stage to paint a giant mural to the music. Armed with a paintbrush all you need to do is get lost in the music and make your mark on the wall.

"People don't have to get up if they don't want to. But we've found that once people see how much fun, and how easy going it is, they change their minds." says guitarist Nic Conway.

Over the course of 60 minutes, audiences will be invited up in groups of 4 to paint on a giant canvas. George Glass, who have been making cross art form music shows for 10 years, performing music and comedy across Australia and the U.K, will be providing a set of comedic, funk-rock tunes.

"People have a few drinks, they laugh, they paint, it's a really nice experience. And the artwork always looks fabulous. You don't have to be any good at painting, just have fun, that's what makes the art so unique to the community." Says bassist Ali McMichael.

George Glass have lined up a full tour across SA, with shows in Kangaroo Island, Pt Lincoln, Whyalla, Mt Gambier and of course Streaky Bay. At the end of the tour, they'll be throwing one final Art Attack in Adelaide and then exhibiting all the canvases!

Don't miss your chance to be a part of the art in this unique art-rock show, coming to Streaky Bay Saturday, 14 January 2023.

Location: Streaky Bay Hall, 29 Alfred Terrace, Streaky Bay.

Tickets: \$20 + booking fee

www.eventbrite.com.au/e/george-glass-does-art-attack-streaky-bay-tickets-465395619827?

Time: Doors open at 6:30pm

Facilities: Bar facilities available all night / BYO nibbles platter.

This event is proudly brought to you by the District Council of Streaky Bay.

STREAKY BAY CATHOLIC CHURCH

FAITH NOTES

Last Sunday, in our Churches, we began the season known as Advent. It comes gently enough, but it's not a small thing.

It comes as summer is upon us and as our farmers are working long and hard to harvest their crops. Harvesters can be seen in paddocks against the night skies. Trucks traverse our highways and rural roads and the activity around our siloes becomes frenetic. God's power is at work gathering in the fruits of the earth and the work of human hands. As nature's seasons have their power, so does the Church's.

It's not a small thing that the Christian Churches throughout the world should be beginning this season as one, everywhere hearing the words we hear, singing the same Psalms, praying with great energy. Everywhere the same hope fills our hearts pressing us upwards

It's not to be taken lightly when Jesus exhorts His disciples, Stay awake! Even the word Advent is a summons. It means coming.

There is a great wealth in Advent, such a blessed clustering of themes. There's John the Baptist calling us to remove the potholes and unnecessary ramps in our lives, to make them simple and level and honest and true. There is Mary, the Holy Spirit coming on a Virgin, wrapping her in His light, making her the secret carrier of the hope of the world.

There are the astonishing paradoxes: God becoming man so that we might become God. It's mystery on mystery. A virgin becomes a mother without ceasing to be a virgin. There are timeless stories, angels and shepherds, straw and dung on the stable floor and the Son of God in a trough. The intersection of eternity and time, the bewildering confluence of glory and humility.

So, let this not be squeezed out by the noise and busyness of our daily lives. Let's keep awake to all of this. Let Advent be a real awakening for our hearts and minds and make them a place of waiting and hope. What we are about to celebrate is no small thing!

COMMUNITY OP SHOP

Betty Kammerman officially cut the ribbon at the opening of the new Community Op Shop this month.

Several people attended the opening, followed by a sausage sizzle. Cooked by local identity Johnny Haycraft.

Money from this op shop will go back into the Community. Recipients will be asked to apply to the committee in writing at the end of the financial year.

Betty and Heather Scantlebury were presented with flowers for their contribution to the original shop over many years and helping set up the new shop by President Sandie Quast.

Sandie and her husband Ken worked tirelessly in setting up the new shop.

She thanked all the many volunteers for their support and contribution to helping prepare the new shop.

Open hours are 10-2 mon to fri, sat 9.30 -12 sun 10-12

We wish to say a huge THANK YOU to everyone in the community who donated cakes, plants, money and came along to support our Cake Stall on Saturday 26th November. \$1000 was raised for the Streaky Bay Hospital Auxiliary.

We will be open until 4pm weekdays during School Holidays.

Check opening times in the shop window.

We appreciate your support.

NUTRIEN AG SOLUTIONS AWARD

Local ag retail store recognised in national awards celebration

Ahead of National Ag Day this week, West Coast Ag has been recognised for its performance and contribution to the agriculture industry at the Nutrien Ag Solutions Gala Dinner and Awards night.

The local Streaky Bay business in South Australia was awarded the 2022 Nutrien Ag Solutions South East Independent Business of the Year and the 2022 Nutrien Ag Solutions National Independent Business of the Year.

“Our priority is to provide top shelf customer service to every single person that walks through our doors. We support our clients to make the most of opportunities and mitigate risk and similarly to last year, 2022 has presented different challenges which we have had to navigate as an industry. I want to say a huge thank you to our team for all they do every day to help our farmers to be more productive, profitable and sustainable in how they produce their food and fibre. We are looking forward to another great year with our customers in 2023,” said store owner Clint McEvoy.

Nutrien Ag Solutions General Manager Members, Franchises, Affiliates and Independents, Greg O’Neil, said West Coast Ag is a valued member of the local ag community.

“Apart from achieving stellar results on behalf of their clients this year, the team has also been involved in trial site and research work to continue advancing the ag sector. Congratulations to Clint and Wendy McEvoy, they lead a great team of industry experts that are all passionate about farming,” said Mr O’Neil.

Contact the team at West Coast Ag, Streaky Bay, for more information on how they can support your operations.

STREAKY BAY MENS SHED

Condolences to one of our members in Jim Clarke for the loss of his daughter Kayleen.

Our thoughts are with Jim and family.

On Sunday the 27th we did a BBQ at the craft markets. Thanks to all those that supported us.

Thanks must go to Jim Petty, Malcolm Brace, John Lelifeld, John Wilson, Rob Feibig, Mick Le Cerf, Kym buttery, Wayne Miller, Peter Eylward for giving their time to do the BBQ. Thanks also to a visitor in John Haycraft (who helped us set up)

Congratulations must also go to market organisers for a well run event.

Our next BBQ will be the New Years Eve event.

Thanks to Leon Hanley for giving us some timber that was in Don Millers garage, also thanks to Chris Georgio for letting us have the offcuts of decking timber. We use this timber for our bird boxes.

As per a previous edition of the Criterion we have completed work on the book exchange in one of the old telephone booths in front of the post office. Should be open by time this goes to print. We intend putting another book shelf in later.

Some members are making different styles of chopping boards. These boards are work in progress now.

We have nearly finished a cabinet that has been restored. This will be put up for sale soon.

STREAKY BAY MENS SHED CONT

Jim Clarke has rubbed back, undercoated and started putting the top coat on an old swing we have been asked to do up. John Lelifeld has made a new seat for it.

We have a new banner for our shed on the way thanks to John Wilson and some hard work from Jude Ibbott. This will be displayed at any events we do.

This visit was made possible thanks to funding from Masonic Charities Trust. The presentation was run in conjunction with the Streaky Bay Men's Shed.

A lot of work went into getting the girls here from Adelaide and they were more than happy with the attendance from the community. Thanks for those who attended. (See pics below).

Just on the figures we had 32 people attend. 25 of these completed the AUSDRISK screening questionnaire for type 2 diabetes. Based on that we had 19 indicate high risk of type 2 diabetes and proceeded to have a finger prick blood test. Of these 5 were in the high risk range for pre diabetes or type 2 diabetes.

On the 15th December we are having our Christmas breakup at the hotel.

Merry Christmas and a Happy New Year to all our members.

Our next meeting will be on the 19th January 2023

STREAKY BAY PROBUS CLUB

Fellow probus members offer their condolences to Jim Clarke who recently lost his daughter Kayleen.

We are all thinking of you and family at this time of sadness.

SA COUNTRRY WOMENS ASSOCIATION INC

November was the month to discover facts about our Country of Study – Kiribati (pronounced “kiri bass”).

An island country in the Pacific Ocean consisting of 32 atolls; a population of over 119,000; South Tarawa is the capital; 82m is highest point above sea level; the biggest exporters of live ornamental fish; 60% of catholic religion; the wet season is in November to April bringing westerly gale winds; the nicer season being May to October has predominant NW gentle winds and currents and an average 27-32 degree temperatures; two small uninhabitable islets submerged in 1999; the next century's sea rise due to climate change will see a large part submerged – some of the info shared in our meeting.

Our Streaky Bay Market stall went very well on November 27th, selling out of all baked goods within two hours. Thanks to all who supported our stall and big thanks to Toni & crew for organising yet another successful and popular local event. Streaky Bay does it again!

We now have Christmas on our heels and we're all well underway with that season madness. We take this opportunity to wish everyone a Merry Christmas, a fun-filled summer, and most importantly, very safe travels. Thanks for your support during 2022 and see you in 2023.

CLINIC INFORMATION PAGE

SUMMARY – MEDICAL SERVICES

We have a contract with SA Health to provide General Practitioner Services to the Streaky Bay Hospital, *What does this mean?* The Streaky Bay and District Medical Clinic has an obligation to provide GP Services to the hospital 365 days per year, 24 hours per day. How do we do this? At present we have one resident GP who provides 50% of the service, and the Clinic engages Locums to undertake the other 50%

We have one resident GP who is contracted on a full time basis to undertake medical services at the clinic

We have one part time/casual GP who is contracted to the clinic to assist with backfill, immunisations and other minor medical services when required

The Rural Doctors Workforce Agency (RDWA) provide an Outreach Women's Health Service from the Clinic, RDWA contract the clinic to utilize a room only for this service, all income is received by the RDWA

OUR HISTORY

The Streaky Bay Medical Clinic was privately owned, before it was purchased by the District Council of Streaky Bay at the desire of the community to then be transitioned the clinic into a not-for-profit community owned clinic.

OUR BOARD

The Clinic operates as an incorporated association under the Associations Incorporations Act 1985, with a **volunteer** Board that oversees its operations on behalf of the members of the association.

There are 8 Board Members, including one Council representative. The Board meets on a Bi-Monthly basis and its operations are audited annually and operate in accordance with the Associations Incorporations Act 1985.

OUR RESPONSIBILITIES

The board is responsible for the engagement of staff at the clinic, GP contracts, external agency contracts and contract arrangements with other bodies. The board must ensure the clinic remains financially viable.

"We have a vision to provide health care services that are accessible and maintain the livability of our community"

THE HOSPITAL

The Streaky Bay Hospital is an SA Health Facility that operates under the Eyre Far North Local Health Network (EFNLHN), the Clinic provides GP's to service the hospital, EFNLHN do not provide GP services to the Hospital.

OUR STAFF

The clinic has limited staff with 1 Full Time Practice Manager, 1 Part Time Receptionist and 1 Part Time Practice Nurse.

OUR GENERAL PRACTITIONERS

The Clinic has 1 resident GP serving a permanent population of 2200 with a holiday season population of over 3000, along with year round provision of GP services to the hospital this has resulted in the engagement of Locums to support this level of service provision.

WHY DO WE GET CHARGED? WHY DON'T WE BULK BILL?

As a not for profit association the Clinic operates the same as a private business where by the Clinic pays all employee wages, insurances equipment, supplies, rent, utilities and other expenses relating to the operation of the clinic. As the clinic has a higher turnover than most associations it is registered for GST.

The clinic receives 30% of all consults income from the permanent GP and 100% of Locums, however we struggle to cover costs due to the engagement of locums at around \$2500 per day plus travel expenses and agency fees, this results in the Clinic running at a loss, as the income earned does not cover the costs. We have no option other than to engage Locums to cover the 50% on-call roster at the Hospital.

The rebate provided by medicare has not increased enough over the years to cover general medical practice expenses. Therefore the payment of a gap fee by patients is required to ensure that both our hospital and our clinic remains operational and our community can receive GP, EMERGENCY and IN PATIENT CARE.

WHO ARE THE BOARD MEMBERS?

AgriFutures Horizon Scholarship applications open today

Applications for the 2023 AgriFutures Horizon Scholarship Program are now open. Students entering their final two years of an undergraduate degree who are passionate about the future of Australian rural industries are encouraged to apply.

The AgriFutures Horizon Scholarship is a collaboration between many of the Research and Development Corporations (RDC's), along with Cooperative Research Centre for Developing Northern Australia, FMC Australasia, AgriProve and Kalyx to provide eligible university students with a \$10,000 bursary over two years and plenty of opportunities to develop their leadership skills and expand their networks. As part of the Program, students also attend an annual four-day professional development workshop and complete two weeks of industry work placements per year.

The Horizon Scholarship Program is open to students studying agriculture-related or STEM degrees with major studies and/or subject selections that align to agriculture.

AgriFutures Australia Managing Director, John Harvey says that attracting people from non-traditional agricultural backgrounds will be crucial to solving the workforce challenges of the future and is excited to see the Horizon Scholarship Program evolve to meet this need.

"Our cohorts are no longer made up solely of ag students from traditional farming backgrounds. We now have scholars studying engineering, law, business and communications," said Mr Harvey.

"We have scholars from the inner city in the same room as students from cattle stations in central Queensland, and this diversity in backgrounds and thinking is beginning to elevate the conversations beyond anything we've seen before."

This was the experience for current Horizon Scholar, Thomas McPherson.

"There are some brilliant ideas flowing when we get together because we all have a common goal of wanting to improve and make a difference in agriculture."

"Agriculture has some issues that probably have simple solutions but others that require pretty complex solutions. Being in a position where I have the privilege to soak up as much information as possible from those around me, even people you meet along

the way at a conference, has been incredible and what I've enjoyed the most," Tom said.

The diverse range of industry sponsors involved in the Horizons Scholarship program represents the desire to build prosperous and sustainable rural industries. To do this, there is a need to build the skills, capacity, leadership and knowledge of the future rural leaders of Australian agriculture.

"Creating a platform for students to collaborate across traditional and emerging areas of agriculture will create a platform of networking, idea creation and forward thinking that is invaluable to the rural industries of the future and I thank all of the industry sponsors who recognise the value and importance of the investment into future leaders."

"Australian Eggs, Australian Wool Innovation (AWI), Cooperative Research Centre for Developing Northern Australia (CRCNA), Dairy Australia, Grains Research and Development Corporation (GRDC), Meat & Livestock Australia (MLA), Hort Innovation, Cotton Research and Development Corporation (CRDC), FMC Australasia, AgriProve, Kalyx and the AgriFutures Thoroughbred Horses, Rice, Honeybee and Pollination, Agrifood Innovation and Emerging Industries Programs are all sponsors of the Horizon Scholarship program, and our scholars have seen first-hand the benefits associated with having such valuable industry connections," said Mr Harvey.

To be eligible to apply students must:

- Be an Australian citizen or permanent resident
- Be studying an undergraduate degree at an Australian university
- Be entering the final two years of their degree in 2023.

Scholarship recipients will be selected on the basis of their commitment to a career in agriculture, as well as their leadership potential and tertiary academic record to date.

Applications close Friday, 13 January 2023 at 5pm AEDT. Shortlisted applicants must be available for a telephone interview in February 2023, and scholarship winners will be announced in April 2023.

Council Waste Matters

Cardboard is free to drop off at the Transfer Station and greatly reduces the volume in your kerbside bin reducing what goes to landfill.

The cardboard is baled on site and freighted to YCA Recycling in Adelaide for recycling. A truck load of 80 bales was transported in January.

A reminder that the transfer station accepts the following non-deposit items for recycling:-

- Plastic milk and cream bottles, washed with the lids removed – opaque in colour
- Cardboard, cut or broken up into pieces that fit into a 240litre wheelie bin (please note that cardboard and cardboard boxes not to the correct size will be charged)
- Tin and steel cans, e.g. fruit tins, soup cans, etc. – washed with the lid put inside the tin

Please ensure your waste is sorted prior to arrival, this avoids contamination of waste.

The Environment Protection Authority (EPA) has imposed strict conditions on the disposal of waste in South Australia. The attendant will direct you to where your waste is to be placed – penalties will be imposed on Council for contaminated waste by the EPA. Your cooperation in sorting your waste is greatly appreciated.

The attendant has the right to refuse any waste that is not sorted.

Other items which are free to drop off at the Transfer Station are:

- Green waste – please see attendant before dropping off
- Steel; and
- Car Batteries
