VARIETY BASH VISITS THE STREAKY BAY DISTRICT

There was plenty of colour, excitement and smiling faces across the district recently as the 2026 SA Variety Bash rolled into Wirrulla and Streaky Bay for a two-day visit.

This year's Bash brought together 231 colourfully costumed entrants, 53 volunteers and 72 themed cars for an eight-day, 2,304-kilometre journey across South Australia.

The Bash kicked off its visit to our district in Wirrulla, joining the community for the official opening of the newly upgraded Wirrulla Triangle. Participants and volunteers handed out goodies, posed for photos, explored the new community space and even joined the kids for some half-court basketball.

During the visit, Variety – the Children's Charity SA presented $30,960 towards new play equipment at Wirrulla, which will form the final stage of works for the area.

The colourful convoy then continued on to Streaky Bay, where the generosity continued at Streaky Bay Area School. Variety made a wonderful contribution to the school's Wellbeing Room, providing sensory tools to help students feel calm, safe and supported throughout their school day.

The visit also provided a fantastic boost for the wider community, with participants supporting local accommodation, fuel stations, retailers and businesses. Local mechanics even lent a hand to keep some of the Bash cars on the road.

The Streaky Bay Sporting Complex also benefited through fundraising opportunities associated with the Bash dinner and breakfast, with local businesses helping to deliver the events.

Across the entire 2026 Bash, entrants delivered $515,000 in grants to regional communities along the route. After 12 months of fundraising, this year's event raised an incredible $2.055 million net to support children in need across South Australia through Variety SA's programs and grants.

Most memorable, though, was the joy the Bash brought with it – from generous gifts and friendly chats to waving hands and honking horns wherever the colourful convoy went.

With live coverage from Channel 10 and plenty of social media activity, the visit also provided some fantastic exposure for our district.

A huge thank you to all the Variety Bash participants and volunteers for embracing our communities with such generosity and enthusiasm – we loved having you!

Community News

HASLAM JETTY OPENING

Residents and community members rugged up on Monday 10th August to celebrate the opening of the Haslam Jetty.

The occasion was enjoyed with a BBQ lunch, a community engagement session with Council staff and executives, and of course, a walk along the newly upgraded jetty itself.

As part of the finishing touches to the project, a new bench seat and interpretive signage recognising the history of the project have also been installed, along with the completion of a new beach access path.

We would like to again thank the State and Federal Governments for their funding support, Maritime Constructions for their outstanding work, and the Haslam community for its patience, generosity, and support throughout the project.

It was great to come together and celebrate the completion of this important community asset!

A few words from Peter Eylward:

On behalf of the present and past residence of Haslam and district. I would like to thank the Streaky Bay Council in restoring the jetty. The jetty is the focal point of Haslam. Knowing about other jetties which have been left to rot we are quite fortunate in ours being restored. Thank you.

Graham, Yvonne, Brian & Lorraine, Andrew & Pam, Don, Anne Taredgold and Doc Woods.

K'S FOR KIDS CANCER

On Saturday 1st August, Georgia Smith completed an incredible 77.6-kilometre run from Smoky Bay to Streaky Bay, raising more than $35,000 for families affected by childhood cancer.

Georgia completed the journey in eight hours and 59 minutes, with plenty of support along the way from her support crew and the wider community.

Georgia's run finished at the Streaky Bay Sports Complex during the local night football, where she was welcomed by an emotional crowd of family, friends and community members. Georgia described reaching the finish and seeing the support from both clubs and the wider community as a moment she will never forget.

The 77.6-kilometre journey was both physically and mentally challenging, with Georgia describing the stretch between 60 and 70 kilometres as the toughest part of the run. Once she reached Five Mile and familiar roads closer to home, surrounded by her support crew, she knew she was going to make it to the finish line.

The run was inspired by Georgia's late mum, who survived childhood cancer before sadly passing away at just 25 years old. What began as a very personal challenge quickly became something the whole West Coast community got behind, bringing people together for an important cause.

"It's not about the run, it's just about what we can do when we all put our hearts into it, and what we can do is phenomenal, I feel very proud to be part of these communities," Georgia said.

Georgia thanked everyone who helped make the fundraiser possible, including her support crew, sponsors, family, the West Coast Hawks and Ceduna Blues football and netball clubs, and the many people who donated, cheered her on and supported the cause.

An incredible achievement by Georgia, and a wonderful reminder of what our West Coast communities can achieve when they come together.

Community News

NEW COMMUNITY STREET LIBRARIES

New Street Libraries Pop Up Across Streaky Bay

A new community project is bringing together books, creativity and community spirit, with the first two of 10 Street Libraries now installed across the District of Streaky Bay.

Installed in time for Book Week, the first libraries can be found outside the Streaky Bay Visitor Centre, painted by local artist Abbey Dunbar, and at the Streaky Bay Community Garden, painted by Year 8 and 9 students from Streaky Bay Area School.

The project aims to make books accessible to everyone and encourage people of all ages to read, borrow, swap and share.

It has been a real community effort, with the Year 8 and 9 students from Streaky Bay Area School, supported by teacher Hannah Riley, creating four colourful libraries inspired by our local region. Arts Up are completing another four, while Karkultaby Area School students will decorate two libraries for Wirrulla and Poochera.

The Streaky Bay Men's Shed has helped protect the artwork with two coats of clear sealant, while Council's Works Team attached the posts and installed the first libraries.

The concept is simple — take a book, leave a book, or swap a book. Pick up something to enjoy at home, read with the kids, or find a sunny spot and settle in with a new story.

Council is still seeking good quality book donations to help keep the libraries stocked. Donations for all ages can be dropped into the Streaky Bay Visitor Centre.

Keep an eye out for more Street Libraries appearing around the district over the coming months — and most importantly, get out there and enjoy them!

Happy reading!

JULY SCHOOL HOLIDAYS ACTIVITIES

Community News

COMMUNITY GARDEN UPDATE

August has been another busy and productive month at the Streaky Bay Community Garden, with plenty of progress, community involvement and new additions taking shape.

A highlight this month has been the planting of fruit trees, managed by Stevi, Karen, Simone, Caroline, Howard, Guy, Pip and Petra. The trees will provide locally grown seasonal produce as they establish, while creating more opportunities for hands-on learning and community participation.

We have continued to welcome Streaky Bay Area School students to the garden, with children getting involved in a range of practical activities. Students have been watering, weeding, planting and learning about growing and preparing healthy food. They harvested snow peas and beans, planted potatoes to dig up and cook later, and discussed foods they can grow and prepare at home. Walking to and from the garden also adds some healthy physical activity to their visits.

There has been plenty of creativity too! Students have started designing and painting colourful rocks for a caterpillar path, which will become another fun and colourful feature within the garden.

Our wonderful volunteers have also been keeping busy. Weeding, watering, and preparing the shade structure for passionfruit to climb, which will eventually provide natural greenery and additional shade.

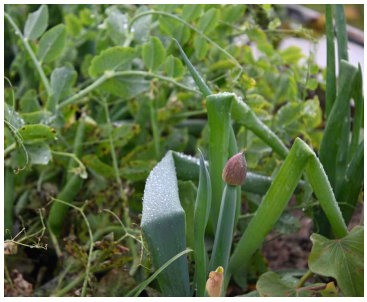

It has been fantastic to see the garden continuing to grow as a place for learning, healthy eating, physical activity, creativity, and community connection. A big thank you to our volunteers, students, teachers, community partners, and everyone who continues to contribute to the garden.

Regular meets are 9:30AM Thursdays, get your hands dirty and meet new people!
All are welcome.

EYRE AND FAR NORTH LOCAL HEALTH NETWORK

Statement from Eyre and Far North Local Health Network Chief Executive Officer Julie Marron

Elmhaven Hostel is operating without any restrictions or exemptions and has all the required accreditation.

The Hostel is staffed in line the Nursing and Midwifery SA Public Sector Enterprise Agreement 2022 and has registered nurses, enrolled nurses and aged care workers on its team.

We are aware of speculation regarding Elmhaven Hostel and I want to reassure the community we have no plans to reduce our services.

EFNLHN is committed to the long-term provision of residential aged care in Streaky Bay and will work with the community, residents, their families and other stakeholders to ensure a viable and safe operation continues to operate.

Julie Marron
Chief Executive Officer
Eyre and Far North Local Health Network
SA Health - Government of South Australia

COUNCIL MEETING

Change of date: September's Ordinary Council Meeting

The September 2026 Ordinary Council Meeting which was scheduled to be held on Tuesday 15 September 2026 has been rescheduled and will now be held on Tuesday 22 September 2026 at 9.30am in the Council Chambers, 29 Alfred Street, Streaky Bay.

Community News

PROBUS

Streaky Bay Probus members enjoyed a wonderful month filled with friendship, discovery and festive fun.

20 of us jumped on a bus along with a few cars and we headed down the highway to visit artist Rosie Woodford Gnafs' beautiful home. Rosie welcomed us and shared her amazing gardens, illustrated book and wonderful paintings of native animals. Rosie also shared some fascinating stories about her early life in Uganda with her family before moving to Australia. It was a very interesting and enjoyable visit.

After a quick change into our Christmas attire, we boarded the bus to the sounds of Jingle Bells and headed to the Port Kenny Hotel for our Christmas in July celebration, where we were joined by residents from ElmHaven.

New owners Rod and Kim went all out with Christmas carols playing, Christmas trees and decorations throughout the hotel, and beautifully set tables, creati a wonderful festive atmosphere for us.

Everyone embraced the Christmas spirit, dressing up and joining in the fun and games, including the Human Christmas Tree and Celebrity Heads, along with plenty of photo booth fun.

A delicious Christmas roast with all the trimmings was enjoyed by everyone, making it a wonderful day of friendship, laughter and Christmas cheer.

August Meeting

At our August meeting, Graham Gatley, West Coast Representative for Legacy, joined us via Zoom. He told us about the wonderful work Legacy does throughout South Australia. They do incredible work for military families left behind. Peter Elyward answered questions afterwards and told us about our district and his involvement with the organisation.

With another informative meeting and a month full of memorable experiences, Streaky Bay Probus continues to bring members together through fun friendship and fellowship.

Community News

INDOOR BOWLS

Wednesday is indoor bowls day.

July 29th = 18 + 1 visitor played the 3 games of 8 ends. Before play commenced club president Bev White tabled a letter of membership resignation from Bob and Christine Woolner. Bob and Christine now reside in Clare. They joined the S/B club in 2025, became valued members and regularly bowled in the Wednesday competitions. On this last Wednesday in July 3 teams scored 2 wins + 1 loss, the shot count was 35, 26, 19. Note number of penalties given were high.

Aug.5th = 17 played. Penalties were still high, occasionally helping an opposing team to win. At the finish of game 2 only 1 team had scored 2 wins 9/8, 13/9.The team went onto win the next game 11/8 and winner of the day. August was birthday time for 2 club members, Betty 4/8 and John 6/8 see photo

Aug. 12th = 13 played..... holidays away and winter ailments reducing the number of players but certainly not the fun for those who bowled. Frequently the kitty was bowled off the mark, either to balance on the mat edge or topple off completely. One such occasion happened on mat 1. The kitty had been already moved to near mat edge, with a close bowl resting on either side. Up comes the next delivery, on track, a resounding whack (you could hear the connecting sound 2 mats away) . One of the 2 close bowls had been sent flying off the mat to leave a single shot result.

Aug. 19 = 20 played. This day could be named ricochet day. So many delivered bowls bounced off bowls resting in the head, to often finish as a winning shot. The feat happened on all mats. Penalties were down, only 4 the entire competition. The overall win went to a 3 game winner, but what a contest! Two teams, a triples and a fours, each with 2 wins were opposed in the last game. The final score 7/5.

Aug.26 = 16 played, 4 teams of 4. A cliffhanger finish resulting in the day's win for a team scoring 2 W+ 1D over a team with 1W + 2D.

Club treasurer Geoff Kain advises the 2025-6 bowling membership year finishes on 30/9/26. All indoor bowlers who are not members of the SBBC are requested to pay the annual 2026-7 membership fee to him no later than 30/9/26.

Winning teams were;
July 29= Gay, Denise, Jim C.
Aug. 5= Tony, Jim P., Nikki, Roger
Aug. 12= Gay, Julie, John
Aug. 19= Roger, Sandy, Gay
Aug. 26= Sandy, Nikki, Geoff, James

SACWA

The South Australian Country Women's Association Inc.
Streaky Bay Branch

August, our celebration month. Not only was it Streaky Bay branch's 88th birthday, but more importantly, Mrs Rae Brewster OAM was the centre of our focus as several past/present Streaky Bay members, Ceduna members and SACWA State representative, Roslyn Schumann, acknowledged and celebrated Rae's 80th year of SACWA membership, an extraordinary milestone honouring dedication, loyalty, service and fellowship. A celebratory lunch was held at the Streaky Bay Hotel on 18/8/26. A mocktail welcomed all guests, tasty entrée and mains served by the Hotel, divine sponge cakes made by Patsy Jenkins, friendly chatter, laughter, memories, speeches and presentations by Roslyn Schumann & Helen Flanigan, floral presentations to Rae by Helen Flanigan & Jenny Skinner, a thankyou posy of local native flora + a Ferrero Rocher for our guests. Such an enjoyable and beautiful day.

Rae started attending SACWA meetings with her Mum in 1946, aged 14 years. Rae supported and made contributions to SACWA through volunteer time, knowledge, skills and experience. This included holding several committee positions at both Branch and Group level, convening, emceeing, baking and crafting for many events and fundraisers and compiling a booklet about the history of the Streaky Bay branch. Though, Rae does admit, her handicraft still requires refinement to this day. The values and spirit of SACWA became part of Rae's embodiment. The friendships and support she received from SACWA at the times of marriage in 1953, the tragic death of her husband in 1958 and as a single Mum raising three children, were invaluable and which she reciprocated in kind in fellowship. Meeting the Queen Mother in Adelaide and International and State SACWA figures were two memorable moments for Rae.

Rae has been integral to Streaky Bay's story as a member of the local National Trust Museum - historical research, collaborating, cataloguing, preserving and publishing. Notably the 1997 piece, "125 years of schooling at Streaky Bay". A sportsperson and supporter. A journalist. A senior citizens advocate. An OAM recipient in 2015.

Felicitations to a driven and respectful lady, Mrs Rae Brewster OAM. Happy 80 years of SACWA membership, Rae.

Branch queries: Helen Flanigan 0409 094568

Community News

RSL NEWS

The Returned Services' League Streaky Bay Sub Branch (RSL) Hall has had a facelift.

The original fixed awning over the entrance doors had crumbled and was potentially dangerous. A new fixed awning over the front entrance doors has been erected.

The works has been kindly supported by the District Council of Streaky Bay Community Grants program.

The doors and window frames have also been painted they had been green for many years but now in gun metal grey look fresh and tidy. Thanks to the Community Op Shop grants for supporting our application to repaint. Thank you to Coran Hackett for completing both jobs.

The pencil pines have been tidied up and look neat thank you to Sue and Brett Thomson and Colin Strack.Our Gallipoli pine is looking healthy from the rain.

Our next badge day will be the 4th September for Legacy and in November prior to Remembrance Day.

MEN'S SHED

Jim Petty and Wayne Miller visited the school on the 12th of August to speak to a grade 2/3 class about what the Men's Shed is about and what we do. Thanks to Tiffany Kelsh for organising this from the school.

We had some items that were made at the Men's Shed to show. There were some interesting questions asked by the kids.

We would like to get the kids to make some items of their own with the help of Men's Shed members.

Jim Petty and Mick Le Cerf represented the Streaky Bay Men's Shed at a recent gathering at the Cleve Men's Shed held in conjunction with the field days.

Jim and Mick bought some great idea's back on how the Cleve Shed is run.

MEN'S SHED CONTINUED...

The Men's Shed was asked to help the council with a breakfast that was held on the 4th of September.

From a work side of things, we have completed another bench seat for the Catholic Church with one more to do. We have had positive response from members of the Church. (see pic below)

John Lelifeld has started on some storage boxes for Streaky Surf. John O'Brien has repaired the leg on an old Gramophone that was bought in. We have started on two carry boxes for small gas cookers that people wanted.

We put clear varnish on five street library boxes that the kids from years 8 & 9 at the Streaky Bay School painted. One of the five was painted by Abbey Dunbar from Arts up. Jim Clarke and James Cash put the clear varnish on them.

Been asked to make some modifications to some book displays at the newsagency.

300TH EDITION OF THE CRITERION

This month marks a special milestone for The Criterion, with the publication of our 300th edition!

The name The Criterion comes from the Criterion Hotel, which was built in Streaky Bay in 1867 and was located on Bay Road. The word criterion means a standard or principle by which something is judged.

The very first edition of The Criterion was published in December 2000, and it has continued to share local news, events, updates and stories from across our community ever since.

We are always interested in hearing your feedback and ideas for The Criterion. If you have any suggestions, please email criterion@streakybay.sa.gov.au.

Want to advertise in The Criterion? We'd love to hear from you! Get in touch to find out more about advertising in upcoming editions.

Community News

STREAKY BAY NATIONAL TRUST MUSEUM

Late last month we had the privilege of having a visit from author Stuart Moody. Stuart is the author of several books. The latest, SOUTH AUSTRALIA'S WEST COAST AND SPENCER GULF SHIPPING LANDINGS, of which he donated to the museum. The previous book he donated is PORT VICTORIA'S SHIPS & SHIPWRECKS. We invite you to come, sit in the sun, request a tea or coffee and browse these books.

OBITUARIES: Denise Little of Port Kenny, is an amazing researcher, documenting articles/stories from South Australian Advertiser 1862, South Australian Register 1865, West Coast Recorder 1906, Chronicle 1907, West Coast Sentinel 1912, Port Lincoln Times 1930, regarding the history of our ancestors. It has become apparent that since the closure of West Coast Sentinel, (and the retirement of local reporter Mrs Rae Brewster) there appears to be fewer death notices & obituaries in print. The museum would like the history of families to be preserved. Bring stories, for our future generations. Maxine Johnson has saved "In Memoriam" cards and "In Loving Memory" order of service pamphlets. We will place these in folders for families to access. If anyone has any they no longer require, please bring them to us.
Roadworks have been in progress with the construction of the Bike track on Montgomerie Terrace. CEO Damien Carter & Penny Williams came to our meeting and explained the future of parking when the track is completed. Thank you.

Maintenance volunteers: Two new men have joined the maintenance team. Welcome to Streaky Bay & the team. The guys have been working on Tuesday & Wednesday mornings. Neil Hall, thank you for all you have done over many years & continue to do.

Chimney Repairs: There was a problem with the scaffolding. Repairs have commenced.

Australia Wide Tours: Peter Brougham, a former student, brought a tour bus with 17 members, to the museum. We were very happy to show them our Streaky Bay history.
Puppets: Wendy, with the assistance of volunteer Rhonda & kindy staff, entertained children on Tuesday 11th & Thursday 13th. with puppet shows.

Heather attended a public meeting of The Environment Resources and Development Committee of the SA Parliament in Moonta on 24th August to hear local Volunteers & Community organisations following the suspension & locking out in February of Volunteers at the Moonta Museum by the National Trust of South Australia. It has been a distressing time for the volunteers & people of Moonta. Committee is soon to be reinstated.

STREAKY BAY NATIONAL TRUST MUSEUM

We will preserve Katelin Gunn's story from the Advocate newspaper, following her car accident at Mt Cooper. Also will add to our 'Sports' history. Playing under lights at Streaky Bay Oval for the first time.

We welcome you to become a volunteer & continue to preserve the history of our people & town. Thanks to James Cash, Eyre Peninsula Yarns & Family History & anyone else for contributing.

Two classes from Streaky Bay School will be visiting on 1st September.

Next meeting Monday 14th September 9.30 am.

HOSPITAL AUXILLIARY

August meeting
Kerry welcomed all present. Dismay and angst was aired re the letter in criteria

Spelling out some concerns re the viability of Elmhaven hopefully reassurance will be given in next criterion from bodies meeting with stakeholders shortly.

D.O.N entered and was welcomed and introduced by Kerry she listened to any areas of concern and gave us an insight into her role etc.

It has been pleasing at last to see the situation of carpark at Elmhaven finally resolved. Was noted that there are still areas of maintenance needing to be carried out. Was also requested that solar lights be looked into as area of entrance is very dark when family drops clients home after an outing.

Extra recliner chairs have been ordered.

Promised by Brock that return of Slippery Dip requested by Community Health Some time ago will be completed shortly !!

Catering for Agriculture meeting was a great success and raised $1400 Thanks to all who participated and supported and helped us with cooking and worked etc. Huge thankyou to Kerry for all the organising etc we are only a very small group and community support is so important.

Bank changes are being organised by Kerry and Heather Georgiou hopefully we be up and running by next meeting.

Would be nice to see extra people join us as a body supporting our Hospital and Elmhaven. Some suggestion that a guest speaker be invited to attend as we have had some interesting speakers who have enlightened and educated us in many health areas where changes are occurring all the time !!

Next meeting October 12th 2p.m. Hospital boardroom.

Council News

FROM THE CEO'S DESK

From the CEO's Desk: Jet Patching: Small Repairs That Help Protect Our Roads

Residents may have noticed our bitumen contractor, recently working across the district undertaking a range of road repairs. The contractor spent three days, completing targeted maintenance across the district on Council roads. Some of the work can look a little different to a traditional pothole repair, so I thought it would be useful to explain what jet patching is, why Council uses it, and what residents can expect after the work has been completed.

Jet patching is a spray-injection method used to repair potholes, broken road edges and other localised pavement defects. Rather than simply placing material into a hole, the process uses compressed air, bitumen emulsion and 7 mm aggregate to progressively fill, compact and seal the damaged area from the bottom up.
The end result is a dense, bonded repair that becomes part of the existing pavement. In many cases, conventional rolling is not required because the aggregate is placed at high velocity, helping to compact the material as it is applied.

An important point is that jet patching is not only about fixing large potholes. In fact, one of its main benefits is addressing smaller pavement defects and edge breaks before they deteriorate into much larger and more expensive failures. It is preventative maintenance – spending a smaller amount now to help extend the life of the road and improve its condition ahead of future resealing works.

That is also why residents may notice repairs along only part of a road edge, around a corner, or at an isolated section of pavement. We are targeting the defect rather than replacing pavement that is otherwise performing satisfactorily.

For this round of works, Council identified a substantial list of priority locations across the district, including Mt Cooper Road, Sceale Bay, Streaky Bay, Perlubie, Poochera, Phillips Road near Karcultaby School and other locations. Within those areas, the contractor was directed to concentrate firstly on streets associated with Council's resealing program and then on larger defects, generally around 60 mm or greater, before attending to smaller defects if time and material allowed.

This approach enables Council to get the greatest value from the contractor's limited time and available bitumen and stone.

Another question residents may have is about the loose stone and apparent runoff around some repairs.

FROM THE CEO'S DESK CONTINUED...

A light layer of clean, dry 7 mm aggregate is deliberately placed over a freshly jet-patched repair. This prevents the new bitumen emulsion from being picked up by vehicle tyres while it cures. Consequently, some loose stone immediately following the work is normal.

On sloping or highly cambered roads, some of this loose aggregate – and occasionally a small amount of excess repair material – can also migrate towards the shoulder as vehicles travel over the area. While this can initially look untidy, it does not necessarily indicate that the repair has failed or that the material has simply washed out of the road.

Once the emulsion has fully cured and traffic has helped bed the repair in, excess loose aggregate can be removed by sweeping. Council will incorporate the Streaky Bay streets into the next programmed street sweeping where appropriate, with smaller townships to be attended to separately as programming allows.
The other understandable question is: will these repairs last?

As with any road maintenance treatment, longevity depends on factors including the condition of the underlying pavement, traffic, drainage and the nature of the original defect. Jet patching is not a substitute for reconstruction where the underlying pavement has completely failed. However, when used for the type of potholes and edge breaks it is designed for, it provides a bonded and sealed repair and is an effective tool for extending pavement life.

Road maintenance across a district as large as ours will always involve prioritisation. We cannot reconstruct every imperfect section of road at once, so treatments such as jet patching form an important part of Council's broader road maintenance strategy.

Sometimes the most valuable roadwork is not the most visually dramatic. Fixing a small edge break today can help prevent it becoming a much larger pothole tomorrow – and ultimately helps Council make better use of every dollar we invest in our road network.

Damian Carter, CEO, District Council of Streaky Bay

EXPRESSIONS OF INTEREST

CHRISTMAS *Parade*

WOULD YOU LOVE TO SEE A CHRISTMAS PARADE IN STREAKY BAY?

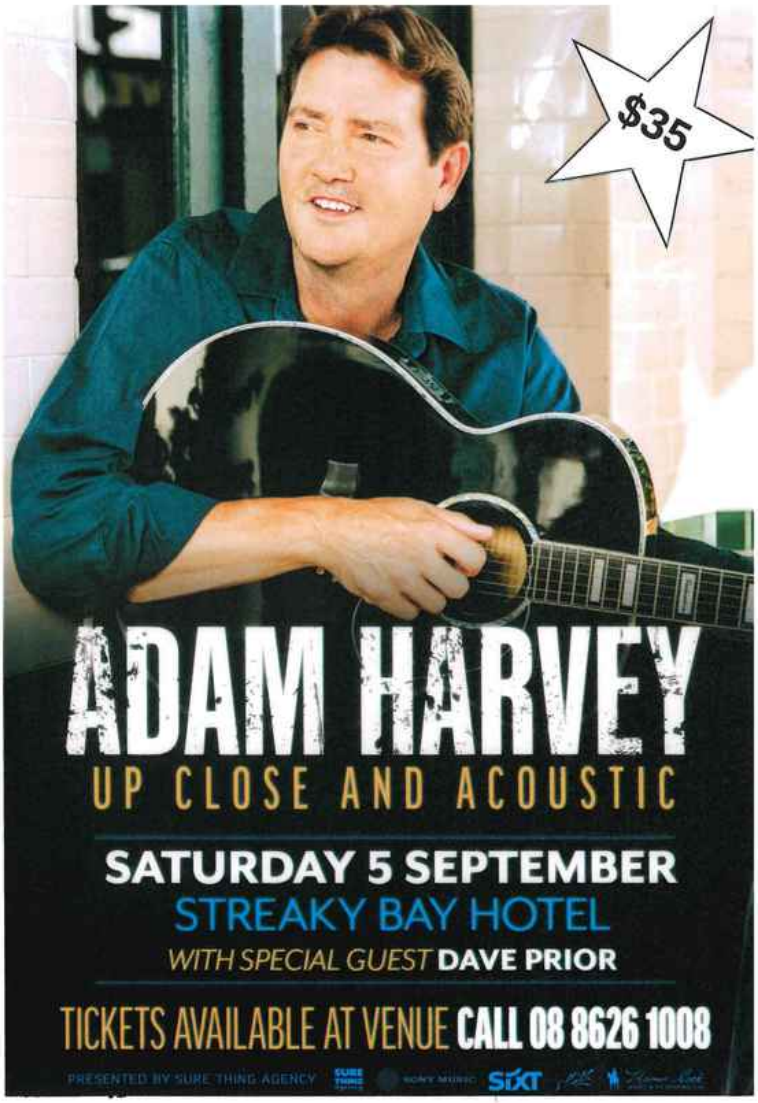

We are currently seeking expressions of interest from community members, local businesses, schools, sporting clubs and community groups who would be interested in taking part in a Christmas parade.

Whether you would like to enter a float, decorate a vehicle, walk in the parade, volunteer or help bring the event to life, we would love to hear from you!

At this stage, we are gauging community interest to see whether there is enough support to make a Streaky Bay Christmas Parade possible.

Keen to get involved?
Please register your interest by contacting the Streaky Bay Visitor Centre Team at info@streakybay.sa.gov.au or at 8626 7033.

Government of South Australia
Office for Recreation, Sport and Racing

Eligible organisations can now apply for up to $3,000 to support the purchase of essential equipment, uniforms, positive menstrual health initiatives and small-scale infrastructure upgrades through Round 56 of the Active Club Program (ACP).

$1,448,000 is available to support active recreation, sport and recreational fishing clubs to enhance the programs and services they provide within the South Australian community.

Who can apply?

To be eligible for the ACP, applicants must be:

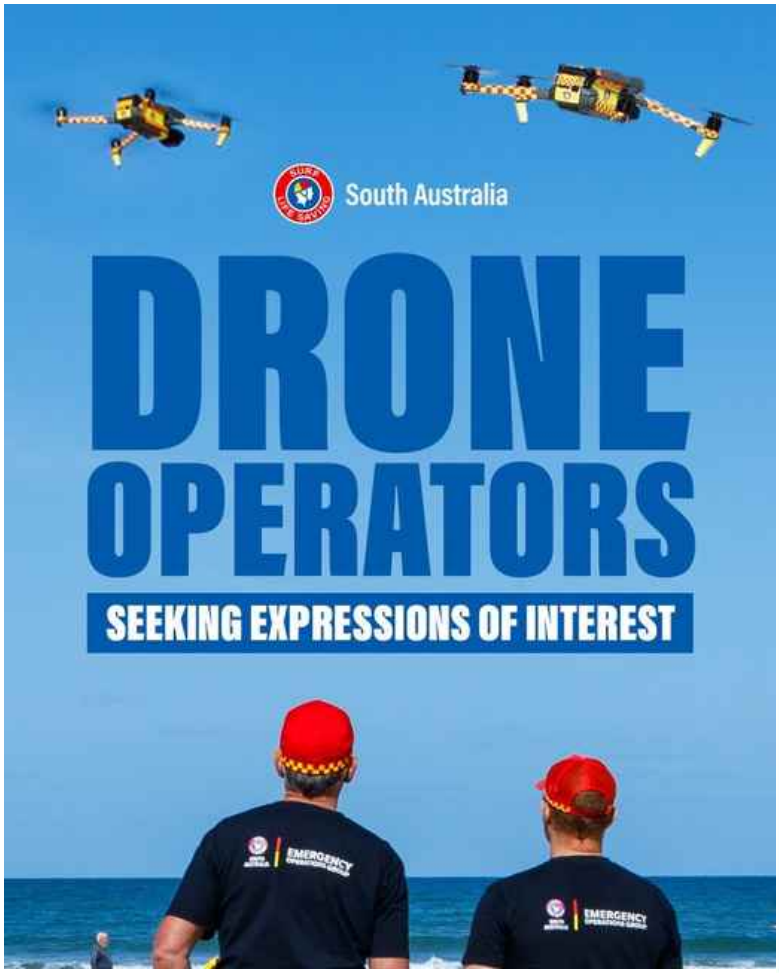

- be a not-for-profit active recreation or sport club or community organisation whose primary purpose is the delivery of active recreation or sport programs and services in South Australia; or
- be a not-for-profit recreational fishing club whose primary purpose is the delivery of recreation programs and services in South Australia; and
- be incorporated under the Associations Incorporations Act 1985 (SA), and
- have a minimum total membership base of 20 members. Total membership can include associate, social and life membership, and
- be operating for 12 months or longer.

For eligible applicants with less than 100 members the maximum grant available will be $1,500 and for applicants with 100 or more members the maximum grant available will be $3,000.

The ACP supports the 2025 - 2030 Recreation, Sport and Racing Strategic Plan, which outlines a vision for a sport and active recreation sector that is diverse, equitable and sustainable. The plan focuses on enabling growth through an inclusive and welcoming environment that encourages lifelong involvement and ensures all South Australians have the opportunity to participate and stay active.

Please read the Program Guidelines prior to submitting an application for Round 56 of the ACP.

Applications close midday on Wednesday **14 October 2026.**
The Office for Recreation, Sport and Racing (ORSR) is available to assist with any queries you may have when completing your submission. Please email ORSR.Grants@sa.gov.au if you have any questions

For enquiries or to register your interest, contact the Streaky Bay Visitor Centre Team at info@streakybay.sa.gov.au or 8626 7033.

A Seasonal Guide for Streaky Bay Gardeners

September brings the beginning of spring to Streaky Bay, with longer days, warmer sunshine, and plenty of fresh growth. After a good winter of rainfall, gardens are heading into spring with welcome soil moisture, creating great conditions for planting and establishing new growth.

What to Plant in September

- Vegetables: carrots, beetroot, lettuce, silverbeet and radish
- Spring crops: peas, beans and potatoes
- Herbs: parsley, coriander, chives and basil in protected spots
- Flowers: marigolds, petunias and nasturtiums

Tip: Streaky Bay can still have cool and windy days, so give tender seedlings some protection while they establish.

Caring for Natives

Spring is a great time to plant and give established natives some attention. Hardy coastal choices include Westringia, Grevillea, Correa and Eremophila.

Lightly tidy damaged growth and keep young plants protected from strong coastal winds.

What to Prune in September

- Roses: tidy dead growth as new shoots appear
- Perennials: remove old foliage to encourage fresh growth
- Native shrubs: lightly shape after flowering where appropriate
- Fruit trees: avoid heavy pruning once active growth begins

Make the Most of Winter Rain

Good winter rainfall means there may still be plenty of moisture deeper in the soil:

- Check soil before reaching for the hose
- Add compost to prepare beds for spring planting
- Refresh mulch to hold onto moisture as days warm
- Keep on top of weeds, which will also enjoy the spring conditions

Tip: Conserving that winter moisture now can help your garden as we head towards the warmer months.

Gardening for Wellness

Longer days and warmer weather make September a wonderful time to get outdoors. Planting, weeding and simply enjoying the fresh spring growth provide gentle exercise, fresh air and an opportunity to reconnect with nature.

For more information on the wellbeing benefits of spending time in nature, visit the Preventive Health SA website.

sasma®
SOUTH AUSTRALIAN SPORTS MEDICINE ASSOCIATION

BECOME AN ACCREDITED SPORTS TRAINER

LEVEL 1 SPORTS TRAINER COURSE

Learn practical, hands-on skills to support your sporting club and community.

WHY COMPLETE THIS COURSE?

- ✓ *Practical skills you can apply immediately*
- ✓ *Build confidence in injury management*
- ✓ *Support your sport and community*
- ✓ *Complement school or university studies*
- ✓ *Join South Australia's leading sports medicine community*

WHAT YOU WILL LEARN

plus much more!

SPORTS INJURY MANAGEMENT
- Soft tissue injuries
- Hard tissue injuries
- Prevention and management

BASIC SPORTS TAPING SKILLS
- Taping principles
- Ankle taping
- Finger and Thumb taping

CONCUSSION MANAGEMENT
- Recognition
- Removal from play
- Return to play guidelines

COMMON MEDICAL CONDITIONS
- Indentifying conditions
- Asthma and Allergies
- Sideline management

EMERGENCY RESPONSE
- Incident management
- Referrals and handover
- Transport via strecher

INJURY SCENARIOS
- Systematic approach
- The role of the trainer
- Sport specific tests

MORE THAN JUST A COURSE

Your pathway into sports medicine starts with SASMA. Accredited Sports Trainers can access:

- ✓ SASMA PD workshops and Conferences
- ✓ Ongoing education and networking events
- ✓ Access to further programs and resources
- ✓ Pathways to careers or volunteering roles
- ✓ Connections with our expert members

CAREER AND STUDY PATHWAYS

The Level 1 Course is ideal for:

- ✓ Local sporting community members
- ✓ Secondary School Students (Year 10-12)
- ✓ Medical and Allied Health Students
- ✓ Exercise and Sports Science Students
- ✓ Individuals with an interest in health, sport and fitness

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Tamarins Pad Thai

Ingredients

- 250 g brown rice noodles or regular rice noodles
- 1 tbsp olive oil
- 500 g chicken breast, thinly sliced or Prawns
- 2 eggs, lightly beaten
- 2 cloves garlic, minced
- 2 cups bean sprouts
- 1 capsicum, thinly sliced
- 1 broccoli, stem and florets cut into small pieces
- 2 carrots, cut into small sticks
- 3 spring onions, sliced
- ½ cup chopped coriander
- 1 small chilli, finely diced (optional)

For the Sauce

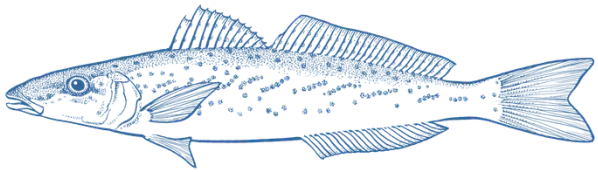

- 3 tbsp soy sauce or tamari
- 2 tbsp fresh lime juice
- 2 tbsp natural peanut butter
- 1 tbsp rice vinegar
- 1 tbsp maple syrup or honey
- 1 tsp sesame oil
- 2 tsp grated fresh ginger

Garnishes

- ¼ cup chopped roasted peanuts
- Lime wedges
- Extra bean sprouts
- Fresh coriander

Instructions

1. Cook the rice noodles according to the packet directions. Drain and rinse with cool water.
2. Whisk all the sauce ingredients together until smooth.
3. Heat the olive oil in a large frying pan or wok over medium-high heat.
4. Add the chicken and cook for 5–6 minutes, until browned and cooked through. Remove from the pan and set aside.
5. Add the garlic and chilli, if using. Push to one side, add the eggs and scramble until just set.
6. Add the carrots, capsicum and broccoli. Stir-fry for 3–4 minutes, until just tender but still slightly crisp.
7. Return the chicken to the pan. Add the noodles and sauce and toss everything together until well coated and heated through.
8. Fold through the bean sprouts and spring onions and cook for another minute.
9. Divide between four bowls and top with chopped peanuts, fresh coriander and a generous squeeze of lime.

Rubys Fresh & Herby Mediterranean Couscous Salad

Ingredients

Couscous Salad

- 1½ cups couscous
- 1½ cups chicken or vegetable stock
- 250 g cherry tomatoes, halved
- 1 cucumber, diced
- ½ red onion, finely sliced
- ½ cup Kalamata olives, pitted and halved
- 150 g feta, crumbled
- 1 large handful flat leaf parsley, roughly chopped
- 1 large handful fresh mint, roughly chopped
- ½ handful fresh coriander, roughly chopped
- 2 spring onions, finely sliced
- ½ cup toasted almonds or pine nuts, optional
- 1 lemon, cut into wedges to serve

Lemon Herb Lamb or Chicken

- 500–600 g lamb backstrap, lamb steaks or chicken breast/thigh
- 1 tbsp olive oil
- Juice of ½ lemon
- 2 cloves garlic, crushed
- 1 tsp dried oregano
- 1 tsp ground cumin
- Salt and cracked black pepper

Lemon Dressing

- 3 tbsp extra virgin olive oil
- Juice of 1 large lemon
- 1 tsp honey
- 1 small garlic clove, finely grated
- ½ tsp dried oregano
- Salt and cracked black pepper

Instructions

1. Marinate the meat: Combine the olive oil, lemon juice, garlic, oregano, cumin, salt and pepper. Coat the lamb or chicken and leave for 15–30 minutes if you have time.
2. Make the couscous: Place the couscous in a large bowl and pour over the hot stock. Cover for about 5 minutes, then fluff with a fork and leave to cool.
3. Make the dressing: Whisk the olive oil, lemon juice, honey, garlic, oregano, salt and pepper together.
4. Cook the meat: Cook the lamb or chicken in a hot frying pan or BBQ until cooked to your liking. Rest for 5 minutes before slicing.
5. Build the salad: Add the tomatoes, cucumber, red onion, olives, parsley, mint, coriander and spring onions to the cooled couscous. Pour over the lemon dressing and toss well.
6. Gently fold through the feta and toasted nuts.
7. Divide between four bowls and top with sliced lamb or chicken. Finish with extra herbs, cracked pepper and plenty of fresh lemon. A spoonful of tzatziki or Greek yoghurt on top is yummy.

SPRING INTO PLANTING

Spring has sprung,
and the timing couldn't be better.

Subsoil moisture is good and the ground is warming up, ideal conditions to get new plants settled in before summer.

All trees are marked down for a limited time, so it's the perfect chance to fill out that windbreak, shelterbelt, or paddock planting.

Buy in bulk and save even more the more you plant now, the more you'll thank yourself later.

Come and see us, grab a bargain, and get your spring planting sorted.

Rejoice always; pray without ceasing;
in everything give thanks;
for this is the will of God in Christ Jesus.

1 Thessalonians chapter 5 verses 16-18

Do you feel as if there is something missing in/from your life?

Perhaps it is time you had a serious look at and begin to truly understand the reasons why we have Christmas and Easter and the purpose for them in God's plan for the people of today.

Peter Jans
