GOVERNANCE AND ADMINISTRATION

Live Audio or Video Streaming of Council Meetings

COVID-19 meant Council had to move rapidly to online Ordinary Council meetings. A test of Zoom proved successful with more than 100 views of the meeting taking place. This format will be offered into the future, (in an ongoing basis).

SAROC Regional Plans

On 31 March 2020, both the Mayor and Chief Executive Officer (CEO) received a request from the South Australian Regional Organisation of Councils (SAROC) requesting feedback on their plans for the 2020/2021 financial year. A report was presented to Council and Council endorsed and requested the CEO to submit the proposed responses to SAROC including livestock considerations.

Code of Practice for Access to Council and Committee Meetings and Documents Policy

Council considered a report that proposed to alter its DCSB-G.09.02 Code of Practice for meeting procedures and access arrangements to reflect the changes noted in Attachment 1 of this report relevant to the COVID19 Pandemic and agreed that from 16 April 2020, meetings of the Council will take place by electronic means. Those unable to attend via Zoom may do so via contacting the main office to receive the telephone and meeting code number and will then be able to access via telephone only.

Informal Gatherings Policy

Council considered a report that proposed from 16 April 2020 to alter its Informal Gatherings Policy to allow informal gatherings by electronic means as per the changes recommended to the DCSB-G-9.05 Informal Gatherings Policy this policy amendment was endorsed.

Fair Treatment Policy

Council considered at the April 2020 meeting the adoption of Fair Treatment Policy, the purpose of this Policy is whereby Council commits to a culture of Fair Treatment where the rights of all are protected. These rights of protection are particularly the responsibility of those in positions of leadership within the Council organisation. This Policy was endorsed by Council at that meeting.

Boat Ramp Fees (March Meeting) Motion – Possible Rescinding

A report was presented to the April meeting of Council outlining the decision process around the March 2020 decision regarding Boat Ramp Fees. The report included an option to rescind that motion. Council consider the option to rescind motion – Boat Ramp Fees, and decided under its role under Section 6, 7 and 8 of the Local Government Act 1999 that Council support the decision of Mayor Barber to use his casting vote in the circumstance of the decision made regarding the Boat Ramp Fees at the March 2020 Ordinary Meeting. A division was called and that division is as follows.

FOR: 4 AGAINST: 4 STATUS QUO

Cr Wheaton called for a DIVISION:

FOR: Cr McGowan, Cr Karp, Cr Pudney, Mayor Barber
AGAINST: Cr Wheaton, Cr Gunn, Cr Trezona, Cr Hackett

Sale of Land for Non Payment of Rates

A report was presented to the April 2020 ordinary meeting of Council, the purpose of this report was to present to Council the current status of the sale of properties for non-payment of rates for 3+ years as per Section 184 of the *Local Government Act, 1999*. During March 2020 staff have posted 14 Notices of Intent to Sell. Property assessments, location, land status and the amounts owing at time of notice were presented in the Council report. Council resolved at that meeting to continue to follow up some properties and other properties to go to auction.

Financial Hardship Policy (Rates and CWMS)

Council staff presented to the April 2020 ordinary meeting of Council a Financial Hardship Policy. This policy outlines the options for ratepayers seeking relief from rates due to hardship or extenuating circumstances. Council may grant relief in the form of postponement of rates (for seniors), refer the ratepayer to see an accredited financial counsellor, or negotiate a flexible debt repayment arrangement. A similar Policy was presented for CWMS fees and charges. Both Policies were endorsed by Council, with Council moving a second motion to include a public consultation campaign around the endorsement of the Policy.

Request for Lessee Rebate or Waiver

Council has received a number of requests for waiving of fees for tenancy leases/fees due to the impacts of COVID19 and these were considered in a confidential report at the April 2020 meeting.

Council News Cont'd

Request for Financial Assistance

The Streaky Bay Senior Citizens Homes Inc put forward a request for council assistance, a report was considered in confidence at the April 2020 ordinary meeting of Council and the outcome of that report remains in confidence.

Andromeda –Poochera Kaolin Mine

The Scoping Study has been updated to consider wet-processing on site as this will deliver further significant improvement to the project economics for the Poochera project.

Baird Bay Telecommunications Tower

The lease for the Telecommunications Tower at Baird Bay has now been signed between Council and Telstra. Construction of the tower is now possible.

INFRASTRUCTURE

Bay Road Streaky Bay – Stage 2 (Anderson/Redding Intersection)

Stage two of the Bay Road Project being the Anderson Road and Redding Road Realignments. Majority of the works have been completed, now waiting on sealing contractors to complete the final section of sealing (planned to be completed in the next month). Works will then be undertaken to remediate the reserve at the intersection of Park Avenue/Redding Road and Bay Road.

Bay Road – Signage

Mayor Barber requested the installation of a Road Narrowing sign along Bay Road (just prior to the intersection with Centenary Road). The Infrastructure Manager has advised that the edge line is currently not complete and these works are expected to be completed in conjunction with the line marking of the recently sealed sections.

Reseal Program – Pygery Port Kenny Road and Witera Road

Resealing of the planned sections of the Pygery Port Kenny Road and Witera Road have been completed.

Road Construction

Works on the Kingoonya-Yantanabie Road, Haslam Highway, Dog Fence Road, Poochera Port Kenny Road and Wallalla Hill Road have been completed. The construction crew are now working on Emerald Rise Road.

Roads budgeted for the 2019/2020 Financial Year are; Anderson Road, Haslam Road, Dog Fence Road, Emerald Rise Road, Poochera Port Kenny Road, Wallalla Hill Road, Kingoonya – Yantanabie Road.

Road Maintenance

Patrol grading

Staff have recently commenced patrol grading following the opening rains, graders will be working their way around the district over the coming months (moisture permitting).

Wirrulla Triangle Use

The CEO has signed the application to dedicate crown land for the purpose of having the parcel of land locally known as the “Wirrulla Triangle” dedicated to Council and required trust account to be established. We are currently awaiting confirmation of this application. Once that is received works may commence on the “Triangle”.

COVID 19 UPDATE

Compliance Checks

A Local Compliance Plan has been agreed with local police and submitted to the Zone Emergency Management Committee’s Area Co-ordinator as part of Council’s co-ordinated Emergency Response. This provides relevant information to the Local Government Association and SAPOL alike as to how Council will assist SAPOL throughout the crisis in undertaking Compliance Checks and when those will occur. Currently Council is undertaking compliance checks each day of the week to ensure all areas are sighted and reported at least once per week. The Local Compliance Plan is updated each time directions from Federal or State Government alter the ways in which the community is able to interact.

Signing of Statutory Declarations

In response to COVID 19, the State Government has chosen to temporarily expand the categories of persons who can witness a South Australia statutory declaration and this now includes elected members and some council employees. The LGA has released guidance to assist councils and their members and employees who have not become qualified to witness South Australian statutory declarations.

As a temporary measure in response to COVID-19, the State Government has increased the categories of persons who can witness a South Australian Statutory Declaration. It has done so by virtue of the *COVID-19 Emergency Response (Section 16) Regulations 2020 (Section 16 Regulations)*, made under section 16

COVID 19 UPDATE....Cont'd

of the *COVID-19 Emergency Response Act 2020 (COVID-19 Act)*.

The new categories of qualified witnesses are very diverse, and include marriage celebrants, teachers, veterinary surgeons, professional engineers, and many more. For the full list, see the Section 16 Regulations [here](#).

However, of specific relevance to councils are the following two categories of persons who are now qualified to witness South Australian statutory declarations by virtue of the Section 16 Regulations:

Members of a local government authority of a State or Territory (i.e. Mayors and Councillors); and

Permanent employees of a local government authority with 5 or more years of continuous service.

Public Consultation Policy Review

On 15 March 2020, the Chief Executive of the Department for Health and Wellbeing in the State of South Australia, pursuant to section 87 of the *South Australian Public Health Act 2011*, declared that an emergency which threatens to cause the death of, or injury or other damage to the health of any person is occurring or about to occur in relation to the transmission of COVID-19, and declared the emergency to be a public health emergency.

On 22 March 2020, the State Co-ordinator for the State of South Australia declared, pursuant to section 23 of the *Emergency Management Act 2004*, that a Major Emergency is occurring in respect of the outbreak of the Human Disease named COVID-19 within South Australia.

On 8 April 2020 the Minister for Transport, Infrastructure and Local Government issued a notice pursuant to section 302B of the *Local Government Act 1999*, the *Public Access and Public Consultation Notice (No 2) 2020 (Notice No 2)* varying or suspending the operation of the specified provisions of the *Local Government Act 1999* as set out in Schedule 1 to Notice No 2. Notice No 2 commenced operation on 8 April 2020.

These provisions included requirements to hold Public Meetings.

Annual Business Plan Adoption

Direction No4 from the Minister has allowed an extension for all Councils until 30 November 2020 to have their Annual Business Plans Adopted. Council however, do not feel this will be necessary and believe we will have ours ready for adoption on schedule.

Strategic Plan Review

Although Councils have been provided an extension until February 2021 to complete their reviews of their strategic plan (as per the Minister's Direction No4), Council believes our plan will be ready for adoption by November 2020 as per normal practice. The plan is currently with Senior Staff for development and drafting and will be taken to the May Leadership Team meeting for discussion. The plan may need further input at that time as it is a considerably different document to our current Strategic Plan and includes the development of a Corporate Plan to underpin how Council will achieve the Strategic Plan and provide measurement tools for reporting annually. During June/July it is expected a workshop will be held with Elected Members to refine the document presented by Senior Staff. The Strategic and Corporate Plans will then be sent to the Community for Public Consultation and Feedback.

Campground Closures

Speeds Point Campground remains closed under the state government direction and gazettal of no camping permitted on Crown Land.

With the easing of restrictions the opening on campgrounds will be reviewed, and opening expected to occur this week.

Playground Opening

The State Government and SA Health have recommended that Council's reopen Playgrounds and Skate Parks this week.

Council's Infrastructure team were successful in opening all our playgrounds by the end of last week.

Staff will be undertaking any required maintenance and cleaning prior to the reopening.

Library

The Library will remain closed while appropriate measures are put in place regarding new eased restrictions.

Easing of Restrictions

If you need any assistance regarding business model modifications or amended service delivery that requires Council assistance please do not hesitate to contact us.

MEDIA RELEASE

COVID19 District Council of Streaky Bay NON-ESSENTIAL TRAVEL IN AND OUT OF THE DISTRICT

The Prime Minister and the South Australian Premier, as well as the relevant government health representatives have today announced the release of a 3 stage process for the lifting of restrictions relating to COVID19 through to July 2020.

Phase 1 is cautious and gentle, increasing numbers of people at funerals (weddings remain the same), Council has already opened its playgrounds, and the majority of our students have returned to school. Golfers have continued on our Golf Courses, our budding fitness industry can return to outdoor boot camps, and by summer our pool will reopen, stage 2 will include our organised community sport.

The reopening of outdoor dining at our local café's and restaurants enabling a reboot of our wonderful local café's, stage 2 beauty parlours and massage and later in Stage 3 our hotels.

Our Community has seen the suffering in much of our local economy, particularly some retail sectors, café's, hotels, accommodation and our tourism operators have incurred due to the required COVID19 restrictions implemented, including the advice on non-essential travel. Our region incurred an essential cessation of our visitor economy, particularly around the Easter period, and this in addition to COVID19, had a significant impact on many of our businesses.

We acknowledge the restrictions were implemented for the safety of all of our community, and the community has seen some wonderful and entrepreneurial adaptations and changes in service delivery by our businesses. The community has got behind those businesses where they can, to support them in the current environment, and our community will continue this local support.

The advice today included a recommendation that local and intrastate travel can now occur and our state premier encourages it, particularly caravanning and camping. Council acknowledges that there has been and may still be some insecurities in the community regarding visitation to the region. Council however would like to reiterate that this advice has been in accordance with federal health authorities, and a slow and gradual reintroduction of visitation and visitor spend to our region is critical for the recovery of many of our businesses and we ask the community to show empathy and welcome this gradual return of visitation for the benefit of this sector in our economy. Council endorses the sentiments of Prime Minister Scott Morrison "every person, every job, every future matters" and we welcome the proposed staged lifting of restrictions.

Council asks our communities and our visitors to continue their personal responsibilities in retaining the social distancing, personal hygiene and other restrictions. Every one of us must continue to play our part to keep our community safe. If we can do the right thing together, we can get through the next few months and gradually return to a Covid safe life.

If you have any further questions please do not hesitate to call the Council Office 08 8626 1001, Visitor Centre on 08 8626 7033 or Mayor Travis Barber on 0421 925 005

Travis Barber

Mayor

District Council of Streaky Bay

10:30am, 11th May 2020

SOUTH AUSTRALIAN ROADMAP FOR EASING COVID-19 RESTRICTIONS

*subject to public health assessment at the time

REMEMBER:

If you have cold or flu symptoms, seek testing and stay home until you are well

Wash your hands often, wipe frequently touched surfaces, and cover coughs and sneezes

Keep 1.5 metres distance from others

Vulnerable people like the elderly and people with chronic health conditions should talk to their doctor about what is appropriate for them

SOUTH AUSTRALIAN ROADMAP FOR EASING COVID-19 RESTRICTIONS

STEP 1 - FROM 11 MAY

Frequently Asked Questions

Step 1: From 11 May Public and Outdoor Activities

South Australia assesses the current situation based on the Prime Minister and the National Cabinet's positions, and advice from SA Health on the specific circumstances in our state.

On 8 May 2020, National Cabinet agreed to a first phase of easing certain COVID-19 restrictions. Based on expert advice by the Australian Health Protection Principal Committee, National Cabinet decided that states and territories should determine how to implement this in response to their unique circumstances and success to date in flattening the curve.

A [South Australian roadmap](#) has been developed to detail the stage of easing of restrictions and will start from 11 May. This is subject to public health performance and the State Co-ordinator's assessment of the situation at that time.

Remember:

- Gatherings should be 10 or less people at any time
- Keep 1.5 metres distance from others
- 1 person per 4 square metres (density requirement)
- If you have a cold or flu symptoms, seek testing and stay home until you are well.
- Wash your hands often, wipe frequently touched surfaces, and cover coughs and sneezes.
- Vulnerable people like the elderly and people with chronic health conditions should talk to their doctor about what is appropriate for them.

Regional Travel

Can I go to my holiday home in a regional area?

Yes. Previous advice was to re-consider your need to travel to regional areas because we were trying to slow the spread of COVID-19 particularly in our regional areas within South Australia. This advice has now been relaxed.

Universities, TAFE or other VET institutions

Can I go to university, TAFE SA or another VET institution?

Yes, you can. These institutions were never directed to close, but moved to remote learning models as an extra precaution to protect their staff and students.

However, SA Health has recently advised that it is safe for students and staff to attend university, TAFE and other VET institutions, and encouraged them to feel comfortable returning to attend in-person when possible.

However, if you have a chronic medical condition or a compromised immune system, you should consult your GP in first instance. If you are feeling unwell, you should stay home.

SOUTH AUSTRALIAN ROADMAP FOR EASING COVID-19 RESTRICTIONS

STEP 1 - FROM 11 MAY

Outdoor dining for restaurants and cafes

Can I open my restaurant or cafe if I have outdoor seating?

Yes, from 11 May outdoor dining of up to 10 patrons is permitted for restaurants and cafes. Patrons must be seated at tables. Alcohol is not permitted to be served or consumed on the premises. There will be a limit to the number of people on site to 1 person per 4 square metres (density requirement), and practice good hygiene.

Community, youth and RSL halls

Can I go to a recreation centre (community centre/hall, club, , RSL club)?

From 11 May 2020, recreation centres are allowed to operate for public gatherings of a maximum of up to 10 people. This number excludes any staff necessary to facilitate the gathering. Density requirements and social distancing principles continue to apply. No sporting activities or training may be conducted inside the facility.

As was already the case prior to 11 May, some facilities are also open for the purpose of hosting essential voluntary or public services, such as food banks or homeless services.

They will also still be allowed to provide goods, food and beverages to take away.

Auctions and inspections

Can house sales be conducted via auction and are open inspections allowed?

From 11 May 2020, in-person open house inspections and real estate auctions are allowed. Auction houses are also allowed to open for both inspections and auctions. but the number of attendees in all cases must be restricted to a maximum of 10 participants at any time

This number excludes the auctioneer, real estate agent or host, as well as any staff necessary to facilitate the activity. People are encouraged to minimise the number of people present at all times.

People who organise or host auctions or open house inspections must keep records of each attendee to each separate auction or open inspection, including the contact details of each attendee, to assist with contact tracing if required. These may be requested by an Authorised Officer. The form will be available for download at www.sa.gov.au.

Social distancing principles and the density requirement continue to apply.

Participants are encouraged to adopt good hand hygiene practices and the organiser(s) or host(s) should arrange appropriate and frequent environmental cleaning and disinfection.

Local government libraries

Can I go to the library? Can I open our library?

Local government libraries will be able to re-open with limitations including a limit of 10 patrons present at any time (excluding library staff), limit the number of people on site to 1 person per 4 square metres (density requirement), practice good hygiene and provided attendee records are kept.

SOUTH AUSTRALIAN ROADMAP FOR EASING COVID-19 RESTRICTIONS

STEP 1 - FROM 11 MAY

People will have to observe, and encourage attendees to adhere to, social distancing principles, requiring everyone to try to maintain at least 1.5 metres physical distance between one another at all times.

Note: Depending on the size of the library, a lower maximum limit may apply, as libraries also need to comply with the density requirement as outlined above.

Sports Training (outdoor only)

Can I train with my team outdoors?

Yes, outdoor team training is allowed, as long as you follow the density requirement, the 1.5 metre social distance rule, and you have no more than 10 people participating in a group. This number excludes any staff necessary to facilitate the training

Indoor sports and sports competitions will remain prohibited for now.

People are encouraged to limit the number of people in any location as much as possible (for example: no more than 1 parent per child), to get changed and shower at home, and practice good hand hygiene.

Sports clubs and organisations are encouraged to increase the frequency of environmental and disinfection cleaning.

Funerals

Can I organise or attend a funeral?

Funerals can still occur in South Australia.

From 11 May, the maximum number of mourners that is allowed to attend is 20 if the funeral is held indoors, and 30 if it is held outdoors. This excludes those officiating the funeral, and other staff necessary to facilitate the funeral.

This is an increase on the maximum numbers that applied prior to 11 May (previously the numbers were 10 indoors and 15 people outdoors). While more people will be allowed to attend funerals, the density requirement and social distancing principles continue to apply.

No food or beverages are to be provided for consumption.

Attendee records must be kept, including each attendee's contact details, to assist with contact tracing if required. These may be requested by an Authorised Officer. The form will be available for download at www.sa.gov.au.

Worship, weddings and ceremonies

Can I get married?

Weddings can still be conducted in South Australia. Commencing from 11 May 2020, up to 10 guests can attend. This is excluding the celebrant and any staff necessary to facilitate the event.

This is an increase on the previous maximum number of people (which was 5 in total).

No food or beverages are to be provided for consumption.

SOUTH AUSTRALIAN ROADMAP FOR EASING COVID-19 RESTRICTIONS

STEP 1 - FROM 11 MAY

Attendee records must be kept, including each attendee's contact details, to assist with contact tracing if required. These may be requested by an Authorised Officer. The form will be available for download at www.sa.gov.au.

Can I visit a church, mosque or other place of worship?

From 11 May 2020, places of worship are allowed to be open, as long as no more than 10 people attend at any one time.

Religious gatherings, private worship or small religious ceremonies of up to 10 people will now be allowed. Social distancing principles and density requirements continue to apply.

Places of worship or organisers of religious gatherings are strongly advised to keep records of each attendee to each ceremony, service or gathering, including the contact details of each attendee, to assist with contact tracing if required.

Larger services continue to be prohibited.

Prior to 11 May, all places of worship were closed to the public, although the recording or streaming of services was allowed with only essential participants and social distancing requirements observed. Recording or live streaming scenario remains an option under the latest Direction.

Pools

Can I go to the public swimming pool?

From 11 May restrictions on public swimming pools will be eased, with lap swimming and recreational swimming allowed, as long as the following requirements are complied with:

- there is a maximum of 10 swimmers in each separate pool at any time
- no spectators are permitted, except for up to one parent/carer per swimmer if necessary
- there is a maximum of one person per lane for lap swimming.
- change and shower facilities are not permitted to be used (but toilet facilities may be made available).

As was already the case prior to 11 May, supervised hydrotherapy, registered swimming club training and elite athlete (including divers) can all still continue, provided that the total number of people does not exceed 10 and the density requirement is complied with.

Campgrounds and caravan parks

Can I go camping at national parks and reserves?

Yes, South Australia is re-opening camp sites at national parks and reserves. However, gatherings should be 10 or less people at any time, and you still should practice social distancing of 1.5 metres and good hygiene practices.

Online bookings are encouraged. To book a campsite online visit www.parks.sa.gov.au/booking

COVID-19 SAFETY NOTICE

Community Grants

COMMUNITY

Grants SA

Due to the COVID-19 public health emergency, the normal Grants SA program is ceasing operations until further notice.

The 'COVID-19 Support Grant' is a modified Grants SA initiative that has been released to support not-for-profit organisations continue to provide services to vulnerable and disadvantaged people in South Australia in the current circumstances of the COVID-19 public health emergency.

Grants of up to \$10,000 are available to eligible not-for-profit community organisations so they can continue to deliver programs during the COVID-19 public health emergency.

Applications are now open and can be submitted at any time. The last day applications will be accepted is at 3pm 20 October 2020.

Please visit <http://www.dhs.sa.gov.au/grantssa> for the COVID 19 Support Grants guidelines and application form.

Energy Efficient Communities Program

The Energy Efficient Communities Program will deliver grants to assist businesses and community organisations to improve energy efficiency practices and technologies and better manage energy consumption to reduce their power bills.

Eligible businesses & community organisations will be able to apply for grants in early 2020.

For more: <https://www.energy.gov.au/government-priorities/energy-programs/energy-efficient-communities-program>

Music Innovation Fund

More than \$500,000 is being made available for government schools, preschools, and music and creative industries and organisations to invest in innovative practices and programs that will increase access to quality music education across South Australia. For more:

<https://www.education.sa.gov.au/teaching/projects-and-programs/music/music-education-strategy-2019-2029>

Premier of South Australia

\$10,000 Emergency Cash Grants for Small Businesses, Sporting Clubs & Community Organisations. Strongly encourage small businesses that are between \$75K and \$1.5M to apply not-for-profits including **eligible sporting and community organisations across the state, from gyms, hairdressers and beauty and nail salons to restaurants, cafes.**

The grant is being funded from the State Government's \$650 million Jobs Rescue Package. To be eligible, businesses and not-for-profits including eligible sporting and community organisations will need to:

- Have an Australian Business Number (ABN) and were carrying on the operation of a business in South Australia as at 1 March 2020
- Employ people in South Australia as at 1 March 2020
- Have an annual turnover of more than \$75,000 (excluding GST)
- Have total Australian payroll of less than \$1.5 million, and not be entitled to a payroll tax waiver under COVID-19 support measures introduced by the South Australian Government
- Have been subject to closure or highly adversely impacted by COVID-19 related restrictions ^
- The enterprise does not engage in illegal activity.

If:

- The business has received any South Australian Government grants provided to address COVID-19 related business impacts, the value of these payment(s) will be deducted from the \$10,000 grant.
- The business is part of a group of companies that is registered for payroll tax and will receive the payroll tax waiver, the business is ineligible for this grant.

Applications Close 1 June 2020

Mission Australia 2020 Youth Survey

Young Voices Matter; in this rapidly changing world, young voices matter. Now more than ever before, we want to hear from young people about the issues effecting them. Please if you are or have children aged between 15-19 years old get them to complete the survey in the link below and enter this code 56606. If we can get 100 responses we will get an individual report for our region, and this can be invaluable for developing responses to youth issues. The survey will close 14 August 2020. Visit:

<https://www.missionaustralia.com.au/youth-survey>

ENVIRONMENT

Landcare Australia Expression of Interest

Landcare and community groups can submit a project summary using our online Expression of Interest form. Each project summary will be reviewed and kept on file by Landcare Australia, and if a suitable funding partner of funding stream identified, groups may be invited to submit a more detailed application. For more visit: <https://landcareaustralia.org.au>

Coast Participation Grants

The Coast Protection Board's Coastal Participation Grants support volunteer groups to partner with local government to undertake small-scale coastal management initiatives. Grants of up to \$10,000 are available. For further information visit: <https://www.environment.sa.gov.au>
Applications are open now and will be accepted until the funding is spent.

Community Grants

Tackling Tough Times Together

The Tackling Tough Times Together grant program helps communities access the resources they need to support one another through the ongoing effects of the drought. Grants are available for a broad range of grassroots, community-led initiatives that directly and clearly benefit local communities. Applications are accepted on an ongoing basis and assessed quarterly. Applications for Round 17 close on 28 May 2020 (EOIs for the \$150k tier close on 16 April 2020) For further information visit: <https://frrr.org.au/grants/TTTT>

WEBINARS

Australian Tourism Data Warehouse – Online Webinar – 26 May 2020

The Australian Tourism Data Warehouse (ATDW) is Australia's national platform for digital tourism information on Australia. Ticsa and the South Australian Tourism Commission (SATC) have come together to give operators ATDW refresher. The topics covered in this presentation will include: Defining ATDW categories, How to re-size an image and the importance of renewing your ATDW listing. Visit: <https://ticsa.com.au/events>

Sports Community – Free Webinar May 18, 2020

VicHealth in partnership with Sports Community are thrilled to offer you, a free webinar, brought to you by Lance Picioane, CEO of Love Me Love You. The webinar will focus on different leadership roles in sport and how you can make a difference at your sports club. Whether you are a president, committee member, coach or team leader, there's a webinar for you. Participants will increase their understanding of mental health and wellbeing, develop techniques and strategies for coping with life's challenges and contribute to positively changing mental health stigma. Register via: www.sportscommunity.com.au

Community News

STREAKY BAY SCOUT GROUP

We start with a recap of our activities prior to COVID-19.

Sunday 1st March was 2020 Clean Up Australia, Step Up to Clean Up Campaign, Streaky Bay Scout Group are proud to contribute to this event as one of their annual programmed activities.

On the Tuesday 3rd March the Joeys and Cubs along with their parents & grandparents did their bit to care for our local community by cleaning rubbish around the SB Skate Park, Golf Club Rooms and SB RSL Hall (refer to image below for their efforts).

Group Leader Bec Rutherford (Mulga) shared important information about plastic and the effects it has on the environment. The kids love ending the activity with a Zooper Dooper Icy and an easy BBQ tea of a Steak Sandwich and Sausage in Bread.

Other activities held in March, for the Cubs completed making their camp craft cooking utensils. For the Joeys their session was a "Nature Collection Showcase".

Each Joey could bring from home their individual collection they love such as rocks, shells, flowers, feathers, insects, bones or fossils. G/L Bec said is important to "Teach the children to love and value nature".

ELMHAVEN AND HOSPITAL

We have been enjoying the April weather in the beautiful gardens of our Aged Care sites.

Despite the rain, our pot plants have still needed hand watering, so our residents (who are happy to take on the task) have used watering cans and hoses. A huge thank you to our volunteer gardeners, especially Josie Williams, who spend hours of their time tending to the hospital and Elmhaven gardens. In-house Happy Hours and Sing A Longs have aided in cheering people's mood, plus bingo games and Wii virtual games (utilising social distancing) have been enjoyed by our residents. We have been able to download recorded church services on the computer to meet the spiritual needs of some of our residents.

Mid March with the COVID-19 pandemic bringing a stop to our face to face weekly group activities. The kids and leaders enjoyed some downtime with family at home and Scouts SA HQ prepared some online Scouting@Home activities.

Over the Easter school holiday break our leaders met and implemented a local online programme for Term 2. A very special thank you to Bec, Eric, Colin and Whitey for recommencing local Scouting for our kids. Stay tuned for a recap of these Term 2 activities in the June edition of the Criterion.

Lastly special thanks to Bec for ensuring we did not forget the importance of Streaky Bay Scout Group in honouring Anzac Day. SB Scouts have always participated in the local march and laid a wreath at the RSL but with that cancelled this year. Bec posted a great instruction video online, tasking the kids with 3 Anzac Day Activities.

1. Ask your parents "What is Anzac Day"
2. Make an Anzac Day Craft
3. Make Anzac Biscuits with your family

Thank you to the Vacation care kids who sent rainbow painted rocks to the Elmhaven residents.

Thank you to families and visitors for complying with the changes to visiting that we've faced during the coronavirus restrictions.

COUNTRY WOMEN'S ASSOCIATION

May meetings/fundraisers/gatherings continue to be cancelled. We cross fingers that the month of June may offer more normality for social opportunities. Our members have preoccupied themselves with a diversity of activities during these times of social distancing and isolation. They remain healthily positive.

The opportunity for our branch to commemorate Anzac Day was done so with that solo difference this year - respecting and honoring the spirit of our veterans and service members in the safety of our homes.

Whether you made poppies, watched livestream Anzac Day ceremonies or documentaries, baked that traditional cookie, connected with family/friends to share memories and experiences, committed to the driveway/verandah dawn service, this is the year of remembrance that will stand out for all.

From Streaky Bay CWA archives re contributions to the war years (We will remember them):

"Three dozen skeins of wool @ 7/6 per dozen were bought, wound into balls during meetings and then knitted for the Fighting Forces Comforts Fund, also parcels for departing service men contained 1 pair of socks, cigarettes and 3 handkerchiefs (75 parcels were sent in all)."

"£5-0-0 was sent to Headquarters for the State CWA appeal for an Ambulance to accompany Australian Troops abroad."

"Material had been bought and this was made into pyjamas etc for the military Hospitals."

"Badges and Buttons were sold for Army Nurses and War Nurses, and tins of jam, lever top tins (treacle tins) and books etc. for R.A.N Friendly Union and R.N."

STREAKY BAY SENIOR CITIZENS HOMES INC.

Are you aware of this wonderful facility offered to our senior residents of Streaky Bay and surrounding areas? These homes are centrally located on Flinders Drive Streaky Bay. Eight of the 2 bedroom homes are duplex design with adjoining enclosed carports.

They are secure and low maintenance. Your gardening and maintenance needs are arranged by a committee representative. Nominal purchase prices for the homes are by debenture arrangement. To understand the purchase/sale process a committee member would be happy to enlighten an interested person, resale process is simple as homes are sold back to SSCH Inc. Entrance conditions are minimal and financially attractive.

For further information please don't hesitate to call the Chairperson Jan Kenny 0428261190 or Chad at Elders Real Estate Streaky Bay.

INDOOR BOWLS

Indoor bowlers are you missing the Wednesday regular outing? This coronavirus pandemic causing so many restrictions looks set to be with us for sometime.

The shut down of sport and social activities has left many with time on their hands and the loss of exercise is also a concern.

There have been several programs put forward to supplement this activity loss. Think about what is within your capabilities and do it. Remember you don't have to be good at it to reap benefits. Indoor bowling will start up again so keep fit. In the meantime Club president Shirley Petty wishes to assure all members celebrating birthdays during this lock down period that they will not miss out on a presentation.

When the club re-opens for competition play the only question will be - one big, big cake or a series of cakes!

Gaye, Jim Owen & Bev celebrated birthdays in March.

Community News

PROBUS

Of course we've had no meeting since our last report so there are no minutes to report on, but that doesn't mean we haven't been in touch. Our Secretary has issued regular Newsletters to keep Members up to date as best we can.

We have had to pay the Registration Fee for the coming year for all members to Probus South Pacific Ltd so we are currently 'out of pocket' for that amount. Of course Annual Membership Fees were due in March but we haven't met as a group since then which has made things more difficult to operate.

If we all keep on doing the right things it seems that we may be back in action in time for our June (maybe July) meeting so we have decided that we will accept your Subscriptions as from now. With Fees set at \$30pp you are welcome to forward your contribution in a sealed envelope with your name on it to either Zita Chester a@ 25 Wells St. or Shirley Petty @ 14 Flinders Drive. Thank you in anticipation.

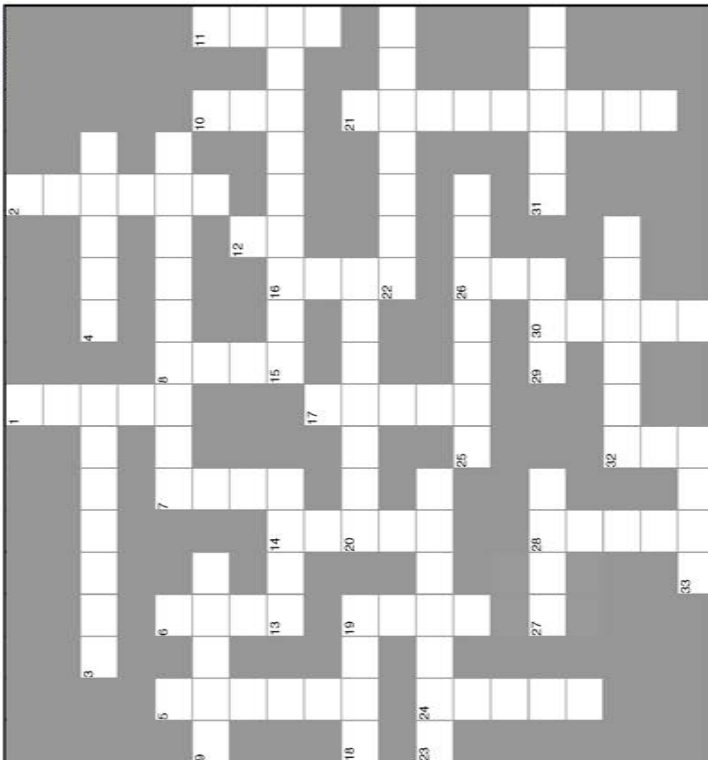

It seems to have been a busy month for birthdays with our best wishes extended to Don Miller, Norrie Clarke, Geoff Francis, Marlene Ettridge, Peter Eylward, Kay Wait, Fay Kelsh, Colleen Crowder, Mick Tomney and June Francis. Fay Kelsh stole the month with her 90th Birthday milestone as well as featuring in an almost whole-page feature article in the last edition of The West Coast Sentinel – so well done Fay, keep up the good work.

We have been pleased to report that Gail and Phil have been able to return home to Perlubie again and Jim Clark who also had a Flying Doctor trip away is now back in the local Hospital and is doing very well. We wish all of them continued recovery and look forward to some catch-ups before too much longer.

We hope all our members are keeping safe and healthy and are all ready to come to 25 Wells Street to do some weeding soon, since there'll be plenty of them about now we have had such a lovely lot of rain in the past 24 hours.

CFS FIRE SAFETY CROSSWORD

ACROSS

3. _____ are tools, not toys and you shouldn't play with them.

Australia Day Committee

A report was presented to the Community and Economic Development Committee undertaking a review of the current Awards process and recommending some inclusions to enable further transparency. Council resolved to include a Community Group of the year award, and a long term recognition of service award (that will be issued at the Committee's discretion). A Terms of Reference for the Committee was established and the Committee shall now include members of the Community and the previous year's Citizen of the Year winner on the selection panel (Committee).

For 2020 your award categories will be as follows:

- Community Event of the Year
- Community Group of the Year
- Business of the Year
- Young Citizen of the Year
- Citizen of the Year
- Long term recognition of service Award

Australia Day Award Committee

Older Australians COVID-19 Support Line 1800 171 866

8:30am-6pm (AEST) Monday - Friday

It is essential that older people know what COVID-19 means for them and their loved ones, and that they do not feel lonely, disconnected or isolated because of current restrictions.

Older Persons Advocacy Network (OPAN), Council on the Ageing (COTA) Australia, National Seniors Australia and Dementia Australia have banded together to offer support to older people who have questions or are feeling isolated during this troubling time. These community organisations are well regarded, passionate, and very experienced in supporting older people.

This line can be called for information about how COVID-19 affects older people, and offers support for those who need it. The collaboration of these organisations means the line comprehensively covers different types of older Australians, including tailored information for people receiving aged care services and for those living with dementia.

Free call 1800 171 866 to speak with a friendly person who is there to listen and help. The line operates 8:30am-6pm (AEST) Monday to Friday, excluding public holidays.

Has someone you know cancelled their aged care services?

If you are concerned for the wellbeing of someone who has cancelled their aged care services because they feel unsafe due to COVID-19, we can help.

We will be conducting outbound calls to people who have declined their normal aged care services during the COVID-19 pandemic.

If you wish to register someone for a call, call the Older Person's COVID-19 Support Line **1800 171 866**.

1800 171 866

Older Australians COVID-19 Support Line

8:30am-6pm (AEST) Monday to Friday, excluding public holidays

This project has been supported by funding from the Australian Government

Senior Agricultural Officer - Position Available

Department of Primary Industries and Regions

Job reference: 384677

Location: Minnipa Agricultural Centre

Job status: Long Term Contract

Eligibility: Open to Everyone

Apply by the 26th of May 2020!

We have an exciting opportunity for a Senior Agricultural Officer to be part of our SA Research and Development Institute (SARDI) division within PIRSA.

The Senior Agricultural Officer provides skilled technical assistance for the research projects undertaken by the Agronomy group. Based at Minnipa, this Senior Agricultural Officer will be responsible for the day-to-day management of designated field trials on the Eyre Peninsula and carry out activities such as sowing, spraying, harvesting and data collection to ensure that the program achieves its aims in a timely and professional manner.

Enquiries: Rhiannon Schilling / Phone: 08 8429 2926

Email: rhiannon.schilling@sa.gov.au

See the I WORK FOR SA website for more information: <https://iworkfor.sa.gov.au/>

Certificate III in Rural Operations

The sign-up date for this course has been extended until 14 August 2020, due to the implications of COVID-19.

The total value of the employer/trainee subsidy is up to \$2,500 and is only payable for eligible Training Contract Commencements and only after the trainee has passed the probationary period of ninety (90) days. Training costs are already heavily subsidised, however part of this additional subsidy is to be used to contribute toward the gap. The value of this gap may vary dependent on the training units selected. Part of the subsidy must also be used to equip the trainee for work – PPE-work safety wear, equipment or tools etc.

For employers – please indicate that you have the capacity and willingness to take on a trainee by emailing (Subject – ag employer) or posting your business/company details to Peter Mitchell.

For aspiring trainees – please email (Subject – ag trainee) or post your CV to Peter Mitchell.

E-mail: peter.mitchell@rdawep.org.au

Mail: 89 Liverpool Street, Port Lincoln, SA 5606

Phone: Peter Mitchell 8682 6588

For further information contact the
District Council of Streaky Bay on
8626 1001.

MISSION
AUSTRALIA 2020

youth survey

56606

District Council of Streaky Bay

YOUNG VOICES MATTER

In this rapidly changing world, young voices matter. Now more than ever before, we want to hear from young people about the issues affecting them. It's important during this period of unprecedented change, that young people still have meaningful opportunities like the Youth Survey to share their thoughts, concerns and aspirations to shape policy and service changes that are important to them.

Please if you are or have children aged between 15 - 19 years old get them to complete the survey in the link below and enter the code 56606.

If we can get 100 responses we will get an individual report for our region, and this information can be invaluable for developing responses to youth issues!

www.missionaustralia.com.au/youthsurvey

NATIONAL 18-24 MAY 2020
VOLUNTEER
CHANGING COMMUNITIES. CHANGING LIVES. WEEK

**#ColourYour
CommunityRed**

'Colour Your Community Red' is an online social media campaign to thank and celebrate the almost one million South Australian volunteers. It replaces the annual launch of National Volunteer Week's parade and BBQ in Adelaide and the Darwin thank you event, due to COVID-19 restrictions.

'Colour Your Community Red' will give everyone in the community a chance to thank volunteers and for volunteers to stand up and be proud to be a volunteer in their State. We want everyone, involved in this year's campaign to acknowledge, thank and celebrate over one million volunteers.

'Colour Your Community Red' will highlight the amazing work of volunteers and with the unprecedented bushfires in Australia and now COVID-19, these tough times have really bonded communities.

THANK YOU VOLUNTEERS

National Volunteer Week (NVW)

Is an annual event which acknowledges and celebrates the generous contribution of our nation's volunteers.

At this uncertain time it is more important than ever to recognise and acknowledge Australia's volunteers.

Instead of in person events, online activities and campaigns will take their place to recognise and thank our volunteers.

**The theme changes each year, and this year, it is
Changing Communities. Changing Lives.**

We are asking organisations and businesses to light up or decorate their buildings to 'spread the red' from **18-24 May 2020.**

If you are a volunteer involving organisation, a volunteer or anyone that supports volunteering, you can participate by tying something red out the front of your home.

Tie a ribbon, scarf, table cloth or even a tea towel around your letterbox, fence or tree – take a picture or a video, post it on socials to show how great it is to be or know a volunteer.

Tag @Volunteering SA&NT or Volunteering NT and use the campaign hashtags including one with your postcode so we can see how far the celebrations go into our communities.

Eg. #5680 #SAvolunteer #NVW2020 #colouryourcommunityred

Streaky Bay Medical Clinic - Update Letter

I do hope this update finds you well at these difficult times. The outbreak of Covid19 has changed our lives and fortunately we have not had any cases in our community. I would like to thank you all for being responsible and abiding by the guidelines. The Streaky Bay & District Medical Clinic staff and board convey their appreciation for your patience over the last few months since Dr Zeli left the clinic.

We have been operating with the support of the Rural Doctors Workforce Agency and Eyre & Far North local Health Network board. Sourcing locums is the only way we have been able to provide a General Practitioner service. We owe Dr Rob thanks for stepping in when we couldn't get locums due to travel restrictions. The good news is we have heard from Dr Bradley and she has indicated she will move here earlier than she had planned, she is hoping to be here in August.

The restrictions of gatherings has meant we have not been able to hold a general meeting. We currently have 2 board positions to fill due to board members having to resign because of relocation. Any community members wanting more information or wishing to nominate for a board position please contact me at chair@streakybaymedical.com or 0419 280 577. We endeavour to hold a general meeting which may be our AGM a soon as it is safe to do so and will endorse the board appointments at this time.

ANY Q'S, PLEASE CONTACT TESS WALCH ON 0407488677

BOOKS IN HANDS AGAIN SOON!

We've heard the exciting news as announced by the Premier, and understand libraries can open from May 11. We are currently working through what this will look like for our library service here in Streaky Bay. Our first priority is the safety of the community, our students and staff.

On re-opening, community members can feel confident we will be following the Government's requirements of social distancing, limited numbers in the library space and strict hygiene measures, as well as some changes to services initially.

Please be patient, and check with us for updates.

THE LIBRARY IS ALWAYS OPEN ONLINE

We are looking forward to when it's safe to open our doors again to the community. In the meantime, discover ways you can continue to connect with us from home.

You can download our [Libby app](#) to access free eBooks and audiobooks, and free magazines and some newspapers through the [Pressreader app](#). You can learn a new skill with [Lynda.com](#). And, for a limited time, [Ancestry](#) library edition is available to use on your home PC for those interested in genealogy.

Jenny and Georgina are onsite at the library, and available to respond to your emails or take your phone calls.

WHAT DOES LIFE LOOK LIKE IN THE TIME OF COVID-19?

The library is on a collecting drive to record this unprecedented moment in our history, so that we may tell this story to future generations. We are looking for your photos and stories telling of how the COVID-19 pandemic has changed the way we live. Share a photo of life right now, or anytime over the past two months – how you work, learn, eat, stay fit, keep informed and stay entertained. Post it to Instagram or facebook using #STREAKYBAYSTAYSHOME. Alternatively, you can write your story down, or give us a call and we'll write it down for you.

Marine Safety Notice—Streaky Bay, Sceale Bay, Baird Bay & Haslam

Locally available 24/7 Adelaide Monitored VHF Marine Emergency Radio Service is on Ch 16 and on supplementary CH 67, via equipment on Government Radio Network towers at Elliston and Streaky Bay's Gibson Peninsula and is well receivable within Streaky Bay. However in some areas both inside and outside of some of the other bays, that signal can be marginal due to terrain shadowing.

Daylight Hours Local VHF Marine Radio Services:

The call signs are **VMR Baird Bay**, **VMR Haslam** and **SES Streaky Bay** these are manned by SES members. Call sign **VMR Streaky Bay** is a non SES operation from Killas Service Station, Wells Street -manned during business hours.

Local Services Provided:

Locally operated stations primarily monitor for general calls and the hours are usually 8.00am to 5.30pm varying to 8.30pm. Some stations can provide you with a signal check, but they do not normally offer a regular voyage booking/tracking service unless that is agreed by prior arrangement. They also can be used for emergency calls and will monitor emergency calls.

Local Streaky Bay UHF CB Repeater is CH7 and can often be used for all types of emergencies during long term blackouts to Streaky Bay area mobile phone services. Radius is approx 35kms from Streaky Bay

What will it take for you to believe

Covid 19 is dangerous

social distancing and non-essential
travel are the order of the day
business have been ordered shut
people here and around the world are
becoming ill and some are dying
including the Doctors and
Nurses caring for them

This is happening now and you can
see eyewitness accounts on TV

The good news of Easter

from eyewitness accounts tell us
that Jesus has risen from the dead
because of that

We know we do not have to face
these problems alone
