GOVERNANCE

Human Resource Movements

Community and Economic Development Administration – welcome to the team Melissa Benc who was successful and will replace Tracey Tape whilst Tracey is backfilling the Executive Assistant to the CEO position.

Congratulations to Amber Bawden who has chosen to take up employment with state government. Amber has been a valued member of the team working across a number of roles in her time with Council.

Council also farewells Prue Dawes, Prue has been on maternity leave for a year and has chosen to pursue other opportunities. Prue had a key role in the Infrastructure Team with project management and we thank her for her time and dedication to Council.

COMMUNITY

Health and Community Hub Feasibility Study

Council received a report seeking Council's interest in staff pursuing funding for a feasibility study into a developing a purpose-built health and community hub in an effort to attract potential professionals in the future.

Over the past months, several discussions have been held with medical providers regarding the attraction of medical professionals to the region with one of the detractors cited as being the lack of modern infrastructure from which to work from. Council resolved to enable staff to pursue funding options.

Request for Land to develop housing for GP's in the Eyre Peninsula

The Northern Eyre Peninsula Health Alliance (NEPHA) and Regional Development Australia have approached Council with the request to commit to funding proposal to be submitted to Federal Government regarding the donation of land from Council for federal government funding to be then utilized to build housing GP's and other medical staff.

The proposal is for 11 houses to be established across the EP with 3 at Streaky Bay. Council resolved that should the Federal Funding be successful they would donate 3 allotments for the purposes of building the houses.

Streaky Bay Area School Pool

The Streaky Bay Area School Pool is due for opening following extensive maintenance undertaken by the Department for Education, hopefully we will see some warmer weather.

Council have engaged pool attendants, however if you are interested in a casual position please call (08) 86267033.

Third Party or Private Hire of the Pool needs to be undertaken through the Streaky Bay Area School.

Child Care Facility Development

Council received a deputation in October 2021 regarding the future establishment of a childcare facility for Streaky Bay. Several locations have been investigated and deemed unsuitable for various reasons.

Council received a report to the December 2021 ordinary meeting of Council to pursue the purchase of Crown Land on Montgomerie Terrace for the purpose of the Child Care Facility and potential other facilities in the future.

Council resolved to pursue this option with a Memorandum of Understanding being established between Council and the private developer regarding the costs associated with the purchase of the land. Please refer to that report for full details.

Golf Course Crown Land Purchase

Following the determination of Native Title over the Crown Land that is the Golf Course in Streaky Bay, this determination meant that many allotments have Native Title over just a portion of a single allotment. Council received a report with a proposal to now subdivide these allotments with a view to Council purchasing those allotments that would bring those portions of the golf course under Council ownership (no longer Crown Land). Council resolved to further pursue this opportunity.

Australia Day Awards and Ceremony

Council have collated and considered all the nominations received and all nominees for the respective awards have been notified. Award Winners will be presented via an online virtual event on the day.

Art Attack Event – Streaky Bay Community Hall

Unfortunately for the second time and due to the change in restrictions with Covid19 this event is again postponed until later in the year.

Council News Cont'd

TOURISM AND ECONOMIC DEVELOPMENT

Perlubie Beach (Crown Land) - Management

Council had been working closely with Crown Land regarding the ongoing management of Perlubie Beach with a view to pursuing care and control of the area from the crown.

In these negotiations and with recent Native Title determinations, the portion of land is under Native Title.

Council had two options in continuing these negotiations which were to either pursue and negotiate an Indigenous Land Use Agreement directly with the Native Title Holders or await the outcomes of the State negotiation for their Indigenous Land Use Agreement (ILUA). Council resolved to await the state negotiations.

Community Strengthening and Planning Committee – Independent Vacancy

Council welcomes Lauren Karp into the position of independent member for this Vacancy.

Tractor Beach and Speeds Point (Crown Land) – Management

These sites are similar in nature regarding Native Title holders and Council also resolved to await the state ILUA outcomes in relation to these ongoing negotiations.

New Year's Eve 2021

It was great to see the Fireworks go ahead to bring in 2022. Congratulations to the Streaky Bay Community Hotel Board and Graham Davis for dedicating their time to make this event happen.

It was unfortunate that due to a change in the restrictions in simply became too prohibitive to hold the Children's Festival, with several similar events across the state also being cancelled.

in the event, further information will be provided as it becomes available.

CEO UPDATE

As we are all aware, COVID 19 is now moving through our community. Which has presented several challenges to Council operations with a number of staff having to isolate and be tested after being identified as being in close contact with a COVID positive case. Considering this, we have made several changes to our operations to ensure business continuity throughout the next few months.

In terms of events, we have had to cancel the Children's New Year's festival, postpone the Community BBQ and Council meeting at Wirrulla, postpone the art attack event and stream Council meetings online. We have also made the decision to cancel the Australia Day BBQ but will still be running the awards ceremony on a yet to be announced online forum. We understand that we are entering a new phase of the pandemic and we have to learn to live with COVID19 in our community. However, considering the current speed of the spread of COVID19 throughout our communities. We also need to support a model of reducing large-scale interactions to help slow the spread within our community.

As the COVID situation changes and evolves, we may see further change depending on what happens within the local community and at a state level.

Additionally, when we start to move out of the pandemic, we will revert our operations back to normal and look at the opportunity to redeploy some of the resources allocated to cancelled events to facilitate an event for the community to assist with rebuilding community connectiveness, post pandemic.

We thank everyone for their continued understanding and patience as we 'learn to live' with COVID and deal with this ever changing and fluid situation.

STREAKY BAY INDOOR BOWLS

There was happy chatter and laughter aplenty on Dec. 1st when the indoor bowlers met in the Streaky Bay Hotel to enjoy a 2 course Christmas Lunch.

Tables were set in the festive theme, a present for everyone and organisers Jim and Shirley Petty had excelled in their attention to detail. They kept the occasion moving smoothly, there was the club bingo, more prizes.

As the event drew to an end the hotel chef and staff were thanked for their service and diners all left with the feeling of had the proverbially "elegant sufficiency".

Two Wednesdays of bowls completed the 2021 year.

Dec. 8 was Ladies v Men AND the Men's team of Darryl, Roger, George, Owen won the day. The next week 3 visitors joined 17 members to play the 3 games and the winning team on a shots count was Gay, Darryl, Owen.

A large cake was cut on Dec.15 to celebrate coming birthdays for Pauline Dale 21/12, Shirley Petty 25/12 and Jim Clarke 27/12.

Also on that day Shirley outlined a decision made by S.A. Bowls concerning COVID vaccination. This was "to play from Jan. 10,2022 all bowlers must be COVID double vaccinated.

The decision covers the S.B.B.C., parent body of the indoor group so the rule also will apply to all indoor players from that date.

Sharing Birthdays this month is Jim Clarke 97 and Pauline Dale 94.

STREAKY BAY PROBUS

Probus held their last meeting for the year on the 18th November.

Our next meeting will be the 20th January 2022.

We did not have a guest speaker this meeting, but instead watched a video on Fraud and Cyber crime. This presentation was originally put out to Men's Sheds Australia wide.

Given the information in it we decided to share it with our group. The presenter was Sharmala Whitehead from the NSW police department.

I hope some benefit came out of this presentation.

Members are reminded that our Christmas luncheon will be held at the hotel on the 16th December starting at 11.30am. For those who have not yet notified us that they are interested in going please contact Wayne on 0448 173 564

Back on the 7th October we had our bus trip to celebrate Probus Day.

Please see some more pictures below from that trip.

SANTA AT THE SUPPER ROOM

The children of Streaky Bay had the pleasure of visiting Santa at the Supper Room in December.

Santa had a very busy afternoon listening to almost 50 children's wishes. All participants enjoyed having there photo taken, lots of smiles and were gifted a lolly bag each. This event was very well received by the community.

A massive thankyou to Santa and his helpers for coming all this way just before Christmas.

SA COUNTRY WOMEN'S ASSOCIATION Inc.

Happy New Year to our community. Hoping your recent festivities were well celebrated and enjoyed with the company you held and full advantage of the sunshine and beaches was had. For those who were no longer with us for Christmas, especially for the first time, we hope beautiful memories made you smile.

Our branch celebrated Chrissy celebrations with the Ceduna, Elliston & Wudinna branches at the Streaky Bay Hotel on 14 Dec. Thankyou to Penny and her team for the very tasty Chrissy menu and bon bons that actually had good jokes – so rare! Much fun was had with members drawing to a narrated story whilst eyes closed (plenty of laughs after this one), an impromptu roll call pulled out of hat, Secret Santa gift giving (passing gifts left/right as a story was read), christmas music, a Christmas raffle and chit chat mingling. Also thanks to our Sussan for the table decorating and dressing up from head to toe as an elf, a sight for sore eyes! Our travelling guests commented just how much they enjoyed the meal and the great time they had. T'was the plan before Christmas!

January is our down time and we meet again in February.

A thought for January – isn't global warming just Mother Nature having a hot flush?

Visitors and new Members always welcome.

STREAKY BAY - ANGLICAN PARISH

Annual General Meeting
Monday Messages of Faith and Hope
From St Augustine's Anglican Church

What do we hope for in 2022? How are we going to achieve what we hope for? We cannot see into the future we can only hope that it will come about. We can make plans but there is no guarantee that these plans will produce what we hope for.

I remember when I was young having lots of plans for my life and finding that in the end, I wasn't satisfied with any of them. It wasn't until I gave up my plans and asked God to take over my life that I found purpose and hope and peace.

In these present calamitous and fearful times, it is so important to be in a situation where you know you are loved and that whatever happens you will be okay now and for all eternity, our Saviour Jesus Christ guarantees that.

May love and peace surround you in 2022.

Rev'd Gavin Scantlebury,
Parish Priest,
Anglican Parish of Streaky Bay.

14th February 2022
Streaky Bay Hotel at 6.00pm

HOSPITAL AUXILLIARY

Good attendance at our December Meeting and big thankyou to Kerry who made her home available as due to Covid restrictions we were not able to have it at the hospital.

Due to cancellation of intended fundraiser at the rodeo it was planned at short notice to hold a Christmas raffle over two half days being Wed 15th December and Saturday 18th. Big thankyou to Coralie and Kerry for all the organising and for the generosity of members willing to donate goods for the raffle and their time to sell tickets much appreciated.

Brock is still in throes of finishing help with new automatic switch, sprinklers have been checked and lawn top dressed. Big Thankyou to our volunteer group for mammoth efforts at Hospital and Elmhaven these past few weeks as the rain certainly did both weeds and garden good and hopefully we have helped with the outlook of both places for the benefit of patients, clients staff and the community. As Anthony was on leave no requests were forthcoming hopefully we will be back at our usual venue by next meeting.

From our small group we wish everyone a very Merry Xmas and A Happy and more normal New Year for 2022.

Next Meeting will be Monday Feb 14th 2p.m. Hospital Boardroom.

**John the Baptist task in life
was to prepare people for
the coming of Gods promised Messiah.**

He recognised Jesus to be that person when he saw the Holy Spirit descend on Him in the form of a dove when he baptised him. Sometime after Jesus had begun his ministry John the Baptist was locked up in prison because of his imprisonment John wanted confirmation he had done the work God had appointed so he sent a message to Jesus asking

Are you the one who was to come ...

To the messengers Jesus replied

Go back and report to John what you hear and see

the blind receive sight the lame walk those who have leprosy are cured the deaf hear the dead are raised and the Good News is preached to the poor ...

**Historical and current eyewitness accounts
confirm Jesus Christ is Gods Promised
Messiah**

Blessed are the people who call on God through
Jesus Christ
