Community Grants

COMMUNITY

The Regional Growth Fund

The Regional Growth Fund has been established to:

- unlock new economic activity in our regions
- deliver critical economic infrastructure to create direct benefit across regional industries
- strengthen regional communities.

Up to \$5 million for the Regional Growth Fund Competitive Grants is now available.

The assessment of applications will take into consideration the number of jobs created by the project (construction jobs and ongoing jobs) and in particular the number of ongoing local employment positions generated. Further, a commitment to upskilling the existing regional workforce to meet employment requirements will be considered favourably.

Applications close on Monday, 12 July 2021 at 12:00pm

For further information and how to apply visit:

https://www.pir.sa.gov.au/regions/regional_growth_fund

Strengthening Rural Communities

The Strengthening Rural Communities (SRC) program aims to give the thousands of small rural, regional and remote communities across Australia an opportunity to access funding to support broad community needs. Ongoing. For more visit:

<https://frrr.org.au/funding/place/strengthening-rural-communities/>

Bite-sized Grants

Funding of between \$200 and \$1000 is available for community groups and not-for-profit organisations for small, short-term projects. Available all year round, applications are assessed, and grants allocated monthly. The program is funded through the Northern and Yorke Landscape Board to deliver positive environmental and landscape management outcomes, such as garden development, weed control and revegetation projects.

To apply, fill out the application form via the link below and email to ny.landscapeboard@sa.gov.au.

Saluting Their Service Commemorative Grants Program

The program is designed to preserve Australia's wartime heritage; involve people around the country in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations; and promote appreciation and understanding of the experiences of service and the roles that those who served have played in shaping the nation.

There are 2 categories of grants available under the program:

1. Community Grants (STS-CG)

Grants to a maximum of \$10,000 are available for local, community-based projects and activities.

2. Major Grants (STS-MG)

Grants between \$10,001 and \$150,000 are available for major commemorative projects and activities that are significant from a national, state, territory and/or regional perspective.

Community Grants

FRRR Tackling Tough Times Together

The Tackling Tough Times Together (TTTT) program gives drought-affected communities across remote, rural and regional Australia the opportunity to access funds that benefit their immediate and long-term needs.

Grants are available for a broad range of grassroots, community-led initiatives that directly and clearly benefit local communities. Applications are accepted on an ongoing basis and assessed quarterly.

What can be funded?

This program is designed to provide flexible funding to support community-based activities in drought-affected regions that both help to relieve current stressors and symptoms, and most importantly, build capacity and resilience for the future. Funds could also support activities that engage your local community in being proactive, exploring options and creating something that will stand the test of tough times.

This program funds a broad range of initiatives and purposes, including:

- Delivering activities, programs and services;
- Purchasing or hiring equipment and materials;
- Community infrastructure projects;
- Art, drama and creative expression projects to assist people to creatively express their experiences, which are otherwise limited due to the drought;
- Experiences for school children such as camps that connect young people and provide an opportunity to have fun with other young people off-farm.
- Operational and administrative costs associated with your project will be considered. This could include wages, paying a skilled contractor, or paying for overhead costs incurred in the project's delivery.

Round 22 opens: 25 May 2021 and closes: 24 August 2021

The Retailer Energy Efficiency Scheme (REES)

A South Australian Government energy efficiency scheme that provides incentives for South Australian households and businesses to save energy. It does this through establishing energy efficiency and audit targets to be met by electricity and gas retailers. South Australian households and businesses may be able to access discounted or free energy efficiency activities from energy retailers participating in the REES.

To find out what activities energy retailers are currently offering, you can contact any of the obliged energy retailers in South Australia, not just the retailer currently supplying you. Energy retailers may contract out their energy audits and energy efficiency activities to third-party contractors, and you may also contact these third-party contractors directly.

Community Consultation

SCHOOL POOL PUBLIC USE - CONSULTATION

Background Information

The ongoing negotiations around the long term and future use of the Streaky Bay Area School (the School) for the public commenced in early 2019, when the School was advised by the Department of Education (the Department) that the school could no longer open the pool to the public after school and on weekends, due to insurance issues with the Department.

For the 2019/2020 swimming season a short-term Agreement was negotiated between the Department and the District Council of Streaky Bay to continue the school pool to be open to the public, with the School continuing to engage Pool staff. During this period, the Department and the District Council of Streaky Bay staff commenced negotiations to ascertain a longer term (3-year agreement). Reports were presented to the August 2020 and October 2020 Ordinary meeting of Council.

In early 2020 Council resolved to amend the Agreement budget and the resolved that an amount of \$12,500 (\$5,500 wages \$7,000 operations) contribution from Council to the School was included and endorsed by Council in the 2020/2021 Annual Business Plan.

A further report was presented to the August 2020 meeting of Council with a copy of the Final Agreement proposed, the intention of that report was to seek Council's endorsement of the proposed long term Agreement. Following that report Council resolved that they did not want to endorse the Agreement and that further advice was sought regarding the Council engagement of pool staff.

Following the above Council resolution concerns regarding the requirement of Council to be responsible for engaging the Pool staff as per the Agreement were raised. Council indicated it preferred for the School to continue to provide and engage pool staff with the school contracted by the Council do so, with further discussions with the school to continue.

A letter as per the Council resolution was forwarded to the School and the department deemed that they could not be considered a contractor to the Council to provide staff to open the Pool. Following this the School subsequently sought an emergency exemption to open the pool for the 2020/2021 public season swimming.

On the 24 May 2021, the Chief Executive Officer received correspondence from the Chief Executive, Department of Education, outlining that for the 2021/2022 Summer Season the Streaky Bay Area School Pool will not be open for public use without the Council taking on a joint use agreement including the direct employment of staff to operate the pool.

Community Consultation

In considering the correspondence received on the 24 May 2021 and a report to the June 2021 Ordinary Meeting of Council outlining the history and current situation with the opening of the Pool to the Public Council resolved to seek community input regarding the decision.

The estimated cost to Council to undertake the Public Opening of the pool is estimated between \$20,000 - \$25,000 (dependent on agreed opening hours and employment conditions), in considering this a 1% rate rise across the district is approx.. \$30,000, this contribution would be considered around a 0.8% rate rise.

If you would like to provide any further information please forward written correspondence to williamspenny@streakybay.sa.gov.au or alternatively phone Penny Williams, Acting, Chief Executive Officer on 08 86261001.

Feedback Closes – Friday 9 July 2021 – 5.00pm

The Great White Kaolin Project (the Project) is a proposed small-scale mining operation to develop a world-class deposit of bright white kaolin clay, south-east of Poochera on the Eyre Peninsula, South Australia. Safety for the community and our employees is paramount; effective and efficient roads are part of this focus.

The Project will develop a shallow, open-cut mine with processing facilities on site. Proposed operations include removing ore from the ground, washing, and refining before drying and bagging kaolin product for transport and export. With a mine life of over 25 years, the Project will provide generational jobs and opportunities for the region.

Applications for a Mining Lease and two Miscellaneous Purposes Licences for an access road and water pipeline to support the Project were submitted in February 2021. Andromeda is currently preparing a formal response to public and government submissions on the Mining Lease Application.

POOCHERA - PORT KENNY ROAD

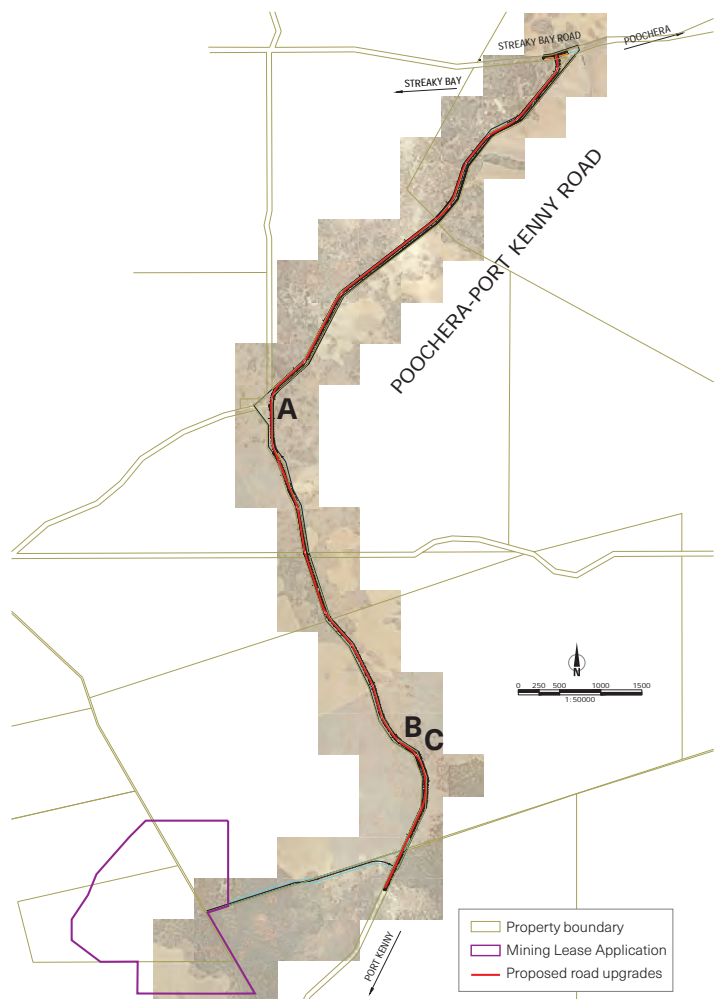

Andromeda has committed to upgrading Poochera - Port Kenny Road and associated intersections to accommodate haulage trucks from the Project. This commitment extends to ongoing maintenance of the road for the life of the mine. The redesign of the road will benefit all road users.

Tonkin Consulting has designed upgrades based on geotechnical investigations and engineering surveys. Proposed upgrades are predominantly within the existing road corridor, minimising impact on neighbouring land.

Intermediate design work for the upgrade of Poochera - Port Kenny Road was provided to the District Council of Streaky Bay in May 2021. Work will now progress to the next stage involving detailed design.

Examples of the proposed upgrades include:

- The intersection with Parla Peak Road (**A**) will be widened to allow vehicles travelling south to continue past a vehicle waiting to turn west into Parla Peak Road.
- A sharp rise will be removed at (**B**).
- Re-engineering the corner at (**C**) to be compliant with current standards.

Engineering designs, Poochera - Port Kenny Road.

Engineering designs, intersection of Streaky Bay Road and Poochera - Port Kenny Road.

STREAKY BAY ROAD INTERSECTION

The intersection of Poochera - Port Kenny Road with Streaky Bay Road will be upgraded to support the Project. Upgrade designs have been provided to both the Department of Infrastructure and Transport and the District Council of Streaky Bay for review and approval. The intersection will be widened to cater to all trucking configurations considered for use at the Project.

An assessment of sight distances for vehicles entering Streaky Bay Road from Poochera - Port Kenny Road, was completed and found that the roads exceed the relevant Performance Based Standards (PBS).

The existing lane and shoulder widths of Streaky Bay Road to Poochera are also acceptable, based on the PBS.

Poochera - Port Kenny Road, just north of the proposed access road.

ROAD SAFETY AND THE CHANDADA SCHOOL BUS

Andromeda has committed to halting haulage trucks along Poochera - Port Kenny Road during the time of school bus runs.

As part of ongoing community engagement Andromeda met with Karcultaby Area School staff and Chandada school bus drivers in May 2021.

Throughout the school year, the school bus will occasionally run outside its normal schedule, such as on sports days and at the end of terms. Andromeda will work with the school community on changes to operational scheduling associated with irregular school bus trips.

ROAD SAFETY AND LOCAL ROADS

As a result of ongoing discussions with the local community, Andromeda will implement a policy directing all mine traffic to use Poochera - Port Kenny Road, in order to minimise the impact to other roads and road users in the area.

HOSPITAL AUXILLIARY

Last meeting held June 14th was nice to see a new member and the return of Rowena.

Thanks expressed to all who assisted with Mothers Day raffle \$1400 was raised.

Anthony Ryan attended meeting via Zoom and brought us up to date on many issues. e.g fence at Elmhaven to be finalised shortly.

Need to meet with Elmhaven re: some help with updates to front garden area and quotes are being sourced re: cement paths there making it easier for residents to walk around.

The local Streaky Bay cards group also donated \$50 towards garden needs here.

Finalising of a second Bathroom at the Hospital are being sought and Shepherds Hut repairs were discussed and are on the Mid West agenda.

A catering for the Rural Womans gathering in August was discussed Kerry and Coralie to liase with Penny Williams for final details on this towards end of June.

Was proposed we approach Rodeo committee re: holding a stall at their event.

Carol Guidera whose role is now Social Worker has agreed to be our guest speaker at our next meeting, would urge people to attend as things are ever changing and she is happy to address any questions and supply updates for accessing help in the home or community.

**Next meeting: Monday 9th August
2pm Hospital Boardroom.**

Messages of Faith and Hope

Domestic Violence.

At least one person is murdered each week as a result of domestic violence. There is probably not a lot we can do about this as it is something that those involved have chosen to do, usually in the heat of the moment.

This is when we need to exercise our faith and walk away and trust that our heavenly Father will provide a way to resolve the problem. But pray. Do not put up with violence. Find a friend or a shelter. Take your family with you if possible.

Sometimes it is possible to restore the relationship sometimes not. It is not always women who are the victims sometimes it is men walk away get some counselling, find a friend who will listen to you.

Remember you are not alone and that you still have a future even though you feel utterly alone and defeated. God loves you and is always with you, but you need to open your heart and allow Jesus Christ to enter your heart ask him to show you himself and then listen to and follow where he leads.

We are created to live in fellowship with Jesus Christ. Apart from him we do not have direction, we are not on the path that leads to eternal life.

STREAKY BAY INDOOR BOWLS

Streaky Bay indoor bowlers were saddened to hear of the passing of two of their valued members.

Bill Trevena on 1/6/21 and Basil Kammerman also on 1/6/21. Basil had played since 2005 (possibly earlier) and Bill joined in 2009 (he was a member of the winning team on his first day).

To honour the recently passed bowlers, Noel Gosling, Bill Trevena and Basil Kammerman club president Shirley Petty has assembled a farewell photo tribute which is on display in the clubhouse. (see below)

Good news for members is the completion of plumbing repair work and a \$500.00 donation has been made to the Sporting Complex.

As for bowls, weekly player numbers have fluctuated with the highest at 18. Some amazing statistics have been recorded. On June 2nd two teams each with 3 wins amassed outstanding shot totals of 44 and 39. Usually these totals are in the high 20's to low 30's.

Another extraordinary result was on June 16th when two teams who were opposed in the first game had a draw then both teams followed up with 2 wins. Nothing unusual about that except both teams finished with 28 shots spread over the 3 games. A puzzle for the play committee which finally declared both teams winners so it was choccies all round.

Two special cakes were cut on June 24th. One was to celebrate Wayne's birthday on 29/6 and the other to mark 6 years of indoor bowls play in the present venue.

Winners were =

June 2 = Alan, Gay, Maria.

June 9 = Bev W., Shirley, Owen.

June 16 = Wayne, Julie, Chris (visitor)

June 16 = (see above) Connie, Gay, Maria.

June 23 = Bev W., Jim C., Connie, Alan.

COVID Safe Travel TIPS

- Wear a face mask while in the airport and on the entire flight.
- Check the relevant state or territory websites for travel advice and follow any restrictions.
- If you develop COVID-19 symptoms, **get tested straight away** – do not wait until you return home.
- Wash/sanitise your hands regularly, cover coughs and sneezes.
- Maintain physical distancing wherever possible.
- Download and use the relevant interstate COVID check in systems.
- Complete an SA Police cross border travel form for your return to SA.
- When you return, stay informed about any interstate COVID-19 exposure sites.

STREAKY BAY MEN'S SHED

On the 1st of June the Men's Shed hosted a night for the Streaky Bay Scout group. With 14 Cubs attending. After some early games and presentations the Cubs put together some small wooden stands that can be used for book reading or to place a tablet on.

The group was split into two with 1 group with (Wayne Miller) attaching the bottom piece on and the other with (Jim Petty) putting the end supports on. Then swapped. Some decided to paint their stands, and some took them without. We were impressed with the ability of all the Cubs.

Thanks must go to Rebecca and Eric and some parents (from the scouts) for helping the kids with their projects. Members of the Men's Shed in Gavin Scantlebury, John Wilson, Wayne Miller and Jim Petty also assisted. Thanks to all involved for making this another successful night. This was followed by more games outside.

We now have our paint supply off the bar area and into some shelves thanks to Jim Clarke.

Some of our projects that we are working on are another book case for the Op Shop (Gavin Scantleburys job) John O'Brien made a small cabinet for a bathroom

We have had a cabinet given to us to do up and some chairs to restore and we made more push carts for the craft shop.

We are still bagging our off cuts of wood up and selling them for \$2 a bag. Contact the Men's Shed if interest.

STREAKY BAY PROBUS

At our general meeting on the 17th June the Probus rally in Kimba was discussed.

For all members that were not at the meeting and would like to attend it is \$30 per head (\$25 for 2 course meal and \$5 for registration and morning tea)

If you would like to go please see Zita Chester as she is collecting the money.

It was decided at the meeting that the people going need to arrange their own accommodation. We have been informed by the Kimba Probus that there is going to be road gangs staying in town so there could be a shortage of places to stay.

Our guest speaker (see pic below)for the meeting was Joe Ranford from Andromeda Metals who are setting up the mine just out of Poochera on the Port Kenny Road.

When Joe was contacted re speaking to us he told Wayne Miller it would be amusing and informative. He certainly lived up to his words. If you remember the song "iv'e been every where man" this is Joe.

Joe's visit was killing two birds with the one stone.

He spoke to us then went to Port Lincoln to celebrate his dads 80th Birthday. It was also a first for Joe's wife Alicia who had not been to Streaky Bay before. Joe also left some small bowls (see pic below) that were made from the Kaolin from the mine. These two pieces will be raffled off later in the year. He also had some other samples of the Kaolin in powder form.

WEST COAST HAWKS

What away to welcome Western United Tigers to Streaky for their first time with spectacular weather. It was a great day for players & spectators.

As most people are aware, earlier this year Zahli Habel, who is one of our junior players was diagnosed with Ewing's Sarcoma, a rare type of bone cancer. Following her diagnosis the family made the tough decision to all relocate to Adelaide, enabling them to be closer to the Women's and Children's Hospital for Zahli's treatment and provide the close family support that Zahli needed during this time.

Throughout this process Zahli's courage, positive attitude, smile and sense of humour is inspiring.

Hawks and other members of the community would like to show Zahli and her incredible family, all the love and support we can through fundraising such as: selling gold laces, a huge cake stall & a raffle, which will be drawn Saturday 14th August.

Derick Freeman played his 300th A grade game on Saturday, in 2001 Derick played his first A grade match at the tender age of 16. Congratulations to the 8x premiership player, 12x Mortlock participant, past captain, most valued team mate and now 300 game legend.

Aiden Whitford played his 300th game with the West Coast Hawks on Saturday 26th June, in game 299, Whitford kicked a match winning 5 goals to reach the spectacular 650 goal milestone. Aidan 'Whits' Whitford played in the Hawks very first A' grade outing in 1999.

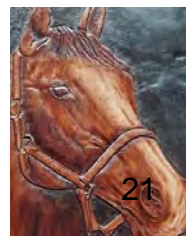

SA CWA STREAKY BAY BRANCH

No meeting for June, instead 18 members and guests enjoyed a bus tour to Minnipa. Nothing better than having Mother Nature gatecrash the fun with howling winds and pounding rain but everyone was accepting of the circumstances with Helen in control of the fun bus.

From Streaky Bay to Poochera to pick up a couple of extras then with towels in hand to wipe foggy windows it was off to Minnipa Community Store for smoko. A warm cuppa & cake including some time browsing through their funky and interesting stock of books, wooden and photographic memorabilia was a treat. Then a drive around the town treated members to seeing their former homes they grew up in and the newly established Community Garden which is a true credit to the community members involved in the planning and planting.

Onto John Post's lovely garden who produces a tidy and varietal display of floral plantings with roses and pansies still blooming, Sweet Pea bowers and others growing well ready for a magnificent Spring display. A talk from John and sharing the contents of his family produced book of his beautiful flowers and plants was truly appreciated. Lunch at the Minnipa Hotel held lively conversation and enjoyable food. Next stop welcomed us with a warm fire and retail therapy, Jim & Tricia Pollock's leatherworks. Beautifully crafted leatherwork has to be seen – fashion accessories, wall hangings, pictures, whips, etc. etc. Then a drive past Tcharkulda Rock ended the tour before homeward bound. A good night's sleep for all after that.

Visitors and new Members always welcome. It's about that cuppa & chat!

Long Table Lunch - A Taste of Streaky Bay

A Tasting Australia Event

On Sunday the 2nd May 2021 Streaky Bay Tourism & Business Association (SBT&B) partnered with the National Wine Centre of Australia (NWC) to showcase the very best seafood, lamb, pork, grain and honey our town and district has to offer.

With an audience of 20 million the 'Tasting Australia' program is the perfect platform to promote this event.

'A Taste of Streaky Bay' was allocated half a page in the program that was distributed nationally.

TA's Program Director - Simon Bryant - cited 'A Taste of Streaky Bay' as:

"an excellent example of promoting produce, people and place".

The National Wine Centre Executive Chef, Steven Clark, who is the reigning South Australian 'Chef of the Year', designed the five course menu:

ON ARRIVAL
Oysters, Asian Style Dressing

BREAD
Wattleseed Damper, Stoney Creek Oil, Dukkah

STARTER
Black Gnocchi, Abalone, Cured Egg Yolk

ENTREE
Pork Bell, Crab Green Mango Salad, Burnt Nuoc Cham

MAIN COURSE
Lamb Roasted and Braised, Pea, Goats Cheese, Freekeh, Saltbush

DESSERT
Dark Chocolate, Haystack Honey Tart.

Head Sommelier of the NWC James Boden hand selected an exquisite range of South Australian and Eyre Peninsula premium wines to match each course. James even arranged a tasting of the Rosé produced Streaky Bay Area School.

120 guests attended the event with 40% not residing on the Eyre Peninsula and coming from Adelaide, the Riverland, Melbourne, Brisbane and Alice Springs. This year the VIP list expanded to include Local Member Peter Treloar and his wife Annette, Politicians David Ridgway and Terry Stephens, CEO and Co-Founder of Showcasing SA Steve Testar, Glam Adelaide owner Kelly Noble and NWC Board Member Andrew Killey.

The sentiments emailed to SBT&B by Sheryl Faehrmann from Swan Reach reflect the general feedback received about the day:

"We recently returned home from our Eyre Peninsula holiday and been telling all, our highlight was beautiful Streaky Bay.

The best accommodation (new foreshore cabins), with the bonus being attending the Long Table Lunch.

I wanted to say how much we enjoyed the afternoon, everyone was so welcoming & friendly, the food from your region with matching wines was superb. I wish to send a big thank you and congratulations to all involved".

The Executive Committee of SBT&B stated:

"We can't thank the Streaky Bay Hotel Motel enough for throwing open their kitchen and deck to make this event possible.

Our special thanks to the Master of Ceremony Phil McEvoy who did a brilliant job in entertaining the Guests as did musician Jody Martin and to local photographer Megan Eramiha who beautifully captured the day.

To the Streaky Bay Racing Club, the hospitality staff, Bay Funktion and Brenton Huntley for helping us the best way they could much appreciation. This event would not be possible without the generous support of our sponsors: 2Brothers Abalone, Maidment Meat Service and doi's Ocean Front Apartments. The NWC's General Manager Jason Bird has made the commitment to join us again next year to proudly showcase the very best of Streaky Bay".

AUTO-RENEWAL OF LOANS NOW LAUNCHED

LIBRARY SAYS RELAX

IT'S NOW EVEN EASIER TO BE A READER

Great news! You can now relax ... your physical library loans are now extended automatically, if no-one else has placed a hold on your items. This service is a real time-saver! An email will be sent to your registered email address to advise of your new due date, or you can log into the Libraries SA app to confirm new dates. As always, our library staff can help you out with this. Phone 86261492

BOOKS FOR FAMILIES; DELIVERED TO YOU

Reading with children from an early age helps them develop a solid foundation for literacy. It is also good for your relationship with your child. We know it's hard for families of young children to get to the library at the moment, so we'd like to drop books to you. Please call or email the library, we'll get some info from you, to make sure we select just the right books for your little person, and we'll deliver them to your door.

RECYCLING OF PLASTIC MILK BOTTLES

COUNCIL IS UNDERTAKING A TRIAL TO RECYCLE YOUR USED PLASTIC MILK BOTTLES AND KEEP THESE BULKY ITEMS OUT OF LANDFILL
YOUR USED PLASTIC MILK BOTTLES CAN BE TAKEN TO THE TRANSFER STATION FOR DISPOSAL

**NOTE: THERE IS NO REFUND FOR THESE ITEMS
PLEASE ENSURE THE BOTTLES HAVE BEEN RINSED AND THE LIDS REMOVED**

Milk bottles are made from High Density Polyethylene HDPE plastics and are easily recycled into more plastic containers and items such as stormwater pipes, fencing materials - posts, stakes, droppers and bollards and also furniture such as picnic tables and benches.

The milk bottles will be baled at the Transfer Station and sent off to manufacturers for recycling into the above items.

Did you know...?

- Plastic is an incredibly versatile material, made to be strong and durable. Unfortunately, most plastics are made to be used once before being discarded.
- 660,000 tonnes of plastic waste is created by Australians every year.
- It takes Australian households 1 minute to throw out 1 tonne of plastic waste. In one day Australians produce enough plastic waste to fill an entire beach.
- It only takes 125 recycled plastic milk bottles to manufacture one 120 litre wheeler bin from recycled plastic.
- Recycling one tonne of plastics saves enough energy to run a refrigerator for a month.
- The energy saved recycling one plastic bottle can power a computer for 25 minutes.
- China has banned plastic recycling imports. Councils around the country are grappling with how to deal with not being able to export

YOUR HELP IS NEEDED

YOU CAN MAKE A DIFFERENCE

LET'S GET THIS SORTED!

IMPORTANT NOTICE

Cans and Bottles Recycling

WHEN PRESENTING YOUR ITEMS FOR THE 10c REFUND, PLEASE ENSURE YOU HAVE DONE THE FOLLOWING: -

- **REMOVED ALL BOTTLE TOPS, LIDS AND STRAWS**
- **SEPARATED ITEMS INTO PLASTIC, CANS AND GLASS**
 - **EMPTIED LIQUID FROM CONTAINERS**
 - **RINSED FLAVOURED MILK CONTAINERS**
 - **REMOVED ALL RUBBISH**

Please Note:

If staff deem that a customer has not made a reasonable attempt to adhere to the above, the items will NOT be accepted until appropriately presented.

**We want to ensure an efficient process for your refunds.
Your co-operation, patience and courtesy towards staff is appreciated.**

Recycling Depot is located at the Streaky Bay Waste Transfer and Resource Recovery Centre at 28964 Flinders Highway
