Council News

INFRASTRUCTURE

Tractor Beach Hybrid Toilet System

Council received a report outlining the costs received for the supply and installation of the new Hybrid System and agreed to the funding of this that will replace the existing labour-intensive composting system.

Town Entrance Statements

The township Entrance Statements have been substantially completed. A false stone wall is to be installed along the front of the sign followed by backfilling and planting out to provide some low key landscaping. Additional costs are being sought for a "Thanks for Visiting" sign to be placed on the back of the statement located near little islands to improve the visual amenity from the back of the sign.

Unmade Roads Policy

Council considered a Policy on the development of unmade roads (for example roads that are road reserves but have never been formed), Council endorsed the Draft Policy subject to being reviewed to ensure that it meets the new Planning and Design Code and any legislative requirements.

Roads Update

Roads – Construction

Rubble Raising

- Dozer is here to commence annual rubble raising

To be Completed

- Pines Road

Recently Completed

- Barretts Road
- Reston Park Road

SUSTAINABILITY

Tree Management

Council Officers have put together a three year tree removal program based on risk assessment undertaken as part of the Tree Management Assessment and will be going out to tender for the removal of the highest risk trees in the coming months.

Stormwater Management Plan Development

The Stormwater Preliminary Findings Report was workshopped by Council in early March and endorsed for Community Consultation at the March 2024 Ordinary meeting of Council (see separate Advert in this document).

Waste Management Strategy

See separate page in this edition.

PLANNING & REGULATORY

Land Management Agreement Waivers

Council received a request to waive Land Management Agreement restrictions for an allotment on Bockelberg Hill Drive in the Blancheport Heights subdivision, this request was not endorsed by Council.

A request for a Land Management Agreement waiver for Edgewater Close was received and the proposed clauses for waiver were approved.

Bushfire Hazard Overlay

Council received a report regarding changes that the State Government are wanting to apply in terms of grading of current Bushfire Hazard Risks across district. The proposal significantly increases the number of areas that will be in a high bushfire risk zone which will have several implications for those wishing to develop.

Council as well as the Eyre Peninsula will be providing a written response to these changes citing that many areas are not high-risk areas (e.g., Golf Course), cost implications, restrictions to those with the 100m zone of the impact areas, delays in approval processes, CFS resourcing impacts for reporting and the requirement for site-based assessments.

Road and Place Naming Policy Review

Council received a reviewed Road and Place Naming Policy, the Policy is an existing Policy that outlines legislative requirements and community consultation requirements. The Policy was endorsed without any major changes to the existing Policy.

Surfers Beach Access Road

Council endorsed the road access from Scaale Bay Road to the Surfers Beach carpark be named "Surfers Beach Road" the naming of this road was required as Council will be extending the road reserve to encompass the boardwalk and will then take ownership of the Boardwalk.

Shipping Container Policy

Council has endorsed a Policy regarding the amenity of shipping containers on allotments. This Policy is in addition to the requirements under the Planning and Development Code. A development application must generally always be submitted for having a shipping container on your allotment.

Council News

ECONOMIC DEVELOPMENT/ TOURISM CONTINUED

Draft Caravan and Camping Strategy

Council reviewed and endorsed to go to Community Consultation the Draft Caravan and Camping Strategy. The Strategy will go out to community consultation in April/May 2024.

Visitor Centre Monthly Update

The month of February the Visitor Centre recorded 1405 visitors. The Visitor Centre continues to operate Monday – Friday 9-5pm with a high flow of traffic through the doors.

The room bookings for the month of February were high. It was utilised for 2 x NBN Information sessions, First Aid and CPR Training for staff, The Streakers poetry, Fairy Tern Awareness Workshop, and the Port Lincoln Training First Aid for community.

Regional Connectivity Planning

Council Officers have engaged in collaborative efforts with counterparts from the District Council of Ceduna, District Council of Elliston, and District Council of Wudinna to explore mutual interests and opportunities for shared procurement and service delivery.

This collaboration aims to ensure operational efficiencies and savings for ratepayers. The inaugural project under this collaborative endeavour is the formulation of a Western Eyre Peninsula Connectivity Plan in partnership with Telstra. This plan is a strategic framework designed to enhance digital connectivity within the region, addressing key issues such as broadband access, mobile coverage, and digital infrastructure.

COMMUNITY DEVELOPMENT

Streaky Bay Area School Community Pool

The community school pool during the School term operates Monday – Friday 330-6pm and 2-5pm on Saturday and Sunday. Pool passes are available from the Visitor Information Centre. February had 904 users at the pool a significant increase on 623 throughout January.

Unfortunately, due to the availability of chlorine testing and planned maintenance on the school grounds in April there will be limited opening times.

Youth Activities – April School Holiday

See separate page for these activities.

POSITIONS VACANT

Customer Service & Records Support Officer Fulltime

The District Council of Streaky Bay is seeking an interested applicant who would like to join our team as a Customer Service & Records Support Officer.

The successful applicant is required to be energetic, motivated and have a high level of work ethic who can show that they can communicate, guide, and implement programs and solutions within the organisation.

The applicant must be able to work within a diverse workforce, contribute and align with Councils strategic vision and pillars. A Position Description can be obtained from the District Council of Streaky Bay Office or via the Council website www.streakybay.sa.gov.au.

Applications should include:

- Cover Letter: Addressing key responsibility areas and the skills and knowledge section of the Position Description, outlining relevant experience.
- Resume: Including details of two current referees.

Closing date is 5:00pm on Monday 8th April 2024.

Please address applications to the General Manager of Business, PO Box 179, Streaky Bay SA 5680 or email hr@streakybay.sa.gov.au and clearly mark with Customer Service and Records Support Officer.

Sandra Brice
General Manager of Business

CEO UPDATE

From the CEO's Desk: Exploring the Rationale Behind Council's Climate Change Initiatives

It's common knowledge that conversations regarding climate change often provoke scepticism and debate and some may question with scepticism why their local council is engaging in climate change policy matters. It is to these individuals that I write this column for.

Beyond the scientific discourse, the reasoning behind council's involvement in climate change policy is rather straightforward: it's a necessity.

Both federal and state governments have taken significant strides to combat climate change through legislative actions like the Federal Government Climate Change Act 2022 (Cth). This legislation emphasizes the importance of setting and reporting emission targets, underlining the pressing need for action across all government levels. Consequently, it's imperative for us to adhere to these regulations. At the state level, initiatives such as the South Australian Government's Climate Change Action Plan 2021-2025 set ambitious targets, aiming to slash greenhouse emissions by over 50% below 2005 levels by 2030. As members of the South Australian community, it's our responsibility to align with these objectives and actively pursue them. This is especially pertinent considering the South Australian Government's amendments to the Climate Change and Greenhouse Emissions Reduction Act 2007, which seek to update emission reduction and renewable electricity targets while reinforcing requirements related to government planning and action on climate change.

These regulatory shifts, along with changes in business practices, are already impacting council and the way we do business. We're witnessing alterations in accounting standards and insurance reporting, necessitating council to initiate and report on environmental measures such as emission levels.

In anticipation of these changes, our council is actively participating in programs like the LGA Net Zero Accelerate Program, which equips council officers with the necessary tools to measure Council emissions. Additionally, initiatives like Climate Ready Costs aim to enhance our understanding of coastal hazards and risks, bolstering Council's capacity and confidence in undertaking coastal adaptation planning. By taking proactive measures, our council aims to position itself to meet regulatory obligations and avoid potential financial penalties or increased insurance costs in the future.

CEO UPDATE CONTINUED...

While some may view these efforts as yet another financial burden on our community, it's essential to recognize the multifaceted benefits of climate change mitigation, spanning environmental, social, and economic realms. Government policies promoting localized renewable energy solutions could see a more reliable energy supply for our community in the future, while initiatives like tree planting can foster improved public health, enhance urban infrastructure, and elevate the aesthetic appeal of our region.

In essence, the council's commitment to implementing climate change policies isn't driven by ideology or political agendas; rather, it's a reflection of our council's adaptation to the realities of the modern world.

Damian Carter
CEO, District Council of Streaky Bay

Attention Smoky Bay, Haslam & Streaky Bay Residents

PUBLIC NOTICE

Hard Waste Disposal Week

Attention all ratepayers and residents!

Embrace the opportunity of a complimentary hard waste disposal week happening from:

April 23rd to April 27th, 2024.

Make use of this occasion to dispose of your hard waste at the Streaky Bay Transfer Station or Cungena Landfill Site (by appointment only) at absolutely no cost.

Permissible Quantity:

- Up to one cubic metre (approximately equivalent to a 6 x 4 trailer without a cage)
- Or, 1 x Three-seater sofa
- Or, 2 x White goods

Kindly note:

- Strictly no household rubbish; hard waste items only.
- Please ensure items are sorted appropriately.

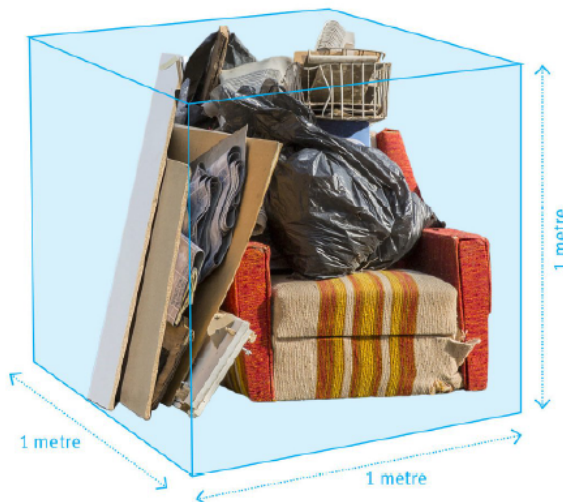

Accepted items for free disposal include:

- Fridges, freezers, air conditioners (must be degassed)
- Household white goods (e.g., washing machines, stoves)
- Household furniture (cupboards, chairs, bed frames only - no mattresses)
- Scrap metal and timber
- Electrical appliances (e.g., TVs)
- Rolled-up carpet
- General household materials (e.g., doors, kitchen sinks)

Transfer Station Opening Hours

- Monday CLOSED
- Tuesday 9:00am – 12:30pm & 1:30pm – 4:30pm
- Wednesday 9:00am – 1:00pm
- Thursday CLOSED
- Friday 9:00am – 12:30pm & 1:30pm – 4:30pm
- Saturday 8:00am – 1:00pm
- Sunday CLOSED

For further inquiries, please reach out to the Council office at 08 8626 1001. Let's keep our community clean and green together!

The following items are not accepted:

- General household waste
- Mattresses
- Commercial waste
- Liquid waste (e.g., motor oil, paint)
- Concrete, bricks, rock, dirt, sand
- Gas bottles, asbestos
- Ammunition/explosives
- Car bodies, car parts, tyres

Cungena Landfill Site

Open by appointment only
Glen - 0428 885 114
Kerri - 0429 239 030

COMMUNITY CONSULTATION Have Your Say

Streaky Bay Stormwater Management Plan Review

Project Scope

The District Council of Streaky Bay is collaborating with Water Technology to undertake an extensive review of its existing stormwater management plan. A copy of the previous plan can be viewed by visiting Council's website.

The scope of this project was identified in the proposal as to:

- Engage with stakeholders and the community to develop a long-term vision for stormwater management in the region, and to identify existing risks and potential opportunities.
- Identify appropriate, fit for purpose upgrades and/or new management strategies, with associated costings and priorities so that they can be implemented when funds become available.

Council received a Draft Preliminary Findings (Review) Report that provides an overview of existing catchments and issues relating to current stormwater management and the opportunities to improve stormwater management to address both flood protection and the sustainable management of this resource and the environment.

We Want Your Feedback!

Council now invites all interested parties to review the Review Report and provide written feedback to dcstreaky@streakybay.sa.gov.au.

Discussion & Appointment

If interested persons want to discuss the document in more detail, please call 08 8626 1001 to make an appointment with the relevant Council Officer.

Community Consultation Period

Community Consultation period closes 5:00pm, Friday 12th April 2024.

Project Contact

If you would like further information regarding this project, please contact Council on 08 8626 1001 or email dcstreaky@streakybay.sa.gov.au.

Community News

STREAKY BAY RACING CLUB

Streaky Bay Races celebrates 110 years of racing

The Streaky Bay Racing Club celebrated 110 years of racing on the 23 March 2024, with warm and windy conditions.

A crowd of just under 1000 people enjoyed the action of the 6 races, Fashions On The Field, the great variety of food and refreshments, with the children having fun on the jumping castles.

The celebrations commenced with the very successful Calcutta at the Streaky Bay Hotel on the Friday night with guest speaker Steve Arnold who retired as a professional jockey in 2018, but now rides trackwork for Chris Waller Racing at Flemington.

On the Saturday a few of the highlights were the singing of 'Horses' by our local talented Sharon Moore prior to the Streaky Bay Cup race and the presentation of Life Memberships to four people who do a tremendous amount of work behind the scenes, year in year out. Those presented with Life Memberships were Len Kelsh, Rob Montgomerie, Tracy McEvoy and Jenny McEvoy - congratulations to you all.

The Streaky Bay Racing Club Committee would like to thank everyone that helped in any way preparing for our race day, working on the day and then with the clean up on the Sunday - thank you so much!

Winner Jonas Da Silva

STREAKY BAY RACING CLUB - CONTINUED

President Peter McEvoy presenting Life Membership to Jenny McEvoy, Len Kelsh, Rob Montgomerie & Tracy McEvoy

Race goers enjoying a fantastic day out at the Track

INDOOR BOWLS

An extra large birthday cake was shared on 6th March by 5 Streaky Bay Indoor Bowls Club members. Birthdays celebrated were Denise 2/3, Owen 4/3, Bev W. 7/3, Jim P. 7/3 and Gay 8/3.

On 20/3 the position of assistant treasurer became vacant with the resignation of Wayne Miller. Wayne who has a long history of service to the club was secretary for 5 years, later assistant treasurer and in 2015 when the club was reformed to play in the current location Wayne was always on hand when things needed a fix. Geof Kain is the fill in assistant treasurer.

On 27/3 a big welcome back was given Jim Clarke who had been "missing in action" for 7 weeks. On his return Jim played all 3 games and what's more - he won the money card.

In March the game scores were up and down, a few games ended in a draw and the penalty give away shots varied. There were 9 separate penalties on 6/3, again the same on 13/3, a reduction to 4 on 20/3 but 8 on 27/3. Often there is one team (any team) scoring just enough shots to win all 3 games. This was the result on every Wednesday in March.

Winning teams were:

- Mar 6 = Darryl, Shirley, Joylene, Ian (visitor)
- Mar 13 = Bev W., Julie, Ian (visitor)
- Mar 20 = Gay, Darryl, Annette
- Mar 27 = Darryl, Joylene, John, Thip

Community News

MENS SHED

With one of our members in Jim Clarke layed up in hospital a couple of us have gone and played cards with him.

It was mentioned through the game that he needed to get out and back to the Men's Shed as we are running out of clean dishes. Washing and drying dishes is one job Jim will not let anyone else do. Hope to see you back on deck soon Jim.

Work is still coming in with a verity of jobs being worked on at present.

We have finished and delivered two mud kitchens for the Busy Kids.

Finished a cleaning bench for Mark at the crash repairs.

Our pillow/cushion box is progressing slowly. Jim Petty and John Lelifeld have been working on this.

We have had Veronika Benc who we are doing the job for visit us a couple of times to work through the layout and colour it will end up.

We are still putting together some bird feeding boxes, with orders to make more.

On the 22nd we had once again master chef in Rob Fiebig cook some fish for our lunch. Well done Rob.

Pillow/cushion box

Cleaning bench

ANZAC DAY - 25TH APRIL

Streaky Bay RSL sub-branch members will be holding two services this coming Anzac Day Thursday 25th April 2024.

Dawn Service will be held at the jetty platform at 6:45am. Breakfast will be available at the Streaky Bay Hotel after the dawn service from 7:15am.

The AZAC Day march will take place from the corner of Wells Street and Bay Road at 10:45am followed by the Commemorative Service at the Streaky Bay RSL Hall at 11:00am.

Bar facilities and BBQ lunch will be available at the conclusion of this Service.

All are most welcome.

Regards, Peter Eylward

President

STREAKY BAY PROBUS

Our meeting on the 21st was our normal meeting as well as our AGM.

Those elected to positions at the AGM were:

President - Shirley Petty

Vice President - Peter Elyward

Secretary - Wayne Miller

Treasurer - Coralie Walker

3 other committee members were Kay Potter, Annette Gibbes and Marlene Ettridge

We had 20 members, plus 1 new member attend with one visitor Maz Peterssen from Whyalla Norrie Club. Her club will be attending our Probus Rally here later in the year on 9th/10th September and she was keen to check Streaky Bay out beforehand. Naturally she loved it here. She also joined us for lunch.

Unfortunately we are losing long time members in Pauline and Ross Montgomerie who are moving to Port Lincoln. Also one of our newest members in Stella Wall is moving back to Adelaide.

The Club wishes Pauline, Ross and Stella all the best for the future and hopefully we will see them back in Streaky some time soon.

Our guest speaker for this meeting was Suzie Kenny who spoke about her book "Dancing in the Light", which was launched in Streaky Bay last year. It was fascinating to hear her story and how the book came about.

Suzie made comment that Streaky Bay Probus was one of the nicest groups she has spoken to. She had her books for sale on the day and many purchased a signed copy.

Once again another very interesting presentation. Thanks Suzie.

Elected Members

Shirley Petty & guest speaker Suzie Kenny

SMALL BUSINESS WEEK Program 2024

FREE

Join us for a week-long program of events, workshops and information sessions from 29 April to 3 May 2024 to help you strengthen and grow your small business.

Introduction to IP for Small Business

Monday 29th April 2024

11:00am - 12:00pm

Webinar

Improving access to government Services, Strengthening Business Capability.

IP Australia will host an online public education session where their experts will outline the different types of intellectual property, how they work to protect your brand and can help add value to your small business.

National Anti-Scam Centre: Scams awareness for small business

Monday 29th April 2024

12:30pm - 2:00pm

Location: Waymouth Street, Adelaide

Navigating the digital environment.

Scams are becoming more widespread, but how do you know one when you see it, and how do you avoid them? Join us in person or online for an introduction to the National Anti-Scam Centre with Australian Competition and Consumer Commission Director, Fiona Homan. Fiona will share a scams awareness presentation for small businesses covering the latest, most critical information on scam awareness to help protect you and your business.

The Value of ICN for Small Business

Tuesday 30th April 2024

9:00am - 10:00am

Webinar

Strengthening Business Capability.

The Industry Capability Network (ICN) makes it easier to find new business opportunities in your local area, and across Australia and New Zealand. For 40 years we have worked with local companies, helping them to expand and grow their businesses.

By registering with ICN, your organisation's details and capabilities are made available when there is demand for your product or service, and we automatically update you about new opportunities that match your capabilities. A basic profile is free, which allows you to submit expressions of interest on ICN Gateway (gateway.icn.org.au). Paid subscriptions are available for greater visibility in our online supplier capability database. This webinar will help you understand the value of ICN for your business and maximise opportunities for winning work.

Small business guide to understanding recent changes to workplace legislation

Tuesday 30th April 2024

2:30pm - 3:30pm

Webinar

Improving access to government Services.

The Fair Work Ombudsman and South Australian Small Business Week presents the Small business guide to understanding recent changes to workplace legislation webinar. Find out about recent workplace legislation changes, how the Fair Work Ombudsman is assisting small businesses in keeping up to date with these changes, and discover the FREE tools and resources available to help small businesses achieve workplace compliance. This webinar will cover:

- Recent changes from the Closing the Loophole
- amendments. A recap of changes over the last 12 months, including Secure Jobs, Better Pay amendments, family and domestic violence leave provisions and the Protecting Worker Entitlement Act.
- Free tools and resources, including the Employer Advisory Service.

The 3 D's - Digitalisation, Decarbonisation and Diversification

Wednesday 1st May 2024

3:00pm - 4:00pm

Navigating the digital environment.

Based on hard data from Australian Industry Groups futuremap NetZero diagnostic tool, David will share insights about how industry can navigate the opportunities and challenges relating to digitisation, decarbonisation, and diversification. Participants will learn about the requirements of the National Greenhouse and Energy Reporting Scheme, the link between decarbonisation and digitalisation and how to commence the necessary business model transformation required to make the most of the future ahead.

No sessions available for the below dates:

- Thursday 2nd May 2024
- Friday 3rd May 2024

Business

 Government of
South Australia

Streaky Sounds Music Festival 2024 lit up the Streaky Bay Oval on Sunday, March 10th, 2024. Despite the scorching heat, a resilient crowd of approximately 1200 attendees braved the heat wave, contributing to yet another immensely successful year for the event.

The festival showcased a dynamic lineup of both local Eyre Peninsula talent and renowned acts. EP artists, including Ceduna's own Dakota Nicholls and The Regulars, entertained the audience with their electrifying performances. From the energetic performance of Adelaide's Red Hot Chili Peppers cover band, The Funky Monks, to the soulful melodies of EP favorite Nick Cunningham, the stage was filled with a wide range of musical styles.

The night reached its peak when the headlining acts, the Melbourne Indie Rock band The Delta Riggs and the Queensland folk duo The Dreggs, took on the stage, leaving attendees exhilarated and wanting more. The Dreggs were the highlight of the day for many attendees, especially because they invited the kids from the crowd up on stage for their last song. Seeing the children up there made all the parents in the audience smile big. It was a beautiful moment that made this event feel like a true family gathering, where everyone could make happy memories together.

Beyond the music, the festival offered an array of activities for all ages, from kid's entertainment to delicious food and drinks from various vendors. As the day turned into night, the energy kept rising with an exciting set by local DJ Taijyyy, ensuring that the festivities ended on a high note.

Streaky Sounds Music Festival 2024 was truly a celebration of community, culture and Australian music.

We would like to extend our heartfelt gratitude to the exceptional lineup of artists who traveled all the way to Streaky Bay and braved the scorching heat on stage. We also want to express immense appreciation to our generous sponsors, as well as our food and beverage vendors, the Outback PA Hire Team, and the Xtreme Kites and Paddles team.

This event is pivotal in providing an economic boost to the district and its local businesses, as well as raising funds for the Streaky Bay & District Community Complex, which then directly benefits an array of community groups. We are incredibly grateful for the contributions of the community, the event volunteers, and our dedicated staff.

Last but not least, a huge thank you to each and every one of you who purchased tickets and joined us for this spectacular live music event. Your support and presence made this event possible, and we are privileged to have such a fantastic and supportive community in Streaky Bay.

LAST REMINDER (REQUESTS FOR FUNDING)

Thanks to the generosity and support of our community, The Bay Community Op Shop are once again ready to distribute funds to the community - supporting groups within the Streaky Bay district.

Please make your requests known to the committee in writing, by May 10th, 2024.

The following criteria will apply:

- Your request will need to be from within the Streaky Bay District Council Area.
- Your request must benefit the community.
- Your request needs to be for a community group or organisation.

All applications will be considered.

Please forward written applications to:

Julie Wild
3 Anastasia Avenue
Streaky Bay SA 5680
Or email your request to shaponda.jw@gmail.com

Thanking you

Julie Wild

The SA Power Networks Community Grants program is back in 2024!

We are seeking to empower activities, programs or events which will help make a positive impact in South Australia in one or more of the following areas:

- Growing a sustainable SA
- Supporting innovation for future growth

We are committed to supporting community projects, ensuring a greener, more sustainable future. Please be aware that our focus areas may vary each year, which could affect eligibility for the program.

We welcome applications from not-for-profit organisations, registered charities, schools or community groups who are seeking support up to **\$5,000**.

Applications for the 2024 SA Power Networks Community Grants program will open **9am, Monday 4 March 2024 ACST** and close **5pm, Sunday 14 April 2024 ACST**.

For more information or to apply, visit:

BUSY KIDS
Streaky Bay

Meet Rebecca Godwin

Our vibrant, cheerful Diploma trained educator. Bec is very familiar with our families and children through her work at Streaky Bay Children's Centre. She brings an incredible repertoire of songs, stories and resources and is such a positive, knowledgeable member of our team.

Thank you to the Men's Shed for our incredible Mud Kitchens!

Elm Haven
Came to Visit
to share in
some Easter
Crafts with us!

Meet Alison Chambers

Our kind, lovable and crazy Toddler Room educator. Although she is new to the profession, Ali's nurturing personality has enabled her to establish strong relationships with all children, ensuring each child receives the care and attention they need to thrive during their formative years.

Weed Control

Annual spraying of summer grasses - Buffel Grass, African Lovegrass (spp. *Eragrostis Curvula*, *Eragrostis trichophora*), and Fountain Grass, has been carried out on major roadsides on the Eastern and Western Eyre Peninsula. This includes the Eyre Highway from Port Augusta through to Penong, and the Lincoln Highway from Port Augusta through to Arno Bay. The bulk of this work was completed by a contractor in a combined effort with Landscape Officers totalling over 200 hours of spraying and survey work completed on major roadsides over summer.

These are three of our priority pest plants for the Eyre Peninsula region. Visit <http://www.landscape.sa.gov.au/ep/plants-and-animals/pest-plants-and-animals/pest-plants> for more information including control options. As declared plants, land owners have a legal responsibility to manage these plants on their property; while the Landscape Board control them on State Government roadsides such as major highways.

Workshops

80 primary school students from Karcultaby and Miltaburra Area Schools have learnt about Malleefowl in the past few weeks when two of our Landscape Officers visited them for highly engaged workshops.

The students learnt about Malleefowl threats and habitat disturbance along with how integrating conservation with agriculture can increase the species' chance of survival. The workshops culminated with students creating a Malleefowl habitat collage.

Malleefowl are listed as vulnerable in Australia and on Eyre Peninsula their numbers are declining. The Landscape Board is involved with an annual monitoring program and encourages the community to submit sightings at www.landscape.sa.gov.au/ep/malleefowl

Grassroot Grants Program

More than \$110,000 is available for the Eyre Peninsula community to put towards local landscape management projects or events focusing on water, sustainable agriculture, pest plants and animals, biodiversity and community through the EP Landscape Board Grassroots Grants program.

These grants are about inspiring the community to become actively involved in the sustainable management of our local natural resources.

Applications are open until Monday, April 29.

See www.landscape.sa.gov.au/ep/grassrootsgrants for an application form, FAQ and guidelines.

Answer the call – volunteering with us is a great thing to do for yourself and your community

SA Ambulance Service is today launching its volunteer recruitment campaign, Answer the call. The campaign aims to attract new volunteers to ambulance stations across country SA.

Around 1200 SAAS volunteers already provide professional ambulance services to South Australians in 77 locations. This year the campaign will stretch from Hawker in the Flinders Ranges to Penola on the Limestone Coast.

Executive Director Country Operations, Mr Robert Tolson ASM said he was excited to launch five volunteer ambassadors as part of this year's campaign.

"These ambassadors will provide another level of personal connection to people thinking about volunteering with us. Mr Tolson said.

"The ambassadors come from most corners of South Australia including Keith, Tumby Bay, Penola, Mannum and the Mid-North. While every volunteer's story is different, this unique group are ready to share their own views about the benefits of joining SAAS and caring for their community," he said.

SAAS volunteers are called on during times of need and have excellent standing in regional communities. By joining SAAS you'll get free qualifications, Ambulance Cover and be reimbursed for travel and childcare. SAAS also has a unique employer reimbursement program for volunteers who leave work to respond to emergencies in their community.

To find out more go to www.saasambulance.sa.gov.au or call 1300 175 584 (during business hours).

To interview one of our volunteer ambassadors about the benefits of volunteering with SAAS contact the SAAS media line on 0481 844 716 or email HealthSAASCommunications@sa.gov.au.

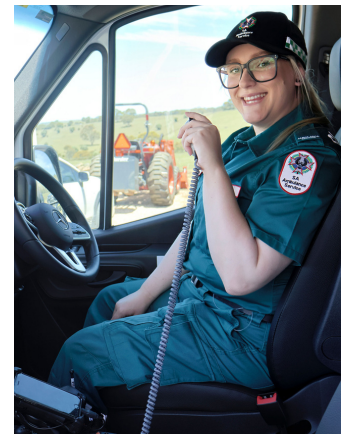

Jo Hough
Ambulance Officer
Keith

For years Jo was encouraged to become a volunteer. It was when Jo had children that she saw for herself a need to volunteer in her community given how many injuries they and their friends created for themselves! "I gained life-saving skills that gave me greater confidence, at home, in the community and everywhere," Jo said.

Quinn Adams
Ambulance Officer
Tumby Bay

Quinn wanted to meet more people in his community while getting high-level on-the-job skills. Originally encouraged to volunteer for SAAS by a work colleague, seven years later he has already gone from strength to strength. "There is great support, training and flexibility and I've developed lots of friendships within SAAS. It's for anyone from mums, uni students to retirees. Its free, you get plenty of training and support, and it feels good to make an impact," Quinn said.

Annikki Aaltonen
Ambulance Officer
Mount Barker

Annikki, a nurse from Mount Barker wanted to get some on-the-job-training before starting her first placement in nursing and five years on she's still loving it. "When I started it was all about working my volunteering around my career ambitions, now it's about working my career around my volunteering – I love it," she said.

Eternity - timelessness before creation and after it has passed away

“I AM the Alpha and Omega, the first and
the last, the beginning and the end.”

God said to Moses, “I AM WHO I AM.
This is what you are to say to the Israelites,
I AM has sent me to you.”

“This is my name for ever, the name by
Which I am to be remembered from
generation to generation.”

Jesus said to her, “I AM the resurrection and the life.
He who believes in me will live, even though he dies;
and whoever lives and believes in me will never die.

Do you believe this?”
