GOVERNANCE AND ADMINISTRATION

Council Meetings September/October 2019 – Change of Times

Council have agreed to change the times of the 19 September 2019 Ordinary meeting of Council to commence at 9.30am and 17 October 2019 Council meeting to commence at 3.30pm.

Council Meetings September/October 2019 – Change of Times

Council have agreed to change the times of the 19 September 2019 Ordinary meeting of Council to commence at 9.30am and 17 October 2019 Council meeting to commence at 3.30pm.

SA Oyster Growers – Request to waive launching fees

Council considered a request from the SA Oyster Growers to waive the Moore's Boat Ramp Permit for the financial year 2019/2020 due to ongoing financial hardship. Council resolved at the meeting not to waive the fees as per the request.

Public Street Lighting – LED Lighting – SA Power Networks Proposal

A report was presented to the August 2019 meeting of Council where Council resolved to purchase the lighting through cash reserves. The Chief Executive Officer has ordered the purchase of the LED lights through Enveren. These will be delivered to SAPN. A contract to install the lights has been signed with SAPN. LED lights should start being replaced in the District Council of Streaky Bay area as of 23 September 2019. Once the date is confirmed links to SAPNs website will provide more details and information for the community.

ECONOMIC DEVELOPMENT

Economic Development Strategy

Council is looking to develop an Economic Development Strategy. The intention is that the Strategy shall remain in draft form until further consultation has been undertaken with the District's Business Sector.

Inventory Land sales and Rebate – Blancheport Heights

Council received a report at the August 2019 ordinary meeting of Council regarding Council land sales, valuations and building rebate on the Council owned allotments at Blancheport Heights. Council discussed the current values in relation to market prices and the ongoing retention of the rebate offered for building within set time frames. Council resolved to retain the current allotment prices and the rebate to also remain in place.

Baird Bay Telecommunications Tower

Council have been successful in gaining blackspot funding for a telecommunications tower to be installed at Baird Bay. Discussions regarding the size and location of the tower prior to the confirmation of the successful bid, led to some confusion regarding the size of the tower to be installed. Advocacy at the State and Federal level by the Mayor and CEO has resulted in the Federal Minister for Grey, Mr Rowan Ramsay MP meeting with Telstra and the relevant communications Minister in an effort to assist with delivery of the correct telecommunications tower. A 20m tower will now be installed with a 2km radius. The permit has been placed out for public consultation today. This does not preclude Council from applying for a larger tower in the future.

TOURISM

Tourism Strategy

Initial Community and Stakeholder Workshops have been undertaken. Draft document received and delivered to May 30, 2019 Community and Economic Development Meeting. The Committee reviewed an amended version at the July 2019 Committee meeting and recommended to Council that it be presented for Public Consultation. A report to the August 2019 meeting was presented where Council resolved to present the document for public consultation.

Abalone Brand – Streaky Bay

An update on the proposal was presented to the 30 May 2019 Community and Economic Development Committee Meeting. The Committee recommended to include the branding option in the Draft Council Tourism Strategy (which has occurred) and ask for community input via the Tourism Strategy Development.

Campground Service Level Review

A report was presented to the July 2019 meeting of the Community and Economic Development Committee, providing details on the budget implications of campgrounds during the 2018/2019 financial year and the budgeted forecast for the 2019/2020 financial year. Staff will be undertaking an internal review of service levels to ensure operating efficiencies of these campgrounds. See Agenda of meeting for full details.

Streaky Bay Tourist Promotions Inc.

Council resolved in the 2019/2020 Annual Business Plan to continue to support this group by a dollar for dollar incentive on membership.

Streaky Bay Tourist Promotions Inc.

Streaky Bay Tourist Promotions Inc. will be hosting its Annual General Meeting on September 10, 2019. See Criterion for further details.

Arts and Cultural Facilitator

Council received a report at the August 2019 meeting of Council to consider a proposal for the future of the Arts and Cultural Facilitator. Council resolved at that meeting to investigate further a three Council partnership with Wudinna, Elliston and Streaky Bay for a contract position utilising the budgeted $25,000.

Childcare Feasibility Study

Council received a presentation on the Draft Child Care Study and agreed at the August 2019 ordinary meeting of Council to release the document out for public feedback.

Rural Property Addressing Signage

Council staff presented a report to Council outlining their concerns that the rural property addressing signage was fading or faded and individual property owners were reluctant to pay to have their signage replaced. One of the purposes of the system was to allow correct property identification by emergency services. Council resolved to request the EPLGA to lobby the state government to pay for replacement signage.

The EPLGA advised that they would not be pursuing it, as it was a Council responsibility under the Local Government Act.

INFRASTRUCTURE

Footpaths – Asset Revaluation

Council undertook an Asset Revaluation of the entire footpath network. That revaluation was received and noted at the August FRAC meeting and the August 2019 ordinary meeting of Council.

Moore's Boat Ramp Upgrade

Proposed designs are currently at engineering stage. This is a requirement of the grant funding. Materials shall be ordered following approval of the design. During a site visit for design assessment it was found that both pontoons require replacement as well as the pylons and other supporting structures, emergency works have been undertaken to make safe and designs and quotations have been commissioned for the replacement of both pontoons in their entirety.

PLANNING & REGULATING

Eyre Peninsula Joint Planning Board and Regional Assessment Panel

Council considered options regarding the establishment of a joint planning board for the Eyre Peninsula under the new Planning, Development and Infrastructure. Council resolved to notify the EPLGA at their next meeting that Council will participate in the establishment of an Eyre Peninsula Joint Planning Board. In addition to this Council resolved to be party to the implementation of a Regional Assessment Panel with the costs to be shared across the participating Council's using an equitable cost sharing arrangement that reflects levels and complexity of development assessment demands. An initial meeting regards the RAP was undertaken in Streaky Bay on 26 August 2019. Further meetings will be required to establish the RAP and gain Ministerial Approval.

Little Islands Road – Road Closure and Opening

Cr Trezona at the July 2019 meeting of Council raised a question without notice regarding the Little Islands Road Closure. Staff provided a response to the August 2019 meeting of Council that the formal documents have been signed and returned to the surveyor general for lodgement.

Perlubie Land swap

Cr Trezona at the July 2019 meeting of Council raised a question without notice regarding the status of the Perlubie Land Swap. Staff provided a response at the August 2019 meeting that the deed is being negotiated and hopefully will be resolved by the end of August 2019.

SMALL BUSINESS INFORMATION

THINKING ABOUT A HOME BASED BUSINESS???

Whilst Council strongly encourages small business growth, entrepreneurs and new industry development, many of which start at home, we need to ensure that the appropriate regulations are met and the activities do not impact on your neighbours or outgrow its initial concept.

The following information sheet should assist.

Information Sheet No. 7
Development Act 1993

Can someone run a business from home?

Yes. It is possible for a person to run a small-scale business from a residential premises in some circumstances and only under strict conditions. This is known as a 'Home Activity' and is specifically defined in the Development Regulations, 1993.

See www.streakybay.sa.gov.au – council services – development – Home-Business Activity - Information Sheet 7 for more information.

What is defined as a 'home activity'?

A 'Home Activity' is defined in the Regulations as follows.

A use of a site by a person resident on the site –

a) That does not detrimentally affect the amenity or any part of the locality; and
b) That does not require or involve –
    1. Assistance by more than one person who is not a resident in the dwelling; or
    2. Use (whether temporarily or permanently) of a floor area exceeding 30 square metres; or
    3. Any source of power other than an electric motor of not more than 0.4 kilowatts; or
    4. The imposition on the services provided by any public utility organization of any demand or load greater than which is ordinarily imposed by other users of the services in the locality; or
    5. The display of goods in a window or about the dwelling or its curtilage; or
    6. The use of a vehicle exceeding one tonne tare in weight

Is an application necessary?

Provided the business activity can be conducted at all times strictly within the criteria above, then no formal approval from the Council is necessary, since a home activity does not constitute development within the meaning of the Act.

However, your attention is drawn to the requirements that any such activity is to be conducted to that it does not 'detrimentally affect' the amenity of the locality. As can be appreciated, this can be rather subjective test and one which has potential to create friction if the impact of the activity, is at all felt beyond the boundaries of the site.

What happens if you can't comply?

If any of the criteria are breached, or if the level of impact is such that it is clearly affecting the amenity. Then you are operating *outside* of the definition of 'home activity' and the business becomes a land use or a development in its own right and not something that is ancillary to the residential use of the land. This can arise from the success of the business, what started out as a 'home activity' or even a hobby, may well reach a stage where it out-grows the residential premises.

In this event, formal Development Application would have to be made to the Council for assessment under the provisions of the Development Act (provided that it is not classes as being non-complying form of development in the area in which it is located).

Additional advice!

Is it strongly recommended that you first check with Council before setting up a business so that the home activity guidelines can be discussed and their ramifications explained to you, especially the importance of not exceeding any of the criteria.

Also, if the business involves the handling of food or personal services such as hairdressing, there may be health requirements under other legislation which need to be met.

Please call the Main Office on (08) 86261001 for further information.

STREAKY BAY ELMHAVEN AND HOSPITAL

Hospital Auxilliary

The August meeting was brief due to limited numbers. Donations from local ladies and the card group given to our volunteers for garden necessities was gratefully acknowledged and planned to add where we can to helping at Elmhaven, as it is a known fact that a pleasant area has a lot to do with the well being of all needing care.

The Seal Family have been in touch regarding a Plaque in memory of Lynette Olsen and are in the process of organising that to take place.

Some discussion regarding catering for fundraiser for the medical clinic was discussed and we were informed it is well under control.
From that event run by our volunteer group an amount of $5712 was raised.

We would like to sincerely thank all the Businesses, local people of the community & district, and especially Kerry Johnson as the main organiser for all the support we received.

The amount included food, workers and monetary donations and was so very much appreciated, a big effort and well done to all.

Next meeting is October 14th in the Hospital Board Room

STREAKY BAY CWA CELEBRATES 81st BIRTHDAY

38 members & visitors attended the Streaky Bay Branch 81st Birthday in the Flinders room at the Streaky Bay Hotel last Tuesday 27th August.

CWA Branch members & visitors came from Wudinna, Elliston & Lock and Streaky Bay to get together and enjoy each others company. Unfortunately Ceduna Branch were not able to be present. Branch President Helen Flanigan welcomed all and stated how lovely it is to meet other members & visitors.

During the afternoon Jan Patterson was awarded her 50 year badge and her citation listed a long list of involvement at branch, group ,division & State levels.

Fay Kelsh was presented with her 70 year Award having started at a young age at Wirrulla.
Fay's involvement has been of great assistance in branch & group levels and still continues stating " what one puts in one is rewarded "

Both ladies well deserve their recognition Fay was given the honor of cutting the 81st birthday cake which was very nicely presented. Light hearted entertainment was the order of the day with jokes a couple of competitions and caused much laughter.

The hotel catered very well and Helen & Sussan Bignell had decorated the tables & memorabilia displayed. President Helen gave a resume of what CWA 's aims are and their assistance to Rural projects through the emergency fund.

There are many bows to CWA's apron strings in many fields. Rae Brewster gave a brief resume of the beginning of CWA at Streaky Bay in 1938.
The Hospital Auxiliary were an active group of ladies and their president Mrs Robert Fleming & members amalgamated with CWA and she became the first president.
Women were invited to come to and discover more about CWA. Handicraft is another path of learning.

The logo of SACWA is
" SHARING & CARING WITH ACTION"

STREAKY BAY PROBUS CLUB

There has been a lot happening at Probus in the past few months. Three new members have joined us too. Welcome to Sandie Quast, Gail Miller and Phil Purdy.

In June we visited the Poochera Museum, Dusty Miller's paint studio and a lovely lunch at the Hotel then early July we went to Yanerbie to Crowders Shack. What a lovely day, the weather was great. The wood stove for heating the soup & fruit tarts really puts extra taste in food and the wood fire outside kept everyone warm. Colleen Crowder & Zita Chester entertained us as we sat around enjoying tea & biscuits after lunch. Marg & John Mudge joined us and with Rae gave some history of the area etc.

In August we did a town and area tour. Rae gave a running history of her knowledge of Streaky Bay as we visited many interesting historic sites. We also visited The Islands Caravan Park and the Discovery Park Streaky Bay Foreshore Park with the upgrade & many new cabins being added.

There have been very interesting speakers at each of our recent meetings: - Wayne Barry spoke of his research into the Boer War and the connections to the Streaky Bay District of family members. David Smart accompanied him. Many would remember David from Elders years ago.

Josie Williams also gave us an insight into her nursing life, marriage to Jeff Williams a local farmer and her commitment to many organisations particularly the hospital over the years. Our treasurer Shirley Petty did a PowerPoint presentation of Jim's and her Victorian trip. Great photography & explanations, and at our last monthly meeting Zita Chester gave an insight into her family history over many decades.

There are several members who will attend the Rally at Port Lincoln in September. All in all members are enjoying the diverse & interesting outings & meetings.

STREAKY BAY SCOUT GROUP

Over the weekend of the 16-18th August.
19 brave Cubs, 2 x Leaders Eric Elliott and Bec Rutherford along with 2 x Adult Helpers Luke Tiller and Leah Bubner braved the cold, wind and rain to host a trial 2 night Cub tent campout. In preparation for their SA state, 3 night Hopahowl Camp in Adelaide over the weekend 18-21 October.

Originally the camp was planned for Speeds Point Campground, but fortunately leader Eric Elliott with the knowledge of the forecast of gale force winds and hail made the wise call to move the camp to the Streaky Bay Pistol Club.

We thank the SB Pistol Club for approving the use of their great facilities & for allowing us the opportunity to explore their location and shelter from the weather. The kids enjoyed the sheltered area and the beautiful surroundings that made for a great camp destination.

Both leaders Skip and Mulga were very impressed with the kids and their teamwork and resilience on this 2 night trial camp and we all look forward with excitement for the main Hopahowl Camp in October 18-21.

Enrolling in Joeys

INDOOR BOWLS

Playing numbers have varied greatly over the past 2 months. 15 people on July 17 was the lowest attendance and the highest of 24 a week later. During the winter months many regulars are on holidays and always there is the coughs and colds to keep one or two away at time.

However the committee have not been idle. Several members have been busy with updating and/or the replacement of club stock.
*****2 new black and chrome high backed chairs have been added bringing the total to 8.
*****A new 216 Litre, 2 door fridge freezer and another small pie warmer are in the kitchen.
Both purchases necessary to cover the needs of increased membership over the past one to two years.
*****The other small fridge freezer, adequate when purchased in 2015 has been sold.
*****The replacement of damaged white kitties was effected a few months ago.

Did anyone notice ?

Birthday cakes are often the highlight of afternoon teas. Early July there was one for Wayne (birthday late June) and in August it was John, Cheryl and Noel.

The club continues to welcome visitors who at times may find they are in the day's winning team.

Count backs are often necessary.
On August 14th, 2 teams skippered by Sandi and Jim P. could not be separated after the count back of shots a draw was declared and all members of the 2 teams received a chocolate prize.

September is annual subs time, please make payable to Jim Petty.

Thank you

MEN'S SHED

August has been a busy month at the Men's Shed.
As per the picture we have made a dog face, easel and bones for the next RSPCA paws walk.
Thanks to Liam Golley for helping to nail and screw the easel together, Kym Buttery for painting the face and to Kayla Window for drawing the face. Special thanks to Jim Petty for his effort. Thanks to everyone that helped.

It's good to see Jim Clarke back on deck after his stay in hospital in Adelaide and welcome back to Ross French after his recent holiday.

Projects we have worked on in August are:
*a restored an outdoor setting, with an extra small table
*started making a bar for the Rodeo in November
*started the Kerrin McEvoy Statue fundraiser tally board.

The Council has asked us if we can look at restoring some items for the nature playspace, which we will look at very soon.

A few of the members painted the small humps in the middle of the skate park which has made a difference to the look of the SK8 park.

Harold Daniels has been busy spraying the weeds, looking after the roses and looking after the vegie patch, while Jim Petty and Ross French have mowed the "A" green and in between the "A" and "B" greens.

We are still working with the Council on the lease, which we hope to finalise asap.

Jim Petty and Wayne Miller are going to the 8th Men's Shed gathering at the Morphettville Racecourse on the 10th, 11th ,12th of September.
This will be an opportunity to speak to members of other sheds to see how their sheds operate.
Jim and Wayne will be visiting one shed while down in Adelaide and are hoping they can bring back some great idea's for our Men's Shed.

We are still collecting any wood that can be used to make items. Any timber that has not been treated we can use. So if there are builders or handymen around the district that want to get rid of wood we would be more than grateful for it or if there is anyone out there that needs to get rid of wood you can call either Jim Petty on 0427 401 558 or Wayne Miller on 0448 173 564.

We have now sent about 150 pairs of old spectacles away to Lions International for sight in Port Lincoln.

Spectacles can still be dropped off at the Op Shop.

Community Grants

DROUGHT SUPPORT

On-Farm Emergency Infrastructure Rebate Scheme

The Australian and SA Governments are offering a rebate to drought affected farmers who invest in urgently-needed on-farm water infrastructure for livestock.

Eligible farmers can access a 25% rebate – up to $25,000 – on new purchases and installation costs for on-farm water infrastructure to help them provide water to livestock in the current drought and be better prepared for future dry conditions. Farmers will be eligible to apply through PIRSA for the rebates, which will also cover eligible work undertaken since 1 July 2018.

TELSTRA MOBILE BLACK SPOT TOWER AT BAIRD BAY

Council is seeking community feedback on the proposed construction of a Telstra Mobile Black Spot Tower on Council road reserve opposite 16 Baird Bay Road, Baird Bay.

The objective of the construction of this tower is to provide mobile phone capacity and coverage in and around the Baird Bay area.

A map and plans can be downloaded from Council's website www.streakybay.sa.gov.au or viewed at Council's office and Visitor Centre from **Thursday 05 September 2019**.

Community feedback is important and Council will be pleased to receive submissions by:

Email: dcstreaky@streakybay.sa.gov.au or
Post: PO Box 179, Streaky Bay SA 5680

Submissions should be addressed to the Chief Executive Officer, District Council of Streaky Bay and will be received up to **Wednesday, 27 September 2019 at 5.00pm**.

Karina Ewer , Chief Executive Officer

Streaky Bay Tourist Promotions Incorporated (SBTP)
ANNUAL GENERAL MEETING
Tuesday 10th September at 6pm
Visitor Information Centre
Bay Road, Streaky Bay

The Committee of SBTP invites all members & the general community to attend the 2019 Annual General Meeting which is going to be held Tuesday 10th September 2019 at the Streaky Bay Visitor Centre Bay Road, at 6pm

The standard order of business will occur at the AGM including:

- Confirmation of previous AGM minutes
- Consideration of accounts, reports & auditors report
- Election of Committee members
- Appointment of auditors
- Other business

In addition the Committee has been considering changing the focus of SBTP to broaden from just tourism to include more general business. This would allow SBTP to also support the local retail & commercial businesses. SBTP realises all businesses contribute to the economic development of the region.
The Committee will be surveying its members to get their views on this expanded focus prior to the AGM. We look forward to your feedback on this important initiative. If this initiative is of interest to members then a motion will be put forward at the AGM.

We look forward to seeing you at the AGM - SBTP Committee

Know South Australia's

Laws for Burning in the Open

If you burn without a required permit you will be breaking the law and will be fined $300, under section 34 of the Environment Protection Act 1993, by Council compliance staff or South Australia Police.

Contact your local council if

- ✓ You require a permit
- ✓ You need to use a fire in the open during the fire danger season or on a day of Total Fire Ban.
- ✓ You are unsure whether you need a permit or have any questions regarding burning in the open.

Your council will continue to manage burning in your area and determine the approach that is best for your community.

EPA South Australia

Keep South Australia's air healthy and community safe by burning responsibly

Why burning in the open is regulated

Burning in the open is a common practice to reduce the risk of bushfires, manage agricultural land and to dispose of agricultural and forestry wastes. Open fires are also used to cook food, prepare beverages, and as part of recreational activities (ie campfires).

While activities such as burn offs for bushfire reduction are absolutely necessary, smoke from these activities can impact on human health and the environment, and can also cause nuisance. Wood smoke from burning in the open also contributes to poor air quality in South Australia.

The following creed is a summary of Bible revelation about Gods love, promises and interaction with mankind who He made in His image to be a part of His kingdom; a creed which I use and claim for myself.

I believe in God, the Father almighty,
creator of heaven and earth.

I believe in Jesus Christ, Gods only Son, our Lord,
who was conceived by the Holy Spirit,
born of the virgin Mary,
suffered under Pontius Pilate,
was crucified, died, and was buried;
he descended to the dead.
On the third day he rose from the dead;
he ascended into heaven,
and is seated at the right hand of the Father;
from there he will come to judge
the living and the dead.

I believe in the Holy Spirit,
the Holy Christian Church,
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and the life everlasting. **Amen**
