FROM THE CEO'S DESK

This year's annual business plan and budget is now out for public consultation. In respect to budgets, it has been a difficult year balancing significant rising business costs and ensuring rate bills remain low.

An unprecedented increase in valuations (22% across the board) has caused significant pressure on rate bills across the District of Streaky Bay. For at least the past decade, valuations in the District of Streaky Bay haven't been in double figures, meaning that if Council was to leave its rate in the dollar at the same level as last year, some proprietors in the district rating bills would be more than 30% from the previous year.

Understanding that valuations are independently assessed by the Valuer General with Council having no influence on how these valuations are assessed. Council has reduced its rate in the dollar by 10% from the previous year. This is to assist those households who have received increased valuation assessments. Taking into account the increased valuation of properties and decreased rate in the dollar. A 5.7% rating increase for the 2022/23 financial year is being forecast.

The costs of doing business are also significantly higher, the consumer price index (CPI) for the March quarter was 5.1%, however if the United States is an indication (8.6%). By the end of the financial year, CPI will have been near 6%. Additionally, construction costs are up by 30%, Insurance up by 5% – 10%, Electricity up by 15% – 30%, Fuel up by 10% to 22.61%, all impacting what Council could achieve last year compared to this year in terms of dollar value.

Council has been well aware of not placing too much burden on its rate payers. Including this year, over the past five years increases in rates in percentage terms have failed to keep up with CPI rate increases. Meaning Council has constantly reviewed its service delivery to make up for this shortfall with productivity gains and increases in business efficiencies.

This isn't stopping Council from delivering projects for the betterment of the community. With Council Officers working hard to gain grant funding to deliver some significant projects for the community. Some of the highlights, in terms of the projects being delivered by Council over the 2022/23 financial year, includes:

- The Well Street Upgrade (Western transit loop)
- Delivery of the Streaky Bay Youth Precinct
- Provision of funding for the Wirrulla Sports Precinct Playground
- Delivery of Streaky Bay Town Entry Statements
- The Bay Road Entrance Revitalisation
- Improvements to the Murphy's Haystacks tourism site
- Facilitation of the Rural Women's Gathering event
- Delivery of the Township Master Plans (including Township Master Plans for our smaller townships)

With a growing population and visitor base and a low-rate payer base. Council has to work smarter in the way it delivers its services. However, considering Local Government is responsible for less than 4% of tax collected nationally, yet delivers 24% of all services across the three tiers of Government, we already have a pretty good track record in achieving this.

Blancheport Estate Land Inventory

Council at its June meeting of Council undertook an inventory of and reviewed its allotments for sale within its Blancheport subdivisions. There is a cashback component applied to some of the allotments within the estate applying to purchasers who buy allotments and build within a certain time period, this offer was also reviewed as part of this report. Council resolved at that meeting to review the value of the blocks and provide feedback on the valuation review and to remove the cashback offer on applicable allotments.

Blancheport Estate Agents – Blancheport Land

Council in addition to the land inventory considered a report regarding real estate agents for the sale of the Blancheport Land. Council currently only had one (1) real estate agent with Ray White Real Estate to sell the land. Council resolved to resign the agreement with Ray White Real Estate and seek further interest from Numerical Real Estate and Elders Real Estate in also undertaking Sales of this land.

New Year's Eve Children's Festival

Council Officers presented a report to the June meeting of Council for the consideration of the future of the New Year's Eve Children's Festival. The event is held as a pre cursor to the Annual New Years Eve Fireworks display. The report outlined that the New Year's Eve Fireworks are the main attraction on the night with the majority of visitors and residents attending the foreshore for the Fireworks Event. The report proposed that potentially the funding provided for the Children's Festival event could be utilised for creating an alternative event at a different time of the year and that event would be the primary event and therefore be better value for money for Council with a number of options put forward. Council resolved to consider community feedback in its decision making, with a survey to be developed and distributed.

CATHOLIC CHURCH

'FAITH NOTES'

for July edition of 'The Criterion'

The Gift of Story

Every person has a story. Every story deserves to be told and listened to respectfully.

'Story' is foundational in the life of the Christian Churches. At the heart of our faith is the story of Jesus of Nazareth and His life of sacrifice, service and surrender.

In our Christian communities there are a myriad of stories of people of faith, generosity and courage who strive in their lives to mirror the example and legacy of Jesus.

In our Funeral Liturgies we pray for, honour and give thanks to God for the person who has died and we recount some dimensions of their story and the impact and influence they have had in our lives.

There is another story that looms large on the landscape and deserves to be listened to respectfully.

It is a story both ancient and new. It is the story of our Aboriginal brothers and sisters.

It is a story that invites us to hear their cries ... cries for respect ... cries for reconciliation and cries for recognition.

On the first Sunday in July each year Catholic Church communities across Australia celebrate Aboriginal and Torres Strait Islander Sunday.

This year's theme: The harvest is plentiful but the labourers are few (Matthew 9:37) ... Get Up! Stand Up! Show Up! is an invitation to us all to participate in the writing of a new chapter in the story of our First Nations Peoples ... a story of healing and hope

We pray in thanksgiving for these ancient peoples who have enriched and sustained our continent over tens of thousands of years We praise God for the people who nurtured the land here on Eyre Peninsula that we call home.

UNITING CHURCH

The Uniting Church in Streaky Bay has served the community for 110 years. Unfortunately, there has been no permanent minister for the last 30 plus years. The Church being kept going with visiting periodically, and by lay people. The congregations have fluctuated over the years, but somehow with volunteers taking charge of the many tasks associated with keeping the church open, it has been able to survive.

There have been many changes within the Church over the years. One major change being in the seventies, when the Methodist, Congregational and Presbyterian Churches combined to become the United Church. The Church celebrated its centenary in 2011, with many past members returning to enjoy the day and catch up with friends.

The Church hosted several performances by Steve Grace and Dan Vogler, and the first performance of the Watoto Children's Choir. We have hosted the World Day of Prayer and been involved in the organisation of and taken part in Carols by Candlelight, an ecumenical celebration of the meaning of Christmas, for the community. We have seen many celebrations over the years including weddings, funerals, and baptisms. We also had many tourists who came to fellowship with us. We have been able to support many charities and organisations with donations and prayer.

The Church has undergone other changes when Mission Networks took the place of parishes and presbyteries for around 20 years, then recently when Synod (the head of the churches), changed the organization to 3 non-geographic presbyteries, Streaky Bay being part of the Generate Presbytery.

In the past few years our numbers have declined, and Synod has decided to up grade their properties to a certain standard, meaning we are required to organize and fund the work. The tasks required to run the Church have grown and technology has also proven to be a challenge. Covid has also presented more hardship for a church with low numbers.

So we are faced with the difficult decision of whether we can continue to do this as an ageing congregation. The decision we have made is to close the doors of the Church. This means that the Synod will take control of the Church, and in time it will be sold. Toward this end there will be a Key handing over Ceremony on the 27th of August at the Church

STREAKY BAY HOSPITAL AUXILLIARY

Thanks to the Op Shop for their very generous donation since our last meeting and to others who have helped us out. Anthony Ryan is pricing some requests that have come up for both Elmhaven and the Hospital and will hopefully have them to bring to our next meeting.

We have been accepted to cater for a morning tea for the Rural Woman's Conference to be held here in August. A meeting will be called and Members will be advised where this and other requests will be discussed. Due to Covid and absences we have not been able to have our last meetings and hope to get back to usual times and place very shortly.

STREAKY BAY INDOOR BOWLS

June 22 was quite an eventful day for the Streaky Bay Indoor Bowls Club players.

First there were two lavishly decorated cakes to celebrate 7 years of bowling in the present clubrooms. Initial games had been played on 4/6/2015, six months after the previous clubrooms were closed.

Candles were lit on the 2 cakes and 3 players in their 90's Connie, Don and Jim C. were invited to perform the customary cake ceremony.

Second surprise for the day came in the form of an announcement that the club had received a substantial donation from the Streaky Bay Op Shop round of gifts to the community and that club secretary Julie had already responded a big thank you to the organisation.

Another pleasant note on the day was to hear Jim C. report on the success of his daily vermin patrol throughout the clubrooms and no mice in traps for the past 14 days.

Winter months bring holiday time away for many including committee members but those remaining continue the weekly work of play preparation and cleanup which goes to prove co-operation is the key.

Each week the social games are played in a friendly spirit, competitive but fun.

The 5 Wednesdays in June have brought attendance numbers 14 to 17, visitors every week and often team total scores separated by only 1 or 2 shots.

Winning teams were:

- June 1 = Jim P, Jim C, Darryl, Connie
- June 8 = Wayne, Jim C, Roger, Marlene
- June 15 = Gay, Shirley, John
- June 22 = Cheryl, Jim C, Darryl, Wayne
- June 29 = Gay, Darryl, June, Marj (visitor)

STREAKY BAY PROBUS

On the 2nd of June the Probus Club hired the council bus for a days outing.

We left the RSL at 9.30am and travelled out Jessie Flat road where we had a look at the solar farm to show those on board which way the panels were facing (facing East).

We continued out along Jessie Flat Road until we met the Piednippee Road where we headed to the oval.

This was our morning tea stop and thanks to Jim Petty who took all the tea, coffee, cakes biscuits etc there for us to have on arrival.

After morning tea we headed out the highway to Poochera. While in Poochera we visited the museum before heading to the hotel for lunch. A great meal was had thanks to the publicans in Karen and Jeff. Thanks to Shirley and Jim Petty between main course and dessert we played bingo.

After lunch we went to have a look at the renovations at the Poochera oval and also the water catchment area that has been set up.

We then headed back home via Jessie Flat Road again to see the way the solar panels were facing (facing west)

We arrived home at around 3.00pm.

We unfortunately we did not have a guest speaker at our last meeting but our next meeting on the 21st July we will have the Damian Carter CEO of the council speaking.

The club is hoping to get Deon Edmonds from the fish factory to speak at one of our up coming meetings.

On the 16th July we are going to take the bus to Port Kenny where we will celebrate Xmas in July. Cost is \$50 per head for the meal and \$10 per head for the bus.

Wayne Miller is getting copies of the Seniors magazine sent to him free of charge so if you want a copy see Wayne or there are copies in the news agency.

STRTEAKY BAY MENS SHED

The members of the Streaky Bay Men's Shed would like to thank both the Bay op Shop and the Perlubie Sports day committee for the generous of \$2,000 and \$200 respectively.

We would also like to thank Brenton/Samantha Huntley for allowing us to purchase some left over items from their recent garage sale.

The Men's Shed welcolmed a new member in John Lelifeld.

Shed numbers have been down over the last couple of weeks with some members travelling interstate (probably to dodge the cold weather) and others with family to help.

As was reported in the last issue we have now finished and erected the new sign at Elmhaven.

Thanks to Gaye Whitford for taking a picture with some of the residents of Elmhaven. (see pic below)

We are still assembling push carts for sale in the craft shop along with other items. (see pic below)

Thanks to Jim Petty and John O'Brien we have made one new screen for a window at the clinic and have repaired and painted another screen.

Some projects on the go are another bench seat thanks to Jim Clarke for dismantling this, and we also have another miners lounge to do.

We are still collecting old spectacles for recycling and sending overseas.

SA RURAL AMBASSADORS

The South Australian Rural Youth Ambassadors then had the opportunity to present and have a conversation with the Department for Education Chief Executive, Martin Westwell.

This has inspired the Ambassadors to continue their discussions and work harder to improve education for all rural youth in South Australia.

A small group of the Rural Youth Ambassadors had the opportunity to speak with and present to the Country Education Reference Group about the challenges they face in rural schools in SA. In addition, they provided valuable and creative thinking about the potential new 'Career Education Online Platform'.

Finally, the Rural Youth Ambassadors have continued their discussions with the Department for Education team at Torrens University.

The Ambassadors are very keen to follow up with the Chief Executive and team around school provisions, afterschool opportunities, and mental health/wellbeing.

SA COUNTRY WOMEN'S ASSOCIATION INC

Nothing like a break from meetings within four walls. Last month had a small number of members and guests tour to Elliston and Port Kenny. Departing Streaky Bay straight to Elliston had the group enjoy morning tea at the local bakery (thanks to Pim) and the cliff top loop drive to experience the always spectacular Elliston Mara Sculptures and Headland Sculptures on the Cliffs displays. No question about the EP having some extraordinary talents amongst us.

Back to Port Kenny Hotel for some yum lunch sustenance, thanks to Janine, together with some chit chat and laughter. A trip enjoyed.

That time of the year for AGMs and ours is on 12/7/22. We'll conduct these proceedings in the comforts of a member's home where we'll also indulge in home cooked meals – the best winter has to offer! Further details for this meeting will be forwarded to members.

INSTEP DANCE

Four senior Instep students joined with dancers from Ignite Cheer and Dance in Port Augusta to participate in the 2022 'Candance For A Cure' event at the Adelaide Entertainment Centre in May. Zoe Hunt, Kirralee Johns, Alyssa Georgiou and Jayda Brougham completed weekly zoom lessons with professional dancer Madeline Johnson from Ignite over several months before taking to the stage in front of over 5000 people, to raise funds for cancer research. Students from 25 dance studios across metropolitan and regional South Australia participated in the event.

The first term of Instep Dance is now well underway with over 50 students enrolled in dance and drama lessons. The 2022 Instep Production 'Wonka' is shaping up to be a delicious adventure which will take the audience on a sweet, fun filled journey with all their favourite characters from Charlie and the Chocolate Factory with a number of tantalising plot and character twists.

The end of year performance will be on Sunday the 30th October at the Streaky Bay Institute with tickets on sale from late September.

Answer the call at Streaky Bay SA Ambulance Service volunteers needed

The SA Ambulance Service (SAAS) volunteer team at Streaky Bay, and surrounding areas are looking for volunteers to answer the call and join them, as the service launches a new community recruitment drive.

Becoming a SAAS volunteer gives you many additional and transferable skills. Volunteer, Courtney from Streaky Bay, has been speaking about the benefits of becoming a SAAS volunteer as the latest SAAS campaign, titled 'Answer the Call' hits the streets.

Courtney has been volunteering for two years now, and says that after using SAAS's services numerous times, she wanted to join when her children were older, to give back to her community.

"I've gained life changing skills that I can use in my everyday life. I have three children so it's nice to feel confident that I could use these skills I've learned, if ever needed.

To give your care and support to a patient and their family during their time of need is an extremely meaningful experience, so when patients come to personally thank me weeks later, you know your time and care was very much worth it," says Courtney.

Whether you work full-time, are a student or retired, volunteering with SAAS can help you broaden your skillset, meet like-minded community members, and make new friends. With flexible rosters that can work around your lifestyle, you don't always need to be at the ambulance station when on-call, so like Courtney, you can fit it into your lifestyle.

"I work part time for the District Council of Streaky Bay and am thankful they support me to be on call while at work," says Courtney.

"In the Streaky Bay team there's always plenty of banter and a lot of laughs. I love the different age range within our team, we're like one big family. I'm one of the youngest team members and the eldest team member has just clocked 50 years with SAAS."

There's no better time to answer the call and take control in an emergency, to help save the lives of others. Interested? Call Regional Team Leader, David Coombe on 0428 713 033 or the Volunteer Support Unit on 1300 175 584 (Monday to Friday, 8.30am to 4.30pm). Or apply through the SAAS website: www.saasvolunteer.sa.gov.au or email SAASvolunteer@sa.gov.au
