Local Government Reform

The Local Government Reform Bill has been discussed regularly during the past 12 months. It is expected to pass during the May sittings of parliament and now has around 200 amendments from the original document – most of those amendments are in response to Local Government and Local Government Association requests to both parliament and the opposition.

Approximately 150 changes are now expected to come from the Local Government Act and range from superficial policy changes through to new panels and a model which will see ESCOSA oversight the rating process of Councils.

Implementation timeframes are expected to be very tight due to the delays in the parliamentary process. As such the next 18 months will prove very difficult for those responsible for working through the implementation especially given the fact that the timeframe will include a general election. Local Government Association advice to Council is therefore to carefully consider the capacity of their staff to deliver both these changes and their works and service programs for the 2021/2022 financial year in particular. A considerable amount of training will also be required of staff and Elected Members to ensure they are up to date with the changes as they are implemented, including understanding the implications on various roles and responsibilities for Elected Members and staff.

Council endorsed a budget increase in the 2021/2022 financial year to ensure that these requirements will be met.

Acting Chief Executive Officer

Council endorsed following the resignation of Karina Ewer, Chief Executive Officer that current Manager, Community and Economic Development, Penny Williams be placed in the Acting role until the recruitment process is completed.

Oyster Lease Application

Council has received many submissions both for and against the new Oyster Lease application. The decision is not Council's to make as it is a PIRSA responsibility. PIRSA has asked for Council's submission in this matter if they wanted to make a submission.

At the March 2021 meeting Council resolved to provide a submission to PIRSA regarding Council's Coastal Management Plan which outlines the protection of "The Spit" and does not support the application. In addition, Council requested a comprehensive review of PIRSA's Management Plan be undertaken as soon as possible. The letter sent to PIRSA included all correspondence received by Council on the matter.

At the May 2021 meeting a motion was moved that "Council withdraw our opposition to Mr Evans' oyster lease application" that motion was seconded and

subsequently carried. A division was called and the outcome of that division and full motion is available at Item 16.1 Motions with Notice from the Minutes of the May 2021 Ordinary meeting of Council. A copy of those minutes is available at either the Principal Office, Visitor Centre or online at www.streakybay.sa.gov.au.

A further letter was sent to PIRSA advising them of the motion moved at the May meeting, advising consideration was given to the age of our Coastal Management Plan, however, Council continues to support the request that early notification of Local Governments of such decisions be included in PIRSA community engagement processes, so that Council are more aware and able to assist should that be required.

Council also reinforced its desire to see the Department of Primary Industries and Regions (PIRSA) review the current Management Plan as it relates to this area, and as noted in its 19 March 2021 letter.

Farewell Streaky – from Karina Ewer

I was asked to write this note to say farewell to Streaky Bay and I do. I bid you all farewell not because I want to, nor because of anything that is Streaky Bay or the Council or the Elected Body. Everyone who has touched my life here has done so in a positive way and for that I am grateful. I go for my family and it is probably about time I put them first.

When working out what to say I went through a few presentations I was asked to give and things I have written and they certainly helped me reflect on my time here. Mostly they helped me focus on who I am and how this role has helped me grow. I am a person who loves people. I love to listen to people, consider their ideas and experiences and work along side them. I love being a part of another person's life – even if only for a moment and I love human complexity. Most of all I love being of service to people especially if it is in ways they will never know. That pretty much sums up the life of a CEO as I see it.

In working with, beside and for those around me, we have achieved a great many things. The list is long. I believe in my first writing of this type I said that I could only ever be a reflection of the team that do the actual delivery of the works required of Council and that holds true today.

To mention only the obvious, what you will see are things like:

- the completion of Moore's Boat Ramp;
- Drought Communities Projects (2 rounds of funding delivered vital projects throughout the District including Poochera water catchment and change rooms, Little Islands Trail, Wirrulla Sports Complex works, events equipment, and tourism signage);
- campground developments;
- LED Street Lighting;
- Wells Street Powerline Undergrounding;
- Australia Day Awards;
- Citizenship Ceremonies;
- road network management;
- rubbish collection and waste management;
- open spaces and playgrounds being maintained; and
- animals being managed

What you won't see is the enormous amount of work done in "back of house" to:

- advocate for the community, (to fight for equitable access to medical practitioners, electricity, telecommunications, education, services, funding, and the list goes on);
- negotiate with everyone from corporations to State and Federal Government to legal representatives to ensure costs to rate payers for things like electricity, landscapes levies and Native Title matters do no impact ratepayers more than is absolutely necessary;
- support community events;
- support businesses and help them grow and diversify;
- comply with government regulations;
- provide quality public health and safety outcomes,
- report to other government bodies; and
- perform tasks on behalf of other government bodies.

What I do clearly know is that the District Council of Streaky Bay is very blessed to have such a committed, dedicated and skilled employee base. We achieve everything most of the much larger Councils do and sometimes more, with only 24 Full Time staff. That is an achievement the community and our staff should be very proud of.

I have been honoured and privileged to have worked with the District Council of Streaky Bay team. That gratitude most definitely extends to the Mayor, the Elected Members and the amazing Leadership Team. Their unerring dedication to their community is the true reflection of what this team represents as a whole.

It has been a real pleasure Streaky Bay. I will watch your achievements from afar and be very happy for all the outstanding things to come.

COVID-19 CORONAVIRUS

OFFICIAL

From Tuesday 25 May, all adults aged 16 to 49 living in Eyre and Far North will be eligible to receive the COVID-19 vaccine, in addition to the currently eligible groups.

Pfizer is the preferred COVID-19 vaccine for everyone under 50 and it is currently available at the Port Lincoln Clinic on Liverpool Street (enter via the rear car park off Coorong Street).

Bookings will be essential: there will be no walk-ins for Pfizer vaccinations due to cold storage requirements.

Book your Pfizer vaccination by going to www.sahealth.sa.gov.au/regionalclinics

People in this group will not be able to book through the national eligibility checker, only the link provided on the SA Health website.

People aged 50 and over can still book for the vaccine by going to <https://covid-vaccine.healthdirect.gov.au/eligibility>

Please note that the Eyre and Far North Local Health Network, is currently planning pop-up Pfizer clinics across the LHN. How soon these start depends on a number of factors, most importantly the supply of the Pfizer vaccine and the staff required to administer.

BLACK SEA DRAGONS

Dragon Boat paddling started in Streaky Bay in 2007. We started with 2x10's boats, moved on to a 20's boat on loan from DBSA and now have our own Champion 20 seater.

Our members have competed at regattas in Adelaide, at masters games, at state & national competitions, as members of Adelaide Sea Dragons (as at October 2019 as Black Sea Dragons), and on occasion as part of a combined west coast team - Ceduna, Streaky Bay & Port Lincoln. Our members have also competed as part of the Regional State team. We've supported the Port Lincoln dragon boat clubs with their corporate challenges, and we've participated in a joint club social paddling weekend, with Ceduna and Port Lincoln, at Venus Bay. We do 'Çome and Trys' with students from local schools.

Dragon boating is not all about competing - some members are competitive and do travel to competitions, other members choose not to compete at all. We all paddle for fitness, fun and friendship and because we are part of a bigger club, those who want to compete can do so and those who don't want to don't need to feel that they should.

Dragon boating is open to all age groups from 12 upwards, any gender, any fitness level.

We welcome and new prospective paddlers to come along and give it a go.

STREAKY BAY CWA

"Sharing And Caring With Action"

A busy time for our members during May with a handover of an EP Tapestry from Ungarra branch to Streaky Bay branch on 6/5/21 and hosting the Cancer Council Biggest Morning Tea on 27/5/21. Time for a decent nanna nap!

In 2009, some SA CWA ladies from the Minnipa, Streaky Bay, Waddikee Rock, Warramboo & Wudinna branches decided to have all EP branches contribute a stitch or more to a tapestry piece as a contribution to celebrating the 80th birthday of CWA in SA. Our very own talented Prue Cook was the designer in charge, her time and efforts putting much intricate thought into the theme and presentation – central to the tapestry is a map of the EP depicting EP branch locations with branch icons (flora, fauna, industry), the border showered with EP native flora, colours used specific to EP areas of wheat growing, higher rainfall, red earth and the sea. Then 24 branches across the EP all contributed to the mastering of the masterpiece that saw the last stitch done, ready for proud presentation at the 2012 Cleve Field Day.

The tapestry has travelled around the EP and on 6/5/21, the Ungarra branch (Tumby Bay area) visited Streaky Bay to officially return it to its origin of creation, Streaky Bay. After enjoying a group lunch at our local Hotel, Ungarra representatives Lisa Law & Valmai Webb presented the tapestry to our representatives Helen Flanigan & Alison Goddard. Unfortunately, our creator of design Prue Cook was unable to attend, but we had a smaller reunion with Prue and the tapestry at our May meeting.

The Biggest Morning Tea was hosted by our branch on 27/5/21. With the thankful help of some local businesses and the effortless love for baking by many of our members, a smorgasboard of sweet, savoury & deli style fingerfoods were on offer. We raised \$1,697.60. We are proud to be a part of SA CWA and proud to serve our community. Thankyou to everyone and thankyou for making a cancer difference. See separate write-up.

STREAKY BAY INDOOR BOWLS

The Streaky Bay Indoor Bowls Club was closed on May 19 to allow players to attend the funeral of their member the late Noel Gosling who passed away on May 11.

Noel had joined the indoor bowling activity in 2012 after his many years of lawn bowls, social and competition. His gentle manner and his skill with the bias bowls on lawn and mat will be long remembered.

On May 5 the club held its AGM when 13 members attended and there were 11 apologies.

All principle office bearers were re-elected with the exception of ass/treasurer, the position now filled by Wayne Miller. 3 retiring committee members were replaced by nominees Bev O'Brien, Sandie Quast and John Cash. Maintenance needs were discussed and the meeting voted all work to proceed. The club has occupied the current premises since 2015.

The weekly high attendance figures in April came tumbling down in May - down to the mid-teens when several of the regular players left for 'time away'. On May 12 two special events brought an extra buzz to the afternoon. First there were 2 birthdays to celebrate, June on 5/05 and Alan on 12/05. Then came a double draw for door prizes donated by Julie.

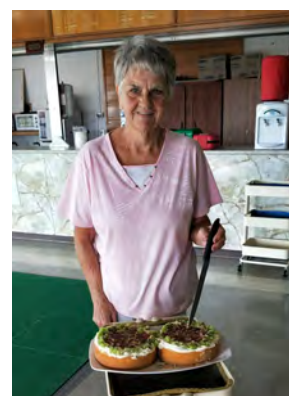

Team Winners:

April 28 - Roger, Owen, Jim C, Glenys (visitor)
May 5 - John, Sandie, Alan
May 12 - Alan, Shirley, Jim C, Juile
May 19 - no bowls
May 26 - Bev W, Connie, June

STREAKY BAY MEN'S SHED

We have completed two projects over the last week.

The bases for the garden beds for Perlubie Sea have now been delivered. (see pic below)

Bob Feibig has collected the legs for their table that we repaired. From the feed back from Bob happiness all round.

Our boat has now been advertised on the notice board by the post office. It will be put up on Streaky Bay buy, swap and sell soon. See pic below. The price is \$5,000.

Some of our members have been making some boards that reads how to tell time.

We are in the process of making some more push carts for the craft shop. Just waiting for some wheels to come in.

Over the last couple of weeks we have had two visitors in Doug Watson and Bernie Stafford coming to work on projects for themselves.

Doug has been kind enough to make two nesting boxes as samples for Gouldian and Zebra finches. Thanks Doug.

Bernie with the help of John O'Brien has put new tops on two bedside tables.

A big thankyou must go to the Perlubie Sports day committee for their donation of \$800.

STREAKY BAY PROBUS

At our general meeting on the 20th May we observed a minutes silence in memory of Noel Gosling one of our members. We also had an update on Darryl Wait who has just spent time in hospital after suffering a stroke.

This was followed by our normal meeting.

At this meeting we also raised money for cancer research by having a Big Morning Tea.

This was well organised by Zita Chester and Fay Kelsh. Going by the amount of food that was there we probably could have eaten all day. Well done Zita and Fay.

The Morning Tea raised \$210 for cancer research.

Our guest speakers were two sisters in Nancy (smaller one) and Elizabeth from the Ceduna who are working there for the Catholic Centre Care. They work for Saint Anne's Missionaries in India. (see pictures below) Both of them are here for three years and have already done two of the three.

Both of them spoke about their country, the provinces they are from and also the sad news regarding the Covid there.

Our next meeting on the 17th June we will be having a guest speaker from Andromeda Mines.

He promises this speech will be informative and entertaining.

GEORGE GLASS DOES ART ATTACK | JULY 10 | 7:30PM

Unique Art-Rock Show Hits Streaky Bay

After a smash premiere season at the Adelaide Fringe 2021, Adelaidean funk rock band George Glass are now taking their new show, Art Attack, to Streaky Bay.

Art Attack is a unique art-rock show where audiences are invited on stage to paint a giant mural to the music. Armed with a paintbrush all you need to do is get lost in the music and make your mark on the wall.

"People don't have to get up if they don't want to. But we've found that once people see how much fun, and how easy going it is, they change their minds." says guitarist Nic Conway.

Over the course of 60 minutes, audiences will be invited up in groups of 4 to paint on a giant canvas. George Glass, who have been making cross art form music shows for 10 years, performing music and comedy across Australia and the U.K, will be providing a set of comedic, funk-rock tunes.

"People have a few drinks, they laugh, they paint, it's a really nice experience. And the artwork always looks fabulous. You don't have to be any good at painting, just have fun, that's what makes the art so unique to the community." Says bassist Ali McMichael.

George Glass have lined up a full tour across SA, with shows in Kangaroo Island, Pt Lincoln, Whyalla, Mt Gambier and of course Streaky Bay. At the end of the tour, they'll be throwing one final Art Attack in Adelaide and then exhibiting all the canvases!

Don't miss your chance to be a part of the art in this unique art-rock show, coming to Streaky Bay July 10.

Location: Streaky Bay Hall, 29 Alfred Terrace, Streaky Bay.

Tickets: \$20 - available from the Streaky Bay Visitor Centre, 21 Bay Road, Streaky Bay.

Time: Doors open at 6:30pm for a start time of 7:30pm.

Facilities: Bar facilities available all night / BYO yummy nibbles platter.

Covid-19 restrictions will be in place, please check in via the QR code or contact tracing sheet on arrival. Do not attend if you are unwell, stay 1.5m from others that are not in your group and regularly wash or sanitise your hands.

The Streaky Bay and District Medical Clinic Inc

26th May 2021

CHANGES TO MEMBERSHIP

At the most recent AGM it was voted by members to extend the duration of membership from 1 year to 5 years. This means that for any one signing up or renewing a lapsing membership, doing this small task today means you will retain membership until 30th June 2026.

We value your ongoing support so we can continue to support the health of our community and hope that you would please consider renewing your membership under these new terms.

Most of you will have likely met our new GP Dr Victoria and we are sure you have helped make her feel welcome. However, the quest continues to secure a second GP for Streaky Bay to support Dr Victoria and ensure that we can continue to build the suite of services available at the Clinic for you to have access to.

Being a financial member of the Clinic demonstrates support of the continuation of the community run Clinic in Streaky Bay. The volunteer board of locals remain dedicated to securing two full time GP's as well as finding and enticing locum GP's to the area in the interim. Having community support shown through a strong membership base aids in these tasks, as well as when lobbying government for additional help.

To renew, fill out the included form and return in person at the Clinic or the local ANZ branch, or email to admin@streakybaymedical.com. Your personal details will remain confidential.

Jonas Woolford (Chair)

Which type of membership would best suit you?

***Financial Membership:** Puts you in control; When decisions need to be made about the Clinic you will be invited to help make those decisions. Cost: \$20

***Non-Financial Membership:** States your support for the continuation of a Medical Clinic in our town. Cost: Free

A strong membership base is the single most powerful tool the Board and Council has when lobbying government for assistance to keep your Clinic's doors open.

Want to show your support and keep our Clinic? Sign up today.

RECYCLING OF PLASTIC MILK BOTTLES

COUNCIL IS UNDERTAKING A TRIAL TO RECYCLE YOUR USED PLASTIC MILK BOTTLES AND KEEP THESE BULKY ITEMS OUT OF LANDFILL
YOUR USED PLASTIC MILK BOTTLES CAN BE TAKEN TO THE TRANSFER STATION FOR DISPOSAL

**NOTE: THERE IS NO REFUND FOR THESE ITEMS
PLEASE ENSURE THE BOTTLES HAVE BEEN RINSED AND THE LIDS REMOVED**

Milk bottles are made from High Density Polyethylene HDPE plastics and are easily recycled into more plastic containers and items such as stormwater pipes, fencing materials - posts, stakes, droppers and bollards and also furniture such as picnic tables and benches.

The milk bottles will be baled at the Transfer Station and sent off to manufacturers for recycling into the above items.

Did you know...?

- Plastic is an incredibly versatile material, made to be strong and durable. Unfortunately, most plastics are made to be used once before being discarded.
- 660,000 tonnes of plastic waste is created by Australians every year.
- It takes Australian households 1 minute to throw out 1 tonne of plastic waste. In one day Australians produce enough plastic waste to fill an entire beach.
- It only takes 125 recycled plastic milk bottles to manufacture one 120 litre wheeler bin from recycled plastic.
- Recycling one tonne of plastics saves enough energy to run a refrigerator for a month.
- The energy saved recycling one plastic bottle can power a computer for 25 minutes.
- China has banned plastic recycling imports. Councils around the country are grappling with how to deal with not being able to export.

YOUR HELP IS NEEDED

YOU CAN MAKE A DIFFERENCE

LET'S GET THIS SORTED!

COUNCIL SUPPLEMENTARY ELECTION 2021

Councils are part of the democratic framework of Australia, a great way to get involved in grass roots projects. **NOMINATE NOW!**

Due to recent resignations and the passing of Councillors, the District Council of Streaky Bay is required to go to a supplementary election and **NOMINATIONS ARE NOW OPEN!**

Unlike State and Federal elections, it is not compulsory to vote in South Australian council elections. However, council elections are the biggest single voluntary civic participation activity in the state with nearly 360,000 people voting in the 2014 council elections.

Another important difference from State and Federal elections is that all voting in council elections is done by post. Enrolled voters receive a voting package through the mail and return their votes in a reply paid envelope.

2021 Council Supplementary Elections Timetable

- Nominations Open Thursday 27 May 2021
- Candidate Briefing Saturday 5 June 2021
- Nominations Close 12:00pm Thursday 10 June 2021
- Mailout of Voting Materials Tuesday 22 – Monday 28 June 2021
- Close of Voting 12.00pm Monday 12 July 2021
