Council News

GOVERNANCE

Covid 19

The main Council Office (Alfred Terrace) has resumed operations to business as usual, the Visitor Centre will remain at its current operating hours being 9am – 2pm.

Council Office Lift Installation

The installation of a lift for the Main Council Office has gone out for Tender, no tenders were received and the current tender is currently being reassessed.

Surveillance Policy Implementation

Council has budgeted this financial year to install surveillance systems on some of Council's assets. As part of the roll out of this, a policy was developed to ensure that; there is a provision of a safe environment, compliance with the requirements of the relevant legislation and associated directions and providing an explanation to employees, contractors, visitors and volunteers the circumstances when workplace surveillance will be undertaken.

Generators Main Office

Specifications pertaining to generator requirements have been received. These will be utilised to develop Tender documents and tenders are expected to be released the first week of March 2022.

INFRASTRUCTURE

Significant Rainfall Event

On the night of the 20 and 21 January, 2022 the community in areas received in excess of 100mm of rainfall. The rainfall saw localised flash flooding and there was significant areas of water pooling. In summary the damage to Council assets was;

- No damage to sealed road network
- 20% of damaged to our unsealed road network with 10% requiring significant work
- Jessie Flat Road, Cape Bauer Rd requires resheeting
- Westall Loop significant work
- Baird Bay Road
- Some damage to Wirrulla Sporting Reserve Club Rooms

Council officers are assessing whether a claim for funding be submitted via the SA Local Government Disaster Recovery Assistance Program.

Woolamai Way Perlubie

Previously council officers met with resident of the Perlubie to discuss traffic management issues associated with the entrance road.

From that meeting improved signage, including speed and directional signage was installed, and traffic counters were put in place.

Residents have since reported that the signage has been effective in providing adequate direction to the beach. In addition to this prior to the speed signage being installed traffic counter data revealed that only 15% of vehicles were adhering to the speed limit that has since increased to 21%, though this % is still very low for a built-up area.

Streaky Bay Street Tree Maintenance

The Council had recently engaged a local contractor to undertake further removals and pruning to street trees throughout the district.

Council Officers and local pest specialist have been working on undertaking testing for pest and disease in the dying and affected trees. The first test came back negative for the condition the trees were thought to be suffering, additional tests have arrived and further testing will be undertaken across the township.

Patrol Grading

February saw us finish grading the tourist roads along with some roads affected by the recent heavy rainfall. Plus, sections of Yantanabie Rd, Chilpenunda Rd, Piednippie-Marryvale Rd, Jessie Flat Road and Dog Fence Rd. Council has completed some reactive work which was undertaken by contractors.

If you have any enquiries, please contact the Council Office on (08) 86261001.

Road Construction

Council completed construction of Cape Bauer Loop (Andersons Rd to Hally's Carpark).

The road construction team has moved to Poochera-Port Kenny Road (Inkster Road to Conglima Road).

Council News Cont'd

COMMUNITY

Streaky Bay Dental Clinic New Chair

Council in its support for the provision of medical services for residents, leases the premises and equipment to a private provider for the purpose of delivering dental services to the community.

Some of the current equipment within the building has become quite aged, and Council recently considered and endorsed the purchase of a new dental chair for the facility.

Volunteer Management Policy – Reviewed

Council recognises the place and importance that volunteers can play to develop and strengthen the links between council and their communities.

The Policy outlines Council's expectations and management of the volunteers it utilises for its various activities.

Criterion Production Review

Council officers have been seeking to review areas where potential cost savings can be achieved. The Criterion Newsletter production was recently reviewed and a report with options presented to Council.

The Criterion was originally estimated to cost Council \$3193 per month (including wages and income received) when being internally printed. Council officers sought to streamline this process and outsource the labour-intensive internal printing to external printing which brought the costs down to \$1911 per month.

Council were provided with alternative options including regular use of the EP Advocate and resolved to continue the printing of the Criterion as is.

Streaky Bay Presenters Group

Lazaro Numa is a virtuoso Cuban trumpeter who will be visiting Streaky Bay on Friday, April 2022 (mark this one in your diaries!). Lazaro will be accompanied by 4 other artists who will perform 4 x 20-minute live music segments, it will be an upbeat event that audiences will love!

26 October 2022 is the second must pencil in date.... A Comfort Food Cabaret! Michelle Pearson is an Australian singing cook who serves up award-winning musical cooking cabaret where the audience samples the food cooked on stage.

Youth Week – April 2022

Council was once again delighted to be notified of their success in gaining funding for Youth Week 2022. The event will be combined with activities planned as part of funding previously received through the districts Local Drug and Alcohol Action Team.

Council's Community and Economic Development Officer, Jess Davis will once again lead the activities and if you have any event enquiries, please refer to Jess.

Sixteen Legs Exhibition – Outcomes

The travelling exhibition hosted by the Streaky Bay Visitor Centre starting in November 2021 and ending in February 2022.

The exhibition attracted 154 persons through the door, it was disappointing that this period also coincided with the peak of Covid19 in the region. Despite this the exhibition was still a success and provided an opportunity that otherwise our community would not experience. The team looks forward to hosting more events like this into the future.

TOURISM AND ECONOMIC DEVELOPMENT

Streaky Bay Foreshore Tourist Park Development

Western Amenities – quotes have been received and contractor will be engaged to provide an upgrade of the functionality and aesthetics of the amenities.

Eastern Amenities – design concept has been approved and awaiting Discovery Parks approval.

Wash Down Bay – a wash down bay has been developed and installed at the park.

Tractor Beach Campground Development

The Tractor Beach campground (old site) will be closed for a period of time commencing this week.

The closure will enable council works staff to undertake minor remedial works and rehabilitation to those site areas. These works will also include additional access management.

Council News Cont'd

Streaky Bay Youth Precinct

Council have endorsed additional funding to be applied to the precinct project.

This will enable a greater level of landscaping and sundry items to fully develop the precinct area.

Council officers will be seeking community input into final design plans in the coming months.

Community Strengthening, Planning and Development Committee

Council's Section 41 reconvened last week for the first time in 12 months, after it was finally able to secure its second independent member.

The Committee consists of newly elected chair (Cr Greg Limbert), Cr Neville Trezona, Cr Cliff Pudney and independent members, Lauren Karp and Tobin Woolford.

Key objectives of the Committee are to provide recommendations on strategies to Council that;

- Promote economic growth (inc Tourism)
- Promote community development
- Promote liveability
- Provide advice on Strategic Planning
- Provide policy advice

Key Areas of Interest for the Committee are;

- Grant Funding and Donations
- Arts and Culture (including History)
- Sport and Recreation
- Economic Development (including Tourism)
- Business and Industry Development
- Strategic Planning
- Planning (under the Development Act)

The Committee at its recent meeting discussed and received reports relating to;

- Visitor Centre (information and visitation statistics)
- Tourism (current and future projects)
- Economic Development (current and future)
- Campground (information and occupancy statistics)
- A review on the recent Peak Holiday Period
- Streaky Bay Tourism & Business Activities
- Streaky Bay Foreshore Tourist Park Information
- Events (current, future and regional)
- Streaky Bay Rodeo – Event Outcomes
- District Management Plan Review
- Streaky Bay Township Masterplan Review
- Community Development (activities report)
- Community Library Activities Report
- Planning and Development Report

Key recommendations for Council consideration from that meeting were;

- Beach and Camping Etiquette brochure development
- Perlubie Beach management issues
- Additional street bin allocation review
- Streaky Bay Tourism – Marketing and Promotion MOU future considerations
- Additional Tree Planting to be considered in the Streaky Bay Foreshore Tourist Park
- Endorsement of District Management Plan/Township Masterplan Review project brief
- Library carpet replacement to be considered for budget contribution in 2022/2023

Mobile Food Van Vending Policy

Prior to September 2021 Councils were required to grant a permit under Section 222 of the Local Government Act for the use of a road for mobile food vending businesses.

As part of the state government led local government reform in 2021, Section 222(1a) of the Act (and associated regulations) has been deleted, removing the requirement to issue a permit to a mobile food vending business.

Therefore, it now becomes a matter for discretion of each council whether to issue a permit under the act and whether to continue to have in place location rules.

A detailed report was presented to Council at the February ordinary meeting of Council and at that meeting Council resolved to continue the practice of issuing permits and for the existing location rules to remain in place.

Regional Branding Review – Seafood Frontier

The Eyre Peninsula Local Government association and Regional Development Australia EP have committed funds to undertaking a review of the existing brand for the Eyre Peninsula, its effectiveness and its current relevance. An update will be provided as this project develops.

Council News Cont'd

Planning and Development Snapshot
January 2021 – February 2022
Total Approvals – 63

22 of those were detached dwellings/single storey/villas, the estimated value of those 22 applications was submitted as \$6.2m, with a value range between \$30k-\$990k, the average value per approval being \$285k.

In addition to this were Section 7 and Section 187 searches undertaken by Council on behalf of persons who have acquired a relevant interest in land situated within Council boundaries was 229 over this 13-month period (17 per month).

This further indicates the current and expected growth the district is experiencing, and Council will begin to consider and develop strategies to support the services required during this growth period.

SAVE THE DATE!

APRIL SCHOOL HOLIDAYS
19 - 29 APRIL

CEO UPDATE

From the CEO's desk

As many of you are aware, throughout the township of Streaky Bay there are several trees which have died or are currently struggling. Regarding this issue, I wanted to provide the community with a brief update about how Council is addressing the issue.

Council Officers have been aware of this issue and are investigating the causes of it. One of the areas being explored is whether this issue is because of a plant-based disease. The reason why this has been identified as being a possible cause is that the issue is isolated to certain varieties of trees in various locations across the township. We are investigating this possible cause through working with an arborist and undertaking tests on the trees which have been affected, interestingly these tests are called rapid antigen tests (just like the COVID tests). As this is specialised testing, this is taking some time due to obtaining the rapid antigen tests.

Outside of disease, there are several avenues which Council is exploring, including:

- The age of the trees
- Recent rainfall levels and how that has affected the trees
- The appropriateness of the variety of the trees in terms of climate, acknowledging that climate change is leading to dryer and hotter weather

One option we have drawn a line through is that the issue occurred due to over-spray from Council staff. The reason why we have ruled this option out is because:

- The issue is occurring in a variety of locations across Streaky Bay
- The issue is occurring to specific varieties of trees
- The type and ratios of chemicals being used to spray weeds wouldn't kill an established tree
- Council has several processes in place to ensure the safe spraying of chemicals while maintaining parks, gardens, and roadside verges

In terms of the replanting of trees which have died. Council will need to completely rule out that disease is the cause and ensure an appropriate variety of tree is selected as a replacement. Otherwise, the issues which have occurred will continue.

Damian Carter
Chief Executive Officer
District Council of Streaky

Native Title Updates

FAR WEST COAST SEA CLAIM

The Far West Coast Sea Claim covers all the land and waters within the boundary of the intersection of the State border of South Australia and Western Australia at the low water mark of the coastline; then generally easterly along that low water mark of the coastline to the easternmost point of Cape Bauer; then south westerly seaward to the 3 Nautical Miles Limit boundary (from the Territorial Sea Baseline); then generally westerly along that 3 Nautical Mile Limit boundary to a point due south of the commencement point; then north back to the commencement point.

The application excludes any land and waters subject to :

- i. Native Title Determination SAD 6008/119 Far West Coast as determined in the Federal Court of Australia on 5 December 2013; and
- ii. Native Title Determination Application SAD6019/1998 Wirangu No. 2 Part A Native title Claim.

This is an important Native Title claim for not only these commercial fishing licence holders but also as a potential precedent for other sea country claims in South Australia. There are another 12 sea country claims that are likely to be affected by this claim and some of the other claims take in much larger areas of sea beyond the low water mark; in many respects this matter is significant in South Australia.

WIRANGU NO 2 PART A AND PART B CLAIM

The Wirangu No 2 native title claim was split into two discrete native title claims by the Federal Court, subsequent to the filing and registration of the Nauo No 3 native title claim.

The two claims are the Wirangu No 2 Part A native title claim and Wirangu No 2 Part B native title claim. The Wirangu No Part B claim area overlaps with the Nauo No 3 claim area, covering a portion of the West Coast of South Australia, north of Elliston, extending through to Streaky Bay and including coastal areas and bays.

Wirangu No 2 Part A (Non-overlapping area)

The area of the Wirangu No 2 native title claim that is not overlapping is the Wirangu No 2 Part A. The Federal Court is dealing with this native title claim in a separate proceeding.

Wirangu No 2 Part B / Nauo No 3 (Overlapping area)

Wirangu No 2 Part B and Nauo No 3 native title claims overlap and the court is progressing these claims jointly.

The State has been engaged in the tenure extraction work. The tenure assessment and analysis has been completed and provided to respondent parties for consideration. Negotiations on tenure status is completed. The State obtained counsel opinion on proceeding towards settlement by consent determination.

WIRANGU NO 3 CLAIM

This is a new native title claim by the Wirangu People, filed in the Federal Court on 28 October 2019. The claimants are the same group in the Wirangu No 2 native title claim.

This claim is being made in relation to exclusive possession where it is recognised, over the claim area which represents parcels of land under ss 47, 47A and 47B, that have reverted back to unalienated Crown land. Wirangu people are claiming the right to possess, occupy, use and enjoy the lands and waters upon these additional areas.

At an Administrative Listing on 25 November 2019, the Registrar determined that the Wirangu No 3 native title application, be separated into two parts to be called “Wirangu No 3 Part A” and “Wirangu No 3 Part B” respectively. Wirangu No 3 Part A is to comprise that portion of the area claimed which is not overlapped by the application by the Nauo No 3. Wirangu No 3 Part B will comprise the balance of the area. Wirangu No 3 Part B, Wirangu No 2 Part B and Nauo No 3 is be dealt with in the same proceeding. Progress in Wirangu No 3 Part B has been gathered up in the proposed consent determination reported in the Wirangu No 2 Part B claim above.

WIRANGU SEA CLAIM NO 2

This is a new claim which was initially filed in January 2021 by the Wirangu People. The claim was named the Wirangu No 4 Sea Claim Native Title Claim. The claim area followed the coastline in the Wirangu No 2 native title claim to 300 meters seaward. There is significant sea country involved in this claim. However the Applicants subsequently informed the court that there was an error in the claim area map. On this basis the Court made orders for the claim to be withdrawn and a fresh claim lodged.

Native Title Updates

The Wirangu Sea Claim No 2 was filed in the Federal Court on 18 May 2021. In June the Court made orders for the Wirangu Sea Claim No. 2 native title application be separated into two parts to be called "Wirangu Sea Claim No. 2 Part A" and "Wirangu Sea Claim No. 2 Part B" respectively. Wirangu Sea Claim No. 2 Part A is to comprise that portion of the area claimed which is not overlapped by the Nauo No. 3 application. Wirangu Sea Claim No. 2 Part B is to comprise the balance of the area which is overlapped by the Nauo No. 3 claim

Further, the Court made orders for all issues in the Wirangu Sea Claim No. 2 Part B application to be heard and determined in the one trial together with the Nauo/Wirangu proceedings. As indicated earlier in this report, these proceedings are moving towards resolution by consent determination.

Rates Due

RATES DUE

LOOKING TO UNDERTAKE ADVERTISING IN THE DISTRICT?

The installation of roadside signage is an Alternation to a Public Road in accordance with Section 221 of the *Local Government Act 1999* and therefore requires the approval of Council.

The Department of Infrastructure and Transport are responsible for the management of State arterial roads and are responsible for the assessment of requests for the installation of signage on these roadsides.

Temporary Signs

The District Council of Streaky Bay support the placement of Temporary Signs which announce a local event in the nature of:

- Religious (imparting of religious beliefs through slogans not accepted),
- educational,
- cultural,
- social; or
- recreation
- Signage in the form of trailer advertisement require approval by Council resolution

Not accepted;

- *imparting of Political advocacy or items of political nature will not be accepted, election signage is excluded from this*

These types of signs include those that are commonly placed at the Alfred Terrace/Bay Road T-Junction in Streaky Bay. In addition to this there is criteria around materials, size, condition, proposed location that will also be considered in the application process.

Real Estate Signage

Does not require approval unless it is located on Local Government Land (e.g. footpath, road verge, road reserve or other local government land) if located on Local Government land then a permit is required.

Building Work Signs

An advertisement display may be erected without approval on land on which building work is being lawfully undertaken permitting the advertisement display;

- contains information that refers to the work being undertaken;
- is not more than 3m² in area;
- does not move, or flash, and is not illuminated; and
- does not reflect light to be an undue distraction to motorists

Commercial Signs on Residential Premises

A sign on residential land without prior Development Approval cannot be erected. Only identification signs, which identify the address of the property on which it is situated are permitted. The identification sign cannot identify or advertise business or business activity.

Commercial Signs on Non-Residential Buildings

Signage displayed on buildings used primarily for retail, commercial, office or business purposes does not require Development Approval, permitting the advertising display:

- is located on the front wall of the building; and sits flush on the front of the building;
- does not move, flash, or create an undue distraction to motorists; and is not internally illuminated;
- is not attached to the fascia of a verandah; and / or
- if there is no verandah the signage should not be more than 3.7m above ground level

Commercial Signage on Council Roadsides

The Council does not permit the installation of commercial advertising signage within roadsides, with the exception of fingerboards (see Clause 5.8).

Applications for commercial advertising utilising fingerboards within road reserves shall require approval under Section 221 of the *Local Government Act 1999* and an application form must be completed accordingly.

Commercial Signage on other Local Government Land

Commercial signage may be permitted at designated information bays, those bays being;

- Poochera Museum
- Sceale Bay Shelter
- Streaky Bay Lions Park

The installation of such signage shall be subject to an application, permit provided and an annual fee paid by the signage owner. The sign shall be removed should such fee not be paid within three (3) months of the start of any financial year.

Non – Commercial Signage on Council Roadsides and other Local Government Land

Signage that is considered to be of wider community interest, such as entrance signage, community facilities, directional signage to visitor services and major attractions will be considered on a case by case basis.

Applications for installation of direction signage to visitor attractions and services will be assessed against the criteria of the Road Sign Guidelines – Guide to Visitor and Services Road Signs in SA, published by the SA Tourism Commission and Department of Infrastructure and Transport.

Precinct Advertisement Displays

Precinct Advertisement Displays listing individual businesses as “cluster” may be installed at the entrance to a recognised estate, where there is an incorporated association or body that represents that estate and this body takes the responsibility for the sign.

Moveable (A Frame Signs)

All A Frame moveable signs require a permit and authorisation by Council. There are certain parameters that are required to be met in terms of assessment including location, size, materials, condition, etc.

Anyone wishing to install advertising signage is required to complete an application form please email dcstreaky@streakybay.sa.gov.au or phone (08) 86267033 for further information.

FOOD BUSINESS INFORMATION

What is a food business?

Under the Food Act 2001 a **food business** means a business, enterprise or activity (other than a primary food production business)

- the **handling of food intended for sale**
- the **sale of food**

regardless of whether the business, enterprise or activity concerned is of a **commercial, charitable or community nature** or whether it involves the handling or sale of food on one occasion only.

Food business even includes businesses like the following: chemists, cinemas, corner stores, petrol stations and swimming pools. All food businesses, from major food manufacturers to a local church group that holds a one-off food fair, have **defined responsibilities under the legislation to ensure the safety of food**.

Food Business Notification Requirements

Before starting food handling operations all food businesses operating within the district are required to formally notify Council.

If you have questions regarding your food business operations, please call Council's Environmental Health Officer who is located at the District Council of Wudinna on 08 8680 2002.

How to notify

To notify, all you need to do is complete and submit online the [Food Business Notification Form](#) to SA Health, then phone or email dcstreaky@streakybay.sa.gov.au with your Food Notification Number that will be provided by SA Health.

Further information can be obtained from the SA Health Website

<http://www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/protecting+public+health/food+standards/starting+a+foo>

Mobile Food Vans

Starting a Mobile Food Business

When starting your mobile food vending business please ensure that you are meeting the correct requirements, information can be found at [SA Health Starting a Food Business](#) and the Food Standards Australia Mobile Food Business [Fact Sheet](#)

What does Council Require

When starting a mobile food van business or to commence operating in the Council district you will need to;

1. Review Council's [Mobile Food Vending Fact Sheet](#)
2. Check where you are permitted to operate by reviewing the [Mobile Food Vending Policy](#)
3. Complete and ensure you have your Food Business Notification Number (see above)
4. Complete and Submit the [Mobile Food Vending Application Form](#)

Please ensure that you submit your Mobile Food Vending Application Form at least seven (7) days prior to your proposed operating start date.

GREAT WHITE KAOLIN PROJECT

Andromeda is developing the Great White Kaolin Project, located 15km southwest of Poochera. The mining operation to extract and refine bright white halloysite-kaolin clay is expected to create up to 75 direct jobs and add a significant economic boost to the region over a 26-year Life of Mine.

Mining tenements for the Great White Kaolin Project were granted on 17 December 2021. These include Mining Lease (ML) 6532 over the Great White Deposit and Miscellaneous Purposes Licence (MPL) 163 for a water pipeline supporting operations and MPL 164 for an access road from Poochera – Port Kenny Road to the ML.

Andromeda's focus is now on the second stage of approvals under the South Australian mining tenement system, the preparation of the Program for Environmental Protection and Rehabilitation (PEPR). In compiling the information for the PEPR, Andromeda will explain its operational plan for the Project. Andromeda will also show how compliance with the outcome criteria specified with the grant of the mining tenements will be achieved and measured.

As part of informing and listening to the community, Andromeda will hold Community Drop-in Days at Poochera and Streaky Bay. The aim of the events is to consult with the community on the methods and practices it will include in its PEPR submission.

The community is invited to come along and learn about and discuss the proposed compliance methods, as well as employment and business opportunities with members of the Andromeda Project Team.

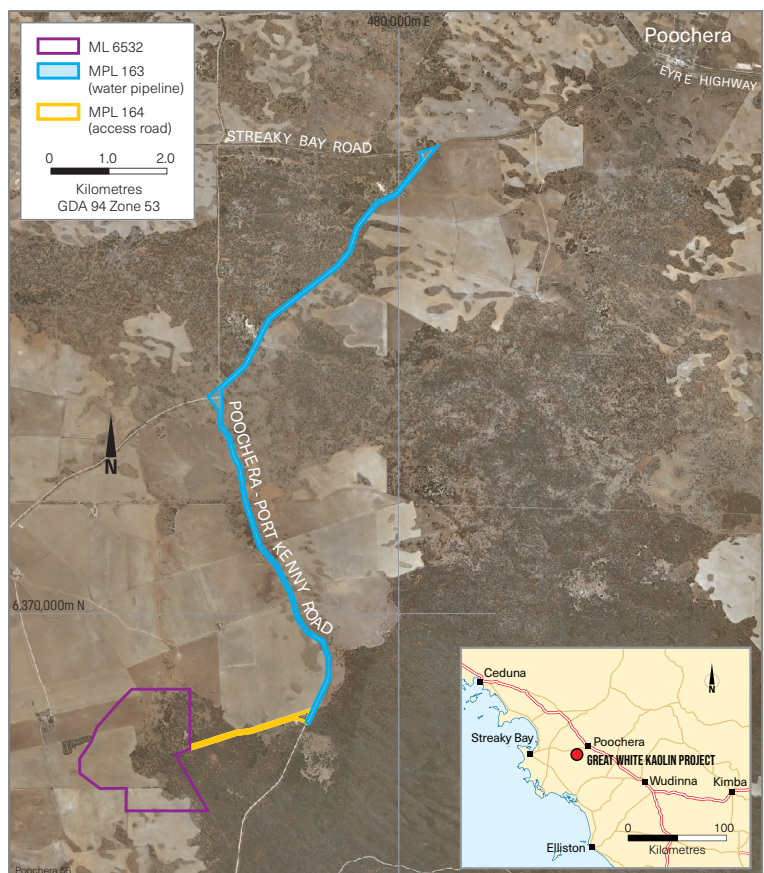

Information to be displayed at the Community Drop-in Days will also be sent to Andromeda's community email list ahead of the April Drop-in Days and subsequently available on Andromeda's website, where community members can provide feedback on the proposed compliance methods:
www.andromet.com.au

Join the community, careers and supplier email lists by visiting
www.andromet.com.au/contact-us/

The Community Drop-in Days are to be held:

**Poochera Sports Complex
on 5th April 2022 11am – 6pm**

**Institute Hall (Supper Room) Streaky Bay
on 6th April 2022 11am – 6pm.**

Great White Kaolin Project location.

Community News

STREAKY BAY BOWLS

Patron's, Patronesses' and President's Bowls

Last week the Streaky Bay Women's bowling club held a 2x4x2 pairs bowls competition.

Patron Don Miller and Geoff Francis, Patronesses' Rae Brewster OAM, Lorraine French and an apology from Gay Fiebig, and Ladies President Sue Montgomerie provided the prize money for the Winners and Runners Up.

Twenty four players participated with 15 ends played before lunch and then two games of 8 ends were played in the afternoon. Afternoon tea concluded a most enjoyable day of bowls.

Visitors who played were Darren Donaldson (Brisbane), Ron Waller (Port Lincoln) and Trish Clarke (Cummins).

A novelty prize donated by the Play Committee for the most shots scored in the power play ends over the three games. Winners were Kerry Johnson and Ross French.

Winners for the day were Gus Giles and Karen Trezona

L-R Back Row: Gus Giles, Geoff Francis Patron & Sue Montgomerie President

STREAKY BAY INDOOR BOWLS

After being closed all through January and early February the Streaky Bay Indoor Bowls Club is pleased to be back in full swing.

Indoor bowling was unfortunately grouped under the COVID Health rules covering indoor exercise but, in mid February a slight easing has allowed the club to re-open, although the wearing of masks still stands.

Wednesday February 16 it was smiles all round when club president Shirley Petty welcomed everyone.

There was a cake (actually 2 cakes) to celebrate the birthday of member Connie Robinson 27/1, the announcement of Gay McCarten to fill the vacancy of COVID Marshall and reminder that bowlers must show proof of COVID vaccination status.

That first day 17 players including 2 visitors lined up. The next Wednesday there were 22 including 6 visitors.

Games played over these 2 weeks demonstrated no skill had been lost during the long closure. In fact, with so many bowls landing in just the right spot, all players are looking forward to many weeks of friendly social competition.

Winning teams were =

Feb. 16 = Jim P., Shirley

Feb. 22 = Gay, Darryl, June, Don

Connie Robertson birthday celebrated at indoor bowls.

SOUTH AUSTRALIAN WOMENS ASSOCIATION INC

StreakyBay Branch

As we wonder what happened to Summer, welcome to Autumn. Time is ticking along far too fast. Our February meeting was our first get together since our Christmas gathering in December and was great seeing our gorgeous ladies again.

After chatting like a pen of hens, our meeting started with those in attendance describing a scary moment in history. From experiences with saving a child in a water tank, snakes, helicopters, driving, birthing, sky diving, bridge walks and the like, the recap of these stories had that disbelieving OMG tone to them.

We have some very strong, fearless women amongst us. February is always our catch-up month for the several member birthdays that take place in Dec-Feb, namely Vonnie, Annette, Kris, Prue, Tricia & Rae. Of these, Mrs Rae Brewster OAM turned a remarkable 90. With Susan's cake making craftsmanship, a beautiful lemon cake was presented to our Rae, the birthday chant sung for all those that aged so gracefully for yet another year and, of course, as tradition demands, we ate the cake. Part of our meetings also entails displaying an item themed specifically for that month and for February, that was an item made by a child. A variety of colourful and interesting creations were tabled, not to mention that underlying personal touch of love embedded in each piece.

Visitors and new Members always welcome.

STREAKY BAY COSMOPOLITAN BOWLS SKINS

Ray White Streaky Bay Cosmopolitan Bowls Skins

On Sunday 13th February the Streaky Bay Bowling Club hosted the annual Ray White Streaky Bay Skins pairs bowls tournament.

Thirty two teams competed for \$2,500 prize money sponsored by Chad Kirby of Ray White Streaky Bay.

Streaky Bay Marine Products, Damon, Sophie, Dion & Renae Edmunds sponsored by donating local seafood for a fish and chip tea.

Clubs represented were Port Lincoln, Cummins, Coffin Bay, Wudinna, Minnipa, Wirrulla, Ceduna, Streaky Bay, Grafton and Brisbane.

Thanks to the many volunteers who assisted throughout the day.

Winners were Rob Oswald and Leon Fisher

Runner up were Darren Walker and Chris Kenny

Third place getters were Nick Wrigley and Regan Brown

Fourth position were Mark Garrick and Denis Richter

Winners: L-R Jack Rumbelow President, Rob Oswald, Chad Kirby Sponsor and Leon Fisher.

Runner up: L-R Jack Rumbelow President, Chad Kirby Sponsor, Chris Kenny and Darren Walker.

Third: L-R Jack Rumbelow President, Chad Kirby Sponsor, Nick Wrigley and Regan Brown.

Fourth: L-R Jack Rumbelow President, Mark Garrick, Chad Kirby Sponsor and Denis Richter.

STREAKY BAY PROBUS

Probus returned to normal meetings on the 17th Feb.

We had December out due to our Christmas lunch and then the meeting scheduled for January had to be cancelled due the covid19.

Our meeting on the 17th was attended by 21 members, and the President accepted 7 apologies.

President Peter Eylward presented our newest member in Margret Mudge (see pic below) with her Probus badge and membership card. Welcome aboard Margret.

Probus normally has a guest speaker but this meeting we had trouble getting one. In lieu of the speaker we watched a episode of backroads that airs on the ABC. This was on Streaky Bay, Baird Bay and Elliston.

Our AGM will be held on the 17th March.

If you would like to elect someone to the committee then let Wayne Miller know before the day.

If there are any new people in town that would like to know more about Probus in Streaky Bay there are pamphlets in the Visitor Info Centre. There is a contact name on the back of the pamphlet.

Regards

Wayne Miller

Community News

STREAKY BAY SCOUT GROUP

EyrePlus and Community team up to transform the Streaky Bay Scout Hall

The local community of Streaky Bay is known for its stunning coastal scenery and community spirit, with the Streaky Bay Scouts Hall sitting in the centre of both.

Streaky Bay Scouts Hall, originally home to the Sailing Club, is a local hall perfectly positioned overlooking Slideys beach. The Streaky Bay Scouts Group, run entirely by volunteers, caters to children ages 6 – 15, providing Scouting programs of Joeys, Cubs and Scouts, as well as providing a safe environment for fun outdoor activities, beach walks and orienteering, hall sleepovers and a camping opportunities.

EyrePlus connected with Streaky Bay Scouts Group in 2021 after learning of the Scout Group's struggle to continue fundraising due to COVID restrictions.

EyrePlus contributed to the Scout Hall's main upgrade, a long wished for maintenance project, with the installation of new opening windows and sliding doors. With the aim to prevent further water damage from the old non closing rusted louvre windows and for the ability to allow more natural light.

Other recent improvements to the Hall pre Covid times include upgraded outdoor lightning, new vinyl kitchen flooring and a new 24 hr access defibrillator machine available to the public courtesy of a 2021 Grant Fund from the Streaky Bay Community Hotel Board.

"Our Scout Committee has always been very focused on maintaining and improving our hall facilities, we truly appreciate our hall and it's fantastic location and look forward to many more fun Scouting years to come."

"For EyrePlus to come on board at these COVID times was a much-appreciated lifeline," We are extremely grateful for their support and generous donation says Leah Bubner, Secretary Streaky Bay Scouts Group."

Improvements were recently completed at the end of January 2022, with the benefits of this upgrade being immense for the Scouts Group as they begin their 2022 Joey and Cub programs from Tuesday 15th February. Held fortnightly thereafter during school terms.

The Streaky Bay Scout Group Committee, would like to thank the following local businesses and community members for their time and assistance.

*Chris Johns from C n R Roofing for the window and door installation.

*Streaky Bay Landscaping, Elliott's Plumbing, Blanchepoint Concreting and Scott France for kindly donated their time and equipment, clearing the front area and laying crusher fines.

*Jim Petty and John Blickestaff from the Streaky Bay Men's Shed for construction and installation of the new wooden steps.

Community News

HOSPITAL AUXILIARY

Thanks to Kerry for enabling us to hold the meeting at her home.

Anthony Ryan attended and explained many issues that were aired on many health access concerns discussed.

Some other discussions re finishing of old bathroom which has been on the go for some time and cement paths to be completed at Elmhaven. Some of these upgrades have been taken to Mid West Health to access funds and we have passed to give the \$5000 which has been saved for this bathroom completion.

Outside area front facing the sea really does need some attention as it is a place which residents and family members need to be able to access and spend time. More discussion on this at next meeting. Anthony will look into some ideas canvassed he was thanked for his input to the meeting.

Last minutes were read and accepted some new ideas for fundraising were canvassed and will be followed up at next meeting e.g. the idea of a high tea instead of usual raffles.

Please note it has been decided to change our meeting day to a Tuesday to accommodate concerns that have cropped up with some of our members next meeting will again be at Kerry's house 2 p.m. Tuesday the 5th of April it will be our AGM.

Concerns re rural areas and their access to health was discussed at length as since the disastrous transforming health idea which came into power from the Labor Govt some years back we seem to be continually going backwards and with distances having to be travelled as well as if we have been forgotten in these rural areas and more certainly needs to be done not just for metropolitan and inner city areas.

Next Meeting Tuesday 5th April at Kerry's home 2p.m.

STREAKY BAY MEN'S SHED

The Men's Shed returned on the 10th February after stopping because of Covid.

The members of the Men's shed are thankful for the donation of tools, paint, and work benches that were given to us by Grant Longbottom. Thanks Grant.

It was a very productive day for us with the steps for the scout hall being completed. Having an ex builder in John O'Brien doing the job made it so much easier. Thanks also to Jim Petty for his input.

The steps were installed on Monday the 14th Feb. From the feedback we have had the scouts are very happy with them. (see picture below)

More bird nesting boxes were finished thanks to Malcolm Brace.

We also have two seats that the Kindergarten has given us to do up. Some joints have been glued and the seats have been painted. (see picture below)

Regards

Wayne Miller

Community Grants

COMMUNITY

Regional Event Fund

The Regional Event Fund is designed to strengthen the state's regional events calendar and drive economic stimulus across the regions beyond the traditionally peak summer tourism period. The South Australian Government recognises the huge impact that COVID-19 has had on the events sector in South Australia.

The Regional Event Fund aims to:

- strengthen the regional events calendar
- drive regional visitation in the immediate term and lead to repeat visitation
- increase event specific visitor expenditure, particularly from interstate
- assist in COVID-19 recovery – recognising that events provide a vibrant and positive social environment for communities
- promote a year-round calendar of regional events
- encourage sustainable event opportunities to build long term capability
- increase collaboration and partnerships among regional event stakeholders, government and commercial partners to deliver stronger outcomes for regional events.

There are four categories in the Regional Event Fund:

- Significant Event Funding
- Established Event Funding
- Development Event Funding
- Emerging Event Funding

Applicants can seek funding from \$5,000 to more than \$50,000 (excluding GST).

The 2022/23 Regional Event Fund will support events held between 1 September 2022 and 30 August 2023. Applications for Round 1 of the Regional Event Fund will close on Friday, 22 April 2022 at 5:00pm.

For applications and eligibility criteria visit: <https://tourism.sa.gov.au/support/regional-event-fund>

Bite-sized Grants

Funding of between \$200 and \$1000 is available for community groups and not-for-profit organisations for small, short-term projects.

The program is funded through the Northern and Yorke Landscape Board to deliver positive environmental and landscape management outcomes, such as garden development, weed control and revegetation projects. For further information visit:

<https://www.landscape.sa.gov.au/ny/get-involved/grants-and-funding>

Major Events Support Grant

A Major Events Support Grant of up to \$25,000 is available for the operators of major one-off events impacted by the health-related trading restrictions. These include major public events in South Australia, organisations will need to provide proof of non-recoverable financial loss - this grant is not industry specific.

To be eligible for the grant a business must:

- have a valid and active ABN (Australian Business Number) and be registered for the GST.
- have an Australia-wide payroll of less than \$10 million in the 2019-20 or 2020-21 financial year.
- employ people in South Australia.
- be the organiser/operator of an event scheduled over the period from 27 December 2021 and 31 March 2022, which was required to be cancelled/postponed.
- the event was a one-off event with an approved COVID Management Plan or COVID Safe Plan catering for an event of over 1,000 combined capacity in one or across multiple locations.
- entities with an on-going COVID-19 Management/Safe Plan for regularly scheduled events are not eligible.
- have incurred a non-recoverable financial loss as a result of the cancellation or postponement of the event.

To receive the full \$25,000 grant, organisers must have experienced a non-recoverable loss that was greater than \$25,000.

For further information visit: <https://www.treasury.sa.gov.au/Growing-South-Australia/COVID-19/january-2022/major-events-support-grant>

Applications close on 30 April 2022

Impact100 SA

Supports educational and community/economic development projects and initiatives.

Expressions of Interest are now open for projects addressing the following themes:

- Helping young people succeed
- Assisting all people to have the tools to be self-sufficient.

Applications close 18 Mar 2022

<http://impact100sa.org.au/our-grants/>

Community Grants

Tourism Industry Development Fund - Regional Infrastructure Projects

Aims to assist in the COVID recovery of regional tourism by encouraging regional operators to improve and diversify so they can attract more visitors and get a higher return on their offering.

Applications close 31 Mar 2022. For more visit:

<https://www.tourism.sa.gov.au/support/tourism-industry-development-fund>

Circular Economy Market Development Grants

Circular Economy Market Development Grants provide South Australian businesses with funding to assist projects targeting recycled materials and/or recycled content products. The program supports projects targeting one or more priority waste materials including plastics, paper and cardboard, glass, scrap metals, textiles, e-waste and tyres. Funding of up to \$100,000 is available.

To be eligible you must be a:

- local council
- not-for-profit organisation
- research institute
- business

For further information visit:
<https://business.gov.au/grants-and-programs/Circular-Economy-Market-Development-Grants-SA>

Nature-based Tourism Co-investment Fund

The South Australian Government is continuing to actively explore new partnerships to expand our range of nature-based tourism offerings to help position South Australia as a world-class eco-tourism destination. The Nature-based Tourism Co-investment Fund will be open until June 2022 (or until the fund is exhausted).

Applicants can seek grants from \$20,000 to \$1 million and are expected to contribute at least half of the total financial costs of their project. Closes June 2022. For further information visit: [Nature-based... - National Parks and Wildlife Service South Australia](#)

SPORT, RECREATION & HEALTH, YOUTH

Office for Sport and Rec Partnerships Program

Eligible organisations can now apply for funding through the Partnerships Program. The grant program responds to the priorities highlighted within the Game On: Getting South Australia moving initiative, a forward looking agenda which aims to get South Australians more active, more often and enjoying the many social, health and lifestyle benefits sport and recreation provide.

This grant program will create opportunities for collaboration between sport and recreation stakeholders, government and non-government bodies, and the for-profit and not-for-profit sector to build a more active state.

Partnership projects that address any of the following Game On opportunities are encouraged to apply:

- Making lifelong physical activity an easy non-negotiable social norm.
- Supporting growth in active transport.
- Encouraging active young people.
- Providing affordable sport and recreation opportunities for all.
- Supporting a sustainable sport and recreation sector.
- Facilitating more and better trained volunteers.

Applications close midday on Wednesday 13 April 2022.

Ski for Life Mental Wellbeing & Suicide Prevention Grants

We give out a series of grants every year to organisations wanting to do their part towards raising awareness for mental wellbeing and suicide prevention. If your organisation is looking into a project that aligns with the Ski for Life mission "For further information visit:
<https://www.skiforlife.com.au/grants>

Woolworths You Grow Girl Grants

Woolworths want to support netball clubs and associations across the nation by offering 125 x \$2,000 grants to netball clubs and associations who continue to seek funding to assist with developments / improvements to their community. For more information visit:
<https://yougrowgirl.netball.com.au/grants/>

Community Grants

The Rural and Regional Enterprise Scholarships (RRES) program

The Rural and Regional Enterprise Scholarships (RRES) program was announced in 2016 as part of the Australian Government's election commitment to improve access, educational opportunities and attainment for regional and remote Australians by supporting undergraduate, postgraduate and vocational education and training students from Certificate IV to PhD level. Scholarships support flexible study arrangements, and are available to eligible students:

- commencing a new course of study in 2021
- studying on campus, online or via distance education
- studying from six months full-time up to eight years part-time
- Eligible students may receive up to \$18,000 each (e.g. for a full-time, four-year qualification). Shorter, part-time qualifications are paid on a pro rata basis. An extra \$500 is also available to support an internship. Note: If you are a school leaver relocating from an outer regional or remote area to study, you may also be eligible for the Tertiary Access Payment.

Round 6 of the RRES program for students commencing study in 2022 will open in early 2022. For more: <https://www.qtac.edu.au/rres-program>

Cricket Australia – Female Participation

CommBank's investment in Cricket Australia's Growing Cricket for Girls Fund is supporting this growth, nurturing the current and future generations of players at community clubs across the country. For more: <https://www.cricketaustralia.com.au/about/diversity-and-inclusion/female-participation>

Assistance for businesses employing young people

YOUTH JOBS PATH (Prepare – Trial – Hire) provides funding to trial a young person aged between 17 - 24 to find out if they're the right fit for your business. If the trial is a success and you hire the young person, you may be eligible for further funding. Grant funding available of up to \$10,000 for Australian businesses.

For further information visit: <https://business.gov.au/grants-and-programs/Youth-Jobs-PaTH>

BUSINESS

Great State Vouchers

Another two rounds of Great State Vouchers will soon be available for use on accommodation and hosted tours and experiences across South Australia. To register for accommodation vouchers, visit: <https://southaustralia.com/voucher>

Support for businesses, jobs & the community impacted by COVID-19

The South Australian Government has introduced a support package for businesses impacted by the health restrictions put in place from 27 December 2021. More details at: treasury.sa.gov.au.

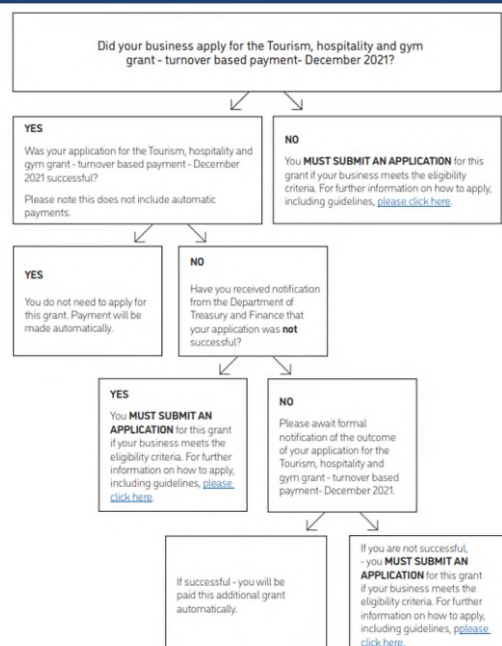

Tourism, hospitality and gym grant - turnover based payment- \$3,000 for employing businesses or \$1,000 for non-employing businesses. Additional \$7,000 for tourism, hospitality and other eligible businesses with turnover above \$2 million. Additional top up equivalent to automatic payment for businesses that did not receive the automatic payment

Business hardship grant - \$6,000 for employing businesses or \$2,000 for non-employing businesses.

Major events grant - Up to \$100,000 for organisers of cancelled or postponed major public events.

Applications close midnight 31 March 2022. **COVID-19 Business Hardship Grant** Grants of \$6,000 available for employing businesses with annual payrolls below \$10 million and \$2,000 for non-employing businesses who have experienced a minimum 50 per cent reduction in turnover over the eligible period.

Tourism, Hospitality and Gym Grant Additional Round - January 2022

Community Grants

ARTS & CULTURE

Arts Sustainability Fund

The Arts Sustainability Fund supports the arts and entertainment sector to continue its activities by providing necessary finance to plan a pathway for recovery from the effects of COVID-19. Funding will support employment and contribute to rebuilding Australia's economy, as well as enhancing community wellbeing and access to cultural experiences across Australia.

The Arts Sustainability Fund will provide \$50 million over two years in 2020–22 so that significant Commonwealth-funded performing arts and culture organisations remain solvent, provide employment, and deliver high-quality cultural and creative activities and experiences for audiences. Applications close 31 May 2022 or until all funds are allocated, whichever is sooner.

For further information visit:
<https://www.arts.gov.au/funding-and-support/arts-sustainability-fund>

Beyond adoption: gendered knowledges in agricultural practice change in Australia

Invitation for women farmers to be part of a study about women in agriculture in the Eyre Peninsula

Hullo

My name is Linda, and I am a PhD student at Charles Sturt University with scholarship funding from the Soil CRC. I am interviewing men and women farmers in the Eyre Peninsula about the way they farm and how they make decisions about farm management. I'm also asking about participation in agriculture events and what types of activities women farmers attend. I'm especially interested in finding out how women farmers approach agriculture and the kinds of things they are doing on their farms. The aim of my research is to find ways to make agriculture more sustainable into the future. This is an opportunity to have your views included in the study.

The interview will be by phone (or Zoom if you prefer) and take around an hour. I'm happy to set up the interview for a time that suits you, including evenings or weekends. All your interview information will be confidential.

This study follows on from the Rural Landholder Survey conducted by the Soil CRC in the Eyre Peninsula in 2020.

If you would like more information or to express your interest in being part of this study
please contact me
Linda Wirf
Email: lwirf@csu.edu.au
Phone or text: 0406 409 747

There will be opportunities later in 2022 to also be part of

- **Focus groups with women farmers** – you will be part of a group of up to six women farmers discussing your experience of and thoughts about agriculture outreach. The session will take around 1.5 hours and will be facilitated by me.
- **World Café sessions with women farmers** – this half day session invites women farmers to get together to talk, write and draw your ideas about agriculture outreach into the future. Up to 20 women farmers will work together in smaller groups. I will facilitate this session. Morning or afternoon tea will provide an opportunity to network and chat as well as contribute to this research.

This research is supported by the Cooperative Research Centre for High Performance Soils whose activities are funded by the Australian Government's Cooperative Research Centre Program. The Cooperative Research Centre for High Performance Soils will not have any input into the research results.

FIRE PREVENTION

Due to recent rain events in the
district, Council wishes to remind

RECONNECT WITH NATURE

Eyrewoolf Homestead is a secluded island retreat located 35km south west of Elliston in the Investigator Group of islands. Welcoming just one group of guests at a time offers a chance to exclusively live and feel the freedom of the island lifestyle. Arrive by plane or boat to explore empty beaches, breathe fresh sea air, and experience nature at its purest.

Open Letter to The Premier of South Australia and Leader of the Opposition

Dear Messrs Marshall and Malinauskas,

As you both know, the electorate of Flinders covers around 221,000 square kilometres and has about 24,000 electors. It is a state and nationally significant home of, amongst others, the agriculture, seafood and tourism industries.

As a small business owner in Wudinna, I have been speaking to the people of Flinders for a long period of time and particularly since I decided to run as an Independent candidate for Flinders. The reason I decided to stand as an Independent is because I have seen what Independents such as Geoff Brock have achieved for his electorate nearby, while Eyre Peninsula gets nothing.

I have listened. The people of Flinders have concerns that need to be heard.

The Liberal Party at the last election won the seat with more than 76% of the two-party preferred vote. Whilst the Labor party has only just announced their candidate. We believe neither of the major parties feel the need to act on the concerns of our electorate. Flinders is the safest Liberal seat in South Australia, so why bother?

Messrs Marshall and Malinauskas, I am not sure which of you will be Premier of South Australia after Election Day, but I do believe your party will need the support of Independents to govern.

Should I be elected as the Independent Member for Flinders then this electorate will finally matter. So, gentlemen, my respectful offer to both of you..... after March 19, let's talk!

Regards,
Liz Haberman
Independent Candidate for Flinders.

Gypsum Resources Australia

Spare Parts, Stores & Maintenance Data Coordinator

GRA own and operate the largest gypsum mine in Australia near Penong (SA). We are seeking to appoint a well organised and practically minded administrator to join our team at Penong/Thevenard.

Reporting to the Mine Manager and Maintenance Supervisor/Planner your duties will include:

- Source, select and maintain optimal stores and parts.
- Maintain clean, well-organised store areas.
- Maintain and update the spare parts system.
- Administer GRA's computerised maintenance management system (MEX)
 - Capture completed work information.
 - Ensure system inputs are up to date and valid.
 - Produce work orders for maintenance team.
 - Produce reports to support maintenance supervisors and planners to plan efficiently.

Required Skills

- Strong communication and people skills.
- Sound mechanical aptitude.
- Excellent planning and organisational skills.
- Sound computer literacy.

For confidential enquiries call Terry Moschos on 0401 894 736.

Applications should be submitted by email to Eleftherios.Moschos@gragypsum.com.au no later than 11th March 2022.
