Streaky Sounds is almost upon us, a family friendly music festival that promises to bring music, joy, and economic vitality to Streaky Bay.

At first glance, one might wonder why Council (with support from its amazing community) is venturing into the realm of music festivals.

Allow me to shed light on the reasons behind this initiative, which aligns with our commitment to enhancing the liveability of our district and fostering sustainable economic development.

Liveability Enhancement: A Harmonious Community Atmosphere

One of the key ingredients that contribute to the unique character of Streaky Bay is its tight-knit community. We believe that hosting events like the Music Festival adds a new layer to our town's liveability. Music has an unparalleled ability to bring people together, transcending age, background, and interests. The festival will create a shared experience, fostering a sense of unity and pride among residents.

Moreover, this event provides an opportunity for local artists and musicians to showcase their talents, creating a vibrant cultural scene within our community. By supporting our homegrown talent, we not only encourage artistic expression but also contribute to the development of a flourishing creative community.

Tourism Beyond Peak Seasons: Putting Streaky Bay on the Map

While our town flourishes during peak tourist seasons, we recognize the importance of bolstering our economy during quieter times. The Streaky Sounds Music Festival strategically positions us as a year-round destination, attracting visitors during off-peak periods. By diversifying our events calendar, we aim to extend the tourist season, thereby generating economic activity that benefits local businesses and stimulates job growth.

The festival will showcase the unique charm of our district, enticing visitors with our breathtaking coastal scenery, warm hospitality, and vibrant cultural offerings. As we draw music enthusiasts and curious travellers alike, we elevate Streaky Bay as a must-visit destination on the map.

Economic Development Catalyst: Supporting Local Businesses

Beyond the cultural and social benefits, Streaky Sounds serves as a catalyst for economic development.

Local businesses, from eateries to accommodations, will experience an upswing in activity during the event. The influx of visitors presents an opportunity for local businesses to showcase their products and services, fostering growth within our business community.

Furthermore, the festival provides a platform for collaboration between local businesses and the broader community. Partnerships formed during such events can lead to lasting economic synergies, benefiting everyone involved.

In conclusion, the Streaky Sounds Music Festival is not just about music; it's about fostering community spirit, boosting our liveability, and driving economic growth in a sustainable manner. So come along to Streaky Sounds 2024 and immerse yourself in the amazing tunes. Ranging from slow acoustic melodies and cover artists to our big indie/alt/pop/rock headliners.

See you on March 10th at the Streaky Sounds Music Festival.

Warm regards,

Damian Carter
CEO, District Council of Streaky Bay

INDOOR BOWLS

January was a big month for the Streaky Bay indoor bowlers. So much was achieved.

There was the organised spring clean on 3/1 plus several individual extra tasks undertaken and importantly a screen door was installed at the clubhouse northern entrance

The door, courtesy of the Sporting Complex, is the last item on the 2023 wish list agenda to be completed.

Social indoor bowling for 2024 commenced on 10/1 following the usual 2 week recess.

Three games are played every Wednesday afternoon and the club is pleased to welcome visitors.

The afternoon of 31/1 had an extra enjoyment when a strawberry and cream decorated cake was presented to celebrate the birthday on 27/1 of member Connie Robinson.

That days play brought some unusual score results of 8/7, 7/8, 7/8 for the first 3 games then at the end of all games played 3 of the 6 teams had each scored 3 wins. This meant a shots count to determine the winner.

January, however, was not filled with all good news.

The passing on 5/1 of longtime bowler June Francis brought sadness to the club. June was a supporter of many sporting bodies and organisations, always in the forefront of volunteers, a friend to many and during her illness June was a lady of immense courage.

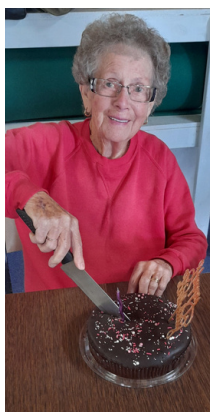

Winning teams were=

Jan.10 = Bev O., Shirley, Joylene

Jan.17 = Gay, Geoff, John

Jan.24= Julie, Roger, Pat, Keith(visitor)

Jan.31= Connie, Darryl, Raylene, Julie

Farewell June Francis

MENS SHED

Our numbers have been up of late with visitors and people back from holidays.

We have been lucky enough to have been given some tools, fasteners and various pieces of timber from a deceased estate. Along with the above items we were given two wooden projects that were incomplete.

Our aim is to complete at least one of these and give it to a family in Streaky Bay who it was intended for. Jim Petty has put his hand up to do this project. We had a visitor in Keith Barker a few weeks back who is living in Elmhaven. Thanks to Elmhaven for lending Keith his gopher to get around, and thanks to Jim Clarke for showing him the way to the Men's Shed. A big thank you must go to John Lelifeld for a great job in sorting out one of our inside wood storages areas.

John also helped Wayne Miller remove some unwanted wood from around the Men's Shed and take to the rubbish tip.

The "A" green out the front of the workshop is looking good again thanks to Mick Le Cerf and Jim Petty.

Thanks to Owen Pritchard for cutting up off cuts of timber we now have plenty of kindling ready for sale for the winter months. As for projects on the go at present we made a mud kitchen for Busy Kids and also about to start another for them. Thanks to John O'Brien and Mick Le Cerf for doing this project. The Rocking chair is complete and waiting to be picked up. We have been approached to make some bat nesting boxes. Some outdoor seats have been dropped off for refurbishing. Still making some bird nesting boxes. We are still collecting old spectacles to send to Indonesia where there is a shortage. Spectacles can be dropped off at the Men's Shed on Fridays or the Bay Community Op Shop during opening hours.

STREAKY BAY PROBUS

Probus began the year technically challenged with a zoom speaker for our first meeting. Ashley Maloney is the Granddaughter of our members Peter and Jenny Elyward. She spoke to us on being a trainer with Australian Lions Hearing ,diabetic dogs and medic Alert Dogs. This organisation is located in Mt. Barker SA.

Since 1980 (ALHD) have been training and offering hearing dogs etc to eligible people. They also have their own breeding programme. There are 2 dogs being used in our own town.

It costs just under \$ 40,000 to train, deliver and support a puppy. They do not get any funding from the Gov, so it is supported by donations. Anyone interested in donating. Contact them on info@lionshearingdogs.com.au They also have lovely merchandise you can purchase. Ashley did an awesome presentation with the help of Jess Mattam, thankyou girls.

On our 'Happy Chat' morning 11 of us visited ElmHaven and had a chat and morning tea with some of our members who are living there, and others in the home, followed by a browse around their gardens. It was a beautiful day, and a very enjoyable morning for all who attended.

STREAKY BAY COMMUNITY OP SHOP

Have you visited this tiny little oasis? Please do.... you may be surprised! There are many bargains to be had. Early in January the Op Shop had a post Christmas/ New Year gathering of its valuable volunteers and their partners at Secretary Julie's home. The 'bring a plate' lunch (and dessert) was accompanied by lots of sociable chit chat, and reminiscing too.

A successful year has seen the shop support Elmhaven and the New Years Eve Fireworks display. More recently the Streaky Bay Area School's 'Bay Racing F1' (who will be competing in the Nationals in Canberra - the only State Regional Team to do so) and the upcoming Streaky Sounds have been sponsored.

Applications for donations by Community groups will soon be advertised, and are to be lodged by 10th May. We consider all requests from within the Streaky Bay Council District.

Keep your eyes on Facebook, with regular updates on all sorts of topics and/or items for sale being planned.

Support of the Op Shop is very strong as we continue to support our community.

STREAKY BAY SCOUT GROUP

Calling new Scout Leaders for 2024

Are you looking for a rewarding local Community Volunteer Role in 2024 ?

Streaky Bay Scout Group is urgently seeking adult leaders to run both/either Joeys and Cubs in 2024.

It would be devastating if in 2024 our important Community Youth group were to go into recess.

Without Scout Leader/s, our vital Community Group simply cannot continue!

Our Joeys (6-8yrs) and Cubs (8-11yrs) kids have enjoyed many years of learning life skills, adventure, friendship, teamwork and fun camps.

All whilst located at the best Scout Hall in SA, at the beautiful Slidys Beach.

For information about volunteer Leader opportunities please contact locally:

President: Shannon Bubner on 0428 272 041 or

Secretary: Leah Bubner on 0419 991 360

Please help support our local kids !

THE BAY Community OP SHOP

Thanks to the generosity and support of our community, The Bay Community Op Shop are once again ready to distribute funds to the community - supporting groups within the Streaky Bay district.

Please make your requests known to the committee in writing, **by May 10th, 2024.**

The following criteria will apply:

- Your request will need to be from within the Streaky Bay District Council Area.
- Your request must benefit the community.
- Your request needs to be for a community group or organisation.

All applications will be considered.

Please forward written applications to:

NATIONAL TRUST MUSUEUM

Streaky Bay National Trust Museum will be celebrating its 45th birthday in 2024. We are going to celebrate with free entry on Friday 1st March (9-2), Saturday 2nd March (9-12) and Sunday 3rd March (10-12). On the Sunday we will be providing morning tea and a birthday cake. We hope that many of our past volunteers and community members come along and mark this occasion with us.

New paving in the Blacksmiths Shop

On that same Sunday our Museum will be welcoming visitors from other National Trust Museums around Eyre Peninsula as later in that day we will be hosting the Eyre Regional National Trust Museums meeting. These meetings are an annual event around Eyre Peninsula where we can share ideas, information, funding sourcing and much more. Guest speaking at that meeting will be Peter Leadbeter who is president of the National Trust of South Australia and Lyn Finch who is president of the Streaky Bay Tourism & Business Association.

New paving at the Kelsh Pug'n'Pine Cottage

The improvement of infrastructure projects that we undertook last year are almost completed. Two sheds have new cement floors, and the paving now extends to the Kelsh Cottage and to the toilets. The Blacksmiths and The Saddlery are also undergoing renovations with both currently having their floors replaced with pavers.

NATIONAL TRUST MUSEUM CONTINUED....

General cargo carrier - the Yandra

Grain carrier - the Harold

Come and visit us at the Museum and see the extensive range of artefacts and information that we have. We have large model boats of fishing boats, grain carriers and general cargo carriers on display. The Harold, which had carried grain from Streaky Bay in the 1930's was commandeered by the United States in WW2 and never returned. The Yandra which bought supplies to Streaky Bay for 30 years, served in the Australian Navy in WW2. The Yandra picked up survivors from the Kormoron, which was the German ship that destroyed the HMAS Sydney. The Yandra was also involved in the hunt for the Japanese midget submarines that were inside Sydney Harbour. After it's war service the Yandra was welcomed back to the West Coast with welcome home parties in several towns.

FAITH NOTES

Last Friday our nation marked the annual commemoration of Australia Day.

For some Christians Australia Day is a National Day of Prayer.

What might our prayers be as we ponder the land, the people and the gifts that abound in our lives?

(1) Prayers of Gratitude

We thank God for the:

- gift of life
- gift of faith and the freedom we have to practice it freely
- gift of our families ... for their love and sacrifices
- gift of friends and a community who looks out for us and after us
- gift of our First Nations Peoples ... their rich history, culture and sacred connection to the land and oceans
- gift of the diverse and stunning natural beauty of the environment ... the oceans, beaches, ancient geological formations, fauna and flora
- giftedness of our community and the personal gifts each of us has been blessed to receive.

(2) Prayers of Lament

Not everything about our nation is as God would want it to be or as we would want it to be. We pray for:

- the poor, the homeless, the lost, the lonely and the least
- those carrying the heavy cross of sickness and limitation
- those in broken and toxic relationships
- respect for the dignity of all our sisters and brothers and opportunity for all
- respect for the sacred gift of life especially for those at the beginning and end of life
- the grace of conversion of hearts to the Gospel and ways of Jesus Christ
- a greater respect for the environment, its finite resources and future sustainability.

Help us to ponder, discover, and live God's will in all the situations of our lives. Allow God to lead us in the ways of truth, love and peace. May we be endowed with all the gifts we need to bring life and light to our every person we meet on the journey of life and may we have a 'heart' especially for those in greatest need. Amen.

Human life is totally dependent on God.

Creation was for our benefit enjoyment and use

allowing us to see and understand how

great and powerful God really is and

what he can do for us.

God deliberately made mankind special.

Made in his image (intrinsic not physical)

so we could have a close relationship with Him.

As with Adam and Eve and many others since
that relationship has soured or become non-existent.

However God is continually reaching out that is why
Jesus came to help each of us renew that relationship.
