STREAKY BAY RSL

Anzac Day

Streaky Bay RSL (subbranch) members conducted the usual badge day on the day prior to Anzac Day. This Remembrance Appeal assists former and current service personnel who find themselves in need. This was extremely well supported by the continued generosity of locals and visitors so many thanks to all who pitched in.

We held the usual two ANZAC Day services, Dawn Service at the jetty platform followed by a Commemorative Service later in the morning at the RSL Hall following the traditional March. Both services were well attended but we thought number were down on previous years due to football and netball being played at Wirrulla and less visitors due to the ongoing fuel situation.

Our thanks go to Tony and Penny Hogan and their staff at the Streaky Bay Community Hotel for once again putting on a great breakfast after the Dawn Service and to the CFS members who did the grunt work in setting up and for cooking us a great BBQ lunch. Father Emil our celebrant from the local Catholic Church did a wonderful job at both services and I am sure having an appreciation of what ANZAC day means to us Australians. The CWA ladies cooked up a storm and had a wonderful selection of biscuits and cakes on sale. I am sure there are others who assisted on the day, so our thanks and appreciation to you also.

Our group is not getting any younger and there are not many of us. We are keen to recruit new members to the RSL so it can continue as an organisation in this town for the years to come. Enquiries welcome to either Mick Taylor, Sue Thomson or Mick Stewart or email at streakybay@rslsa.org.au

PROBUS

March was AGM time for our club, the meeting went smoothly with only a few changes to office bearers.

The new committee is: President Shirley Petty, Vice President Bryony Taylor, Secretary Rose Stewart, Treasurer Pam Pudney, and Membership Officer Zita Chester.

Congratulations to all incoming officers, and a very sincere thank you to Coralie Walker, who has served as Treasurer for many years with dedication.

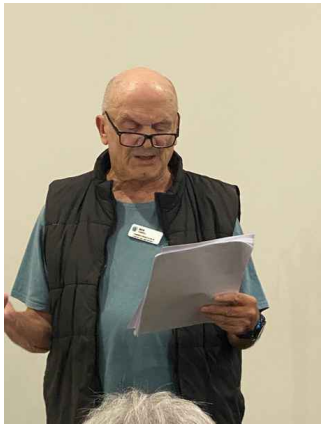

Following the meeting, members enjoyed a relaxing and engaging session with fellow member Nick, who shared his knowledge of meditation and gave a demonstration of Tai Chi — a wonderful way to unwind after the formalities. Of course there was and added bonus of a Peom.

Mad March celebrations followed the next week when members gathered in funny hats at Funked for a fun catch-up over coffee. Easter eggs, favourite quotes, and plenty of laughter were shared as everyone enjoyed the light-hearted morning tea.

In April, we were pleased to welcome two visitors from the Seacliffe Club, Judy and Ian, who gave us a brief insight into their own club. They thoroughly enjoyed their visit to our country club and remarked on how warm, personal, and friendly the atmosphere felt.

Our guest speaker, Craig Kelsh, shared his journey in farming and spoke about receiving the Business of the Year award for Streaky Bay two years ago. Craig operates a substantial farming property and a trucking business alongside his two sons. His genuine passion for the land and for our local community was evident throughout his presentation.

Twenty members gathered for our Happy Chat coffee morning to celebrate our 23rd birthday. With plenty of sparkle and cake to share, it was a cheerful occasion. Rose also brought along her delightful book nook creations, which were admired by all. It was a thoroughly enjoyable morning at the hotel.

MENS SHED

Members of the Men's shed have been busy of late finishing some projects that have been worked on for a while.

The biggest project was replacing the floorboards around the cubby house at the Kindergarten.

Thanks to Jim Petty, Brian Arnold, Mick Taylor, John Lelifeld and Wayne Miller the project was completed in a day. Pictures show before and after. Also, some with us doing the work. We also did a table up for the kindy. Thanks to John Lelifeld for doing the table.

Another project completed was a large storage box that needed new hinges and some woodwork repaired. Thanks to John Lelifeld and Mick Taylor for doing this job.

A shoe box that Peter Elyward has been working on was picked up with good comments on it. See pic below.

The bookcase for the medical centre was also completed and delivered. Thanks to John Thomson and John O'Brien.

Our newest member in George Gardner has been working on a project for himself. This is a chair that is being made from scratch. While on George family members bought in some tools and toolbox for George to use while working on his project.

We have been lucky to be given some tools, nuts, bolts and other items that are surplus to needs by people. Thanks to these persons.

We are in the process of making trucks and trailers for sale in the craft shop. Check out our items at the craft shop.

We convened at the RSL Hall for our April Meeting. A lot of mail from Head Office was discussed. We celebrated 2 birthdays. Floral winners were Marlene, Rhonda and Patsy.

Our next meeting will be held on May 12th at RSL Hall.

YOUTH WORKSHOPS WITH RETRO SQUID

These school holidays, Council teamed up with Kayla from Retro Squid to deliver a series of fun, hands-on youth workshops at the Supper Room, with 24 local kids taking part in the free activities.

The sessions offered a relaxed and creative space where kids could try something new, with resin keyring and jewellery making proving especially popular. There was also plenty of colour and creativity, with wax painting and tie-dye picture activities adding to the fun.

Participants had a great time getting creative, making new friends and proudly taking home their own unique creations, making the workshops a highlight of the holiday break for many.

Council is now looking forward to organising more youth workshops in the upcoming school holidays, building on the success of this program and continuing to provide engaging opportunities for local young people.

INDOOR BOWLS

The Streaky Bay Indoor Bowls Club experienced the month of April 2026 like no other April.

It was a month full of surprises .
1) April 1, 8, 15, 22 many, many visitors nominated to play
2) On each of the 4 Wednesdays the visitors increased player numbers to the mid and high twenties.
3) Every week was more friendship, more fun, more laughter, and more enjoyment.
4) April 8 was business before pleasure, the club AGM and a free cold lunch .
5) April 15 an evening meeting with the Sporting Complex Committee.
6) April 22 final farewell to the visitors and their assurance of a return visit next year.

As for club activities the AGM was attended by 16 members and 5 apologies entered. Bev White and Gay McCarten were re-elected President and Vice President respectively, Sandy McElligott is the new Secretary (Julie Wild re-tired), Geoff Kain and Jim Petty Treasurer and Assistant Treasurer respectively. Committee members are Lyn, Tony, Julie, Joylene, Bev O., Darryl.

Winning teams were=
April 1= Roger, Gay, Glenis, visitors Roger/Pauline
April 8= Julie, Roger, Glenis, visitor Brian
April 15= Bev o., Jim P., James, visitor Betty
April 22= Roz, visitors Ian, Ann, Tim

There was one birthday in April with a cake presented on 15/4 to Marlene 13/4.

STREAKY BAY NATIONAL TRUST MUSEUM

School holidays have seen families come to explore.

Visitor comment: Gentleman & his wife visited. Wife did not want to travel by car, flights were very expensive. Her story - she was enjoying the road trip & loved her experience in our museum.
Maintenance team have laid a path between machinery. Makes viewing much more pleasant than walking in the dirt!
Repairs to shed & guttering has been completed. Thanks to builder for prompt & generous service.

A year 11 student doing a project on 'women in the district then and now' interviewed an older volunteer. Also was able to view some history of schools in the area where ancestors possibly attended in the early 1900's.
Thanks to all who have continued donating their bottles & cans.
New volunteers have completed their Police, Working with Children Checks & National Trust registrations.
Streaky Bay year 3-4 class visited with their teachers. They had an activity sheet to research & complete. Very successful session.

Wendy continues to look at 'then & now' local history & presented some information at the last meeting.
Damaged photo & Mudge/Speed photos will be taken to Port Lincoln for repairs.
Neil Morgan has been working on Cungena Schools photos.
New 'OPEN' flag has been purchased.
Recent National Trust monthly 'Heritage Living" monthly magazine had a couple of interesting articles. Naracoorte Branch (one of National Trust's most popular museums) is about to celebrate its 60th anniversary, celebrating the history of Wool in the Limestone Coast region.

Samuel Doering is likely the youngest person to ever lead the Professional Historians Association of South Australia, aged in his mid 20's. A very brief part of his article: "As a young historian, I am acutely aware that history is now being consumed differently. Short, punchy reels dominate the digital landscape. These dynamic snippets can reach astronomical audiences, delivering visual, accessible bursts of information." "The gutting of university humanities departments must stop. Local organisations require funding and professional support to attract younger people."

Two volunteers will attend the National Trust regional meeting at Cowell on Friday 1st May.

Next meeting 11th May 9.30 am. June meeting will be held on 1st June due Public Holiday on the 8th. All welcome.

ST AUGUSTINE NEWS

Given the closing date for the previous edition of the Criterion coincided with the Easter weekend, we couldn't include much comment on the events leading up to Easter ... so we thought we'd make a short comment this month, looking back to more than chocolate, eggs and rabbits!

Good Friday

Easter Morning

Our services leading up to Easter were well attended with gatherings at Elmhaven Nursing Home, and a Senior Citizens Easter Service, as well as the regular St Augustine's Easter Church Services on Good Friday and Easter Sunday. We also had a chance to share worship on the Thursday evening before Easter at St Canute's Catholic community for their commemoration of the Last Supper. We had the Church open on Good Friday, with quiet reflective music playing for any people who wanted a quiet place for reflection.

Our next major celebration will be The Day of Pentecost on May 24th at 10.30 am. This Service celebrates the Coming of the Holy Spirit to the Church, and as usual all people are very welcome.

Another Day of Celebration will be the Ladies Grace Conference on 20th June 2026.

Information appears elsewhere in The Criterion. All ladies are welcome to come and join us.

St Augustine's were very happy to host the Christian Surfers Australia Leadership Training Team (CSALT) on their way back to Phillip Island. About 30 young surfers had been to Esperance and returned via Streaky Bay. It was a pleasure to accommodate them for a couple of nights. Our thanks to Roland Peters and Brian Arnold, from Family Life and Lutheran Churches, who assisted with the catering at night.

Unfortunately, The Shed is still closed, and we are working towards having it re-opened in June. At this stage please don't leave any contributions for us, as no one is available to collect them.

The Book Exchange is still operating well. Feel free to check it out and borrow a book or two! Return to any Book Exchange when you have finished with it.

Council News

FROM THE CEO'S DESK

From the CEO's Desk: Navigating the Fuel Crisis

Across Australia—and here in our own community—the rising cost and uncertainty of fuel is having a very real impact on how councils operate, deliver services, and plan for the future.

To put this into perspective, Council uses approximately 138,650 litres of fuel each year. This isn't discretionary use—it underpins many of the essential services our community relies on every day. Fuel powers our waste collection, road maintenance and construction, the management of critical infrastructure like the Aerodrome and CWMS, inspections, animal management, parks and gardens maintenance, street sweeping, landfill operations and more.

When fuel prices shift, the impact is immediate and significant. For example, if the cost of fuel increases from $2 per litre to $3 per litre, that represents an additional $138,650 per year to Council's operating costs alone.

However, the broader impact goes well beyond the fuel we directly use. The cost of transporting goods and materials has risen sharply, bitumen prices have effectively doubled, and products like poly pipe—derived from oil—continue to increase. It's important to remember that local government is responsible for managing around 75% of Australia's road network, so these cost increases place substantial pressure on councils nationwide.

Global events are also contributing to this uncertainty. The ongoing conflict in Iran has disrupted vital oil infrastructure, and even if peace were achieved tomorrow, the reality is that supply chains have been damaged and logistical backlogs will take time to resolve. This means fuel prices are unlikely to reduce significantly in the short term.

In response, Council is taking a cautious and disciplined approach to financial planning. As we develop next year's budget, we are stripping back a number of projects and activities, particularly those not supported by external grant funding. The reason is simple—delivering projects in the current environment carries significant risk due to price volatility, material shortages, and contractor availability. At the same time, we must absorb rising operational costs, including fuel.

I have directed Council staff to actively pursue all available grant funding opportunities to support the delivery of key projects. Where grant funding cannot be secured, some projects may need to be deferred until there is greater stability in costs and supply.

FROM THE CEO'S DESK CONTINUED...

We are also planning for potential worst-case scenarios. Council has developed a Fuel Crisis Management Plan, which categorises our operations into:

- Critical services
- Operationally essential services
- Important but deferrable activities

This ensures that, in the unlikely event of severe fuel shortages, we can continue delivering the services our community depends on. In a worst-case scenario where fuel supplies are exhausted nationally, we are confident in our ability to sustain critical operations for a period using Council's own reserves.

At present, our focus is not on conserving fuel due to supply concerns, but rather on reducing unnecessary travel and usage to manage costs responsibly.

While these challenges are significant, they are not insurmountable. Councils across the country are adapting, prioritising, and finding new ways to deliver value for their communities in a changing environment. Here at the District Council of Streaky Bay, we remain committed to making careful, considered decisions that balance financial responsibility with maintaining the services and infrastructure our community relies on.

We appreciate your understanding as we navigate these pressures and continue working to ensure the long-term sustainability of our Council and community.

Kind Regards,
Damian Carter
CEO, District Council of Streaky Bay

The Grace Conference
20th June, at 9.00 am

Would like to have some spiritual refreshment? rest for your soul and mind?

Why not think about coming to The Grace Conference?

The Grace Conference is an annual ladies' conference which has run in Adelaide, for many years. This year we at Streaky Bay are blessed to be able to show it to encourage our ladies.

So, we're calling all ladies, who would like some refreshment or just to take some time out for themselves to come, relax, rest and receive some special pampering.

We'll have music, singing, talks by Fiona Millar.

Fiona is a lover of books, theatre, movies, music, food and people, she is an impulse buyer and lover of spontaneous mischief. She revels in waking up each day in this land of blue skies and bold colours and has much to say to encourage us.

Digital Marketing AOK

Artificial Intelligence is everywhere right now — but for many small business owners it can feel confusing, overwhelming, or even a little intimidating. This practical beginner workshop is designed specifically for owner-operators and small business leaders who want to understand AI without the tech jargon.

In this session you'll learn what AI actually is, see it demonstrated, and have the opportunity to try it yourself (bring your own laptop or ipad). Participants will leave with a clear understanding of how AI works, how to use it responsibly, and the confidence to start using tools like ChatGPT in their daily work.

In this workshop you will learn:

- What Artificial Intelligence actually means in plain English
- Where you are already interacting with AI in everyday life
- How tools like ChatGPT work and why they sometimes get things wrong
- How to write simple prompts to get better results
- Practical ways AI can help with everyday tasks and business activities
- What information should never be entered into AI tools
- Beginner-friendly tools and resources to continue learning

ArtsUp Streaky Bay Crafternoons

Creativity | Connection | Community

ArtsUp Streaky Bay's monthly Sunday Crafternoons are quickly becoming a much-loved community catch-up, bringing people together to slow down, get creative, and enjoy good company.

📅 When: Frist or second Sunday of the month
⏰ Time: 1pm – 4pm
📍 Where: Art Shack, 15 Slidy's Beach Rd

Held at the cosy Art Shack by the ocean, these relaxed sessions are open to everyone — from first-time crafters to experienced makers. Whether you feel like trying something new with our craft taster or bringing along a project you're already working on, Crafternoons are all about creating in a supportive and welcoming space.

Recent sessions have seen everything from beautiful clay creations to artworks inspired by visiting artists, with plenty of laughter, shared ideas, and encouragement along the way. But more than anything, it's about connection — taking a moment out of busy lives to sit, chat, and make something with your hands.

Crafternoons are free and open to all ages, making them a wonderful opportunity for individuals, families, and friends to come together, meet new people, and leave feeling a little more inspired.

So whether you come along with a friend or on your own, you'll always find a friendly face and a creative space waiting for you.

Keep an eye on the ArtsUp Streaky Bay Facebook page for upcoming dates — we'd love to see you at the next Crafternoon.

No experience needed — just bring yourself and a friend

GLASS RECYCLING AT STREAKY BAY WASTE TRANSFER STATION

Glass is made from three raw materials: sand, soda ash and limestone. Recycling your glass bottles and jars can help conserve these materials. This glass can be recycled over and over without degrading: it's a great example of a circular process keeping valuable resources in use.

Different types of glass have different melting and cooling points, so they can't be recycled together. See below for glass that can and cannot be recycled.

Glass that can be Recycled

- **Beverage Bottles:** 10c Refund – Beer and soft drink bottles
- **Beverage Bottles:** Non Refund – Wine and Spirit bottles
- **Bottles and Jars from Foods:** Jams, spreads, pickles, sauces, coffee, oil, condiments, etc.
- **Medicine and Toiletry Jars and Bottles:** Cough syrups, vitamins, supplements, cosmetics such as lotions and oils.
- **Colours:** Clear, green, and amber (brown) glass are generally accepted

Glass that cannot be Recycled (non-recyclable):

- **Drinking Glasses and Glass Kitchenware:** Regular cups/glasses, tumblers, wine glasses, baking dishes, etc.
- **Vases and Candles**
- **Perfume Bottles**
- **Heat-Resistant Glass:** Pyrex,
- oven-proof dishes & ceramics
- **Windows & Mirrors:** Window
- pane glass, mirrors & glass doors
- **Light Bulbs & Globes:** Incandescent & LED light bulbs
- **Opaque Glass:** White opaque glass/milk glass

Important Tips for Recycling:

TIPS

- **Remove lids and caps:**
- (There is no need to remove paper labels)
- **Rinse Well:** Remove any remaining food or other contents
- **Beverage Bottle Deposits:**
- Many drink bottles are eligible for a 10c refund

DISTRICT COUNCIL OF Streaky Bay

Gazania *(Gazania spp.)*

Fact sheet

What do they look like?

Gazania is a drought tolerant perennial herb that is supported by a shallow rooted rhizome system. It grows to an average of 30cm tall. Originally from South Africa, the plant has daisy-like flowers ranging in colour from orange, red, yellow and purple. The leaves are dark green-silver and very hairy underneath. They are long and thin and measure 5-10cm long and 3-20mm wide. The tufts appear as a thick mat, displacing other vegetation in the area. The plants flower from June to December and are often seen in disturbed areas such as roadsides and coastal dunes.

The one seeded fruit is egg-shaped with scales and hairs. The plant reproduces from seed, which is spread by the wind and stolons (stems). The seeds are thought to be short-lived. The plant can also hybridise with other subspecies of Gazania (such as *linearis* and *rigens*.)

Why should Gazania be controlled?

A garden escapee, Gazania is commonly found on the Eyre Peninsula. It has become an environmental weed after being widely planted for ornamental purposes. It easily colonises disturbed ground such as roadsides but invades bushland, crops and vineyards. Once established gazania can form dense stands that exclude all other plants. It impacts on native vegetation by competing for moisture and nutrients. It spreads along road reserves, degrading remnant native vegetation. It invades and degrades coastal dune vegetation.

What are my responsibilities?

Gazania is a declared weed under the *Landscape South Australia Act 2019*. On the Eyre Peninsula the transport and selling of the plant is prohibited.

What are the best ways to control Gazania?

Established infestations can be difficult to remove, but a sustained effort can yield good results. The two main methods are physical and chemical control.

Physical control

Seedlings, small plants and small infestations can be grubbed, making sure all the rhizomes are removed. Correct disposal of grubbed plants is essential to prevent further spread of this weed. It is recommended that you first remove and bag the flower heads to prevent seed dispersal and place them in your red rubbish bin for deep burial at the dump. Once the plant is removed it is a good idea to compact the soil back down to prevent further weed infestation. Planting a competitive replacement is advisable to inhibit re-growth from the Gazania. Known sites should be regularly checked for regrowth.

Chemical control

Large infestations of gazania are best controlled with herbicide. Foliage should be thoroughly sprayed to runoff and care taken not to miss any part of the plant.

Here are some of the chemical formulation options:

Spray plants until just wet with a mix of 50ml glyphosate (450g/L) in 10L water.

In bushland areas use 4g of Lontrel®750 plus 25ml Pulse® in 10L water to reduce damage to companion plants.

200g/ha of Lontrel®750 plus 0.25% wetting agent can be used for roadside and overall spraying.

Roundup Biactive (glyphosate (360g/L) at a rate of 100ml to 10L of water can also be used for conservation areas, bushland and other non-crop areas.

In 100L of water mix 250ml of Lontrel advanced with 2L of Bioweed Organic pine oil. Or in 100L of water mix 500ml of Lontrel 300 and 2L of Bioweed organic pine oil.

The best time to apply herbicides is in autumn or spring, but good results can usually be achieved any time the plants are actively growing.

Do you have Gazania?

If you think you have Gazania on your property, Eyre Peninsula Landscape Board staff can provide advice on control and management.

A Seasonal Guide for Streaky Bay Gardeners

May in Streaky Bay brings cooler days, softer light, and the real arrival of autumn. While temperatures are dropping, the soil still holds warmth from summer and recent rains — creating excellent conditions for steady growth. It's a productive, slower paced month focused on establishing crops and maintaining garden health heading into winter.

What to Plant in May

Planting continues strongly, especially for cool-season crops:

- Brassicas: broccoli, cauliflower, cabbage, Brussels sprouts
- Leafy greens: spinach, silverbeet, lettuce, rocket
- Root crops: carrots, beetroot, turnips, parsnips
- Alliums: onions, garlic, leeks, spring onions
- Herbs: parsley, coriander, chives

Tip: Growth will begin slow, so plant sooner rather than later to give crops time to establish.

Slower Growth, Steady Progress

As temperatures cool:

- Plants grow more slowly but more steadily
- Watering needs reduce — check soil before watering
- Morning sun becomes more valuable for plant health

Tip: Position new plantings where they'll receive maximum sunlight during shorter days.

Soil and Garden Care

Now is the time to build and protect your soil:

- Add compost or organic matter to keep soil active
- Maintain mulch to retain warmth and moisture
- Avoid disturbing soil structure unnecessarily

The benefits of February's rainfall may still be present deeper in the soil profile.

Planting Trees and Natives

May is an excellent time for planting:

- Cooler weather reduces stress on new plants
- Soil moisture supports strong root development
- Less frequent watering is needed

Good local choices include:

- Westringia (coastal rosemary)
- Grevillea and Correa
- Eremophila
- Native grasses and groundcovers

What to Prune in May

- Roses: light tidy up only
- Perennials: cut back spent growth
- Herbs: harvest lightly and trim as needed
- Fruit trees: remove dead or damaged wood

Save major pruning for winter when plants are fully dormant.

Gardening for Wellness

May encourages a slower, more mindful approach to gardening:

- Enjoy quiet time outdoors in cooler, calmer conditions
- Focus on simple, steady tasks rather than big jobs
- Appreciate the shift in seasons and slower pace of growth
- Harvest fresh greens for warming, home cooked meals

Gardening in May is about patience and consistency — small efforts now will carry your garden through winter and into spring.

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Tamarins Easy Veggie Bake

Ingredients

- 1/2 small butternut pumpkin, peeled & very thinly sliced
- 4–6 potatoes, skin on, very thinly sliced
- 1 zucchini, finely diced
- 1/2 cauliflower, thinly sliced (tops will crumble)
- 1 broccoli, thinly sliced incl. some stem (tops will crumble)
- 1 carrot, thinly sliced
- 1 tbsp besan flour, or flour of choice
- 1 tsp cornflour
- Milk of choice or veg stock
- 2 tbsp wholegrain mustard
- 1 tbsp butter
- 1 tsp nutmeg
- 1 tbsp onion powder
- 1 tbsp garlic powder (or fresh/crushed garlic)
- 1 tbsp parsley or thyme
- Salt & pepper to taste
- 500g grated cheese

Method

1. Thinly slice all vegetables. Melt butter in a saucepan, add besan flour and cornflour and cook for about 45 seconds. Slowly add milk or stock, stirring continuously until it starts to thicken. Add mustard, onion powder, parsley, garlic, salt and pepper, then stir through half the cheese until melted and the sauce is thick.
2. Starting with the pumpkin and potato, layer them on the base of a baking dish, slightly overlapping like fish scales. Build 2–3 layers, then add a couple of dollops of cheese sauce. Add zucchini, cauliflower and broccoli, pour over more sauce, then add a thin layer of carrots. Finish with remaining pumpkin and at least 2 layers of thinly sliced potato on top.
3. Pour over the rest of the sauce, sprinkle with remaining cheese and bake at 180°C for 40 minutes. Let stand for at least 15 minutes before serving.

Bens Healthy Apple Crumble

Ingredients

Filling:

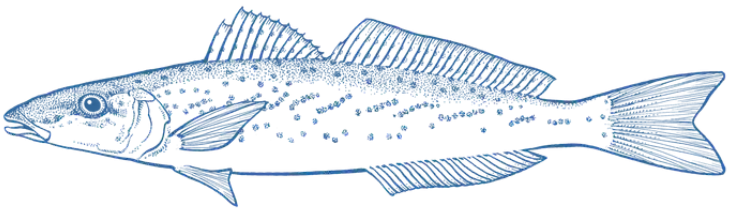

- 5–6 apples (peeled, cored, sliced)
- 1 tbsp lemon juice
- 1–2 tbsp honey or maple syrup
- 1 tsp cinnamon
- ½ tsp nutmeg
- 1 tsp vanilla extract
- 1 tbsp cornstarch (or plain flour)

Crumble topping:

- 1 cup rolled oats
- ½ cup whole wheat flour (or almond flour for gluten-free)
- ¼ cup chopped nuts (almonds or walnuts)
- 2–3 tbsp coconut oil or olive oil
- 2 tbsp honey or maple syrup
- 1 tsp cinnamon
- Pinch of salt

Method

1. Preheat your oven to 180°C.
2. Toss the sliced apples with lemon juice, honey, cinnamon, nutmeg , vanilla, and cornstarch until well coated.
3. Spread the apple mixture evenly into a baking dish.
4. In a separate bowl, mix together the oats, flour, nuts, cinnamon, and salt.
5. Stir in the oil and honey until the mixture becomes crumbly.
6. Sprinkle the crumble topping evenly over the apples.
7. Bake for 30–40 minutes, or until the top is golden and the filling is bubbling.
8. Let it cool slightly before serving.

What does saying

“Thank you”

mean to you?

God gave you Christmas

and Easter

opening the opportunity for

your relationship with Him

to be restored.

(Paraphrased from Gospel of Luke chapter 17; verses 15-19) One of them, when he saw he was healed, came back, praising God in a loud voice. He threw himself at Jesus’ feet and thanked him. Jesus asked, “Were not all ten cleansed? Where are the other nine?” Then he said to him, “Rise and go; your faith has made you well.” (*Has restored your relationship with God.)*
