## GOVERNANCE AND ADMINISTRATION

### Council Meetings November 2019 – Change of Times

Council have agreed to change the times of the 21 November 2019 Ordinary meeting of Council to commence at 2.00pm.

### Informal Gatherings and Fraud, Corruption, Misconduct and Maladministration Prevention Policy

Council was presented with an updated version of the existing Informal Gatherings Policy relating to the organisation and implementation of Council related Informal Gatherings, and a Fraud, Corruption, Misconduct and Maladministration Prevention Policy. The Policies were adopted at the October 2019 meeting of Council.

### Public Interest Disclosure Procedure

This Procedure, and the Council's Public Interest Disclosure Policy, are designed to ensure that procedures are in place for the making of such Disclosures and for dealing with such Disclosures, and by providing appropriate protections for those who make such Disclosures. The procedure was presented and adopted at the October meeting of Council.

### Local Government Reform Submission

Investigations into potential Local Government reform are currently being undertaken. The reforms suggested are wide reaching and have been grouped into four Reform Areas: **Reform Area 1 – Stronger Council Member Capacity.** This area covers everything from Councillor behaviour, to the role of the Mayor, to training, CEO Remuneration and performance management. **Reform Area 2 – Lower Costs and Enhanced Financial Accountability** This area considers possible reforms to audit and risk committees, the introduction of governance committees, how financial reports are presented and how they are consulted upon. **Reform Area 3 – Efficient and Transparent Local Government Representation** This area questions the timing of local government elections, through to election processes, candidate reporting, how the votes are counted and how vacancies might be managed. **Reform Area 4 – Simpler Regulation** This area consists of topics including community engagement, internal review of council decisions, publication of information, register of interests, community land revocations, and the management of council roads.

Council was presented with a report detailing a response from Council regarding the reform and this document was endorsed by Council. A full copy of the response is available in the October Council Agenda.

### Sale of Properties – Non Payment of Rates

Council were provided with a report and list of proposed properties to commence sale of due to ongoing non-payment of rates. Council endorsed to commence the process at the September meeting. Council staff will endeavour to provide a community education program prior to the commencement of this process.

### Road Naming and Numbering

A further report was presented to the September 2019 ordinary meeting of Council. At that meeting a new Rural Property Addressing and Residential Numbering Policy, and Road and Place Naming Policy was presented, both policies were endorsed by Council. Council in addition to this endorsed the review of current road names with a view to official gazettal of road names in the future. A report will be presented to the November meeting of Council with recommendations for amendments if requested.

## ECONOMIC DEVELOPMENT

### Baird Bay Telecommunications Tower

Council have been successful in gaining blackspot funding for a telecommunications tower to be installed at Baird Bay. Discussions regarding the size and location of the tower prior to the confirmation of the successful bid, led to some confusion regarding the size of the tower to be installed. Advocacy at the State and Federal level by the Mayor and CEO has resulted in the Federal Minister for Grey, Mr Rowan Ramsay MP meeting with Telstra and the relevant communications Minister in an effort to assist with delivery of the correct telecommunications tower. A 20m tower will now be installed with a 2km radius. The permit has been placed out for public consultation. This does not preclude Council from applying for a larger tower in the future.

### Draft Eyre Peninsula Regional Transport Strategy

The Eyre Peninsula Regional Transport Strategy is currently under review. This document is a collaborative approach to a regional hierarchy for road upgrades across the region. The hierarchy is then utilised to strategically source funding. Council staff prepared feedback via a submission that was endorsed by Council at the October meeting. A full copy of the submission is available for viewing within the Agenda document.

## TOURISM

### New Year's Eve Event and Dry Zone

The Annual Fireworks and Children's Festival event is planned and will be held in the same format as previous years.

## Council News Cont'd

### New Year's Eve Event and Dry Zone

Council considered a report regarding Dry Area's for New Year's Eve with the designated dry areas to remain the same as previous years.

### Street Banner Signs – Streaky Bay

A report will be presented to the November 2019 meeting of the Community and Economic Development Committee providing options for future signage.

### RV Campground – Toilet Facilities

Council considered a report following the recommendation of the Community and Economic Development Committee to open the toilet facilities at the RV Park, Streaky Bay. Council resolved to only open the toilets during peak periods.

## COMMUNITY DEVELOPMENT

### Childcare Feasibility Study

Child Care study has been presented to the Community for feedback and the consultation period closed. A report was presented to the October 2019 meeting of Council outlining the community response to the report and Council at that meeting resolved to receive the report. There will be no further commencement of further investigations at this stage.

## STORMWATER MANAGEMENT

### Philip Street – Stormwater Management

A request was received for Council to investigate stormwater management solutions for the end of Philips Street, Streaky Bay. There is currently no stormwater infrastructure in place. Council considered a report to the October 2019 meeting of Council and Council resolved at that meeting to budget an additional \$17,000 in the current financial year to undertake the required works.

## HEALTH MANAGEMENT

### Regional Health Plan Review

Currently being reviewed by all CEOs from the four Councils. Input has been provided and a draft final report should be ready for the December meeting of Council for consideration.

## PLANNING & REGULATING

### Eyre Peninsula Joint Planning Board and Regional Assessment Panel

A meeting was held 6 November 2019 with Eyre Peninsula CEOs and Victoria Shute from Kelliedy Jones to discuss options regarding the formation of Regional Assessment Panel(s). A report will be provided to the Ordinary Meeting of Council in November for consideration.

## AUSTRALIAN CITIZENSHIP

Sirinthip Makklieng and Thuy Hong Ninh were officially recognised as citizens in front of friends, family and community at the Supper Room Studio Gallery on Thursday 19 September. Deputy Mayor Philip Wheaton conducted the ceremony and Member for Flinders Peter Treloar then noted "Australia was a melting pot of cultures from throughout the globe", before Ms Makklieng and Ms Ninh took the citizenship pledge and received their certificates.

Ms Makklieng, originally from Thailand, said it was a wonderful experience after living in Streaky Bay for eight years with her son.

Ms Ninh arrived in Streaky Bay from Vietnam six years ago and lives with her husband and two daughters. She said "Now I can vote, I have my rights and I'm proud of that".

Streaky Bay resident Catalina Camilleri can also now officially call herself an Australian after receiving her citizenship at a ceremony on Tuesday 8 October. Mrs Camilleri was due to receive her citizenship at a ceremony hosted by the Streaky Bay District Council alongside two fellow community members last month, but was too sick to attend. The Council organised another ceremony to award her citizenship at the Streaky Bay Visitor Centre, led by Mayor Travis Barber. Mrs Camilleri was born in the Philippines and has been living in Australia for the past decade. She lives with her husband Bob Camilleri and their son Bob jr.

## HOSPITAL AUXILIARY

As a small group we were happy to help at Rodeo fundraiser but due to the small number of members we have decided to offer support and help to the Medical Clinic board at their stall on that day instead.

Karen Trezona our rep on Mid West was our guest speaker. She gave a very in depth talk on the complexities of being a rep on this committee and the recent changes taking place. The Eyre and Far North Local Health Network is the new governing body of which the HAACS and board members will be part of, as well as reps from all avenues of health services delivering to our communities. This is a vast area to cater for, even encompassing as far away as Coober Pedy mind boggles how this can be accomplished!! An AGM is to be held on 25th November at 5pm in Elliston, Karen has engaged with Elmhaven on the urgent needs for \$\$ and support for projects looking to be undertaken there and is endeavouring to bring this to the notice of the HAAC committee. Outdoor blinds and cement work are 2 priorities, also acknowledging the need for more man hours for gardening/maintenance over our 3 sites.

Finances were discussed and Karen was peppered with many questions on what is available and how and where it can be spent. Karen was thanked for her frank and informative talk and commended for her ongoing support and dedication to this important part of health facilities and their functions in our smaller rural and remote communities.

The gardening group have been working hard to keep our facilities looking cared for and maintained and have requested some help from the mens shed re seats ect badly in need of repairs and resurfacing special thanks to the 2 Ross's for their help with this project. Also big thank you to those extras who turned up for the big trim, could not of done it without you!

A Christmas Raffle will be held on December 13th meeting closed 4pm.

Next Meeting December 9th Hospital boardroom at 2pm.

## STREAKY BAY GOLF

This year the Streaky Bay Golf Club has re-invigorated its Junior Golf program, after a seven year absence, with regular sessions each Sunday morning running from 9.00am through to 11.00am. Currently up to 15 juniors attend each session, with the junior program focussing on skills development and a 3 hole competition and the senior kids playing a 9 hole competition. This is the only junior program operating in the Far West and we think across Eyre Peninsula outside of Port Lincoln and Whyalla. This Saturday the Streaky Bay Junior Golf Open will be held at the Streaky Bay Golf Course commencing at 9am and finishing with trophy presentations and a sausage sizzle.

The Streaky Bay Golf Course has undergone substantial upgrading in recent years, with the installation of the grey water fairway watering system and replanted fairways which has resulted in year round high quality fairways. In the past couple of years the club has planted three greens, which have replaced old scrapes, resulting in higher levels of challenge and assisted players to gain skills in regularly putting on greens. The availability of green play has enabled our junior golfers to qualify for state level competitions without having to travel to and qualify on courses with greens such as Whyalla or Port Lincoln. A fourth green has been planted and will come into play over the summer with plans afoot to convert all sandscapes to greens in the coming years. The club has experienced ongoing challenges in maintaining sand scrapes after the previously used furnace slag became unavailable.

There has been major re-shaping of scrapes over the past few weeks (some multitiered) in preparation for grassing which has now occurred. The re-designing was carried out by Roxby Downs Golf Pro – Wade Cooper, Nigel Brace and Graham Redding using machinery donated by Nigel Brace, Graham Redding and Cactus Feltus. Seven pallets of santa-anna grass was transported over from Adelaide by McEvoy's (who donated the transport), the grass cost approx. \$3300. \$2500 has been donated by Streaky Bay Marine Products (Dion and Damon Edmunds), \$500 by Streaky Bay Hotel (Tony Hogan, \$200 Mark Wrigley) and \$300 by Killer's (Nigel Brace). The grass has covered two scrapes and the rest of the scrapes were planted out using scarifying off cuts by volunteers over the last few weeks. Temporary greens have been established in front of all holes - so the course is still perfectly playable with a slightly shorter layout. We are asking the public to please stay off the re-planted greens whilst they get established over the next couple of months and to seriously consider getting involved in golf given the shift to grass putting greens that is occurring.

## PROBUS

There has been a good roll of members & visitors at the Sept and Oct meetings. Brevet Sergeant Brett Bowden, officer in charge of the Streaky Bay Police Station, spoke to us of gopher usage and rules. Gopher riders are classed as pedestrians and have no rights over paths or roads. An interesting and informative address.

Keith Johnson then spoke of his 10 years as a Councillor and then Chairman of the District Council of Streaky Bay. Keith related how frustrating some proposals to Council can take so long to resolve and then again how rewarding it is when achieving improvements for all the Council area. There were a few funny experiences that Keith highlighted, one being the public toilet issue.

10 members attended the Probus Rally at Port Lincoln on September 10 & 11. President Heather spoke of the success and pleasurable time they all had.

Vice Pres. Peter Eylward presented our banner with all banners from the various clubs on display.

Next Rally will be held at Kimba.

The Barossa Valley Club will be visiting Streaky Bay on October 27th and have invited our club to meet with them for a BBQ at the Little Islands Caravan Park.

On October 1st, 25 of us travelled to Peter & Val Vowels to view the amazing stone work, the architecture and positioning of their buildings.

Native trees and ground cover among palm trees giving a cool and calming experience. Peter has everything one can imagine and has designed and built much of their home, sheds etc. Afterwards we all arrived at the Terrace Pizza for lunch. Lovely meals and service was enjoyed by all. Suzie Kenny was guest speaker at the October meeting on Holistic Healing, Health and Wellbeing. Most informative and interesting, Suzie even had members interacting with actions and music.

A bus tour to Elliston has been on the agenda for a while. Ideas are to visit Venus for morning tea, Lunch at Elliston and visit places of interest in and around Elliston next year.

New membership inductees at the October Meeting. Phil Purdy, Gail Miller, Heather Carey (President), Sandie Quast and Dilys LeCerf.

## INDOOR BOWLS

Plans are underway for the Streaky Bay Indoor Bowls Club Christmas lunch, this year to be in the Streaky Bay Hotel on Wednesday December 4th. In past years the lunch venue has been at the Caravan Park Kiosk where the proprietor Michelle always served a scrumptious 2 course festive meal with all the table trimmings and decorations. Now with the change of venue necessary, the talk is about the menu.

In October the bowls competition has brought some very close scoring finishes. It's often the last end and/or the last delivery that can make or break. On 2 separate Wednesdays a last end was needed for a team to scoop the day's prize. Penalty scores can make a difference but these have been on the downhill trend. On October 9th when 23 bowlers played there were only 3 penalties, 2x4 and 1x3.

Birthday cakes for Sandi and Darryl were cut on October 16th and on the 9th a big welcome was given to visitor Sharyn, a previous member of the club. Visitors are welcome to try their hand at indoor bowls on any Wednesday afternoon. Games are played in a relaxed drawn teams format with lots of laughter, no pressure with new and previous bowlers welcome.

## MEN'S SHED

The Men's Shed has had an interesting October.

We have now signed a one year lease with the council.

Thanks to all members that helped we have now completed the bar and the pallet cap/stubbie holder rack that will be used at the Rodeo to sell merchandise from. Lyn Finch who is President of the Rodeo committee visited the shed along with her husband Gary, Kurt Walter a professional rodeo photographer (who took some pics), Caitlin Mitchell who is an entrant in the Rodeo Queen quest raising money for our hospital, and Merey Colquhoun who is from Barrel Racing TV she will telecast the rodeo live to the world. All of these people were very impressed with what we have made for the Rodeo. If there is anyone out there that would like to have a look at the pictures please let Wayne Miller know.

The Streaky Bay Golf Club hole in one honour board is now complete. The Kerrin McEvoy fundraising thermometer has now been erected at the end of Bay Rd. The total is now \$90,000. Thanks to Jim Petty, Tracy McEvoy and Phil McEvoy for the help with this. Some of our members have been busy stripping and painting some bench seats for the hospital. Thanks to Ross French (member) and Ross Brewster (volunteer) for doing this work.

We also would like to thank Trent Brace for coming along and giving us a hand with some projects, his help has been much appreciated.

We now have our own computer thanks to Sunnybank Men's Shed in QLD. There was a small cost involved in getting it over here, but we think it will be a benefit to us when looking for info or items to purchase.

Georgina Elliott from the school came to the shed to give us a bit of a talk and see what she can do for us in regards to mobile phones, laptops, computers and what we can access from the library.

Reflective Landscapes and Circles of the Seasons – Spring

Liz McTaggart and Jo Ankor

29th November – early January

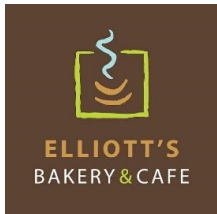

Hosted by the wonderful Elliott's Bakery and Cafe

30 Alfred Terrace, Streaky Bay

*Reflective Landscapes* draws on glimpses of our local familiar landscapes. Building on Liz's mosaic design work and extending into acrylics and Jo's thread painting, these interpretations reflect the land, sea and sky of the beautiful local environment we live in, be it the sand dunes, paddocks or different shades of native bushland.

*Circles of the Seasons – Spring.*

Living in a rural environment intimately immerses us in the comings and goings of the seasons. These four pieces depict some of the delightful elements of the circle of the season coming into Spring – the bright green of new growth, the gold of the wheat, the busyness of the local bird species, the cheekiness of the our local Willy Wagtails!

## STOP YOUR DOG ESCAPING - SECURE YOUR YARD

Under new legislation you could be facing an expiation fee of \$210.00 if your dog is found wandering at large.

Avoid any fine and keep your dog safe by eliminating any escape routes from your property.

### Tips to keep your dog from escaping

- Ensure your property is fenced
- Move structures or objects away from fences that your dog can use to jump over
- Bury chicken wire at the base of your fence
- Keep them entertained with things such as 'Kong' toys while you're away from home
- Only correct your dog if you catch them in the act of trying to escape
- Walk and exercise your dog daily

Most importantly ensure your dog is registered with Dogs and Cats Online, is microchipped and has a current registration tag fixed to its collar.

This will ensure your dog is returned quickly without incurring impoundment fees.

## New Adult Safeguarding Unit opens to take reports of elder abuse

South Australia's new Adult Safeguarding Unit (ASU), located in the Office for Ageing Well is open for business.

The ASU is empowered to act upon reports of abuse or neglect of adults who, through their health, life or other circumstances, may be vulnerable to abuse or neglect.

The ASU will assess all reports of abuse and will then decide on the appropriate action. This could include investigating the situation further or taking immediate action, depending on the situation.

For the first three years, the ASU will respond to reports of abuse of people 65 years and older, or 50 years and older, if the person is Aboriginal or Torres Strait Islander. From October 2022, the Unit will take reports about all adults (regardless of their age) who because of their vulnerability may be experiencing abuse or harm.

The ASU will also focus on the prevention of elder abuse by raising awareness within the community.

Members of the public can report abuse, and seek free confidential advice and support, by contacting the Adult Safeguarding Unit through the **SA Elder Abuse Prevention Phone Line 1800 372 310**.

Or by emailing the ASU via [stopelderabuse@sa.gov.au](mailto:stopelderabuse@sa.gov.au).
