Council News

GOVERNANCE

Caravan Park Land Purchase

Council are continuing their negotiations with Department for Environment and Water and Crown Land to pursue the purchase of the land on which the Streaky Bay Foreshore Tourist Park resides.

INFRASTRUCTURE

Wirrulla Dump Point Location

Council considered a report on the location of the Wirrulla Dump Point following a survey proposing two locations for the dump. The survey results were almost even for each of the locations, Council Officers will now pursue options for installation of the point near the Wirrulla Hall.

Streaky Bay Jetty Repairs

Council Officers will be meeting with the Department of Infrastructure and Transport representatives to discuss timeframes and plans for construction and site set up.

Development of Unmade Roads Policy

Council has reviewed its Development of Unmade Road Policy, whilst there was no change to current policy direction additional clauses were added to reference development under the Planning, Development and Infrastructure Act 2016. A copy of the policy is available on Councils website www.streakybay.sa.gov.au

Roads Update

Roads – Construction

Currently completing

- Pines Road (from Eyre Hwy to 3.8km South)
- Jessie Flat Road (from End of Bitumen Seal to Kelsh Road)

Montgomerie Terrace Shared Use Path

The surveyor undertook an initial site survey in early May and that data will be utilised to develop the initial draft plans in early to mid June.

PLANNING & REGULATORY

Land Management Agreement Waivers

Council received a request to waive Land Management Agreement restrictions for an allotment on Oscar Williams Drive in the Blancheport Heights subdivision, this request was endorsed by Council.

Advertising Signage Policy

Council reviewed its Advertising Signage Policy to include the ability to locate a small information bay in the Wells Street Caravan Parking area for local businesses to advertise (similar to the dump point area at the Pioneer Park).

ECONOMIC DEVELOPMENT / TOURISM

Caravan and Camping Strategy

The public consultation period for the Caravan and Camping Strategy has now closed and this will seek to be endorsed at the June ordinary meeting of Council.

Streaky Bay Township Entrance Statements

Entrance Statement signs have been installed. Stack stone walling has commenced. Small scale landscaping will also be undertaken.

Council has requested that Council Officers investigate the installation of a “Thanks for Visiting” sign to be placed on the statement that is located just before the Little Islands turn off. Council Officers are seeking quotes and looking to fund it via unspent money allocated to the project.

Camping – Poochera

Council considered a report regarding fencing off an area on the corner of the Eyre Highway and Streaky Bay to Poochera Road due to an increased amount of camping occurring at this location. Council resolved that the site continues to be monitored.

Council News

SUSTAINABILITY

Native Vegetation Management Act

Council considered a report to the May ordinary meeting of Council regarding proposed amendments to the Native Vegetation Management Act. Council will be putting in a submission to support some aspects of the act while opposing the changes to the composition of the board, opposing increasing penalties for breaches of the Act, future considerations for clearance to allow for increased size of machinery and vehicles traversing roadside, changes in agricultural practices, road works for road authorities (e.g site distances).

Stormwater Management Plan Development

Community Feedback following the consultation period has been provided to the consultant. The Final Draft is expected to be received mid June and will be reviewed by Council prior to adoption.

COMMUNITY DEVELOPMENT

Memorial Policy

Council has reviewed the Memorial Policy and no changes to the Policy were recommended.

Healthy Aging Strategy – Grant Funding

Council has been successful in its application to the Office of Aging Well (SA Health) to develop a Healthy Aging Strategy. The community and interested stakeholders will be advised when the initial consultation commences for the development of this strategy.

Community Grants Program

The Community Grants Program has been included in the Draft 2024/25 Annual Business Plan and Budget, if adopted Council Officers will seek to commence the opening of these grants as soon as possible.

Wellbeing Project Update

Stakeholder Focus Group

The first workshop was held on Thursday 11 April at The Supper Room, 25 of the projects select Stakeholder group were in attendance including a representative from Preventive Health SA. The Wellbeing Project team were extremely happy with the outcomes of this discussion, providing a solid foundation for the direction of the project.

COMMUNITY DEVELOPMENT CONTINUED

Discussions highlighted the current strengths of the community in relation to Wellbeing and also the current challenges being faced in relation to wellbeing.

Community Drop-In Sessions

Organised and facilitated by The Wellbeing Project Officer and The Chief Executive Officer, two community drop-in sessions were held on Thursday 18th and Tuesday 23rd of April respectively. No community members attended these sessions.

Wirrulla Parent Drug and Alcohol Information Session

A parent information session run by Encounter Youth to engage with our Districts smaller and more isolated communities. This session was well attended. A similar session was planned for Poochera however had to be cancelled due to a lack of registrations.

Survey Results

A snapshot of survey and workshop results will be put together and published in the coming weeks.

TREE GUARD GIVE AWAY

Council has a number of wire cyclone mesh tree guards covered with shade cloth to GIVE AWAY at the Transfer Station.

These are used and now surplus to requirements.

Please contact the Main Office on 08 8626 1001 and talk to Michelle to arrange collection.

Depending on interest, numbers per person may be limited.

Council News

FROM THE CEO'S DESK

Lobbying for Our Community

Often, you will find Mayor Barber and me in Adelaide or other places, such as recently at the Country Cabinet in Port Lincoln, actively lobbying for the district of Streaky Bay and its needs. As a small community located approximately 700 kilometres from Adelaide, we must ensure our voices are heard.

The roles of a Council CEO and Mayor are pivotal in advocating for their community. We engage with state and federal government officials, as well as other key stakeholders, including utility providers, to address the community's needs. Our collaborative efforts focus on securing funding for local projects, improving infrastructure, and tackling specific issues such as health services, education, and economic development. Through strategic meetings, presentations, and submissions, we provide compelling evidence and proposals that highlight the benefits of investing in our area. Our advocacy aims to build strong relationships, garner support, and ensure that the voices and interests of our community are recognized and acted upon by decision-makers.

While I am compensated for this work, Mayor Barber operates largely on a volunteer basis with a limited stipend. His dedication and passion for our community are truly commendable.

We have been getting some wins and recent successes in our lobbying efforts include:

- Upgrades to the NBN Network (currently underway, please be patient)
- Reinstating vehicle access to the Streaky Bay Jetty (scheduled for later this year)
- Widening identified corners on the Flinders Highway between Elliston and Streaky Bay to ensure greater safety (scheduled to occur in the next 12 months)
- Upgrading the water infrastructure in Streaky Bay to allow for the reinstatement of water connections
- Inclusion in the RAA electric car recharging network
- Taking care and control of Perlubie Beach to enable better management of the beach

FROM THE CEO'S DESK CONTINUED

However, we acknowledge we still have work ahead of us and our current lobbying priorities are:

- Water: Increasing water pressure in Streaky Bay and expanding the footprint of the current SA Water's network.
- Secure Energy: Upgrading the current electricity network to ensure more reliable power across the district.
- Health Services: Advocating for a full-time doctor and support services, particularly in the area early childhood development.
- Telecommunications: Seeking better coverage and faster services with higher capacity.
- Funding: Pursuing funding for identified projects, including crown land purchases at reduced costs.

If there are any issues outside the Council's control, please let us know. While we may not be able to directly resolve the issue, we can certainly lobby to address it on your behalf.

Warm regards,

Damian Carter
CEO, District Council of Streaky Bay

Council News

STARLING CONTROL - WE NEED YOUR HELP

Image Source:
https://southernbiosecuritygroup.org.au/starlings

Overview

Starlings (Sturnus vulgaris), native to Eurasia and northern Africa, have become a global species, introduced to Australia and New Zealand in the mid-1880s by acclimatisation societies and others, in hopes of controlling insect pests. Today, they are considered one of the world's worst bird pests.

Agricultural Impact

Starlings cause significant damage to horticultural industries and various vegetable crops. Cereal crops are vulnerable when grain is freshly sown and during ripening stages. They often consume grain from feedlots, storage areas, piggeries, dairies, and poultry farms. Additionally, their droppings contaminate sheep troughs and other livestock water sources. High rainfall regions, irrigated areas, temporary surface water, and flooded drainage swamps, which provide necessary water, support high starling densities.

Health and Environmental Concerns

Starlings carry numerous parasites and diseases, posing risks to food factories, industrial areas, and livestock industries. They have been implicated in carrying and transmitting diseases such as Salmonella, Cryptococci, Newcastle Disease (affecting poultry), and transmissible gastroenteritis (affecting pigs), though the exact risks remain unquantified. Environmentally, they aggressively compete for nesting hollows, which can seriously impact native species like the double-eyed fig parrot and turquoise parrot.

STARLING CONTROL CONTINUED

Urban and Rural Nuisance

Starlings are a major nuisance in both urban and rural areas. They nest under roofs, infesting houses with bird lice, and are unwelcome in parks and shopping areas, especially at night, due to their noisy roosting flocks and droppings, which can contaminate rainwater catchments.

Source:
https://www.dpi.nsw.gov.au/biosecurity/vertebrate-pests/pest-animals-in-nsw/pest-birds/starlings

STARLING MANAGEMENT

Control Measures

Given their widespread presence, targeted action in problem areas is the most effective damage control strategy. Wide-scale population reduction is unlikely with current methods. Shooting and scare guns provide only short-term relief as birds quickly adapt. Effective approaches include:

·Exclusion by netting fruit and other crops.

·Habitat modification to reduce access to nesting, roosting, food, and water resources.

Source:
https://pestsmart.org.au/toolkit-resource/overview-of-the-common-starling/

To assist the identification of problem areas it is important that the relevant organisations have access to data on problem areas, numbers seen, and locations. Feral Scans, Starling Scan is a great way to actively and time sensitively report starling activity, either click on the link or scan the QR code below.
https://www.feralscan.org.au/starlingscan/default.aspx

The more data available and time sensitive data enables Council's lobbying efforts to advocate for starling control in our community.

COMMUNITY CONSULTATION
Have Your Say

DISTRICT COUNCIL OF Streaky Bay

Draft Annual Business Plan and Budget + Fees and Charges for 2024/2025 Public Consultation

Notice is hereby given that the District Council of Streaky Bay has prepared the Draft Annual Business Plan and Budget + Fees and Charges for the financial year 1 July 2024 to 30 June 2025.

Copies of the Draft Annual Business Plan and Budget + Fees and Charges for 2024/2025 are available on the Council's website at www.streakybay.sa.gov.au or by contacting the Council Office. Any person wanting to make a submission on the Proposed Annual Business Plan and Budget must lodge their submission by 1:00pm Monday 17th June 2024.

We Want Your Feedback!

- Email: dcstreaky@streakybay.sa.gov.au
- Post: PO Box 179, Streaky Bay SA 5680

Submitters should note that all submissions are made available to the public in full (including any personal information).

Any person making a submission is entitled to request (in the submission itself) to be heard in support of the submission.

All submissions will be received, heard and considered at the Council's Ordinary Meeting on Tuesday 18th June 2024 in the Council Chambers, 29 Alfred Terrace, Streaky Bay starting at 9:30am – 10:30am. If no submissions are received, Council will consider whether to amend or adopt the Budget.

Damian Carter
Chief Executive Officer

REMINDER

Dog Registration

DISTRICT COUNCIL OF Streaky Bay

Rego Renewal for Rover: Reminder

Not your Land Rover…. your Dog “Rover”.

Dog and cat registration renewals for the 12 months to June 2025 will soon be available for processing through *Dogs and Cats Online* from 24th June 2024. Renewal notices will be sent out to owners in the first week of July 2024.

As in prior years, **registration renewals for dogs must be completed before 31st August 2024**. Every dog over 3 months of age must be registered. And please make sure your dog or cat is microchipped. Be aware that penalties will apply for not complying.

We welcome the news that the Streaky Bay Council has decided not to increase dog and cat registration fees for the 2024/25 year.

Dogs and Cats Online is the statewide online system used by all South Australian councils for dog, cat, and breeder information. We encourage all dog and cat owners to register your dog or cat using this facility, and review and update details recorded, including address, phone numbers, microchip number, photos and certificates. This can make all the difference when we try to safely return home an “escaped” dog or cat.

Of course, if you have any difficulty accessing and using Dogs and Cats Online then our friendly council staff can assist you.

David Francis
General Inspector

https://dogsandcatsonline.com.au

Waste Matters

DISTRICT COUNCIL OF Streaky Bay

Introducing the Cooee System

From the 1st of July 2024, the Streaky Bay Waste Transfer Station will be implementing and operating an online waste reporting system called "Cooee."

What is Cooee?

Cooee is a waste facility data management and reporting system that allows simple and streamlined data entry at the gatehouse and immediate analysis of waste data at the office.

This new system will provide improved data recording and reporting of all incoming waste streams, which is a mandatory requirement as part of the Environmental Protection Authority (EPA) Licence that Council holds for the Streaky Bay Waste Recovery Centre.

With the implementation of this new system, EFTPOS facilities will now be available for payment of your waste disposal fees from the 1st of July 2024.

Please show courtesy and patience with our staff as they navigate through this new system.

Clean Green Waste Drop Off

Please ensure that your green waste is clean and free of contaminants, i.e., plastics, cardboard, other timber (treated and untreated), household rubbish, etc.

Branches and trunks from larger trees should be cut to a maximum size of 500mm wide and 1000mm long. As the green waste is shredded by a contractor, this size is the maximum that can be put through their shredding machine.
Shredding costs are significant – this amounted to over $16,000.00 for shredding approximately 400m^3 of green waste in December 2023.

Council has had many requests for the purchase/re-sale of the shredded green waste. However, the green waste needs to be free from any contaminants for this to be considered.

It was disappointing that we recently donated some mulch to a local community group only to have to collect that mulch due to the level of contamination within it.

Recycling Options in Streaky Bay

Batteries and Mobile Phones

Batteries, including household batteries, laptop and power tool batteries, button cell batteries, and mobile phones and accessories, can be dropped in the Battery Recycling Units located at:

- Mitre 10, 12 Bay Road (located at checkout)
- IGA Supermarket, 30-32 Alfred Terrace (located near the magazine rack at the front of the store)
- Streaky Bay Foodland, 6 Bay Road (located at the entrance door)

Batteries, including motorbike, car, and truck batteries, can be taken to the Streaky Bay Waste Transfer Station located at 28964 Flinders Highway.

Medicine Blister Packs and Old Medicines

Streaky Bay Pharmacy on 13 Bay Road offers recycling of empty/used medicine blister packs and old medicines.

Waste Motor Oil/Sump Oil

Your used motor/sump oil can be taken to the Streaky Bay Council Depot for disposal. Please contact the Council office on 8626 1001 to arrange a drop-off time.

Paint (liquid) and Gas Bottles

Paint (liquid) and gas bottles are not accepted at the Streaky Bay Waste Transfer Station.

Dry paint is perfectly safe to dispose of in your waste bin. If you have any liquid paint that you need to dispose of, leave the lid off for a week or two to dry out and then tap the hardened tablet of paint out of the tin and place it in the waste bin. Empty, dry paint tins can be taken to the Streaky Bay Waste Transfer Station for disposal.

Gas bottles can be taken and recycled in Port Lincoln at EP Recycling Specialists, 1 Mundy Court, Port Lincoln – 0429 307 135. A fee applies for disposal.

DrumMuster (empty agricultural chemical containers)

Clean and rinsed chemical containers which have the drumMuster logo can be taken to the Streaky Bay Waste Transfer Station for disposal.

District Council of Streaky Bay
Community Vision 2045
SHARE YOUR INPUT

Overview: After every Council election, the District Council of Streaky Bay reviews its strategic framework to align with the Local Government Act 1999 (SA). This year, we're adopting a new approach by creating a long-term 20-year strategic plan (Community Vision 2045) along with a short-term 4-year strategic plan (Council Plan). We invite you to share your input for the District Council of Streaky Bay Community Vision 2045.

About the Vision: The Community Vision 2045 captures the hopes and aspirations of our district, ensuring a bright future for everyone. This plan will outline our current position and our goals for the coming decades. Led by the District Council of Streaky Bay, the plan demonstrates how our community can work together towards shared goals and address the district's needs both now and in the future. It will guide strategic planning and decision-making for the District Council of Streaky Bay through the development of the Council Plan 2024-2028 and beyond.

Why a 20-Year Plan? Big changes and impactful ideas often take time to implement. A 20-year timeframe is usually necessary for generational shifts, allowing substantial progress. This long-term perspective reflects the visionary nature of comprehensive community planning. The plan will be reviewed annually and adjusted as goals are met and new ideas emerge with the next generation of community leaders.

How This Plan Differs: The District Council of Streaky Bay Community Vision 2045 is a comprehensive community plan, extending beyond Council business and services. It reflects the community's aspirations for the future of our district. This plan focuses on what the District Council of Streaky Bay should look like in 20 years and sets priorities that will guide both Council and community decisions.

We Want Your Feedback: We are seeking input from as many residents as possible by asking four key questions:

1. What I love about the district of Streaky Bay is...
2. My hope for the district of Streaky Bay in 2040 is...
3. What I would like to see in my community in 2040 is...
4. To make this a reality, I am willing to...

Please share your thoughts by completing the survey online.
Scan the QR code to complete the survey.

Alternatively, you can visit our administration office at 29 Alfred Terrace, Streaky Bay SA 5680, or the visitor information centre at 21 Bay Rd, Streaky Bay SA 5680 to fill out a paper survey. The survey closes on Monday, 17th June 2024.

Next Steps: We will workshop the Community Vision 2045 with our community reference group (selected via expression of interest) and elected members, followed by further public consultation on the draft plan.

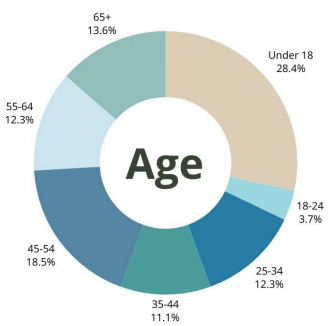

The Streaky Bay Wellbeing Project

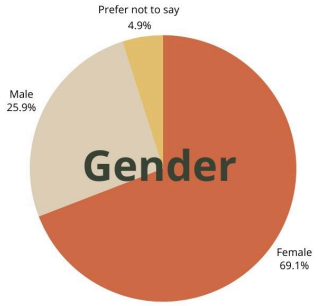

Consultation Update

82 people had their say

We have been busy lately with a series of consultations for **The Wellbeing Project,** most recently we released a Community Survey to find out more about what you do to support your wellbeing and ways in which it can be improved and supported. See some of our findings so far...

Who Participated:

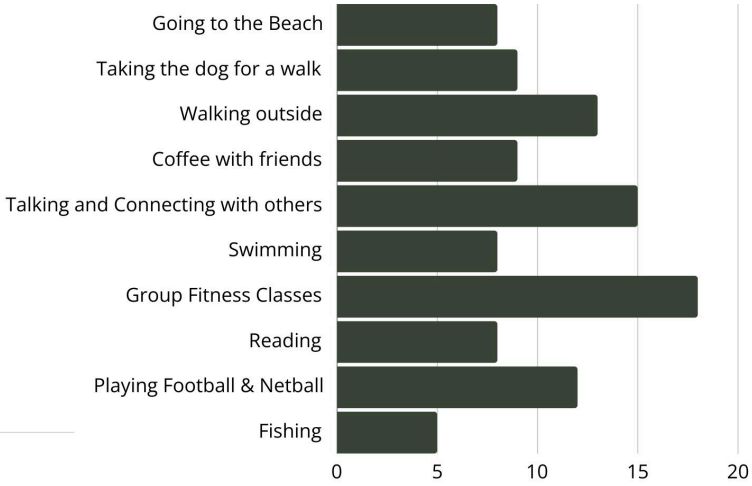

3.8% Identify as Aboriginal or Torres Strait Islander

8.8% Identify as living with a disability

92.6% Born in Australia

7.4% Born Internationally (Thailand, Canada, Netherlands, England, New Zealand)

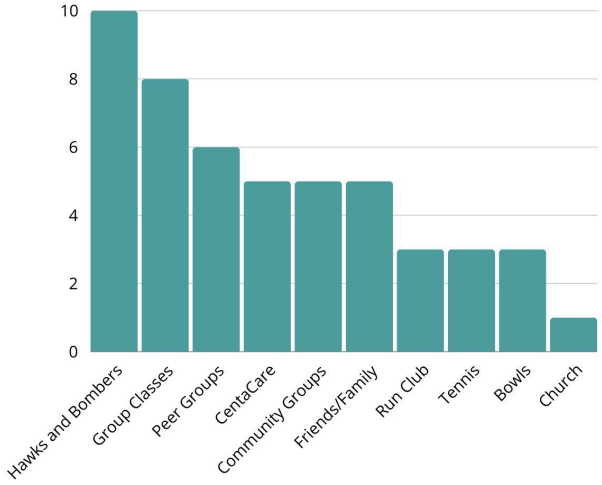

What activities make you feel happy, healthy and connected (Top 10):

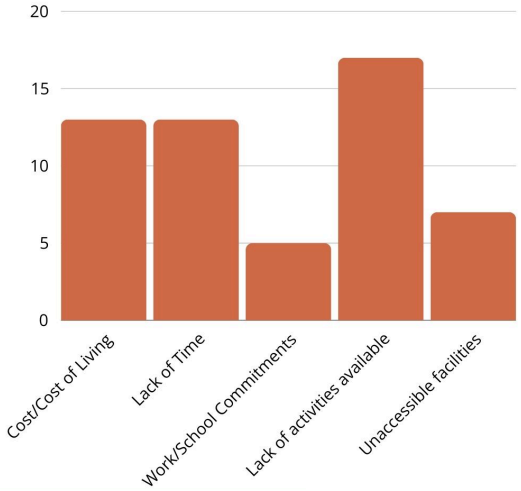

What do you want to improve:

- Events in our smaller communities
- Welcoming our visitors
- More Specialist Services
- Better Communication
- Permanent Doctor

What Networks or Community Groups do you use most:

What are some of your biggest barriers:

93.8% of you support the development of wellbeing programs

Focus Areas Most Important to you: Mental Health & Social Connection

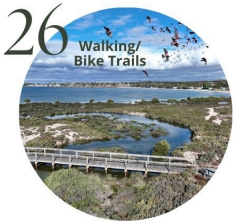

What are some of your biggest Challenges:

- Lack of **Services**
- Our current infrastructure struggling with the amount of **Tourists**
- **Location** - rural isolation, distance to support and a large spread out township
- Lack of **Community Participation**
- Cliquey Community

What spaces do you use most to support your wellbeing:

Next Steps:

We are now looking to unpack these results and develop a plan for the future. A draft concept plan for The Wellbeing Project will be released in the coming month for community feedback.

If you are after any further information please contact the Project Officer: alfredcydney@streakybay.sa.gov.au

DISTRICT COUNCIL OF Streaky Bay

For more information about the program, visit www.streakybay.sa.gov.au.

For any enquiries, please contact Jess Davis: davisjessica@streakybay.sa.gov.au

JOB VACANCY

DISTRICT COUNCIL OF Streaky Bay

Parks and Gardens Worker
Full-time

The District Council of Streaky Bay is seeking an interested applicant who would like to join our team as a Parks and Gardens Worker.

The successful applicant is required to be energetic, motivated and have a high level of work ethic who can show that they can communicate, guide, and implement programs and solutions within the organisation.

The applicant must be able to work within a diverse workforce, contribute and align with Councils strategic vision and pillars. A Position Description can be obtained from the District Council of Streaky Bay Office or via the Council website www.streakybay.sa.gov.au.

Applications should include:

- Cover Letter: Addressing key responsibility areas and the skills and knowledge section of the Position Description, outlining relevant experience.
- Resume: Including details of two current referees.

Closing date is 5:00pm on Monday 10th June 2024.

Please address applications to the General Manager of Infrastructure, PO Box 179, Streaky Bay SA 5680 or email hr@streakybay.sa.gov.au and clearly mark with Parks and Gardens Worker.

Lachlan Smith
General Manager of Infrastructure
08 8626 1001

Community News

INDOOR BOWLS

New playing mat! New playing mat! That is something to shout about. The wonderful news was announced on 15.5.24 by S.B.I.B.C. president Bev White.

New mats are not cheap but with the generous $3,600 donation from The Bay Community Op Shop recent round of fund distribution, the bowling club can replace a worn, lint shedding mat.

Every Wednesday the indoor bowlers play 3 games of 8 ends on 3 designated felt mats which, inevitably do wear despite all the care. When the new mat is installed it will be joy for everyone.

On the same day as this announcement was made there was another celebration.....birthday for member Joylene Kain 15/5.

On 1st May the club A.G.M. was held and before the meeting many hands prepared a sausage sizzle w/salads for all to enjoy. Details of the meeting will be in the next Criterion.

Winning teams April/May were:

Apr. 3= Gay, Roz, Owen
Apr.10= Bev W., Jim C., Nicki
Apr.17= Julie, Geoff, Roz, Nicki
Apr.24=Roger, Marlene, Roz, John
May 1=Julie, Roger, John,Owen
May 8=Roger, Raylene, Jim C., Glenys
May 15=Bev O., Roz, Shirley
May 22=Roger, Jim C., Nicki

HOSPITAL AUXILLIARY

Thanks to generous donors and the community our raffle on the 26th April raised $896.80.
Winners were Frank Parks 1st, Anthony Horgan 2nd, Kerry Hill 3rd, Cary Moroney 4th.

Thankyou also to those giving their time to sell the tickets.

Next Meeting Tuesday June 4th Hospital Board 2p.m. room all welcome would be nice to see some new members

THE BAY COMMUNITY OP SHOP

The Bay Community Op Shop's AGM was held on Tuesday, 21st May, during Volunteer's Week, with 20 volunteers in attendance.

President Karen welcomed all, with heartfelt thanks to all vollies and the wider community who make the Op Shop such a success. She also provided an excellent explanation of the many roles the vollies and their partners perform.

The new Committee consists of:

- President: Karen Cilka
- Vice President: Glenette Banks
- Secretary: Julie Wild
- Treasurer: Annette Gibbs
- Assistant Treasurer: Glenette Banks
- Committee Members: Christine Williams, Denise Brougham, and Caroline Lange.

The Financial Statement, as presented by Treasurer Annette, showed that since her election in November, 2023, until 20th May, 2024, total donations to community groups within the District Council of Streaky Bay and districts was $38,953.00.

General business heard President Karen explain the committee's desire to relocate the business from its current location in Wells Street to one half of the ex-Betta Electrical Shop on Alfred Terrace. A robust discussion ensued, followed by a silent ballot which approved the move. This will occur within the next few months.

The Op Shop committee, the volunteers, and the wider community can be extremely proud of this asset to Streaky Bay and district.

Glenette Banks, Vice President
THE BAY COMMUNITY OP SHOP

Community News

MENS SHED

It has been all go at the Men's Shed of late.

Thanks to Jim Petty and John Lelifeld the pillow/cushion box they have been working on for some time is now complete and ready to be collected. (see picture below)

The large wool sorting table that we have been working has now been completed and delivered. (see picture below)

Our bird feeding boxes are still in demand and we are working on 6 at present. Picture show they work. Bird nesting boxes are also being worked on to replentish stocks in the craft shop.

There has been another large table bought in for refurbishment. John O'Brien and Garry Hodge have taken this project on.

People often drop in to the Men's Shed asking if we can do different jobs. We have been asked to make a large wooden anchor, and another person wants an old chair repaired.

James Cash has been painting some cane furniture that come from Elmhhaven.

Thanks must go to John Thomson for taking the time to update our constitution to fall in line with ACNC (Australian Charities and Not for profit Commission). Well done Thomo.

If there any males in the community that would like to come and have a look at the Men's shed you are more than welcome. We meet every Friday from 9.00am to 3.30pm in the old bowls club on Montgomerie Tce.

SACWA

The South Australian Country Women's Association Inc.

May was onward bound to Ceduna for a day trip. A scrumptious lunch at the local hotel with the Ceduna branch gals as well as a cake to celebrate Jan Patterson's birthday for that day. This was followed by a tour of some points of interest in the Ceduna area. Off to the William McKenzie site to see the ruins and cairn that marked his Denial Bay pioneering days of the 1880s and his contribution to the settlement of the greater area. A few other little hot spots on the way got us to the Ocean to Outback Gallery in Denial Bay to check out the art, craft & products. Back into Ceduna township with a commentary about this and that, to Thevenard to check out Pinky Point Lookout, Flinders Port, the salt & gypsum facilities, Slipway boat ramp, Hambridge St Park (showed a gorgeous mosaic wall) then to Ceduna Waters with a commentary about who's who, what and where. Then that was all folks, so homeward bound we travelled for home sweet home. A wonderful day indeed.

New members always welcome.

EYRE PENINSULA LANDSCAPE BOARD

The EP Landscape Board has collaborated with the District Council of Streaky Bay to install a Pix Stix to monitor environmental change at the Eba Island end of Perlubie Beach. Pix Stix is the Landscape Board's citizen science project that helps to monitor change over time. At Perlubie, it will mean local residents and visitors can get involved in monitoring the impact of vehicle and beach users on beach nesting bird breeding habitat, migratory shorebird feeding areas, and the impacts of sea level rise on the coastal ecosystem and foredune.

For more information about Pix Stix see www.pixstix.com.au.

Building Resilience and Tackling Media Influence

Our young people are being exposed to a disturbing amount of graphic images at a young age. Research tells us that the average age that young boys are exposed to pornographic content is 13 years old, some as young as 9. Social media, advertising and the duration that young people spend online is contributing to negative mental health, low self-esteem, sexual harassment and body image issues. There is also a real risk of online predators reaching our children.

To help combat this, Thrive Streaky Bay & Districts, along with many other charities, businesses and individuals, organised and funded Melinda Tankard-Reist (melindatankardreist.com) and Daniel Principe to visit the Eyre Peninsula to address students, staff, parents and the community. Melinda and Daniel highlighted the current issues and workshopped with students about the ways in which they could make change. Staff and parents were offered resources and support to help navigate raising resilient children. Conversation starters and important information was shared. All participants were invited to join a grassroots campaign, Collective Shout: for a world free of sexploitation (collectiveshout.org). The presentations were eye-opening, full of data and evidence. Nevertheless, the message they brought was empowering and encouraged listeners to challenge the status quo.

The speaking duo visited Ceduna, Streaky Bay, Port Lincoln and Tumby Bay in early May. Overall they reached about 300 students, 30 staff and 130 community members. 89% of participants reported that they now have a better understanding of how to assist someone who needs support. 94% of participants reported that they believe that they can create change as an individual, in their community, on a societal level or all of the above.

SBAS and Miltaburra Boys

SBAS and Miltaburra Girls

Staff, students and community members gave raving feedback.
Below are some of the comments about what people learned:

- “We need to monitor and restrict internet access and be available and approachable for our children”
- “That its ok to say no”
- “You don’t have to be tough to be a man, it is just a stereotype”
- “How to be more empathetic towards or young males and to be more aware of the soft porn that is shoved in our faces every day without us even realising.”
- “How truly naive I am, how I have normalised the things I see in everyday life. How I need to change some of the language I use about myself (body image) and with my kids. Such a fabulous presentation”
- “Could not talk more highly of the presentation. I would love to get them both back and get all my friends and community to attend.”
- “How to treat others, especially women, better. How to stand up against the disgusting way people act and treat others.”
- “I learnt what sexual harassment actually is how I can stop it and prevent it. I learnt about my feelings and my body”
- “How to be a better person and that it’s not just me going through these things”

Actions people are going to take:

- “Start by having open conversations, don’t shy away from the hard conversations. Create a safe space for everyone”
- “I will be discussing consent and self-worth/value systems with my daughters”
- “Remaining vigilant as a parent when supervising my children, remembering to be available to listen. Continuing to advocate and question and call things out.”
- “Ask if people are ok and be there for people to reach out to anytime”
- “Next time I hear boys making sexual noises, I will voice my discomfort and let them know that it is not ok.”
- “If I see something that isn't right, I know how to speak up and stand my ground.”
- “I won’t be a bystander”
- “Join collective shout and be more aware of my children's online presence”

Overall, the events were a success and it is hoped that people are stirred to initiate change, continue the conversation and see our young people thrive. Thank you to all who were involved in raising funds, volunteering their time, supporting the event and attending the sessions. It was a true Eyre Peninsula event, in which the community banded together to bring these dynamic speakers to the region.

A particular thank you to the Streaky Bay Area School, District Council of Streaky Bay, Streaky Bay Community Hotel Motel, The Bay Community Op Shop and Thrive Streaky Bay and Districts for helping fund this event.

Meet Ashton Golding

Our compassionate, vibrant, and nurturing educator! Returning to the profession, Ashton fosters a nurturing ambiance where children thrive, infusing the learning space with an abundance of joy, creativity, and genuine care.

Celebrating our Mums

On Tuesday the 7th of May we celebrated our mums by treating them to an afternoon of biscuit decorating and story telling. We are so grateful to share in these special moments with all of our families.

Meet Reanna Freeman

Our breath of fresh air! Reanna cruises into our centre each shift with an incredible calmness. She's a fun, happy go lucky gal, who shares her passion for crafting with children, turning each lesson into a delightful adventure of creativity and laughter.

Family Owned & Run Business!

We offer a wide range of services such as:

Refrigeration and Air Conditioning Installation & Maintenance
Household Fridges, Dishwashers & Washing Machine repairs
Commercial & Domestic Coolroom & Freezer room builds

For all your cooling, heating & ventilation needs, contact JT Cooltech today: 0428504722 or email us at jtcooltech@gmail.com

JT COOLTECH

OCCASIONAL CARE

@ Streaky Bay Children's Centre

WHAT IS OCCASIONAL CARE?

Occasional Care is for children aged 12 months to kindergarten age & is a delightful break for parents/caregivers, providing a 3-hour 'now and then' childcare session. It gives parents/caregivers the chance to attend appointments, engage in activities, or simply take a well-deserved break while their child/ren are in good hands. It's also a great opportunity for your little one to have fun, learn, and socialise with peers & educators in a nurturing and safe environment.

SESSION DETAILS

DAYS
- MONDAY & WEDNESDAY
- DURING SCHOOL TERM

TIMES
- 8.45AM - 11.45AM
- 12.15PM - 3.15PM

COSTS

STREAKY BAY & EYRE PENINSULA

Counterfeit and Junk 'science'

is flooding the world.

Begun by those with a bias or agenda,

aided and abetted by those who are keen

to be taken in by plausible sounding

words and repeating them.

Constantly hearing the same false information

does not make it true nor does popular

public opinion.

If it conflicts with the Bible, then you should

do your own research.

Peter Jans
