COMMUNITY ACHIEVEMENT

Dion Trezona Appointed to GPSA Young Grain Producers Committee

Streaky Bay is proud to announce that local farmer Dion Trezona has been appointed to the newly formed Young Grain Producers Committee by Grain Producers South Australia (GPSA). Dion, a fifth-generation grain producer, runs a mixed farming operation near Streaky Bay, integrating both cropping and livestock.

This appointment marks a significant achievement for Dion, who has been actively involved in the agricultural community, including his work with AIR EP and local agricultural bureaus. Dion's farm showcases a sustainable and balanced approach to farming, and his passion for new technologies and practices has seen him host several research trials on his property over the years.

The Young Grain Producers Committee plays a vital role in shaping the future of South Australia's grain industry, providing opportunities for younger generations to engage in leadership, policy development, and advocacy. We congratulate Dion on this exciting new role and look forward to his continued contribution to our local farming community.

INDOOR BOWLS

S.B.I.B.C. last competition for 2024 was played on December 18. The club is now closed until Wednesday January 15,2025.
The month of December brought party time for many members. On 11/12 seventeen attended a festive lunch served in the Streaky Bay Hotel. During all the eating and chatter club president Bev. Whitedistributed many goodies...including the ever popular chocolates.. Certainly everyone went home with a little "extra ".
The next week was back to bowls on 18/12 and birthday celebration time for 4 members.There were big congratulations and best wishes extended to Jim Clarke for his coming century on 27/12 and happy birthday wishes to Shirley Petty 25/12 and Thip McLean 28/12. The fourth birthday member, Pauline Dale 21/12 was unable to attend due to a prior engagement. A maxi size birthday cake decorated with candles, cream and blueberries was presented and served at afternoon tea.
TUESDAY MORNING 14/1/25 is the date set for the busy bee to prepare the club rooms ready for bowls on 15/1/25. Many hands make for light work.

Winning teams were=
Nov.27= Joylene, John, Gay, Joanne (visitor)
Dec. 4= Cheryl, Marlene, Bev.W.
Dec. 11= no bowls
Dec. 18= Bev.W., Shirley, Carolyn (visitor)

PROBUS

A lovely Morning tea to windup the year with 20 members attending. We did an exercise where we played pass the parcel in an effort to get to know our members better. Each person had something they had to discuss with the group on each round.

We also were required to name our favourite Xmas carol, and a few sang theirs, which was Very Entertaining.

Our member Jim Clarke (who turned 100 last month) was asked what his favourite thing was and he replied that 'He liked waking up everyday and having something to do that day'. Newer members shared their stories and told us where their life journeys had taken them. Followed by a lovely lunch at the hotel.

Probus Meetings are held on every 3rd Thurs of the month, in the Flinders Room at the Hotel from 10am. All New members are welcome.

MENS SHED

WOW, what a year it has been at the shed.

I think all members can look back over the last 12 months knowing they have contributed to the success it has been.

To reflect on the year just gone we as a group have taken on some major projects and have completed them with great success. Some projects completed were a large wool sorting table, a large drop side table, the seat for the council that is in the post office carpark, made a wooden anchor, another wooden table.

We have also purchased a large marquee and a laptop. Both these items were purchased with money from grants that we applied for.

The marquee was bought with funding from a grant from the District Council of Streaky Bay and the laptop was purchased with a grant from the Eyre Peninsula Community Foundation.

Thanks must go to John Thomson for his hard work in organising the marquee from start to finish. We have used it twice with great comments from the public on it.

This year we have done the craft markets and NYE both with good returns financially.

Our bird feeding trays have been in demand keeping us busy. We have stocked the craft shop with trucks/trailers, fish scalers, bird nesting boxes.

We at the Men's shed are pleased to know we are the only shed in Australia that has a 100 year old working with us. Well done Jim Clarke on reaching this milestone. Jim received a package from the Australian Men's Shed Association for a birthday gift.

We have a couple of projects to start the new year. We are doing up a outdoor setting that has 2 tables and 8 chairs. We have also got another miners lounge to refurbish.

Happy New Year.

Community News

STREAKY BAY NATIONAL TRUST MUSEUM

We had an enjoyable evening with volunteers and invited guests at our Christmas break up.

Museum is closed until 7th January.

Update from last month. When the museum is closed from 31st January for 3 weeks for painting, it was stated that the yard would be still open. Sorry, it will also be closed.

We welcome students to come and visit whilst they are on school holidays.

Sandra Desira has done a picture board depicting the movie 'Blue Fin'. She does an indepth talk to groups regarding the making of the movie. Also has a CD playing of a recoded interview with the Author of the Blue Fin book, Colin Thiele.

The maintenance team continue to make improvements to the machinery & sheds.

Many of the visitors are from interstate or people enquiring about families who have resided in Streaky Bay and surrounding areas.

New volunteers are welcome.
Contact number for enquiries: 0474857640

AUSTRALIAN ELECTORAL COMMISSION

STREAKY BAY AMBULANCE TEAM

On behalf of the Streaky Bay Ambulance Team,

We would like to extend our heartfelt gratitude to the Streaky Bay Hotel for their generous donation of $5,000.00 towards the purchase of an upgraded training manikin. Your support enables us to enhance the quality of our training, which is vital in ensuring our volunteers remain highly skilled and ready to serve our community in times of need.

This upgraded manikin will significantly improve the realism and effectiveness of our training simulations, allowing our responders to practice life-saving procedures more accurately and confidently. Your contribution not only aids in our team's growth but also helps us to deliver better care and emergency services to the Streaky Bay community.

We are privileged to have the support of local businesses like the Streaky Bay Hotel, and we are grateful for your continued commitment to the health and safety of our community.

Once again, thank you for your generosity and partnership.

Warm regards,
Streaky Bay Ambulance Volunteers.

Community News

SACWA

On the 10th of December, members and guests celebrated Christmas with a delicious meal at the Streaky Bay Hotel. We had lots of laughter and admired our Christmas outfits. Raffles were won by Helen H, Jan, Rhonda and Jenny V. We are having our summer break now until next meeting on the 11th of February.
Seasons greetings to all.

HOSPITAL AUXILLIARY

HOSPITAL AUXILLIARY MEETING DEC 2nd

Meeting well attended for our small group.
Request was made for a new blood glucose monitor resolved we purchase this equipment. No more requests were made as Leslie was unable to attend meeting.

Help is needed to tidy sensory garden but at this stage felt our volunteers had enough to cope with at present, we may be lucky enough to get a few more volunteers so that we could be split into 2 groups as Elmhaven and the hospital are as much as we can do.

Watering System has been installed at Elmhaven and already has made a difference Many thanks to all involved in the purchase of this especially the community op shop.. Also more automatic sprinklers have been purchased Thanks to donation from Mitre 10.

We are only a small committee meeting every second month but would welcome more members as feel we are a conduit between Hospital and the community and Elmhaven enabling us to connect and help residents and staff when the need arises.
We wish everyone a Healthy and Happy Christmas and New Year.

Meeting closed 3.30p.m.
Next Meeting will be held at Drift 11a.m.4th Februrary.2025

SANTA AT SCEALE BAY

In the charming coastal town of Sceale Bay, Christmas Eve is a cherished tradition—a night when the community comes together to celebrate the magic of the season.

It's great to see locals and visitors coming together to enjoy a beautiful evening. The weather couldn't have been more perfect. With over 50 children in attendance, the atmosphere was filled with laughter, energy, and excitement. It's clear this event was a resounding success, leaving smiles on faces young and old.

Santa's grand entrance, arriving on a fire truck with his elves, sirens blaring and lights flashing, brought immense excitement to the children as they gathered around. Each child shared a magical moment with Santa, their faces lighting up with joy as they unwrapped their special gift.

We would like to extend our heartfelt thanks to the District Council of Streaky Bay for their generous donation towards this event. We are also deeply grateful to the many volunteers for their support and contributions in helping to prepare this annual festivity.
Thank you!

Christmas at Streaky Bay

Streaky Bay had a fantastic Christmas season this year, with lots of events that brought everyone together to celebrate the holidays. The Streaky Bay Visitor Centre was transformed into Santa's workshop over the 2 weeks leading up to Christmas.

On the 19th of December, a free gingerbread workshop was held, and 60 kids joined in to decorate gingerbread. The younger kids had fun decorating gingerbread cookies, while the older kids got to decorate their own gingerbread houses, showing off their creative skills.

Santa and his elves made a special visit to the Visitor Centre on Friday, 20th December, and over 150 people came along to meet them. It was a wonderful time for families to get their Christmas photos with Santa and enjoy the festive atmosphere.

The Christmas lights competition was also a big hit this year, with homes across Streaky Bay lighting up for the season. 6 Linklater won the People's Choice Prize, and their display was a favorite among the crowd. A big thank you to everyone that entered the competition and voted.

Other activities like the colouring-in competition, the reindeer food station, and bauble decorating were also a success. Families had a great time taking part in these fun activities and getting into the holiday spirit.

A big thank you to everyone who joined in and helped make Streaky Bay's Christmas celebrations so special. We hope you all had a wonderful time and are ready for a great new year!

NYE Family Festival

The Streaky Bay's New Year's Eve Festival was once again a fantastic event, with around 1000 people coming together to enjoy food, kid's activities, and fireworks. The event was held at the foreshore and brought everyone together to ring in the new year.

There were plenty of activities for the kids, thanks to Adelaide Jump Ride and Slide, who provided jumpy castles, a mechanical bull, a free falling inflatable and a gigantic inflatable obstacle course to keep everyone entertained. For food, there was something for everyone. Thip Thai served up delicious Thai food, Pizza4shore had tasty wood fire pizzas, the Men's Shed cooked up yiros, and the Lions Club handed out donuts. Sweet Tooth brought in some yummy treats, and Basil and Belle kept everyone warm with coffee and hot chocolates.

The fireworks were the highlight of the evening. Launched from the jetty, the spectacular display lit up the whole bay and illuminated the jetty, creating a breathtaking view. At 10pm, the first round of fireworks wowed the crowd, with kids celebrating and waving their glowsticks. Then, at midnight, another round of fireworks welcomed in the new year. A huge thank you to the Streaky Bay Community Hotel Board for organising the fireworks, and to all the sponsors who donated towards making the display possible.

A big thank you to all the community members who helped organise the event and make it such a success. We hope everyone had a wonderful time and wish you all an amazing start to 2025!

Family Fish Day 2025

Saturday 4th January had anglers rising early and heading to the jetty for the 22nd Family Fish Day competition.

A cloudy and cool morning welcomed the anglers before a warm 37 degree day settled in. But the forecasted hot weather didn't stop the 90 keen fishers and their families registering.

The anglers came from near and far, Margaret River in Western Australia, Birkdale Queensland, Kinglake, Mildura and Cranbourne Victoria, Morphett Vale, Seaford Heights and Blewitt Springs South Australia,

First prize of $200 for the Biggest Catch of the Day, went to angler 59, local Tallyn Gill landing a Flathead, weighing in at 700g.

A local also won Runner up, angler 63, Levi Hebberman. Levi took home $150 for his efforts in catching a Strong Fish weighing 435g.

The winners also took home a trophy and rod donated by Killas and Gary Finch. Terrace 24 Pizza and Sweet Tooth food van owner Eugene Rondon kindly gave Tallyn a voucher for a family size pizza and an item of choice for Levi and the Unluckiest Angler.

The Unluckiest Angler of the Day was 6 year old Bradyn Foster, who came all the way from Mildura. Despite his efforts Bradyn didn't catch a thing but took home a trophy with a rod proudly presents by Meagan Williams on behalf of local sponsors Donald and Janet Williams, who have supported the event over many consecutive years.

13 anglers caught the Heaviest of each species and received a cash prize of $20; and 13 anglers having caught 3 Different Species received $5 cash.

There were some fun trophies allocated to worthy participants like:
7 year old Lenny Spicer, Victoria - Fish Tremble at the Sound of My Name,
6 year old Grace Semmens, South Australia - Super Angler Award,
4 year old Ivan Dickson, Streaky Bay - A Reel Expert can Tackle Anything,
4 year old Charlotte Leathan, Streaky Bay - Keep Calm and Fish On,
8 year old Orla Murphy, Western Australia - Something Feels Fishy,
10 Felicity Fawcett, New South Wales - Hooked on Fishing,
12 year old Ember Jensz, Western Australia - Fishing Champion and;
7 year old Brodie Fyfe, Streaky Bay - Jetty Champion.

Major event sponsor Nigel Brace of Killas was truly surprised when he was awarded a trophy for continuous support of the event.

Members of the Eyre Peninsula Fisheries Department were on hand too and focused on assisting anglers identify species and spoke at the trophy presentation about the role we all play in protecting our ocean and in responsible recreational fishing practices.

This free community event is a great example of local businesses and individuals pulling resources to make this day happen. Graham Redding, an original founding member of the Association, kindly arranged and donated the sausage sizzle. Killas, the major sponsor, provided bait at a discounted price and provided the water and giveaways for the day. The Streaky Bay Hotel Motel also sponsor by providing the raffle prize, which was a hamper filled with goodies for the whole family. Mya Tiller of Streaky Bay was the appreciative winner.

Association President Paul Beck said: "Much planning goes into hosting such a day. Everything from seeking approval to use the jetty, to the advertising the campaign. The Association invests just over $2,000 for the prize money, trophies and advertising for local radio and press campaigns. That figure doesn't factor in the time Association members give willingly to support the day. My appreciation to Pam Pudney, Sonya Limbert, Dion Edmunds, Graham Redding, Mark Williams, Gary and Lyn Finch for making things happen. To the community volunteers that jumped in to give us a hand Nathan Hebberman, Joel Lynch and Noah Elliott, your help was tremendous. Special thanks to our sponsors for their continued generosity. And a BIG thank you to the participating anglers and their families for supporting the day. It was wonderful to see many young children genuinely interested in fishing and having fun without a computer or phone."

The organisers, Streaky Bay Tourism and Business Assoc Inc where concerned late last year that the event may not run due to Jetty renovations. Fortunately the jetty was open for the day to enable the competition to continue.

There is a challenge with next years event, which the Association executive team believe they can overcome. The Community Insurance provider is no longer covering fishing events. This decision will impact many community run fishing competitions across the State, which is disappointing. However, the Streaky Bay Tourism and Business Association are determined to host Family Fish Day again in 2026 because the event has become a well liked tradition for many families that holiday annually in Streaky Bay and for our local residents.

If you'd like to join the Association or be involved in future events please contact:

Trees For Life

Community
Native Seed Sowing Day

The District Council has partnered with Trees for Life as a Volunteer Grower to nurture native seedlings over the summer, preparing for planting in the community next winter.

The Community Seed Sowing Day, held on January 7th, was a great success with just 5 lovely and dedicated volunteers and over 250 tubes filled with seed. We will be in for a great crop of seedlings to be planted come winter.

Six different plant species have been sewn, including four types of Eucalyptus and some Tea Tree, all of which are native to our area. Thanks to the great knowledge and guidance from Trees for Life who ensure the quality and pertinence of species being grown for successful revegetation of our own backyard.

A big thankyou to our volunteers who were involved throughout the day, your passion, knowledge and experience was greatly appreciated. It was so great to hear some of the amazing conversations had around the beautiful environment we live in and how important greening our future is to them.

Thank You to The Streaky Bay Wellbeing Project and The District Council of Streaky Bay we also had a healthy lunch supplied of Fruits and Veggies to keep the energy levels high.

We can't wait to watch these little seeds grow and are excited to invite the community back in winter ready for a wonderful day of planting.

The Streaky Bay & District Wellbeing Project

Council News

GOVERNANCE

Federal Government Inquiry Into the Deployment, adoption and Application of 5G in Australia
Council considered a report on this enquiry following the matter be raised by Elected Members at the November ordinary meeting of Council. Council resolved having considered the report to receive and note the information received.

By Law Review 2025
Council is required as per the Local Government Act to review its By-Laws periodically. Those By-Laws are currently under review, with the first stage completed being a review of currency. The second stage is currently under way with review by Department for Infrastructure and Transport and the Dog and Cat Management Board, once this has been completed the By-Laws will be released for full Public Consultation.

Pfizer and Moderna Covid-19 Vaccinations
Council at the December Ordinary meeting received a Notice Motion, with the Motion on Notice Calling for the immediate suspension of Pfizer and Moderna Covid-19 Vaccinations. The majority of Council's around Australia have received correspondence relating to this motion with a number of reference documents enclosed. Council considered the call for the motion and the information provided and resolved to receive and note the report and directed that the information be communicated to the community through its communication channels to enable the community to form their own informed opinions. The information presented as part of this report is available on Council's website https://www.streakybay.sa.gov.au/__data/assets/pdf_file/0035/1724849/2024.12.10-OCM-Agenda.pdf as part of the December Ordinary Meeting of Council Agenda.

INFRASCTRUCTURE

Heart Bay Access Road
Council received a report to the November 2024 Ordinary meeting of Council in which they considered the roads to be closed adjoining the Conservation Park as part of the land swap agreement with Council and have now asked Council Officers to seek further feedback regarding reducing the roads to be closed, this process is continuing.

Streaky Bay Jetty Repairs
Project works onsite commenced 8th October. Jetty is currently closed to the public and the entire jetty will open during the Christmas New Year period between 24th December to 5th January. The carparking area in-front of the Jetty Platform will remain closed. While the Jetty is closed, access to the Jetty platform and beach underneath will remain.

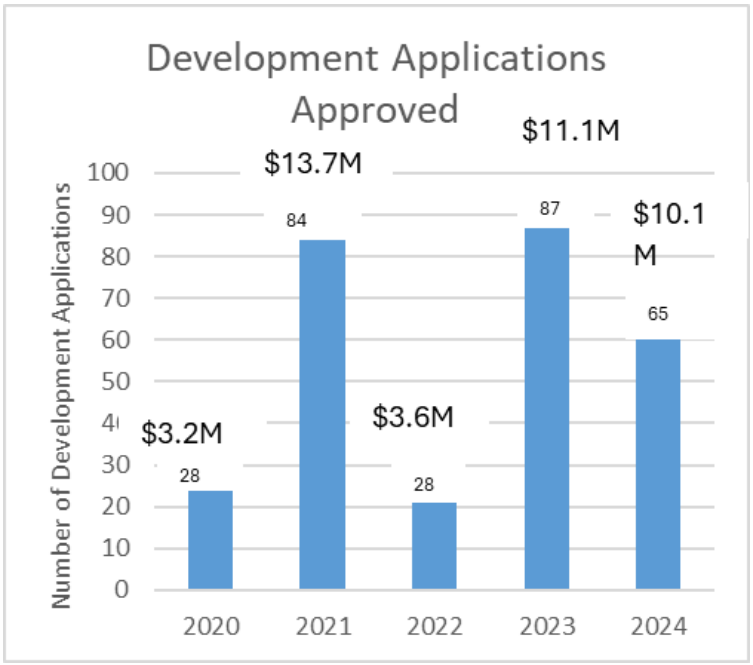

INFRASTRUCTURE CONTINUED...

Roads Update
Roads – Construction
Currently completing
· Jessie Flat Road (Kelsh Rd to Piednippie Mary Vale Road)
Completed
Aerodrome Second Runway - Resheet
· 6.5km - Westall Way Loop - Yanerbie Rd to Reef Road (Fisherman's Paradise)
· 5.8km - Calca Bluff Road – Flinders Hwy to Drinanvale Rd
· 1km - AB Smith Road – End of seal to Pipeline Rd
· 0.9km - Pipeline Road – AB Smith to Sceale Bay Road
· 1km x 20m Wide - Aerodrome unsealed runway re-sheeting
· 8km - Chilpenunda Road Rip & Relay - Grub Track Road towards Streaky Bay Hwy

Streaky Bay Traffic Flow Study
Council has endorsed the engagement of consultants to assist with looking at key traffic flow points in Streaky Bay. The first round of consultations and site visits was completed in the first week of December. This visit included observations at the School, Bay Road, Alfred Terrace, Caravan Parks, and visits to other key locations. Stakeholder meetings were held with Council, heavy vehicle operators, local businesses and a community drop in session at the Visitor Centre. An observation report is due to be provided to Council Officers early in 2025.

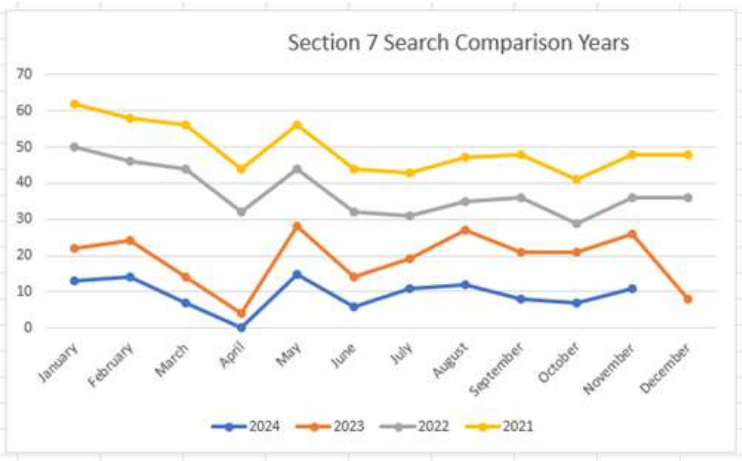

PLANNING & REGULATORY

District Planning Approvals

Council News

PLANNING AND REGULATORY CONTINUED...

Ancillary Accommodation and Student Accommodation Code Amendment Finalised

As a result of the amendment, granny flats will no longer have to share kitchens, bathrooms and laundries with the main house, while student accommodation can include individual facilities to be self-contained. The changes will help provide a greater range of housing options to support affordability and ageing in place.

During the consultation period, stakeholders and the community shared valuable feedback that helped shape the draft code amendment. This feedback was incorporated into the final version of code amendment, and resulted in the following key changes:

· maximum floor area criteria for ancillary accommodation increased from 60 to 70 square metres to support living amenity

- the part of the definition of ancillary accommodation relating to utilities was removed and included within the related policy instead, thereby enabling assessment of utilities connection to be undertaken on a discretionary basis by the relevant authority
- included a new policy for ancillary accommodation specifying that the primary dwelling's private open space is accessible to all occupiers of the site; this will ensure that ancillary accommodation has access to private open space and will further reinforce that ancillary accommodation is not a separate dwelling
- referred to a 'site' instead of an 'allotment' in the definition of ancillary accommodation, consistent with other definitions.

Watertanks for Bushfire Mitigation in Bushfire Areas

In recent inspections that were undertaken by Building Officers it was evident that most developments occurring in relevant zoned bushfire areas were non-compliant with the type of tanks that were being installed on site, despite what is outlined in their decision notification forms (and a requirement of the Ministerial Building Code MBS008).

In the coming weeks letters will be send to all relevant landowners as an advisory notice on their responsibilities, this will be sent as an advisory notice only.

PLANNING AND REGULATORY CONTINUED...

However, all new dwellings from October 1, will not be able to be issued with the new Certificate of Occupancy Certificates until the compliant tanks are installed.

New Certificate of Occupancy to Come into effect from 1 October

A certificate of Occupancy will be required for all houses (Class 1a buildings) approved on or after 1 October 2024. All other habitable buildings under the PDI Act continue to also require a Certificate of Occupancy prior to occupation.

In an effort to better inform the community letters have been sent to builders and architects outlining the new responsibilities, including mandatory notification hold points. It is important that at the required hold points Council is notified otherwise certificate of occupancy cannot be granted.

COMMUNITY DEVELOPMENT

Thrive Wellbeing Group

Thrive have partnered with The District Council of Streaky Bay and were successful in receiving a $6000 grant from Preventive Health SA in the Suicide Prevention Community Grants Round for 24-25.

This grant funding will be used to provide Mental Health First Aid Training and Resilience Training within the community.

Aiming to empower our community with the knowledge and skills to offer support with empathy and understanding, while recognising the early signs of mental health challenges. This training will also provide an opportunity to help individuals build resilience and provide meaningful assistance to those in need.
More Information to come on how to apply and access this training.

Places will be determined on a range of factors to provide the greatest impact on our community.

Ageing Well Strategy

Council Officers have engaged suitably qualified and experienced consultants to assist with this project with funding through the Office of Healthy Ageing.

The first round of consultation was completed and a draft vision, goals and objectives developed. The second round of consultation was undertaken in past few weeks and was very well attended by local community members who were interested in the project.

The Draft Strategy is due to be finalised in January 2025.

Community Health and Wellbeing Plan – Endorsed

Council at the December meeting of Council reviewed the final plan and the plan was subsequently endorsed. A copy of the plan is available on Council's website at www.streakybay.sa.gov.au

COMMUNITY DEVELOPMENT CONITNUED...

The Rumble Roadshow – Skate Event

The CDS is liasing with event coordinators to deliver this event in Streaky Bay on Monday 13 January 2025. The team are delivery 4 stops across South Australia and the event includes Skate demonstrations by professional skateboarders (Paris Olympians – subject to availability) a signing, learn to skate clinic and competition jam. The team have lots of prizes and giveaways for the youth and utilise these roadshows to showcase the lead up to South Australias only Pro Skateboarding event, the BMD Southern Rumble.

Community School Pool

Council received a report at the December meeting by which they endorsed the signing of the common seal for the Public Use of the Streaky Bay Area School for another 3 years. This Agreement includes the Council paying a financial contribution to the School each year of the Agreement for public use. As part of the agreement Council is then responsible for the employment of all Pool Supervisors and receives the income generated from pool public access to cover a portion of the costs associated with the employment of Pool Supervisors.

As of 27 November 2024, the pool has recorded 304 users. On 21 November 2024, the pool reached its capacity of 40 users at one time due to hot weather and the closure of the jetty. As this report is completed prior to the end of the month, to reflect accurate stats the November visitor stats will be reported in the January Council report.

Season Pass Sales (2024/25 Season to 27 November 2024):

- 34 Annual Family Passes
- 3 Annual Child Passes
- 3 Annual Adult Passes

Comedy Road Trip

The CDS has been liaising with Fringe favourites Kel Balnaves and Amy Hetherington to secure a show for Streaky Bay. The comedy duo won the 2024 Spirit of the Adelaide Fringe Award. Streaky Bay has now been included in their regional SA comedy road trip and will be performing Friday January 17 at 7pm at the Streaky Bay Institute Hall.

Australia Day 2025

The CD team has been successful with the National Australia Day Council grant application, this will allow the event to engage kids entertainment activities and extend the free community event as we did in 2023.

Council News

COMMUNITY DEVELOPMENT CONTINUED...

PIRSA Drought Funding Opportunities
Council at its December 2024 Ordinary meeting of Council resolved to direct Council Officers to submit a grant application for $5000 in funding to support a community event for drought support to be held between February and April 2025.

CEO UPDATE

From the CEO's Desk: Seeking Your Feedback on Our Four-Year Priority Plan 2025–2029

I am pleased to present the Four-Year Priority Plan (2025–2029)—a roadmap designed to guide the delivery of projects, services, and strategic initiatives over the next four years. This plan is a blueprint for fostering a thriving, connected, and sustainable future for the District Council of Streaky Bay and its community.
Developing this plan has been a collaborative journey, shaped by insights from community workshops, surveys, township community plans, and valuable input from our Community Reference Group. It focuses on six key areas:

Capital Projects – Delivering new infrastructure, upgrades, and renewals.
Capital Planning – Preparing shovel-ready projects for future implementation.
Strategic Planning – Driving long-term growth and resilience initiatives.
Servicing Priorities – Addressing the immediate needs of our district.
Lobbying Priorities – Advocating for regional issues like water security, telecommunications, and road infrastructure.

While this plan provides a high-level guide, specific road maintenance and construction activities remain governed by our Asset Management Plan, ensuring a strategic and data-driven approach to these vital works.

You can review the draft plan here: https://www.streakybay.sa.gov.au/__data/assets/pdf_file/0023/1734305/The-District-Council-of-Streaky-Bay-Four-Year-Priority-Plan-2025-2029.pdf

Your Voice Matters
This is where we need you. Community feedback is essential to ensuring the plan aligns with the aspirations and priorities of our residents. We invite you to take a few moments to review the plan and share your thoughts. Together, we can ensure that our investments in people, places, and possibilities resonate with the values and needs of our community.

CEO UPDATE CONTINUED...

How to Share Your Feedback:
Online: Complete the survey at https://www.surveymonkey.com/r/GD2HQSM
In Person: Visit the Council Office at 29 Alfred Terrace or the Visitor Information Centre at 21 Bay Road, Streaky Bay, to complete a survey.
Feedback is open until close of business on Friday, 17th January.

Your input will help shape our priorities for the years ahead, ensuring the District Council of Streaky Bay continues to serve our community with a vision for a vibrant and resilient future.

Thank you for being part of this process.

Damian Carter
CEO, District Council of Streaky Bay

COMMUNITY CONSULTATION
Have Your Say

DISTRICT COUNCIL OF Streaky Bay

We are inviting community feedback on our Council By-laws.

From pets to playgrounds to waste to signage and the use of Council Land and Roads, the Council By-laws are there to ensure that Council can respond to issues within the local area.

By-laws are designed to provide good rule and governance and assist council in providing a convenient, safe, comfortable and inclusive space for its community.

Council's authority to make a By-law is derived from Section 246 of the Local Government Act 1999 (SA) which requires the review and formal adoption of the By-laws. It is also a legislated requirement that Council reviews (and if necessary, revises) its By-laws every seven years.

The By-laws have now been reviewed and some changes proposed. No new By-laws were created. The vast majority of the proposed changes are minor in nature and are a result of legislative, interpretive or grammatical factors.

The District Council of Streaky Bay is proposing the following five By-laws:

- By-Law No. 1 – Permits and Penalties
- By-Law No. 2 – Moveable Signs
- By-Law No. 3 – Roads
- By-Law No. 4 - Local Government Land
- By-Law No. 5 – Dogs
- By-Law No. 6 – Cats

We are inviting the local community to have a say on the draft By-laws before they are formally adopted.

How can I have a say?

The public consultation period will commence on Monday 13 January, 2025 and will close 5pm, Monday 3 February, 2025.

Members of the community can provide feedback on the proposed By-laws in the following ways:

- Email: dcstreaky@streakybay.sa.gov.au or
- Post: written submissions to the Chief Executive Officer, PO Box 179, Streaky Bay SA 5680

Feedback will be accepted until 5pm on Monday 3 February 2025.

You can inspect hard copies of the proposed by-laws free of charge at the Streaky Bay Council Office, located at 29 Alfred Terrace, Streaky Bay, SA 5680. Alternatively, they are available to view online on our website at: https://www.streakybay.sa.gov.au/

THE DISTRICT COUNCIL OF STREAKY BAY FOUR YEAR PRIORITY PLAN 2025 - 2029

Have Your Say: Provide Your Feedback on the Four-Year Priority Plan 2025 - 2029

The District Council of Streaky Bay is excited to share its Four-Year Priority Plan (2025–2029), a roadmap for delivering projects, services, and strategic initiatives over the next four years to support a thriving, connected, and sustainable future for our region.

This plan has been developed through extensive collaboration with our community, including workshops, surveys, development of township community plans and contributions from our Community Reference Group.

It outlines six key focus areas:

- *Capital Projects:* New infrastructure, upgrades, and renewals.
- *Capital Planning:* Designing shovel-ready projects for future implementation.
- *Strategic Planning:* Long-term initiatives for growth and resilience.
- *Servicing Priorities:* Meeting the immediate needs of our district.
- *Lobbying Priorities:* Advocacy for key regional issues like water security, telecommunications, and road infrastructure.

Please note that specific road maintenance and construction activities are not detailed in this plan, as they are guided by Council's Asset Management Plan.

You can view a copy of the draft plan here:
https://www.streakybay.sa.gov.au/__data/assets/pdf_file/0023/1734305/The-District-Council-of-Streaky-Bay-Four-Year-Priority-Plan-2025-2029.pdf

Your Feedback is Vital We are now inviting you to review the plan and share your thoughts.

How to Provide Feedback
Online: https://www.surveymonkey.com/r/GD2HQSM
In Person: Drop by the Council Office at 29 Alfred Terrace, Streaky Bay or the Visitor Information Centre at 21 Bay Rd, Streaky Bay and complete the survey

The feedback period is open until COB Friday 17th January.

This is your opportunity to help shape how we invest in people, places, and possibilities across the district.

Are you eID ready?

Mandatory electronic identification (eID) for sheep and farmed goats is fast approaching and it is important that South Australian producers understand how eID will impact them and what they need to do to prepare.

1 January 2025 is an important date for anyone who owns sheep or goats – even if they are kept as pets. All sheep and farmed goats born from this date will need to be identified with an NLIS-accredited eID tag before leaving their property of birth. Older sheep and farmed goats can be voluntarily eID tagged now but tagging these animals prior to leaving the property won't be mandatory until 1 January 2027.

For many producers the only change will be changing from a visual tag to an electronic tag. For producers who bring animals onto property directly from another property (P2P movements), there will be a few more things to consider such as scanning equipment and knowing how to complete individual animal transfers on the National Livestock Identification System (NLIS) database.

Producers will not need to scan individual eID tags if buying or selling at a saleyard – this responsibility will lie with the saleyard operator. Similarly, producers do not need to scan animals with eID tags that are consigned to a processor – this responsibility will lie with the processor. Producers who carry out P2P movements will need to consider the need for scanning equipment in line with South Australia's implementation timeline. From 1 January 2025, producers who conduct P2P movements will need to be ready to scan sheep and goats with eID tags and record individual movements on the NLIS database.

The State Government has a number of funding programs in place to help the supply chain transition to eID. Producers can take advantage of the eID tag discount scheme that is available for NLIS-accredited eID tags aligned to the year-of-birth colour system. The $0.95 discount is applied at the point of sale and is currently on offer for black (2024) eID tags purchased up until 31 December 2024, with white (2025) eID tags available at the discounted price from 1 January 2025 until 30 June 2025.

A rebate of 50% up to a cap of $0.95 per tag is also available for producers who do not follow the NLIS year-of-birth colour system. The expanded eID rebate includes all eight colours in the year-of-birth system and is available for purchases made between 1 January 2023 and 30 June 2025.

Essential equipment and infrastructure rebates are open for producers, agents, saleyards and processors. The producer rebate covers 75% of the cost of essential equipment for eligible producers who meet the P2P criteria. The maximum amount varies and is dependent on the number of animals moved annually onto a property directly from another property over the past three years.

Head to the Department of Primary Industries and Regions (PIRSA) website to learn more about eID tags, tagging and scanning dates, rebates and more: https://pir.sa.gov.au/eid

Drought support

The State Government is investing $18 million to assist farming communities affected by drought across SA, including grants for on-farm drought infrastructure, mental health and community support, and funding to help donated fodder to reach more communities.

Visit **pir.sa.gov.au/drought** to learn more and apply for a grant.

or visit:

pir.sa.gov.au/drought

Government of South Australia

Department of Primary Industries and Regions

Help in hard times

The new drought assistance package includes:

- $5 million for on-farm drought infrastructure grants (for rebates of up to 75% to a maximum of $5,000 excluding GST) for projects to manage drought conditions and strengthen preparedness.
- Grants of up to $5,000 for eligible groups to host community events that foster social connections and provide support.

It also includes $2 million to assist charities with transporting donated fodder, and an extra $1 million for additional health and wellbeing support through the Rural Financial Counselling Service and Family and Business Support Program.

Visit **pir.sa.gov.au/drought** to apply for a grant.

Ongoing hardship support

The new drought support package is in addition to a range of ongoing support programs that are available based on need.

Drought declarations aren't required to access these programs.

- Family and Business mentors
- Rural Financial Counselling Service
- Farm Household Allowance
- Taxation measures and support
- Low interest and concessional loans
- Farm debt mediation
- Farm management deposits
- Telecommunications bill assistance
- Industry-led support programs
- Small business support

Streaky Sounds 2025: Meet the SA Artists Taking the Stage!

Get ready, Streaky Bay, because March 9th, 2025, is shaping up to be an unforgettable day of music, good vibes, and local talent! While The Cat Empire headlines this year's epic lineup, let's shine a spotlight on some incredible homegrown and smaller artists who will light up the Streaky Sounds stage.

DJ Taijyyy!
Does DJ Taij even need an introduction? A true Streaky Sounds staple, Taijyyy is back for his third year running, and the excitement is huge! Known for his epic sets that get the whole crowd moving, Taij has become a legend across the Eyre Peninsula. Whether you're a longtime fan or new to his beats, you're in for a treat as he brings his high-energy magic to this year's festival. Don't miss it!

Alice Haddy
Hometown hero Alice Haddy is ready to grace the stage with her soulful acoustic tunes. Born and raised in Streaky Bay, Alice's all-original set promises heartfelt lyrics and mesmerising melodies. Her unique energy and undeniable talent make her performance one you simply can't afford to skip. Grab your spot early—this is the stuff goosebumps are made of.

The Wot Band
Celebrating nearly three decades of rocking the West Coast, The Wot Band is bringing their anything-goes attitude to Streaky Sounds! With Skin on bass, Winks on vocals, TK on drums, and Ryno and Trido shredding on guitars, their mix of originals and covers is a guaranteed party starter. These legends are going to shake the sand out of your speedos!

REVEL
Take a trip back to the golden era of 90s and 00s rock with REVEL, a hard-edged cover band playing all your Favorite bangers. From Pearl Jam to Foo Fighters, Blink-182 to Metallica, these guys are serving up a high-octane blast from the past. Expect big sound, no frills, and nothing but raw, live rock 'n' roll energy.

Chickensalt
What's better than fries with chicken salt? A rock show with Chicken Salt! These blues-infused hard rockers have been delivering electrifying performances since their formation in 2020. Fresh off the release of their new single, Wanderlust, Chicken Salt will bring their raw energy and infectious sound to the stage. If you like your rock with a dash of grit, this band is your flavour.

Laminated Kitchen
Meet Laminated Kitchen, the dynamic duo of Luke Tiller, a plumber from Streaky Bay, and Bugi Weaver, a dock worker from Thevenard. Together, they blend old favorites with fresh originals in an upbeat mix that guarantees to get your feet tapping and hips swiveling. Don't miss their lively performance, where local talent shines!

Audio Reign
ARIA-charting heavy rock band Audio Reign is set to bring the house down at Streaky Sounds. With their monster storm of driving guitars, soaring vocals, and unstoppable rhythm, this Adelaide-based powerhouse is at the forefront of Australia's rock scene. Their latest album, The Perfect Sea, has been making waves, and their live show is nothing short of explosive. Prepare to be blown away.

Whether you're dancing to Taijyyy's beats, soaking in Alice Haddy's heartfelt tunes, or rocking out with The Wot Band, Laminated Kitchen, Chicken Salt, REVEL, and Audio Reign, Streaky Sounds 2025 promises to celebrate the best of local talent. Grab your tickets, bring your dancing shoes, and we'll see you on March 9th for a day of pure musical magic

Why Christmas ?

God gave the prophet Isiah a message to pass on to the people.
His ministry went from 740 – 681years before Jesus was born.
Bible verse – Isiah Chapter 48 verses 17,18a.

"I am the Lord your God, who teaches you what is best for you, who directs you in the way you should go. If only you had paid attention to my Commands…"

The Old Testament book of Malachi was written about 433 years before Jesus was born, containing messages to encourage the people.
Bible verse – Malachi Chapter 3 verse 7

"Ever since the time of your forefathers you have turned away from my decrease and have not kept them. Return to me, and I will return to you," says the Lord Almighty.

Because,

it was always Gods plan to have people (you and me) with him when time ends, and eternity recommences and it is through Jesus we are presented with another opportunity to reconnect with God.

Peter Jans January 2025
