## CEO UPDATE

*From the CEO's desk*

### *Holiday Season Report*

After an initially quiet start, it would be safe to say that the summer holiday period is here with an influx of visitors coming to Streaky Bay and the district.

Visitor Centre numbers suggest we so far have had a bigger than normal year with many tourists who traditionally holiday in the Riverland having changed their plans and have visited Streaky Bay.

The biggest change Council has undertaken this summer period was taking care and control of Perlubie Beach and introducing camping permits for there and the Tractor Beach campground. Ultimately, the reduction in camping numbers has been received positively with feedback provided, such as:

- Local families have enough room to undertake day trips to the beach again
- Accommodation providers were able to again send visitors to the beach to visit for the day
- Those staying at the beach have enjoyed the size of their sites and commented that less individuals staying on the beach has meant less vehicle movements which has made it a safer experience for their children
- Everyone who stayed on the beach were supportive of the changes and for those who stayed at the beach the previous summer, they could see why we had to make the changes

There has no doubt been a few learning lessons for us and these include:

- We have an ongoing issue of individuals paying to stay, not cancelling their booking and/or then not showing up. Leading to many sites which were booked and paid for, being left vacant
- This is apparently an issue with all the campgrounds across the Eyre Peninsula who have introduced permits for camping
- There was little interest in the Perlubie sites allocated to the locals meaning most of the sites remained vacant for the majority of the holiday period. The other sites were fully booked for the entire period

We will take these learnings back to the Perlubie reference group to develop solutions for them.

## Council News Cont.

In terms of enforcement, we have undertaken numerous patrols on different days and at different times. As a result of these patrols we have issued a number of expiation notices (fines) and moved on numerous individuals with warnings. I have heard of some stories about illegal camping across the district and the note the following:

- Council only took care and control of Perlubie Beach and the Tractors Beach campground. Many other locations, including many beaches are still under the care and control of State Government which means Council Officers cannot enforce in those areas.
- Council has limited human resources at its disposal so we can't be at all places at once. So, if you have any concerns, please refer them to Council so they can investigate them. In terms of Council's response to illegal camping, this summer Council has responded to every single complaint which has been logged with them.

In terms of our efforts in managing the extra influx of visitors, I'm proud of the efforts our team has undertaken this year and the improvements we have undertaken since I arrived at Council. However, I still concede we still have plenty of work ahead of us.

Damian Carter  
Chief Executive Officer

## STREAKY BAY INDOOR BOWLS

Without doubt December was a birthday month for the Streaky Bay Indoor Bowls Club.

During the month 4 members of the club turned over the page for another year.

First on the list was Pauline Dale on 21/12 followed by Shirley Petty on Christmas Day 25/12, next was Jim Clarke 98 years young on 27/12 and the last one was Annette Gibbs on 30/12.

Question = presents for birthday and Christmas?

Answer = a resounding Yes, yes.

December 14 was declared by the club as the birthday celebration date for all 4 members when a decorated pavlova was presented and added to the afternoon tea spread. (See photo)

On November 9 the club welcomed a new member, Lee Jackson who had played under the visitor banner.

November 23 and 30 were no bowls days.

The latter date was the Christmas lunch function in the Streaky Bay Hotel when club members enjoyed a well presented and delicious meal. (see photos previous Criterion).

Bowls competition continued for 3 more Wednesdays to complete the 2022 calendar on December 21.

On that last day the play committee grouped 16 club members and 2 visitors into 6 teams of triples to play 3 games of 8 ends.

Throughout the afternoon close results indicated accurate bowling and a fitting end to the year's activities. Many games were won by teams with a total score of 9 after 8 ends.

## SA SRC APPLICATIONS OPEN

The South Australian Student Representative Council (SA SRC) has been devised to offer school students in Years 10, 11 and 12 a new model of representation that will ensure they have a voice in policy and decision making that is led by young people themselves. A partnership between the CCYP and the Foundation for Young Australians (FYA) with support from the National Indigenous Youth Education Coalition (NIYEC), the South Australian Student Representative Council (SA SRC) is a body consisting of up to 150 student members in Years 10, 11 and 12 from across the state, working together to create genuine, student-led change within their own communities. It's an SA SRC – but not as you know it! It aims to capture the breadth and depth of young South Australians by showcasing and celebrating their nuance and diversity.

In 2023, the SRC campaigns will build upon the foundations that were set by the SA SRC in 2022. There will be more skills workshops, campaign actions, and opportunities to meet decision-makers. They'll get to hear from all kinds of people, including artists, campaigners, community organisers, media experts and more.

The link to apply is here: [SA SRC - Commissioner for Children and Young People \(ccyp.com.au\)](https://www.cryp.com.au).

Applications open on Thursday 24 November 2022.  
Applications close on Friday 20 January 2023.  
Applicants will be advised of the out-come of their application by Friday 3 February 2023.

## SANTA AT SCEALE BAY

Celebrating Christmas Eve in Scaale Bay has been tradition for many years. This originally started off as a small gathering, as the town's population has grown so has our event.

This long-standing tradition is an initiative organised by a few of the residents and is a family-friendly event that locals and visitors to the region look forward to. The major highlight is Santa and his elves arriving on a fire truck. It's great to see the huge smiles on the children's faces.

Santa brought a sack full of presents and treats for the children, a sausage sizzle fed all the hungry mouths.

This event gives people the opportunity to come together and enjoy each other's company. A great night was enjoyed by all.

We wish to say a huge THANK YOU to the District Council of Streaky Bay for your donation towards this event. "Also" to the many volunteers for their support and contribution to helping prepare this annual festivity.

Thank you.

## FAMILY FISH DAY

Family Fish Day record crowd for the 20th year celebrations

Fishing conditions were perfect for the 20th year of Family Fish Day in Streaky Bay. A record crowd turned out with 120 children aged 3 to 17 years registering. Participants came from as far away as Perth, Darwin, Alice Springs, Bendigo, Melbourne, Adelaide, from across the lower and upper Eyre Peninsula, Oklahoma USA and Cork Ireland.

From the moment the siren signalled the start of the competition there was intense fishing. The rules stipulate the event has a catch-and-release policy and that only scaled fish were applicable.

The Fisheries department were in attendance and handed out a pamphlet on the various fish species which was helpful to the young anglers.

Local fishing aficionado, Dion Edmunds of Streaky Bay Marine Products and Vice President of Streaky Bay Tourism and Business Association, was on hand encouraging the anglers and identifying the species caught. Dion commented how great it was to have locals and visitors enjoying the day together and that the Association could continue to offer this as a free community event.

The winner on the day with the Biggest Catch was by angler Indi Climas with a Flathead weighing 0.58kg. Indie a 14-year-old from Henley Beach won \$300 cash, a fishing rod and trophy.

Runner up was 4 year old Iggy Chynoweth from Streaky Bay scoring \$200 cash, a fishing rod and trophy for his catch of a King George Whiting weighing in at 0.33kg .

Other trophy's handed out on the day were to:

- Ryder Frick 12 years Streaky Bay Super Angler Award
- Isaac Lynch 6 years Poochera Keep Calm and Fish On Award
- AJ McEvoy 8 years Streaky Bay Hooked on Fishing Award
- Davi Da Silva 6 years Streak Bay Something Fishy Award
- Tage Gill 3 years Poochera Fish Tremble at the Mention of my Name Award
- Toby Elliott 6 years Streaky Bay Reel Expert Award
- Calvin Dickson 6 years Streaky Bay Commemorative Award
- James Sinclair 9 years Perth Jetty Champion Award.

Cash prizes of \$5 were awarded to 24 angler's catching 3 or more species. The 11 angler's catching the heaviest of each species received \$10.

To commemorate the event, organisers Streaky Bay Tourism and Business Association, acknowledged the contributions of Life Member and Founding Member of Family Fish Day - Mr Graham Redding with a trophy. Fifteen years prior to current event, the competition was known as a Snapper carnival that ran for the season. Mr Redding has been involved since the very first event 35 years ago.

Local couple Donald and Janet Williams donated a quality rod and reel to the Unluckiest Angler. A young man from Perth that didn't catch a thing despite trying hard, didn't go home disappointed.

Major sponsor Killas Fuel, Tackle and Outdoor Equipment owner-operator Nigel Brace was on hand to award the trophy's. Nigel and his team have championed this event over many years and organise the equipment required including feeding and quenching the thirst of the early rising anglers.

## FAMILY FISH DAY CONT

Shimano, the Streaky Bay Hotel Motel and Streaky Bay Hotel Board also sponsor the event providing giveaway's, the raffle prize and funding via a community grant. The raffle, a hamper filled with something for everyone in the family, was won by a family from Perth. Next year the event will celebrate it's coming of age with its 21st birthday.

The Family Fish Day committee have already started planning for this very significant milestone.

Thanks to all in attendance and to the volunteers that made this a very special event.

## STREAKY BAY MOTEL & VILLAS

### Motel Cleaner Wanted

You will join our 'pool' of casual staff where we do our best to accommodate your employment requirements alongside those of your new workmates.  
We do not work to kpi's, we work with each other every day as a team to turn the rooms around efficiently. We all pitch in, sharing the workload, doing whatever is necessary to get the job done.  
You will never be left alone to do it all.  
Whilst experience may be a bonus, it is not necessary, as we provide training.  
All we require from you is enthusiasm and to be physically able to do the job.  
Thankyou

# Council Waste Matters

Cardboard is free to drop off at the Transfer Station and greatly reduces the volume in your kerbside bin reducing what goes to landfill.

The cardboard is baled on site and freighted to YCA Recycling in Adelaide for recycling. A truck load of 80 bales was transported in January.

A reminder that the transfer station accepts the following non-deposit items for recycling:-

- Plastic milk and cream bottles, washed with the lids removed – opaque in colour
- Cardboard, cut or broken up into pieces that fit into a 240litre wheelie bin (please note that cardboard and cardboard boxes not to the correct size will be charged)
- Tin and steel cans, e.g. fruit tins, soup cans, etc. – washed with the lid put inside the tin

Please ensure your waste is sorted prior to arrival, this avoids contamination of waste.

The Environment Protection Authority (EPA) has imposed strict conditions on the disposal of waste in South Australia. The attendant will direct you to where your waste is to be placed – penalties will be imposed on Council for contaminated waste by the EPA. Your cooperation in sorting your waste is greatly appreciated.

The attendant has the right to refuse any waste that is not sorted.

Other items which are free to drop off at the Transfer Station are:

- Green waste – please see attendant before dropping off
- Steel; and
- Car Batteries
