Newsletter Contacts

We welcome you to your community Newsletter! Information, articles, and letters printed in the Criterion that are provided by members of the community do not necessarily represent the thoughts or views of the Council.

The Criterion is available from the first Thursday of every month and copies are available from.

- Streaky Bay Australia Post Office
- Streaky Bay Newsagency
- Streaky Bay Visitor Centre
- Haslam
- Wirrulla General Store
- Poochera Hotel
- Port Kenny General Store

Or it can be viewed and downloaded from the Council website at www.streakybay.sa.gov.au.

If you would like to advertise your business, please contact the friendly staff at the Visitor Centre.

E: criterion@streakybay.sa.gov.au

T: (08) 8626 7033

Deadline for submitting articles for the October edition is 5pm, Friday 29th September 2023.

WE WANT YOUR FEEDBACK! Your community criterion is forever growing, and we would like to hear your thoughts on what we can do to improve – please email criterion@streakybay.sa.gov.au or call into the Visitor Centre and speak with the staff.

INFRASTRUCTURE

Local Roads and Community Infrastructure Funding (Phase 4 – Part B)

Additional funding has become available specifically for roads under the above program. The following projects were considered:

- Road project, focusing on tourism – Sealing of Scales Bay to Point Labatt Road
- Road project focusing on community connectivity – Sealing of Mount Cooper Road
- Road project focusing on pedestrian safety – East to West Pedestrian and Cycle Pathway (Montgomerie Tce), incorporating linkages from Montgomerie Tce to Bay Road.

With Council resolving to deliver the Sealing of Mount Cooper Road with the funding.

Lions Park Project Development

The Lions Park project developed has commenced the demolition stage and now earthworks associated with the road, toilet, and swale construction. All play equipment and other infrastructure has been ordered and awaiting delivery.

Youth Precinct

The precinct is at about 70% completion and has been open to the public. It was disappointing in the first few weeks of it being open that Council Officers received concern about the behaviour of users with some of the equipment and infrastructure at the facility, our community is very fortunate to have this facility and would be unfortunate should this equipment be broken and subsequently removed from use. The delivery of the toilet facility is still outstanding and the installation the facility will require further trenching and construction works and therefore final works to the facility will not be undertaken until this facility is installed.

Depot Office Transportable

Council committed to and have had installed additional demountable office buildings at the Streaky Bay Depot. The additional office space has enabled the Infrastructure Management Team of Council to relocate from the Main Office to the Depot. This project has been completed.

Council Office Lift Installation

The Lift installation to the Main Council Office has been completed. The lift is a legislative requirement within the Local Government Act as Council Meetings must be able to be accessible by all persons. The lift itself is located within the Council Chamber room, with entry from the front foyer of Council.

REGULATORY AND DEVELOPMENT

Informal Caravan Parks

Council has received over the past year an increase in the number of informal Caravan Park complaints, with many landowners seeking to take advantage of an increase in the self-drive market and low cost camping opportunities.

Whilst many parcels of land permit this type of land use, a change in land use is still required in most circumstances, requiring a development application. Council Officers have been pro-active in following these up and providing the required responses to land holders to advise them of their obligations.

Caravans Stored on Land

Council Officers have undertaken inspections across the district and subsequently notified relevant landholders of their obligations. This has been a lengthy process, however continued follow up has resulted in the removal of many vans throughout the district to ensure that they are stored appropriately.

Home Based Businesses

The area has always been subject to many home-based businesses due to the lack of retail space and the benefits of having businesses at home. However, there are regulations around the permission of home-based businesses and the amount of m2 that are dedicated to a home-based business before a development application is required for change of land use, to residences hosting multiple businesses. Council Officers will continue to monitor this and address where and when required.

Food Handling Safety and Food Business Inspections

Council Officers recently engaged Environmental Health Consultants to undertake legislated food business inspections, this included mobile food vans, home based businesses, main street businesses, education facilities, Council and sporting group facilities. Reports following this have been provided and will be reviewed by Council Officers accordingly.

The process has included correspondence to all Food Businesses outlining their new Food Handling Responsibilities under the Food Safety Act, and a community information session that was facilitated by Council Officers with the Consultants undertaking a presentation on these responsibilities, and an opportunity for questions and answers, this was well attended with approximately 20 participants (information packs were also provided at this information session).

It will be important moving forward that Council continues its obligations and provides follow up inspections to ensure that businesses are meeting the required standards.

Council News Cont.

Footpath, Driveway and Roadway Alterations

Council would like to remind residents, businesses and contractors undertaking works that any works that involving changes to a driveway (between the property boundary and the kerb/road), footpath or road require a permit and approval from Council prior to works commencing. This is a legislative requirement under the Local Government Act.

Residents and businesses are reminded that you must also have a permit for placement of items on the footpath or roadway, planting of vegetation on footpaths or road verges, and the placement of items such as large rocks, timber or other items on footpaths or road verges, this includes rural and fringe roads.

If you wish to apply for a permit please email dcstreaky@streakybay.sa.gov.au or call the main office on (08) 86261001).

TOURISM AND ECONOMIC DEVELOPMENT

Speed Limits on Council Beaches

This review has been completed. A reduced speed limit from the 100kmh speed limit received an overwhelming response to reduce the speed limit to a default speed of 40kmh and 25kmh when passing or within 100m of a pedestrian. This was also supported by key stakeholders including National Parks and Wildlife and SA Coastal Councils Alliance.

All feedback from the engagement process is being considered to inform a final decision on a new default beach speed limit by the end of 2023.

The Speed Limits on South Australians Beaches Community Engagement Outcomes Report can be viewed at https://yoursay.sa.gov.au/speed-limits-on-beaches/news_feed/consultation-report

Perlubie Beach Speed Limit

Perlubie and Perlubie Beach (formal correspondence received from the Department of Infrastructure and Transport)

- o The 40 km/h Area speed limit will apply to all roads in the town, including Wharff Drive.
- o An END Area sign is not required at the beach car park, as Area speed limits do not apply to road related areas, such as car parks or beaches.
- o Drivers will enter the speed limited Area applying to the roads in the town when they leave the car park.
- o The entry to the beach will be signed 40 'On Beach' (a linear speed limit).
- o On Perlubie Beach, 40 km/h linear speed limit signs will be placed entering the length of beach (from the Eba direction) designated by council for camping, with a **linear** END(40) sign facing drivers leaving the area in the direction of Eba.

Township Entrance Statements – Streaky Bay Development approval has been received and Council are currently awaiting construction to commence.

Poochera Play Space Design

As per the Annual Business Plan for 2023/24 budget was allocated for play space design for Poochera near the Museum Precinct. Quotes have been received (within budget) for this project, however the project will await the outcome of the Masterplan for Poochera before progressing, therefore will seek to commence in early 2024.

COMMUNITY DEVELOPMENT

Naidoc Week 2023

Council Officers worked closely with event organisers to deliver a Naidoc activity for the community on Thursday 7 July 2023. A great attendance of community members and school/kindy classes attended the event, undertaking in activities including basket weaving, painting, story times and smudge sticks. This project was a joint initiative between Landscapes SA, Streaky Bay School Community Library, Naidoc Event committee and the District Council of Streaky Bay. Council assisted the event by providing venue hire, PA hire, advertising, tea and coffee facilities and staff assistance for the day.

Local Drug and Alcohol Community Action Plan

The first Community Action Plan workshop took place at Streaky Bay Area School on 26 and 27 June with Encounter Youth hosting Vaping Information Sessions with the year 7's to year 12's, approximately 132 students attended these sessions and assist in educating the youth on the risks of vaping.

Art workshops will also be offered to youth within the July school holidays, on Tuesday July 18 there are three sessions of clay plate painting being offered at just \$10 ahead thanks to the LDAT funding. Registrations are now open.

SUSTAINABILITY

Robinson Basin Lens

Council has proceeded with the engagement of a relevantly qualified consultant to undertake a review of the current and future options for the Robinson Basin water lens located just outside of Streaky Bay on the Flinders Highway.

Tree Management Policy Review

Following the completion of the community consultation sessions and arborist report on trees within Streaky Bay, a review of Council's Tree Policy

Council News Cont.

was undertaken, and this Policy was endorsed by Council at it's August 2023 meeting.

Recreational Fishing Tourism Strategy

Council considered a report that outlined the purpose and proposed outcomes of the South Australia's proposed Recreational Fishing Tourism Strategy for SA, that aimed at strategies primarily to increase the economic opportunities of fishing tourism within the state. Council considered the proposal and provided a response that acknowledges the project, and advised it is not wise to be launching a strategy that focuses heavily on promotion and economic impact without balancing out sustainable fishing promotion, and potentially activities such as the implementation of a recreational fishing licence in which monies can be reinvested to increase compliance, education and supporting infrastructure.

CEO UPDATE

From the CEO's desk: Our Mayor: Going the Extra Mile for Our Community

I wanted to share with you a recent encounter I had with Mayor Travis Barber, which left me deeply impressed by his dedication to our community. Last week, an impromptu meeting with the State Government took place in Port Lincoln where we discussed the pressing need to prioritize the repair of the Streaky Bay Jetty to enable vehicle access, a responsibility of the State Government. Mayor Travis Barber, true to his character, dropped everything on short notice to attend this crucial meeting. As I approach my second year in this role, I've come to learn that Travis's level of commitment is truly exemplary and we are fortunate to have a Mayor who genuinely cares about our region.

Having had the privilege of working with various Councils in the past, I can attest that not all Mayors possess the accessibility and unwavering dedication that Mayor Barber demonstrates. This is particularly noteworthy when you consider that Mayors and Councillors in South Australia receive modest allowances compared to their counterparts in other parts of the country.

Mayor Travis Barber also actively participates in the Eyre Peninsula board of the Regional Development Australia, the Eyre Peninsula Local Government Association Executive, and several other vital boards and committees. He has tirelessly advocated for essential improvements in the district of Streaky Bay, such as enhanced medical services, extended battery backup for mobile towers, improved telecommunications, and a reliable water and power

supply. Travis's dedication has yielded funding for critical projects, improvements in local services, and greater recognition for our community. One notable achievement was his successful lobbying to secure funding for the reconstruction of the Jetty Platform from the former Premier.

Our Mayor, Travis Barber, consistently goes the extra mile to enhance our region. He actively participates in community meetings, engages with government officials, and champions the interests of our region, all while managing his own business and receiving only a modest allowance in return. Sometimes, it feels like his office handles more Council requests and complaints than our administration office.

One remarkable quality of Mayor Barber is his genuine accessibility to our community. He actively participates in numerous community events and engages in conversations with community members to understand their concerns and ideas for our region. This level of engagement can be challenging in a small community, where a quick trip to the supermarket for a loaf of bread can turn into a one-hour affair due to all the conversations along the way.

I believe that most of you reading this are already aware of Mayor Barber's tireless efforts. However, having witnessed his dedication firsthand, I felt it was important to acknowledge his relentless work for our wonderful district. We are indeed fortunate to have such a passionate and accessible Mayor leading our community, and I encourage all of us to wholeheartedly support his tireless efforts for our beloved region.

Above: In the spirit of the Grand Final, above is a photo of the Streaky Bay Areas team selected to play Koonibba on its West Coast Tour in 1927.

Pool Lifeguard Qualification Training

If you are interested in obtaining these qualifications, all training will be provided and paid for by the

on the condition of working at the pool.

Applicants must be 18 years or older

Gazania (*Gazania spp.*)

Fact sheet

What do they look like?

Gazania is a drought tolerant perennial herb that is supported by a shallow rooted rhizome system. It grows to an average of 30cm tall. Originally from South Africa, the plant has daisy-like flowers ranging in colour from orange, red, yellow and purple. The leaves are dark green-silver and very hairy underneath. They are long and thin and measure 5-10cm long and 3-20mm wide. The tufts appear as a thick mat, displacing other vegetation in the area. The plants flower from June to December and are often seen in disturbed areas such as roadsides and coastal dunes.

The one seeded fruit is egg-shaped with scales and hairs. The plant reproduces from seed, which is spread by the wind and stolons (stems). The seeds are thought to be short-lived. The plant can also hybridise with other subspecies of Gazania (such as *linearis* and *rigens*.)

Why should Gazania be controlled?

A garden escapee, Gazania is commonly found on the Eyre Peninsula. It has become an environmental weed after being widely planted for ornamental purposes. It easily colonises disturbed ground such as roadsides but invades bushland, crops and vineyards. Once established gazania can form dense stands that exclude all other plants. It impacts on native vegetation by competing for moisture and nutrients. It spreads along road reserves, degrading remnant native vegetation. It invades and degrades coastal dune vegetation.

What are my responsibilities?

Gazania is a declared weed under the *Landscape South Australia Act 2019*. On the Eyre Peninsula the transport and selling of the plant is prohibited.

What are the best ways to control Gazania?

Established infestations can be difficult to remove, but a sustained effort can yield good results. The two main methods are physical and chemical control.

Physical control

Seedlings, small plants and small infestations can be grubbed, making sure all the rhizomes are removed. Correct disposal of grubbed plants is essential to prevent further spread of this weed. It is recommended that you first remove and bag the flower heads to prevent seed dispersal and place them in your red rubbish bin for deep burial at the dump. Once the plant is removed it is a good idea to compact the soil back down to prevent further weed infestation. Planting a competitive replacement is advisable to inhibit re-growth from the Gazania. Known sites should be regularly checked for regrowth.

Chemical control

Large infestations of gazania are best controlled with herbicide. Foliage should be thoroughly sprayed to runoff and care taken not to miss any part of the plant.

Here are some of the chemical formulation options:

Spray plants until just wet with a mix of 50ml glyphosate (450g/L) in 10L water.

In bushland areas use 4g of Lontrel® 750 plus 25ml Pulse® in 10L water to reduce damage to companion plants.

200g/ha of Lontrel® 750 plus 0.25% wetting agent can be used for roadside and overall spraying.

Roundup Biactive (glyphosate (360g/L) at a rate of 100ml to 10L of water can also be used for conservation areas, bushland and other non-crop areas.

In 100L of water mix 250ml of Lontrel advanced with 2L of Bioweed Organic pine oil. Or in 100L of water mix 500ml of Lontrel 300 and 2L of Bioweed organic pine oil.

The best time to apply herbicides is in autumn or spring, but good results can usually be achieved any time the plants are actively growing.

Do you have Gazania?

If you think you have Gazania on your property, Eyre Peninsula Landscape Board staff can provide advice on control and management.

Community Survey – Health Provision – 2023

We want to know your thoughts on Community Health Services in Our Community

The Streaky Bay and District Medical Clinic, supported by the District Council of Streaky Bay are undertaking a community survey to help us understand, your understanding of health services in the community, the types of health care currently accessed, priority use of health care services and expectations of health care provision.

The survey will close on SUNDAY, 1 OCTOBER 2023, Surveys can be returned to the Medical Clinic or Council Office. **All survey data collected remains anonymous.** Enquiries to: secretary@streakybaymedical.com

The first part of this survey helps us determine the demographic of people responding to the survey, and your specific circumstances.

1. Respondent Age (Please Circle)

18-25	26-35	36-50	51-65
66-80	81+		

2. Gender (Please Circle)

Male	Female	Prefer Not to Say
------	--------	-------------------

3. Place of *Primary* Residence (Please Circle 1 only)

Streaky Bay	Sceale Bay	Perlubie	Eba Anchorage
Haslam	Wirrulla	Poochera	Fisherman's Paradise
Baird Bay	Other – Eyre Peninsula	Other – Adelaide	Other – Interstate
Other – Regional SA			

4. How Many Adults do you have living in your household (please Circle)

1 - 2	3 - 4
-------	-------

5. How Many Children do you have living in your household (Please Circle)

1-2	3-4	5+
-----	-----	----

6. What is the total yearly combined income of your household (Please Circle)

Under \$ 50,000	\$ 50,000 - \$ 100,000
\$ 100,000 - \$ 150,000	\$ 150,000 +

The next set of questions is about the overall medical services provided, this relates to all services (hospital, aged care, allied health, clinic)

7. On a Scale of 1 – 10 how satisfied are you with the current level of medical services provided within the District of Streaky Bay (with 10 being very satisfied)?

8. Please rank the following services that are provided as the most important to you (in priority order with 1 being the highest priority)

Medical Clinic Consultations ____

After Hours Emergency Medical Care ____

In Patient Hospital Services ____

Out Patient Hospital Services ____

Aged Care Patient Services ____

Other _____

9. How accessible do you think the current health services in our community to all members, regardless of their income or background?

Very Accessible	No Very Accessible
Somewhat accessible	Not Accessible
Neutral	

The following set of questions relates to the management of local medical services and what you know about the management.

10. Did you know the Medical Clinic is a community owned incorporated association managed by volunteer community members?

Yes / No

11. Did you know the Streaky Bay Hospital is under the care and control of Eyre Far North Local Health Network with the Medical Clinic contractor to provide 24/7 GP Services to the Streaky Bay Hospital?

Yes / No

12. Did you know that by having this contract it is the Medical Clinics responsibility to ensure that a doctor is available to provide those services to the Streaky Bay Hospital?

Yes / No

13. Have you or someone in your household used the services of the Medical Clinic in the last 24 months?

Yes / No

14. If you have accessed the Medical Clinic in the past 24 months what was your primary reason for accessing? (Circle all that apply)

Script Refill	Specialist Referral	Illness Onset
Check Up	Employment Medical	Care Plan Assessment
Pregnancy	Mental Health	Chronic Illness
Blood Tests		

15. Was your primary reason for visiting to see (tick one)

- ☐ Doctor
☐ Practice Nurse
☐ Administration Staff

16. Did you have your consult via (please circle)

Face to Face / Telephone

17. Were you able to get an appointment with the Medical Clinic when you needed one?

Yes / No

18. What was the average time you had to wait for an appointment? (please circle 1 only)

1 Day / 3 Days / 1 Week / 2 Weeks

19. Are you satisfied with the current fee structure at the Medical Clinic?

Yes / No

20. If No, do you believe the fees are too high?

Yes / No

21. Are you aware that the Medical Clinic Board has been considering transitioning the clinic and Hospital GP provisions to the Eyre and Far North Local Health Network (SA Health)?

Yes / No

22. Have you attended any of the meetings regarding this transition process?

Yes / No

23. If this transition resulted in a reduced fee charged at the Medical Clinic would you support the transition?

Yes / No

24. If this transition resulted in a reduced number of consulting hours at the Medical Clinic would you support the transition?

Yes / No

25. If this transition resulted in an on-site emergency GP only being available 1 week in every 2 weeks (the second week would have emergency care provided from another location) would you support the transition?

Yes / No

26. If there was to be a reduced number of consulting hours and the presence of an onsite emergency was reduced to 1 week in 2, and clinic fees were reduced would you still support the transition?

Yes / No

27. If the clinic was to retain its existing level of service and current commitment to the Hospital to provide emergency services and in patient care, and the only way to remain financially viable, are you satisfied to keep paying the current level of fees?

Yes / No

28. If you believe the clinic should increase its existing level of services and retain current commitment to the Hospital to provide emergency services and in patient care, the only way to remain viable is to increase fees are you willing to pay an increased fee?

Yes / No

29. What additional health services do you believe our community needs? (prioritise 3)

1. _____
2. _____
3. _____

Community News

BUSY KIDS CHILD CARE CENTRE

Busy Kids opening day in Streaky Bay was a great success. Staff, parents, and children eased into the centre's new spaces and routines with excitement and enthusiasm.

The children engaged in sandpit play, bike riding, painting, dress ups, dancing and more. It was beautiful to see new friendships being formed between children, and staff connecting and sharing in the learning.

The opening of our childcare centre is a tremendous asset for our community. A cherished place for families, where children can thrive, learn, and make friends.

Congratulations to the entire team for creating such a wonderful space for our children to grow and flourish.

If you would like more information about enrolling your child, please phone 08 8102 4138 or visit busykidsstreakybay.com.au.

STREAKY BAY MENS SHED

Our numbers unfortunately have been down of late, but we are still managing to get work done.

It is good to see Jim Clarke back on deck after a couple of weeks resting after his fall.

As was reported in last months report the Locum Doctor in Clem Le Lievre joined our shed and worked a couple of weekends doing/showing wood turning. (see pic below of Clem at work). The picture below shows some items he turned up to make pin/pens holders out of now he is back in New Zealand. He indicated he would like to do some metal work if he returns.

Thanks to Rob Fiebig and John Lelifeld the honour board for the football club has been completed and picked up. Some pictures in next edition.

Our sleigh for the council is nearly complete thanks to Peter Eylward and Malcom Brace. Just needs a coat of paint. We have made it dismountable for easy storage.

Our grounds are looking good thanks to Rob Fiebig for spraying the weeds and Jim Petty for mowing the A green. Thanks to Denise Watson for giving us some wood that she had. The wood will be used for different projects.

Another project under way is a Lecturn for the RSL. Jim Petty is doing a great job of this.

A couple of weeks back we had a BBQ for our members and invited our latest member in Clemente Le Lievre the locum doctor. It was ironic that we had Clem and Peter Mc Nicol together in the same room. Life's cycle. It was said Clem does more for Peter than Peter does for Clem.

Community News

THE BAY COMMUNITY OP SHOP

Many volunteers attended the birthday celebration of our first year of trading as The Bay Community Op Shop, with a morning cuppa and cake at Drift on August 10th.

President Karen thanked everyone for their hard work and varied contributions.

Treasurer Heather was proud to announce that all set up costs had been paid. Sixteen community groups requested funding in June and she was pleased to announce that all requests were supported.

Donated goods are sorted by volunteers each Monday at "The Cottage" at 35 Park Avenue between 9 and 11:30am. Donated items can also be left at 54 Wells Street any day of the week. The volunteers appreciate the support from the community of clean donated items.

Before donating your car seats or life jackets, please check the dates. The law states we cannot sell them if they are over 10 years old.

The Bay Community Op Shop opens Monday to Friday from 10am – 2pm and on Saturdays from 9:30 to 12.

The Bay Community Op Shop would like to thank the wider community for the massive support we have received.

HOSPITAL AUXILIARY

August Meeting held Elmhaven.

Welcome extended to Gaye and Sharon, it is always beneficial to have their input at our meetings enabling us to help out where ever possible and be able to air any concerns.

Gay has requested another outdoor blind and will measure and get quote shortly.

A gopher is in shed left by a past patient needs some attention Mens Shed to be approached to see if able to upgrade suitably for a spare to be used if needed.

Vein Finder in throws of being purchased by us, CWA, Probus and Op shop contributing towards payment of \$5269.00.

Catering for Ag meeting netted \$1500 thankyou to all for help.

Grateful thanks also to Perlubie Sports for their generous donation.

Letter has been written to Council requesting a card for gardening group for delivery of green waste each fortnight as we would have 2 trailers each fortnight and feel apart from benefitting patients well being it also benefits the community and we are all volunteers.

Anyone wishing to get Some Agapanthus or Lavender plants welcome to come to our next busy bee on 12th Sept from 9a.m. bring your own shovel.

Leah King has kindly volunteered to give us a demonstration and some insight on use of Defib machines scattered throughout different sites in the community and CPR in general anyone is welcome to attend. This will be at our next meeting 2p.m. hospital boardroom Tues October 3rd.

FRRR

Foundation for Rural
Regional Renewal

Social media for community groups

Did you tune in to our most recent webinar in The Know and The How series?

This episode was on 'Social Media for Community Organisations', and run in partnership with FRRR's media and communications team - JAW Communications. It's a beginners' guide to the opportunities available for community organisations to use social media when promoting their work, their events and fostering engagement in the community.

Don't fret if you missed it - you can always catch up via our YouTube channel FRRR Australia
https://www.youtube.com/watch?v=0g_dVDLVhww

CDS (Cans and Bottles Recycling)

Opening hours are the same as Resource Recovery Centre

ALL deposits MUST be sorted -

- Glass
- Cans
- Plastics
 - Cardboard Containers (flavoured milks)

ALL straws and lids must be removed and flavoured milk containers rinsed.

ALL rubbish must be removed prior to deposit.

Unsorted bulk deposits will attract a sorting fee.

Waste Oil Collection Facility (Motor Oil Only)

Council has a waste oil collection facility (for used motor oils) located at the depot on Jubilee Road for use by the public.

Please contact the Council Office on 8626 1001 to arrange drop off.

Opening Hours

Monday	Closed
Tuesday	9:00am - 12:30pm & 1:30pm - 4:30pm
Wednesday	9:00am - 1:00pm
Thursday	Closed
Friday	9:00am - 12:30pm & 1:30pm - 4:30pm
Saturday	8:00am - 1:00pm
Sunday	Closed

Transfer Station Closed

All Public Holidays, catastrophic declared fire ban days (as issued by the CFS) and as adverse weather conditions dictate to maintain the safety of staff and customers.

Large Loads / Items

Loads in excess of 3 tonnes, large steel items such as cars and tanks and asbestos should be taken to the Cungena Landfill Site.

Liquid Waste

Liquid waste is not accepted.

STREAKY BAY INDOOR BOWLS

The S.B.I.B.C. recently has noted several highlights.

During the 5 bowling days in August there were

- a) birthdays celebrated for Raylene (2nd July), John (6th August) Cheryl (9th August) with a cake presentation on 9/8.
- b) one lucky club member won the door prize, the money card and the plate spot all on the same day.
- c) on 4 of the 5 Wednesdays the winning team had won 3 games.

See winners below for the different team combinations, sometimes 3 sometimes 4.

One particular win was on 30/8 when the fours team skippered by Bev White amassed the high total shots count of 47 spread over the 3 games.

In August player numbers settled round the 16 mark and visitors were welcomed every week.

Winning teams were :

- Aug. 2 = Marlene, Jim C., Cheryl
- Aug. 9= Connie, Gay, John
- Aug.16= Cheryl, Jim P., Julie, Owen
- Aug.23= Bev.W, Julie, John, Lena (visitor)
- Aug.30= Bev.W, Roger, Gay, Cheryl

BONE DENSITY VAN IS VISITING CEDUNA

The Royal Adelaide Hospital Mobile Bone Density clinic is visiting Ceduna soon from 4 September 2023 for up to 2 weeks.

Speak to your GP to get a referral, then phone (08)7074 5400 to book an appointment while the mobile unit is in your local area.

Nearly 1 in 10 Australians aged 50 and over have osteoporosis so it is important to know your bones and keep them healthy.

there is no out of pocket cost for patients who are scanned at the Mobile Bone Density Service

STREAKY BAY PROBUS

Probus August meeting was well attended this month, despite several members being sick or absent on the day.

Scott Mephram recited poetry, some were from his published book titled "Slipping between Tree Tops". Scott said it is his form of relaxation to sit and write poem's.

There was a lot of interaction with members guessing where places described in the poems were. They were also keen to provide info and history of the Streaky Bay district for future poetry material. Scott was very happy to receive a pen as a thankyou to continue his writings.

It was decided that we have a coffee morning at Drift on the 31st of August. This was attended by 15 members each bringing a photo of themselves when younger. Much fun was had guessing who was who. It is planned to repeat the morning tea monthly.

Our next meeting will be on 21st September 2023.

We are opening up our meeting at 11am to anyone interested in a presentation by Tony Ey from RAA 'Called Life is a Highway'.

This covers:
Licensing
Car safety Challenges
Rules
Signs
Unfamiliar roads.

He is an excellent speaker, and is always very entertaining.

STREAKY BAY CWA - JULY REPORT

14 Members attended the Annual Meeting at Sussan Bignell's home in July. As usual Sussan is a great host and members appreciate the Bignell's welcoming us to their lovely comfortable and scenic home.

The Roll Call was A Winter Wellbeing or Passtime Activity which brought a few laughs but keeping warm was included in all answers particularly during these past freezing weeks. Members display was a shawl or scarf wrap were varied and beautiful. Most had been hand worked by themselves.

Monthly business was attended to while we enjoyed a cuppa and eats as too.

Business arising entailed the Vein Projection Vein Finder that the Hospital have made approaches. We resolved to donate \$2000 to the Hospital Auxiliary, who are handling the donations, toward this much needed machine. The total cost is \$5500.

Then President Helen Flanigan read the yearly report. CWA have been active assisting with others the Biggest Morning tea for Cuppa for Cancer, holding a stall at the Market, and a Bus tour to Colton Bakery.

Yearly attendance, flowers, trading table items. The monthly points culminated in Patsy Jenkins scooping the pool. Well done, Patsy.

A very important member made a surprise visit at lunchtime. Sec/Treasurer Sharon McKenzie. Sharon has been holidaying in Tasmania & New Zealand. She has now taken to the warmer climate in Northern Territory on annual work commitments.

Ceduna Branch are having their 90th birthday celebrations on August 8th which coincides with our monthly meeting.

Meetings are held monthly on the 2nd Tuesday at 10am.

Handicraft will be held monthly on the 3rd Tuesday 10 am in the RSL Hall. Contact Allison Goddard 0417854883 if you would like to join this clever and crafty group.

STREAKY BAY CWA - AUGUST REPORT

On August 8th Ten Streaky Bay CWA members travelled to Ceduna to celebrate their 90th birthday at a luncheon at the Ceduna Foreshore Hotel .

It was also our own 84th birthday on that day.

Rae Brewster OAM was the guest speaker and gave an insight into her CWA years starting in 1946 at 14 years of age. The knowledge passed on from CWA women from many areas for the betterment and progression of lives has motivated many. Changes have occurred over the years but the aim is still to assist women and families by the Motto. " Sharing and Caring "

It was a very pleasant day with raffles, story telling, and competitions.

Handicraft Secretary Allison Goddard has a Facebook notice for interested persons.

Handicraft 3rd Tuesday Sept. 19th Contact Allison Goddard

Our next meeting is Tuesday September 12th 10am.

Roll Call "a Streaky Bay Fact" Display.. Something Streaky Bay..... Blooms and Trading Table.

A CELEBRATION OF SEAFOOD - 23 SEPTEMBER

Streaky Bay has a great lineup to celebrate the seafood of the district and to toast the men and women that work in the local seafood industry.

Simon Byrant, celebrity chef and patron of Tasting Australia, will be cooking up a storm at the sellout luncheon. The theme will be Asian Hawker. Simon is bringing over his big woks and they will be pumping out the freshest and most delicious seafood dishes.

Simon Bryant is a chef who believes in ethically sourced, premium local and fresh produce being the king of the kitchen. This is Simon's second appearance as the event celebrity chef. He was selected because he is raw, vibrant, and really honours the seafood. Simon has been a long-time supporter of the fishers of Streaky Bay and said: "when you have artisan fishers harvesting daily it provides the absolute freshest fish available and that's and absolute delight to cook and even better to enjoy."

Peter Teakle wines will match each dish. The event hosts Streaky Bay Tourism and Business Association are very pleased to be able to showcase the local seafood and to also feature the premium wines from the Eyre Peninsula. Each guest will receive a commemorative glass to mark the occasion. Streaky Bay Marine Products are a major sponsor of the event and Dion Edmunds marketing director says: "the luncheon format will be a little different from last year, the seafood is guaranteed to be premium, and Simon's menu is impressive."

The luncheon has attracted guests from Alice Springs, Sydney, Adelaide, the Riverland, Adelaide Hills and from across the Eyre Peninsula. The luncheon is being held at Drift Café overlooking the historic jetty. Once the luncheon is underway the celebration continues as local food vans will be lining up on the foreshore at Campbell's Landing offering an array of delicacies with each van including a seafood hero dish.

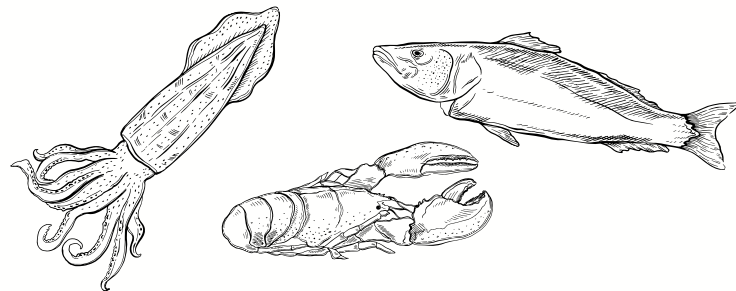

Just for starters think whiting burger, seafood pizza and fish tacos. Locals from Streaky Bay Distillers will be serving up cocktails including the popular abalone infused gin and the Basil & Belle coffee van will offer an array of hot beverages and sweet treats. The food vans will be offering takeaway foods as well as their tradition fare so there will be something for everyone. There will be live music, games and activities for the children, so it will be a fun family afternoon.

President of Streaky Bay Tourism Business Association Lyn Finch said "its wonderful that the luncheon sold out within the week of tickets going live, but to be able to expand the celebration and offer an alternative festival with the food vans, cocktails, games and activities for the children plus live music is truly a Celebration of Seafood @ Streaky Bay and an event not to miss.

CELEBRATION OF SEAFOOD - CONTINUED

The District Council have come on board as major sponsors, and we are extremely proud to have Councils support for this festival. One we hope will become an annual feature on our event calendar."

The Celebration of Seafood @ Streaky Bay Festival kicks off on Saturday 23rd of September at 1.00pm until 6.30pm Campbell's Landing Streaky Bay foreshore. Email tourism@streakybay.com.au for further information.

COAST PROTECTION GRANTS PROGRAMS

The **2023-24 Coast Protection Grant Program** provides funding for coastal councils to help repair, restore and sustain the state's coastlines. High priorities for funding include works and studies that address erosion or flooding hazards along the coast.

The **2023-24 Community Participation Grant Program** supports volunteer groups and environmental non-government organisations (eNGOs) to partner with local government to undertake small-scale coastal management or educational initiatives.

The Coast Protection Board's **Grant Program**
is open for application from

25 August 2023 - 25 October 2023

We want your input to shape our state's future connectivity investment priorities.

What's being decided?

The Government of South Australia is seeking your views to support the development of its connectivity strategy to ensure South Australians can benefit from improved internet and mobile phone services.

It is intended that feedback obtained through this process will inform future funding requests and decisions from a variety of sources including Commonwealth, state and local government, and telecommunications services providers.

We want to hear from you on how improved access to the internet and mobile phone coverage benefits you, your community, and the services you depend on.

Take the survey by scanning this QR code :

Or by visiting the YourSay website :

<https://yoursay.sa.gov.au/useofinternet>

Early Years SA app

There is a lot of information out there for new parents. The first 5 years of a child's life are critical to their health, development, learning and wellbeing. However, they are also a major learning curve for parents too.

That's why we've created the Early Years SA app. The Department for Education in consultation with Child and Family Health Service (CaFHS), the Department of Human Services, Wellbeing SA, Parenting SA and SA Dental, with resources from organisations such as the Raising Children Network, has launched the app - a go to for trusted information about child health, learning, development and wellbeing from birth to 5 years.

The Early Years SA mobile app complements but does not replace your child's Blue Book.

Your child's Blue Book is where your midwives, doctors and community nurses record important health information for your baby and you will need to bring this to all your child's medical appointments, including health checks, GP or specialist appointments and immunisations.

South Australia is taking the next steps to **REPLACE the WASTE**

South Australians are committed to the environment and want action on single-use plastic products. By avoiding waste and shifting to reusable or recyclable options, we can ensure the best environmental outcome for our 'clean and green' state.

These products will be phased out by September 2023

Single-use Plastic Plates

Single-use Plastic Bowls

Plastic Stemmed Cotton Buds

Plastic Pizza Savers

ALTERNATIVES

For information on reusable and compostable alternatives visit:
www.replacethewaste.sa.gov.au/alternatives

For more information, go to replacethewaste.sa.gov.au

Australia is having a conversation about the **Voice referendum** being held later this year.

It's about whether we should change the Constitution to recognise the First Peoples of Australia by establishing an Aboriginal and Torres Strait Islander Voice.

The Voice would be an independent and permanent advisory body. It would give advice to the Australian Parliament and Government on matters that affect the lives of Aboriginal and Torres Strait Islander peoples.

Get informed.

Courtesy Bus

The Streaky Bay Hotel Courtesy Bus is a service provided by the Hotel for Patrons of the Hotel wishing to enjoy meals and drinks without a concern about drink driving. There is no charge for this service. Our ability to run the service is dependent on the availability of a Staff member to drive.

To request a pick up please phone 8626 1008

- The bus is usually available from 4.30pm daily.
- Bookings must be in by 5pm.
- Caravan Park pick up times are:
 - Islands – 5.30pm
 - Foreshore – 5.45pm
- If the bus is full, we will return for a second run.
- The Bus is NOT available between 6.00pm and 8.30pm due to dinner service.
- The bus can be requested at any time outside these hours and if a Driver is available, we will go earlier.
- Coordinate your return ride with the Duty Manager in the Front Bar
- For our Flying guests, we are happy to pick up from Streaky Bay Airstrip. Prior notice is appreciated.

The sad fact of these times are

Rather than acknowledge

and honour their creator

people will turn away

from the truth

and gather around themselves

people who will tell

them what they

want to hear
