GOVERNANCE AND ADMINISTRATION

Disability Access and Inclusion Plan

The Plan was endorsed by Council at the August 2020 ordinary meeting of Council. The requirement to gazette the document was removed from legislation on 27 August 2020 and the Plan will now be uploaded for access directly via the Council website, <https://www.streakybay.sa.gov.au/your-council/latest-news/draft-disability-access-and-inclusion-plan>

Wirrulla Triangle Use Negotiations

This action is currently on hold due to other Native Title hearings occurring in the area. Staff will progress this again when the timing is appropriate. Please contact the Council CEO should you have questions regarding this.

Andromeda –Poochera Kaolin Mine

This project has been renamed the Great White Kaolin Project. The group are currently in the Definitive Study Phase. Council has issued a letter of support to the group to allow continued access to the site across an unmade road reserve. This is an administrative matter and will be dealt with in stages as the project commences.

Wirangu No. 2 Tenure Dispute Status Update

The hearing over the only tenure dispute of the Wirangu No2 Determination (the Streaky Bay Golf Course area) is now being heard “on papers”. Council’s solicitors are positive regards the possible outcomes but further information will be given when the judge hands down her findings. We are expecting the Consent Determination hearing to occur in Streaky Bay in October 2020 and will commence discussions with representatives of the group for Council to support that process.

SAROC (SA Regional Organisation of Councils) – call for membership

Council endorsed at the August 2020 ordinary meeting of Council that Mayor Barber be nominated on behalf of the EPLGA group of Councils to sit on the SAROC Committee.

Local Government Reform Bill

Council has submitted a document outlining Council’s support and objections to various areas of the Bill. Council has opposed only those areas that will increase costs to Council and are not practical in application. Much of the reform suggested is in areas Local

Government has been suggesting and requesting for some time.

A meeting was held on the evening of 26 August 2020 with the Opposition Bench regarding the Bill. Feedback was very positive regarding their support for the work Local Government is doing to provide services and support to communities.

Contractor has been engaged. Wirrulla & Piednippie programmed for November 2020. Poochera programmed for January 2021.

Council News Cont'd

Kerrin McEvoy Sculpture Project

Council received a request from the project committee seeking Council's endorsement for Council to take ownership of the statue following installation. Council accepted ownership of the statue subject to a formalised MOU regarding the ongoing management and maintenance of the asset with the current Committee.

Men's Shed Shipping Container

Council endorsed a request from the Men's Shed to place a shipping container on the existing site of the Men's Shed. Council agreed to the placement of the container on the subject land with the colour of the container and surrounding aesthetics to be considered to minimise the visual impact of the building.

Council staff met with the Men's Shed representatives and it was identified there is limited location options due to underground infrastructure however an initial plan to install the container to the west of the main building is favoured. Painting and screening will be undertaken as required.

Wells Street – School Zone Precinct

MICW has held discussions with the Principal of the Streaky Bay Area School and Department Planning Transport Infrastructure. DPTI are forwarding a design recommending that the bus location be slightly modified, and signage altered. Design will be finalised first week in September.

Wells Street – Review of Plans

Draft designs / plans have been received and discussed at Council's Roads Consultative Committee. Committee Members are given time to consider and report back.

Streaky Bay Heavy Vehicle Bypass – Plans Development

Draft designs / plans received and discussed by Roads Consultative Committee.

Road Construction

The construction team are currently working on Finlayson Road, moving onto Dog Fence Road.

Road Maintenance

Graders will be working their way around the district (moisture/weather permitting). During this patrol grading season (commencing in April) staff have patrol graded approximately 685 kilometres. Now working on

the Carawa/Petina Roads moving to Haslam / Dog Fence Road. The other Grader is moving to Jessie Flat Road to perform private works.

Poochera Oval Complex – Ceiling Replacement

Quotations have been received for Ceiling removal / reinstatement. Further damage has been located and a full report is being prepared for Council.

Jetty Pool Shade Shelter/Platform Extension (Drought Communities Program)

Design meetings underway. MICW has met with the Jetty Pool Committee and held discussions with a couple of suppliers around design concepts. Next discussions will be with a local engineering company.

PLANNING AND DEVELOPMENT

Planning Reform

Phase 2 Councils (which includes Streaky Bay) are now live on the ePlanning Portal. All development applications must now be submitted through the ePlanning Portal for processing.

The Eyre Peninsula Regional Assessment Panel has been approved by the Minister and the Regional Assessment Manager has been appointed.

PDI Act Fees and Charges

A report outlining the fees and charges was presented to the August ordinary meeting of Council. Please see report and minutes for full details.

Finlayson Road Intersection with Highway

The Required Deed has been executed and the surveyor will now prepare final drawings for Council approval to complete the process for submission to the Land Titles Office. Council's solicitors are preparing the Form 3 Waiver and registering the Deed with RevenueSA as Council is responsible for the Stamp Duty pertaining to the execution of the Deed.

Tyringa Road Realignment/Land Swap

Road Opening Process Documents and associated plans have been received by Council and a report has been prepared for the September Ordinary meeting to allow the Mayor and CEO to finalise the required documents for lodging with the Lands Title Office.

Gibson Peninsula Code Amendment

A request for a Code Amendment has been submitted to DPTI for consideration. This is the first Code Amendment submitted under the new Planning Act. The Regional Assessment Manager is working closely with Council and DPTI to finalise the matter as soon as practicable.

Council News Cont'd

COMMUNITY & ECONOMIC DEVELOPMENT

Sceale Bay Solar Peer to Peer Pilot Project

The proponents of the project presented to the SA Power Networks Regional and Remote Communities Working Group.

SA Power Networks Customer Consultative Panel Updates

The Customer Consultative Panel has continued to meet via Zoom. Submissions have been made to the AER regarding new pricing arrangements and regarding rural and remote isolation of services.

SA Power Networks Regional and Remote Communities Working Group Updates

The working group has been meeting regularly and are about to undertake a project prioritisation process to provide support to relevant rural and remote projects to address electricity access inequities.

REGULATING

Dog Holding Facility

Council now has officially taken over the use and maintenance of the animal holding facility on Jessie Flat Road.

Animal Registrations

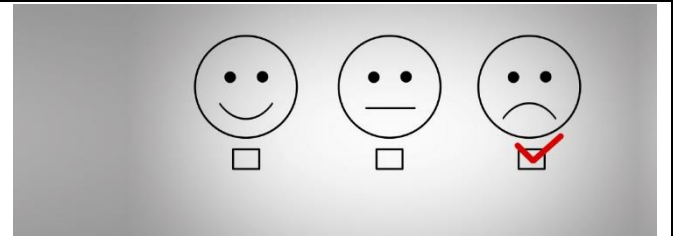

Council has had a fantastic response to the Dogs and Cats Online (DACO) registrations this year. As of 28 August, 82% of dogs and cats have been renewed which equates to 227 extra animals registered compared to the same time last year. The Dog and Cat Board sent out an automated message to pet owners who were yet to register their animals in the middle of August.

The General Inspector investigated and initiated the sending out of targeted SMS messages to owners of unexpired animals in the week prior to late fees being applied, resulting in an extra 15% of dogs and cats being registered. This pushed the District Council of Streaky Bay to the equal top 3 percent of its dog and cat registrations of all 68 Councils within the state. An automatic late fee of \$20.00 will be charged on the 2 September for any unpaid registrations.

Fire Prevention

From 31 August the General Inspector will start conducting grassland fuel load and curing assessments throughout the district. This information is provided

weekly to CFS and distributed to the CFA and BOM organisations, to assist in making decisions regarding upcoming weather events throughout the season eg. Fire ban declarations of certain areas. The information gathered and collated is used for up to date online mapping showing the rate of curing of grassland/crops state-wide. This information is collected until the grassland is at 100% cured – which normally coincides with the start of the Fire Danger Season – normally the 1 November each year.

Council is currently investigating options for rates by email – to register your email address send details to

dcstreaky@streakybay.sa.gov.au

ANNUAL BUSINESS PLAN & BUDGET SUMMARY

2020/2021

SERVICE CHARGES

EFFLUENT MANAGEMENT

Council maintains and manages a Community Wastewater Management Scheme and charges for all properties serviced by these schemes. The service charge is set at \$477.

KERBSIDE COLLECTION

The Council charges a service charge to offset the cost of kerbside waste collection. Council has not increased this for this financial year. The service charge per 140 litre bin is \$200.00

REGIONAL LANDSCAPE LEVY (RLI)

The Regional Landscape Levy, formerly the 'NRM levy, is a state government tax which Council is obliged to collect on behalf of the State Government for no net gain to Council. The rates are as below

- Residential \$79.15
- Commercial \$118.72
- Industrial \$118.72
- Primary Producers \$ 158.30
- Other Vacant Land \$79.15

RATES AT A GLANCE

Comparing rates between Councils is difficult as every Council has different attributes and provides varying services or similar services at different standards. Council deliver an extensive range and level of service to the community with the greater part determined by the expectations of our communities.

METHOD USED TO VALUE LAND

All land within a Council area, except for land specifically exempt (e.g. Crown land and Council occupied land) is rateable. The Council may adopt one of the three valuation methodologies to value the land in its area. They are: Capital Value, Site Value or Annual Value.

Council has decided to continue to use *site value* (the value of the land and any improvements which permanently affect the amenity of use of the land, such as drainage works, but excluding the value of buildings and other improvements) as the basis for valuing land within the Council area. Council considers that this method of valuing land provides the fairest method of distributing the rate burden across all ratepayers on the following basis:

GENERAL RATES

Council sets differential general rates of: Residential, Town Centre, Industry, Light Industry (Aquaculture), Primary Production, Rural Landscape Protection, Rural (Deferred Urban), Coastal, Country Township, Settlement, Rural Living, Commercial (Bulk Handling), Recreation and Tourist Accommodation (Coastal). These differential general rates are further divided between land uses.

A fixed charge of \$600.00 will be levied against each separate assessment with only one fixed charge levied against two or more pieces of adjoining land. An overall rates increase of 1% has been applied. However, the actual increase payable by any individual rate payer may be more or less than this, depending on the movement in the site value of each property.

RATE REBATE

A rebate of rates of any rateable land in the Council area will be in accordance with the Local Government Act and Council's Rate Rebate Policy.

The Annual Business Plan sets out the District Council of Streaky Bay's proposed services, programs and projects for 2020/2021.

The budget will be funded by;

- Overall rates increase 1%
- Fixed charge of \$600.00, levied against all rateable properties CWMS Levy \$477 (all applicable land)
- Waste Levy \$200 (all properties within the waste management collection area with an occupiable dwelling)
- Fees and Charges
- Grant Funding
- Council Loans

COUNCIL 2020/2021 BUDGET	\$
INCOME	9,461,000
LESS: EXPENSE	10,165,000
OPERATING (DEFICIT)	704,000
ADD BACK: OUTLAYS ON EXISTING ASSETS	493,000
LESS: OUTLAYS ON NEW ASSETS	267,000
NET BORROWING FOR FINANCIAL YEAR	930,000

Council's expenditure is more than its projected income. However, Council has indicated that they may borrow for the Streaky Bay Foreshore Tourist Park Upgrade, which equates to \$1,075,000, if Council does this, then the net borrowing will return a net lending amount of \$145,000.

COUNTRY WOMEN'S ASSOCIATION

August 11th had our members & tag-along friends board the Council bus to venture amongst farm lands between Streaky Bay & Wirrulla where we celebrated our branch's 82nd birthday at the Wirrulla Hotel.

To add to the occasion, we also celebrated benchmark birthdays for Fay Kelsh (90,) Ann Priest (80) & Sussan Bignell (60).

Plenty of chit chat, cheeky comments, jokes, games & laughter, including a maths quiz which got the grey matter going for most and increased stress levels for a few.

Tasty lunch & bevos served by the Wirrulla Hotel satisfied those travelling craving bellies followed by a thick slice of sponge cake made especially for the occasion by our very own Streaky Bay Bakery. (yes, it travelled in the bus on its very own seat all the way to Wirrulla and survived. Such a great driver our Helen is!). Yum, yum & a bit more yum and some hubbies got the doggy bag left overs of cake (Gees guys, your ladies spoil you!!)

After a video screening of a Tom & Jerry birthday tune & the jigs that go with it, we all gave it four shots of singing happy birthday for each cause. Once our appetites were satisfied, once again on the bus we toured Wirrulla town with some commentary by those in the know. Homeward bound with another tour added to check out the Perlubie streets. Day then done and it was a great day.
Thanks to those who made it that way

September will see our regular general meeting and handicraft meeting held at the RSL Hall on Tuesday 8th at 10.30am & 1pm, respectively. All members welcome to both or either. The meeting will have floral arrangement displays and we'll highlight our gardening disasters.

Some out there info for ya: 100g pig's brain has 3100mg cholesterol whereas 100g sea cucumber has 0.

THANK YOU

John and Florence, of Perlubie thank our neighbours who looked after the house, pot plants, batteries and car during the enforced stay in Perth.

We are very grateful.

THANK
YOU

HOSPITAL AUXILIARY

Our August meeting was held to re-adjust our bi-monthly meetings back to normal. It was especially nice to welcome a young new member as this is what needs to happen if this body is to continue.

Gardening group continues to attend fortnightly busy bees and has recently tried to improve shepherds hut area. Some discussion on whether this is a heritage listed building was sought Chris will look further into this as there are aspects of this building needing to be repaired/cleaned etc before it becomes too onerous a job.

Curtains or blinds are being negotiated for area opposite treatment room, Heather's curtains are hopefully here this week for quotes/ samples.

We have been informed all volunteers are needing to have checks and balances filled out to continue with our volunteering efforts forms are being distributed and to be returned to Chris ASAP, for us to be able to continue.

Brock has been contacted again re price to get watering system up to scratch before summer!!!!!!!

Raffle is to be held in the street shortly as organised by Kerry and Coralie as has been noted in last Criterion. Hoping for a good result as prizes are generous and volunteer times appreciated.

Prizes will be drawn at the September 4th date.

Our next Meeting is **October 12**, Hospital Boardroom.

INDOOR BOWLS

Sixteen indoor bowlers played 3 games of 8 ends in the comfort of their clubrooms on August 5 and 19 when the weather outside was so bleak and cold.

Overall the results of games played in August have been very close and noticeably also there have been fewer give away penalty scores.

There is always a degree of competition but foremost is the friendly companionship enjoyed by players.

Winners were -

August 5 Connie, Julie, Wayne, Jim P.

August 12 Gay, Darryl, Marlene, Jim C.

August 19 Darryl, Owen, Marlene, Coralie.

August 26 Wayne, Jim C., Shirley.

Birthdays in August were celebrated by John, Cheryl and Noel.

Now that September is here Treasurer Jim Petty wishes to remind all players that annual subscription fees are due and payable to him by the end of the month.

EYRE PLUS

As the local Community Development Program provider for the Far West Coast, EyrePlus is passionate about offering meaningful activities that support our clients and the local community.

Shout out to John Bickerstaff, EyrePlus Steaky Bay's Activity Supervisor. During the COVID 19 impact/duration period John has been keeping busy assisting the Streaky Bay Golf Club by helping with the maintenance and upkeep of the grounds.

John takes great pride in helping with this community resource and often works outside his nominated hours. EyrePlus are honoured to employ John and have him as part of our EyrePlus Streaky Bay Team.

STREAKY BAY MENS SHED

We are still meeting every Friday from 9.00am until 3.00pm. We are still getting good numbers of people coming along. August was a good month for the Men's Shed with the council approving the container for our wood storage. We have had a meeting with the council as to the best place to put it.

As per last months write up where we received a grant from AMSA (Australian Men's Shed Association) we have now taken delivery of our metal craft tools.

We are in the process of building a suitable bench to take all the items. This has been made a little easier thanks to our Greg Cowie from Chevington Tools who has supplied drawings of his layouts.

Thanks must go to McEvoy Transport for helping us move our garden beds from the old bowling green to the paved area around the green, your help was much appreciated.

The Men's Shed would like to thank the Meals on Wheels volunteers who deliver meals to the shed for some of the members so they do not have to go home to get meals. This means they don't have to pack up then if they come back after lunch and have to get the gear out again.

The shed has made a display stand for the Newsagency and they have other projects they would like us to look at. Going by the feedback the shed has been getting from the community the projects we have done makes it all worthwhile.

We have sent more spectacles for Port Lincoln for checking and distribution to needy people.

We are also bagging up our off cuts of wood and selling (\$2 a bag) them to anyone who would like some.

Our members are still making boxes to put plants or herbs in, also working on different concepts of pot plant holders (see picture below of the boxes).

One of our members in Bruce Hein has been busy cutting out and painting different bird shapes from galvanised iron (see picture below).

PROBUS

Our August meeting was held on Thursday 20th, attended by 25. Birthday greetings were extended to Mary Cash, Phil Purdy, Darryl Wait and Noel Gosling. Treasurer reported the Club has a healthy credit balance of \$2011.47.

The President gave a report at the Committee Meeting held on August 6th including a trip to Minnipa on 3rd September as well as a luncheon at the Elliston Hotel and a BBQ at Baird Bay later.

The Council Bus will take us to Minnipa on Sept. 3rd. Leaving from the RSL Hall at 9.30am – be there by 9.15am. We'll begin with a morning cuppa and visit to the garden of John Post. Then we proceed to the Waterwise Garden, followed by a 'Soup & Sandwiches' luncheon at the Minnipa General Store. We then head to the Minnipa Leatherworks and hope to arrive back in Streaky Bay around 4.30pm. Cost for the trip (incl.lunch) has been set @\$25.

Next meeting at Hotel on Thursday Sept. 17th @ 10am.

Merilyn Nooroa was our guest speaker. She's proud of her European/Maori/New Zealand/Pacific Islands background which has given her a rich and varied life embracing all of these cultures and more. Her professional life too has been spiced with variety. Beginning her career as an Enrolled Nurse before swapping to training/working as a Chef then beginning life as a Teacher of children with learning difficulties and later a Laboratory Technician. Merilyn finished her career as a Registered Nurse, all of that among a life as a Daughter/Sister/Wife/Mother & Grandmother. Merilyn is married with 4 children, all of whom spread their wings as they matured and migrated to various destinations in Australia. Over time these children became parents themselves and so Merilyn and husband Terry also migrated to Australia to begin their 'tree change' in the Elliston district. Members were spoiled today not just by hearing Merilyn's story but viewing her large display of cultural items and photographs and a dance performance by her beautiful Kiarna Brown, her 7 year old granddaughter. Finishing with a tasting of a variety of delicacies she had prepared for us. President Heather made our usual guest presentation and members responded enthusiastically. Thank you Merilyn and Kiarna for a great day!

STREAKY BAY SCOUT GROUP

Term 3 has seen the return to face to face sessions for our Scout Group, with leaders excited to see the return of all Joey, Cubs and Scouts members, keen and eager to return to fun, outdoor learning activities since the Covid-19 Pandemic.

The start of the term has been very busy for our leaders, commencing the new Scouting Programme and issuing all groups new remodelled Badge books. These badge books are a for each child to keep, as their own special record of their achievements during their time at Scouts.

We had new Joeys invested, this is where they say the Joey Scout Promise and are presented with their Scout Scarf and Woggle.

We have also been busy preparing for our Scout Hall WHS Audit - a big Thank You to Chris Haddy from **Chris Haddy Electrical** who kindly offered his time and electrical expertise as a community donation, tagging and testing all our appliances, checking our electrical safety switches and exit lights.

Some of the outdoor activities our kids have experienced in their separate group sessions so far is:

Introduction to Fire - how to safely make their own outdoor fire for warmth and cooking and Bike Maintenance and Knowledge with invited Guest speakers Brett Bowden from **SAPOL** and Karl Elliott from **Streaky Bay Mechanical**.

Huge shout out to the young Cubs, who all completed a fantastic Saturday morning, 10km bike ride out and back along the new Little Islands Coastal Trail, a great bike trail close to our Scout Hall.

Thank you to Eric, Bec and Shannon who also completed and supported the kids in the ride and thank you to the support crew in Whitey and Colin. The Joeys have their own smaller bike ride to come.

In closing **Congratulations to Whitey (Peter White)** for completed his Scouts Online and Basic Training and receiving his Certificate of Adult Leadership. Whitey will be our new Scout Leader pioneering the new Scouting Programme for local Kids aged 11 – 18yrs.

SAVE THE DATE OCTOBER 28

Streaky Bay Library welcomes a favourite South Australian author Tricia Stringer to speak about her newest novel, A Family Inheritance.

A toxic will plays havoc in the lives of three generations of women when they discover they have been living a lie. A keenly observed story of the danger of secrets, the legacy of betrayal and the power of family.

Are you over 60 and a home owner?

Are you struggling to make ends meet?

Do you have a mortgage, credit card and/or loan commitments?

Are you concerned that you wouldn't be able to meet unexpected outlays such as home maintenance, medical or vehicle costs?

Perhaps you have little in the way of savings to fall back on?

There is a solution to all the questions above. You may not be aware that your most important asset, your home, can also provide for your financial security and wellbeing so you live a little better.....without having to sell your home.

The solution is a Reverse Mortgage. This is a home loan designed specifically for people over 60 and who are home owners. Until very recently, country people have been disadvantaged because these loans have only been available to city folk. So now you can enjoy the same benefits.

So how does a Reverse Mortgage work?

- Depending on your age, you're able to borrow a conservative amount by using the security of your home
- Your home remains in your name
- You aren't required to make regular loan repayments
- The loan is repaid when you sell your home or after death
- You can receive a lump sum and/or have access to funds as needed to meet future expenses
- It generally doesn't affect Centrelink payments
- You can not lose your home because of legislation protection

For information on Reverse Mortgage loans or to discuss your situation,
call Bob on 0407 617 807 or 1300 510 015
