## DEALING WITH ANTI-SOCIAL BEHAVIOUR IN OUR COMMUNITY

I'm writing with growing concerns about a growing problem in our close-knit community: an increase in vandalism and anti-social behaviour. I want to talk about the real costs these actions have on all of us.

Lately, the Streaky Bay District Council has noticed more incidents of vandalism and anti-social behaviour. These acts range from stealing signs to littering and damaging property. These may seem small, but when they add up, they affect how our community looks, how safe it is, and how well we all get along.

One direct cost of vandalism is financial. Fixing damaged public property, cleaning up graffiti, and replacing vandalized stuff takes money from our budget. That means your rates go to fixing things instead of going to important community services and projects. It's also frustrating for our hardworking Council Officers who have to redo work they've just finished.

We also have to spend extra money on measures to stop vandalism and anti-social behaviour. This includes buying security screws and other items to make it harder for vandals. We even had to install CCTV cameras near the public toilets entrance and the Jetty to prevent damage. This was in response to ongoing vandalism of the toilets which at some stages was occurring on a nightly basis.

These cameras help stop bad behaviour by scaring off potential wrongdoers. They also help law enforcement catch those responsible for these actions. In the end, the cameras help us keep Streaky Bay safe and welcoming. We know you might worry about your privacy with more surveillance, but we'll be careful to protect public spaces. Your privacy is important to us, just like your safety.

But the costs go beyond money. We need to think about how these incidents affect our town's long-term future. Vandalism and anti-social behaviour can scare away investors, businesses, and new residents. When people see signs of disrespect and neglect, they think less of our community. That can lead to lower property values and less community pride.

The real cost isn't just about dollars and cents, though. It's about what makes Streaky Bay special. Our sense of safety and security is important, and it suffers when these problems go unchecked. Fear of crime, whether it's minor vandalism or something more serious, affects our peace of mind and our overall well-being.

In closing, I urge the Streaky Bay community to face this problem together. We know that some locals are part of the issue, as witness reports have shown. Let's work together to solve this problem. By doing that, we can reduce the financial, economic, and emotional costs of these issues. Together, we can keep our community a great place to live.

Thank you for your continued support and dedication to making Streaky Bay better. Together, we can ensure that our district remains a place where families can thrive, businesses can succeed, and our unique community spirit can shine.

Questions & Answers about

# SHIPPING CONTAINERS

## **Did you know that shipping containers often require an approval?**

Council is advising the community to check whether the use of new and existing shipping containers on their properties complies with the Planning Development and Infrastructure Act 2016 (the Act) - Council is seeing an increase in the unlawful use of Containers in the Streaky Bay District. These containers are being considered as a quick and affordable solution for storage, outbuildings and in some cases, human habitation.

## **Q: How does the Council become aware of unlawful developments?**

A: The Council becomes aware of unlawful developments through various means, such as anonymous reporting, routine property compliance inspections, or conveyancer checks associated with property ownership transfers. The maximum penalty for an unlawful development is \$120,000.

## **Q: Does my shipping container require a development approval?**

A: Some shipping containers do not require an approval if they are on the same land as an existing building and it meets certain criteria.

The development approval wizard can tell you the criteria that apply to shipping containers (by selecting 'outbuildings') and is available here:

[https://plan.sa.gov.au/development\\_applications/before\\_you\\_lodge/find\\_out\\_if\\_you\\_need\\_approval/development\\_approval\\_wizard](https://plan.sa.gov.au/development_applications/before_you_lodge/find_out_if_you_need_approval/development_approval_wizard)

## **Q: Why should local residents contact the Council before purchasing a shipping container for their properties?**

A: Local residents are strongly encouraged to contact the Council before purchasing a shipping container for their properties to seek guidance, information, or address any potential concerns related to the use of shipping containers on their properties. If a shipping container is unlawful, you may be required to remove it from your land.

## **Q: Who can provide preliminary advice about the planning process and zoning issues for the placement of a shipping container on a property?**

A: The Planning and Regulatory team is available to provide preliminary advice about the planning process, address zoning concerns, and determine the suitable location on a property for a proposed shipping container. In some instances, you may not be able to have a shipping container on your property.

## **Q: Why is it important to gather the correct information from the beginning?**

A: Gathering the correct information from the start is crucial to prevent potential issues later on, including the risk of facing enforcement action from the Council.

For more information regarding shipping containers and what you can do on your land, we encourage you to visit the Council's website at [www.streakybay.sa.gov.au](http://www.streakybay.sa.gov.au). Alternatively, feel free to reach out to our office at 08 8626 1001 for further assistance.

# SAVE THE FIREWORKS

## Support Needed to Sustain Beloved Fireworks Event in Streaky Bay

A beloved tradition in Streaky Bay, the annual fireworks event that has captured the hearts of both locals and visitors is facing uncertainty post-2023, and the community is being called upon for assistance. The Community Hotel Board took on the responsibility of organizing the event from 2020, after many years of organization from Trevor Gilmore and Rob Oswald. The hope was that the community's unwavering support would keep this cherished tradition alive. However, unfortunately, due to the lack of sponsorship and volunteer assistance, the sustainability of this event is in serious doubt.

For years, this event has been celebrated as the highlight of the local and visitor calendar, earning a reputation as the best fireworks display outside of Adelaide. It has become a cornerstone of Streaky Bay's New Year's celebrations, adding to the town's charm and significantly boosting local businesses' income while creating unforgettable memories for everyone.

The event comes at a cost of \$33,000 plus, which is essential to maintain its appeal and standing as an event. It's often misconstrued that the Hotel entirely covers this cost as it's a busy period for the business, but the reality is quite different. The Community Hotel Board is the driving force behind this event, completely separate from the operations of the Hotel and funds used to cover the event's financial shortfall come from the community, with funds being redirected from the Board's annual community grants program. This community grants program has, since the leasing of the hotel, generously contributed in excess of \$900k to support various community groups and events across the district. The Streaky Bay Hotel Motel sponsors the event like any other business.

## Your Support Matters

As we approach the crossroads for this beloved event, we're reaching out to our community and beyond for support. You can make a real difference by sponsoring the event and ensuring its future. Your sponsorship will help maintain this remarkable tradition that brings joy and economic benefits to our town.

## How to Make a Donation

To sponsor this event, or make a donation, please direct deposit to :

Name of account : Streaky Bay Community Hotels Ltd

ANZ BSB : 015436 Account Number : 2909 62442

Please include your name for recognition on the Sponsors List.

### Sponsorship Categories

Platinum \$1000 + / Gold \$500 + / Silver \$200 + / Bronze \$1 +.

All donations of any amount are greatly appreciated to our community's most valued celebration.

Your support will not only sustain this tradition but also strengthen the bonds of our community. Together, we can secure the future of the Streaky Bay Fireworks event, let's make this year's event the best one yet.

## The Future

Following this year's event the Streaky Bay Hotel Board will not be continuing in the role of organizing and fund raising. Should any individuals or groups be interested in managing this event for the future please contact Peter McEvoy, Chairman, Streaky Bay Community Hotels Ltd , Ph : 0417 277 773.

## **EP Landscape Board Update**

### **Pest Plants**

The Board continues weed control in the region. Recent control work includes:

- African Boxthorn control along Streaky Bay Road, Flinders Highway and Cape Bauer Road.
- Boneseed control in Calpatanna Conservation Park and Calca area
- Ongoing Gazania control and work with landholders to halt the spread outside of the Streaky Bay township into our vulnerable coastline, vegetation communities and pastoral lands.

### **Bushland Condition Monitoring**

Each spring, EP Landscape Board staff visit Bushland Condition Monitoring sites across the Eyre Peninsula to obtain a snapshot of biodiversity in that area. This monitoring is a long-term biodiversity program that gives us an indication of what change is occurring in different vegetation types, and records data on weeds, feral animal impacts and vegetation condition. Sites are monitored every 10 years with around 35 sites monitored annually.

In 2023, monitoring has indicated good recruitment of understorey at a number of sites with certain shrub species including *Acrotriche patula* and *Calytrix tetragona* becoming more prominent and also an observation of a range of orchid species indicating a healthy ecosystem.

### **Fairy Tern Census**

The South Australian Fairy Tern (*Sternula nereis*) population is in decline and breeding success is threatened. EP Landscape Board staff have been assisting Birdlife Australia with a Fairy Tern population census across the western EP as part of the wider south-eastern Australia survey, to monitor population numbers and breeding sites. Two further surveys will be undertaken over the coming months.

### **Grant Opportunities**

#### **Heritage Agreement Grant Funding**

The Native Vegetation Heritage Agreement Grant Program is now open. Grant funding is available to provide support to landowners to help manage biodiversity on their properties and may include assistance for fencing, pest plant and animal control and biodiversity monitoring.

Grants are available for works on individual Heritage Agreements or works spanning multiple Heritage Agreements. There are three tiers of grants available (GST inclusive), up to \$100,000. Grants can be for one-off activities or activities that span multiple years.

More information at: [www.environment.sa.gov.au/topics/native-vegetation/protecting-enhancing/heritage-agreements/](http://www.environment.sa.gov.au/topics/native-vegetation/protecting-enhancing/heritage-agreements/) Once landholders submit an expression of interest, an Eyre Peninsula Landscape Board officer will be in touch to arrange a site visit and discuss your property.

The District Council of Streaky Bay has been thrilled by the outcomes and attendance to the Youth activities coordinated so far, our collaboration and success with funding through the Alcohol and Drug Foundation is making a significant impact on our community.

The creation of these fantastic opportunities lies in the Community Action Plan jointly undertaken by the District Council of Streaky Bay and the Alcohol and Drug Foundation. Together, we are committed to nurturing and empowering the youth of our community, recognizing their crucial role in shaping our shared future.

Through numerous consultations with our young members, we have programmed a range of activities that align with their interests and aspirations. The result is a calendar of events that promise excitement, learning, and community building.

This year the Community has already had art workshops, movie nights, circus workshops, drug and alcohol awareness presentations; be sure to keep your eyes peeled, there's more in store as we continue to roll out these Youth Activities between now and May 2024.

The District Council of Streaky Bay would like to welcome familiar face, Brooke Montgomerie as the new Senior Community Development Officer for the Alcohol and Drug Foundation. Brooke is the new representative for our local area and will be working closely with DCSB's Community Development Officer, Jess Davis. We look forward to working with Brooke through our Community Action Plans and events in the future.

## FRIDAY 13th YOUTH EVENT

On October 13th The District Council of Streaky Bay held a Free Youth Movie Marathon Night. There was an impressive attendance of over 50 kids to see the first movie screening of Coraline, followed by the throwback classic Freaky Friday to help entertain the parents and lastly we saw a few of the older Streaky Bay Youth enjoy the true spookiness of Happy Death Day.

Thank You to Instep Dance Inc. for providing an amazing lolly bar available for purchase. The smell of freshly popped popcorn filled the hall providing that perfect movie theatre atmosphere.

Make sure you follow The District Council Facebook and Instagram pages to receive up to date information about all our events.

## WIRRULLA OUTDOOR MOVIE NIGHT

On October 5th, a Youth Movie Night under the stars was held at Wirrulla on the Oval. The featured film for the evening was 'Sing 2'.

Sing 2 was the highlight of the evening and brought enjoyment to both the children and the parents in attendance. Laughter filled the air as everyone had a wonderful time during the movie night.

Despite the cooler weather approximately 60 people joined for the event, everyone was warmly wrapped in their sleeping bags while lounging on bean bags and enjoying the delicious food and snacks provided by the Wirrulla Sports Complex.

Thank you to the Local Alcohol and Drug Foundation program for their generous funding, which made this fantastic night possible!

## CIRCUS WORKSHOPS

The CircoBats Community Circus visited Streaky Bay during the October School Holidays and offered 2 days of youth circus workshops to the community. More than 100 children, aged from 3 years old and up, participated in the workshops over the 2 days.

The workshop attendees had the chance to explore and develop their circus skills, such as tumbling, aerial silks, lyra, hula hoops, flower sticks, plate spinning, mini trampoline, juggling, and trapeze. This opportunity was particularly exciting because such activities are not typically accessible in Streaky Bay.

The response from both parents and the children who took part in the workshops was very positive. This enthusiastic feedback has stirred the District Council of Streaky Bay's interest in organizing more youth workshops for the community.

A special thank you to the Local Drug and Alcohol Foundation for their generous funding, which makes these activities possible for the youth of Streaky Bay

## INDOOR BOWLS

The S.B.I.B.C. welcomed a special visitor on October 18, longtime member of the bowling community Pauline Dale, who now resides in Elmhaven.

Pauline was escorted by Gay Oswald and it was wonderful to witness her enjoyment of happy conversation with bowling colleagues present on the day.

A new member has recently joined the club, Joylene Kain who, along with husband Geoff (S.B.B.C. member), has settled into playing the weekly Wednesday indoor bowls competitions. Seven club members have celebrated birthdays during the past months. Raylene 2/7, John 6/8, Cheryl 9/8, Bev O. 14/9, Julie 26/9, Darryl 11/10, Geoff 28/10.

See photo (2 absent).

Winning teams were=

Oct. 4 = Gay, Roz, John

Oct. 11= Julie, Connie, Shirley

Oct. 18= Gay, Geoff, Jim C., John

Oct. 25= Geoff, Julie, Cheryl, Owen

## HAVE YOU MET MY PET?

Thank You to everyone for submitting photos of your beautiful fur-families. In the end we had just over 80 submissions ranging from the expected dogs and cats, all the way to joeys, lizards and even an alpaca. The exhibition is running from the 16th of October to the 10th of November now, hopefully giving enough time for the community and tourists to appreciate all our beautiful animals we have in town, and of course to vote on their favorite photo for the People's choice award winners. Voters will also go into a draw to be in the running to win \$100. Winners all round!

There are so many prizes on offer thanks to all our amazing sponsors including, Pet stock, Streaky Bay Meat Service, KCs Hair Salon, Lincoln Veterinary, Perlubie Sea, Nutrien West Coast Ag and Elders.

This fun and interactive event not only allows the community to showcase their pride and joy, it is also helping us to educate pet owners on some of the simple ways to best look after your adored fur friends. Some of the hot topics on our mind include animal desexing, microchipping, flea and worming, and dental health.

Let's take care of our four legged, beaked, scaled and fluffy family members and ensure they stay safe and cared for.

Love Them. Protect Them.

## GRANT OPPORTUNITY

The Dorothy Dolling Trust was created to benefit students of any age who live in rural and regional South Australia by providing grants to support or further their studies, education and training. The Trust is funded from donations by SACWA branches, members and the general public and is managed by SACWA to provide grants on an annual basis.

The grant program opens in November each year, with applications to be received by February the following year. Successful applicants are not required to be members of SACWA.

The Streaky Bay Branch of SACWA encourage your application.

Application forms, once available, can be downloaded from:

<https://www.sacwa.org.au/assistance/dorothy-dolling-memorial-trust/>

Or contact:

A small gathering of members for our October meeting. The Roll Call was A Favourite Ice Cream, notably: Golden North honey IC, IC with Milo, Mr Whippy cherry ripe nut sundae, yoghurt & mango IC, vanilla soft serve, Amscol branded IC and all 48 IC flavours in a particular Adelaide ice creamery. The Display for the day was a food/beverage item that contained wheat, which included Weetbix, Vita Weet, flour, noodles and Vegemite. So much food talk we almost had to have an early cuppa & snack break! Our floral winners for the day were Marlene (1st) & Alison (2nd) for the single bloom category and Marlene (1st) and Rosemaree (2nd) for the multiple bloom category. We have some green thumbs amongst us and the loving care these plants receive is evident. We always have a laugh for the day and this one won The Enterprising Son award!!

We're in the throws of planning our combined Xmas shindig with Ceduna, Elliston & Wudinna branches to be held at Wirrulla on 12th December. Not long to go now for that jolly bearded barrel of ho-ho-ho to deliver our wished-for pressies!

Our Adelaide State Office manages The Dorothy Dolling Memorial Trust. It provides grants to SA regional students of all ages to support or further their studies, education and training. Further information is provided within this Criterion edition and we encourage students to apply.

New members always welcome.

## MENS SHED

It's been all go at the Men's Shed of late.

With some visitors from different states in Australia and with some hopefully new members from the community.

Back on the 14th October we did a BBQ run in conjunction with the garage sale that the council ran. Both were pretty successful.

From a work side there have been some projects that have now been completed and some on the go.

Completed projects have been the lectern for the RSL that Jim Petty spent a lot of time on, but it has come up well. (see pic below) Well done Jim.

The honour board for the council has now been mounted on the wall in the council chambers. From the feed back the council people were happy with the board. (see pic below).

Some shelves we were asked to refurbish have now been stained and ready for collection.

Thanks to a new comer in James Cash the rocking horse for Jack McGinnis has been started on with the sanding back of the fibre glass.

On the 21st the Men's shed did the ticketing for the rodeo. This meant checking tickets at the hotel and then issuing wrist bands to allow persons entry to the track. The bus then picked up passengers at the hotel, both caravan parks and then taking them to the rodeo. Thanks to Thomo, Shirley Petty, Jim Petty, Rob Fiebig and Wayne Miller who helped on the day.

## STREAKY BAY PROBUS

### WHAT IS PROBUS?

Streaky Bay combined Club is a social club about fun and friendship in semi and full retirement.

Enjoy short monthly meetings a cuppa and catch up with members, interesting guest speakers, regular outings and more! Our Club is all about creating new connections and fostering a sense of community.

Meetings are on the 3rd Thurs of the month at the Flinders Room Streaky Bay Hotel. All Welcome.

Last month we were lucky to have Geoff Kain talk about his life in St John's ambulance. His interest in this came about from when he witnessed an accident on the Westall loop many many years ago. Following this incident he was motivated to do a first aid course and then amazingly went on to be awarded "Member of the order of St John approved by the Queen". Wanting to be more challenged he then studied nursing which kick started his Remote nursing career. He and Joylene worked in many outback Communities across Australia.

This week we caught up for 'Happy chat' at Drift, and we all bought something special to us along. Queen Memorabilia, trophys, Awards, Rings and a 10 shilling note were some of the sentimental items brought along.

## HOSPITAL AUXILIARY - MEETING

### October meeting

Meeting again held at Elmhaven and much appreciated due to short notice Leah King was our guest speaker and gave a much needed and excellent presentation on use of Defib machines and CPR. Leah's demonstration was so clearly given and any questions answered so well it would be good to have her give this to community at large praps once a year for upskilling and peace of mind to anyone who may find themselves in the situation requiring this help. Thankyou so much Leah.

Grateful thanks to the op shop and community at large for the trading table and proceeds of \$1,000 to help us in our endeavours to support our Hospital and Elmhaven. Also to the many organisations who have supported us in the purchase of Vein finder requested for the Hospital. CWA, Op shop, Bowls club, craft shop, and Probus Thankyou to all for your generosity.

Outdoor setting was purchased for hospital area and Automatic sprinklers and lawn maintenance carried out at Elmhaven this has been needed for sometime and hopefully will give much pleasure to staff and residents.

We are a very small group and would be lovely to see some new members come along to support us, some of us are almost past our use by date so would be nice to be assured that this group can continue into the future.

Next Meeting will be Tuesday 5th December

### ELMHAVEN NEWS .....

Elmhaven have a respite room available at Elmhaven Hostel from 12 January onwards. We welcome short stays for families who need respite. We do respite stays for 4 weeks at a time.

## STREAKY BAY SCOUT GROUP

### Calling new Scout Leaders for 2024

Are you looking for a rewarding local Community Volunteer Role in 2024 ?

Streaky Bay Scout Group is urgently seeking adult leaders to run both/either Joeys and Cubs in 2024. It would be devastating if in 2024 our important Community Youth group were to go into recess. Without Scout Leader/s, our vital Community Group simply cannot continue!

Our Joeys (6-8yrs) and Cubs (8-11yrs) kids have enjoyed many years of learning life skills, adventure, friendship, teamwork and fun camps.

All whilst located at the best Scout Hall in SA, at the beautiful Slideys Beach.

For information about volunteer Leader opportunities please contact locally:

President: Shannon Bubner on 0428 272 041 or

Secretary: Leah Bubner on 0419 991 360

### Please help support our local kids !

## Hey Streaky Bay community...

You know how we come together like champs for sports and community events?

I mean, across all our towns we rally behind a lot of football and netball teams. That's some serious team work!! But guess what? There's another team in our district that's calling out for some hometown heroes: our Volunteer Ambulance teams

## Here's the deal....

Right now, we have a group of stellar folks representing all of us on the local ambulance teams. They're absolutely nailing it, but there are times when ambulances from Port Kenny or Ceduna that have to come in because we are short staffed. Now, think about it: in our district, where we can rally over 300 footballers and netballers every weekend, don't you think we could find at least 5 more amazing souls in our town to help save lives?

## So why should you join?

Look, not to get sentimental, but this is about helping our friends, family, and neighbours when they need it the most. Why should a handful of folks carry that load when we can all pitch in.

## What's in it for you?

Don't worry, we're not throwing you in the deep end without a life jacket. We've got state of the art equipment, like a shiny new Mercedes VS30 Sprinter ambulance that you even get to drive. Plus, you'll get regular training from real-life registered paramedics and other healthcare pro's!

Oh, and get this. You don't even have to leave your house or your work place for shifts. Your employer will even get reimbursed from SAAS for any time you spend out of your work place. Yep, you read that right - you can be on call from your couch watching your favourite Netflix series.

2 shifts a week would be an amazing contribution and it will take a huge amount of pressure off the current volunteer team members

## Ready to step up?

Interested yet?

Absolutely awesome!!! Just hit up Dave on 0428 713 033 and he'll fill you in on how to become the next local hero, or to see where the hero's train and where all the fun stuff happens.

You're invited along to our trainings which are every Tuesday evening at 6:30pm - 8.30pm.

You'll find us at the Streaky Bay Ambulance Station, located along side the hospital

You rock for just reading this far, and you'll be a community legend if you decide to join us. Just to give you a little heads up, it's not just all serious stuff that we do..... we do fun stuff too! We even get tours of the RFDS aircrafts that land at our airport... how cool is that?!

We'd LOVE to have you on board

## Saint Augustine's Anglican Church

We wish to thank all who helped in the recent Synod of the Diocese of Willochra held in Streaky Bay. Most representing Churches from nearly all of north South Australia and the peninsulars.

100 people enjoyed the town and hospitality. We were blessed with the beautiful weather.

The event started Friday night with registration and BBQ. The BBQ ably cooked by the Streaky Bay CFS members, which was very well done by them with salads from volunteers from the district.

Saturday was a busy day of meeting fed ably by the Ladies of the Streaky Bay kindergarten who supplied the Morning and afternoon Teas which was great. Ample lovely food for everyone.

Lunch was superbly catered by Monique Necic and her crew (SAGE), it was also excellent and delicious ... The Streaky Hotel supplied Dinner Saturday night. Also lent us their stage for the speakers

Sunday morning after church the Streaky Bay Kindergarten Ladies supplied morning tea and once again terrific..

Monique once again set up a Beautiful lunch.

Thanks must go to Trevlyn Smith and Tim Cooper for the sound system and videos. Fay Kelsh for wonderful flower arrangements.

Thank you to everyone who made this a successful weekend, those who helped set up the tables and flowers, salads, cleaning up before during and after .

# Faith Notes

In St. Matthew's Gospel (22:34-40) a scribe, who was a lawyer, comes up to Jesus and asks Him a question about the greatest commandment: Master, what is the greatest commandment of the Law?

This is not an easy question because there were 613 laws which Jews were required to observe.

Jesus unravels all these laws by reverting to two Old Testament texts that would have been well known to the Jews.

He first goes to Deuteronomy chapter 6 ... The Shemah: Hear, O Israel, the Lord your God is one Lord and You must love the Lord your God with all your heart, with all your soul, and with all your mind.

The love of God is the first of all the commandments. This text was one that was imprinted in the mind and heart of every Jew. It was written at the entrance of every Jewish home. As the Jews entered their house they would touch this text. These were the first words taught to a Jewish infant and they were spoken every morning and every night.

Jesus doesn't stop there. He goes further, this time drawing on a text from the Book of Leviticus, chapter 19: You must love your neighbour as yourself.

In Jesus' eyes this commandment is equal to the first. For Jesus, our neighbour means everyone. All our relationships must reflect God's immense love for us.

All of the laws of the Christian faith are to be lived under the overriding principle of love of God and love of neighbour. These two great laws cannot exist in isolation. Both are essential and of equal importance.

We live, as we are all so well aware, in a troubled and traumatized world. Events in Ukraine and the Middle East are accompanied by unmitigated brutality and suffering.

Life is cheap and fragile. The path to peace seems distant and the warring parties lacking in political will to make it a reality.

Jesus offers a way to lasting peace. He simply invites us to follow the greatest commandment ... to love God and love our neighbour. This is the only road to peace.

Our world, our communities, our families and our relationships would be happier and holier and more human if only we heeded the timeless advice that Jesus places before us. Let love be the guiding principle in all we do and the hope for a brighter and peaceful future for us and for our world.

or more precisely

humanity's problem is

causing the worlds trouble.

As people and nations reject God

or leave Him out of their lives

God tends to leave them

to their own devises.
