ANZAC DAY 2025

Streaky Bay RSL members were delighted at the attendance numbers at both ANZAC Day Services and the March.

As stated in previous years, the day's success relies heavily on support from the local community and those travelling through our town as we join to Commemorate the men and women who served in Wars and peace keeping operations and remember those who made the ultimate sacrifice or were injured physically and mentally. We also remember and thank those service men and women currently serving.

Our RSL group is getting on in years and we are short of numbers, so we rely heavily on the support of others to make the day a success. To those who gave their time especially our good friends at the CFS who did the setting up and cooking the BBQ a very sincere thank you. To the RSL Members, nice work, great teamwork, and co-operation amongst our ranks.

INDOOR BOWLS

Seventeen members and one visitor attended the S.B.I.B.C. annual general meeting on April 9,2025. A sausage sizzle and salad lunch was served at noon and 2 games of indoor bowls were played later in the afternoon.

All office bearers were re-elected = Bev. White president, Gay McCarten vice president, Julie Wild secretary, Geoff Kain treasurer, Jim Petty assistant treasurer. The committee also re-elected as above named plus Marlene, Joylene, Raylene, Roger, Darryl,Connie. Weekly play fee and club membership are unchanged as is the $500 donation to the Streaky Bay and Districts Sporting Complex.

There was discussion on “who should record end scores”. This subject followed an error uncorrected on April 2 and not discovered till the games had finished. On the day president Bev speedily solved the problem by declaring both teams to be winners. Errors can and do occur so the meeting decided that a trial be given of a “ 2 person scoring method”.

Weekly attendance numbers for April have varied, 21 the highest. However on April 23 (when 15 played) a very large number indicated they would be absent the following week so it was decided to cancel play for April 30. This is the first cancellation since COVID times.

Wendy Francis has been welcomed to club membership and on April 16 there was a strawberry and cream cake, complete with candles for member Marlene to celebrate her “special” birthday on 13/4. see photo

Winning teams were=
April 2 = Roger, Bev W., Julie
Roz, Shirley, Darryl, Lena (visitor)
April 9= Bev O., Connie, Lena (visitor)
April 16= Gay, Connie, Darryl, James
April 23= Roger, Lyn, Lena (visitor), Gay

PROBUS

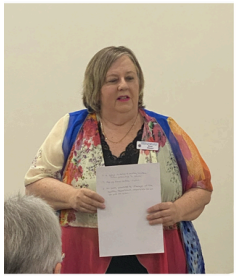

Our guest speaker this month was one of our new Members Rose. She told us about her past working history, before retiring last year. Rose worked at the Red Cross Blood Service for 34 years, starting in the testing laboratories and worked her way up to the Manager of the Quality Department.

She explained how the blood is separated for different applications. And where and when we can donate. Most of us realised we don’t know our blood type!! We found this so interesting.

We also welcomed 5 new members to the club. Our excursion to Colton and Pt Kenny was very popular. 20 of us made the trip and all came back with full belly’s and plenty of lovely bread.

Laser Tag Fun, Mini Golf and Movie at the Streaky Bay Institute

After a great first Laser Tag Day and lots of requests to bring it back, the team from Strike Force Laser Tag returned to Streaky Bay with a special “In the Dark” Laser Tag event! The hall was lit up with glowing lights, lasers and obstacles, creating an exciting space for the games.

While some kids were playing Laser Tag, others enjoyed mini golf in the Supper Room and outside – there was something for everyone. Even a few parents got involved in the Laser Tag fun!

To finish off a big day, we showed The Wild Robot on the big blow-up screen and Sweet Tooth was there with popcorn, slushies, milkshakes and ice cream – the perfect treat to end the day.

Thanks to everyone who came along and made it such a great day! And a big thank you to the SA Youth Week for funding this youth event.

Wirrulla Laser Tag & Mini Golf

Following the fun at the Streaky Bay Laser Tag event, the Strike Force Laser Tag team made their way to Wirrulla Oval for another exciting day of laser tag and mini golf. The event was a hit, with plenty of locals getting involved and enjoying the activities.

A big thank you to the Alcohol and Drug Foundation for supporting this event and helping bring fun, healthy activities to our communities. And thank you to the Wirrulla community for coming along and supporting it.

We love taking activities out to some of our more rural towns, always showing so much support and appreciation. We can't wait to deliver more exciting programs to the wider district.

Pizza Making Masterclass

These school holidays, 4 groups of lucky kids had the chance to step into the kitchen of Terrace 24 and learn how to make their own pizzas, thanks to the amazing Jess and Eugene.

In this fun and hands-on workshop, the kids were guided step by step through the pizza-making process. They learned how to cut up veggies and other toppings, flatten the dough, add sauce and build their own pizza, and then cook and slice their pizzas like real chefs. Best of all, they got to enjoy the delicious pizzas they created—and finish off with a special ice cream treat, kindly provided by Jess and Eugene.

Even the parents picked up a few tips, and it was clear from the big smiles on the kids' faces just how proud they were of their creations. The day was full of laughter, learning, and tasty fun.

It was a fantastic opportunity for our local kids to try something new, build confidence in the kitchen, and get a behind-the-scenes look at how a pizza shop works. A big thank you to Terrace 24, and to Jess and Eugene for their time, kindness, and for making this such a memorable experience!

Gymnastics Workshops

On the 23rd and 24th of April, the Streaky Bay School Gym was full of excitement as the kids took part in a fun two-day gymnastics workshop with Sarah Brougham.

Over the two days, the kids got to try out all kinds of gymnastics activities. They practiced on the bar, tested their balance on the beam, did tumbling moves such as rolls and cartwheels, and bounced on the trampoline. Along with the exciting skills, the kids learned the basics of gymnastics, such as proper stretching and using the correct form for each activity. Sarah guided them every step of the way, helping them build confidence, improve their technique, and enjoy trying something new.

It was a wonderful experience for all involved—a great way to get active, grow new skills, and have fun. A big thank you to Sarah Brougham for running such a fun workshop and helping the kids shine!

CEO UPDATE

From the CEO's desk: Update on 2022 Council Elections Report

At the District Council of Streaky Bay, we are committed to keeping our community informed about matters that shape the delivery of local democracy.

Recently, the Electoral Commission of South Australia (ECSA) released its **2022 Council Elections Report**, providing an independent review of the most recent council elections held across the state. This report presents a range of recommendations designed to enhance the conduct, accessibility, and efficiency of future council elections.

The 2022 elections began with the close of the electoral roll on Friday 29 July 2022 and concluded with the final declaration of results on Monday 28 November 2022. At the close of rolls, there were 1,288,329 enrolled electors, an increase from 1,213,862 in 2018. Nomination of candidates closed at 12 noon on Tuesday 6 September 2022, with 1,256 nominations received — slightly fewer than the 1,374 nominations in 2018.

At this time, Council has not adopted a formal position on the recommendations. Like councils across South Australia, Council is currently reviewing the report to understand the potential impacts and opportunities it presents for the future of local elections.

Key Recommendations

The report outlines several significant proposals, including:

- **Timing of Council Elections**

Shift the fixed date of council elections to the second Saturday in November following a state election. Transitional provisions would be introduced to extend the current term of elected members to align with the new schedule.

- **Avoidance of Supplementary Elections**

Amend the definition of 'election failure' to include instances where fewer nominations are received than vacancies available. Clarify that councils may only appoint individuals to fill vacancies after a supplementary election has been attempted and failed.

- **Telephone Assisted Voting**

Expand the eligibility for Telephone Assisted Voting by amending the Local Government (Elections) Act 1999 or associated regulations to include people living with disability.

CEO UPDATE CONTINUED...

If implemented, these recommendations could significantly reshape how council elections are conducted.

Next Steps

No formal decisions have been made at this stage. Councils, including ours, are engaging in a careful review process and participating in sector-wide discussions. Ultimately, any changes to legislation would be determined by the State Government following consultation with councils, stakeholders, and the broader community.

We will continue to keep our community informed as this important conversation evolves. In the meantime, if you would like to explore the full 2022 Council Elections Report, you can access it here: https://ecsa.sa.gov.au/news/2022-council-election-report

Tell Your Good Story - Tourism Storytelling Workshop (Streaky Bay)

Visitor markets are changing. Travellers are increasingly seeking more than just a good experience; they are choosing destinations and businesses with exceptional experiences that are also doing good for their local communities and environment.

Unlock the power of storytelling to showcase how your tourism business positively impacts your local community, economy, and environment—building deeper connections with customers and setting your business apart.

In this interactive workshop with The Tourism Collective you will learn how to authentically and practically communicate your 'Tourism for Good' stories and why doing this will benefit business resilience and profitability. There are many South Australian tourism businesses doing all sorts of good things – from sponsoring the local sport team to revegetating nature reserves - and it is time we started talking about them.

Key takeaways:
• The concept of 'Tourism for Good'
• Why stories matter to visitors and how they drive demand for your business
• What are your 'for Good' stories and how to practically share them

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Barbs Oyster Patties

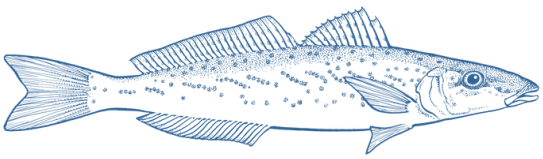

Ingredients:

- 20–24 oysters, chopped
- 2–3 tbsp lemon juice
- 1 onion, finely chopped
- 1 tbsp Worcestershire sauce
- 8 slices white bread (processed into crumbs)
- Freshly ground black pepper, to taste
- 2 eggs, beaten
- Dry breadcrumbs (for coating)
- Mayonnaise (optional – if mixture is too dry)
- Oil for frying
- Lemon wedges and tossed salad (to serve)

Method:

1. In a large bowl, combine the processed bread, chopped oysters, lemon juice, onion, Worcestershire sauce, black pepper, and beaten eggs. If the mixture feels too dry, add a spoonful of mayonnaise.
2. Let It Rest: Allow the mixture to sit for 5–10 minutes to absorb the moisture and flavours.
3. Form into patties and roll each patty in dry breadcrumbs.
4. Place patties in the fridge to chill for 15–30 minutes. This helps them hold their shape while frying.
5. Heat oil in a frying pan and cook patties until golden brown on both sides.
6. Serve hot with lemon wedges and a tossed salad.
