Community News

SURFEBRUARY

Thirty three local surf groms from 21 Streaky Bay families have raised an incredible $16,138 for cancer research during this year's Surf February — smashing their $3,000 goal and finishing as the 4th highest fundraising team in Australia. Their efforts contributed to a national total of $317,843 for the Chris O'Brien Lifehouse.

Now in its fifth year, Surf February has become a much loved community movement. Despite some of the hottest weather and wettest days on record, the kids showed up daily — before school, after school and whenever the swell allowed — proving their commitment to the cause.

For many of the young surfers, the challenge is about more than catching waves. It's about supporting friends and family impacted by cancer, while building confidence, resilience and strong friendships along the way.

The community got right behind them, with a hugely successful market stall raising more than $1,600 through homemade crafts, artwork and delicious food. Some of the kids also attended an Aquatic Trauma Course hosted by Marley Fairclough (SLSSA) and Dave Coombe (SAAS), adding valuable water safety skills to the month's achievements.

The month wrapped up with a presentation day celebration, complete with certificates, homemade beanies, team stickers, ice cream, and a refreshing swim in the jetty pool — a fitting finale to a month that once again brought Streaky Bay together through saltwater, sunshine, shared purpose, and fundraising for a wonderful cause.

Community News

MEN'S SHED

Thanks to Terry Walker who on Friday13th Feb worked most of the day in the heat pulling weeds, whipper snipping and tidying the place up in general. Well done Terry the place looks a million dollars now.

We have started painting the picket fence for around the compost bins at the community garden. Thanks to Jim Clarke and James Cash for doing this job. See pic below.

The miners lounge that has been worked on for some weeks was picked up with very positive comments on the workmanship.

We have some wooden dogs for sale at the craft shop. See picture.

The bench seat has been picked up with very favourable comments on it.

We have been asked to make 10 more rat/mice traps for Flinders Island. Thanks to John Lelifeld and Mick Taylor for taking on this project. Picture below shows what we are making.

Thanks to Rob Fiebig we had another great lunch on Friday the 27th. Yiros were very nice.

The Men's Shed has bags of kindling for sale at $2 per bag. We are open Friday's from 9.00am till 3.30om.

PROBUS

Wow we have started off the Probus year with a flurry of excitement. We joined together for a catchup cuppa at drift in early Feb with 22 attending. Where We celebrated Rae Brewster's birthday. At our meeting on the 19th we had 33 in attendance and 10 visitors. Some of these are prospective members. Simone Keogh gave an amazing presentation on her history in the Navy at a young age. Her life with her family and how a diagnosis of Autism for a family member lead her to study Social work. She was then employed by Centrecare in Streaky Bay. Where she offers counselling, support and help for our local community, helping with mental health. So interesting and informative.

Rod Keogh came to support Simone and then offered to do a short presentation about his new role of running as an Independent in our area.

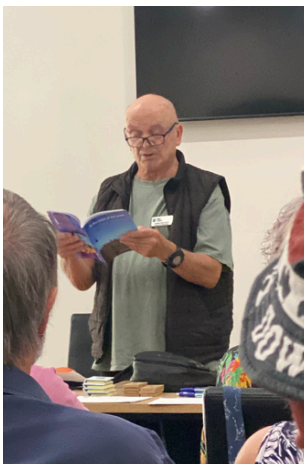

With 20 mins to spare Nick Carol took over to finish off our morning with some entertaining and funny Poems. Such a fantastic start to our year.

Community News

STREAKY BAY NATIONAL TRUST MUSEUM

Tourists to the town and visiting the museum has slowed slightly during February.

Volunteer Wendy has been looking at Streaky Bay then and now & showing it to visitors she meets in the street. We have a new volunteer on Tuesdays, also a gentleman going to help with maintenance.

A letter of appreciation received from True North cruise boat travellers. A special thanks to Wendy for the puppet show.

We donated a museum family pass to be raffled at the Caravan & Camping show in Adelaide.

Neil Morgan is continuing to liaise with Ceduna museum re commemorating Nuyts landing 1627 & to celebrate the construction of the Obilisk on the corner of Alfred Terrace & Bay Road.

Repairs to the machinery shed & replacing guttering is in progress. Chimney repairs are on hold due to quote of $35,000.

The Anglican Church recently held a 2 day Back to Streaky Bay Wedding Festival, some photos dating back to 1921. Rev Bob Woolner has very generously made a booklet of all photographs displayed for the museum. Thanks to Maxine Johnson for allowing the documentation of her recollections of wedding receptions in Streaky Bay 1960' & 70' to be displayed. Must be a time for family to reminisce. This week we have had Dr Cotton's granddaughter visit. Two volunteers, who happened to be there on the day, were delivered by Dr Cotton!!

Our Defibs have arrived & been installed. Volunteers will be receiving training on Tuesday by Dave Coombs, local SA Ambulance.

Hopefully the rain over the last couple of days has not done any damage, particularly to Kelsh Cottage.

INDOOR BOWLS

The ultimate 8 shot score has been claimed again. Twice claimed in one month at the S.B.I.B.C.

The first was on February 4 by the triples team Julie, Darryl, Roz, end 7 game 1. The second, another triples team Bev W, Sandy, Connie was on February 18, end 6 game 1. see photos

Generally end scores are more likely to be 1 or 2 shots, occasionally 3 or 4, rarely 5, 6 or 7 but an 8 is the most possible.

The Wednesday indoor bowling brings together a sociable group to play 3 games of 8 ends, names in by 1pm, visitors welcome. During any game there can be fluke shot results, wizard deliveries, enjoyment is the aim.

Player numbers for February have been in the teens, 19 on two of the Wednesdays. On February 4 bowlers signed a get well card for member Thip who unfortunately has a broken ankle.

Penalty scores were less over the month but on February 25 a bowler, playing third , sent the kitty off the mat 4 TIMES (4x3 shots).

Winning teams were=
Feb. 4= Julie, Darryl, Roz
Feb.11= Lyn, Connie, Raylene
Feb.18= Gay, Geoff, Jim C.
Feb.25= Roger, Tony, Darryl, Sandy

ST AUGUSTINE NEWS

Thank you to everyone who helped make our Back to Streaky Bay Wedding Festival a great success.

We had 55 couples represented with a primary photo of their wedding on display, and a rotating video of all the wedding photos collected. It was a fun representation of the weddings, including bridesmaids, groomsmen and flower girls, pageboys and in some cases guests and gifts! The video was accompanied by popular wedding music.

We were fortunate to have two beautiful wedding dresses and some wedding memorabilia on show. The oldest recorded wedding was in a family bible and was in 1906, while the oldest photo was actually undated but looked to be around 1910, The oldest dated photo was 1921. The photos will now, find a home at the National Trust Museum.

All Good Things Have To Come To An End...
and our $5 Bag sale will come to an end on March 30th. The Shed Op Shop will be closed for April and open again in late May.
We still have new stock coming out and at present we have lots of jig-saw puzzles and books.
At present we are not taking donations. Please do not leave anything at The Shed.

ST AUGUSTINE NEWS CONTINUED...

Easter Services,
Everyone is invited to join us for our Easter Services.
Thursday, 2nd April, at 2.30 pm – Senior Citizens' Easter Service with Afternoon Tea. -a special Easter Service for those who prefer a shorter service or an afternoon service.

Friday, 3rd April at 9.00 am Good Friday Service
Sunday, 5th April at 10.30 am Easter Sunday Service.

Lenten Study on the theme of 'Joy'.
Each Tuesday from 3pm – 4pm. Your welcome to come at 2.30 and enjoy a cuppa, before we start.
The study will run up to Easter.

Council News

FROM THE CEO'S DESK

From the CEO's Desk – The Financial Sustainability of the District Council of Streaky Bay

Recently, the Essential Services Commission of South Australia (ESCOSA) released its independent advice on the financial sustainability of councils across the state. I am pleased to share that the District Council of Streaky Bay has been assessed as "mostly sustainable."

This is a strong and encouraging result for our district.
Importantly, ESCOSA's advice confirms that Council has generally achieved operating surpluses in most years and maintains a low Net Financial Liabilities Ratio. In simple terms, this means we are meeting our financial obligations, carrying low debt, and managing our cash responsibly.

What is the ESCOSA Local Government Advice Scheme?
The advice forms part of the Local Government Advice Scheme established under the Local Government Act 1999. ESCOSA has recently completed the fourth and final tranche of the first four-year cycle of the Scheme, providing advice to 19 of the State's 68 councils. Under the Scheme, ESCOSA acts as an independent advisory body, providing risk-based advice to assist councils when making long-term financial and investment decisions for the benefit of ratepayers. Councils are long-term organisations responsible for delivering ongoing services and managing long-lived community assets. The Scheme considers whether councils are setting rates at levels that are as low as sustainably possible while still providing valued services and maintaining strong long-term financial, asset management and operational plans. Importantly, the Scheme is advisory only — it identifies risks and good practices for councils to consider, but decision-making remains with elected councils.

Strengthening Our Asset Management
Over the past four years, Council has undertaken significant work to better understand and plan for our assets — including roads, stormwater infrastructure, buildings, community facilities and public spaces.

ESCOSA recognised that while Council has historically operated with low borrowings, we have also faced a historical asset renewal gap. We have openly acknowledged this and are actively addressing it by increasing capital renewal expenditure in line with our Infrastructure and Asset Management Plans.
The work we have done behind the scenes — improving asset condition data, forecasting long-term renewal needs and strengthening financial planning — is now translating into visible results across the district. Upgrades to parks, streetscapes and key infrastructure are part of this disciplined, long-term approach.

Our goal is simple: maintain and renew community assets responsibly so we do not pass avoidable costs onto the next generation.

Managing Costs in a Remote Environment
ESCOSA noted that Council is forecasting slower growth in operating expenses — something that can be challenging in a remote regional location like ours.
We believe this moderation is achievable.

In recent years, Council made significant investments in foundational strategic work, including Township Masterplans and long-term infrastructure planning. Much of this work relied on external consultants, which placed pressure on our operating expenses. With this groundwork now largely complete, we are transitioning from planning to implementation. Importantly, these plans will now be delivered in-house, resulting in a substantial reduction in contractor costs moving forward.

We are also investing in digital transformation, artificial intelligence and improved systems to:

- Improve operational efficiency
- Reduce duplication and administrative burden
- Enhance data-driven decision-making
- Improve customer service responsiveness
- These initiatives are about working smarter — maintaining service levels while ensuring every ratepayer dollar is used as effectively as possible.

Cash Reserves and Future Investment
ESCOSA noted that Council's Long Term Financial Plan projects cash holdings to increase to $16.6 million by June 2035.
It is important to place this figure in context. As we continue refining our asset data and bring forward major infrastructure works — including significant stormwater upgrades — a portion of these reserves is expected to be allocated to those investments.

Maintaining prudent cash reserves is not about accumulating funds unnecessarily. It is about ensuring Council has the financial capacity and flexibility to:

- Respond to natural disasters and extreme weather events
- Fund major infrastructure renewal
- Co-contribute to grant-funded projects
- Manage unexpected asset failures
- Withstand economic shocks affecting regional communities

A strong balance sheet enables Council to invest in priority infrastructure without placing sudden or excessive pressure on ratepayers. As CEO, I firmly believe in maintaining sound cash reserves, so we are well positioned to manage unforeseen challenges and protect our community's long-term interests.
ESCOSA also observed that strong cash reserves may create opportunities to moderate future rate increases, where appropriate. Council will continue to assess this carefully as part of the annual budget process.

A Sound Position — With Work Still Ahead
While the assessment is positive, it is not a signal to become complacent.
ESCOSA identified areas for continued improvement, particularly in continuing to strengthen asset data, forecasting and transparency. We welcome these recommendations. Financial sustainability is not a destination — it is an ongoing discipline.
The "mostly sustainable" rating recognises both the solid progress made and the work still ahead.
Most importantly, it demonstrates to our community that Council's financial position is fundamentally sound, debt levels remain low, and we have the capacity and flexibility to manage future challenges while continuing to invest in the infrastructure and services that support our district.
We remain committed to responsible long-term planning, transparency, and delivering value for our community — now and into the future.

Damian Carter
Chief Executive Officer
District Council of Streaky Bay

PUBLIC NOTICE

Hard Waste Disposal Week

Attention all ratepayers and residents!
Embrace the opportunity of a complimentary hard waste week happening from:

TUESDAY, 14TH JULY TO SATURDAY, 18TH JULY 2026

Make use of this occasion to dispose of your hard waste at the Streaky Bay Waste Transfer Station at absolutely no cost. If you require assistance transporting your waste, please call Council on 8626 1001 to discuss alternate options.

ACCEPTED ITEMS FOR FREE DISPOSAL INCLUDE:

- Fridges, freezers, air conditioners (must be degassed)
- Household white goods (e.g. washing machines, stoves)
- Household furniture (cupboards, chairs, bed frames only)
- General household materials (e.g. doors, kitchen sinks)
- Electrical appliances (e.g. TVs)
- Scrap metal and timber
- Rolled-up carpet

ITEMS THAT ARE NOT ACCEPTED:

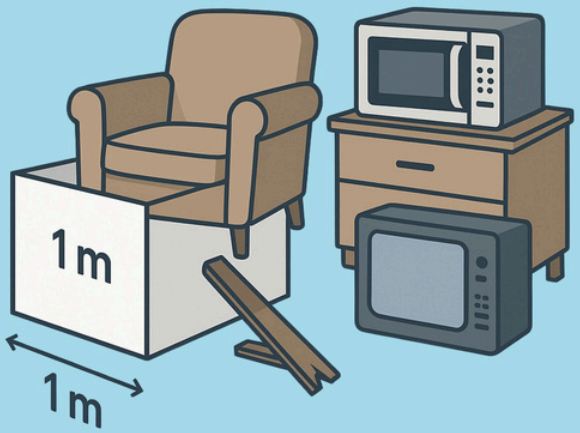

- General household waste
- Mattresses
- Commercial waste
- Liquid waste (e.g. motor oil paint)
- Concrete, bricks, rock, dirt, sand
- Gas bottles, asbestos
- Ammunition/explosives
- Car bodies, car parts, tyres

KINDLY NOTE:

- Strictly no household rubbish; hard waste items only.
- Please ensure items are sorted appropriately.

PERMISSIBLE QUANTITY:

- Up to one cubic metre (approximately equivalent to a 6 x 4 trailer, without a cage)
- Or, 1x Three-seater sofa
- Or, 2x White goods

TRANSFER STATION OPENING HOURS

MONDAY	CLOSED
TUESDAY	9.00am - 12.30pm & 1.30 - 4.30pm
WEDNESDAY	9.00am - 1.00pm
THURSDAY	CLOSED
FRIDAY	9.00am - 12.30pm & 1.30 - 4.30pm
SATURDAY	8.00am - 1.00pm
SUNDAY	CLOSED

DISTRICT COUNCIL OF Streaky Bay

PUBLIC NOTICE

ChemClear Collections South Australia

Local farmers, primary producers and landholders are encouraged to take part in the upcoming Agsafe ChemClear collection for South Australia.

ChemClear provides a safe and responsible way to dispose of unwanted, outdated or obsolete agricultural and veterinary chemicals.

WHY PARTICIPATE?

- Reduce on-farm risk to people, livestock and the environment
- Ensure chemicals are disposed of safely and responsibly
- Support sustainable farming and environmental protection

WHO CAN REGISTER?

- Primary producers
- Agricultural and veterinary businesses
- Landholders with unwanted AgVet chemicals

HOW IT WORKS

1. Make a list of unwanted or obsolete chemicals stored on your property.
2. Register your chemicals before 31 March 2026.
3. Once collections are scheduled, you will be notified of the drop-off location and details.
4. Deliver registered chemicals to the collection point as instructed.

Collected chemicals are treated or recycled through approved specialist facilities.

Early registration helps ensure collections can be scheduled in your region.

CHEMCLEAR

SCAN THE QR CODE TO REGISTER

Registrations close 31 March 2026.

Visit: www.agsafe.org.au | Phone: 1800 008 182

DISTRICT COUNCIL OF Streaky Bay

TOURISM MARKETING STRATEGY COMMUNITY WORKSHOP

WEDNESDAY, 15 APRIL 2026

STREAKY BAY VISITOR CENTRE

5.00 - 6.30PM

The District Council of Streaky Bay is developing a Tourism Marketing Plan to ensure a clear and coordinated approach to promoting our region. With tourism information shared across several channels, there is an opportunity to enhance coordination and ensure messaging remains consistent and up to date.

Join us to learn about the purpose of the Plan, review visitor trends and draft findings, and take part in a facilitated discussion to help shape the future direction of tourism in our region.

The Streaky Bay & District Wellbeing Project

DID YOU KNOW... WHEN YOU RECYCLE YOUR

CANS AND BOTTLES

at the Streaky Bay Recycling Depot, you can ask to donate your recycling money to the Streaky Bay Children's Centre! A number of locals are already doing this and we appreciate it so much as it helps us to provide new resources for the children at the Centre.

STREAKY BAY CHILDREN'S CENTRE

Mid-West Health & Aged Care Inc.

Annual General Meeting

Wednesday 8th April 2026

Streaky Bay Hotel Function Room at 2.30pm

Interested individuals from the Elliston, Streaky Bay and Wudinna communities are invited to this year's presentation of reports that will take place in **Streaky Bay**.

Nominations are being called for any person residing in the Wudinna local government area for a 3 year term.

This is an opportunity to be involved in the auspice arrangements for Commonwealth & State Multi-Purpose Service funding to facilitate, co-ordinate and provide hospital, primary health and aged care services to the local government areas of Elliston, Streaky Bay and Wudinna. It is also an opportunity to source funding, encourage, seek and manage donations and funding opportunities to support the expansion and or improvements of existing services, or introduction of additional services.

Nominations can be made by contacting:
Kym Gillett (Chair)
PO Box 11
ELLISTON SA 5670
Phone: 0429 879 055

A Seasonal Guide for Streaky Bay Gardeners

March in Streaky Bay usually signals the start of autumn planting — but this year is different. Following record late February rainfall, gardens have had drink, soil is soaked, and many plants are recovering from intense weather conditions. This month is about recovery, repair, and making the most of the moisture in the ground.

What to Plant in March

As temperatures moderate, planting options expand:

- Autumn vegetables: broccoli, cauliflower, cabbage
- Leafy greens: spinach, silverbeet, lettuce, rocket
- Root crops: carrots, beetroot, turnips
- Alliums: spring onions, leeks, onions
- Herbs: parsley, coriander, dill

Tip: Keep soil consistently moist while seeds are germinating, as warm days can still dry out garden beds quickly.

Refreshing Summer Beds

March is a great time to transition from summer crops:

- Remove spent zucchini, tomatoes, and cucumbers
- Add compost or well-rotted manure to replenish nutrients
- Loosen compacted soil after summer watering
- Rotate crops to reduce pests and disease build-up

Healthy soil now means stronger winter growth

What to Prune in March

- Roses: light tidy-up and continued deadheading
- Perennials: trim back finished summer growth
- Lavender: light shaping if needed
- Fruit trees: remove any damaged or diseased wood

Major pruning of deciduous fruit trees is best left until winter

Caring for Natives and Trees

Autumn is ideal for planting natives, shrubs, and trees:

- Cooler weather helps roots establish before winter
- Water new plantings deeply to encourage strong root systems
- Reduce watering gradually for established plants

Excellent coastal choices for Streaky Bay include:

- Westringia
- Grevillea
- Eremophila
- Correa

Tip: Autumn planting gives natives time to settle before next summer's heat.

Pest Watch

As the weather cools, keep an eye out for:

- Caterpillars on brassicas
- Aphids on new growth
- Snails after early autumn moisture

Early detection makes control much easier.

Gardening for Wellness

March often feels like a fresh start. The cooler air makes gardening more comfortable and enjoyable:

- Spend longer periods outdoors without summer heat stress
- Reconnect with your garden after the busy holiday season
- Share seedlings and cuttings with neighbours

CraigHaslam

INDEPENDENT

LOCAL HEART, LOCAL ACTION.

As a proud Eyre Peninsula local and passionate advocate for our region, I bring the lived experience, professional insight, and steady leadership to stand up for our communities and natural places as your independent candidate for Flinders.

PRIORITY POLICIES —

☑ PARLIAMENTARY INQUIRY INTO HEALTH SERVICES

A full parliamentary inquiry into health services on the Eyre Peninsula

☑ SAFER STREETS & STRONGER ACCOUNTABILITY

Safer streets and stronger accountability

☑ DECENTRALISING GOVERNMENT FOR BETTER DECISIONS

Bringing decision-making back to the region

☑ ECONOMIC ZONE FOR INFRASTRUCTURE & GROWTH

Declaring the Eyre Peninsula a major economic zone

WHY AN INDEPENDENT— MY PROMISE

My promise is simple: I will stand up for our region.

I will push for delivery – not excuses.

I will work with all sides of politics to hold governments to their commitments.

The Eyre Peninsula is a major economic contributor to South Australia. It deserves recognition, respect, and fair investment.

JOIN THE TEAM IN GREEN

Did you know that towns in regional South Australia rely on volunteer ambulance teams made up of locals who generously step up to support their community?

Have you ever considered volunteering? SA Ambulance Service (SAAS) is calling on Far North and West Coast residents to 'Join the Team in Green'. By becoming an ambulance volunteer, you'll be part of a dedicated team and make a meaningful, life-changing difference in your community.

Claire Morichaud, pictured below, is a volunteer based in Balaklava, and says her time with SAAS has been incredibly rewarding.

"I enjoy using my experience as a teacher to support new recruits through their training. It gives me the chance to make a positive difference in the lives of others and in the community," Claire said.

With flexible training options and the ability to fit shifts around family, work or social commitments, volunteering with SAAS offers the chance to gain nationally recognised clinical skills while giving back in a meaningful way.

Volunteers receive comprehensive training at no cost, ongoing peer and leadership support, free Ambulance Cover for themselves and immediate family members, and the chance to be part of a close-knit, community-focused team.

If you're ready to join the team in green and become a SAAS volunteer, visit www.saasvolunteer.sa.gov.au or call 1300 175 584. The team in green is excited to welcome you!

SAAS is recruiting volunteers for the following Far North and West Coast stations:

- Cleve
- Cowell
- Cummins
- Hawker
- Kimba
- Port Kenny
- Quorn
- Roxby Downs
- Streaky Bay
- Tumby Bay

THE WEST COAST JUSTICE GROUP NEED YOUR HELP.

The West Coast Justices Group is urgently seeking more volunteer Justices of the Peace (JPs) to serve our local communities across the West Coast — including Streaky Bay, Wudinna, Ceduna, and surrounding areas.

Due to the vast size of our region and a decline in available JPs, many residents are experiencing long delays and travel times just to access essential witnessing and certification services. Our small but dedicated team of JPs is stretched thin — and **we need your help.**

HELP SERVE THE COMMUNITY BY:

- Witnessing documents
- Verifying identity documents
- Taking Affidavits and Statutory Declarations
- and much more!

For more information, please contact:

DISTRICT COUNCIL OF Streaky Bay

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Duane's Asian Style Salt & Pepper Squid

Ingredients

- 5 squid tubes, cleaned
- Rice bran oil (or neutral oil) for frying
- 2 tbsp Chinese cooking wine
- 1 tbsp sesame oil
- 1 cup rice flour
- 1 cup plain flour, besan, or gluten-free flour (your choice)
- 1 tbsp Chinese five spice
- 1 tbsp white pepper
- 1 tbsp Sichuan pepper (or cracked black pepper)
- 1 tbsp salt
- 4 spring onions (whites/light greens separated from dark greens)
- 1–2 chillies, finely diced (to taste)
- 4 cloves garlic, finely diced
- 1 tbsp grated ginger (optional)

Method

1. Cut the inside of the squid tubes in a criss cross (pineapple cut), then cut into roughly 1 inch squares.
2. In a bowl, mix the Chinese cooking wine and sesame oil. Toss the squid through the mixture to marinate and set aside.
3. In a separate bowl, combine the rice flour, chosen second flour, Chinese five spice, salt, white pepper, and Sichuan (or black) pepper.
4. Finely dice the garlic, chilli, and the white/light green parts of the spring onions. Set aside the green tops for garnish.
5. Heat oil for frying in a deep pot over medium-high heat
6. Toss the squid through the flour mixture. Fry in batches until just cooked and lightly crisp, about 90 seconds. Remove and drain.
7. Heat a very hot frying pan or wok with a small dash of oil. Add garlic, chilli, spring onion whites, and ginger. Stir fry for 30 seconds to 1 minute until fragrant and lightly golden.
8. Add the fried squid to the pan and toss quickly to coat in the aromatic mixture.
9. Serve immediately, scraping every bit of the yummy garlic and onion mixture from the pan over the squid. Season with extra salt and pepper and garnish with the green spring onion tops.

Helens Choc Mudcake

Ingredients

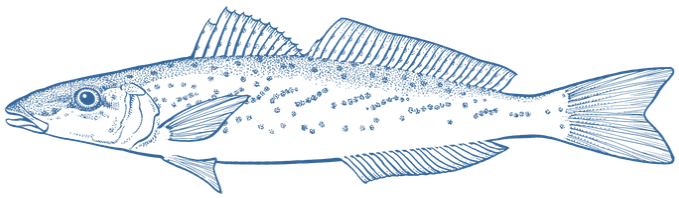

- 420g caster sugar
- 330ml boiling water
- 250g unsalted butter, chopped
- 180g dark chocolate, chopped
- 3 large eggs, lightly whisked
- 1⅓ cups (200g) self-raising flour
- 40g dark cocoa powder

Chocolate Ganache

- 180g dark chocolate, finely chopped
- 300ml thickened cream
- 30g unsalted butter
- 1 tsp vanilla extract
- Pinch of salt

Method

1. Place sugar, boiling water, butter, and chocolate in a large heatproof bowl. Stir until smooth and combined. Set aside to cool completely.
2. Preheat oven to 140°C fan forced. Grease and line a 20cm round, 7cm-deep cake tin.
3. Add eggs to the cooled chocolate mixture and whisk until smooth. Sift in flour, cocoa, and ½ tsp fine salt. Gently whisk until just combined.
4. Pour batter into the prepared tin. Tap the tin firmly on the bench to release air bubbles.
5. Bake for 2 hours, or until a skewer inserted into the centre comes out clean.
6. Cool in the tin for 30 minutes, then turn out onto a lined wire rack to cool completely.
7. For the ganache, combine all ingredients in a microwave-safe bowl. Microwave in 30-second bursts, stirring until melted and smooth.
8. Stand at room temperature for 1 hour, then chill for 1 hour until thick but pourable.
9. Pour ganache over the cooled cake and stand for 30 minutes before serving.

RHYME TIME

Story and Rhyme Time is held every Tuesday at the Library 9:30am-10:30am during the school term, for ages 0-5yrs.
Connect with other parents and bring your baby, toddler or pre-school child along for stories, singalong, sensory play and craft activities.
Sharing rhymes and songs, telling stories and reading books with your child, is a vital part of language development and helps build the skills they need to learn how to read and write.
