GOVERNANCE AND ADMINISTRATION

Local Government Act Delegations

Council received a report providing updated Delegation Schedules under the Local Government Act, Council endorsed the proposed amendments to delegations.

Local Government Reform

The Minister is proposing to have two proclamation rounds that will commence the reforms in stages to enable time for councils and other relevant bodies to prepare for the changes.

The Minister has indicated that reforms that require minimal to moderate implementation tasks or supporting regulations will likely commence in early August 2021, these include:

- changes to informal gatherings and internal reviews of council decisions;
- clarification of the roles of principal member and members of council; and
- the requirement for independent advice on CEO appointment, performance review and termination.

Other provisions required by the amendment are as follows;

- Rate monitoring provisions and the new Community Engagement Charter are expected to commence in the 2022 calendar year.
- The new behaviour management framework will be in place by the start of the next council term.
- Financial management reforms will be in place by the 2023-24 year.
- Changes in the basis of rating (where all Councils will be required to rate on Capital Value) will commence in time for the 2024-25 year. This has been legislatively mandated by the State Government. DC of Streaky Bay currently rates by site value only.

The reform will also include the inclusion of a "Councils in Focus Website" where all Councils will be required to submit a base set of data that can be viewed by the public and comparisons between like Council's can be made.

Finance Risk and Audit Committee and Community Strengthening Committee Council Member Vacancies

Newly elected Councillor – Greg Limbert, was nominated and appointed as the member to fulfill both of these vacancies. Council is still looking for an independent community member for the Community Strengthening Committee.

Organisational Structure

Council was provided with an updated structure and information regarding staff changes due to resignations, long service leave and acting positions. A copy of Council's organisational structure is available at www.streakybay.sa.gov.au

REGULATORY SERVICES

Broadacre Burning Code of Practice – Consultation Draft

Councils were asked to comment by the State Bushfire Coordination Committee on the Code of Practice including whether the Code of Practice should be mandated or voluntary. Council elected to recommend as part of the consultation that the minimum amount of water to be stored on site be 1000L (from 400L), that the Code remain as voluntary, and that stubble dump size maximums be increased.

INFRASTRUCTURE

Assets and Infrastructure Advisory Committee

Council have considered the Assets and Infrastructure Advisory Committee and have nominated and endorse Councillor Greg Limbert and Councillor Neville Trezona as Committee Members, and are seeking applications from a suitable community member to be on this Committee – see page 8 & 9.

Jetty Platform

Currently undertaking Independent Engineering Certification. Once complete, work can get underway.

Streaky Bay Foreshore Tourist Park Development

Two contractors have been engaged to provide pricing and design options for Western Amenities. Survey and construction drawings/plans are being finalised for underground water, effluent and electrical components for the fire protection design.

Council News

CWMS Telemetry & Controls

Works will begin in the coming weeks to install and improve our control systems. This will enable Council to improve Safety and Reliability of the system as well as providing the earliest possible notification of faults.

Western Transit Loop

Community Consultation has been completed and Elected Members were presented with Community Feedback.

Finlayson Road Realignment

Meeting with representatives from DIT on July 7 to decide next steps.

Designs are being finalised and construction works being coordinated with DIT for the connection to the Eyre Highway.

Robinson Basin Water Reserve

Currently progressing through taking Care and Control. Meeting to be held with relevant stakeholders in coming weeks regarding demand and control. Costing provided to date suggest that, should consent be reached, an outlay of approximately \$95k would be required to connect Robinson Basin to Wallschutzky Road catchment.

Roads Patrol Grading

Council has engaged a Roadside Vegetation contractor to begin works on the 6th of October. Should the works prove satisfactory, future planning will be undertaken with the Contractor.

Caterpillar 1 (Tow Roller)

- Carawa – Wirrulla area
Caterpillar 2 (Hitch Roller)
- Colley Hall, Pt Kenny-Poochera &
Inkster/Chandada area

Bitumen Delays

There have been some delays to scheduled bitumen works and roadside vegetation clearing. The reason for the delays was the availability of contractors with substantial projects like the DIT highway project putting a strain on the region's resources. Contractors have now been engaged and this work should commence in the week commencing the 4th of October.

COMMUNITY & ECONOMIC DEVELOPMENT

Streaky Bay Youth Precinct

The Community and Economic team have progressed into the design and communication stages of the upgrade of the Streaky Bay Precinct. Currently receiving quotes for various stages of the development.

Streaky Bay Area School Pool Public Use

Council has considered the Streaky Bay Area School Pool Public Use Agreement and endorse the Chief Executive Officer in signing the Licence Agreement for the Public Use of the Streaky Bay Area School following the negotiation regarding the additions and amendments discussed within this report.

Wi-Sky Coverage Area Community Broadband

To residents in the coverage area

We are writing to let you know about a new service offering faster internet in the Calca Port Kenny area.

Wi-Sky is a small, local broadband provider building our own networks and delivering **fast internet** to people in country areas who are unable to access other options. Founded in 2015, we already operate more than 250 access towers across Southern NSW and Queensland and with community support could setup a similar network in your area

One of the big bonuses of our plans are **unlimited downloads** (on every single option). Plans start from \$75/month.

How do I connect to Wi-Sky?
Via a single tower overlooking your area (and providing we have line of sight to your residence), we install a small dish on your property and beam the signal directly into your home, connecting you to fast, reliable broadband internet. It's that simple.

For those without initial direct line of sight we offer a range of solutions to get connected.

Some of the benefits of Wi-Sky internet:

- Fast speeds (up to 30 **mbps**) - upload and download
- Unlimited downloads
- Low latency (response time after clicking your mouse) - 20 times faster than satellite
- Competitive plans - great for families with multiple devices
- All equipment is supplied and installed for you
- Local service, local knowledge, local technical support

We are keen to offer this service in the Pygery to Port Kenny and Seale Bay areas and encourage those interested to contact us.

Enquire about connecting to Wi-Sky today:

<https://www.wi-sky.com.au/expression-of-interest>

www.wi-sky.com.au

RDAEP have just launched a training opportunities board!

Waste and Recycling Matters

The District Council of Streaky Bay has been in the process of restructuring the operation of its Transfer Station. Over the coming months many changes will be implemented to the operation of the facility to allow for a more fluent and viable operating facility for both the public and for Council.

One of the major changes will be the increase in opening hours which will enable more accessibility for the public and alleviate frustrations with the short opening hours window that has previously been encountered.

Recycling and reducing waste that goes to landfill is a major component of the restructure and you the public, along with Council can all play a major part in eliminating a lot of this waste from landfill which attracts a very high fee from the Environmental Protection Authority.

At present the Transfer Station takes your:-

- Cans and bottles which have the 10 cent deposit refund
- Flavoured milk containers and other deposit drink containers
- Wine bottles, glass bottles and jars, spirit bottles – these are non refund but very welcome

There are many more items that Council will now take (no refund), including:-

- Plastic milk and cream bottles, washed with the lids removed – opaque in colour
- Cardboard, cut or broken up into piece sizes that fit into a 240 litre wheelie bin (please note that cardboard and cardboard boxes not to the correct size will be charged)
- Tin and steel cans, i.e. fruit tins, soup cans, etc. – washed with the lid put inside the tin

All of the above items can be dropped off at the Transfer Station for recycling. Every bottle, tin and cardboard box that does not go to landfill does help to reduce costs and the landfill filling up too quickly.

Markets for the above recyclable items are already in place and many more items will be added to the list once markets are sourced and established.

Council would like to thank you in advance for your patience and understanding during this on going transition and appreciates any feedback that you may wish to provide.

Stay tuned for next month's update.....

Coming soon

Changes to Streaky Bay Transfer Station Opening Hours

**From the 1st November, 2021 the Transfer
Station will be trialling new opening days
and times as per below:-**

Monday - Closed

Tuesday - 9.00am - 4.30pm

Wednesday - 9.00am - 1.00pm

Thursday - Closed

Friday - 9.00am - 4.30pm

Saturday - 8.00am - 1.00pm

Sunday - Closed

A restructure of the facility and its operation will be occurring during October 2021 and there may be disruptions to the opening times during this period. Council apologises for any inconvenience that this may cause and greatly appreciates your patience and understanding during this restructure phase.

Also note that Cungenah Landfill Site will be "Opening By
Appointment Only"

Please Note: There will be no disruption to the usual kerbside pickups

For further information please contact the
Infrastructure and Civil Works Department on (08) 8626 1001

September 2021

Dear Community Members

The District Council of Streaky Bay is seeking Expressions of Interests from members of the community, to nominate for a role on our Infrastructure and Roads Advisory Committee.

This Committee will play an important role in guiding the management of Council's infrastructure and roads into the future, sharing their experiences and knowledge in a collaborative environment with Elected Members and Council Staff. Recommendations and Budgetary considerations made by this Committee will be reported directly to the full Council for consideration.

To register your interest, please provide a summary of experiences while addressing the following important questions (page attached).

- ✓ What skills, experience or knowledge do you possess, that you think will be valuable to this Committee?
- ✓ How do you believe your skills will benefit the Committee and the Community's Infrastructure & Roads into the future?
- ✓ Have you performed in a committee role in the past (Sporting, Council or other)?
- ✓ Any other relevant information that you believe is / could be relevant to this role.

The Committee will seek to balance the makeup of the Committee to provide the best overall outcome for the Streaky Bay District. Persons from outside of the Streaky Bay township are strongly encouraged to nominate.

Persons may also be considered/accepted as "casual" and called upon for discussions directly relevant to their township or area, should the person wish to be considered in this manner.

This Committee shall meet monthly in its initial stages, and meeting regularity may vary depending on Member availability, Budget and Seasonal commitments. Timing and regularity shall be decided at the first meeting of the Committee, planned for October 2021.

Terms of reference for the Committee are available by request (on email or hard copy). Should anyone have any questions about the role, please don't hesitate to contact as below.

Darren Walker – Manager of Infrastructure & Civil Works
P.08 8626 1001 • F.08 8626 1196 • M.0429677540

Community Grants

COMMUNITY

Strengthening Rural Communities – Round 11

The Strengthening Rural Communities (SRC) program aims to give the thousands of small rural, regional and remote communities across Australia an opportunity to access funding to support broad community needs. Projects funded must align with one or more of the following charitable outcomes:

- bringing people and community organisations together to foster stronger, more resilient communities;
- fostering and celebrating a sense of identity, diversity and cultural connection within the community;
- improving community health and social wellbeing;
- enable people to develop skills, knowledge and confidence to lead and contribute to their community;
- building a sustainable volunteer base and/or supporting the wellbeing of volunteers;
- celebrating and resourcing volunteer led efforts;
- increasing access and inclusion for vulnerable and disadvantaged groups, including remote communities;
- enhancing places where communities gather;
- promoting connection to place and enabling initiatives that champion a community's social, cultural or economic aspirations;
- increasing capacity and capability of local community organisations to support recovery from natural disasters;
- enabling locally led responses within rural, regional and remote communities endeavouring to reduce the impacts of the changing climate within their community.

Applications close 23 November 2021 at 5:00pm

For further information visit:

<https://frrr.org.au/funding/place/strengthening-rural-communities/>

Bite-sized Grants

Funding of between \$200 and \$1000 is available for community groups and not-for-profit organisations for small, short-term projects. The program is funded through the Northern and Yorke Landscape Board to deliver positive environmental and landscape management outcomes, such as garden development, weed control and revegetation projects. For further information visit:

<https://www.landscape.sa.gov.au/ny/get-involved/grants-and-funding>

Saluting Their Service Commemorative Grants Program

The program is designed to preserve Australia's wartime heritage; involve people around the country in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations; and promote appreciation and understanding of the experiences of service and the roles that those who served have played in shaping the nation.

Applications close on Tuesday, 8 February 2022. For more visit:

<https://www.communitygrants.gov.au/grants/saluting-service>

Nature-based Tourism Co-investment Fund

The South Australian Government is continuing to actively explore new partnerships to expand our range of nature-based tourism offerings to help position South Australia as a world-class eco-tourism destination. We believe there are still untapped opportunities and we're seeking outstanding, world-class eco-tourism proposals to reaffirm South Australia as a 'must-see' destination. The Nature-based Tourism Co-investment Fund will be open until June 2022 (or until the fund is exhausted).

Applicants can seek grants from \$20,000 to \$1 million and are expected to contribute at least half of the total financial costs of their project. Closes June 2022

For further information visit:

<https://coinvest.parks.sa.gov.au/>

History Trust Grant Funds

MaC Small Grants Among the key aims of The History Trust of South Australia is to keep building the evidence of our state's rich and fascinating past and to make it accessible to all. We offer two annual grant programs that progressively add to South Australia's history and bring it to life. These are the South Australian History Fund (SAHF) and Museums and Collections (MaC). The SAHF supports community and individual projects, publications and research, while the MaC fund supports groups who participate in the MaC Standards and Funding Program. Applications close on Friday, 10 December 2021

For further information visit:

<https://history.sa.gov.au/grants/>

Community Grants

SPORT, RECREATION & HEALTH, YOUTH

SA Healthy Towns Challenge

The *SA Healthy Towns Challenge – Partnering for Children’s Wellbeing 2021-2023* provides grants of up to \$250,000 over two-year period per project. A maximum of three grants will be available for this round. Projects must support the wellbeing of children in South Australian rural and regional communities through the creation of healthier environments.

Projects eligible for receiving a grant **MUST** meet the following essential criteria:

- Support infrastructure (construct and/or upgrade) for children and families in their communities
- Support children and families in the community to feel more connected and active
- Collaborate with community organisations with expertise in supporting the health and wellbeing outcomes for children and their families
- Co-invest through both funding and in-kind contributions in the project
- Implement and fund (at least 10% of the total budget) a robust evaluation plan that measures the success of the project.

Applications are now open and will close at 12.00 noon on Friday 15 October 2021.

For more:

wellbeingsa.sa.gov.au/HealthyTownsChallenge

Cricket Australia – Female Participation

CommBank’s investment in Cricket Australia’s Growing Cricket for Girls Fund is supporting this growth, nurturing the current and future generations of players at community clubs across the country. Clubs seeking more information on the Fund please contact: community@cricket.com.au For further information visit:

<https://www.cricketaustralia.com.au/about/diversity-and-inclusion/femaleparticipation>

Australian Cricket – Infrastructure Fund

Round 1 of the 2021/22 Australian Cricket Infrastructure Fund (ACIF) is now open. SACA and Cricket Australia are partnering to provide councils, clubs, associations and cricket facility managers with the opportunity to apply for funding for cricket facility projects. All projects submitted must be compliant with Cricket Australia’s ‘Community Cricket Facility Guidelines’. Applications close 8 November 2021.

Further information about the ACIF can be found at:

<https://www.saca.com.au/community/grants-and-scholarships/australian-cricket-infrastructure-fund>

Ski for Life Mental Wellbeing & Suicide Prevention Grants

We give out a series of grants every year to organisations wanting to do their part towards raising awareness for mental wellbeing and suicide prevention. If your organisation is looking into a project that aligns with the Ski for Life mission " *To use conversations and community engagement to raise awareness of strategies that support good mental health, wellbeing and suicide prevention ."* Then follow the link below and start the application process.

For further information visit:

<https://www.skiforlife.com.au/grants>

Applications close when allocated funds are fully expended

<https://yougrowgirl.netball.com.au/grants/>

Young Pink Sisters

providing immediate financial assistance up to \$600 to those who are struggling to meet the financial demands of breast cancer treatment. Ongoing

<https://youngpinksisters.org.au/financial-assistance.html>

Community Grants

Assistance for businesses employing young people

YOUTH JOBS PaTH (Prepare – Trial – Hire) provides funding to trial a young person aged between 17 - 24 to find out if they're the right fit for your business. If the trial is a success and you hire the young person, you may be eligible for further funding. Grant funding available of up to \$10,000 for Australian businesses.

- Prepare: Young people will undertake Employability Skills Training to prepare them for work.
- Trial: You can trial a young person in an internship for between 4 and 12 weeks and receive a payment of \$1000 (GST inclusive) to help cover the hosting costs. Interns will receive a \$200 fortnightly incentive payment on top of their income support and are covered by insurance, both paid by the Australian Government.
- Hire: If you hire the eligible young person, you can receive a wage subsidy of up to \$10,000 (GST inclusive). For further information visit: <https://business.gov.au/grants-and-programs/Youth-Jobs-PaTH>

BUSINESS

Jobs & Economic Growth Fund

The Economic and Business Growth Fund was established as part of the 2018-19 Budget to promote economic growth in South Australia by encouraging growth of existing industries, developing new industries, building international connections, and attracting foreign and national direct investment.

From 1 July 2021, the Fund will be renamed the Jobs and Economic Growth Fund and will have funding capacity of \$200 million over four years to focus on supporting initiatives that create long-term sustainable jobs and economic growth.

For further information on eligibility, assistance provided, the decision making process, assessment and approval, please refer to the [Jobs and Economic Growth Fund Guidelines](#).

Business Support Package

The new Business Support Package will assist an estimated 50,000 eligible* SMEs across the state, including restaurants, cafes, hotels, and tour and experience operators, affected by the new restrictions to help stop the spread of the highly-contagious COVID-19 Delta variant.

Grants will help businesses cover ongoing operating costs such as rent, power bills, supplier costs and other fees, and help them to re-open when restrictions ease.

The major support package also includes a new \$1,000 cash grant for eligible** small businesses who don't employ staff (e.g. non-employing sole traders).

How to access business support:

- To register interest in Business Support Package cash grants, complete the form at treasury.sa.gov.au/sbg or email smallbusinessgrant@sa.gov.au. Applications are expected to open within the next two weeks via treasury.sa.gov.au and grants will be processed as quickly as possible.

*To be eligible for the one-off \$3,000 emergency cash grant, a business must, as at 12:01am Tuesday 20 July 2021:

- Be located within South Australia
- Have an annual turnover of \$75,000 or more in 2020-21 or 2019-20, and be registered for GST
- Employ people in South Australia
- Have an Australia-wide payroll of less than \$10 million in 2019-20
- Have a valid Australian Business Number (ABN)
- Experienced at least a 30 per cent reduction (compared to the week prior) in turnover due to the restricted trading conditions

**To be eligible for the one-off \$1,000 emergency cash grant, a non-employing business must meet the criteria listed above excluding the requirement to employ people.

Community Grants

Boosting Apprenticeships

The Boosting Apprenticeship Commencements wage subsidy supports businesses and Group Training Organisations to take on new apprentices and trainees, to build a pipeline of skilled workers to support sustained economic recovery.

Through the subsidy, any business or Group Training Organisation that engages an Australian Apprentice between 5 October 2020 and 31 March 2022 may be eligible for a subsidy of 50 per cent of wages paid to a new or recommencing apprentice or trainee for a 12-month period from the date of commencement, to a maximum of \$7,000 per quarter. There is no cap on the number of eligible trainees/apprentices.

For further information visit:

<https://www.dese.gov.au/boosting-apprenticeship-commencements>

Digital Solutions for Small Business

Offering support for: websites and selling online; social media and digital marketing; using small business software; online privacy and security.

Enquire at <https://www.rdawep.org.au/contact-us/>

Or visit www.adelaidebusinesshub.com.au

Wage Subsidies

Provides businesses with financial incentives of up to \$10,000 to hire and retain eligible job seekers in ongoing and sustainable positions.

For more visit: <https://www.business.gov.au/Grants-and-Programs/Wage-subsidies>

ARTS & CULTURE

Quick Response Grant – Regional Arts Fund

This grant is for Regional artists to access professional arts development and training opportunities, or organisations/communities with small project opportunities that arise at short notice. Funding can cover any reasonable costs such as artists fees, travel, and accommodation. For more visit:

<https://www.countryarts.org.au/grants-funding/grants/quick-response-grant/>

Step Up Grant - Regional Arts Fund

This category is available to applicants who have not previously applied to or have been unsuccessful with the Regional Arts Fund, it's for unique personal development opportunities including mentorships, residencies and artist-led initiatives in communities.

Step Out Grant - Regional Arts Fund

This category is available to support regional, remote and very remote communities to partner with professional artists and arts organisations to create high quality arts projects, create activities that develop cultural networks, build capacity for long term benefits and increase professional development.

Performers' Trust Foundation

Established in 1975, the PPCA Performers' Trust Foundation provides grants to promote and encourage music and the music-related performing arts.

For further information visit:

<http://www.ppga.com.au/ppca-about-us/ppca-performers-trust-foundation>

Eyre Peninsula schools performed well at the recent Schools' Merino Wether Competition in Adelaide.

More than 200 students from 38 South Australian schools took part in the event across eight categories.

Karcultaby Area School triumphed in the most professional show team award for the third time Karcultaby student Josiah Coleman was second in the class handler award.

Six Karcultaby students made the trip to Adelaide, but many more took part in preparations throughout the school year.

Mr Coleman said there was a "whole secondary school approach", with the students committed to the program, and breeders and other experts also involved.

"In February the kids worked with local breeders and farmers to gather a group of 16 sheep, they shorn them, fed them, looked after them and checked their wool, and we had experts come in to help,"

STREAKY BAY INDOOR BOWLS

Wednesday September 15 was the perfect day for 19 members plus 1 visitor to meet and play indoor bowls.

The clubhouse was awash with brilliant sunshine with curtains drawn wide and windows open the atmosphere was one of not a care in the world.

Players were grouped in teams of 3's and 4's and at the afternoon tea break several games were on level scores.

However, as is often the case, the last game brought many changes and success went to a triples team on 2 wins and a draw.

The perfect day was topped off by 2 decorated chocolate sponge cakes to celebrate birthdays for Maria on 24/9 and Julie on 26/9.

Wednesday 22/9 the attendance dropped a little but enthusiasm certainly didn't. Teams once again comprised 3 or 4 bowlers and after the second game the scoreboard reading suggested the overall win would be close, possibly a count of shots.

Winners were =

Sept. 1 = Roger, Jim C., Jim P.

Sept. 8 = Julie, Jim C., Don

Sept. 15 = Owen, Don, Coralie

Sept. 22 = Owen, Jim C., Alan

The end of September brings 2 reminders.

First there is the annual membership fee due by the 30th and that is followed by the start of daylight saving time early in October.

Club treasurer Jim Petty says he is pleased to report that as at 22/9 nearly all players had paid their subs to renew membership for another year.

HOSPITAL AUXILIARY

Since last meeting we have been very fortunate to have the Bay Op Shop committee give us a very sizable donation helping us to purchase 10 new TVs for the hospital as requested from last meeting.

They have been ordered and purchased locally as we are well aware of the need to support local where we can as they in turn support us.

Thanks also to Chris Noonan with 12 new bibs having been delivered great effort and very much appreciated.

Joyce Woods also donated a knee rug for the elderly she puts a lot of time and effort into these rugs and is a longstanding member of our committee donating many of these over the years.

Thanks to donors, volunteer workers and community also Coralie for organising the Fathers Day Raffle \$1051 was raised. Winners were Ruth Gregor - Venus Bay, Toni Giles and Jeanette Morrow - Minnipa

Next Meeting: Mon October 11th, 2pm Hospital Board room

BAY OP SHOP

Have you seen the makeover? How could you miss it? Gary Fisher designed the great artwork & painting to brighten up the Op Shop. Our grateful thanks our loyal volunteers both at the shop & shed.

Donations: Thank you to the community who support us with your donations. Can we please ask you to check that what you are bringing in is clean & in good condition. This will enable us to continue selling good quality items.

Recently we donated \$4000.00 to the Hospital Auxiliary to buy 10 new TV's for the Hospital.

We look forward to continuing to be of service to the community. Heather Scantlebury (Secretary) & Betty Kammerman (President) St Augustine's Ladies Guild

Community News

STREAKY BAY MEN'S SHED

The Men's Shed has gained three new members over the last couple of weeks.

Rob Feibig, Roland Peters and Ned Alber.

We would like to welcome these members and hope you enjoy the times with us.

The shed had their AGM on the 10/9/21 and the following people have been elected.

President: Bruce Hein

Vice President: Malcolm Brace

Secretary: Wayne Miller

Treasurer: Jim Petty

4 x committee members are John Wilson, Owen Pritchard, Gavin Scantlebury and a new committee member in Jim Clarke.

Thanks must go to out going committee member Sandy Johnson for his help/input while on the committee. We hope to see you for a coffee from time to time.

Thanks to Rob Feibig we now have a fry pan to cook food in. I think Rob has used it more than anyone else with cooking his fish and steak sandwiches for us to eat at lunch time. Thanks Rob.

As was reported in last months edition we have now made 5 large hose reels, and working on pot plant holders. With the craft shop closed for painting we had a chance to stock up on some of our bird nesting boxes as well as some push carts.

Another little project that we are looking at in small pull along toys. (see picture below)

The shed has been asked to extend an honour board by John Rumblelow. Work in progress. (see picture below)

The hooks made for pulling boots on with are being stamped by John Wilson sand blasted and painted by Rob Feibig. These hooks can also be used to lift lids from camp oven pots. These can be purchased from the craft shop once we have made some more.

Our shed has been lucky enough to be given a grant of \$930 from UPL Open Ag to purchase a rain water tank.

STREAKY BAY PROBUS

Firstly the Probus Club of Streaky Bay and Districts would like to welcome two new members in Margaret and John Mudge.

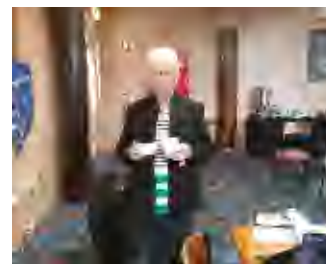

We hope you find your time with us fun and enjoyable.

Speaking of Margret Mudge at our last meeting we had a lucky door prize of some pottery made from the Kaolin mine at Poochra. Margaret was our winner of this. (see picture below)

Our guest speaker was Tony Ayles from the RAA. Tony has spoken to Probus in the past.

It is good to have someone like Tony come along every so often because it gives people a chance to catch up on new road rules that sometimes go unnoticed. (see picture below)

To help celebrate Probus day our club has organised a bus trip to Parla Peak, Conglimma, Colley Hall and lunch at Port Kenny hotel. **This will be on the 7th October.**

STREAKY BAY - MEALS ON WHEELS

A lovely morning tea was held at Bayfunktion on Thursday 16th September to thank our valuable MOW Volunteers.

We celebrated the following years of service:

Joy Sherrah - 35 years

Denise Stephens & Marlene Ettridge - 20 years

Venessa Amey, Helen Flanigan, Penny Hogan and Annie Tarrant - 10 years

Narelle Kurtzer, Chris Williams - 5 years

Alison Goddard, Carolyn Smith, Donna Whittenbury - 1 year.

SA CWA STREAKY BAY BRANCH

“Sharing And Caring With Action”

Addendum, addendum to last month's write up –
Ann's wedding anniversary was not Golden, it was
DIAMOND – even more congrats & more shimmering!

The third attempt at celebrating our branch 83rd
birthday was 14th Sept, finally!

A very funny day having members bring along a sexy
kitchen tool and, boy oh boy, after also watching an
extract from Mrs Brown's Boys, we needed a feed of
birthday cake to settle the laughter.

Also celebrating two CWA membership milestones
were Alice (40th) and Rae (75th). Rae had the honour
of cutting the decadent and mouth-watering cake
baked by Sussan. Had to go home for a nanna nap!

Far Western Group (combining Ceduna & Streaky Bay
branches) held their annual Table Day on 21st Sept
where each branch competes for the coveted trophy
to prove the overall super power in CWA skill.

Streaky Bay branch reached the finish line with a ½
point win. Go girls, approached with dedicated vigour.

Judged items were single bloom, Aussie themed
wreath, Victoria sponge, lemon curd and last year's
State crafts, bargello, folded star patchwork &
ropework. Also on display were a history of State crafts
made by members in the last few decades which
wowed many an onlooker.

Adding to a hectic program at the moment is a visit
from our State Tutor on 29th Sept to highlight some
organisational updates, 5th Oct for demonstrating to
members this year's state crafts of embroidered scarf
hanger, sorbello drawstring bag & filet crochet milk jug
cover then 12th Oct returning to a normal meeting.
Blimey, another nanna nap coming up!

Visitors and new Members always welcome.

Handicraft - Alison 0417 854883

Community News

ST AUGUSTINE'S CATHOLIC CHURCH

It has been a blessing to get back to community sport in 2021. Congratulations to the premiers and the participants.

A banner hanging from the tree in the St. Canute's Church grounds announces that the West Coast Hawks are premiers in 2021. In the lead up to the netball and football grand finals a couple of weeks ago the banner read Go Hawks.

This created some consternation. A deputation of Power supporters wanted to replace it with some words of encouragement to Port Power as they prepared for their Preliminary Final with the Western Bulldogs. I haven't heard from or seen those Power supporters since! Perhaps the netball and football players who achieved those premierships are thinking they are the greatest. The following helps us to keep sporting fame in a more balanced perspective.

A story is told about a young boy. He is a great runner in the making. He wins a number of events at his school's sports' carnival. He asks his parents whether he might train with the local athletics' club. He makes a clean sweep of the events there. He is supported and makes it all the way to the state trials. Again, instant success. A wise man spots his amazing gift and provides plenty of encouragement. He alerts the boy to a big athletics meet in a few weeks-time and enquires whether he's up to the challenge. The young boy accepts the invitation without hesitation. He arrives and the wise man introduces him to three people ... a tiny child, an old person and someone who was blind. They gather at the starting line. The gun fires. The young boy is off and using his gift runs the whole circuit of the oval past the finishing line. There was no cheering. The young boy wondered why the large crowd was silent. No clapping rang out. Sensing something was not right, he sought out the wise man. The wise man then pointed to the tiny child, the blind person and the old person. They had hardly started their races. Look what you have left behind. Then the wise man said: Go back to those three. Hold their hands ... walk with them round the track and finish the race. The four walked together ... the young boy guided the blind person and helped the young and the old. The crowd clapped and cheered raucously. All four crossed the finishing line together.

For the young boy this victory was bigger than all his previous wins. Service rather than speed is what matters in the race of life.

Here we are reminded about the true meaning of greatness in the eyes of Jesus. Greatness lies in the depth and generosity of our love for God and others.

In St. Mark's Gospel (9:33-34) Jesus asks His disciples: What were you arguing about on the road. They said nothing because they had been arguing about which of them was the greatest.

They were preoccupied with precedence, power and popularity. This too can be a reality for us. Or maybe we are swept up in a fervor of fame, fortune and finishing first. None of these rate on Jesus' radar. If anyone wants to be first they must make themselves last of all and servant of all (Mark 9:35b).

This was the lesson the young runner learnt. In Jesus' Team service, sacrifice and selflessness are all that matter.

CWCI Safari visit

Streaky Bay was honoured recently with a visit from the CWCI Australia Safari ministry in the persons of Messrs Nola Hill and Merrilyn Packer.

Held in St Augustines Anglican church on September 18th a small group of local women really appreciated this opportunity to join together in prayer and encouragement in our faith journey.

As guest speaker for the day Merrilyn chose as our study subject 'The life of Mary, the Mother of Jesus' and she certainly left us with plenty to think about. From discussion which followed it was clear that most of us had not really thought about Mary in such detail before but that we really appreciated the opportunity to reflect on her life and how it resonated with various periods in our own journeys as girls, wives & mothers.

The visit concluded with a delicious afternoon tea and the church hall.

Christian Women Communicating International Inc. (CWCI) is a Bible based interdenominational faith ministry which offers encouragement, inspiration and Bible teaching throughout Australia and beyond.

AMBULANCE VOLUNTEERS NEEDED AT STREAKY BAY

The SA Ambulance Service (SAAS) Streaky Bay team is looking for new volunteers to join their team.

With new options to join the service as Ambulance Assistants, the service is asking you to take the step today.

Regional Team leader, David Coombe says that all volunteers undertake ambulance training and complete a nationally accredited training course that gives participants the skills and confidence to take control in an emergency and save the lives of others.

"Once the training is completed our ambulance volunteers can start attending to cases. It's only with the help of volunteers that we able to provide additional ambulance services in our community."

David adds that people from all walks of life can become a volunteer from those who are employed, to retired individuals.

"Volunteers are placed on an on-call roster. They can still undertake their normal day-to-day activities, unless they are paged to respond to an ambulance case.

Volunteering with SAAS is a great way to help yourself too. You'll acquire a variety of life skills as well as making new friendships in the local community.

Streaky Bay ambulance volunteer Wayne Daniel says: "Since being an ambulance volunteer, I have gained a range of life saving skills that can be applied at that vital moment and I have also developed a greater knowledge about medical conditions. I have met, worked with and made friends with a variety of different people that I otherwise wouldn't have known in our community. And together we supply our community with a vital service".

Interested?

Why not come along to check out a training session with the SAAS Streaky Bay team, at 6pm on Tuesdays at the Streaky Bay Ambulance Station, alongside the Streaky Bay Hospital.

Take this opportunity and find out more about the roles available.

Training and uniforms are free and volunteers are reimbursed for travel costs and also for child-care.

To find out more about becoming a Streaky Bay Ambulance Volunteer please call Regional Team Leader, David Coombe on 0428 713 033 or the Volunteer Support Unit on 8150 3460 (Monday to Friday, 8.30am to 5pm).

For further information on how to apply and to view volunteer testimonials visit our new website www.saasvolunteer.sa.gov.au.

CFS FOUNDATION
Supporting Volunteer Firefighters

November is the time to give a

'SHOUT OUT'

and say **THANK YOU** to all of our amazing **CFS volunteers**!

Our CFS volunteers attend to many horrific incidents throughout the year, from bushfires to road crashes, chemical spills & more! While protecting the community, CFS volunteers often become victims themselves, suffering injuries, losing property to fire, and in some cases, even their lives

...so please support those who volunteer to protect YOU!

- Choose a day in **November** to fundraise for the CFS Foundation
- Wear 'YELLOW' for a gold coin donation OR
- come up with your own fundraising idea
- Register your fundraiser at www.cfsfoundation.org.au
- Share your photos and hashtag #thankyouCFSvolunteers
- Have fun and encourage others to join in!

FUNDRAISE FOR OUR INCREDIBLE CFS VOLUNTEERS AHEAD OF THIS UPCOMING FIRE SEASON!

Phone: 08 8357 6600
Email: info@cfsfoundation.org.au
Website: www.cfsfoundation.org.au

SADDLE UP - THE RODEO IS COMING TO TOWN!

SATURDAY 27TH NOVEMBER 2021

It seems like such a long time ago when Streaky Bay held their first rodeo back in 2019. Well hang on to your hats, buckles and spurs cowboys and cowgirls, Rodeo by the Sea is back, bigger, Better, STRONGER in 2021.

That's right, the rodeo is heading back and Streaky Bay is the only place to be on the last weekend in November 2021.

The Streaky Bay Rodeo committee have been hard at work behind the scenes making sure that Rodeo by the Sea is the best show, this side of the Black Stump.

The event will meet all the CovidSafe requirements. QR coding will be in place and appropriate distancing will be enforced, face-masks are required (nothing new for cowboys or cowgirls) and if you are unwell, please don't attend.

The Rodeo committee want to give everyone the best experience possible, so they've created some unique and exciting half time entertainment so that the action and the thrills never stop.

The uncertainty around the eastern seaboard opening up to allow competitors to attend continues. However, the Festival State Rodeo Circuit President, Tom Willoughby, believes they have enough South Australian and Northern Territory competitors to put on a great show.

If you haven't been through Lochiel - Highway One then you've missed seeing the billboard that depicts the pinup cowboy Cody Tyrrell on a bucking bronc, holding up a King Georg whiting. An image that depicts the excitement of the rodeo and acknowledges the very popular local fish.

We will miss out on the crowning of the Rodeo Queen this year, as Covid has effected their fund raising potential. However, the nominated charity for the event is the Royal Flying Doctor Service and a cheque will be presented to them at the Rodeo.

There will be the 'Best Dressed Cowboy & Cowgirl' for children to enter as well as a competitive Tug of War. If your club or group would like to participate in the Tug of War email the rodeo committee, cash prizes are up for grabs.

The Rodeo will be live streamed around the world courtesy of FSRC Secretary and super fan of Rodeo by the Sea - Ms Mery Colquhoun.

This year, tickets are only available online via the website, www.rodeobythesea.com.au and Ticketbo.

There are only 2,000 tickets available, so get in early because it will sell out.

Special thanks to the Sponsors for assisting in bringing the event to town:

Platinum - Nutrien West Coast Ag. SATC, Regional Development Australia, Ceduna Machinery, Andromeda, Courela Shearing Supplies, Port Lincoln 4WD, Iron Jack, The Streaky Bay Hotel Motel, McMahon Services, McEvoy Transport, Ray White, Kennards Hire, Perrys Fuel, Bert Build Cattle Equipment, Rod's Stock Blocks, Nullarbor Roadhouse, the District Council of Streaky Bay, Festival State Rodeo Circuit, Kurt Walter Fine Art Images, Streaky Bay Racing and Streaky Bay Tourism and Business Association; and a million thanks to the local organisations and individuals that help us the best way they can to support this event.

It seems that Streaky Bay is excited, the competitors are super excited and now you as a spectator can get really excited, so get your tickets and come to Streaky Bay, Rodeo by the Sea.

Saturday 27th November 2021

National Parks and Wildlife Service Friends of Parks - Partnership Grants Program

The Minister for Environment and Water has announced a new Friends of Parks - Partnership Grants Program with up to \$500,000 available for projects that may be delivered for a maximum three year period.

The Friends of Parks -Partnership Program is directed at conservation-based activities to be delivered both on-park and off-park.

This can also include the purchase of minor plant or equipment and other materials or services that supports the group's project conservation outcomes.

Grants of up to \$25,000 per annum will be available for projects to be completed within three (3) years up to a maximum of \$75,000 per application, commencing on payment of funding. There will be a primary Friends of Parks member or affiliate group applicant.

Applications close, Sunday 31 October 2021

EXCESSIVE BARKING A GOOD BEHAVIOUR GUIDE FOR DOGS

AND
BOARD

While excessive barking is distressing for everyone, that's why it's important to manage the situation and your dog.

If a complaint is lodged with council

The first step of the process is to determine if the complaint is valid. Some dogs bark excessively, but sometimes the complaint is the result of a neighbour's dog barking. And sometimes, one neighbour is overly sensitive to noise while others don't mind it.

Mediation to find a solution

Not all dogs bark excessively for the same reason. Some are fearful and shy, while others are territorial. If you and your neighbour are unable to resolve the complaint informally, the council will conduct a full investigation. This may include providing dog training, taking the dog to a professional trainer, and the dog owner will be responsible for the cost of the training. It is important that the dog owner is cooperative and that the dog owner is able to provide evidence if the matter is investigated.

When no solution is agreed on

Council can issue a control order (barking) to require the owner to control their dog, which may include a requirement to control the dog's barking. If the dog owner does not comply with the order, the council may issue a control order (barking) to require the owner to control their dog, which may include a requirement to control the dog's barking.

When a Control Order is Issued

Issued, and if the dog owner does not comply with the order, the council may issue a control order (barking) to require the owner to control their dog, which may include a requirement to control the dog's barking.

If a dog owner does not comply with the order, the council may issue a control order (barking) to require the owner to control their dog, which may include a requirement to control the dog's barking.

Contravening a control order is a serious offence.

When no solution is found legally

Residents have the right to take civil action against a dog owner to resolve a noise nuisance.

If the complainant believes council has not handled the matter, a complaint can be made to the Environment New South Wales (ENSW) or the Local Government Complaints Unit.

Excessive barking: a good owner tip

You should always take noise and barking dog complaints seriously. However, if you are not sure if the dog is barking excessively, you should investigate and resolve.

Owners can provide information about reducing dog noise problems and may refer to a professional dog behaviourist.

To find the facts and other tips on how to be a good dog owner, visit dogandcatboard.com.au

Does my dog bark excessively?

When barking becomes an issue

Barking is a normal part of your dog's behaviour. Your dog might bark for a number of reasons. It could be paying attention to you, or it could be barking to alert you to a danger or to defend its territory.

Sometimes, however, your dog's barking, if excessive, can be a problem for your neighbours. Barking that is excessive, noisy and persistent can be a problem for your neighbours. Excessive barking is defined by the Dog and Cat Management Act 1995, as a dog that barks excessively, creating a noise, which is a nuisance to other people. Excessive barking can be a problem for your neighbours. Barking that is excessive, noisy and persistent can be a problem for your neighbours. Excessive barking is defined by the Dog and Cat Management Act 1995, as a dog that barks excessively, creating a noise, which is a nuisance to other people.

Excessive Barking: the facts

Many factors can cause a dog to bark excessively:

- Boredom, loneliness and lack of stimulation
- Discomfort from heat, worms or other irritations
- Lack of exercise and/or mental stimulation
- Lack of adequate food, water, exercise or training
- Guarding a possession (toy or food) or feeling threatened
- Protecting the owner or their family
- Strong or overstimulated emotions
- Illness or injury (e.g. a dog who is in pain or ill)
- Fearful or shy dog or child playing nearby

If your dog barks excessively, it is a nuisance to other people. It is a nuisance to other people. It is a nuisance to other people. It is a nuisance to other people.

- Working with the owner, informally with education, and providing the owner with information
- Issuing the dog owner with an explanatory notice for excessive barking
- Issuing the dog owner with a control order (barking) under the Dog and Cat Management Act 1995

THE ANSWER IS...

Most owners are willing to work with the council to find ways to stop their dog from barking excessively.

Streaky Bay Property Owners Are You Prepared for the Fire Danger Season??

With the commencement of the Fire Danger Season on 1st November 2021, the first round of property inspections will occur in early October.

Properties with undergrowth exceeding the legislative requirement will be receiving a Section 105F (Fire and Emergency Services Act) Notice which requires the landowner to cut/slash the undergrowth to the required level applicable to that property.

Landowners will have 21 days from the Notice's issue to make their properties compliant.

All properties receiving a Section 105F Notice will be reinspected near the 1st November, and if they remain non-compliant the landowner will be required to pay the cost of having their property cut by Council or its contractor, as well as an administrative fee.

Council has set a charge of \$1135.00 (GST incl) to compulsory mow outer township and outlying area properties that are non-compliant.

Property owners within the Streaky Bay area will be charged \$630.00 (GST incl) per property for the compulsory mowing of non-compliant blocks.

The 105F process is a legal obligation on the landowner to minimise risk to both their and the neighbours' life and property.

Any queries regarding 105F Notices should be directed to Council's Fire Prevention Officer in the first instance on 8626 1001.

BURNING IN THE TOWNSHIP

Having bonfires within the township of Streaky Bay is strictly not allowed

Comfort and cooking fires are allowed with a maximum of 1 cubic metre.

Green waste can be taken to the Waste Transfer Station FREE of charge

For more information please call the Streaky Bay Council Office on 8626 1001.

Then God said, “let us make man in Our image, according to Our likeness...”

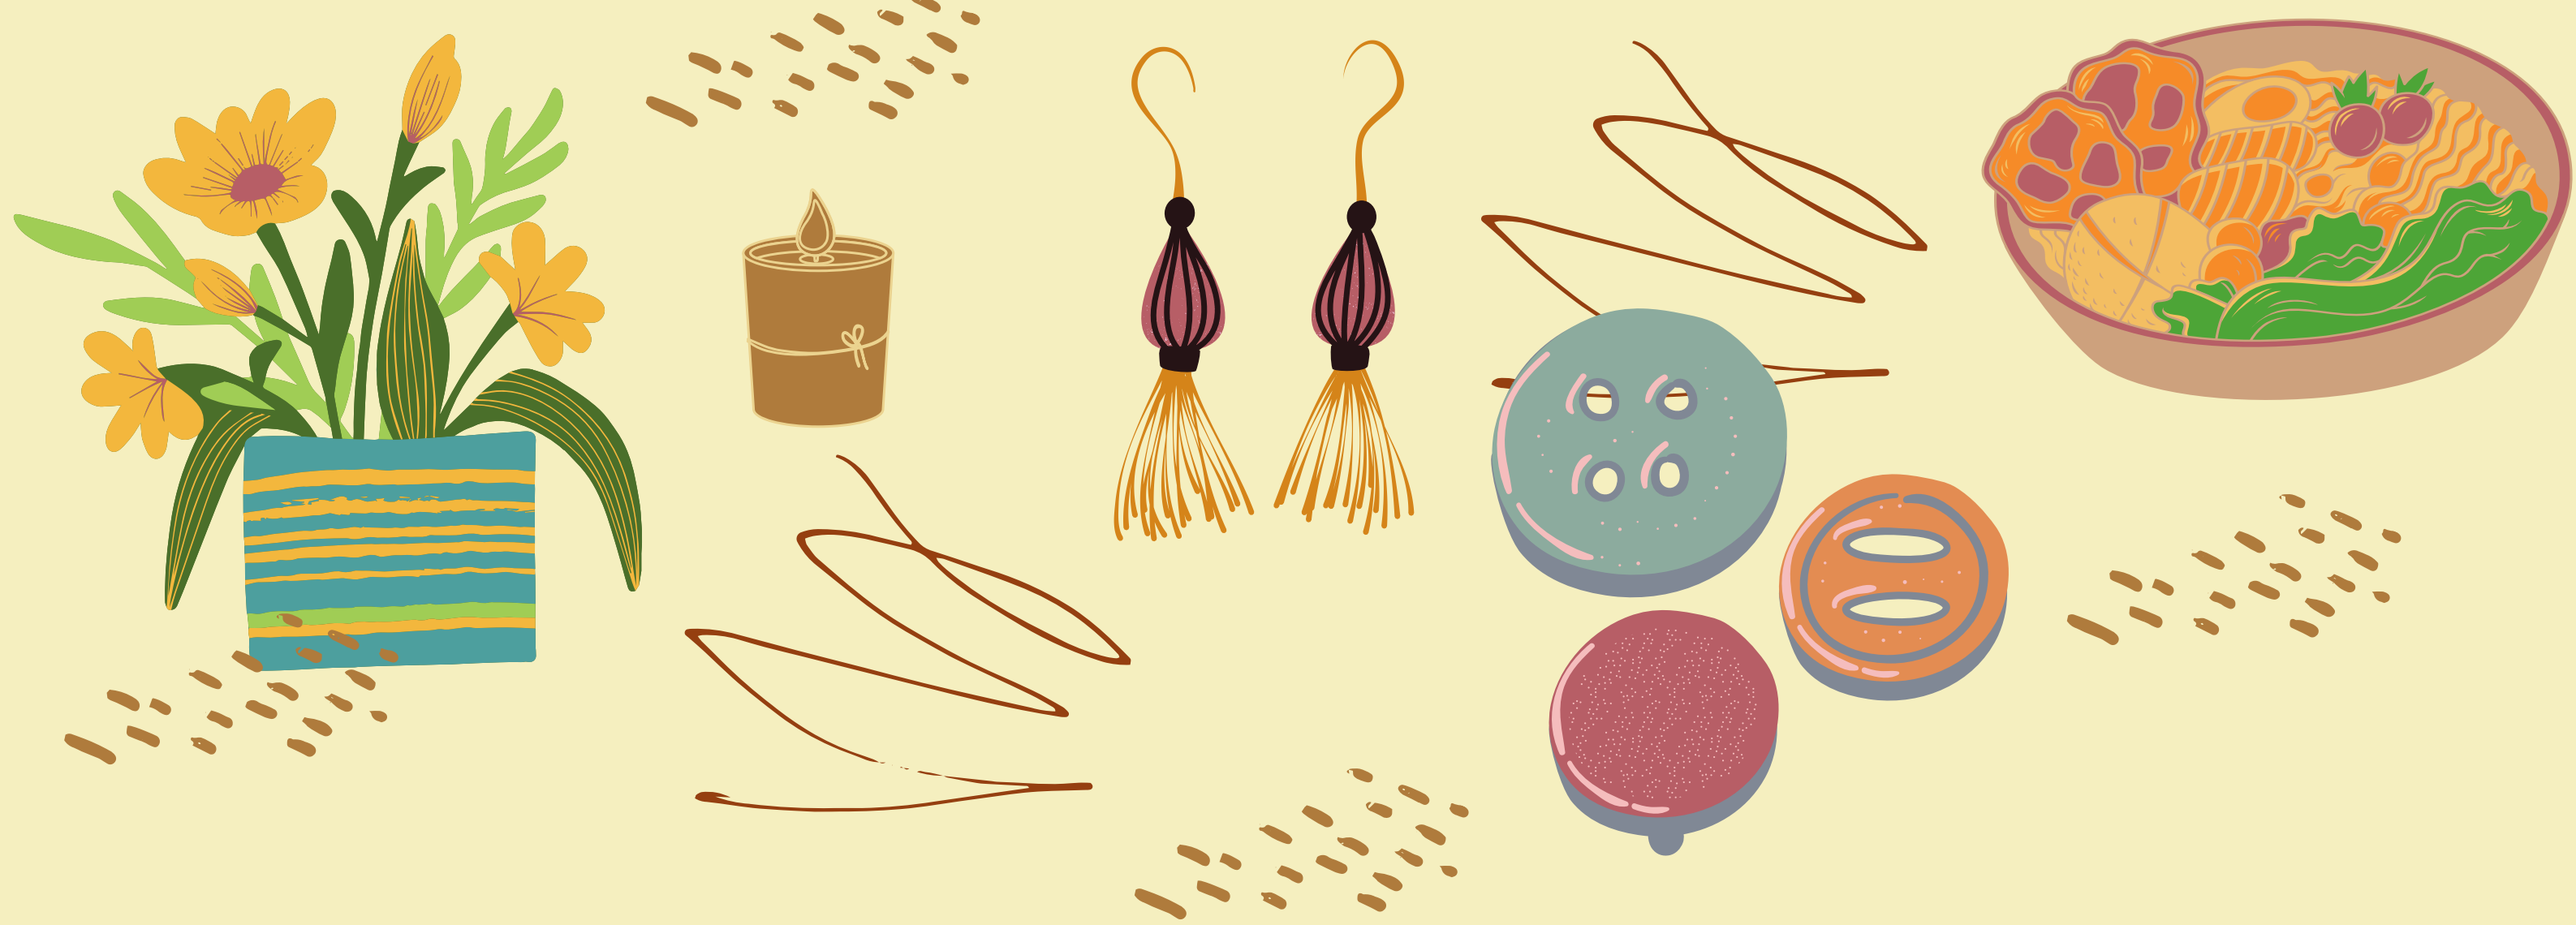

Man has been given a unique relationship with God.

In a moral sense man is like God because originally, he was good and sinless.

Man has intellect, emotion, will and is able to reason.

However, sin has separated us from God.

*God sent Jesus
and it is only through Jesus
our relationship with God
can be restored.*
