AUSTRALIA DAY CELEBRATIONS

Despite soaring temperatures, around 250 community members gathered at the Streaky Bay foreshore on Australia Day to celebrate local spirit, volunteerism and outstanding community contributions. In response to the extreme heat, the event was shortened to ensure the comfort and safety of attendees, while still providing an opportunity to recognise the remarkable achievements of this year's Australia Day award recipients.

The morning began with councillors, their partners , staff and community volunteers cooking a free BBQ breakfast for the community. Children enjoyed creative art and craft activities hosted by Retro Squid, while families took part in a range of lawn games along the foreshore, creating a welcoming and inclusive atmosphere followed at 9.30am. The Awards Ceremony followed at 9.30am.

Mayor Travis Barber said Australia Day was an important time for both reflection and celebration. "Australia Day is a chance for us to come together as a community and reflect on just how fortunate we are to live in the greatest community, in the greatest country on earth," Mayor Barber said.

"It was especially meaningful to recognise individuals and organisations who truly reflect what it means to be Australian — people who give their time, support others and work tirelessly to make our community a better place."

The event provided an opportunity to acknowledge the dedication of volunteers, young people, community groups and businesses who make an invaluable contribution to the district and the wider Eyre Peninsula.

Young Citizen of the Year – Hannah Elliott
Hannah Elliott was recognised as an outstanding role model and inspiration to young people in the community. While completing Year 12, Hannah demonstrated an exceptional commitment to volunteering and employment. She supports a wide range of local organisa tions and events, including the Community Complex, Busy Kids Childcare Centre, netball, Perlubie Sports Day and other community activities, while also working regularly in hospitality. Known for her friendly manner, positive attitude and willingness to hel p, Hannah is a very deserving Young Citizen of the Year.

Community Event of the Year – Eyre Peninsula Farmer Support Day
The Eyre Peninsula Farmer Support Day was recognised for delivering practical and meaningful support to farmers during drought conditions. Funded by Lions Club International and coordinated by the Rapid Relief Team, the event distributed 100 tonnes of shee p pellets to 150 farmers, supporting up to 100,000 sheep across the region. The event demonstrated the power of collaboration and community action, with special recognition given to Suzie Kenn leadership in bringing the event together.

HOSPITAL AUXILLIARY MEETING

Held December 9th.

Meeting again pushed for a Gardner to be sought between Elmhaven and Hospital. Noted that Volunteers would still be willing to help out when needed but due to age some are due to retire and help is needed at both areas. Was noted Ceduna and Elliston have gardners for their facilities surely there is a place for one here between both facilities.

Xmas gifts to be given to Hospital and Elmhaven Kerry to organise.
Outside chairs are still being sought for Elmhaven.

Pauline entered meeting and gave us an insight to our new Dr and the way he will be working within the Hospital area. We hope community will welcome him and that he will soon be able to establish himself and enjoy and be able to use his skills for all our benefit.
Would be nice to see a few more members join us to help keep the Auxilliary going

Next meeting Tues Feb 10th 2p.m. Hospital board room.

INDOOR BOWLS

January 2026 will be remembered as an exceptional month for the S.B.I.B.C. The dishwasher was installed after a few alterations were made to the kitchen benchtop. All is now working beautifully.
January also brought birthday celebrations and cakes for members Tony (9/1) and Connie (27/1).
Over the four Wednesdays, weekly bowling numbers increased to 26 on the 28th. This meant teams of 4x4 and 2x5 were drawn to play that day. In past years there have been several 25 and 26 nominations. The most was 29 on 19/6/2019. There were 8 visitors that day.
When nominations exceed 24 (6x4), the committee draws players into teams of four and five, with the leaders in the 5-member teams to share ends. The system works well.
Visitors have played on each January Wednesday.
Only once was there a 3-game winning team, 14/1. Twice the shot count was needed. On 7/1 the count was 29 and 25, and on 21/1 the result was 37, 34, 30. The surprise was on the last Wednesday, 28/1, when a 5-member team scored 2 wins + 1 draw to win the day.
Bowling in January was so spot on that twice a "no score" was noted on the board. Penalties also were reduced, the last day only a total of 4.
Winning teams were:

- Jan. 7 = Sandy, Denise, Darryl, Connie
- Jan. 14 = Julie, Sandy, Darryl, John
- Jan. 21 = Gay, Geoff, Connie
- Jan. 28 = Shirley, Bev O., Paul, James, Connie

MEN'S SHED

It is great to see good numbers at the shed.

We seem to have enough jobs to keep everyone busy.

It was good to see two members nominated for Active Citizen of the Year. Both Jim Petty and Wayne Miller were nominated, with Wayne taking out the award.

Two other members were also recognised for the Event of the Year. These being Daniel Taylor and Garry Hodge. These members also represented the Streaky Bay Lions Club.

Thanks to Daniel Taylor, we are still enjoying cake at morning tea time. Thanks Daniel.

From a work side, we have progressed on some projects, being the miners lounge, dogs for the craft shop, and a bench seat. (See pictures of work in progress.)

The slats for the picket fence to go around the compost beds at the community garden have been cut, ready for painting.

Thanks must go to Mick Taylor, James Cash, and Terry Walker for breaking the pallets up into usable lengths.

ST AUGUSTINE NEWS

Our Monster Bag Sales will continue on Monday and Saturdays from 9.00 to 12 pm.
This will be re-assessed at the end of February,
Thanks to those who have bought 'bags'. We appreciate your support and helping us make space for other ministries.

The Last Word on the Nativity Trail
Thank you all those who participated in our fun activity.
We had 28 shops and businesses who happily participated and came up with some very creative names. It is impossible to choose the best! Thank you for joining in the fun.
We had:

Raaaay (Mitre Ten), Love Shack Lambie (Ray White & Streaky Bay Realty), Cotton Ball (Pharmacy), Charlie (Mower Repairs), Trav the Traveller (Info Centre), Eyreoll (Craft Centre), Spencer (Killars Fuel), Lewis (Funked), Filisi aka Fleecy (Oyster Barn), Lamb Chop 11 (Butcher – because Lamb Chop 1 was delicious!),
Squid (Fish Factory), Susie (Shell Service Station), Powerhouse (Museum), Snowball (Terrace 24 Pizza), Elliott (Elliott's Bakery), Lamb Chop (Beck's IGA),
Hair Bar (KC Hair Salon), Bar Bar (Streaky Bay Hotel), Woolly (Community OP Shop), Barbrah (Drift Restaurant), Rosemary (Harcourts R E), Doc McFleecy (Medical Centre.
Thank you to the nearly 50 young people who collected the names and their Goodie Bags. Well done, everyone!

Lenten Study Group
The Anglican Church plan to run a Lenten Study Group on Tuesday from 3 – 4 pm. The group will meet at the Hall at the back of the Church, from 2.30pm for "a cuppa" before the group starts. The subject will be "Joy" a study written by the Anglican Bishops of Australia. It will start on 24th February and will last for the 6 weeks of Lent. Everyone is welcome to attend.

Back to Streaky Bay Wedding Festival
Everyone is invited to come and join in our Wedding Festival on 14th and 15th February.
There will be lots of historical wedding photos to look at, some dating back to the 1930's. Morning and afternoon tea will be available.
It is not too late to show your wedding photo! Just contact Meryl on 0428 624 991if you have something suitable.
Wedding blessings will also be available, but we do need to have prior knowledge. If you are interested, please contact Rev Bob 0448 99 55 75 or Rev Christine 0407 033 257

FRIENDS OF SCEALE BAY

Free Local Environmental Calendars Snapped Up

Free 2026 Chain Of Bays: Preserving The West Coast of South Australia environment calendars are proving a hit with Streaky Bay locals and tourists to the region.

The calendar showcases landscape and wildlife photographs by Grant Hobson taken over the last 20 years. The calendars were funded by the Eyre Peninsula Landscape Board.

Accompanying the images are helpful hints, key dates, grant funding opportunities and information on how to positively engage with our spectacular and remote coastal wilderness.

The Friends of Seale Bay have distributed the calendars to businesses and individuals on the West Coast.

Personalised copies were also sent to local state and federal members of parliament. Copies are now available from the Streaky Bay Visitor Centre. Get in quick as there are limited copies available.

STREAKY BAY NATION TRUST MUESEUM

Holidays are over, with everyone returning to normal routines.

One special visitor has been David Geisler, son of Dr Fred Geisler.

David was able to spend time in what was his classroom, visit the old surgery, and peruse history about his father. He also had the opportunity to visit Mrs Rae Brewster, who no doubt had many stories to tell.
It must be a time for relatives of former doctors to visit. Dr Cotton's grandson visited, and it was interesting to hear stories that have been passed down through his family. We do have some history of Dr Cotton's early school days in Streaky Bay. Almost every week he was top of his class.

On January 17th, we had the pleasure of hosting visitors travelling on the 'True North' cruise boat. They were very impressed with our museum. On arrival, a number of them joined Eliza's yoga class on the jetty platform. Basil & Belle Coffee Van was on the foreshore. Comments on the vanilla slice from the bakery proved it to be 'the best I have had!'

Locals: You never know what family history you may find in the museum. Recently, someone found two replicas of boats that had belonged to his grandfather. The museum was closed on a couple of excessively hot days.

Chris continues to do an amazing job of painting new signs and updating old ones. The maintenance team are in desperate need of volunteers. If you could spare a couple of hours on a Tuesday morning, it would be much appreciated.

We have been going through photo albums with so many unnamed people. Photos have been posted on the Eyre Peninsula Yarns and History page in an endeavour to identify them. It is interesting to know what will happen to history in the future. Our photos are taken on our phones and stored 'in the cloud' with no names.

A number of our museum volunteers are beginning to age. The challenge is to write your story before it is lost. For children and grandchildren, one idea is to interview and record a parent or grandparent.

Our first meeting for the year will be Monday 9th February. All welcome.

Community Update

CHANGES TO HOW THE MAYOR IS ELECTED FROM 2026

A change is coming to local leadership in Streaky Bay. In Regional South Australia, Mayors (also known as Principal Members) have traditionally been chosen by elected councillors after local government elections. This will change from 2026.
Under reforms legislated by the State Government, all South Australian councils—including the District Council of Streaky Bay—will move to a system where the Mayor is **directly elected by the community.**

What Will Stay the Same

- The District Council of Streaky Bay's ward structure will remain unchanged.
- Each ward will continue to be represented by four elected councillors, ensuring strong local representation across the district.

What Will Change

- From 2026, the Mayor will be elected by voters across the entire district, rather than being selected by councillors.
- The Mayor will represent the whole district, rather than a single ward, and provide district-wide leadership.

How Council Decisions Will Work

- Councillors will continue to debate and vote on Council motions as usual.
- The Mayor will not vote on motions in the ordinary course of business.
- If a Council vote is tied, the Mayor will exercise a casting vote to determine the outcome.

This new arrangement strengthens the community's role in choosing its civic leader while maintaining strong, ward-based local representation.

Further Information
Council has prepared a transition report outlining how these changes will be implemented locally.

👉 **Read the Transition Report:**
https://www.streakybay.sa.gov.au/__data/assets/pdf_file/0043/1915999/Transitional-Representation-Review-Report-2025.pdf

More information will be shared as Council moves closer to the 2026 local government elections.

Council News

FROM THE CEO'S DESK

Advocating for the District of Streaky Bay in the State Election

As part of his role as Mayor, Cr Travis Barber works tirelessly to advocate for the needs of the District Council of Streaky Bay. This is not always easy, given the sheer size of our State electorate and the diverse priorities of the many communities it represents. With this in mind, and as the State Election approaches, Council is using the election period to focus its advocacy on a small number of clearly defined priority issues—issues that are fundamental to liveability, safety and long-term sustainability. We are also realistic in our approach, recognising the size of our community and focusing on targeted, achievable requests rather than a long list of demands.

Water security is our most urgent constraint. Our existing water infrastructure is no longer meeting the needs of the community. Only a limited number of new water connections are currently being approved, the areas where new approvals can occur are highly restricted, and parts of the town continue to experience water pressure issues—particularly during peak demand periods. Together, these constraints are limiting housing development, business investment and future growth.

To address this, Council is seeking State Government support for a detailed water supply options paper. This work would assess current system capacity, identify risks, forecast future demand (including seasonal tourism peaks), and develop a staged, investment-ready roadmap. Options to be examined include expanding the existing Poochera–Streaky Bay pipeline and investigating other solutions to ensure water supply for our community.

Mobile connectivity also remains a critical issue across the district, with coverage in some areas—such as Haslam—clearly insufficient. Behind the scenes, Council has been working closely with Telstra and other Eyre Peninsula councils to undertake a comprehensive study of mobile blackspots across the region. This work has identified a number of priority locations where new mobile towers are needed to improve safety, connectivity and service reliability.

In partnership with regional councils and industry, Council is preparing to seek Federal funding through the Regional Connectivity Program to support the delivery of these towers. To strengthen these applications and unlock Commonwealth co-investment, Council is advocating for a State Government contribution of $8.5 million to support mobile connectivity improvements across the Eyre Peninsula.

FROM THE CEO'S DESK CONTINUED...

The Flinders Highway has already been a key topic of discussion this election with local candidates, particularly in relation to its current condition and future standard. However, many in the community may not realise that under the State Government's Transport Strategy, the Flinders Highway is currently classified as an "access road"—the lowest classification level available.

This classification places the highway at the bottom of the priority list for upgrades and maintenance, despite the fact that it functions well beyond a local access route. The Flinders Highway supports freight movement, tourism access, essential services and emergency response across the region. Council is therefore advocating for the State Government to reclassify the highway to a higher category so that planning, maintenance and future investment better reflect its true regional importance and the role it plays in everyday life on the West Coast.

Coastal safety is another key priority. Council has been working closely with the State Government to progress shark mitigation measures following recent shark-related fatalities. However, to date, State investment in regional shark initiatives has totalled approximately $450,000—a level of funding that is significantly lower than that seen in other states.

Council is therefore advocating for a proof-of-concept trial of acoustic shark detection receivers on the Western Eyre Peninsula. This trial would improve situational awareness, support more informed and measured beach management decisions, and help restore confidence for both residents and visitors.

These priorities are not about short-term wins. They are about ensuring the District of Streaky Bay remains a safe, connected and vibrant community that can harmonise growth with the coastal character we value.

Council will continue to engage constructively with candidates and the incoming State Government to ensure the needs of Streaky Bay and the Western Eyre Peninsula are clearly understood and appropriately supported. We will also continue to advocate strongly and consistently for the priorities that matter most to our community.

Residents also have an important role to play. When you see candidates campaigning in our towns or speaking with the community, take the opportunity to ask them how they will support these priorities and whether they are prepared to commit to delivering real outcomes for Streaky Bay and the wider district. Collective advocacy—by Council and community alike—helps ensure our voice is heard and our needs are clearly understood.

Damian Carter
Chief Executive Officer

Feral Deer & Goats

Help Protect Our Landscape

The Eyre Peninsula Landscape Board is asking landholders to report any feral goat or deer sightings to help protect the Eyre Peninsula's unique landscapes and biodiversity.

We're also looking for **local landholders** who would like to team up with us for upcoming aerial goat control programs.

If you've noticed activity on your property or would like to be involved, we'd love to hear from you.

Information wanted

If you see any feral animals, please reach out to our **Wudinna officer** with the following information:

- Date and time of the sighting
- Location (GPS coordinates if possible)
- Number of individuals sighted
- Species, age and sex, if able to identify
- Any additional observations (behaviour, direction of travel)
- Photos

Your reports help us better understand activity across the region and support effective control programs.

Please report any sightings of goats or deer on the East/South Eyre Peninsula to:

EPLBadmin@sa.gov.au

0421 663 337 (0421 NO DEER)

You can also report sightings at:

THE WEST COAST JUSTICE GROUP NEED YOUR HELP.

The West Coast Justices Group is urgently seeking more volunteer Justices of the Peace (JPs) to serve our local communities across the West Coast — including Streaky Bay, Wudinna, Ceduna, and surrounding areas.

Due to the vast size of our region and a decline in available JPs, many residents are experiencing long delays and travel times just to access essential witnessing and certification services. Our small but dedicated team of JPs is stretched thin — and **we need your help.**

HELP SERVE THE COMMUNITY BY:

- Witnessing documents
- Verifying identity documents
- Taking Affidavits and Statutory Declarations

A Seasonal Guide for Streaky Bay Gardeners

February in Streaky Bay is often the toughest month in the garden. Prolonged heat, drying winds, and low rainfall mean plants are working hard just to survive. The focus this month is on protection, harvesting, and gentle preparation for the cooler seasons ahead.

What to Plant in February

Planting should be selective and timed carefully, but a few crops will still perform well:

- Fast-growing veg: radish, spring onions, beetroot (late February)
- Heat-tolerant greens: silverbeet, perpetual spinach, rocket (with shade)
- Legumes: bush beans (early February only)
- Herbs: basil, chives, parsley (best in semi-shade)

Tip: Plant late in the day and water thoroughly. Shade cloth or natural shade can make the difference between success and failure.

Water and Heat Management

Smart water use is essential in February:

- Water deeply every few days rather than lightly every day
- Always water early morning to reduce evaporation
- Check mulch depth—top up if soil is exposed
- Group pots together to reduce moisture loss

Tip: If water is limited, prioritise food plants and young trees over lawns.

What to Prune in February

Avoid heavy pruning or reshaping during extreme heat—plants can struggle to recover.

- Roses: deadhead only
- Herbs: light trimming to encourage new growth
- Fruit trees: remove dead or damaged wood if needed

Caring for Natives and Perennials

Established native plants usually cope well, but younger ones need monitoring:

- Look for signs of heat stress such as drooping or leaf scorch
- Remove competing weeds
- Avoid fertilising until autumn

Hardy local favourites include:

- Westringia (coastal rosemary)
- Pigface and saltbush
- Grevillea and Eremophila

Tip: A deep soak every couple of weeks is better than frequent shallow watering.

Gardening for Wellness

February can feel exhausting—both physically and mentally. Gardening doesn't have to be hard work:

- Choose cooler times of day
- Sit and observe your garden rather than pushing yourself
- Harvest fresh produce for light, summer meals
- Use gardening as a reason to slow down and check in with yourself

Spending time outdoors, even briefly, supports wellbeing and helps manage stress during long, hot days.

For more information on the health benefits of time spent in nature, visit the Preventive Health SA website.

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Tamarins Chicken Satay Soba Noodles

Ingredients

- 500g soba noodles (or noodles of choice: rice noodles, egg noodles, hokkien noodles all work)
- 800g chicken breast, diced
- 3 heaped tbsp natural crunchy peanut butter
- 3 tbsp peanuts (crushed or whole)
- 3 tbsp sweet chilli sauce
- 1 tbsp red curry paste
- 1 tbsp kecap manis (sweet soy sauce)
- 2 tbsp soy sauce
- 1 tbsp grated ginger
- 1 tbsp crushed garlic
- 1 red chilli, deseeded & finely chopped (optional)
- ½ cauliflower, chopped
- 500g chicken stock
- 2 carrots, peeled & cut into sticks
- 3 spring onions, cut into batons
- 1 bunch coriander, chopped
- Handful green beans, trimmed
- ½ broccoli, cut into florets
- 1 tsp fish sauce
- Salt & pepper
- Oil for stir frying

Method

1. Heat a wok until hot, add a little oil and stir fry the chicken with garlic, ginger, chilli , salt and pepper. Once the chicken is just cooked through, remove from the wok and set aside.
2. In a bowl or jug, mix together the chicken stock, soy sauce, sweet chilli sauce, kecap manis, fish sauce and peanut butter until smooth and combined.
3. Add a dash more oil to the wok, then stir fry the vegetables with the red curry paste and peanuts until just tender.
4. Cook the noodles according to the packet instructions, then drain.
5. Add the chicken back into the wok with the sauce and cook for 2–3 minutes. Add the drained noodles and toss well until everything is coated.
6. Turn off the heat and mix through the spring onion and coriander, then serve.

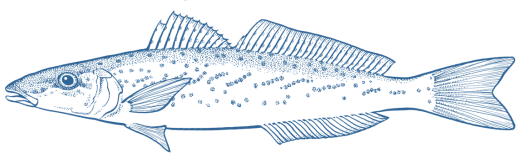

Sunnys Garlic Prawn Spaghetti

Ingredients

- 500g spaghetti
- 500g raw prawns, peeled and deveined (tails on optional)
- 4 cloves fresh garlic, thinly sliced
- 250gm cherry tomatoes, halved
- ¾ cup white wine (dry works best)
- 1–2 cups pasta cooking water (reserved)
- 2–3 tbsp olive oil
- 1 tbsp butter
- Salt and pepper
- 1 bunch parsley, chopped
- 1 fresh chilli, deseeded and sliced (optional)
- Zest + juice of ½–1 lemon
- Handful baby spinach or rocket
- 1 tsp dried oregano or a few basil leaves
- Parmesan to serve

Method

1. Bring a large pot of salted water to the boil and cook spaghetti until just al dente. Reserve 1–2 cups of pasta water, then drain.
2. Heat a large pan on medium-high heat. Add olive oil and butter. Cook prawns 1–2 minutes each side until just pink, sprinkle with salt and pepper, then remove and set aside.
3. In the same pan, add a little more olive oil if needed. Add garlic and chilli, cook for 30–60 seconds until fragrant (don't brown the garlic).
4. Add cherry tomatoes and cook for 2–3 minutes until softened.
5. Pour in white wine and let it bubble for 1–2 minutes to cook off the alcohol.
6. Add about ½ cup reserved pasta water and simmer for 1 minute to create a light sauce.
7. Add spaghetti and toss well, adding more pasta water a little at a time until glossy and coated.
8. Return prawns to the pan and toss through for 30–60 seconds to heat back up.
9. Turn off the heat and mix through parsley, lemon zest and juice (if using), plus oregano or basil.
10. Taste and adjust seasoning with extra salt, pepper, chilli, and a drizzle of olive oil. Serve immediately with extra parsley and parmesan on top.
