GOVERNANCE AND ADMINISTRATION

Strategic Plan 2040

At the November ordinary Council meeting, Council endorsed its new Strategic Plan. A copy is available on Council's website www.streakybay.sa.gov.au

Council Meeting Days and Times

Council was required to consider the days and times of Council meetings for the 2021 year. Council endorsed to continue with the third Thursday of every month, with alternate day and afternoon meetings to commence at 9.30am and 2.30pm respectively.

Acting Chief Executive Officer – January 2021

Council endorsed the Manager, Community and Economic Development (Penny Williams) as the acting CEO whilst the current CEO is on leave.

BUSINESS AND ADMINISTRATION SERVICES

Streaky Bay Area School Pool

Cr Wheaton asked a question without notice to the November meeting on the status of the School Pool Agreement for Public Opening. Staff advised at that meeting that they are awaiting further correspondence or a revised agreement from the School/Department of Education.

INFRASTRUCTURE

Streaky Bay Aerodrome Lighting

Recent inspections have revealed that a significant upgrade is required to the lighting at the Streaky Bay Aerodrome to ensure its ongoing compliance for use, including that of the Royal Flying Doctor Service. Council endorsed the submission of a funding application to the Regional Aviation Access Program – Remote Airstrip Upgrade Program, and that Council agree to seek funding for the aerodrome

Local Roads and Community Infrastructure Program – Further Funding – Wells Street

Council has received notification that the federal Governments Local Roads and Community Infrastructure Program will be extended to provide additional Funding. Council endorsed that the Wells Street Streetscape Project be initiated as the priority project for this funding, with authorisation for staff to continue with developing final concept plans with the project to be constructed under the funding program during the 2020/2021 financial year.

Council will also consider leveraging this funding to apply for the State Government Local Government Partnership Program to undertake further projects.

Caravan Parking – Streaky Bay

Cr Wheaton raised a question without notice to the October meeting of Council regarding what actions are Council currently taking or able to take in the future about parallel parked caravans and trailers over multiple angled parking spots? Residents and business owners have had enough of the parks being used for a long period of time before moving their vehicles.

The following response was provided at the November meeting.

Over the past 12 months, new signage has been installed at strategic locations around the Streaky Bay Township, directing visitors to appropriate Parking Areas.

Plans have also been discussed to create an "Information Bay" at the Lions Park to assist travellers when first entering the township.

With the Bay offering such an attractive aspect when entering the township, we feel that some important signage is missed leading to travellers making poor decisions when parking. It has also been noted that we are currently experiencing an influx of "first time" travellers to town, which may be exacerbating the situation.

We feel that a greater emphasis needs to be placed on the two "major" car parks; Council Car Park and the Hotel Car Park. Discussions will be needed with the Hotel Board. This would include clearly delineated Parking Bays etc.

We have also had discussions, and performed inspections, regarding Disabled Car Parking in Streaky Bay's Shopping Precinct. Unfortunately, in its current set up, further Disabled parks will result in a reduction (approximately 2 into 1) of parking spaces.

It is also our intention to investigate improved parking options around the Wells St / Bay Road intersection, particularly east of the roundabout. Many people are parking vans and 4wds in this area, and it is becoming a Safety Risk. My initial thoughts are to consider a "No Parking" area on the Southern side of Wells St, outside of Mitre 10's trade entrance. Further work is required before a submission to Council is prepared.

Yanerbe Road (Streaky Bay) proposed Road Name Alteration

Council considered a public request to amend Yanerbe Road to Greenwood Road. Council resolved that it does not wish to proceed as Council is satisfied that signage improvements will alleviate the issue raised in the application.

COMMUNITY & ECONOMIC DEVELOPMENT

Photographic Competition/Calendar

The Community Calendar has been finalised and Council are expecting delivery of the Calendar in the next few weeks and will then be available to the community in late December.

Streaky Bay Foreshore Tourist Park due Diligence Report

Council conducted a workshop and further discussion at the Ordinary Council Meeting in November to determine Council's considerations regarding future management of the Streaky Bay Foreshore Tourist Caravan Park.

Wirrulla Oval Playground

Council received a report to the November meeting of Council regarding a proposed new playground for Wirrulla Sports and Recreation oval precinct. Council resolved that they agree to support the Wirrulla Sports and Recreation permission to erect a playground on Councils land. That Council agree to support Wirrulla Sports and Recreation playground project by contributing \$35,000, and that this amount is to be included in the 2021/2022 budget subject to grant funding.

Jetty Pool

Council has been working closely with the Department of Infrastructure and Transport to ensure appropriate maintenance works are undertaken to reinstate the use of the Streaky Bay Jetty Platform. It is pleasing to advise the community that Council endorsed acceptance of ownership of the Jetty Platform as a Council owned asset, including allowing the CEO to accept the \$500,000 grant from the Department of Infrastructure and Transport, to undertake the required upgrade works.

Sustainability and Environment Policy

Council has reviewed its existing Policy and endorsed the new policy. The objectives of this policy are:

- Protect existing natural environments and biodiversity
- Enhancing the condition and extent of natural environments
- Avoiding impacts from excessive resource use, waste generation, pollution, and pest species
- Adapting to a changing environment and developing resilience to changes in our climate
- Mitigation and adaptation to a changing climate through statutory responsibilities and regulatory powers relating to land use planning, asset and infrastructure management, environmental planning
- Building human connections to the natural world whilst respecting cultural, social, and economic values
- Community support through education and encouraging behaviour change and build resilience to changes in our climate
- Council will work regionally and at a state and federal level to increase the resilience of our communities to climate change and support appropriate policies and strategies that support a low carbon economy

Gawler Ranges Nation Parks – Roads

Council endorsed to provide correspondence to the relevant minister, outlining the benefits to the entire region of the Gawler Ranges National Park and encouraging the government to invest future funding into the improvements of affected sections of road that provide access into the park.

Tractor Beach Campground Development

The Development Application for the development of this site has been submitted. Minor works will commence in the coming weeks.

Applications for the 2021 AgriFutures Horizon Scholarship Program are now open.

Students entering their final two years of an undergraduate degree who are passionate about the future of Australian rural industries are encouraged to apply.

The AgriFutures Horizon Scholarship is a collaboration between many of the Research and Development Corporations (RDC's) to provide eligible university students with a \$10,000 bursary over two years and plenty of opportunities to develop their leadership skills and expand their networks.

As part of the Program, students also attend an annual four-day professional development workshop and complete two weeks of industry work placements. The Horizon Scholarship Program is open to students studying agriculture-related or STEM degrees with major studies and/or subject selections that align to agriculture.

The diverse range of industry sponsors involved in the Horizons Scholarship program represents the desire to build prosperous and sustainable rural industries. To do this, there is a need to build the skills, capacity, leadership and knowledge of the future rural leaders of Australian agriculture.

"Creating a space for students to collaborate across traditional and emerging areas of rural industries will create a platform of networking, idea creation and forward thinking that is invaluable to the rural industries of the future and I thank all of the industry sponsors who recognise the value and importance of the investment into future leaders."

To be eligible to apply students must:

- Be an Australian citizen or permanent resident
- Be studying an undergraduate degree at an Australian university
- Be entering the final two years of their degree in 2021

Scholarship recipients will be selected on the basis of their commitment to a career in agriculture, as well as their leadership potential and tertiary academic record to date.

Applications close Friday, 15 January 2021 at midnight AEDT.
Shortlisted applicants must be available for a telephone interview in February 2021, and scholarship winners will be announced in April 2021.

From 1 December

COVID-Safe Check-In

COVID-Safe Check-in is a new feature that has been added to the **mySA GOV app** to support contact tracing.

Using the app

Download mySA GOV from the App Store or Google Play. You don't need to create a mySA GOV account or log in to use this feature. If you already have the mySA GOV app, ensure it is updated.

When you arrive at a venue, simply select the COVID-Safe Check-in button in the app and follow the prompts to scan the unique QR code displayed at the venue.

The first time you use COVID-Safe Check-in, you'll be asked to enter your name and mobile number. You'll then receive a text message with a unique code to enter into the app. This is to verify your phone number. You'll only have to do this once.

If you don't have a compatible smart phone, you can still enter a venue but must provide contact details manually.

'FAITH MATTERS' - FR STEPHEN ARDILL

Last week, our state and local community went into lock down. 2020 has been such a challenging and uncertain time for us all.

Families have been isolated ... grandparents unable to connect with grandchildren ... residential aged care homes locked down ... businesses brought to the brink ... workers lost hours and jobs and many of our young, elderly and vulnerable have been severely impacted .

But also, there have been blessings cascading from this new way of living we have all embraced. The frenetic pace at which we've lived our lives has slowed.

We're spent more time with our families ... we looked out for our neighbours ... in the big cities the roads are less cluttered and the air we breathe cleaner ... we've discovered a new gratitude for our doctors and nurses and carers, our teachers and staff who serve in our supermarkets and retail outlets.

These are the lamplighters who have kept to flames of kindness, compassion, hope and love alight in our community and world.

We live in a world with some very dark corners.

As we again journey to the Bethlehem stable and prepare to celebrate the humble love of God, let us be conscious of and express our deep gratitude to all in our community and families who have radiated kindness, compassion, hope and love in our lives amid the darkness of 2020.

Fr. Stephen Ardill

INDOOR BOWLS

A prized 8 badge has been won by the drawn triples team comprising Julie skip, Darryl third and Don leader.

The team scored the ultimate 8 shots on one end in a game of 8 ends on November 4th. This is an achievement seldom reached.

A previous occasion was 12 months ago on November 6th. The badge was presented to the team by Club President Shirley at the close of play.

Mid November the Indoor Bowls Club was closed when South Australians were plunged into severe lockdown. An outbreak of the Covid virus had been detected in a northern Adelaide suburb.

Stay at home was the message.

However, within days restrictions were eased but not sufficiently as to allow the Club to re-open.

As a result only two days competition was played for the month.

Winners were=

Nov. 4 Wayne, Jim P., June.

Nov.11 Roger, John, Gay, Bev W.

Members now plan to resume play on December 9 and 16 followed by the usual holiday break then re-start on Wednesday January 6, 2021.

AGLOW

Meetings continue at the Streaky Bay n Districts Community Complex.

SA CWA, STREAKY BAY BRANCH

"Sharing And Caring With Action"

Our monthly meeting on 10/11 was again full of laughs and some great Polish info presented by all to support our annual Country of Study (Poland) for 2020 as well as displaying an international item. Following on was handicraft activity, either learning a new craft or getting tips for your own handiwork.

A RopeWork craft session for members & friends was demonstrated by Claire Collins on 17/11. Once the sewing part was sorted, the endless opportunity to create small placemats, coasters, bowls, etc out of rope and material scraps has been left to creative imaginations.

Given November proved nothing is guaranteed, our Floriculture demo/workshop for 24/11 by Fay Kelsh was cancelled due to the SA statewide Covid shut down announcement the week prior. Apologies for any inconvenience. We will endeavour to hold this demo/workshop in the earlier months of 2021.

A BBQ sausage sizzle baked goods/craft fundraiser is on again on

**Friday 4/12 from 9am-2pm
at the Post Office carpark**

(always subject to Covid directives)
So come on down to continue to satisfy those taste buds and Xmas pressie options.

Our Chrissy party will be held on 8/12 at the Streaky Bay Hotel with members inviting a friend to partake in the yum & fun that these occasions offer.

Again subject to Covid directives closer to the time. With a pamper hamper to win, secret santa pressies, so-yum chrissy fare, red/white theme, jokes and the story telling of a brooch/pin/badge, will all leave smiles on the dial and bulging chrissy bellies!

Our SA CWA branch of Streaky Bay wish everyone a wonderful Christmas and New Year. Celebrate in style but be safe and sensible. See you in 2021.

Chrissy trivia ...The first artificial Christmas Tree wasn't a tree at all. It was created out of goose feathers that were dyed green.

MENS SHED

The Men's shed has been busy with projects under way or completed. We have completed some seats for outside the fish factory, completed more work for the Newsagency and produced some fun hobby horses (see pic below).

Thanks must go to Renae Edmonds for coming to see us and giving us some positive feedback on the work we have done for the fish factory. The doughnuts went down well also.

We now have a display at the Craft shop, thanks to Jim Petty from the Men's Shed and Jill Follitt from the Craft shop. On display are bird nesting boxes, planter boxes (see pic below), with more items to be added later. Feel free to drop in and see what we have on show.

The Shed has been approached by the local Streaky Bay Scout Group to see if they could make some wood working items. We have cut up two lots of gear for the different age groups. Unfortunately the recent Covid scare put their projects on hold for now.

The shed welcomed a visitor from Alice Springs Men's Shed in Mal Crowley? Mal has exchanged ideas with us and has looked at some of ours. We also had Robin Boddycomb from the Kersbrook Men's Shed return for the second time this year.

Our shed has lost one of our members in Liam Golley who has shifted to Adelaide. We wish Liam and his family all the best and would like to thank Liam for his help and input while at the shed.

Community Grants

COMMUNITY

2021 Highways and Byways Small Grants

Funding up to \$3,000 is available to community organisations in rural and regional Australia.

2020 has seen our nation challenged by bushfires, ongoing drought, and a global pandemic.

We are keen to support projects that heal the land in holistic ways and build community through practical projects, skills acquisition, and knowledge transfer.

Applications close Tuesday 9 February 2021.

For more visit:

[Highways & Byways | A Community of Service \(highwaysandbyways.org.au\)](https://highwaysandbyways.org.au)

Strengthening Rural Communities

The Strengthening Rural Communities (SRC) program aims to give the thousands of small rural, regional and remote communities across Australia an opportunity to access funding to support broad community needs. Given the events of summer 2019/20, it has also been expanded to offer funding to support recovery in bushfire-affected communities.

The program criteria are deliberately flexible and designed to be able to help communities address different needs and opportunities, as and when they emerge.

Grants are available for a broad range of grassroots, community-led initiatives that directly and clearly benefit local communities.

Applications close 23 February 2021

For more visit:

https://www.frrr.org.au/grants/Strengthening_Rural_Communities

Saluting Their Service Commemorative Grants

The Australian Government is inviting applications through an open competitive process to apply for grant funding under the *Saluting Their Service* Commemorative Grants Program.

The program is designed to: preserve Australia's wartime heritage; involve people around the nation in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations; and promote appreciation and understanding of the experiences of service and the roles that those who served have played in shaping the nation.

There are two categories of grants available under the program:

Community Grants (STS-CG)

Grants to a maximum of \$10,000 are available for local, community-based projects and activities.

Major Grants (STS-MG)

Grants between \$10,001 and \$150,000 are available for major commemorative projects and activities that are significant from a national, state, territory and/or regional perspective.

For further information visit:

Round 3 Applications close Wednesday 11 February 2021

BUSINESS

The Small Business Grant program provides support to South Australian small businesses that are highly impacted by the COVID19 pandemic.

The first round of Small Business Grants opened 21 April 2020 and closed 1 June 2020.

The second round of Small Business Grants includes \$10,000 grants for eligible small businesses that employ staff and are receiving Job Keeper from 28 September 2020. The second round also introduces \$3,000 grants for small businesses that do not employ staff, are operating from commercial premises, and are receiving Job Keeper from 28 September 2020.

Applications for the grant will be open until midnight 14 December 2020.

Visit [Small Businesses Grants](#) to start your application.

Community Grants

Tourism Industry Development Fund (TIDF)

The Tourism Industry Development Fund to encourage private investment in regional tourism development. The TIDF offers grants from \$20,000 to \$500,000 for new and improved regional accommodation, and quality tourism product and experiences. This fund is limited to private sector businesses in the regions, with a maximum of 30 per cent State Government funding committed to the total project value. Projects must commence within three months from time of a successful application.

Applications will close 31 March 2022.

All details can be found at:
tourism.sa.gov.au/support/tourism-industry-development-fund.

Skilling South Australia

Skilled Careers have repositioned the Skilling South Australia initiatives so businesses can access extra support to continue skills training through the COVID-19 pandemic. The following options are available:

- **Equipped for Training** – a Travel and Accommodation Allowance contributing to the cost for your apprentice's off-the job training.
- **Group Training Boost** – a reduced charge out rate of up to \$200 per week per apprentice or trainee for six months, to reduce costs associated with the impact of COVID-19, for eligible commencements from 2 March 2020 – up to \$5200 off the GTO charge out rate in total
For more visit skills.sa.gov.au/support.

New Business Assistance

Individuals not in employment, education or training who are interested in running their own business may be eligible for New Business Assistance with NEIS.

New Business Assistance can help by providing:

- Accredited small business training.
- Personalised mentoring and support from a NEIS provider in the first year of the new business to help the individual put their business idea into practice; and
- NEIS Allowance for up to 39 weeks and NEIS Rental Assistance for up to 26 weeks (if eligible).

For more visit: <https://www.employment.gov.au/self-employment-new-business-assistance-neis>

Australian Small Business Advisory Services

Digital Solutions for Small Business

Offering support for: websites and selling online; social media and digital marketing; using small business software; online privacy and security.

Provides businesses with financial incentives of up to \$10,000 to hire and retain eligible job seekers in ongoing and sustainable positions.

To be eligible, you must:

- Have an Australian business number (ABN)
- Hire an eligible jobseeker for an ongoing position
- Not be an Australian, state or territory government agency
- Not have previously received a wage subsidy for the same person

For more visit:

<https://www.business.gov.au/Grants-and-Programs/Wage-subsidies>

SPORT, RECREATION & HEALTH, YOUTH

Office for Sport, Recreation & Racing Infrastructure Grants

Eligible sporting clubs and organisations can now apply for funding through the 2020-2021 suite of infrastructure project grant programs consisting of:

- Community Recreation and Sport Facilities Program 2020-21 (CRSFP)
- Grassroots Facilities Program Round 1 (GFP)
- Regional and Districts Facilities Program Round 1 (RDFP)

Applications close midday on Wednesday 27 January 2021.

2021 7NEWS Young Achiever Awards
