## GOVERNANCE AND ADMINISTRATION

### Local Government Reform Bill

It was initially thought the Bill would be considered at the December meeting of Parliament, however further requests for changes were received and the Bill has been delayed until the first New Year sitting of Parliament.

### Representation Review Options

Division 2 of the *Local Government Act 1999* (LG Act) sets out the requirements for Councils to undertake a Representation Review, including the process which must be undertaken to complete the review. As per the requirements of the LG Act, these reviews are undertaken every 8 years and gazetted by the Attorney-General for Streaky Bay's review has occurred indicating our review must be commenced by October 2020 and concluded in October 2021.

Council was required, prior to the document being placed out to Public Consultation, and in consideration of section 8 of the draft document, to decide on two or three options to include regarding the Ward Structure. One of those options is required to be an option to abolish Wards (as per section 12(6)(b) of the LG Act. Another would be to maintain the current structure and it is recommended one other be chosen to include, though that is not necessary.

Public Consultation regarding the first draft of the Representation Review has finalised with six responses being received. An Options Paper will be presented to Council at the January meeting and once Council's decisions regarding that Paper are known, a finalised document will be sent out for 3 further weeks of Public Consultation as required by the Act.

### CEO Key Performance Indicators

The CEO provided a report to the December 2020 Ordinary meeting of Council outlining the achievements against the agreed key indicators for the position. See the report to that meeting for full details.

Council received a report to the December 2020 ordinary meeting of Council regarding the expiration of agreements between Council and any real estate agents to sell Council land. Council requires the establishment of an agreement with a real estate agent to enable the sale of any of its land. The report noted that Mayor Barber is the owner of one of the proposed agents and Council resolved at the meeting seek further legal advice to ensure that no conflict of interest exists between Mayor Barber and Council regarding this matter.

## BUSINESS AND ADMINISTRATION SERVICES

### Blancheport Rise Vacant Land – Lease

## ST AUGUSTINE'S ANGLICAN CHURCH

### Messages of Faith and Hope

The New Year is here 2021!

What will it bring for us? After 2020 it can't get any worse. On the positive side it brings new hope and new opportunities.

Three questions I asked myself when I was very young were "Where do I come from? what am I doing here? Where am I going?"

These are very important questions the answers you get will determine your purpose in life.

Purpose is of great importance.  
It gives us a reason to live and confidence in life.

The answers I found to the above mentioned three questions were: I come from I God, I am here to serve God, I go to be with God for all eternity.

I then asked God in Jesus Christ to take over my life and show me my purpose and to make my will His will and His will my will. I found my purpose after a number of years of seeking.

If you want to know if God is real or not ask him. Say: "God if you are real show me." People have had some amazing answers to this prayer.

Rev'd Gavin Scantlebury. Parish Priest.  
Anglican Parish of Streaky Bay

## COUNTRY WOMEN'S ASSOCIATION

The SA CWA, Streaky Bay Branch  
"Sharing And Caring With Action"

December was so kind to us and we've all seen the month out on a high happy note.

Our BBQ sausage sizzle and baked goods stall fundraiser on 4/12 was yet again another success. Thank you to all who supported us and we're looking forward to 2021 where we hope to distribute some of our fundraising proceeds back into the community.

Our Chrissy party was held on 8/12 at the Streaky Bay Hotel with 26 hungry tummies made up of members + friend. The chrissy fare was delish (thanks ever so much to hotel chefs) with a choice of roast pork/baked fish for mains and pud/pav for dessert with the little tasty extras that go with each dish. The devine crunch of pork crackling had some fish eaters go in for the taste.

A pamper hamper was raffled (won by Faye Feltus), home made xmas bon bons had impromptu roll calls, brooch stories told, Xmas bingo & pin the carrot on the snowman activities (won by Jill Catton) as well as the bellowing of the Aussie bush version of Jingle Bells.  
A great fun-filled day for a great group of ladies.

We have downtime in January and meet again on 9/2/2021. Hoping you all had a wonderful Christmas and that you bring in 2021 with a cheer.

Useless info – a group of hippos is called a "bloat" well, now we know what most of us were during Chrissy, hey!

## INDOOR BOWLS

The Streaky Bay Indoor Bowls Club remained undaunted throughout all the challenges presented in 2020. There was a period of closure in March/April during the initial Covid pandemic alert then again no bowls for two weeks in late November, but over all the other Wed's in the year the club was open to conduct bowls play.

Competitions of 3x8 ends were played, a Covid Safe Plan was adopted in August, birthdays were celebrated new member George Gill welcomed, an ultimate 8 shots scored and everyone put aside their worries

The first three Wednesdays in December finalised the 2020 program. On the 2nd members attended a Christmas lunch at the Streaky Bay Hotel where a choice of 2 mains and 2 desserts was served and in keeping with the current health regulations everyone was asked to sanitise hands and sign in. During the meal and lots of laughter the committee members kept the festive occasion rolling with music, raffle, song and the ever popular club bingo. Everyone went home with a prize.

The next two Wednesdays were bowls days. Both were well attended, 21 players on the 9 and 23 on the 16. Winners were:  
Dec, 9 - Bev W., Shirley, Roger, Maria.  
Dec.16- Marlene, Julie, Maria.

There must have been great concentration on that last day when over the entire 3 games only 3 penalties were recorded. The previous week there were 4x4's and 3x3's.

On December 16th twin cakes were cut for coming birthdays of Shirley Petty of the 25th and Jim Clarke on the 27th. who turned 96 years young. The last two December Wednesdays were listed as the customary two week holiday break so no bowls on the 23rd or 30th.

Re-opening day is January 6th 2021 and there will be indoor bowls played every Wednesday thereafter.

The social games comprising drawn teams are a fun way to benefit from a moderate level of exercise and after the second game you get to sit down in friendly company to enjoy the available cup of tea/coffee and plate of goodies.

## PROBUS

On Thursday December 17th almost forty members and friends enjoyed a delicious meal prepared for us by the staff at the Streaky Bay Community Hotel as they came together to catch up and wish one another all the best and safest Christmas season.

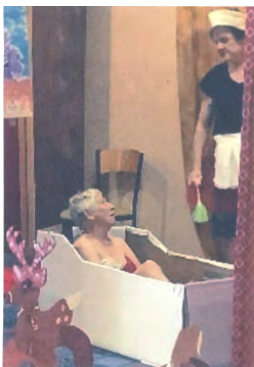

The entertainment committee has been busy installing Santa, a couple of his reindeers and a large toilet paper Christmas tree with the general feelings of the wider community about the type of year 2020 has been throughout the world.

Following the welcome from President Heather Carey, the actual entertainment program opened with a bright and enthusiastic rendition of the song 'Toilet Paper Crisis', in a appropriate costume followed by 'Jingle Bell Rock' and a short and funny skit about a car mishap.

After the main course a further funny skit was performed by Shirley, Sandy and Zita following their rendition of 'Christmas Where the Gum Trees Glow' and a special COVID 'Santa Wont be Coming to Town'. Everyone then joined in with the singing of 'O Come All Ye Faithful' and 'Joy to the World' before a hearty rendition of 'We Wish You a Ripper Christmas'.

After packing up there was still time for members to enjoy a leisurely coffee and spend a little more time together for probably the last time for 2020.

Our next meeting is scheduled for Thursday 21 January 2021. Happy New Year to all!

## MENS SHED

December was a busy month for the Men's Shed. The Men's shed would like to thank all those people that have supported us through 2020 by asking us to do work for them. As mentioned in the December edition we have now got a display in the craft shop.

The hobby horses we made have all sold and we had to make some more before we finished up on the 18th. We have also sold other items we have at the shop (see picture below).

Thanks to a kind donation of a bench seat from Gail Miller the shed has refurbished it, and it has been delivered to the Catholic Church in Streaky for people to sit on after attending church. Thanks must go to Jim Clarke for the effort he put into the painting and varnishing of the seat. We must also thank Peter Vowels for making some support bars for the seat.

On the 4th of December we had a visitor in Trevor Berry from Streaky Bay. Trevor Unfortunately lost his wife only a couple of weeks before this, and it was suggested to him to come along to the Men's Shed. Trevor gave us a run down on his life as a carer and also what he has done in the past. Our members made him feel as welcome as we could given the circumstances.

This is one example of Men's Sheds where you do not have to be making anything all the time, it can be just sit and listen to what people are going through.

We had our Xmas breakup on the 11th Dec. Our numbers were down a bit on what we were expecting, but those who attended had a good feed and plenty of laughs. Thanks to Jim Petty and Gavin Scantlebury for doing the cooking.

Thanks to our members we now have a wood free veranda. Most of our wood is now in the container. The shed was also lucky enough to have some wood given to us by the people doing the school renovations. This wood was taken back to our shed and with the help Jim Clarke, Harold Daniel and Owen Pritchard all the nails have been removed and the wood is now out of the weather and into the container. Thanks Jim Petty for getting most of it into the container.

# Stars Align for ArtsUp and Country Arts SA Media Release

Arts funding will give Streaky Bay some sparkle and much needed activity for artists of the Eyre Peninsula region thanks to Country Arts SA and volunteer grant writers of local active Community Group "Streaky Bay ArtsUp".

Over \$23,000 has been dedicated by Country Arts SA to go towards the "Stars Align" project in Streaky Bay. The project will see 7 South Australian artists work together to create artworks for use as part of the Streaky Bay Youth Precinct Development (Skate Park). The project is strongly supported by the District Council of Streaky Bay with all stakeholders excited about the projects outcome that will further enhance this valuable community asset.

Port Lincoln artist, Karen Carr, will reside on site whilst she chain-saw carves a fallen tree. Streaky Bay's Lauren Karp will work with renowned play-space artist Jason Balmer to make a dig pit that is inspired by our histories. Liz McTaggart, of Sceale Bay, will create a nautical inspired compass rose to be used as a feature for people to get their bearings within the town. Ruth Gregor will mentor Streaky Bay artist Susie Betts to create a limestone carving reflecting on Betts' recent worldwide fellowship study.

ArtsUp member and artist Lauren Karp stated the funding grant was a welcome surprise, and that the volunteers behind the project had been working towards securing artists and funding for almost a year. "The Stars Align project not simply provides work for established artists, but provides those emergent artists a boost to reach their dream trajectories and encourages others to see the value of arts in Streaky Bay," said Karp.

Arts tourism is a great economic driver, and when the project is complete and the site open to public, there will be a unique addition to the attractions for Streaky Bay residents and visitors to enjoy for many years. "It is wonderful to receive grant funding from County Arts SA and support from the District Council of Streaky Bay" said ArtsUp President and artist Liz McTaggart, "Practising and honing your skills to create interactive community involved art pieces is a wonderful opportunity and will enhance the landscape of Streaky Township".

With dates to be announced in early 2021, the injection of investment into artists of Eyre Peninsula will see some great opportunities for local people, with Gregor and Streaky Bay artist Abbey Dunbar offering limestone and wood carving workshops in the first half of the year. Karp also states "By securing funding for workshops, we are also encouraging people to up-skill, work with materials they perhaps have never dreamed of, and participate as changemakers in their own community."

For more information or media enquiries, please contact Streaky Bay ArtsUp on 0429978897.

## Santa Visits Streaky Bay

In December we had the pleasure of Santa visiting the Streaky Bay Visitor Centre. Santa had a very busy afternoon with 50 children happily telling him their wishes for Christmas. The children took home with them a lolly bag. This event was very well received by the community. Thank you very much to Santa and his helpers for coming all this way just before Christmas.
