Council News

DENTISTRY STUDENTS

Streaky Bay was delighted to roll out the welcome mat to a cohort of dentistry and oral health students from La Trobe University. The six students visited the region for two weeks as part of the Rural Areas Experiences Program, which was developed to provide students with insights into the rewards and challenges of delivering oral health services to regional Australia.

During their visit, the students got to spend time at both Streaky Bay and Wudinna dental clinics and participated in structured activities designed to help develop skills for living, working and integrating into rural areas.

The trip was facilitated by Jeanie Pty Ltd in partnership with the District Council of Streaky Bay and Angel Flight Australia. The District Council of Streaky Bay provided the venue for the group's sessions and assisted the group connect with local community groups. Whilst Angel Flight Australia flew the students directly into Streaky Bay, so they could spend a maximum amount of time in the area. The program aims to highlight the attraction of living and working in regional Australia and hopes to attract some of the visiting students to the region in the longer-term. This has been a success with four of the previous year's participants requesting to return to assist in delivering the School Dental Program this year.

In the mist of the busy trip, the students got a taste of the liveability of the region. Having gone to Baird Bay to swim with the dolphins and visited other popular recreation spots.

In addition to advertising the region to skilled workers as a viable location to deliver their skills, the visit also facilitated over \$15,000 in local spending.

In speaking about their experiences at Streaky Bay, Latrobe University student Denise Ignacio highlighted the impact the visit had on their future ambitions, stating "What surprised me the most was how welcoming and appreciative the locals are I consider working in a rural area to be a reality for me now. The rural areas experience helped me feel more prepared for the workforce because I know my value and the opportunities and the opportunities/resources available to me. A word to describe this Rural Areas Experience would be: lifechanging".

Council's CEO Damian Carter saw great value in the program, outlining "the key to attracting skilled workers to regional areas was demystifying what it is like working in regional Australia and highlighting to individuals the experiences which can only be obtained when you work in regional Australia. This program very much achieves this and, in the future, will be seen as the catalysis which attracted dentistry and oral health practitioners into the region".

LCRI FUNDING PROGRAM

At March's Ordinary Council meeting, Council had nominated its preferred projects to be delivered with its allocation of Local Roads and Community Infrastructure Program (LCRI) — Phase 3 funding. These projects being:

- Wirrulla Oval Playground Development (\$35,000)
- Delivery of the final stage of the Streaky Bay Youth Precinct Development (\$300,00)
- Development and installation of entry statements at both entrances into Streaky Bay (\$150,00)
- Design and facilitation of the Bay Road Entry Streetscape Revitalization Project (\$618,416)

The projects have been selected based on community feedback and population demographics, with Mayor Travis Barber outlining that "the landscape projects are evidence that Council has listened to the concerns of community about the entry ways into Streaky Bay looking tired and needing revitalisation. Interestingly, Streaky Bay is one of the only townships in the district that doesn't have entry statements, hence the need for this project. Nearly a quarter of Streaky Bay's population is aged between 0-19 years, hence there was a need to develop a precinct to provide a space and activities for the district's youth. The precinct will also provide additional activities for tourists visiting the region and in terms of precinct development this will be one of the most significant project Council has delivered in recent times".

The LCRI program is a Federal Government economic stimulus program which supports councils to deliver priority local road and community infrastructure projects across Australia. The aim of the program is to support job creation and develop the resilience of local economies to bounce back from the COVID-19 pandemic. In support of the program, Mayor Travis Barber said that the program has been instrumental in supporting Streaky Bay's local economy, whilst delivering key road and infrastructure projects. He thanked the Federal Government for their support and specifically thanked the Federal Member of Grey (Rowan Ramsey MP) for his advocacy for the region.

PERLUBIE BEACH

A rise in popularity in Perlubie Beach as one of Australia's premier on-beach camp sites is seeing it struggle under the weight of numbers staying at the location. This is leading to a rise in concerns about the damage to the beach's environment, public safety issues and equitable access for the community.

During the peak tourism season, the location can host anywhere from 80 to over 100 caravans/campers leading to numerous complaints regarding the damage these numbers are doing to the beach. These complaints cover a gamut of issues, including:

- Non-self-contained campers using the sand dunes as a toilet area, leading to them being littered with human faeces and toilet paper
- Campers filling up the carpark, leading to the beach access being blocked at night and leaving no areas for day-use visitors to park
- Vehicles speeding along the beach
- Erosion of the beach
- Damage to the habitat of the shore birds and other wildlife
- Reduction of access to the beach for local residents, including the occupying of day-use shelters by campers; this includes pulling down the signs highlighting the shelters are for day use only
- Campers staying at the beach area longer than the legal limit of 21 days

Being under the care and control of the South Australian State Government, Council is limited in what measures it can undertake to deal with these issues. Conversations have been ongoing with the State Government in terms of the handover of care and control of the beach to Council so it can be effectively manage the situation.

In terms of future management of Perlubie Beach, Council proposes the following:

- Introduction of a permit system for the beach, so Council can cap numbers at a sustainable level
- Limiting camping on the beach to self-contained campers only
- Introduction of speed limits on the beach
- Stopping campers from occupying the day use shelters
- Development of the carparking area to have defined carparks and camping spots
- Limiting the area along the beach allocated to campers so habitats of shore birds and other wildlife can be maintained

To this end, Council is keen to facilitate discussions with the new Labor State Government about expediting the handover of the care and control of the beach as the area is struggling under the weight of numbers. Mayor Barber in support of this, said "while we've enjoyed the exposure Perlubie Beach is giving the region. The growing popularity of the destination as a camp site is placing significant pressure on the beach and we've reaching a tipping point in terms of sustainability. Understanding that no one predicted the surge in popularity of the destination, this issue needs to be addressed now. This isn't a situation where Council is saying 'not our problem', this is a situation where Council is saying 'we have a solution, help us address the problem', with the solution involving expediting the care and control of the beach to Council so we have the localised resources on the ground to effectively manage the destination".

In terms of current use, Council is asking visitors to consider the beach and other users when coming to the region. Council's CEO Damian Carter said "we understand the attraction of Perlubie Beach as it's a much-loved beach to our community as well. However, you need to consider others and your overall footprint on the beach".

Part of these considerations include:

- Not camping on the beach if you aren't self-contained
- Limiting your stay to a few nights and moving on to other camp sites across the region
- Leaving space in the carpark for day-use visitors to park
- Using the awning/annexure on your caravan or camper and leaving the shelters for families visiting the beach for the day
- Being mindful that the beach is also a habitat of the shore birds and other wildlife and don't journey too far down the beach to camp
- Taking your rubbish with you
- Be mindful of individuals using the beach when driving up and down it
- Ensure your dogs are under effective control and kept away from the sand dunes and shore bird nests

Council News Cont'd

FROM THE CEO'S DESK

We have had a couple of incidents relating to dogs which were off the leash and through my own personal dealings, I've noticed that there is a lack of understanding amongst some of the community about having a dog off the leash and still being required to maintain effective control over the dog.

Even though you may be walking your dog in an "off the leash" area, you still need to maintain effective control of that dog. This means that the owner/person responsible for the dog can voice control their dog in a manner that ensures the dog will obey. The dog needs to remain in close proximity and in sight of the owner/person responsible, at all times. When the dog is called (one call only), the dog should immediately respond and return to its owner/person responsible. The owner/person responsible should be able to display control over the dog with verbal commands only (not physically holding the dog). If you are unable to achieve this, your dog isn't under effective control and your dog will need to be on a leash regardless of which area you are at.

An excuse often used by owner/ person responsible when their dog hasn't been under effective control is "they just wanted to say hello". Such a response lacks insight, as other individuals and/or their dog may not want to say hello back. Additionally, if a dog is running towards an individual, that individual not being familiar with the animal won't know whether they are being friendly. As a rule of thumb in an off the leash area, if another dog is on a leash or walking to heel, you shouldn't let your dog approach that dog unless you have asked the owner for permission and the same rule applies to individuals walking in the same area without a dog.

Although, this can be enforced through the issuing of an expiation notice. I would like to think as a respectful community member, individuals would ensure their dog isn't annoying others wanting to enjoy the use of the same public spaces and pathways.

STREAKY BAY TRANSFER STATION

Easter Holiday break opening times

Thursday 14 April
OPEN from 9.00am – 12.00noon

Good Friday 15 April – CLOSED

Easter Saturday 16 April – CLOSED

Easter Sunday 17 April – CLOSED

FIRE PREVENTION

Due to recent rain events in the district, Council wishes to remind landowners of the importance to maintain your properties throughout the fire danger season.

Fire danger season normally finishes 15th of April each year.

Contact Council if you require further information on (08) 86261 001

WIRRULLA CAMPGROUND LEASE AGREEMENT

PUBLIC CONSULTATION

In accordance with Section 202 of the *Local Government Act 1999* a Council may grant a lease or licence over community land (including community land that is, or forms part of, a park or reserve).

In accordance with Section 202(2) before the Council grants a lease or licence relating to community land, it must undertake public consultation.

Therefore, Council is seeking feedback from the Community regarding the establishment of a five (5) year lease with the Wirrulla Progress Association to undertake the management of the Wirrulla Campground. The area marked in red below is the proposed lease area.

All enquiries regarding the proposed lease are to be directed to Sandra Brice (Manager, Business and Administration) by phoning 08 86261001 or email bricesandra@streakybay.sa.gov.au. Feedback closes Friday, 29 April, 2022, 5.00pm.

Community Grants

COMMUNITY

Streaky Bay Community Hotels Ltd Grants 2022/2023

Requests for funding from Community Groups & Organisations for the 2022/2023 Financial Year are now being accepted.

Application forms are available from the Streaky Bay Hotel reception office Monday to Friday between 9am-5pm. Only one application will be accepted per group/organisation.

Applications close **Friday 27th May 2022**

Please post your application to:

Sapowernetworks.com.au/communitygrants

Grassroots Grants program 2022/23

Northern and Yorke's 2022/23 program is now open and closes at 5pm on 9 May 2022, with projects to be completed by 30 June 2023. Funding is available for projects valued greater than \$1,000 and up to \$10,000 (+GST) for the 2022-23 financial year, with a total of \$200,000 available

[Landscape South Australia - Northern and Yorke | Grants and funding](#)

Bite-sized Grants

Funding of between \$200 and \$1000 is available for community groups and not-for-profit organisations for small, short-term projects.

The program is funded through the Northern and Yorke Landscape Board to deliver positive environmental and landscape management outcomes, such as garden development, weed control and revegetation projects. For further information visit:

<https://www.landscape.sa.gov.au/ny/get-involved/grants-and-funding>

Coastal Community Participation Grants

Funding is available for community groups in partnership with coastal councils to undertake small scale, on-ground coastal management activities.

Applicants can apply for up to \$10,000 per project, and must contribute to a minimum of 20% of the total project cost through cash or in-kind support. Coastal protections board grants cannot exceed 80% of the total project cost.

Applications close 16 May 2022. For more visit :
www.environment.sa.gov.au

Regional Event Fund

The Regional Event Fund is designed to strengthen the state's regional events calendar and drive economic stimulus across the regions beyond the traditionally peak summer tourism period. The South Australian Government recognises the huge impact that COVID-19 has had on the events sector in South Australia.

There are four categories in the Regional Event Fund:

- Significant Event Funding
- Established Event Funding
- Development Event Funding
- Emerging Event Funding

Applicants can seek funding from \$5,000 to more than \$50,000 (excluding GST).

The 2022/23 Regional Event Fund will support events held between 1 September 2022 and 30 August 2023. Applications for Round 1 of the Regional Event Fund will close on Friday, 22 April 2022 at 5:00pm. For applications and eligibility criteria visit:

<https://tourism.sa.gov.au/support/regional-event-fund>

Community Grants

Major Events Support Grant

A Major Events Support Grant of up to \$25,000 is available for the operators of major one-off events impacted by the health-related trading restrictions. These include major public events in South Australia, organisations will need to provide proof of non-recoverable financial loss - this grant is not industry specific.

To be eligible for the grant a business must:

- have a valid and active ABN (Australian Business Number) and be registered for the GST.
- have an Australia-wide payroll of less than \$10 million in the 2019-20 or 2020-21 financial year.
- employ people in South Australia.
- be the organiser/operator of an event scheduled over the period from 27 December 2021 and 31 March 2022, which was required to be cancelled/postponed.
- the event was a one-off event with an approved COVID Management Plan or COVID Safe Plan catering for an event of over 1,000 combined capacity in one or across multiple locations.
- entities with an on-going COVID-19 Management/Safe Plan for regularly scheduled events are not eligible.
- have incurred a non-recoverable financial loss as a result of the cancellation or postponement of the event.

To receive the full \$25,000 grant, organisers must have experienced a non-recoverable loss that was greater than \$25,000.

For further information visit:

<https://www.treasury.sa.gov.au/Growing-South-Australia/COVID-19/january-2022/major-events-support-grant>

Applications close on 30 April 2022

Nature-based Tourism Co-investment Fund

The South Australian Government is continuing to actively explore new partnerships to expand our range of nature-based tourism offerings to help position South Australia as a world-class eco-tourism destination. The Nature-based Tourism Co-investment Fund will be open until June 2022 (or until the fund is exhausted).

Applicants can seek grants from \$20,000 to \$1 million and are expected to contribute at least half of the total financial costs of their project. Closes June 2022. For further information visit: [Nature-based... - National Parks and Wildlife Service South Australia](#)

Circular Economy Market Development Grants

Circular Economy Market Development Grants provide South Australian businesses with funding to assist projects targeting recycled materials and/or recycled content products. The program supports projects targeting one or more priority waste materials including plastics, paper and cardboard, glass, scrap metals, textiles, e-waste and tyres. Funding of up to \$100,000 is available.

To be eligible you must be a:

- local council
- not-for-profit organisation
- research institute
- business

For further information visit:

<https://business.gov.au/grants-and-programs/Circular-Economy-Market-Development-Grants-SA>

SPORT, RECREATION & HEALTH, YOUTH

Office for Sport and Rec Partnerships Program

Eligible organisations can now apply for funding through the Partnerships Program. The grant program responds to the priorities highlighted within the Game On: Getting South Australia moving initiative, a forward looking agenda which aims to get South Australians more active, more often and enjoying the many social, health and lifestyle benefits sport and recreation provide.

This grant program will create opportunities for collaboration between sport and recreation stakeholders, government and non-government bodies, and the for-profit and not-for-profit sector to build a more active state.

Partnership projects that address any of the following Game On opportunities are encouraged to apply:

- Making lifelong physical activity an easy non-negotiable social norm.
- Supporting growth in active transport.
- Encouraging active young people.
- Providing affordable sport and recreation opportunities for all.
- Supporting a sustainable sport and recreation sector.
- Facilitating more and better trained volunteers.

Applications close midday on Wednesday 13 April 2022.

Community Grants

Ski for Life Mental Wellbeing & Suicide Prevention Grants

We give out a series of grants every year to organisations wanting to do their part towards raising awareness for mental wellbeing and suicide prevention. If your organisation is looking into a project that aligns with the Ski for Life mission " For further information visit: <https://www.skiforlife.com.au/grants>

Woolworths You Grow Girl Grants

Woolworths want to support netball clubs and associations across the nation by offering 125 x \$2,000 grants to netball clubs and associations who continue to seek funding to assist with developments / improvements to their community. For more visit: <https://yougrowgirl.netball.com.au/grants/>

\$100 Sports Vouchers Program

The program is open for parents and carers who are now able to claim \$100 sport vouchers for their primary school aged children (from Reception to Year 7), to use towards the cost of sport or dance club fees or memberships.

The Rural and Regional Enterprise Scholarships (RRES) program

The Rural and Regional Enterprise Scholarships (RRES) program was announced in 2016 as part of the Australian Government's election commitment to improve access, educational opportunities and attainment for regional and remote Australians by supporting undergraduate, postgraduate and vocational education and training students from Certificate IV to PhD level. Scholarships support flexible study arrangements, and are available to eligible students:

- commencing a new course of study in 2021
- studying on campus, online or via distance education
- studying from six months full-time up to eight years part-time
- Eligible students may receive up to \$18,000 each (e.g. for a full-time, four-year qualification). Shorter, part-time qualifications are paid on a pro rata basis. An extra \$500 is also available to support an internship. Note: If you are a school leaver relocating from an outer regional or remote area to study, you may also be eligible for the Tertiary Access Payment.

Round 6 of the RRES program for students commencing study in 2022 will open in early 2022. For more: <https://www.qtac.edu.au/rres-program>

Cricket Australia – Female Participation

CommBank's investment in Cricket Australia's Growing Cricket for Girls Fund is supporting this growth, nurturing the current and future generations of players at community clubs across the country. For more: <https://www.cricketaustralia.com.au/about/diversity-and-inclusion/female-participation>

Assistance for businesses employing young people

YOUTH JOBS PATH (Prepare – Trial – Hire) provides funding to trial a young person aged between 17 - 24 to find out if they're the right fit for your business. If the trial is a success and you hire the young person, you may be eligible for further funding. Grant funding available of up to \$10,000 for Australian businesses. For further information visit: <https://business.gov.au/grants-and-programs/Youth-Jobs-PaTH>

BUSINESS

Women's Leadership and Development Program: Lead and Succeed

The Women's Leadership and Development Program (WLDP) Lead and Succeed grant opportunity supports projects that improve outcomes for women in Australia in 3 key priority areas: women's workforce participation; women's leadership; and women's safety. Applications close at 9:00 pm AEST on 21 April 2022.

Opening our Great Outdoors Fund

A \$10m pool to support economic generating regional tourism initiatives:

Stream 1 – Regional Tourism projects: to enhance investments in nature-based, farm-based, rangelands and fishing-based tourism opportunities, and invest in public infrastructure, that supports and encourages South Australians to travel to regional areas, connect with agriculture and enjoy our regions, parks, rangelands, reservoirs, waterways and marine environment.

Stream 2 – Regional Accommodation projects: support and stimulate private sector investment in new or improved regional accommodation supporting quality tourism products and experiences. Applications close 30 June 2023 or when funding has been exhausted.

Visit :

https://www.pir.sa.gov.au/grants_and_assistance/opening_our_great_outdoors_fund

Community Grants

ARTS & CULTURE

Arts Sustainability Fund

The Arts Sustainability Fund supports the arts and entertainment sector to continue its activities by providing necessary finance to plan a pathway for recovery from the effects of COVID-19. Funding will support employment and contribute to rebuilding Australia's economy, as well as enhancing community wellbeing and access to cultural experiences across Australia.

Applications close 31 May 2022 or until all funds are allocated, whichever is sooner.

For further information visit:
<https://www.arts.gov.au/funding-and-support/arts-sustainability-fund>

TRAINING

Australian Maritime & fisheries Academy

Port Lincoln campus of The Australian Maritime and Fisheries are taking bookings for our upcoming courses:

- Master up to 24 metres Near Coastal (MAR30921) (27 April – 13 May 2022)
- Shipboard Safety Skill Set (MARSS00008) (16 May 2022)
- LROCP - Marine Radio (MARSS00010) (26 April 2022)

Marine Operators VHF and HF Skill Set
 Package price available;

Community News

STREAKY BAY MENS SHED

It has been all go at the Men's Shed with many projects being worked on or completed.

The miners lounge is finished all but the staining. Thanks to John O'Brien and Jim Petty for the work they have done on this. Also thanks to John Wilson for his help with welding some metal bolts together for it. (see picture below)

We have refurbished a bench seat with painted ends and redone the slats. (See picture below)

Bruce Hein has been busy painting some of the hobby horses ready for the craft shop. (see picture below)

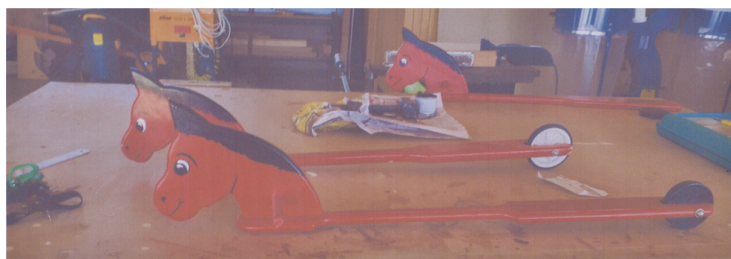

Jim Petty and John O'Brien have also been busy making some small push carts ready for the craft shop.

We have been lucky to have a school student in Corey Van Gelder come and help out. Corey has made some pot plant holders using our metal craft tooling. He has used this equipment at school so did not have to be shown much. Well done Corey. Thanks also to Mischa Karp for organising Corey and his brother Cody.

Malcolm Brace has now completed 4 more bird nesting boxes.

We have sanded back and painted 4 drums for a customer. Thanks to Owen Pritchard for sanding back and for Bruce Hein for painting these.

Thanks once again must go to Grant Longbottom for his kind donation of some more timber and metal. Thanks Grant.

STREAKY BAY INDOOR BOWLS

Streaky Bay Indoor Bowls Club members were saddened to learn of the sudden passing of member Alan Lange.

Alan will be remembered as a capable bowler, for his untiring support of the club and as a member always willing to help when and where needed.

During the past 4 weeks the club has recorded some outstanding figures.

Visitors have been many - 5 and plus 1 non-player on 2/3 alone.

Prevalent also have been 3 game winners - on 2/3 and 2/3 more than 1 team finished with 3 games won. Each week bowlers are drawn to play in different teams, scores are recorded on a large blackboard which includes a penalty section. Ideally this line should remain blank throughout the day but seldom does.

One such day was March 2 when 7 of the 9 penalty scores given over the 3 games were attributed to skippers sending the kitty off the mat. Each time meant 4 shots to the opposition. No doubt all the penalised bowls were accurately delivered but the result was not as desired.

March has been a big month for celebrations with birthdays for members Denise 2/3, Owen 4/3, Bev W 7/3, Jim P 7/3, Gay 8/3, Don 25/3.

Wednesday May 4 is the date of the club AGM at 12.30pm.

Winning teams were =

March 2 = Gay, Jim C., Barb (visitor)

March 9 = Connie, Jim C., Denise, Barb (visitor)

March 16 = Darryl, Shirley, Don, Marlene

March 23 = Julie, Jim P., Roz

Alan Lange

Community News

SOUTH AUSTRALIAN COUNTRY WOMENS ASS INC

Streaky Bay Branch

Half our members attended our March meeting, the others managing ill health, family commitments or prancing around in Adelaide enjoying the arts & music festivals, etc that are on offer in March. A roll call of an unusual pet's name proved interesting especially with the reasoning behind the name, creating some laughs. Of course, our pets primarily consisted of the loyal pooch and the self-loving puss. Again, without fail, members brought their seasonal single or multiple floral bloom for display throughout the meeting.

Exciting news for our branch is that we recently were successful with a social investment (community) grant from Iluka Resources Ltd for a special purpose mobile storage and fundraising trailer. With limited space size for our large fundraising and branch equipment, the limited physical ability of members being able to handle/manoeuvre bulky equipment and items stored at various locations, this trailer will be a very welcome asset in supporting ongoing branch existence, positive member development and ongoing community involvement. Our new toy is now being manufactured! So exciting, did we mention that!!!

We will have a fundraising stall on Friday 22/4/2022 from 9am – 1pm at the Post Office carpark. Come along to buy that yummy baked food and/or handmade craft piece. Help support us to help support the community.

Enjoy your upcoming Easter festivities, chocolate eggs and long weekend fun times. Always think smart and be safe on the roads. Happy Easter everyone!

New members and non-members always welcome.
Sharon 0400 622 278, Alison 0417 854 883

STREAKY BAY RSL

The RSL Hall in Streaky Bay is 66 years old and has served its former and current members and the community very well over that period of time.

The SACWA Ladies who have shared the Hall with us over that timeframe correctly identified that their amenities which also have disabled wheelchair access needed an upgrade and refitting.

Once again community spirit and generosity in the form of donated time and materials got the job completed with a minimum amount of cost and fuss.

Sincere appreciation and thanks go to Hugo and Monique Necic from Tiling by Hugo and Handmade Catering for supplying the new floor and wall tiles free of charge.

John Reade from JFR Plumbing and Coran Hackett did the grunt work ripping up the old tiles and re-laying the new ones and installing new fixtures and fittings and finally to the SACWA ladies who supplied a new air hand dryer.

Well done everyone.

Mick Stewart
Secretary
Streaky Bay RSL

ANZAC DAY 2022

With the anticipated easing of COVID restrictions and on the advice received from RSL headquarters in Adelaide it is proposed that ANZAC Day commemorations recommence as per normal within the limitations of the government's directions re COVID 19 on this day.

Streaky Bay RSL (sub branch) will be holding a Dawn and a Service of Remembrance with both events to be held at the RSL Hall.

The Dawn Service will commence at 6.45 am.

The ANZAC Day March will begin at 10.45 on the corner of Wells Street and Bay Road followed by the Remembrance service at the RSL Hall at 11.00am

After the ceremonies the RSL Hall will be open with Bar facilities and a BBQ lunch available and games in the afternoon.

Mick Stewart
Secretary
Streaky Bay RSL

ALL WELCOME

ANGLICAN CHURCH

The Gospel: A Message of real Hope

Our world could use some good news, could it not? I suspect for most people their hope is that we will eventually “weather this storm” and things will slowly get better, ..., back to normal! But that doesn't seem to be happening. Does it? Unfortunately, the human race is unaware and blind to the direction in which it is going.

There is I think a real sense of hopelessness because expectations are not being met. God did not create humanity to live in a hopeless world. Rather, He created humans to live and have a relationship with Him.

Humankind in general now lives life without the knowledge of its intended purpose. Jesus Christ came to the earth with a message. It was a message of hope, as a witness against the cause of humanities hopelessness. It was a message filled with expectations that could only be realised through the life of the One who brought the message – Christ himself. St Paul, passed on the “good news” of the Gospel in very simple terms when writing to the church in Corinth:

“Now I would remind you, brothers, of the gospel I preached to you, which you received, in which you stand, and by which you are being saved, if you hold fast to the word I preached to you – unless you believed in vain. For I deliver to you as of first importance what I also received: that Christ died for our sins in accordance with the Scriptures, that He was buried, that He was raised on the third day in accordance with the Scriptures, and that He appeared to Cephas, then to the twelve. Then He appeared to more than five hundred brothers at one time, most of whom are still alive, though some have fallen asleep” (1 Cor. 15:1-6,).

This gospel message that Christ brought to humanity – the gospel of God – is a message of hope. It demonstrates God's great love and desire for His creation. God desires a relationship with all of humanity whom He created in His image.

STREAKY BAY PROBUS

Probus Streaky Bay held their Annual General Meeting on the 17th March.

This was well attended with 18 members present.

The elected committee members for the 2022/2023 term were as follows.

President....Peter Elyward
Vice President....Shirley Petty
Secretary....Wayne Miller
Treasurer....Coralie Walker

Three others were welcomed onto the committee. These were Mary Cash, Marlene Ettridge and Zita Chester.

Our guest speaker for the day was Bev O'Brien who spoke on her days as a marching girl. (See Pic below).

A very enjoyable presentation. Thanks Bev.

In March Streaky Bay had 6 dental students visit from La Trobe University in Melbourne.

Three of these students met with Zita Chester, Jan/Terry Patterson and Wayne Miller from Probus and the other three met with ladies from the Dragon Boat Club to hear what it is like living in a remote location and what effect this has on Oral health and general health. This session was one on one. It was on the 3rd of March.

The 6 students then returned on the 9th March and gave a presentation at the Hotel. This was open to the community and it was good to see more Probus members there. In all I think we all came away with some idea's on dental health. (See pic below) The names of the students from left to right are Sara, Jobeline, Denise, Belle, Beth, Nital.

There will be another visit by another group of students in May. So if you missed the first one try to get to the next one.

Thanks must go to Lyn Carman, Lindi Duncan and Dr Cindy Dennis from Jeanie Global for organising this. We look forward to working with you during the next visit.

A big thankyou must go to Angel Flight for getting the students to Streaky and back to Adelaide Airport.

Just a reminder that our next meeting will be on the 21st April.

Please contact the library to confirm current services and opening hours, as changes may occur due to COVID19.

September 10th - GRAND FINAL @ Penong

Adelaide Thunderbird Netball Academy

On Saturday February 26th girls from all over the state came together in Adelaide to trial for the “Adelaide thunderbirds Netball Academy” a new programme to replace the existing 10 academy’s across the state. There were 247 girls aged between 13 and 16 hoping to make the cut of just 80 girls. Saturday was a solid 4 hours of netball games, with the group being cut to around 120 for the second day of trials on the Sunday.

Sunday was again a big day of netball with tough competition.

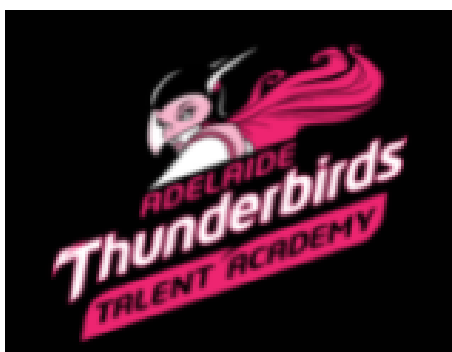

Our very own Chloe Evans was one of the very talented 80 girls to be selected to participate in the thunderbirds Academy this year. Chloe will have trainings in both Whyalla and Adelaide throughout the year, attending the Whyalla trainings as the group Mentor will be Hannah Petty current Thunderbirds captain and from Wudinna.

Chloe was a part of the Eyre Academy last year, was a player in the Junior A grand Final, B Grade Grand Final and played A grade throughout the year. She also came away with the Association Junior A best and fairest for the 2021 season.

After a successful year in 2021 we are looking forward to seeing Chloe develop and grow even further this year, she will be a huge asset to the A grade team for the Hawks. Her strong body, ability to not only read the play but create play along with her incredible work ethic, accurate shooting, and outstanding attitude she will be a huge asset to the team this season.

The Thunderbirds Academy is a huge achievement and commitment from Chloe and her family which will include lots of travel. I feel as though this is only the beginning for this young very talented player.

We wish Chloe all the best and we are all very excited to watch her play throughout the season.

SACA hosts annual Community Awards Breakfast

Celebrations for SACA’s historic 150th anniversary hosted at Adelaide Oval

A huge congratulations to Ian Kenny on winning Community Coach of the year representing Streaky Bay Cricket Club.

Ian and Suzie were awarded a life membership within the Streaky Bay Club for their ongoing support and commitment. Ian thoroughly enjoys coaching the children, watching their skills develop, and sharing a passion for the game.

He thanked the club for the opportunity and looks forward to following their careers beyond juniors and hopes they continue to play.

He also acknowledged many of his fellow cricketers and parents for not only the nomination but their tireless efforts to ensure the children continue to have the support of such a great club.

Ian has also now been nominated and is in the top two finalists for the National Award.

L-R Howard Feltus & Ian Kenny

GREAT WHITE KAOLIN PROJECT

Andromeda is developing the Great White Kaolin Project, located 15km southwest of Poochera. The mining operation to extract and refine bright white halloysite-kaolin clay is expected to create up to 75 direct jobs and add a significant economic boost to the region over a 26-year Life of Mine.

Mining tenements for the Great White Kaolin Project were granted on 17 December 2021. These include Mining Lease (ML) 6532 over the Great White Deposit and Miscellaneous Purposes Licence (MPL) 163 for a water pipeline supporting operations and MPL 164 for an access road from Poochera – Port Kenny Road to the ML.

Andromeda's focus is now on the second stage of approvals under the South Australian mining tenement system, the preparation of the Program for Environmental Protection and Rehabilitation (PEPR). In compiling the information for the PEPR, Andromeda will explain its operational plan for the Project. Andromeda will also show how compliance with the outcome criteria specified with the grant of the mining tenements will be achieved and measured.

As part of informing and listening to the community, Andromeda will hold Community Drop-in Days at Poochera and Streaky Bay. The aim of the events is to consult with the community on the methods and practices it will include in its PEPR submission.

The community is invited to come along and learn about and discuss the proposed compliance methods, as well as employment and business opportunities with members of the Andromeda Project Team.

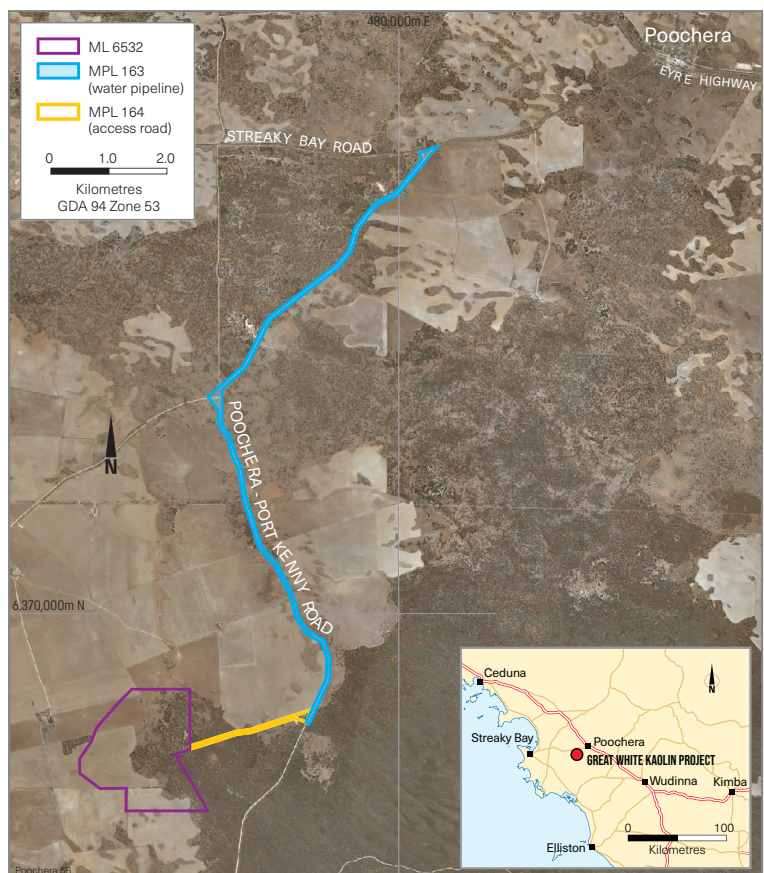

Information to be displayed at the Community Drop-in Days will also be sent to Andromeda's community email list ahead of the April Drop-in Days and subsequently available on Andromeda's website, where community members can provide feedback on the proposed compliance methods:
www.andromet.com.au

Join the community, careers and supplier email lists by visiting
www.andromet.com.au/contact-us/

The Community Drop-in Days are to be held:

**Poochera Sports Complex
on 5th April 2022 11am – 6pm**

**Institute Hall (Supper Room) Streaky Bay
on 6th April 2022 11am – 6pm.**

Great White Kaolin Project location.

Streaky Surf X Drawn 2 Water

Streaky Surf & Drawn 2 Water invite you to join our free 2 hour surf survival session.

Growing up on the coast of NSW, Michael - founder of Drawn 2 Water, has spent a great amount of time in the water. With a passion for anything ocean related - surfing, fishing, diving, etc, Michael has gained plenty of knowledge in how to control the mind and breath underwater. Michael has been teaching surf survival sessions full time for over a year now, showing ocean lovers how to be more confident in the water.

The surf survival session is a fun indoor theory session for anybody who loves the water. During the session you will learn mental and physical techniques to calm your mind in any stressful situations, breathing techniques to improve your breath hold, safety procedures that can save lives, and so much more.

Tuesday 12th of April
6pm - 8pm
location TBC

To book your spot call:

EYREWOOLF
HOMESTEAD

Flinders Island, South Australia

RECONNECT WITH NATURE

Eyrewoolf Homestead is a secluded island retreat located 35km south west of Elliston in the Investigator Group of islands. Welcoming just one group of guests at a time offers a chance to exclusively live and feel the freedom of the island lifestyle.

Explore 50kms of secluded coastline, from the rugged and windswept to the protected white sandy beaches. Surf, snorkel and dive the crystal clear waters right in the main homestead bay. Watch wildlife at play, and experience nature at its purest.

ARRIVE

Travel is part of the experience and guests will be treated to spectacular views of the rugged coastline toward Topgallant Isles and playful wildlife on route to Flinders Island, either by fast landing craft or aircraft. Alternatively bring your own boat for safe mooring, or self fly. Airstrip conveniently located at the homestead.

Our waterfront accommodation sleeps up to 12 guests. See the website for more details, including travel options, accommodation layout, meal packages and experiences.

DISCOVER OUR ISLAND

Lets talk! Contact us for more information, or book your getaway online via the website.

The notice on the cross above Jesus read
This is the king of the Jews

One of the criminals hanging alongside in his
Mocking of Jesus said,
“Aren’t you the Christ? Save yourself and us.”

The other criminal rebuked him and said,
“Don’t you fear God?”
We are punished justly (for our wrongdoing).
But this man has done nothing wrong.
Jesus, remember me when
you come into your kingdom.”

Jesus answered,
“Today you will be with me in paradise.”

**Why did Jesus offer this criminal
assurance of his salvation?**

This criminal recognised God as supreme.
He admitted to his sins.
He testified of Jesus innocence.
He understood the soul lives on after the death of the
body and Christ had the right to rule over him.
He sought mercy, understanding his only hope was
divine grace.
