STREAKY BAY COMEDY ROADTRIP SHOW

On Friday, 17th January, the Streaky Bay Institute Hall was packed with 122 people for a night of non-stop laughter, as comedians Kel Balnaves and Amy Hetherington brought their Comedy Roadtrip show to town. The crowd was in stitches from start to finish as the two comedians delivered hilarious stories and sharp observations.

Kel's quick wit and Amy's energetic storytelling had everyone laughing, with their playful banter and local references making the show even more enjoyable. The Streaky Bay audience was clearly loving every moment, and the energy in the room was amazing.

The show was part of Kel and Amy's nationwide roadtrip, which will take them across the Nullarbor Plain and onto Western Australia next. After their successful Streaky Bay stop, they'll continue bringing their comedy to regional towns across the country.

NATHAN WHIPPY GRIGGS

On Wednesday, January 15th, Nathan "Whippy" Griggs made a special stop in Streaky Bay as part of his Australia-wide tour, offering a free whip-cracking show that wowed the crowd. As Australia's number one whip-cracking entertainer and a five-time Guinness World Record holder, Nathan is a true master of his craft. His performance demonstrated not only his incredible skills but also his unique style of Aussie humour, making for an unforgettable experience.

Nathan, based in Mataranka, NT, has spent years perfecting his whip-cracking and whip-making expertise. A professional entertainer and artisan whip maker, his whips are highly sought after around the globe, as is his captivating show. Over the past decade, Nathan has toured extensively, bringing his passion for rural Australia to hundreds of towns, entertaining thousands with his evolving talent.

A big thank you to the Streaky Bay Distillers and The Sweet Tooth Van (Terrace 24 Pizza) for joining in the celebration and adding to the event's success.

NATHAN WHIPPY GRIGGS CONTINUED...

It was a fantastic turnout, and the event was a wonderful showcase of Nathan's incredible skills, as well as a great night for the community and visitors!

THE RUMBLE ROADSHOW

On Monday, January 13th, the Rumble Roadshow came to Streaky Bay, bringing professional skateboarding to our Youth Precinct for an unforgettable day!

The event featured pro skate demos, hands-on skateboarding clinics, autograph sessions, giveaways, and an exciting Best Trick Jam. Over 50 local kids got involved, learning new tricks and showing off their skills in a high-energy environment.

It was amazing to see so many young people come together, eager to learn from the pros and have fun on their boards. A big thanks to Clint and his team for bringing the Rumble Roadshow to Streaky Bay and making it a huge success!

BOWLS CLUB

Streaky Bay Bowls Club Fund Raiser for Hospital and Elmhaven

Forty eight bowlers teamed up to play 2 games of fours for the annual Elmhaven and Hospital bowls night. West Coast Welding have been generous sponsors for this fundraiser over many years. Thanks Jason, Lisa & Jake McEvoy for your continued support of this event.

A sausage sizzle and bar refreshments were enjoyed during the break. There was a lot of frivolity about who was going to beat who in the second game to become outright winners.

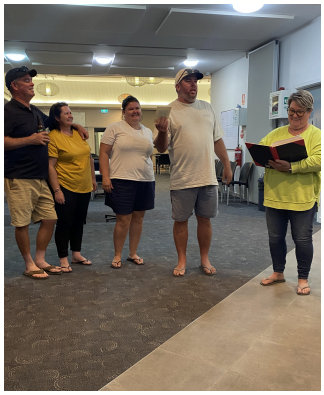

Presidents Sue Montgomerie and Al Tivy presented a cheque for $1,750 to the Streaky Bay Hospital Auxiliary executive, Josie Williams and Kerry Johnson. The money has been earmarked to purchase a Coagu Chek XS Kit Blood thickness monitor.

Winners for the night: Nev & Karen Trezona, Helen Flanigan and Jenny Veater. 1st prize received $60 and they donated their winnings back.
Runners up: Nathan Johnson, Sally Trezona, Dan & Jodie Gazolla. Their $40 winnings were also donated back.

Meat trays were raffled at the conclusion of the evening. Thanks to all the members for helping out for this event.

Winning Fours team
L-R Helen Flanigan, Jenny Veater, Karen Trezona, with President's Sue Montgomerie & Al Tivey
Back Row Nev Trezona

Runners Up
L-R Dan & Jodie Gazolla, Sally Trrezona, Nathan Johnson with Sue Montgomerie

On the green

L-R Josie Williams & Kerry Johnson from Streaky Bay Hospital Auxiliary and Sue Montgomerie President Streaky Bay Women's bowling club.

INDOOR BOWLS

The S.B.I.B.C.re-opened for social bowls play on January 15th following the customary recess over Christmas-New Year holidays. The club has been happy to welcome visitors to enjoy the friendship, the chatter and the laughter, all mixed in with the bowling activities. Often a door prize is in the mix and always there are prizes for the card and spot-under-the plate.

There has been some brilliant bowling to start the 2025 year—perhaps the couple of weeks lay-off revitalised everyone. On three consecutive weeks a drawn game was noted on the score board. Penalties have varied, 10 on 15/1, only 6 on 22/1 but 11 on 29/1.

On 29/1 a special cake was presented to celebrate the birthday on 27/1 of member Connie Robinson. In March several members will be celebrating birthdays. Any in February?

Winning teams were=
Jan.15 = Bev W., Sandie, Denise
Jan. 22= Roger, Lena(visitor), Julie
Jan.29= Julie, Geoff, Raylene

Connie's birthday.

JIM CLARKE 100TH BIRTHDAY

I would sincerely like to thank my family friends and the wonderful community for a wonderful day celebrating my hundredth birthday. It was a day I will never forget to everyone that sent messages, phone calls, cards a very big thank you.

Thanks to Penny and Tony Hogan of the Streaky Bay Community for making my day special. Special thanks to all my family and friends who travelled to make my day a day I will never forget To everyone at Elm haven thank you for the care i have had over the past 2 years. I am so grateful.

Thank you to each and every one that came to help me celebrate my 100th. We do live in an amazing community.

Thank you,
Jim Clarke

Community News

MENS SHED

The first day back at the shed was on the 16th of January where our numbers were down to what they usually are, but we managed to get some work done.

The next week the 23rd saw more people there and enough work to keep us busy.

As part of his 100 birthday AMSA (Australian Men's Shed Assoc) gave Jim Clarke a present with a tee shirt in it. Jim proudly wears it every Friday to the shed. Jim told us it is the first time in his life he has worn a tee shirt. (see pic below)

Jim Petty has been busy making a wooden dog, that has come up well. (see pic below)

We have been given a miner's lounge to tidy up which is work in progress thanks to John Lelifeld and Mick Le Cerf for taking this job on. We believe there is another one on its way to be done up.

The outdoor tables and chairs that the council dropped off has been worked on thanks to Sandy Johnson, Jim Clarke, James Cash and Rob Fiebig for rubbing back and staining them.

The shed has been approached to do a BBQ for SA Water who will be in Streaky Bay and districts conducting information sessions. The BBQ will be held on the Jetty Platform on the 26th of February at 5.30/6.00pm.

We have been given some decent wood thanks to Nathan Woolford and Paul Tillett (floorboards). Nathan has also given us some tools. Thanks to James Cash for helping Paul in getting the boards to the shed.

Paul Kristensen has donated surplus screws, nails and various other bits and pieces.

Jim Petty dropped off some more old reading glasses to the place that recycles them. If you have any old reading glasses at home and are not needed, they can be dropped off at the mens's shed on Fridays.

PROBUS

Happy New Year

Our first meeting for the year was held on the 23rd January, 21 attended.

We were lucky enough to have two guest speakers this month, our member (Dilys)sister visiting from Jindabyne. Marian Robert's is a Auslan interpreter for the deaf. She demonstrated many signs and answered lots of questions. She has also always been a keen skier until she injured her ankle, and had to retire.

Then Cliff Pudney spoke about his life history before moving to Streaky Bay 14 years ago. He had various jobs in different states, to going to Uni at age 28 where he became an accountant. He and Pam travelled Europe, before establishing his own accounting firm in Buderim Qld. Both were such interesting speakers.

Our Happy Chat morning was themed 'Australia Day'. A few people dressed up in 'Ozzie clobber' and we had a fun quiz.

We Welcomed a new member, Wendy Francis.

FLOW MEDIA UPDATE

99.3 Flow FM – Streaky Bay Gets Radio Upgrade

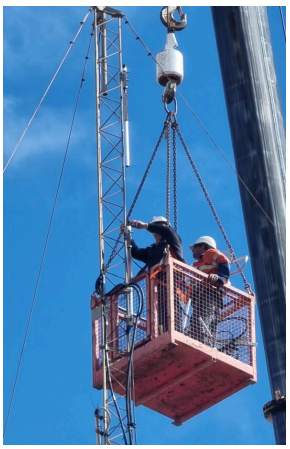

Flow FM on 99.3 has recently received a major upgrade following new antennas being installed in December 2024 ready for the Christmas Holiday influx of people.

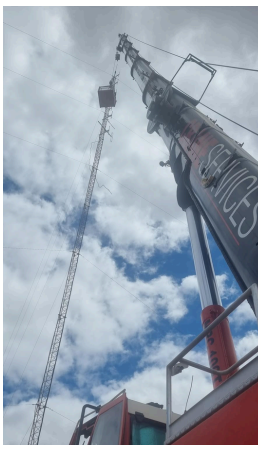

The old antenna system had been severely damaged by bird strikes which meant the service was experiencing transmission loss. This meant a full upgrade and at the same time a necessary increase in service strength which has been very beneficial in the coastal and distant areas to Wirrulla, Poochera and Venus Bay.

The upgrade was completed with the assistance of Ceduna Cranes, while Flow FM engineering team were involved with equipment room and satellite dish upgrade. Local technician Trevlyn Smith assisted the team by identifying the original problem. The team stayed in Streaky Bay and as always enjoyed the local food and accommodation.

Flow FM broadcaster and project manager Wayne Phillips was with the team and paid tribute to the skill of the Ceduna Crane and rigging operators.

The service on 99.3 is much stronger around all areas and double the power from the original installation which will benefit the folk in local towns, farms, the main street businesses, tourist travelling to and from the area along with road users and the enjoyment of stronger radio signals in house and the programs Flow FM offers.

SA WATER VISITING STREAKY BAY

SA Water Eyre Peninsula Water Security Roadshow

SA Water will be in Streaky Bay on Wednesday 26 February. Come and chat to their friendly team at Beck's IGA between 9am and 12pm, or at Foodland Streaky Bay from 1pm to 4pm. EP Landscape Board

Controlling Australia's top predator species on EP

Landholders across Eyre Peninsula are encouraged to begin baiting for foxes now, with the Eyre Peninsula Landscape Board getting ready to start its annual fox bait distribution days.

Each year the Board holds fox bait distribution days to encourage Eyre Peninsula landholders to undertake fox control activities at the same time, which produces the best results for reducing numbers of these pest animals.

Wudinna-based Landscape Officer Chamaree Goonetilleke has been hearing reports in the local area of plenty of foxes being sighted and says that coordinated baiting is one of the best ways to tackle this problem.

"We are never going to eradicate foxes but we can certainly work towards reducing their numbers which can benefit not only livestock farmers but also our native wildlife," Ms Goonetilleke says.

"Foxes are Australia's number one predator species, not only preying on lambs but also native birds and reptiles.

"Baiting is one way for landholders to play an important role in managing the damage caused by foxes, as well as fulfilling their obligation to control foxes which is part of the Landscape South Australia Act.

"The more we can get landholders in the same areas to bait, the more effective it will be."

In a typical 'farm forest' environment such as the Eyre Peninsula, it's estimated there can be between 4-8 foxes in every 100 hectares.

In late summer and early autumn, young foxes start to leave their dens and disperse to find a new territory, making it an optimal time to bait as they can be naïve and more likely to take baits.

Many livestock farmers also find this a good time to start baiting to get numbers down before lambing begins.

The 1080 meat baits are prepared by landscape board staff with eligible landholders able to purchase them for fox control for $1.60 per bait. At distribution days, a 20% discount applies, as well as when groups of three or more adjoining landholders purchase baits as part of a coordinated baiting program at other times throughout the year. Land managers are reminded to bring along a bucket with a sealable lid when collecting baits or they are available to purchase for $13. The baits are frozen semi dried meat which is best kept frozen until use. Land managers will also be required to provide the section numbers for the properties they intend to bait.

Read the release on our website which lists all distribution locations.

All Eyre Peninsula distribution days are also listed on our events page – www.landscape.sa.gov.au/ep/events

CITIZEN OF THE YEAR AWARDS

Reflect. Respect. Celebrate.

Australia Day
Reflect. Respect. Celebrate.
South Australia

Citizen of the Year Award Winner: Cindy Best

Cindy Best's dedication to the health, wellbeing, and connectedness of the community has earned her the esteemed Citizen of the Year Award. From being a strong advocate for the "Men's Table" mental health event to running fitness classes and leading initiatives like walking netball, Cindy has proven her commitment to fostering inclusivity and resilience. As the Junior Development Officer for the local netball club, Cindy's efforts have created opportunities for children and strengthened the community's sense of unity. Her proactive approach and selflessness make her a deserving recipient of this award.

Young Citizen of the Year Winner: Kyle Feltus

Kyle Feltus has been recognised as the Young Citizen of the Year for his leadership and dedication. As a committee member of the Streaky Bay Golf Club, Kyle has provided valuable guidance and volunteered tirelessly. His achievements include representing South Australia in professional tournaments and inspiring peers as a house captain at school. Kyle's commitment to fostering pride and excellence within the community makes him a role model for the next generation.

Business of the Year Winner: RI and LA Montgomerie

RI & LA Montgomerie Pty Ltd has been recognized as Australia's Business of the Year for 2025, honoring over 30 years of exemplary service and community involvement. Under the leadership of Rob Montgomerie, the business has provided essential contracting services such as grading rural roads and supporting agricultural activities. Beyond their professional commitments, the team has sponsored and supported local clubs, including the Streaky Bay Hawks Football and Netball teams, while also volunteering during emergencies like drought and crisis recovery. This award reflects their remarkable dedication to both quality service and community support.

Community Event of the Year Award Winner: Streaky Bay Twilight Markets

The Twilight Market has been celebrated as the Event of the Year for its outstanding contribution to the community. This annual event offers a platform for local small businesses and artists to thrive, featuring market stalls, live music, and food vans. Organised by Toni, the Twilight Market has fostered unity, boosted the local economy, and attracted visitors to Streaky Bay.

CITIZEN OF THE YEAR AWARDS

Reflect. Respect. Celebrate.

Australia Day
Reflect. Respect. Celebrate.
South Australia

Long-Term Recognition of Service Award Winner: Lisa Olsson

Lisa's dedication to the Wirrulla community has earned her the Long-Term Recognition of Service Award. With over a decade of involvement in numerous committees, Lisa has held leadership roles such as President of the Wirrulla Progress Association and has actively contributed to the Wirrulla Netball Club, Tennis Club, and Catering Committee. From organizing fundraisers to selling raffle tickets, Lisa's tireless efforts have left a lasting impact. Her recognition as a life member of the Wirrulla Netball Club highlights her incredible contributions.

Active Citizen of the Year Award Winner: Wayne Daniel

Wayne Daniel's decades of service and commitment have been recognised with the Active Citizenship Award. With over 25 years as a volunteer for SA Ambulance and 15 years supporting the West Coast Hawks Football and Netball Club, Wayne's contributions extend to volunteering at the golf club, capturing community events through photos and drone footage, and driving the community bus for local activities. His life membership at the Hawks Football and Netball Club underscores his invaluable service.

Travis Barber, Mayor of the District Council of Streaky Bay, extends heartfelt congratulations to all the Australia Day Award winners in 2025. Mayor Barber expressed his satisfaction at the remarkable diversity of nominations, allowing for the recognition of outstanding contributions across multiple categories.

"It's truly wonderful to come together and acknowledge the remarkable contributions made by individuals, businesses, and community groups to our region. I congratulate all of the winners and express gratitude for their invaluable contribution," Mayor Barber said.

Once again, this year has provided an opportunity for many to come together and celebrate Australia Day alongside the awards ceremony. The festivities commenced with the traditional annual breakfast event, followed by the raising of the National flag and the subsequent award ceremony.

The District Council of Streaky Bay extends its warmest congratulations to all the Australia Day Award winners. Their contributions have been pivotal in shaping Streaky Bay into the vibrant and thriving community it is today.

Streaky Sounds 2025 Music Festival: Get Ready for the Ultimate Weekend of Live Music!

Streaky Sounds 2025 Music Festival is just around the corner, and if you haven't got your tickets yet, now's the time! This year's festival promises to be bigger and better than ever, with an exciting lineup of performances, local vendors, and a fantastic atmosphere that will have you dancing all weekend long.

Frequently Asked Questions for the 2025 Festival

1. Is parking available at the festival?

Car parking around the oval is limited. We recommend carpooling, walking if possible, or using the Festival Bus (details on the bus coming soon).

2. Is there accessible parking?

Yes, accessible parking is available right next to the Festival Entry.

3. Can I bring my own seating?

Yes, feel free to bring your deck chairs and picnic rugs! There's plenty of space on the oval to set up for the day.

4. Can I bring my own alcohol?

No, the festival will have a fully licensed bar selling beer, wine, and premixes as well as the Streaky Bay Distillers Van and Outlaw wine Marquee. Please note, security may check bags at the entrance.

5. Will there be food at the festival?

Yes, there will be a variety of food vendors at the festival. However, you're welcome to bring your own snacks!

6. Can I bring my own water bottle?

Yes! We encourage you to bring a reusable water bottle. SA Water will have the Quench Bench set up for you to refill your bottles throughout the event.

7. Can I bring my dog?

Unfortunately, no pets are allowed at the festival.

8. Is Streaky Sounds a family-friendly event?

Yes, Streaky Sounds is a family-friendly event, and we've got some great deals for families! When you buy 2 adult tickets and 3 kids' tickets, you'll get $15 off (kids under 3 are free and excluded from the offer). Plus, we've put together a fun kids' entertainment package to keep the little ones busy throughout the festival—stay tuned for more details!

A Big Thank You to Our Generous Sponsors!

Streaky Sounds 2025 wouldn't be possible without the incredible support of our sponsors. These local businesses and organizations play a vital role in making the festival a reality, and we'd like to extend our heartfelt thanks to each of them:

Platinum Sponsor

- Streaky Bay Community Hotels

Gold Sponsors

- Streaky Bay Hotel Motel
- Eyre Plus
- The Streaky Bay Community Op Shop

Silver Sponsors

- Axeman Plumbing
- West Coast Welding

CEO UPDATE

From the CEO's desk – The Impact of Dry Weather on Our Unsealed Roads Program

The District Council of Streaky Bay remains committed to maintaining and improving our road network, including unsealed roads that are vital for regional communities, farms, and industries. However, the ongoing dry weather is impacting road conditions and our ability to complete grading works efficiently and leading to some unavoidable delays.

During dry periods, unsealed roads deteriorate more rapidly. Moisture helps bind the surface material, creating a smoother and longer-lasting finish. Without sufficient moisture, the road surface becomes loose and dusty, increasing the risk of issues such as corrugations, large potholes, and dust clouds.

Grading, which is crucial for reshaping and smoothing unsealed roads, works best when the surface has adequate moisture. In dry conditions, Council must use water trucks to dampen the road before grading. While this improves the quality and effectiveness of the finish, it also adds significant time and cost to our operations, leading to delays in the scheduled maintenance of unsealed roads.

To address this, Council is adjusting its approach by:

- Deploying more water trucks where necessary and when feasible to improve grading effectiveness.
- Prioritising roadworks based on traffic volumes, farming operations, and school bus routes.
- Exploring long-term solutions, including targeted road sealing, and seeking additional funding.

Despite these challenges, Council is committed to maintaining access and safety across the region. We understand the frustration caused by deteriorating road conditions and appreciate your patience and feedback. Community input plays a vital role in helping us prioritise and improve our services.

We will continue to monitor road conditions, adjust our approach where necessary, and keep you informed as we progress through the program. Thank you for your ongoing understanding and support as we work together to maintain our region's essential infrastructure.

Chief Executive Officer

AUSTRALIAN ELECTORAL COMMISSION

THE CRITERION

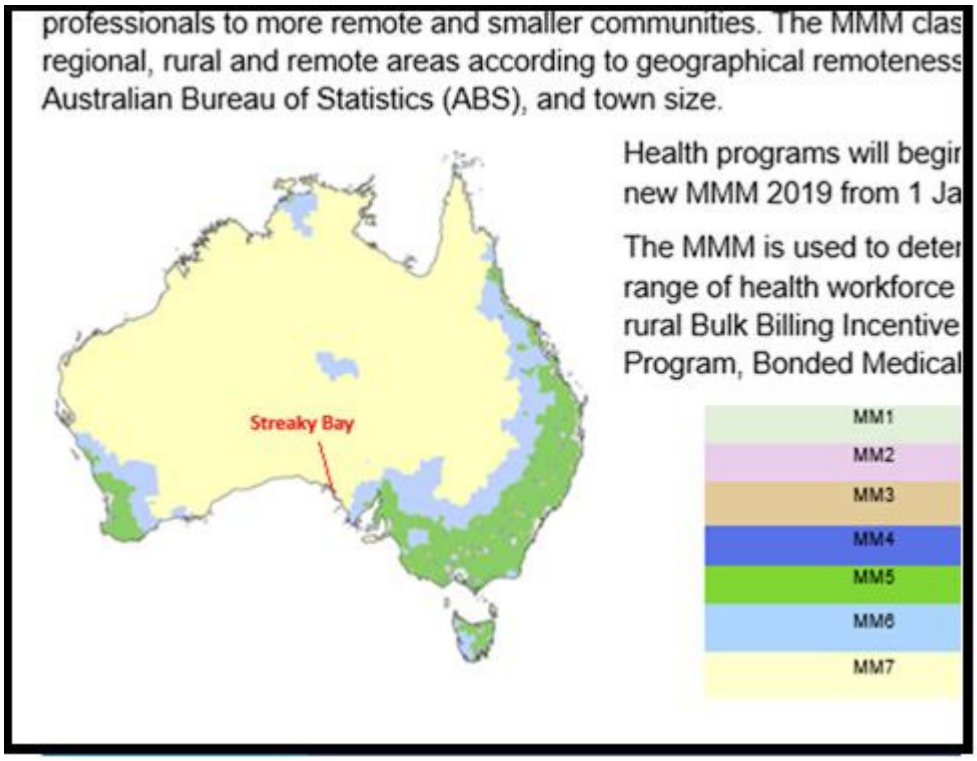

DISTRICT COUNCIL OF STREAKY BAY

MEDIA RELEASE

January 24, 2025

FOR IMMEDIATE RELEASE:

"*It Doesn't Make Sense*": Streaky Bay Callsfor Action to Correct Medicare Classification Anomaly in the Monash Model Review Classification System

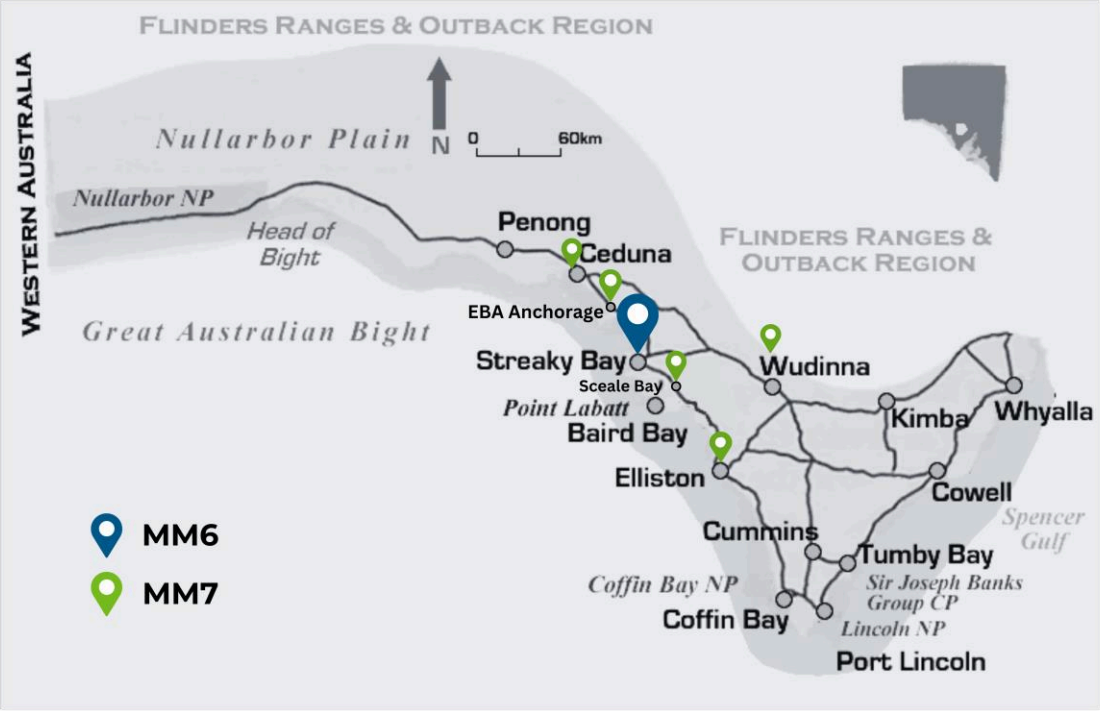

Above: Map from the Federal Government's Modified Monash Model communication, highlighting the location of MM6-zoned Streaky Bay. Note: Streaky Bay has been added for illustrative purposes (source: https://www.health.gov.au/resources/publications/modified-monash-model-fact-sheet?language=en)

The District Council of Streaky Bay is intensifying its call for an immediate correction to the Monash Model Medicare (MMM) classification system, describing the current MM6 designation as "illogical, unjustified, and indefensible."

Despite clear evidence that Streaky Bay is wrongly classified, a recent response from Health Minister Mark Butler failed to offer any commitment to address the anomaly. Instead, the Minister acknowledged Council's concerns but deflected to the Federal Government's **Working Better for Medicare Review**, offering no concrete action or timeline for change.

Mayor Travis Barber has labelled the MM6 classification a glaring anomaly, emphasizing its adverse impact on the community. "This is not a complicated issue—it's an obvious error," Mayor Barber said. "Streaky Bay's MM6 status defies logic. Neighbouring towns like Ceduna, Elliston, and Wudinna are classified as MM7, giving them crucial advantages in attracting and retaining healthcare professionals. All of the smaller communities within our district, some only 15 kilometres away, are also MM7—yet Streaky Bay remains MM6, despite being the medical hub they rely on. There's no valid justification for this discrepancy. It's a clear failure of the system that must be fixed."

The consequences of this misclassification are significant, restricting Streaky Bay's access to vital programs designed to address rural healthcare workforce shortages. Mayor Barber further explained, "This error directly harms our community. When we reached out to the Rural Doctors Workforce Agency (RDWA), they confirmed there is no formal process to challenge or review MMM classifications. This leaves rural communities like ours stuck in a flawed system without recourse, which is unacceptable."

Above: Diagram highlighting the classification of Streaky Bay, compared to the classification of nearby townships.

The urgency is heightened by the intense competition for healthcare professionals, with Local Health Networks and interstate hospitals offering significantly higher pay for locum doctors. This makes it even harder for Streaky Bay to attract long-term medical staff.

“Reclassifying Streaky Bay as MM7 isn’t just about fairness—it’s a necessity for the health and well-being of our residents,” Mayor Barber said. “It would level the playing field, enabling us to secure the healthcare professionals our community desperately needs. The Federal Government must act immediately to correct this error.”

The Council is urging State and Federal representatives to support its call for reclassification, stressing that this is a straightforward issue, not one requiring extensive review. “We’ve provided clear evidence of this unjustified anomaly,” Mayor Barber concluded. “The Federal Government needs to stop stalling, stop deflecting, and take action. Streaky Bay deserves a classification that reflects its true circumstances and supports the healthcare needs of its people.”

The Modified Monash Model (MMM) is a framework used in Australia to define remoteness and population size, guiding the allocation of healthcare resources. Being classified as MMM7 offers key advantages, such as access to targeted government funding, Medicare rebates, and incentives that attract healthcare professionals, all of which are essential for addressing workforce shortages and improving healthcare in very remote areas.

-ends-

Media enquiries: Travis Barber – Mayor – 0421 925 005

ROADS (OPENING AND CLOSING) ACT 1991

Overland Line Road, PETINA

Notice is hereby given, pursuant to section 10 of the Roads (Opening and Closing) Act 1991 that the District Council of Streaky Bay proposes to make a Road Process Order to:

open as road a portion of the land within Certificate of Title Volume 6029 Folio 72, being Sections 32 and 33 Hundred of Perlubie, more particularly delineated and numbered 1 and 2 on Preliminary Plan PP 24/0044

and to close and merge with Certificate of Title Volume 6029 Folio 72, being Section 5 Hundred of Perlubie, the portion of the public road adjoining Section 5 and the portion of public road separating Sections 32 and 33 Hundred of Perlubie, more particularly delineated and lettered A and B on Preliminary Plan PP 24/0044 in exchange for land taken for new road

and to merge with Certificate of Title Volume 6029 Folio 72, being Section 5 Hundred of Perlubie, the portions of Sections 32 and 33 Hundred of Perlubie, more particularly delineated and lettered C and D on Preliminary Plan PP 24/0044

The Preliminary Plan and Statement of Persons affected is available for public inspection at the offices of the District Council of Streaky Bay located at 29 Alfred Terrace Streaky Bay and the Adelaide Office of the Surveyor General during normal office hours. The Preliminary Plan can also be viewed at www.sa.gov.au/roadsactproposals

Any application for easement or objection must set out the full name, address and details of the submission and must be fully supported by reasons. The application for easement or objection must be made in writing to the District Council of Streaky Bay WITHIN 28 DAYS OF THIS NOTICE and a copy must be forwarded to the Surveyor General at GPO Box 1815, Adelaide 5001. Where a submission is made, the applicant must be prepared to support their submission in person upon Council giving notification of a meeting at which the matter will be considered.

Thrive Streaky Bay and District, in partnership with The District Council of Streaky Bay's Wellbeing project team have been successful in receiving two grants.

FREE Community Mental Health Training

The first grant has been received by Preventive health SA from the Suicide Prevention Community Grants program. The aim of this grant is to build community capacity through training opportunities that will give us the skills to recognise the signs of distress and be able to respond with compassion.

Thrive has identified two training certifications that will be on offer to the community;

- Mental Health First Aid Certificate
- Resilience First Aid Certificate

As spaces for these trainings are limited, an application process has been created in order to determine how the skills will have the greatest impact in our community.

To apply please scan the QR code, alternatively you can pick up a hard copy form at the Visitor Centre.

Community Garden Development

The second grant has been received by the Department of Human Services from the Community Centers funding round. This grant will go towards the establishment of a Community Garden in Streaky Bay.

Thrive and the District Council of Streaky Bay looks forward to developing many partnerships during this project to see a very successful new community space come to life.

A community garden has been identified in many of the councils recent consultations as a high priority for the community. Providing a place of much needed connection for many people through Nature, Community Participation, Social activities and even an opportunity to be active. The future benefits of this project will be endless for the Streaky Bay District and we look forward to seeing how it will evolve.

THE BAY Community OP SHOP

Thanks to the generosity and support of our community, The Bay Community Op Shop are once again ready to distribute funds to the community - supporting groups within the Streaky Bay district.

Please make your requests known to the committee, in writing, by May 16th, 2025.

Your request needs to be from a community group or club from within the Streaky Bay District Council area, and be of benefit to the community.

All applications will be considered.

Please forward written applications to:

Julie Wild
3 Anastasia Avenue
Streaky Bay SA 5680

Or email your request to *shaponda.jw@gmail.com*

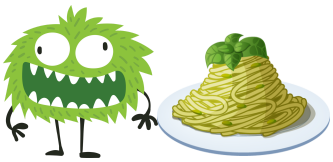

FLAVOURS OF STREAKY BAY!

Each month, The Criterion will be featuring recipes from one of our locals. We hope to eventually build a recipe book that showcases the best of Streaky Bay! The recipe can be anything you love to eat, from a sauce to a sweet! Please email all your recipes to info@streakybay.sa.gov.au

Monster Noodles (aka Pesto Pasta)

Ingredients:

- 1 big bunch of fresh basil
- 250g baby spinach
- 1 chopped fresh zucchini
- 1 cup of defrosted peas
- A whole lot of garlic
- 1 cup (250g) of ricotta (my favourite), Greek yoghurt, or cream
- Salt and pepper to taste
- A big splash of olive oil
- Pasta of your choice
- Parmesan cheese

Method:

1. Place basil, spinach, zucchini, peas, garlic, olive oil, and salt and pepper into a food processor and blend until smooth.
2. Cook your favourite pasta according to the packet instructions.
3. While the pasta cooks, gently heat the green sauce (no need to cook it fully). Mix in the ricotta, yoghurt, or cream.
4. Toss the pasta and sauce together, then serve with a generous sprinkle of Parmesan.

Tip: This recipe is super versatile! Stir in your favourite ingredients such as chicken, sun-dried tomatoes, mushrooms or broccoli, or keep it plain for a quick and tasty dinner even the fussiest eaters will enjoy!

Mexican Ceviche

This recipe is perfect with fresh tuna or fresh white fish such as kingfish or whiting.

Ingredients (for 300g of fish – adjust quantities as needed):
Ceviche Mix:

- 1 small red capsicum, finely diced
- Handful of jalapeños (adjust to taste for spice level), finely diced
- 1 small red onion, finely diced
- 1 bunch of coriander, chopped
- 1 clove of garlic, minced

Curing Liquid:

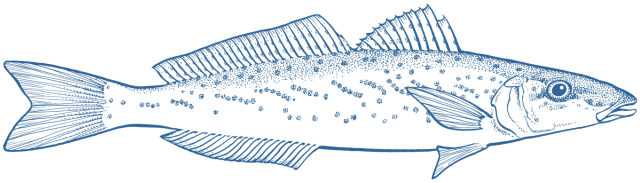

- 30ml jalapeño juice (from the jar)
- 100ml fresh lime juice (fresh is best!) (around 5 limes)
- A splash of olive oil
- Sea salt flakes, to taste
- Freshly ground black pepper, to taste

To Serve:

- Extra coriander for garnish
- Plain corn chips, or
- Tostadas with avocado and lettuce

Method:

1. Dice all ceviche mix ingredients into very small pieces. Cut the fish into small cubes.
2. About 15 minutes before serving, pour the curing mixture over the fish and stir gently. Slowly add the curing liquid—if it seems like too much, you don't need to use it all. Let it sit for 15 minutes.
3. Serve with plain corn chips and dip in, or enjoy on a tostada with avocado and lettuce. YUM!

WHY CHOOSE A PRINCIPAL KITCHEN OR LAUNDRY

EVERYTHING FOR THE PROJECT

Principal. Kitchens

- Over 70 cabinet options and multiple door options available in set modular sizes to suit any build
- Pre drilled, and quick to assemble on-site
- Saving time and cost on installation
- Dedicated Trade managers for ordering accuracy
- Total project visibility and solution based approach
- Reduced leadtimes
- 10 year warranty on cabinets and doors
- Australian made cabinets and benchtops
- All assembly hardware included
- Soft close drawers and doors as standard
- Italian soft close hinges as standard
- Assembly instructions included
- Competitively priced against competitors and sits at a high quality / trade level.

THE PRINCIPAL OFFER FOR KITCHEN AND LAUNDRY PROJECTS

RANGE GUIDE

KEY SELLING FEATURES

CABINETS

- Pre drilled, dowel and screw assembly
- 16mm solid backs
- Front and back top rail
- Over 70 cabinet options available in modular sizes to suit any build
- Multiple Door ranges available
- 10 year warranty on cabinets and doors
- Competitively priced against competitors and sits above most on quality

Also available: Splashbacks, Cabinet Accessories and fittings, decorative hardware and lighting.

LAMINATE BENCHTOPS

- Tough and durable
- Resistant to cracking and chipping
- Available in Gloss, Matt, Smooth Woodmatt and the Matera range
- Extensive colour range - over 40 to choose
- Available in 21mm, 33mm & 40mm benchtop thickness.
- Waterfall ends are available
- Complete fabrication service is available
- Solid surface benchtops available in selected locations*

**Please contact your Principal Kitchen designer for more information.*
