SUN, SMILES, AND SUCCESS AT THE 2026 STREAKY BAY CUP

Photos by Bec Gosling

STREAKY BAY – The dust has settled on another spectacular Streaky Bay Cup, and by all accounts, it was a great success. Perfect weather set the stage for a day defined by high-stakes racing, sharp fashion, and a vibrant community atmosphere that continues to cement this event as a highlight of the regional calendar.

The grounds were packed with locals and visitors alike, with travelers trekking from across Australia to join the festivities. For many, the day has become a cherished tradition, with the committee noting a fantastic turnout of returning faces alongside newcomers experiencing the magic of the bay for the first time.

Thundering Hooves on the Track

The racing action reached its pinnacle with the running of the XXXX Gold Streaky Bay Community Hotel Cup. In a thrilling display of skill and speed, it was the horse Shakespeare that claimed the ultimate glory.

Guided by a masterful ride from jockey Caitlyn Munro and prepared to perfection by the powerhouse training duo Richard & Chantelle Jolly, the victory was a popular one among the punters and the crowd.

Fashions on the Field

The competition was just as fierce off the track, with the community showcasing incredible style and elegance.

- Ladies Winner: Val Dunstan
- Ladies Runner-Up: Destinee Francis
- Best Millinery: Nicole Vandenbroek
- Male Winner: Austin Smith
- Male Runner-Up: Damon Edmunds

The next generation of style icons also stepped up, with Mia Hein and Blake Palmer taking home the honors in the Junior categories.

Community Spirit: The Fish Race

The ever-popular Sportsbet Fish Race provided plenty of laughs and friendly rivalry. The local sporting clubs dominated the podium this year:

1. West Coast Hawks Football Club
2. Streaky Bay Cricket Club
3. West Coast Hawks Netball Club
4. Streaky Bay Area School P&C

A Team Effort

An event of this magnitude doesn't happen by accident. A massive thank you goes out to the Executive Committee and the tireless volunteers who worked behind the scenes to ensure the day ran smoothly.

The event's success is also made possible by the generous support of its major sponsors: Streaky Bay Hotel, Lion Nathan XXXX Gold, Letcher Moroney, McEvoys Transport, Jacob's Creek, Morgan's, Roll the Dice, and Sportsbet.

Save the Date!

If you missed out this year—or if you're already itching to get back to the track—mark your calendars now. The 2027 Streaky Bay Cup is officially set for Saturday, March 20, 2027

We look forward to seeing you all there for another unforgettable day at the races!

STREAKY SOUNDS 2026

What a day! Streaky Sounds 2026 has officially wrapped up, and it's safe to say it was one of the biggest and best yet.

Held on Sunday, 8 March at the Streaky Bay Oval, this year's festival saw over 2,000 people come through the gates, making it the first-ever sold-out Streaky Sounds event. From locals to visitors travelling across the region, the town was buzzing all weekend.

With perfect weather around 25 degrees (a nice change from previous years!), people arrived early, settled in, and enjoyed a full day of live music, good vibes and great company.

The line-up didn't disappoint, with standout performances from Funk Me, The Rubens and The Potbelleez (DJ Set), supported by a fantastic mix of artists that kept the crowd entertained all day long. Whether you were up dancing or relaxing with friends and family, there was something for everyone.

A special mention goes to local artists Henry Smale and Bonkers, who proudly represented Streaky Bay on stage. Seeing local talent perform alongside national acts is always a highlight, and a reminder of the incredible creativity within our own community. It's moments like these that make Streaky Sounds feel truly local and something everyone can be proud of.

A big highlight this year was the introduction of free kids' activities, which were a hit with families and helped make the day even more inclusive for all ages. It was also great to see so many young people getting involved, with record teenage attendance showing just how much the festival continues to grow.

Beyond the music, the flow-on benefits for our town were clear. Local accommodation, cafes, shops and tourism operators all saw the impact of a busy weekend, with many visitors making the most of their time here and exploring everything Streaky Bay has to offer.

Adding to the excitement, Streaky Sounds is also celebrating national recognition, recently taking home Bronze at the Australian Tourism Awards, a fantastic achievement for our small coastal town.

A huge thank you goes out to everyone who made the event possible, from organisers and volunteers to sponsors, vendors and emergency services. Events like this don't happen without a lot of hard work behind the scenes.

With a sold-out crowd, incredible atmosphere and growing recognition, Streaky Sounds continues to put Streaky Bay on the map, and we can't wait to see what's next.

COUNTRY ARTS SA

Big-time body-positive cabaret tours regional SA

Following its off-Broadway debut in New York, acclaimed cabaret Skinny is touring across South Australia's north and west in May.

SA's own award-winning vocalist Michelle Pearson calls time on the societal chokehold of shakes, shapewear and shifty surgeons, with biting, funny and empowering commentary about the pursuit of being thin.

Inspired by Michelle's personal journey, Skinny is a masterful blend of storytelling, comedy and music, including reimagined versions of Beyonce's Pretty Hurts, Whitney Houston's I Wanna Dance With Somebody, and Billy Joel's We Didn't Start The Fire.

After being named a top cabaret at the 2025 Adelaide Fringe, Skinny received the Mental Health Commissioner's Staging Change Award, which recognises conversations about mental health through the arts, and supports this regional tour.

Skinny has also recently been re-acknowledged through a Weekly Award at the 2026 Adelaide Fringe.
Country Arts SA executive programmer Sarah Knight says while Skinny has a serious message, it's also funnier than audiences may expect.

"Michelle threads humour through heavier moments in a way that feels real," she says.

"Even after seasons in Edinburgh, New York and around Australia, the show feels completely at home in a small regional hall.

"Her vocals, the sharp band and the honesty of the work create a mix that feels both world-class and personal."
Star Michelle Pearson says touring the show in her home state is a dream come true.

"I wanted to take the show to regional South Australia because these conversations matter everywhere, not just in capital cities," she says.

"Skinny has connected so deeply with people because it speaks to something so many of us live with but rarely talk about out loud.

"Audiences can expect a fearless and uplifting show that will make them feel a multitude of emotions, but mostly they will laugh!"
Skinny will visit Cummins on May 6, Streaky Bay on May 7, Port Pirie on May 9, Port Augusta on May 15 and Burra on May 16.

For more information and tickets, visit www.countryarts.org.au/events/skinny.

ST AUGUSTINE NEWS

The End Of The $5 Bag Sale.

Well, the $5.00 bag sales have now finished, and The Shed is having a rest! Not only will The Shed have a rest, but Rev's Bob & Christine will have leave and will also attend the annual Clergy Conference for the Diocese of Willochra. The Shed will re-open in June with a refurbished look and plenty of winter clothes for everyone.

Thank you to all who bought bags of goods from us. You have reduced our stock by over half, and we now have room for the clothes racks and shelves to be spaced out so that everyone will be able to easily access whatever they are looking for.

And we have a few extra surprises in store for everyone! When we re-open we will be looking for volunteers so we can open longer hours or more days (or maybe even both?) If you are thinking about helping the community in this way, please contact Rev Bob (0448 99 55 75) or Rev Christine (0407 033 257) later in May.

Please don't leave goods for us as The Shed is unattended at present.

We also have a Book Exchange at the front of The Shed now. You are welcome to 'borrow' the books and when you have finished with them return them to any Book Exchange, wherever you are.

Looking forward to seeing you in June.

ANZAC DAY CEREMONIES

Once again ANZAC Day approaches and Streaky Bay RSL members are preparing for our two Services.

This year marks the 125th Anniversary of the Australian Army and Navy. Prior to 1901 each state maintained its own Military Forces. With the Commonwealth Constitution coming into effect those naval and military forces were amalgamated under Federal control as of the 1st March 1901. 125 years later we commemorate the long and distinguished service of these veterans in all wars and armed conflicts from the Boer War to Afghanistan.

Dawn Service will be held at the Jetty Platform at 6.45 am followed by a "Gunfire" breakfast at the Streaky Bay Hotel.

The Anzac Day march will commmence at 10:45am. Assemble on the corner of Wells St and Bay Road diagonally across from the Chemist shop.

11.00 Commemorative Service at the RSL Hall corner of Bay Road and Montgomerie Tce. Following this service the RSL Hall will be open for refreshments and once again CFS volunteers will be cooking a BBQ lunch.

All Welcome

MENS SHED

We at the Men's Shed would like to welcome the latest new members in Brian Arnold and George Gardner.
Hope you enjoy your time with us Brian/George.

Members of the Men's Shed cleaned up the rubbish, cans and bottles on Sunday at the racecourse after the races on Saturday. Proceeds of the cans/bottles went to the Men's Shed.

On Friday the 20th of March we had a visitor in Jordy Robinson come to the shed and help us with some projects. Jordy also put in a great effort in helping at the cleanup after the races. Well done Jordy.

A big thank you must go to Andy from Swift Mower Repairs who got a donated lawnmower going for us to use. Much appreciated Andy.

From a work side we have a couple of projects on the go. John Thomson and John O'Brien have started on the bookcase for the medical centre. We have measured up the floor for around the cubby house at the kindy and hope to start repairing that soon. We have also been given a table by the kindy to do up. Thanks to John Lelifeld for taking this project on.

Thanks to a great effort from Mick Taylor a gopher that was given to us has found a good home. Mick spent a lot of hours checking the batteries and making sure the gopher was in top condition for sale.

Jim Petty has got some prices on shirts with our logo and person's name on them.

The Men's Shed have got items for sale. Contact Wayne Miller on 0448 173 564 if you are interested in anything.

INDOOR BOWLS

March was birthday time for four indoor bowlers. Denise 2/3, Bev W. 7/3, Jim P. 7/3, Gay 8/3. Three of the four were present on bowls day 11/3 to cut their large birthday cake. See photo

All the competitions in March resulted with clear winners. This was a change from the often need to do a shots count to find the overall winner of the day.

Wednesday 4/3, 11,/3 and 18/3 games finished with one team alone on each day scoring 3 wins. Then on 25/3 no team won all 3 games but one team did score 2 wins + 1 draw so it was declared the winner. The same team also had a dead end (no score) in the first game. Overall on that day all teams had scored well and every team recorded at least one win.

Twice in March bowlers shared end plays. On 11/3 Joylene and Darryl both played second and the next week John and Connie shared lead.

The club AGM is scheduled April 8 at 12 noon. There will be a free cold lunch available prior and the customary bowls will follow the meeting.

Winning teams were=
Mar. 4= Connie, Julie, Geoff
Mar.11= Sandy, Roz, Joylene / Darryl, JimC.
Mar.18= Bev W, Darryl, Julie, John/Connie
Mar.25= Julie, Connie, BevO, Jim C.

Firstly, thank you, to all who have donated their bottles & cans for the Museum.

If anyone wishes to donate, when you take them to recycling, ask for funds to go to Streaky Bay Museum.

Chimney Repointing: Quote has been obtained. Builder has offered to do one chimney at a time.

Defib training was beneficial to all who attended. Thanks Dave from SA Ambulance.

There was no flooding when we recently had 100mls. Maintenance guys have done some 'rearranging' in the shed. Looks very tidy.

Cemetery: updated list & plan now in the folder to assist visitors with their enquiries.

We now have a 'Voucher' to give to local visitors who can only visit for a short time & wish to return. Please speak to the volunteers on duty.

Thank you to Rev Bob Woolner who has donated a folder of photos from the recent Anglican Church "Wedding History" celebration. Much appreciated.

National Trust regional meeting will be held in May, possibly at Cowell. A number of our volunteers hope to attend.

Contact us by email sbnatrust@gmail.com if you have any research queries. Or come in, we are happy to help.

The South Australian Country Women's Association Inc. Streaky Bay Branch

Hope everyone enjoyed their Easter break. No meeting in March rather a group picnic with the Ceduna branch ladies held at Streaky Bay's Pioneers Park. With 14 ladies attending, the weather was superb, shared food plates, storytelling, chatter, jokes & a game of can/jar food swapping. A Peter Goers' Sunday Mail article from June 2025 about a "nostalgic tribute to Aussie lingo of yonks ago" was read and thoroughly enjoyed with bouts of laughter. Ceduna members, Kath Dunn & Annette Moyse, celebrated their birthdays, sharing the cutting of their birthday sponge cake.

Council News

FROM THE CEO'S DESK

From the CEO's Desk: The Amazing Work of Our Volunteers

When I usually write this column as CEO, I normally focus on Council business—reports, policies, decisions, and the day-to-day operations of Council. However, today I wanted to step away from that formality and speak about something else I am fortunate to witness in this role.

I have the privilege of seeing something far more personal and inspiring—the incredible work being carried out by volunteers across our district. This column is an opportunity to shine a light on those efforts and acknowledge the people who truly make our community what it is.

Volunteers are the backbone of regional communities like ours. They give their time, energy and skills—often quietly and without recognition—to support others, strengthen connections, and deliver services that might not otherwise exist. Whether it's maintaining facilities, running events, supporting those in need, or advocating for local services, volunteers create a sense of belonging and pride that simply cannot be manufactured. Quite simply, without volunteers, our community would not function in the way we value and enjoy today.

The Men's Shed is a fantastic example of this spirit in action. More than just a place to work on projects, it provides a welcoming space for connection, skill-sharing and mateship. The work they do—whether building, repairing, or contributing to local projects—has a real and lasting impact. Just as importantly, they support wellbeing by creating a place where people can come together, have a chat, and look out for one another.

Similarly, the Lions Club continues to play a vital role in our district. Their commitment to service is evident through the many events, fundraising activities and initiatives they undertake. From supporting local causes to contributing to broader community improvements, their willingness to step up and give back is something we are incredibly fortunate to have. And, of course, many in the community would agree—they also make some of the best hot doughnuts around.

Our Op Shop volunteers also deserve recognition for the important role they play in raising funds for local projects. Through their efforts, they not only provide affordable goods but also generate vital financial support that flows back into the community. In the same vein, the Streaky Bay Community Hotel Board continues to make a significant contribution through its own fundraising efforts. These contributions often go unnoticed, but they make a real difference in enabling projects and supporting those in need.

FROM THE CEO'S DESK CONTINUED...

One of the most significant examples of volunteer commitment in our community is the Streaky Bay Medical Clinic Board. This dedicated group has taken on a responsibility that, in many places, would sit squarely with government. Their work ensures we continue to have access to GP services locally—something that is absolutely critical to the health and sustainability of our town. The level of governance, advocacy and oversight they provide is substantial, and the entire community benefits from their commitment.

I would particularly like to highlight the work of the THRiVE Streaky Bay and Districts group, as their contribution speaks directly to the future wellbeing of our community. This group—comprising Nyssa Bell, Suzie Kenny, Pepita March, Simone Keogh and a few others—is focused on empowering and connecting people across our district to promote resilience and mental wellbeing.

Their work goes beyond programs and initiatives—it is about building genuine connections and ensuring that no one in our community feels isolated. They actively work to link people with each other and with mental health providers, strengthening the support network across the district. In a regional setting, where access to services can often be limited, this work is incredibly important.

What stands out most about the THRiVE group is their collaborative approach. They bring people together, encourage open conversations, and foster a culture where looking after one another is a shared responsibility. In a time where mental health challenges are increasingly recognised but not always easily addressed, their work helps break down barriers, create safe spaces, and ensure that support is visible and accessible.

The impact of this cannot be overstated. A connected community is a resilient community—and resilience underpins everything from individual wellbeing to long-term sustainability. Through their efforts, the THRiVE group is helping to build a stronger, healthier future for Streaky Bay and surrounding districts.

To all of the individuals and groups who volunteer across our district—whether mentioned here or not—thank you. Your contributions, big and small, shape our community in ways that truly matter. You are the reason our district remains a place people are proud to call home.

Would like to have some spiritual refreshment? rest for your soul and mind?

Why not think about coming to The Grace Conference?

The Grace Conference is an annual ladies' conference which has run in Adelaide, for many years. This year we at Streaky Bay are blessed to be able to show it to encourage our ladies.

So, we're calling all ladies, who would like some refreshment or just to take some time out for themselves to come, relax, rest and receive some special pampering.

We'll have music, singing, talks by Fiona Millar.

Fiona is a lover of books, theatre, movies, music, food and people, she is an impulse buyer and lover of spontaneous mischief. She revels in waking up each day in this land of blue skies and bold colours and has much to say to encourage us.

A Seasonal Guide for Streaky Bay Gardeners

April in Streaky Bay brings warm, settled days and cooler nights, with the intensity of summer easing off. Following the significant rainfall at the end of February, many gardens are still benefiting from deep soil moisture — making this one of the best months of the year to plant and establish new growth.

What to Plant in April

Autumn planting is in full swing, with excellent conditions across the board:

- Brassicas: broccoli, cauliflower, cabbage
- Leafy greens: lettuce, rocket, spinach, silverbeet
- Root crops: carrots, beetroot, radish, turnips
- Alliums: onions, leeks, spring onions, garlic
- Herbs: parsley, coriander, chives

Tip: Warm soil and lingering moisture mean seeds will germinate quickly — just keep an eye on surface drying.

Soil Care and Preparation

Healthy soil now will carry your garden through winter:

- Add compost or aged manure to replenish nutrients after summer crops
- Maintain mulch to regulate temperature and reduce evaporation
- Avoid overworking soil if it's still holding moisture

What to Prune in April

- Roses: light tidy-up and deadheading
- Perennials: cut back tired summer growth
- Herbs: trim regularly to encourage fresh shoots
- Fruit trees: remove damaged or diseased branches

Hold off on heavy pruning until winter dormancy.

Planting Trees and Natives

April is one of the best times to plant:

- Warm soil supports strong root growth
- Reduced heat stress improves survival rates
- Rainfall has reduced the need for constant watering

Reliable coastal choices include:

- Westringia (coastal rosemary)
- Grevillea and Correa
- Eremophila
- Native grasses and groundcovers

Gardening for Wellness

April is one of the most enjoyable months to be in the garden:

- Warm, comfortable days make it easy to spend more time outside
- The garden feels productive again after summer stress
- Planting now brings a sense of progress and optimism for the cooler months ahead

After the recent rains, there's a noticeable freshness in the landscape — a great reminder of how quickly nature can recover and thrive.

For more information on the wellbeing benefits of time spent in nature, visit the Preventive Health SA website.

The West Coast Justices Group is urgently seeking more volunteer Justices of the Peace (JPs) to serve our local communities across the West Coast — including Streaky Bay, Wudinna, Ceduna, and surrounding areas.

Due to the vast size of our region and a decline in available JPs, many residents are experiencing long delays and travel times just to access essential witnessing and certification services. Our small but dedicated team of JPs is stretched thin — and **we need your help.**

Tamarins Easy Veggie Bake

Ingredients

- 1/2 small butternut pumpkin, peeled & very thinly sliced
- 4–6 potatoes, skin on, very thinly sliced
- 1 zucchini, finely diced
- 1/2 cauliflower, thinly sliced (tops will crumble)
- 1 broccoli, thinly sliced incl. some stem (tops will crumble)
- 2 carrots, thinly sliced
- 1 tbsp besan flour - or flour of choice
- 1 tsp cornflour
- Milk of choice or veg stock
- 2 tbsp wholegrain mustard
- 1 tbsp butter
- 1 tsp nutmeg
- 1 tbsp onion powder
- 1 tbsp garlic powder (or fresh/crushed garlic)
- 1 tbsp parsley or thyme
- Salt & pepper to taste
- 500g grated cheese

Method

1. Thinly slice all vegetables.
2. Melt butter in a saucepan, add besan flour and cornflour and cook for about 45 seconds. Slowly add milk or stock, stirring continuously until it starts to thicken. Add mustard, onion powder, parsley, garlic, salt and pepper, then stir through half the cheese until melted and the sauce is thick.
3. Starting with the pumpkin and potato, layer them on the base of a baking dish, slightly overlapping like fish scales. Build 2–3 layers, then add a couple of dollops of cheese sauce. Add zucchini, cauliflower and broccoli, pour over more sauce, then add a thin layer of carrots. Finish with remaining pumpkin and at least 2 layers of thinly sliced potato on top.
4. Pour over the rest of the sauce, sprinkle with remaining cheese and bake at 180°C for 40 minutes. Let stand for at least 15 minutes before serving.

This can be made ahead of time and reheated. Perfect for camping or get togethers!
