Due to the recent gathering restrictions with COVID-19 the RSL has cancelled ANZAC Day celebrations.

The Streaky Bay RSL together with the District Council of Streaky Bay would like to invite everyone to participate in a tribute on ANZAC Day by standing at the end of your driveway at 0555 to share a minutes silence. ABC radio will broadcast The Ode, The last post and a minutes silence from 0600. Residents are also encouraged to decorate their driveway/fence/garden with poppies to commemorate the ANZAC's.

## Council News Cont'd

### GOVERNANCE AND ADMINISTRATION

#### Strategic Plan Review

Following community consultation and elected member workshops a very draft document is currently being considered. The Strategic Plan review will continue during this time but may be slightly delayed. Further engagement will be placed online once Council is able to approve the draft document (currently expected for the May Ordinary Meeting).

#### Live Audio or Video Streaming of Council Meetings

Legislation has recently been amended in the midst of the COVID-19 pandemic. Governance staff and Elected Members are currently investigating appropriate electronic means of meeting. If you have questions regarding public access to the meeting or potential deputations, please contact the Chief Executive Officer.

#### Finance, Risk and Audit Committee Meeting

A meeting was held on 5 March 2020 resolutions from that meeting included; Finance and Risk Work Program, Annual Business Plan Program, Strategic Plan Reporting, Register of Policies, Long Term Financial Plan/Draft Asset Management Plan, Budget Review 2, Land Building Structures Revaluation, Accounting Policy Review, Procurement Policy Review, Prudential Management Policy Review, Asset Management Policy Review, Disposal of Land and Assets Review, Review of Investments and Borrowings, Finance and Risk Audit Committee Annual Report, Emergency Management Policy, DCSB Work Health Safety and Injury Management Program and Plan 2020-2022.

#### Boat Ramp Fees

Council considered a report to waive boat ramp fees due to the impending boat ramp development. Council approved the waiving of boat ramp fees, to the public for the remainder of the 2019/20 financial year, and the waiving of boat ramp fees for industry for the 2020/21 financial year. Boat Ramp Fees to be reinstated for the public once facilities have been reinstated, at a date to be advised, in the 2020/21 financial year. A division was called during voting and these details can be viewed in the minutes of the meeting.

#### South Australian Productivity Commission Report

The South Australian Productivity Commission (SAPC) commenced an inquiry into Local Government Reform

in September 2019. Council provided submissions to the Commission in October 2019.

The SAPC's final report was submitted to the South Australian Government in November 2019 for review, with the content of that document becoming available in February 2020.

The South Australian Government's response to the report is available via the report included in the Agenda.

#### National General Assembly Motions

The Australian Local Government Association (ALGA) sent out a Call for Motions in December 2019 for the National General Assembly. Council met as a working party on 6 February 2020 in order to develop a range of Motions to be sent to the ALGA for consideration.

After the 6 February 2020 meeting the Chief Executive Officer sent out a range of motions discussed at the meeting and their supporting information. Two responses to those motions were received and that information incorporated where appropriate, into the document provided.

- That further funding be allocated to rural and remote Councils to address upgrade of aerodrome facilities to support linkages between larger international ports and rural and remote areas.
- That Research and Development Funding be made available to take advantage of Australia's unique opportunities to explore new and developing agricultural opportunities, including seaweed farming, equal access to genetically modified species of grain and vegetable products etc to meet the increasing food supply needs of the Asian market.
- That rural and remote Councils of Australia are provided infrastructure, or alternate systems, that enable the adoption of renewable energies in larger numbers.
- That Local Councils are provided support to access partnerships with national and international businesses to allow access to such emerging technologies as micro-satellite communications options.
- That a way to facilitate effective communications between states, including Local Councils, during national crises be developed to ensure a single point of truth is possible for all responding and affected agencies.
- That subsidies be provided to low income community members, particularly those in

## Council News Cont'd

community and low cost housing, to allow them access to renewable energies.

- That partnering arrangements in rural and remote areas provide access to whole of life infrastructure options and planning and zoning requirements are designed to more easily accommodate these requirements.

Although the June 2020 National General Assembly has been cancelled, the Australian Local Government Association (ALGA) will consider all motions submitted and respond as to how the ALGA will assist with raising the issues to higher levels of Government.

### Road Naming Review Process

Council considered a report providing feedback on all the proposed road names following the Public Consultation period. Council resolved to adopt all the road names listed in attached Road Naming List including any recommend changes listed in the Recommendation Column. In addition to this Council resolved:

- a. That Grace Frances Byway (Council Decision) remain Byway
- b. That Woorong Boolong Road (Council Decision) remain Woorong Boolong Road
- c. That the road naming and proposed changes comes into effect from 1 July 2020.
- d. That the road naming and proposed changes will be provided to the appropriate agencies and gazetted in accordance with the Local Government Act 1999 and Council's Road and Place Naming Policy.
- e. That Wallabia Hill Road to be renamed to Herreen Road

The road naming amendments will come into effect July 1, 2020.

As part of the road naming process Council agreed to and will budget to immediately replace the affected road signs prior to the effect date and will arrange replacement of rural property address signs.

### New Road Name Requests

During the road name review process Council received a number of road name review requests, further investigation of the existing proposed road name register indicated there were proposed road names that had not been resolved by Council. To consolidate

the process a comprehensive report was presented to Council and the following was resolved;

That Council endorse the following proposed new road names to be added to the "Proposed New Road Names Register" for road names to be considered for use in the instance of new roads being developed or unnamed roads that require naming, in accordance with Council's Road and Place Naming Policy: Kenny, Sincock, Clarke, Irvine, Dale, Kammerman and Charlton.

Secondary to this was adoption and proposed naming of an existing unnamed road endorse the naming of "Lenamar Road" to the currently unnamed road located between Section S17HE and S17J Hundred of Murray (Medlingie Hill Road and Parraba Road) in accordance with Council's Road and Place Naming Policy, including a Public Consultation Period.

## TOURISM

### Sceale Bay Beach Camping

Cr Hackett raised a question without notice if staff could please provide a report to the March 2020 meeting regarding the petition received "opposed camping on Sceale Bay beach" presented to the February 2020 meeting and letters to all Sceale Bay Residents explaining camping rules. Council staff have sought advice from the Crown Land department and it was proposed to hold a community meeting, this meeting will be deferred until further notice due to the current pandemic.

## COMMUNITY DEVELOPMENT

### Poochera Bowling Club Report

Cr Wheaton raised in the business arising from the February minutes if staff have investigated options regarding the Poochera Bowling Club. At the 20 February 2020 Council meeting the future of the Poochera Bowls club was raised as a question without notice. It was agreed that a report would be provided outlining possible disposal options.

The land is dedicated to Council as park land by gazette dated 22/05/2003. Council could allow the land to be used for recreational purposes by other community groups. The report detailed proposals and Council did not resolve a decision for alternative use at that meeting and resolved to receive and note the report.

### Disability Access Inclusion Grant

Local Governments are required to develop a Access Inclusion Plan by October this year. Training is being offered to staff later this month and preparation of the plan will be undertaken shortly after.

## Council News Cont'd

However, the Council has been advised that the National Disability Insurance Agency (NDIA) established the Information Linkages and Capacity Building Program (ILC) to create connections between people with disability and the communities in which they live. This programme is offering a funding round which closes on the 3 April 2020.

Staff consider this an opportune time to lodge an application and start the community thinking about accessibility and inclusiveness. Council endorsed to apply for the purchase of a portable disability toilet and to lodge an application or an alternative project.

### Security Training

Cr Wheaton raised a question without notice regarding if the CEO could investigate if Council could arrange for security training to be held in Streaky Bay. Initial investigations indicated that it is difficult to get it held locally due to the relocation of specialised equipment that is utilised as part of the training, indicative training costs are \$900 per person (not including travel/accommodation). Further investigations will continue to establish if any groups are willing to attend Streaky Bay.

## INFRASTRUCTURE

### Robinson Basin Deputation

Council received a deputation to the March ordinary meeting of Council to consider a proposal to investigate the purchase/lease of the Robinson Basin for the purposes of future water storage activities.

### Finlayson Road/ Eyre Highway Intersection

Council received a report outlining the deed and for acquisition of required land and concept plans for the proposed intersection realignment. Council resolved to enter into the deed and the proposed concept plans.

## HEALTH MANAGEMENT

Cr McGowan at the March 2020 Council meeting raised a question without notice regarding could Council provide details of its planning for COVID-19 if a case is detected in the Streaky Bay District? What are Council's responsibilities if this situation occurs? A discussion was held in reference to the Business Continuity Plan.

## COVID – 19 COUNCIL UPDATES

### Campgrounds

The majority of campgrounds are currently closed to any future campers. Haslam currently has campers that were located here prior to the pandemic and who will be staying. The RV Park has had little to no use. Wirrulla are still experiencing overnight stays from people transitioning between States, these sites will continue to be monitored.

Speeds Point and Perlubie beach are not under Council care and control and advisory signage has been put in place advising the sites are closed.

Camping on beaches has been raised as a concern at the State government level across the state and the LGA and Councils are awaiting a directive from the government on this matter.

### Playgrounds and Skate Parks

All playgrounds and skate parks have been closed across the district as per the recent advice from the Federal Government.

### Public Toilets

Council are not considering the closure of public toilets at this time. Cleaning regimes have been increased across all sites. Council will continue to monitor these sites.

### Caravan Parks

Little Islands Caravan Park is currently closed with the exception of those who have no place to reside. Discovery Parks are working on a strict regime and are only accepting travellers transitioning between States, those with no place to reside, or those who are providing essential services to the community.

## Flexible Workforce Planning in Response to COVID-19

Council received a request from the Eyre and Far North Local Health Network (EFNLHN) in regards to current and future workforce planning.

“As Eyre and Far North Local Health Network (EFNLHN) takes steps to manage the outbreak of COVID-19, ensuring that we are able to continue to provide health and care services to our community is critical. We recognise that we are likely to face staffing challenges should existing staff be subject to self-isolation requirements from exposure to or infection from COVID-19, and seek your assistance in building resilience.

As part of our contingency planning, we are asking for your help. We hoped you could develop a database and encourage local people who are unemployed, underemployed or otherwise available to join the workforce temporarily to register their skills and availability with you. This may include (but is not limited to) driving, administration, maintenance or caring skills, nurses of course are a highly valued resource as well. Our intention would then be to tap into your database to enable us to flex our workforce to meet the demands that present over the coming weeks.”

Council will be supporting this initiative and any person wishing to register their interest can do so by providing the following documents;

- Contact details; name, current address, home phone, mobile phone and email
- Skills Details; resume or; letter outlining skills or; clearly legible list of skills attached to contact details

The documents can be provided to Council via;

- Email: [info@streakybay.sa.gov.au](mailto:info@streakybay.sa.gov.au)
- In Person: Visitor Centre, 21 Bay Road or Council's Main Office 48 Alfred Terrace, both offices are located within the township of Streaky Bay

# Community Grants

## COMMUNITY

### Energy Efficient Communities Program

The Energy Efficient Communities Program will deliver grants to assist businesses and community organisations to improve energy efficiency practices and technologies and better manage energy consumption to reduce their power bills. Eligible businesses & community organisations will be able to apply for grants in early 2020.

For more : <https://www.energy.gov.au/government-priorities/energy-programs/energy-efficient-communities-program>

### Music Innovation Fund

More than \$500,000 is being made available for government schools, preschools, and music and creative industries and organisations to invest in innovative practices and programs that will increase access to quality music education across South Australia. For more:

<https://www.education.sa.gov.au/teaching/projects-and-programs/music/music-education-strategy-2019-2029>

### Grants SA – Minor Round

Grants SA is a one-off project funding program that provides grants to not-for-profit community organisations to improve community participation, wellbeing and quality of life for people living and working in South Australia. Major Round funding of between \$100 - \$10,000 is available for: Community Activities | One-off Programs or Services | Volunteer Development. For more:

<https://dhs.sa.gov.au/services/grants-for-organisations/grants-sa>

### Grants SA – Major Round

Grants SA is a one-off project funding program that provides grants to not-for-profit community organisations to improve community participation, wellbeing and quality of life for people living and working in South Australia. Major Round funding of between \$10,001 - \$100,000 is available for: Community Facility Upgrades | One-off Programs or Services | Vehicles. Major Round 1 will open in April 2020 and close in May 2020. Major Round 2 will open in August 2020 and close in September 2020. For more: <https://dhs.sa.gov.au>

### South Australian Tourism Commission – Events Funding

The **Community Events Development Fund** provides up to \$5,000 +GST in financial support towards events that promote South Australia and its regions as tourism destinations. This fund supports new, smaller or community-based events seeking to increase their tourism relevance, or undertake a specific project to achieve this.

The **Regional Events and Festivals Program** provides financial support towards marketing and PR for events that promote South Australia and its regions as tourism destinations.

Applications for the 2020-21 funding round are open. The SATC, in talking with all of our 2019-20 REFP/CEDF sponsored events, has extended the closing date for 2020-21 applications.

We understand that the unprecedented times and challenges facing the tourism sector have placed immense pressure on event organisers as events are postponed or cancelled. The additional time for event organisers to complete their 2020-21 applications is one small, insignificant change that could alleviate even just a tiny bit of pressure.

Applications will now close on Friday, 1 May 2020. The SATC stands by our sector and our regional event organisers. We will come out the other side of this crisis and as soon as we get the green light, the SATC is ready to invest and ensure the sector bounces back stronger than ever before. For more information visit:

<https://tourism.sa.gov.au/events-and-industry/events-south-australia/event-funding-and-support>

### National Science Week SA – Community Grants

Eligible organisations or individuals may apply for a grant of up to \$5,000 for an online metropolitan or regional project to be delivered during or close to National Science Week, 15-23 August 2020.

Applications for the Community Grants close on 8 May. For more visit:

## DROUGHT SUPPORT

### Tackling Tough Times Together

The Tackling Tough Times Together grant program helps communities access the resources they need to support one another through the ongoing effects of the drought. Grants are available for a broad range of grassroots, community-led initiatives that directly and clearly benefit local communities. Applications are accepted on an ongoing basis and assessed quarterly. Applications for Round 17 close on 28 May 2020 (EOIs for the \$150k tier close on 16 April 2020)

## MEDIA RELEASE

Government of  
South Australia

### Hon Tim Whetstone MP

Minister for Primary Industries and Regional Development

Friday 20 March 2020

### Regional Growth Fund applications brought forward

The opening of the third funding round of the Regional Growth Fund has been brought forward to help provide economic stimulus to our regions in the wake of devastating bushfires, drought and ongoing impacts of coronavirus.

Applications are now being sought for the \$5 million competitive round for projects that will strengthen regional economies and provide tangible social benefits to local communities.

The last round of funding unlocked \$14.6 million investment across 10 projects, which are expected to create 160 jobs.

The bringing forward of applications for the Regional Growth Fund complements the Marshall Liberal Government's \$350 million stimulus package aimed at safeguarding the economy and protecting jobs.

Minister for Primary Industries and Regional Development Tim Whetstone said the \$150 million Regional Growth Fund provides an economic boost to our regional communities.

"The Marshall Liberal Government recognises that supporting our regions is crucial to the future prosperity of our state," said Minister Whetstone.

"The Regional Growth Fund helps unlock new economic activity in our regions and by bringing applications forward we will help fast-track the recovery of our regional economies, who have been hurting as a result of the recent bushfires, drought and the ongoing impacts of coronavirus.

"The Regional Growth Fund is a 10-year commitment offering \$15 million in grants annually to support projects that will deliver tangible benefits to regional South Australia and most importantly creates jobs.

"Successful projects will be those that not only strengthen the economies of our regions, but also provide real community-wide benefits to the area. The first two rounds of funding are supporting projects that are creating stronger and more resilient regions.

"Thanks to the 2019-20 round of funding, our regional areas will enjoy a wider variety of food and drink experiences, better water and cycling infrastructure, and diverse tourism opportunities, so I'm again looking forward to seeing the range of projects that will make a positive difference in our regional towns and communities.

"I encourage eligible applicants who have a project they feel can strengthen our regional communities to apply."

Applicants in the third round can seek grants from \$50,000 up to \$2 million, with projects to be located within South Australia that offer outcomes and benefits for regional South Australia.

Projects should foster collaboration and demonstrate a commitment to local employment, and purchase local supplies wherever possible. Applications to the Regional Growth Fund will be accepted from local government bodies, incorporated associations and business clusters.

## Flow Power and Todae Solar to commence construction on Streaky Bay Solar Farm

Streaky Bay Solar Farm received Development Plan Consent from the District Council of Streaky Bay in October 2019. Streaky Bay Solar Farm is a 3MW solar farm located on approximately 8 hectares (20 acres) of land on Jessie Flat Road.

The project is scheduled to commence early works after mid-April 2020. This includes activities such as fencing, site access establishment, materials delivery, mobilisation of portable amenities, and landscaping works.

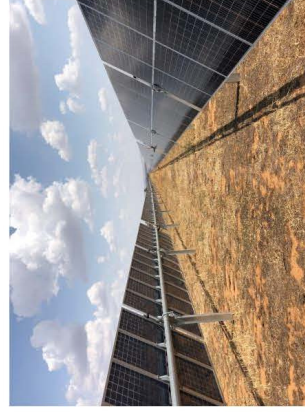

Construction is expected to ramp up in June 2020 and be completed by the end of Spring 2020.

The project is owned by Flow Power. Flow Power is an Australian electricity retailer transforming the way businesses buy power. As part of Flow Power's offering to customers, we are developing a portfolio of renewable energy projects around Australia to enable businesses to access more sustainable energy sources. The Streaky Bay Solar farm will form part of this growing portfolio and its energy will be sold to businesses across South Australia.

Flow Power have engaged Todae Solar to construct the project. Todae Solar is an Australian company with extensive experience in commercial solar installations.

## Project facts

- + Streaky Bay Solar Farm will consist of approximately 8,500 solar modules which will follow the sun from east to west throughout the day on a ground mounted tracking system.
- + Streaky Bay Solar Farm will generate enough power to supply the equivalent of 800 homes.
- + City of Adelaide has committed to sourcing a portion of its energy from Streaky Bay Solar Farm.

## MEALS ON WHEELS

The situation with COVID-19 is rapidly changing and continues to escalate. Additional precautions are now required to maintain service provision.

The MoWSA COVID-19 response plan has been emailed to all branches and poster sized printed version will also be made available.

The plan describes the approach that Meals on Wheels is taking to respond in this pandemic emergency and to ensure our essential service can continue.

**We are currently at Level 2 (Restrict) and from Monday 30 March will move to Level 3 (Reduce)**

**All volunteers over the age of 80 years and/or in higher health risk categories, are asked to stop doing your usual branch and delivery roles.**

Instead we encourage you to continue to volunteer and assist us from home. We will be looking for volunteers to make social and wellbeing phone calls to our customers, especially those that will be most isolated during the weeks ahead.

Please see the Freshdesk bulletin via the link below.  
<https://mowsa.freshdesk.com/a/solutions/articles/9000184881>

The bulletin includes copies of the

- MoWSA COVID-19 response Plan
- Customer Letter
- New safety bulletin

The situation is being monitored on an hour by hour basis, and it is certain that there will be further adjustments to our service delivery. The Response Plan specifies what will happen if we need to move to response level 4 and you will be informed before that happens.

If your branch is experiencing difficulties due to low volunteer numbers or volunteer concerns, please contact your Branch Support Officer or me at Central Office.

## RSL STREAKY BAY

On Sunday 9th February Streaky Bay RSL sub branch conducted its annual AGM and office holders for 2020 were elected. As a result of that meeting Peter Eylward was elected President and Bill Trevena elected Vice President. Tracy Hackett and Mick Stewart were re-elected in their roles as Treasurer and Secretary respectively.

"Peter is well known throughout the area and is a Vietnam Veteran having served overseas from May 1969 till March 1970 with the 5th Battalion RAR" said Secretary Mick Stewart "Bill served in the Australian Army as a commando during WW11 and is one of the very few surviving soldiers from that conflict still with us and it's appropriate to have these two men who served their country so well lead us in 2020".

As most would be aware RSL Headquarters Adelaide have cancelled ANZAC DAY Services for 2020 due to the COVID-19 virus and the risks involved.

Those wishing to place wreaths and flowers at the Cenotaph at the RSL Hall on the day are welcome to do so.

## COUNTRY WOMEN'S ASSOCIATION

The SA CWA "Sharing And Caring With Action"

### March meeting & catch up:

A fun little gathering to address some meeting matters. Afterwards, we had an open catch up for anyone wanting to learn knitting basics from Alice Montgomerie with intention of producing a baby clothing item.

### Craft workshop:

On 17/3/20, Claire Collins taught a group of members/nonmembers the 2020 State Crafts of Rope Work, Folder Star Patchwork & Bargello. A keen interest in the Rope Work created skills to make a simple placemat or towards more advanced basketware. An enjoyable time for those in attendance. Thanks Claire.

### Cancer Council's Biggest Morning Tea:

Our branch were revving up to hostess this event in May 2020. Unfortunately, the current state of affairs with coronavirus matters prevent social gatherings of the scale we would be expecting. Social distancing would not be achievable and the age & health dynamics of those who would mostly attend would pose significant risk to them. You can still have that cuppa whilst thinking of those cancer patients that may be experiencing more stressful times at the moment than the norm.

Also, you can make online donations direct to Cancer Council SA at [www.cancersa.org.au](http://www.cancersa.org.au).

If you're experiencing cancer, keep your chin up, we're proud of your strength throughout this process, and remember this is only a chapter in your life not your whole story.

### April meetings onwards:

April & May meetings/fundraisers/gatherings have been cancelled due to the current coronavirus matters. Beyond these two months will be subject to further government and organisational directives. Keep safe & reasonable everyone.

## MENS SHED

The Men's shed numbers have been down over the last few weeks for various reasons.

As was reported in the last edition we have now delivered 10 bird boxes to the Two Songs Sanctuary out of Port Lincoln.

Thanks to Jim Petty for delivering these boxes.

The owners of the sanctuary have mounted some of the boxes as per the pictures below.

At this stage we have not had any feedback from the nesting boxes we sent to Kangaroo Island.

We usually have coffee/tea and biscuits for morning tea but thanks to Kym Buttery/Harold Daniels for managing the garden and Jim Petty for his effort over the last couple of weeks we have fresh tomatoes and savoury biscuits to eat as well, as per the pictures below.

Thanks to Keith (Sandy ) Johnson who made up some metal frames we have now started getting the wood off the floors inside the workshop.

## INDOOR BOWLS

Indoor bowling is to take a back seat for the time being due to the coronavirus pandemic.

The S.B.I.B.C. will close temporarily for a minimum of 4 weeks.

On March 18, two days before Prime Minister Scott Morrison introduced the new distancing rules in an endeavour to stem the infection, S.B.I.B.C. president Shirley Petty announced the suspension of all club activity for a minimum of 4 weeks. After that time a further decision will be made and members notified.

In the three afternoons of competition played in March there was a gradual decline in attendance.

On the first Wednesday there was a full house of 24 players plus 1 non-playing visitor and a shot count was necessary to decide the winner.

This time the total scored was close, 23, 22 and 21 with the win going to the team of Marlene, Roz, Darryl and Maria.

March 11th there were 4 teams each scoring 2 wins and a loss again calling for a shots count which resulted in a clear win for Cheryl's team on 33 followed by Lorraine & Bev W. both 27 & Shirley 23.

March 18th, a very hot day, there were only 17 players to make up teams of 5 triples and 1 pair. The last game found a 2 game winner to play a 2 game loser so everyone thought the result predictable but not so as the day ended with 3 teams scoring 2 wins and a loss. Final count gave the win to the pairs team of Roz and Alan.

Birthday wishes and cake for Jim P, Owen, Bev W. and Gay were features on March 4th and later birthdays will be remembered when the club re-opens.

Now in the next weeks members will rest, stay healthy and look forward to the resumption of indoor bowls.

## PROBUS

Minutes of March General Meeting & AGM Club President Heather Carey welcomed 22 members to our monthly and AGM meetings today and 7 apologies.

No financial report as books are with the auditor  
Correspondence tabled:

\*PSPL upcoming Information Days

\*Information Clubs donations to areas experiencing drought & other natural disasters

\*Up-to-date recommendations about COVID-19.

The club acknowledged the 90th birthday of member Murray Cook last week and wished him all the best.

Next monthly meeting is Thursday 16 April but that will depend COVID-19.

The AGM followed immediately. President Heather's 2019 report reminded us of the highlights of the activities we have all enjoyed and expressed her thanks to all who have helped her during the year. Special mention was made of Rae Brewster (retiring secretary), Terry Patterson who checks our books for us and our Management and Entertainment (inaugural) committees.

Election of officers for 2020:

Heather Carey continuing as Club President  
Peter Eylward as V/President, Zita Chester as Secretary and Shirley Petty continuing as Treasurer. In addition the Management Committee is supplemented by the addition of Kay Wait, Sandie Quast and Jenny Eylward.

The Entertainment Committee remains the same, with power to co-opt others and Zita Chester agreed to include Welfare and Publicity into the Secretarial role.

The meeting concluded with a short, but topical recitation about Australia's 'Toilet Roll' crisis. Members were introduced to Peter Denahy's new song on the same subject: The Crackpot Jackpot.

Following the morning tea adjournment many of the members stayed to tap their toes and enjoy listening to the dulcet tones and rhythms of Cactus Martens.

## STREAKY BAY AREA SCHOOL

Rural Youth Ambassador 2020 is a Leadership and Student Agency program. The program was developed to provide young people within rural and remote Victoria the opportunity to develop their leadership skills and capacity through partnering with education sectors, rural communities and governments to enhance and improve their life and learning opportunities and outcomes - thus promoting "youth agency".

This is the first year South Australia is involved in the program. A Rural Youth Ambassador must be enrolled in Year 11, live in a rural community and submit a written application. Up to 20 young people from across the state are chosen.

We have just been notified that Tayla Roberts has been successful and has been accepted into the program. We wish Tayla all the best in this program and look forward to following her journey across the year.

# Working From Home

In this current environment. working from home  
for many of us is a new daunting reality

One filled with many challenges

Juggling work deadlines, accessing work remotely , home schooling,  
entertaining the bored kids and not to mention all the extra food catering

If you have a funny home office set up or  
some great light heart tips to make this transition more enjoyable

Post a photo or video of your home office set up in the comments section  
of our Council "Working from Home" Facebook Post  
or email [info@streakybay.sa.gov.au](mailto:info@streakybay.sa.gov.au)

## Attention Local Creatives

ArtsUp Streaky Bay are with you in these difficult times and would like to offer you free freight on bags of clay and tools so you can keep your creative juices flowing.

We have a Ceramics kiln that we are currently learning how to use and are encouraging local creatives to make some pieces ready to fire.

Create and leave your pieces to dry over the next few months, then you can use our glaze if needed and we can fire them for you for free.

There are 2 kinds of clay for you to choose from-

Clayworks white school clay(10 kg) is \$25/bag

Bennetts Filtered Terracotta (15kg) is \$26/bag

Packs of Pottery tools available for \$20

If we get orders for more than 20 bags the cost will be lower

Payment can be made by direct deposit.

This offer is valid for Streaky Bay, Poochera, Wirrulla, Haslam, Pt Kenny, Sceale Bay and Baird Bay residents (and farms in between of course!)

Orders and payment must be received by April 7th

Please contact Rosemarée on 0427618188 or [wcoastr@bigpond.net.au](mailto:wcoastr@bigpond.net.au)

### **Marine Safety Notice—Streaky Bay, Sceale Bay, Baird Bay & Haslam**

**Locally available 24/7 Adelaide Monitored VHF Marine Emergency Radio Service is on Ch 16 and on supplementary CH 67**, via equipment on Government Radio Network towers at Elliston and Streaky Bay's Gibson Peninsula and is well receivable within Streaky Bay. However in some areas both inside and outside of some of the other bays, that signal can be marginal due to terrain shadowing.

#### **Daylight Hours Local VHF Marine Radio Services:**

The call signs are **WMR Baird Bay**, **WMR Haslam** and **SES Streaky Bay** these are manned by SES members. Call sign **VMR Streaky Bay** is a non SES operation from Killas Service Station, Wells Street - manned during business hours.

#### **Local Services Provided:**

Locally operated stations primarily monitor for general calls and the hours are usually 8.00am to 5.30pm varying to 8.30pm. Some stations can provide you with a signal check, but they do not normally offer a regular voyage booking/tracking service unless that is agreed by prior arrangement. They also can be used for emergency calls and will monitor emergency calls.

**Local Streaky Bay UHF CB Repeater is CH7 and can often be used for all types of emergencies during long term blackouts to Streaky Bay area mobile phone services. Radius is approx 35kms from Streaky Bay**

# RECYCLE YOUR E-WASTE

## What is e-waste?

E-waste – or electronic waste – refers to **electronic products** that are no longer wanted or working. You are able to take these items to the Streaky Bay Transfer Station (fees apply) for disposal. Items accepted are -

**Computers \* monitors \* laptops \* computer keyboards \* mice \* printers \* fax machines \* mobile phones \* CD Players \* VCRs \* gaming consoles and controllers \* televisions**

Please note that vacuum cleaners, microwaves, fridges, other kitchen appliances and electrical equipment are not accepted as e-waste but are accepted as other general waste at the Transfer Station (Fees apply)

For further information please contact Council on (08) 8626 1001

## NEW ONLINE BURNING NOTIFICATION SYSTEM

People wishing to undertake broad acre burning during the 2019/2020 fire danger season please be aware that there is now a new online notification system.

If you have not yet met with staff you are asked to arrange a meeting with Rodney Heath on 0427 400 584 to arrange a time to be walked through the new program and obtain your seasonal burning permit.

## COMFORT AND COOKING FIRES

People can have a fire for comfort and cooking purposes as long as it is:

- ⇒ Not a total fire ban day,
- ⇒ Is within a fire pit at least 20 cm deep,
- ⇒ Has a 4 metre clearance around the fire,
- ⇒ Is smaller than 1 m<sup>2</sup>,
- ⇒ A person is always in attendance until the fire is totally extinguished,
- ⇒ An appropriate agent to extinguish the fire is on hand.

## CDL CLOSURE

Please be advised that the CDL is closed until further notice.

Council apologises for any inconvenience caused and will advise as circumstances change.

Please contact the District Council of Streaky Bay on 8626 1001 should you have any queries.

## TRANSFER STATION FIREWOOD

The Council has recently been contacted by a few members of the community in regards to taking firewood from the Transfer Station (in regards to firewood being taken) and there has been some uncertainty about the Council stance on this matter.

The Council's response is that under no circumstances may people access or remove "Fire Wood" from the Transfer Station.

There are many safety risks associated with this, some of these being a high risk level of injury or snake bite.

The Council's primary concern will always be the safety and wellbeing of everyone who accesses the property. Any wood that is at the Transfer Station will eventually be converted to wood chips and used in and around the town for the benefit of all ratepayers.

If you have any further queries please contact -

# NOISE - ROOSTERS IN TOWN

Roosters are a contentious issue among backyard chicken keepers. On the one hand, these charming chaps can be a huge benefit in keeping your flock safe and happy. On the other hand, a musical wake-up call can be too much to bear on an otherwise-lazy Sunday morning. Crowing can be a serious nuisance, but with a little patience and preparation, you can set up a backyard paradise that'll keep everyone happy.

The most infamous rooster crow happens at sunrise. Well, not exactly. Roosters actually base their crowing on a biological clock that anticipates sunrise rather than greets it. So rather than 1 nice 5 am sleep-in, the unprepared keeper will be bolt-awake at 3am. Morning after morning, you might get used to it, but your poor neighbors will be a little less patient.

Inexperienced chicken buyers inevitable return from the market with at least one rooster, because the boys are the best looking. If you're drawn, towards a particularly fine-looking chook, intoxicated with its pizzazz and personality, trust me, it's a rooster and your heart is about to break.

This is the thing. You cannot keep your rooster. The most intractable aspect of backyard chicken husbandry is what to do with the menfolk. They are, shall we say. Incompatible with residential living.

Some neighbors are willing to be bribed with fresh eggs or a placating jam sponge but, on the whole, many residence are:

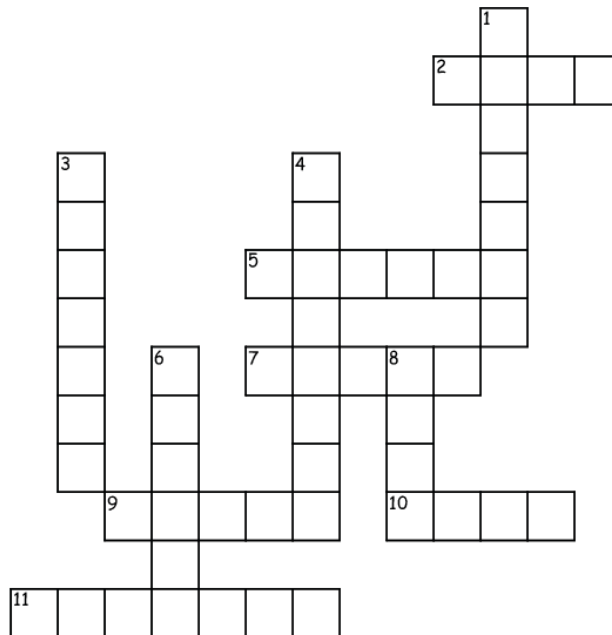

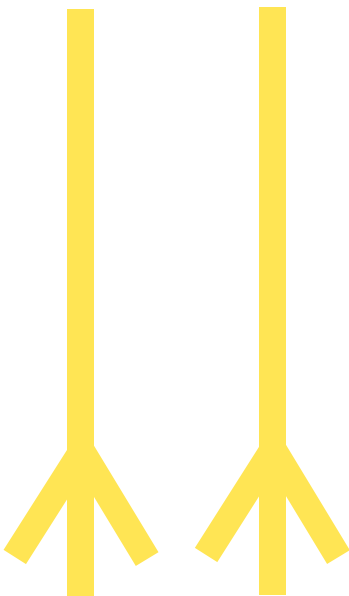

a)Not appreciative to be handed a random cake in Lou of sleep, and

b)not enchanted at being woken at 4.30am by Mr Fabulous.

Roosters are not necessary for hens to lay eggs and therefore it is recommended that roosters are not kept within towns.

When Council receives a noise complaint regarding Mr fabulous, owners may be required to remove him.

If you are already the owner of your very own Mr fabulous it is recommended that you consider his rehoming out of town before your neighbor becomes enraged through lack of sleep.
