## ST AUGUSTINE'S ANGLICAN CHURCH

### Messages of Faith and Hope

St Augustine's Anglican Church Streaky Bay.

I was watching a TV programme the other night called 'Grantchester' about a clergyman and a policeman solving crimes together.

The clergyman was concerned about his spiritual wellbeing and was very uptight about it. The policeman commented by saying, you are a human being; humans are not perfect.

The closest we get to perfection is when we love others. We are not perfect, but we are forgiven past present and future, but we have to believe this.

The death of Jesus Christ on that cross over 2000 years ago for all humanity accomplished our forgiveness for all time. That is perfection.

This man, who loved us so much, he was willing to die in a most despicable shameful and painful way so that we could live with him for eternity.

Give your life to him and He will make you perfect.

## SA CWA, STREAKY BAY BRANCH

### “Sharing And Caring With Action”

Our October branch meeting entered the land of discovery with our members having to recount a rural achievement during their lifetime.

Being women of the land at some point, the stories that were shared created laughter, wowing, jaw dropping, head shaking, and more reactions.

They are stories resulting from everyday living challenges as women of the land in rural and remote areas – the sacrifices, the love, the heartache, the determination, the fun, the commitment, the survival for our families, friends, community and ourselves.

Best non-fictional storytelling in a long time thanks so much ladies for this contribution.

We discovered more about each other and respect each other even more.

This meeting was then followed by further chit chat during some handicraft activity, some learning, some bringing along their own craftwork to do.

A Bargello craft session for members & friends was demonstrated by Claire Collins (our district Handicraft Officer from Ceduna) in early October.

**A further craft session will be held by Claire on Tuesday 17/11/20 to demonstrate RopeWork**

**A Floriculture workshop will be held by Fay Kelsh on Tuesday 24/11/20, both timed for 10am-3pm.**

**Numbers are limited contact Alison 0417854883**

Our BBQ sausage sizzle/baked goods/handicraft fundraiser held on 16/10/20 was well supported by locals and travellers, even though it was a day of overcast drizzling.

Of course, the baked goods were the first off the ranks to be sold and there would have been plenty of happy tummies and taste buds out there that day.

The BBQ Sausage Sizzle offered the simplicity of snag, onion, tomato & mustard sauces on that freshly baked piece of bread – the basics of true aussie taste bud decadence! So yum, yum.

A big thank you to our local bakery for your generous donation of bread to the cause.

We'd give you a hug but it's still Covid!

A further thanks to the members, friends and blokes that assisted with the set up, baked goods/craft contributions, BBQ cooking & set down.

A great few hours of worth.

Just for the record again, we'll be having the same fundraising event again on

**Friday 4/12/20  
at the Post Office Car Park  
from 9am – 2pm**

So come on down to satisfy those taste buds & Christmas Present options

## PROBUS CLUB REPORT - 2020-10-23

The Probus Club of Streaky Bay & Districts has been very busy since our last report. On October 1st we celebrated – along with the rest of Australia - our inaugural **Annual Probus Day**.

Members and friends filled the Council bus for a trip to Elliston on a glorious day. We enjoyed morning tea at the Venus Bay store before journeying on to re-visit the Sculptures on the Cliffs and catch up with the latest information at the local Visitor Centre. A delicious lunch was had, prepared by staff at the Elliston Hotel, after which we visited the memorial in honour of the Early Aboriginal Settlers of this area and also found some time for play in the local playground which has a great array of play equipment.

We thank the Streaky Bay Hotel who sponsored this trip to make it a free day for members during "Senior's Month

The following week we attended a BBQ lunch at the Baird Bay home of Kay Freeman.

We were blessed with beautiful weather & members enjoyed the meats, salads and sweets and the opportunity to catch up with fellow members in a lovely location. Kaye shared with us some of the history of the small Baird Bay community as it evolved since early settlement in the later 1880's. Inhabited in early years mainly by migrant fishermen it is now more of a 'holiday-home' settlement and is probably most heard of currently as 'the place where you can swim with the dolphins' while enjoying the luxury eco-accommodation and hospitality of Alan and Trish Payne. Kay also loves the local birdlife & has a large collection of photo's which we were privileged to view.

Jan & Terry Patterson entertained us as guest speakers at our October meeting by telling us about a trip they had undertaken to China last year. With numerous photos to back their story they ran out of time well before they ran out of trip.

## INDOOR BOWLS

In the 3rd and final game of the day. Only once this month has the trend been broken. Sometimes penalty scores come into the result but not always. Is it pressure or luck?

Total shots scored by winners also have been noticeable. Normally an overall winner would score say a total of 30 shots or a little better, but on two separate Wednesdays there were tops of 43 and 39

Whatever the reason for these odd results, every Wednesday is a social friendly day for indoor bowlers.

All can relate to a day of good bowling and perhaps a little good luck but all know there are those days when nothing goes according to plan no matter how hard you try.

October 14 was a celebration day for Sandie and Darryl when decorated cream birthday cakes were presented and served for afternoon tea.

Winning teams

Oct. 7 ,Wayne, Kaye, Connie, Maria.  
Oct. 14, Alan, Sandie, Darryl, Shirley.  
Oct. 21 ,Bev W., Coralie, Maria.  
Oct. 28 ,Connie, Julie, Gay.

# YOUTH WEEK 2020

The District Council of Streaky Bay was successful in their application to SA Youth Week for a grant of \$1500 to run activities across Youth Week 2020. Council then matched the funding to enable a fun filled week of activities for our Youth.

As Youth Week was originally scheduled for April, we had to postpone due to the craziness that was COVID-19. By October we were excited to safely provide our Youth with some fun events to participate in over the school holidays.

Even though it was a smaller scaled version of our original plans all our activities were well attended and have had wonderful feedback.

Community and Economic Development officer, Jess Davis, had collated ideas and feedback from the Youth and Families prior to submitting the application to see what the Youth of our District would like to see for Youth Week 2020.

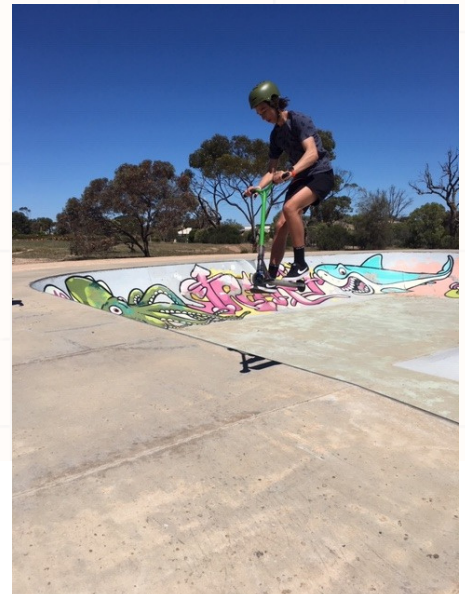

From this feedback we coordinated the following events:

- o Creative Mosaic Workshops by Arts Up
- o Beauty Essential Workshops by Sally Trezona & Melissa Benc
- o Skate and Scoot Day by Roll All Day Darryl Harvey with Jedd Phillips & Aaron Johnston

We have had positive feedback on all events, 80 Youth attended our events this year, Our Youth Week Event wouldn't have been possible without the funding from the Department of Human Services SA Youth Week and without the fantastic work and generosity of our community members/business owners that volunteered their time to make our event great.

Thank You to Arts Up, Toni Foster, Ali Hein, Sally Trezona, Melissa Benc, Aaron Johnston and Sara Goosay.

Here's hoping to a less crazy 2021 and a bigger and better Youth Week Event

# \*GRAND OPENING NIGHT\*

## SATURDAY 14TH NOVEMBER 2020

### Brekkie & Lunch from Sun 15th November

After visiting Streaky Bay for many years as tourists  
and dreaming of what might be,  
Vince and Paulette Davey decided the time to live  
the life we always wanted was now.

2020 brought to light so many new and challenging emotions  
and issues for everyone but for us it was the realisation  
that unless we make a change and take a chance  
then our lives will stay the same and we would in time  
regret our lack of actions to achieve some of our wildest ambitions.

Falling in love with Streaky Bay is easy.  
The pristine beaches, the natural beauty and the great fishing,  
along with the friendly nature of the locals.  
It was not a hard decision as to where we wanted to spend the rest of our life.  
With over 40 years combined experience within the hospitality  
and associated service industries,  
A café was our dream and when we found that this site  
was up for rent, we could not resist diving in.

The most encouraging component of the final decision  
was the desire of locals to see this place reopen  
with so many people having fond memories of the prior business  
that ran successfully for many years from this site.  
Add to this our want to be part of a fantastic  
growing and enthusiastic community and things just fell into place.

Our want is that our customers enjoy the experience  
through this magnificent location, that our service shows you  
due respect and the quality of the fresh local produce  
we serve will see you returning time and time again.

Your support of our café in turn supports this community  
through supply of produce from many local business,  
not only in Streaky Bay but also Port Kenny, Port Lincoln  
and other Eyre Peninsula towns and residents.
