## GOVERNANCE

### Finance Risk and Audit Committee

A meeting of the Finance, Risk and Audit Committee was held prior to the November ordinary meeting of Council and from that meeting Council resolved;

- Finance and Risk Work Program 21/22
- Draft Financial Statements 2020/21 and Audit Completions Report
- First Quarter Budget Review for 2021/22
- Register of Policies
- Strategic and Project Reports 2021/22

### Asset and Infrastructure Advisory Committee

Council has established a Section 41 Committee of Council to consider reports and information pertaining to strategic asset and infrastructure delivery. The Terms of Reference was established to enable the appointment of both Council members and residents. An Expression of Interest process was undertaken with Council resolving to appoint Craig Kelsh, Geoff Hull and Philip Wheaton as community members.

## COMMUNITY

### Streaky Bay and District Senior Citizens Homes

Council received a report seeking Council's interest in appointing a Council member to the Board. Council in its consideration resolved to not appoint and received and noted the report.

### Streaky Bay Craft and Produce Market

The Craft and Produce Market was not undertaken in 2020 due to both Covid and not being able to form a committee. The Community and Economic Development Team assisted a new group of passionate community members to take on the future markets. The Committee sought from Council a waiver for Hall Fees to host the market and this was granted at the November meeting of Council.

The markets were held on November 28, attracting approximately 30 stall holders and over 500 persons through the door. This is a great community event and opportunity to promote our local businesses.

### Streaky Bay Area School Pool

Council have signed a three (3) year agreement with the Minister for Education to open the Pool to the General Public for swimming from November 1 – April 30 each year. The Minister for Education will retain ownership and other responsibilities for the pool.

Council have engaged pool attendants, however if you are interested in a casual position please call (08) 86267033.

The pool cannot be opened at this stage as it is subject to repairs and maintenance. Council is awaiting direction from the Department for Education for when the repairs will be completed.

### Event Equipment

Council as part of the 2020 Drought Funding allocations purchased a variety of community event equipment. This equipment included;

- Bins / Waste Trailer
- Grandstands
- Event Trailer

Please contact the Community and Economic Development Team should your event require any of these items.

### Streaky Bay Youth Precinct – Design Concepts

Council will be seeking to engage a skate park specialist to finalise design concepts and engineering for the skate park and overall Youth Precinct project.

Council would like to say a big thank you to the Youth and Community members that have so far participated in the preliminary planning that went a long way towards assisting us with securing the funding for the overall project.

### Haslam Playground Swing

The swing has been ordered and will be replaced as soon as possible.

### Jetty Pool Shade Shelter and Platform Extension

Design concepts and engineering for an extension to the jetty pool platform and proposed shelter have been completed. An independent design verification is required with engineers recently on site. The Development Approval Application has been submitted and approval from Department of Infrastructure and Transport as the jetty is owned by the department is pending.

### Jetty Platform Refurbishment

Reconstruction works on the jetty platform is now underway. The successful contractor, Thirsty Constructions, are beginning to dismantle the deck structure in preparation for the new works. Work zones and safety barriers are to be respected, enabling the contractors to continue works unobstructed.

The aim is to maintain access to the jetty and jetty pool throughout the project timeframe, however there may be short, unavoidable restrictions.

## Council News Cont'd

### TOURISM AND ECONOMIC DEVELOPMENT

#### Tractor Beach Campground

Council and its appointed contractors are continuing to work in an endeavor to have the campground open just prior to the Christmas peak period. With so many competing projects our contractors are working hard to assist us.

#### Tourism Signage

Council through the Local Roads and Community Infrastructure Funding program has undertaken to replace and provide new Tourism signage throughout the district. This project is well underway and if you have any further suggestions, please send your suggestions including detailed location description to [williamspenny@streakybay.sa.gov.au](mailto:williamspenny@streakybay.sa.gov.au).

#### New Year's Eve Children's Festival

Council staff are currently working with SA Health to finalise a Covid Management Plan approval to host the event. Stall holders have been contacted to participate in the event, further information will be provided as it becomes available.

### INFRASTRUCTURE

#### Stormwater Management Plan Review

Council is currently seeking quotes for the review of its Stormwater Management Plan. The Plan was originally developed in 2011 and is therefore ten years old and due for review to consider and include changes in best practice and most importantly meet the future needs of our community.

There will be a significant community engagement process associated with this and the community shall be notified in advance of when this will occur.

#### Streaky Bay Hall Airconditioning

The main air conditioning units and associated infrastructure have been installed into the main hall building. It was identified during works that an upgrade to power was required to facilitate the cooling infrastructure. Council staff have been liaising with SA Power Networks and unfortunately due a contractor shortage SA Power Networks are unable to complete the works prior to the end of the year. Council will continue to liaise to ensure works are completed as soon as possible.

#### Poochera Oval Change Rooms Facility

Works are continuing on this facility with walls, roof timbers and roofing installed. This project is due for

completion in early 2022 prior to the commencement of the next Football and Netball Season.

#### Asset Management Plans – Roads

Council have engaged Tonkin's consulting to assist with the development of long-term asset management plans for Council's infrastructure, with stage 1 being roads. Council staff will soon commence a district wide testing and condition rating that will be provided for feedback into a roads database. This project will give Council staff a consolidated record of its existing infrastructure, predicted useful life and replacement schedules. This information can then be fed into long term financial plans and lead to a refined depreciation schedule.

#### Sealed Road Works

Sealing was recently completed to Back Beach Road and the Wirrulla Township entrances.

#### Wells Street/AB Smith Road/Wallschutzky Road Development Project

Design concepts were presented to the community for feedback earlier in 2021, where Council considered that feedback and appropriate feedback was given to the consultant engineers. Revised design concepts were endorsed and currently construction drawings are underway. Following the completion of the construction drawings the project components will go out for Tender.

#### Unsealed Roads Program

8kms of the Gawler Ranges Road from the bitumen has been resheeted. Emerald Rise Road from Whites Road to the oval is currently under construction with Cape Bauer from Anderson Road to Hally's Carpark to commence following the completion of Emerald Rise Road.

#### Finlayson Road Intersection Design/Upgrade

Intersection design work and lodgment with Lands Title Office for redesign of intersection alignment has been completed. Construction drawings are being sought and negotiations with Department of Infrastructure and Transport are continuing.

#### Perlubie Land swap

The agreement for a land swap arrangement with private landholder that will ensure the continuation of public access to the beach via the existing roadway has been finalized. Surveying of the area has been completed and applications are currently being developed for the road opening and closing procedures required for this.

## Streaky Bay Jetty Projects Update

- Jetty Pool Platform Extension and Shade
- Jetty Platform (covered area) extension

Works on the Jetty Pool Platform Extension and Shade will begin in mid-way this year to complete the reconstruction work planned for the Jetty Platform.

The Jetty Pool Committee has worked tirelessly completing hundreds of hours of work and a lot of work on the Jetty Pool Platform Extension and Shade project. At this point, there has been significant contact with the Department of Infrastructure and Transport and we thank them also for their support of the project.

Contractors have commenced work on the Jetty Platform, please be conscious of the noise, dust and the increased traffic in the Jetty area. It is planned that the Jetty Pool Extension and Shade construction works will be performed in conjunction with the Jetty Platform Extension and Shade construction work. ## PUBLIC NOTICE

Council meetings are on the road!

Council is taking their January and February meetings on the road to offer all communities to be involved in local decision making and to improve accessibility to Council meetings. Councillors and Senior Staff will be holding their new, two Council meetings in Poochera and Wirrulla.

The meetings and BBQ will be an opportunity for the Council to meet local business owners, families, and workers, and hear their ideas on how Council can make their local area an even better place to live and work. The Council meetings and BBQ will be held in Poochera in December and then in Wirrulla in January.

The meeting will provide local residents with the opportunity to meet the new District Council of Streaky Bay CBO, the newly joined Councillors, existing Councillors and Senior Staff over a shared BBQ. The following BBQ they will have the opportunity to say for the Council meeting directly afterwards.

In speaking about hosting the Council meetings in townsships outside of Streaky Bay Mayor Barber said "this will be a great opportunity to engage the community on their own to gain further insight into local community issues, whilst providing the opportunity for community members to attend meetings which may not necessarily have the opportunity due to living outside of Streaky Bay township."

Council meeting details:

December Council Meeting – Poochera Complex, 14 December 12:30 BBQ, 2pm meeting.

January Council Meeting – Wirrulla Complex, 11 January, 12:30 BBQ, 2pm meeting.

For more information or to register your interest please contact Tracey Lape on [apetracey@streakybay.sa.gov.au](mailto:apetracey@streakybay.sa.gov.au) or call 8526 1001.

# Community Grants

## COMMUNITY

### Bite-sized Grants

Funding of between \$200 and \$1000 is available for community groups and not-for-profit organisations for small, short-term projects. The program is funded through the Northern and Yorke Landscape Board to deliver positive environmental and landscape management outcomes, such as garden development, weed control and revegetation projects. For further information visit:

<https://www.landscape.sa.gov.au/ny/get-involved/grants-and-funding>

### Circular Economy Market Development Grants - SA

Circular Economy Market Development Grants provide South Australian businesses with funding to assist projects targeting recycled materials and/or recycled content products. The program supports projects targeting one or more priority waste materials including plastics, paper and cardboard, glass, scrap metals, textiles, e-waste and tyres. Funding of up to \$100,000 is available.

To be eligible you must be a:

- local council
- not-for-profit organisation

### Assistance for businesses employing young people

YOUTH JOBS PATH (Prepare – Trial – Hire) provides funding to trial a young person aged between 17 - 24 to find out if they're the right fit for your business. If the trial is a success and you hire the young person, you may be eligible for further funding. Grant funding available of up to \$10,000 for Australian businesses.

- Prepare: Young people will undertake Employability Skills Training to prepare them for work.
- Trial: You can trial a young person in an internship for between 4 and 12 weeks and receive a payment of \$1000 (GST inclusive) to help cover the hosting costs. Interns will receive a \$200 fortnightly incentive payment on top of their income support and are covered by insurance, both paid by the Australian Government.
- Hire: If you hire the eligible young person, you can receive a wage subsidy of up to \$10,000 (GST inclusive). For further information visit: <https://business.gov.au/grants-and-programs/Youth-Jobs-PaTH>

## BUSINESS

### Business Support Package

The new Business Support Package will assist an estimated 50,000 eligible\* SMEs across the state, including restaurants, cafes, hotels, and tour and experience operators, affected by the new restrictions to help stop the spread of the highly contagious COVID-19 Delta variant.

Grants will help businesses cover ongoing operating costs such as rent, power bills, supplier costs and other fees, and help them to re-open when restrictions ease.

The major support package also includes a new \$1,000 cash grant for eligible\*\* small businesses who don't employ staff (e.g. non-employing sole traders).

#### *How to access business support:*

- To register interest in Business Support Package cash grants, complete the form at [treasury.sa.gov.au/sbg](https://treasury.sa.gov.au/sbg) or email [smallbusinessgrant@sa.gov.au](mailto:smallbusinessgrant@sa.gov.au). Applications are expected to open within the next two weeks via [treasury.sa.gov.au](https://treasury.sa.gov.au) and grants will be processed as quickly as possible.

### Boosting Apprenticeships

The Boosting Apprenticeship Commencements wage subsidy supports businesses and Group Training Organisations to take on new apprentices and trainees, to build a pipeline of skilled workers to support sustained economic recovery.

Through the subsidy, any business or Group Training Organisation that engages an Australian Apprentice between 5 October 2020 and 31 March 2022 may be eligible for a subsidy of 50 per cent of wages paid to a new or recommencing apprentice or trainee for a 12-month period from the date of commencement to a maximum of \$7,000 per quarter. There is no cap on the number of eligible trainees/apprentices.

## ARTS & CULTURE

### Arts Sustainability Fund

The Arts Sustainability Fund supports the arts and entertainment sector to continue its activities by providing necessary finance to plan a pathway for recovery from the effects of COVID-19. Funding will support employment and contribute to rebuilding Australia's economy, as well as enhancing community wellbeing and access to cultural experiences across Australia.

The Arts Sustainability Fund will provide \$50 million over two years in 2020–22 so that significant Commonwealth-funded performing arts and culture organisations remain solvent, provide employment, and deliver high-quality cultural and creative activities and experiences for audiences. Applications close 31 May 2022 or until all funds are allocated, whichever is sooner.

## Community Grants

### Cultural Tourism Accelerator Targeted Marketing Campaign

Strategic and targeted grants of \$10,000 for a marketing campaign to achieve a particular visitation outcome. The campaign will accompany an existing project, event, festival, venue or annual program. The Cultural Tourism Accelerator Program will enable arts organisations to promote and develop cultural events for tourists across regional Australia. The program will increase tourism visitation in regional, rural and remote communities across Australia by providing financial support for arts and cultural activity. The program recognises that the cultural and creative industries play a critical role in contributing to the creativity, diversity and prosperity of Australia's regional and rural economy. The Cultural Tourism Accelerator Targeted Marketing Campaign grant round is now open and closes 17 January 2022. For more visit : [CTA Targeted Marketing Campaign - Regional Arts Fund - Country Arts SA](#)

### Cultural Tourism Accelerator Experience

**Initiative grants of \$10,000** are for an initiative that adds an offer or experience to an existing program, to increase visitation or extend the visitor experience of 'place'. The Cultural Tourism Accelerator Experience Initiative grant round is now open and closes 17 January 2022. The Cultural Tourism Accelerator Program will enable arts organisations to promote and develop cultural events for tourists across regional Australia. The program will increase tourism visitation in regional, rural and remote communities across Australia by providing financial support for arts and cultural activity. The program recognises that the cultural and creative industries play a critical role in contributing to the creativity, diversity and prosperity of Australia's regional and rural economy. ## STREAKY BAY INDOOR BOWLS

The last few weeks have been quite the social occasion for the Streaky Bay Indoor Bowls Club.

First event was a BBQ then 2 weeks later the Christmas lunch.

On November 17 club president Shirley Petty organised a BBQ to honour and farewell Alan Lange who was leaving for "pastures new". Alan joined the S.B.I.B.C. in 2017. He served on the committee from 2019 to the present time and in August 2020 he stepped up as COVID 19 Marshall for the club. Note Gay McCarten will replace Alan on the committee for the remainder of 2021-2 season. On the BBQ morning tables were set and before midday there was an appetizing aroma wafting throughout and beyond the clubhouse. Club treasurer Jim Petty received many compliments to the chef". Committee members and helpers plated and served the meal, Alan was presented with a farewell card and invited to cut a large chocolate cake baked by club secretary Julie Wild. Finally at the approach of 1pm it was time to clear away and make ready for the usual Wednesday 3 games of indoor bowls.

Winning teams were=

Nov. 3 = Jim P., Alan, Coralie

Nov. 10= Connie, Wayne, John

Nov. 17=Wayne, Roger, Julie

Nov. 24= Gay, Shirley, Darryl, Cara (visitor)

A reminder = NO Bowls December 22 and 29.

Resume January 5, 2022, names in by 1pm.

## STREAKY BAY PROBUS

Probus held their last meeting for the year on the 18th November.

Our next meeting will be the **20th January 2022**

We did not have a guest speaker this meeting, but instead watched a video on Fraud and Cyber crime. This presentation was originally put out to Men's Sheds Australia wide.

Given the information in it we decided to share it with our group. The presenter was Sharmala Whitehead from the NSW police department.

I hope some benefit came out of this presentation.

Members are reminded that our Christmas luncheon will be held at the hotel on the 16th December starting at 11.30am. For those who have not yet notified us that they are interested in going please contact Wayne on 0448 173 564

Back on the 7th October we had our bus trip to celebrate Probus Day.

Please see some more pictures below from that trip.

## STREAKY BAY TEAM WINS

The annual Anne Cornwell Region 5 Bowls Carnival was held this year from Tuesday November 9th to Thursday 11th with the host clubs being Cummins and Tumby Bay. The Carnival attracts players from Clubs all over EP from Cowell, Ceduna and Port Lincoln and all places in between. This year approximately 96 players nominated for this popular event held over three days playing fours and pairs.

Cummins held all the Fours games on the Tuesday while the Pairs games were split between the two Clubs. Tumby Bay hosted all the finals. 24 teams took to the greens to contest the Fours playing 3 sectional games of 12 ends.

The Sectional Winners were:

- A) Helen Minhard, Sandy Blacker, Sharon Sheehan, Karen Lynch (Cummins)
- B) Jeanette Bubner, Yvonne Borlase, Heather Workman, Heather Hoffrichter (Ceduna)
- C) Pam Edmunds, Janine Brown, Gaye Oswald, Jenny McEvoy (Streaky Bay)
- D) Sue Fisher, Bev, Berg, Heather Michael, Bev Oswald (Wudinna)

There were 46 teams entered in the pairs, 24 teams played at Tumby Bay and 22 teams played at Cummins on Wednesday. There were 8 sections in the pairs – 3 games of 10 ends to decide the sectional winners with one knockout game being played after the three games to determine the four finalists. Thursday saw the finals played in very cold and windy weather at Tumby Bay.

In the Fours semi-finals Jeanette Bubner defeated Helen Minhard and Pam Edmunds defeated Sue Fisher

The grand final was then played between Pam Edmunds and Jeanette Bubner with Pam Edmunds' rink coming out comfortable winners not needing to play the last end. This win was a continuation of the winning streak Pam Edmunds and her team have experienced over recent years in this carnival winning two of the last three years and being runner-up in the third. Well done girls. Quite an achievement.

In the Pairs semi-finals Deb Larwood & Helen Harris defeated Jan Kenny and Janet Tiller with Lucille Green and Lou Fuss defeating Fay Roach and Cathy Myers. The grand final was fiercely contested with the lead changing throughout the match.

At the end of the game the winners were Lucille Green and Lou Fuss. It was the first time in 31 years of competing in the Carnival that Lucille Green had won a Pairs event. Quite an achievement.

At the conclusion of the finals, Di Eatts presented the winners with the shields and \$100 prizemoney and the runners/up \$60 prizemoney.

## ARTSUP STREAKY BAY MOSAIC SUCCESS

Over the weekend 9 creative ladies successfully completed unique mosaic Artworks.

Under the guidance of local ArtsUp streaky Bay volunteers 9 amazing individual pieces were designed, drawn, mosaiced and grouted.

Enjoyed by all, with plenty of materials and colours to choose from, participants brought their own designs and completed a hanging mosaic over the weekend.

## STREAKY BAY MEN'S SHED

We are getting spoilt at the Men's Shed lately.

At our day at the shed on the 16th Nov Jim Petty cooked us a BBQ, great job. Kym Buttery is still doing a great job with our vegetable garden. Each Friday he comes in with different vegetables for us to take home or use at the shed.

The Men's shed has been busy making bird nesting boxes for sale in the craft shop. Thanks must go to Brenton Fulwood for giving us the off cuts of his decking which we will use in our next batch of nesting boxes.

A couple of projects that were reported as in progress last edition have now been completed.

They are a bench seat for Joan Hollitt painted ends and new slats fitted. (see pic below). Jim Petty has completed the shield for the bowling club. (see pic below) Both these items have come up pretty good. I know Joan was more than happy with her bench seat, and I reckon John Rumbelow will be happy with the shield.

We were approached by Wendy Carcuro to see if we could spruce up some equipment at the Kindergarten which we did. From the feedback we received they were more than happy with what we did. It is always nice to jobs for our community. Thanks to Gavin Scantlebury, Jim Petty, Wayne Miller, Bruce Hein and Malcolm Brace for doing the work.

You might have noticed our Xmas trees that were made a couple of years back have been put on the medium strips and still look great. We have had comments from some visitors saying how good they look.

If there is any one in town that is doing decking work and have off cuts left please contact the Men's Shed.

### Streaky Bay Branch

Our November meeting treated us all to some gorgeous flowers, yummy foods and brain cell development. Each member contributed info about our 2021 country of study, Netherlands. Facts and stats about the land, food, people, sports, art, culture, industry, holidaying, Amsterdam social antics and the brutality of war over the centuries.

On Remembrance Day, to honour our armed force members who died in the line of duty since the end of the First World War, we laid our poppy wreath at the local RSL war memorial. We will remember them. Lest we forget.

By the time this issue is circulated we would have had a market stall selling baked goods, crafts and merchandise at the Streaky Bay Markets. In anticipation of exceptional profits, thank you to everyone who bought our goodies and to the market organisers for their selfless support for the event. It's a massive task.

December is the exciting month for so many fun and yummy events. Our big event is our Chrissy party that will be celebrated at our local hotel on 14th December. Hoping Covid behaves itself, we will celebrate with members from the Ceduna, Elliston & Wudinna branches - bring on the stories, fun and tinsel.

Then January is our recess before resuming again in February.

Our branch wish you all a very enjoyable Christmas with your families and friends and that your travels are safe over the festive and New Year seasons. We thank you for your support during 2021 and we look forward to continuing to support our community in 2022.

Visitors and new Members always welcome.

## STREAKY BAY- CATHOLIC PARISH

As we near the end of another challenging year many in our communities in recent days have listened to stories of loss, heartbreak and despair as unseasonal rain has fallen across the west and many other parts of South Australia.

Significant adverse weather events in late October and early November left a trail of damage across much of Eyre Peninsula. On many farms grain, lupin and canola crops have been affected. For many the destruction occurred as the annual harvest was about to commence. The unseasonal rain has ensued in subsequent weeks resulting in a 'stop-start' harvest.

The rain has impacted greatly on the quality of the grain being harvested which in turn affects prices as grain quality is downgraded at the siloes. Some farmers are reporting that their grain has been downgraded to feed quality only.

The impacts of this chain of events affect not only the farmers but also their families and they reverberate throughout our rural communities and beyond. This is a time for renewed prayer for those who are confronted by these events. Please remember those who till the soil and provide our daily bread in your prayers.

Your presence to others in tough times is an irreplaceable gift. A phone call, a visit, a meal or a note can mean so much to struggling people.

As we stand on the threshold of the holy season of Advent and prepare again to welcome Christ into our homes and world at Christmas, we look to the Holy Family to accompany those carrying the cross of loss and grief at this time.

**A blessed and hope-filled Christmas to you all.**

## Streaky Bay Area School wins inaugural Andy Thomas Space Trophy

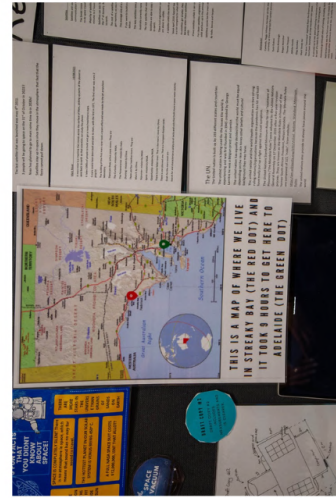

On Friday last week, Streaky Bay Area School won the inaugural Andy Thomas Space Trophy, which was presented to our students by the Premier of South Australia, Steven Marshall.

Earlier in the year, our school won a position on the Andy Thomas Space Pilot which opened up this fantastic opportunity. In collaboration with the Andy Thomas Space Foundation, local space industry experts provided real-world contexts for students to develop and apply STEM-based skills and concepts in designing inventions to support space exploration which improved students' critical, creative, design thinking, and problem-solving abilities.

On Friday last week representatives from our Year 6 and 7 Technology classes were invited to celebrate their learning at the Pilot Showcase Event at Lot 14 North Terrace.

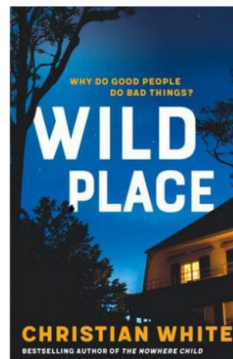

Our school's win was an amazing achievement by our students and demonstrates what our students can achieve at the highest level.

Many thanks to Mr Redden and Mel Launer for organising and supervising the Showcase trip to Adelaide and for Mrs Hill's Year 5 class for their involvement in the project.

# Christmas

**The celebration of Jesus birth -  
the arrival of Gods promised Messiah**

Jesus was asked

*What must we do to do the works of God?*

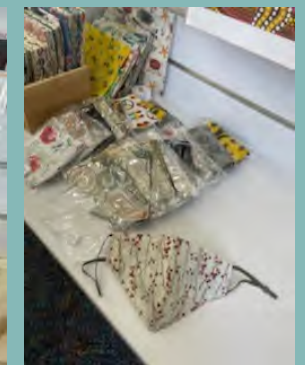

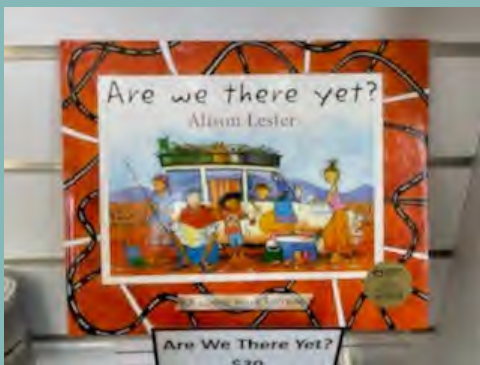

Jesus answered

*The work of God is this; to believe in the  
one He sent.*

**To believe is not an academic  
exercise**

**Believing requires an ongoing  
response**
